<b><u>a) Section 1 - Scholarships and University Teachers Grants</u></b>			
The Rotary Foundation sponsors one of the largest and most international scholarship programs in the world. Scholars must study in a country other than their own where they serve as unofficial "ambassadors of goodwill". Since 1947, over 37,000 scholars from some 110 countries and 310 different Rotary Districts have received scholarships at a cost of more than \$428 million. In 2005-06, 738 scholars from 59 countries studied in 60 countries. 53 scholars at the master's degree level were sponsored to study in peace and conflict resolution. Rotary Grants for University Teachers are awarded to faculty members to teach in a developing nation for three to ten months. Since 1985, 408 university teachers have shared their expertise with a college or university in a developing country. In 2005-06, 25 university teachers from 6 countries taught in 19 countries.	\$ 18,027,289	\$ 3,634,142	\$ 21,661,431
<b><u>b) Section 2 - Group Study Exchange</u></b>			
Annually, awards are made to paired Rotary districts to provide travel expenses for a team of non-Rotarians from a variety of vocations between the ages of 25-40. Rotarian hosts organize a four-to-six week itinerary of educational and cultural points of interest. Since 1965, more than 57,000 individuals (almost 12,000 teams) from 100 countries have participated at a cost of more than \$92 million. In 2005-06, 515 teams traveled abroad.	3,891,637	2,454,942	6,346,579
<b><u>c) Section 3 - Matching Grants</u></b>			
Matching Grants provide matching funds for international humanitarian projects for Rotary clubs and districts. These grants range from US\$5,000 up to US\$150,000 and help fund a wide range of humanitarian needs including literacy, health, water, etc. Matching Grants projects are based upon international partnership; Rotary clubs and districts in at least two countries must work together to plan, implement and complete a project. In 2005-06, 2,016 new grants were approved for projects in 126 countries.	33,063,289	6,524,486	39,587,775
<b><u>d) Section 4 - PolioPlus and Other Humanitarian Programs</u></b>			
<b><u>PolioPlus</u></b>			
Rotarians have mobilized by the hundreds of thousands to ensure that children are immunized against this crippling disease and that surveillance is strong, despite the poor infrastructure, extreme poverty, and civil strife of many countries. Since the PolioPlus program's inception in 1985, more than two billion children have received oral polio vaccine. To date, 210 countries, territories, and areas around the world are polio-free and, 134 have been certified. As of June 2006, Rotary has committed more than \$595 million to global polio eradication.	24,865,395	2,053,721	26,919,116

Health, Hunger and Humanity (3-H) Grants Other Humanitarian Programs

The purpose of The Rotary Foundation's Health, Hunger and Humanity (3-H) Grants is to improve health, alleviate hunger and enhance human and social development as a means of advancing international understanding, goodwill and peace. Through this program, the Foundation provides major grants for large-scale, sustainable, international development projects. The emphasis is on supporting Rotarians who are assisting those who are working to improve the quality of life for themselves and their communities. Since 1978, 287 projects in 75 countries have been funded at a cost of \$74 million. In 2005-06, 11 new projects were approved	11,217,814	2,213,549	13,431,363
---	------------	-----------	------------

The new Humanitarian Grants Program structure took full effect on 1 July 2003. Under the new structure, District Simplified Grants and Individual Grants were introduced and three old grant types (Matching Grants, Blane Grants and 3-H Grants) were continued. Rotarians continue to submit final reports for phased-out grant types (Community Assistance Program, Discovery Grants, Grants for Rotary Volunteers, Helping Grants, Transportation Grants and New Opportunities Grants).

Blane Immunization Grants: The Blane Community Immunization Program was launched as a three-year pilot program in January 2000 with a \$1 million gift from Past District Governor Jack Blane. In response to the ongoing need for improved immunization, The Rotary Foundation Blane Community Immunization Grants provide up to \$1,000 in matching funds to United States Rotary clubs to help them improve immunization levels in their communities. In 2005-2006, 26 grants were approved.

District Simplified Grants: District Simplified Grants support the short-term service activities or humanitarian endeavors of districts in communities locally or internationally. This program began in 2003-04 and 1,168 grants have been approved for projects in 57 countries totaling more than \$17 million. In 2005-06, 396 grants were approved.

Volunteer Service Grants: Volunteer Service Grants support the travel of individual Rotarians, spouses of Rotarians, Rotaractors, and qualified Foundation alumni who are planning or implementing service projects. This program began in 2003-04 and 877 projects in 93 countries have been funded at \$3.5 million. In 2005-06, 191 grants were approved.

\* Trustees do not receive compensation Trustees are reimbursed for expenses incurred for attendance at meetings of Committees of the Trustees and for attendance at the meetings of the Trustees

\*\* The retirement plan covering employees of The Rotary Foundation of Rotary International, is a defined benefit pension plan The benefits are determined by application of a benefit ratio to the employee's highest average annual earnings for five consecutive years The pension plan assets are invested in certain pooled fixed income and equity funds

Rotary's funding policy, subject to the minimum funding requirements under the Employee Retirement Income Security Act of 1974, is to contribute such amounts as are determined on an actuarial basis to provide the assets sufficient to meet the benefit obligations

Due to the nature of our pension plan, it is not feasible to present contributions on an individual basis.
