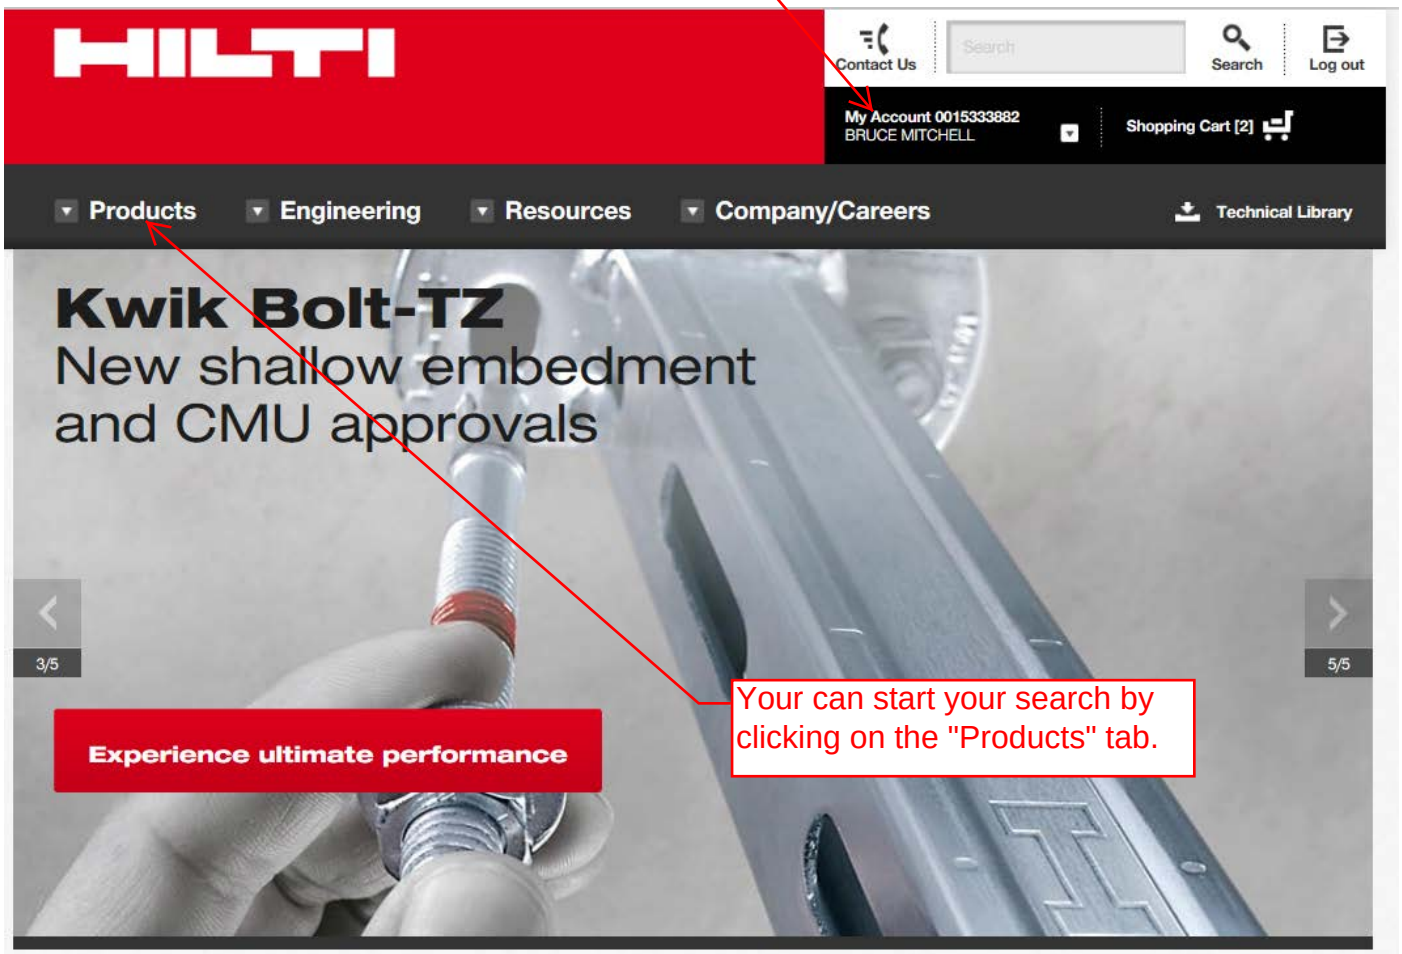
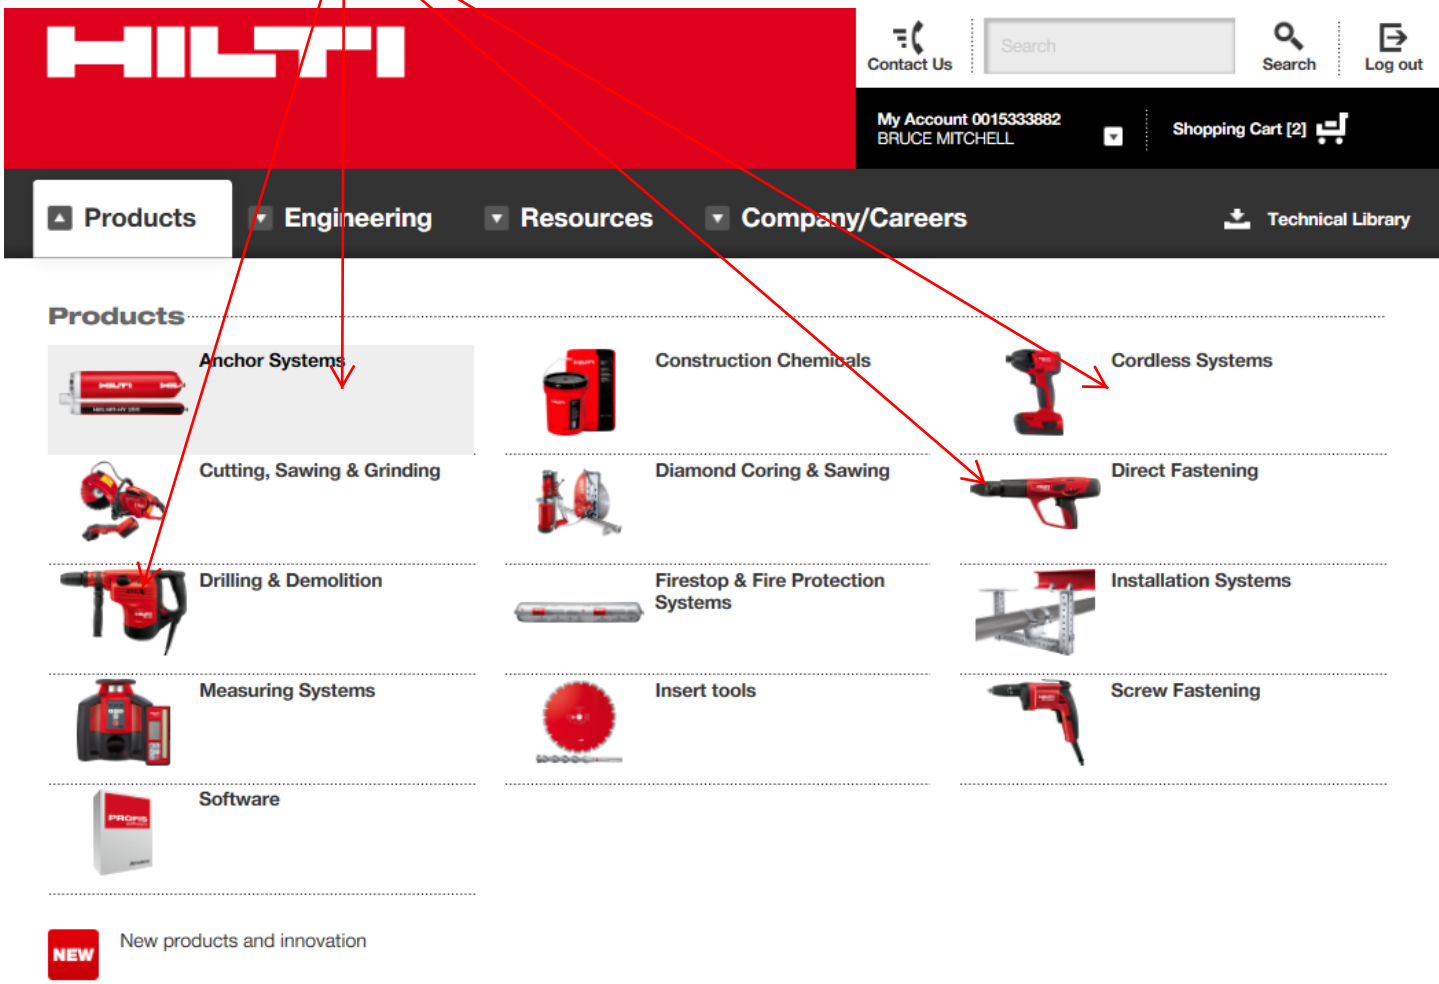
This shows you are logged in and will see contract pricing.

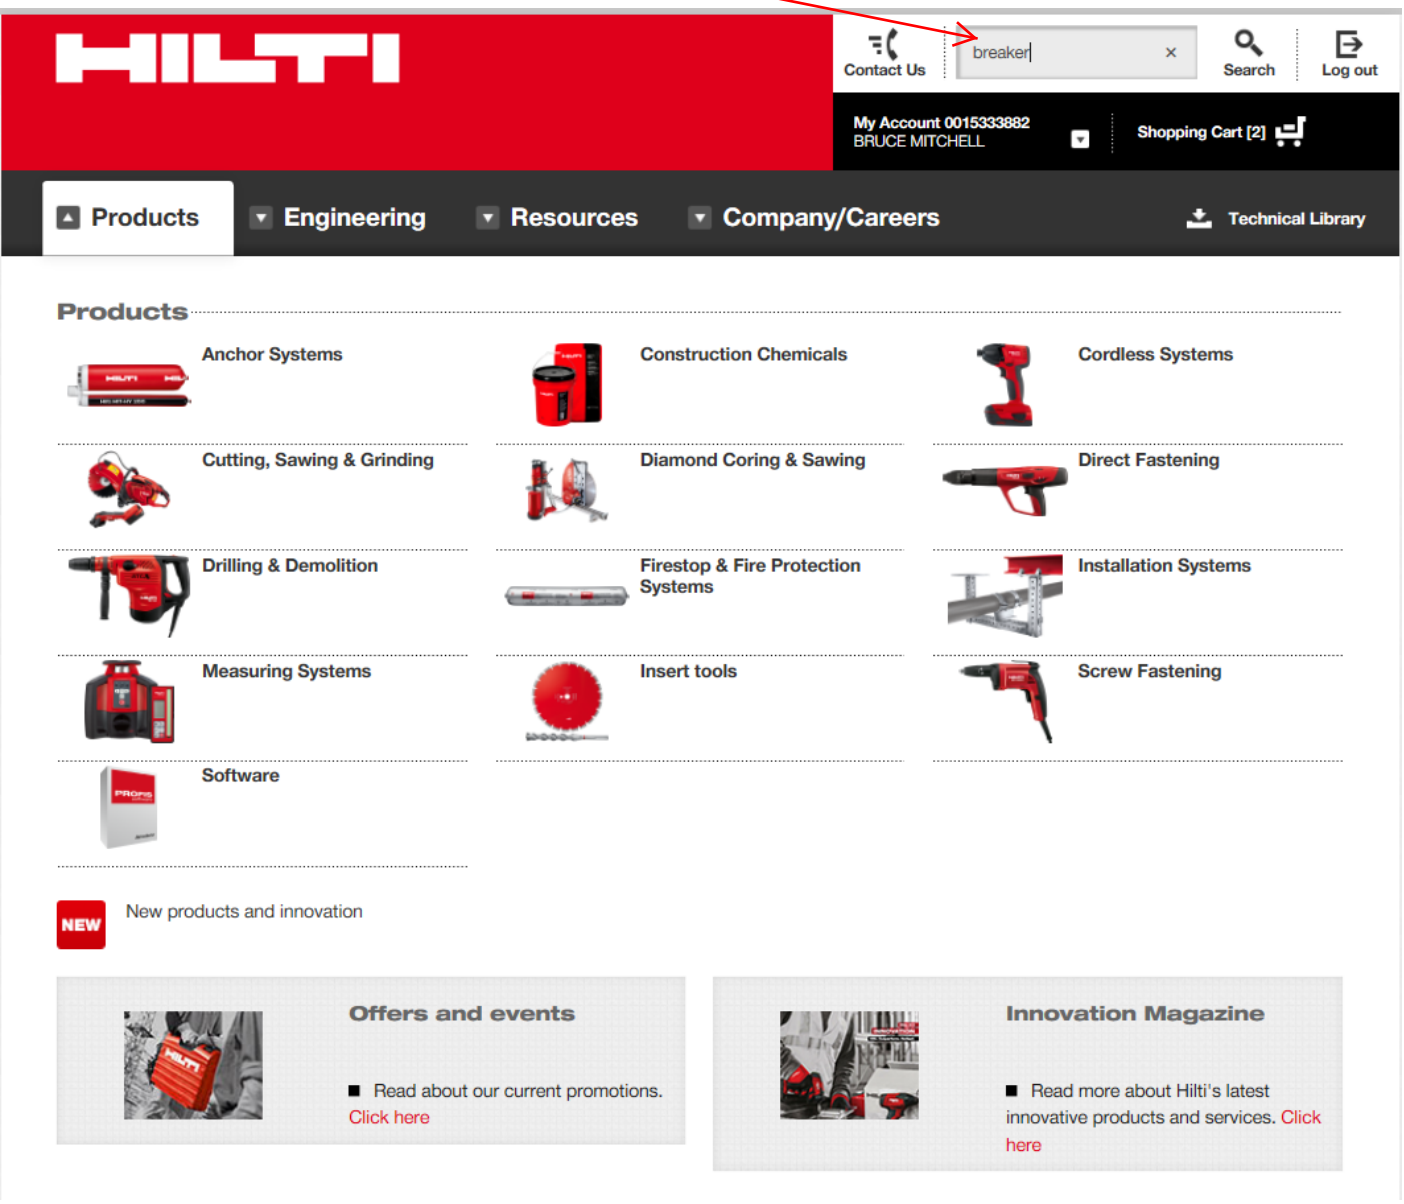


Your can start your search by clicking on the "Products" tab.

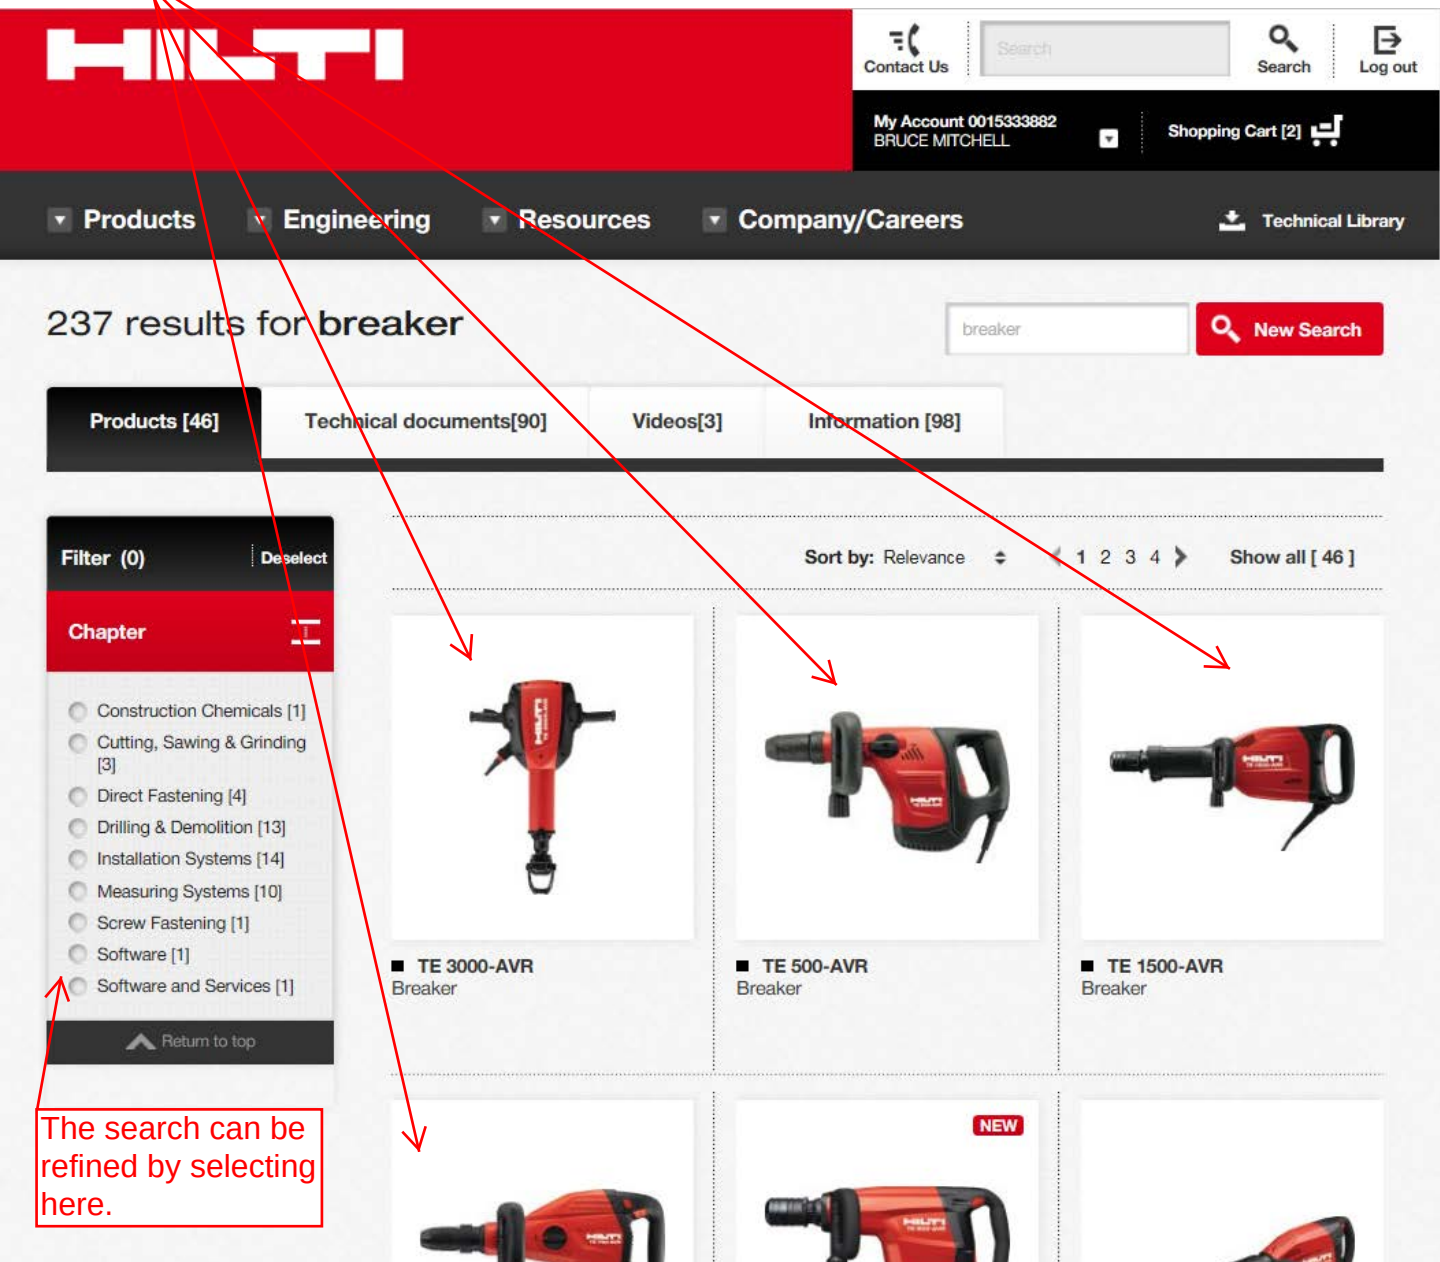
From here you can search any product family group to find what is needed



Or you can type in the search box a product description (here the term "breaker" is used) and click search.



The search shows breakers for your review.



The search can be refined by selecting here.

You can also create "Favorite lists" for commonly purchased items. Click here.
