**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND  
DISCLAIMERS REGARDING DEBTOR'S SCHEDULES OF ASSETS AND  
LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

July 26, 2012

On May 28, 2012 (the "Petition Date"), Dewey & LeBoeuf LLP (the "Debtor" or the "Firm") filed a voluntary petition in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtor continues to manage and operate its financial affairs as a debtor in possession under Bankruptcy Code sections 1107 and 1108.

The Debtor submits the attached Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs (the "SOFA") pursuant to Bankruptcy Code section 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedures (the "Bankruptcy Rules"). The Debtor, with the assistance of its advisors, prepared the Schedules and the SOFA pursuant to Bankruptcy Code section 521 and Bankruptcy Rule 1007.

The Schedules and SOFA contain unaudited information, which is subject to further review, verification, and potential adjustment. Accordingly, while the Debtor's management has made every reasonable effort to ensure that the Schedules and SOFA are accurate and complete based on the information available at the time of preparation and filing, inadvertent errors or omissions may exist. Further, the subsequent receipt of information may result in material changes in financial and other data contained in these Schedules and SOFA.

The Debtor reserves all rights to amend and/or supplement the Schedules and SOFA from time to time as necessary or appropriate.

These "Global Notes And Statement Of Limitations, Methodology, And Disclaimers Regarding Debtor's Schedules Of Assets And Liabilities And Statement Of Financial Affairs" (the "Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and SOFA and should be referred to in connection with any review of the Schedules and SOFA. The Notes and the Schedules and SOFA represent the Debtor's best efforts as of the Petition Date and should not be relied upon for information relating to current or future financial conditions, events, or performance of the Debtor.

The contents of the Schedules and SOFA constitute neither a waiver of any rights or claims of the Debtor nor an admission of the existence, amount, nature or validity of potential claims against the Debtor. The Debtor reserves the right to dispute or challenge the status and amount of any claim listed on Schedules D, E or F.

Stephen J. Horvath, Executive Partner, signed the Schedules and SOFA. In reviewing and signing the Schedules and SOFA, Mr. Horvath necessarily relied upon the efforts, statements and representations of the Debtor's other personnel and professionals. Mr. Horvath has not (and could not) personally verified the accuracy of each individual statement and representation, including, for example, those concerning amounts owed to individual creditors, classification of such amounts and creditors' addresses.

### **BASIS OF PRESENTATION**

The Debtor reported assets on a net book value basis. In addition, the amounts shown for total assets and liabilities exclude items identified as "unknown" or "undetermined" and, thus, ultimate assets and liabilities may differ materially from the amounts in the Schedules.

The Schedules and SOFA do not purport to represent financial statements and do not necessarily reflect the amounts that would be set forth in financial statements prepared in accordance with generally accepted accounting principles ("GAAP").

The Debtor performed no independent review of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in the Debtor's books and records. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests.

Unless stated otherwise, the Debtor has presented claims against third parties and projected obligations against the Debtor in their gross amounts without giving effect to potential offsets. In some instances, the Debtor has reported amounts that may be owed to certain third parties that the Debtor expects to offset in whole or in part by a deposit, retainer or prepaid amount reported on the Schedules.

The Debtor makes no representation of the value ultimately realizable from or the collectability of any assets presented herein.

### **AFFILIATED NON- DEBTORS**

The offices that are part of the Debtor's estate and directly subject to the Debtor's chapter 11 case are the Firm's domestic U.S. offices and the following foreign offices: Abu Dhabi, Almaty (Representative Office), Beijing, Brussels, Doha, Dubai, Frankfurt, Hong Kong, and Moscow (Representative Office). In addition, a separate limited liability partnership also named "Dewey & LeBoeuf LLP" ("Dewey UK"), formed under the laws of the United Kingdom, operated offices in London and Paris. The following other foreign offices were operated through non-debtor affiliates of the Debtor other than Dewey UK (the "Non-Debtor Affiliates"): Johannesburg, Madrid, Milan, Riyadh, Rome, Sao Paulo, and Tbilisi. The relationship between

the Debtor and each of Dewey UK and each Non-Debtor Affiliate was governed by written or unwritten contracts and established course of dealing.

In certain instances, the Schedules and SOFA may include the results of Dewey UK or the Non-Debtor Affiliates, as the case may be. In addition, in some instances, the Schedules and SOFA do not include information from foreign offices of the Debtor where information was not available to the Debtor, due to the closure of a foreign office of the Debtor prior to the Petition Date or as a result of local proceedings following the Petition Date that have restricted the Debtor's access to information. In particular, the Schedules and SOFA do not include balances from the Moscow and Almaty offices (except the Moscow Representative Office and the Almaty Representative Office) and Warsaw office of the Debtor because those operations were transferred before the Petition Date.

### **RESERVATION OF RIGHTS**

Nothing contained in the Schedules and SOFA shall constitute a waiver of the Debtor's rights or an admission with respect to its chapter 11 case, including any issues involving equitable subordination, defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws.

### **LIABILITIES**

The Debtor allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and SOFA. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement or otherwise modify the Schedules and SOFA as is necessary and appropriate.

### **ESTIMATES**

To obtain asset and liability balances as of the Petition Date, the Debtor made certain estimates and assumptions that affected the reported amounts of assets and liabilities. Actual results could differ from those estimates.

### **CAUSES OF ACTION**

Despite its best efforts to identify all known assets as described above, the Debtor may not have set forth in its Schedules and SOFA all its filed or potential claims and causes of actions against, and potential recoveries from, third parties or the values of any such claims. The Debtor reserves all rights to assert any and all such claims and causes of action, whether or not listed in these Schedules and SOFA.

Further, nothing contained in these Notes, the Schedules or SOFA shall constitute a waiver of any such claims or causes of action or in any way prejudice or impair the assertion of such claims or causes of action.

### **RECHARACTERIZATION**

The Debtor has made every reasonable effort to correctly characterize, classify, categorize, and designate claims, assets, liabilities, executory contracts, unexpired leases, and other items reported in the Schedules and SOFA. However, due to the complexity and size of the Debtor's operations, the Debtor may not have properly characterized, classified, categorized, or designated certain items. The Debtor thus reserves all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and SOFA at a later time as necessary or appropriate as additional information becomes available.

### **CLAIMS DESCRIPTION**

Any failure to designate a claim on the Schedules as "disputed," "contingent" and/or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" and/or "unliquidated." The Debtor reserves its rights to (i) dispute or assert offsets or defenses to any claim on the Schedules on any grounds, including, but not limited to, amount, liability, priority, status, description or classification or (ii) amend the Schedules to designate any claim as "disputed," "contingent" and/or "unliquidated." The Debtor scheduled as "unliquidated" any claim amounts that it could not readily quantify and amounts that it believes have been or will be paid subsequent to the Petition Date. The description of a claim amount as "unknown" is not intended to reflect upon the materiality of such amount.

### **CONFIDENTIAL INFORMATION**

The Debtor has omitted certain information from the Schedules and SOFA due to the nature of an agreement between the Debtor and a third party, concerns about the confidentiality or commercially sensitive nature of certain information, legal ethical requirements, preservation of a client's legal privilege, or European Union privacy regulations. In some instances, the Debtor has omitted names, addresses, and/or other identifying information from the Schedules and SOFA. Due to the Debtor's concern for the privacy of individuals, the Debtor has deemed it appropriate to exclude such identifying information from the Schedules and SOFA. However, the Debtor has retained, and can make available, certain information in appropriate circumstances and to appropriate parties subject to the assurance of confidentiality.

Additionally, the Debtor has redacted certain personally identifiable information for its Europe-based employees and partners in accordance with personally identifiable information directives in effect in the domestic and foreign jurisdictions in which the Debtor operated.

## **COURT ORDERS**

The Bankruptcy Court entered orders authorizing (but not directing) the Debtor to continue certain prior practices and to make payments in respect of certain claims and obligations arising prior to the Petition Date. Such payments include, but are not limited to, employee obligations and withholding and payroll-related taxes (See additional detail under Schedules E and F below). The Debtor has made payments to certain creditors pursuant to these orders. During the pendency of this case, the Court may authorize the Debtor to pay additional pre-Petition Date balances in accordance with relief the Debtor may seek. Accordingly, the actual claim balances as of the date of the Schedules or subsequent dates may be less than the Petition Date balances.

## **NOTES TO SCHEDULES**

### **SCHEDULE B “as of” DATES**

Unless indicated otherwise, asset values described in Schedule B are as reflected on the Debtor’s records as of May 28, 2012.

### **SCHEDULE B1 – CASH ON HAND**

The petty cash amounts listed in Schedule B1 reflect the book amounts as of the Petition Date. The current amounts are unknown.

### **SCHEDULE B2 - CHECKING, SAVINGS OR OTHER FINANCIAL ACCOUNTS**

The Debtor’s two accounts with HSBC in Doha, Qatar (account numbers XXXX-7001 and XXXX-7100) that are listed in Schedule B2 are also listed in SOFA 4(b) (property that has been attached, garnished or seized under any legal or equitable process within one year immediately preceding the Petition Date).

### **SCHEDULE B5 - BOOKS, PICTURES AND OTHER ART OBJECTS**

The aggregate value of the artwork listed in Schedule B5 is based on estimated book value, and it does not reflect the actual value of the artwork. The list of artwork contained in Schedule B5 is derived from the Debtor’s books and records. The Debtor does not, and cannot, attest to the accuracy of the list of artwork or the value of any item or the aggregate value, nor can the Debtor confirm that all such artwork was in the Debtor’s possession as of the Petition Date, or remains in the Debtor’s possession. The Debtor has abandoned some library books and art.

**SCHEDULES B13 AND B14 - STOCK AND INTEREST IN INCORPORATED  
BUSINESS/INTERESTS IN PARTNERSHIPS OR JOINT VENTURE.**

Ownership interests in affiliates, partnerships and other entities have been listed in Schedules B13 and B14 as unknown amounts because the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

**SCHEDULE B16 – ACCOUNTS RECEIVABLE**

Schedule B16 includes, among other things, net accounts receivables and work-in-progress for client matters. The Debtor has presented net accounts receivable and work-in-progress at summary rather than client level due to concerns of confidentiality and/or the ethically or commercially sensitive nature of the information.

The Debtor has retained, and can make available, detailed client level account information in appropriate circumstances and to appropriate parties, subject to the assurance of confidentiality.

The amounts listed in Schedule B16 include net account receivable and work-in-progress generated by the Firm's partners, including partners of the Debtor's foreign and domestic offices.

It would be unduly burdensome to determine the intercompany balances between the Debtor and each Non-Debtor Affiliate and Dewey UK. However, the Debtor has a net positive intercompany receivable with respect to the Non-Debtor Affiliates and Dewey UK.

**SCHEDULE B21 – OTHER CONTINGENT AND UNLIQUIDATED CLAIMS OF  
EVERY NATURE, INCLUDING TAX REFUNDS, COUNTERCLAIMS OF THE  
DEBTOR, AND RIGHT TO SETOFF CLAIMS**

Schedule B21 include a value for contingent fee client matters at summary rather than client level due to concerns of confidentiality and/or the ethically or commercially sensitive nature of the information. The Debtor's investment of time and direct expenses incurred in the contingency fee matters as of the Petition Date is approximately \$32 million. This balance does not represent and is not meant to indicate the value the Debtor expects to receive on these matters. The Debtor has retained, and can make available, detailed client level account information in appropriate circumstances and to appropriate parties, subject to the assurance of confidentiality.

**SCHEDULE B22 – PATENTS, COPYRIGHTS, AND OTHER INTELLECTUAL  
PROPERTY**

The Debtor neither kept records of, nor registered, and accordingly, has not provided detail for all its copyrighted materials. Generally the copyrighted materials not included herein

were general business presentations, marketing materials, and correspondence. Schedule B22 provides detail of all registered trademarks and service marks.

**SCHEDULE B28 - OFFICE EQUIPMENT, FURNISHINGS AND SUPPLIES**

The aggregate amount listed in Schedule B28 represents the net book value of all furniture, fixtures and equipment.

The Debtor has abandoned some furniture, fixtures and equipment that may still be included in Schedule B28.

**SCHEDULE B35 -- OTHER PERSONAL PROPERTY OF ANY KIND NOT ALREADY LISTED**

The Debtor has abandoned some leasehold improvements that may still be included in Schedule B35.

**SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS**

The claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule D, however, appear to have arisen or been incurred prior to the Petition Date.

UCC lien search results presented in Schedule D are as of May 7, 2012 and may not reflect subsequent terminations or subsequent filings.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtor reserves its rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed on Schedule D. Moreover, although the Debtor has scheduled claims of various creditors as secured claims, the Debtor reserves all of its rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are solely intended to be a summary - and not an admission - of liability.

Reference to the applicable revolver/note agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of liens. Nothing in the Global Notes or the Schedules and SOFA shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtor reserves all of its rights to amend Schedule D to the extent that the Debtor determine that any claims associated with such agreements should be reported in Schedule D. Nothing herein shall be construed as an admission by the Debtor of the legal rights

of the claimant or a waiver of the Debtor's rights to recharacterize or reclassify such claim or contract.

Moreover, the Debtor has not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the Debtor's prepetition revolver and notes, only the administrative/collateral agents have been listed for purposes of Schedule D. The amounts outstanding under the Debtor's prepetition secured revolver/notes reflect approximate amounts as of the Petition Date.

#### **SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS**

As of the Petition Date, certain employees were owed (i) wages, salaries, and commissions earned in the 180 days prior to the Petition Date ("Priority Wages") and (ii) accrued and unused paid time off for vacation, sick leave, and paid leave earned prior to the Petition Date ("Prepetition PTO"). Pursuant to the Court's Final Order Pursuant to Bankruptcy Code Sections 105, 363(b), 507(a), 541, 1107(a) and 1108, Authorizing, But Not Directing, the Debtor, Inter Alia, to Pay Prepetition Wages, Compensation, and Employee Benefits (Docket No. 225), entered July 12, 2012, the Debtor paid the Priority Wages to certain employees as described therein, and is authorized to allow its remaining employees to take Prepetition PTO at the Debtor's discretion in the ordinary course of the Debtor's business. Claims identified in Schedule E are held by former employees who were terminated prior to the Petition Date and include unpaid compensation and accrued Prepetition PTO.

Amounts listed on Schedule E are preliminary amounts and are subject to reconciliation and amendment by the Debtor. The Debtor's characterization of these claims as priority claims is preliminary in nature, and the Debtor reserves its rights to dispute or challenge whether such claims are entitled to priority.

#### **SCHEDULE F – CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

The Debtor has used best reasonable efforts to report all general unsecured claims against the Debtor on Schedule F based upon the Debtor's existing books and records as of the Petition Date. Subsequent to the Petition Date, the Debtor may have paid certain of these amounts in whole or in part consistent with Orders of the Bankruptcy Court. Accordingly, the claims may therefore be lower as of the filing of these Schedules than at the Petition Date.

The claims listed in Schedule F, to the extent they are known, arose or were incurred on various dates. A determination of the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive. Therefore, the Debtor has not specified the dates on which the claims listed on Schedule F arose or were incurred.

Schedule F contains information regarding pending litigation involving the Debtor. In certain instances, the amount that is the subject of the litigation is uncertain or undetermined.

The dollar amount of potential claims associated with any such litigation is listed as “unknown” and marked as contingent, unliquidated and disputed in the Schedules and SOFA.

Schedule F may also include potential or threatened legal disputes that are not formally recognized by an administrative, judicial or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy. Any information contained in Schedule F with respect to such potential litigation shall not be a binding representation of the Debtor’s liabilities with respect to any of the potential suits and proceedings included therein.

Schedule F also includes claims of the Debtor’s former partners and employees based on, among other things, asserted entitlements under retirement or other pension benefit plans, identified as contingent and unliquidated and/or disputed. The Debtor believes claims asserted by former partners to be subordinate and subject to the prior payment of general unsecured obligations of the Debtor to third party creditors. The Debtor reserves all of its rights, claims and defenses with regard to such retirement, pension benefit plan, and/or unpaid compensation claims, whether asserted by former partners or employees.

#### **SCHEDULE G – EXECUTORY CONTRACTS**

The Debtor has attempted to provide complete lists of all agreements in Schedule G that might be considered executory contracts. The inclusion on Schedule G of any particular agreement or contract does not constitute an admission that (i) such agreement or contract is an executory contract under the Bankruptcy Code; (ii) such agreement or contract is valid and enforceable; (iii) such agreement or contract was in effect on the Petition Date or (iv) such agreement or contract is severable or unified.

The Debtor reserves all rights with respect to such agreements or contracts, including, without limitation, the right to seek or contest any characterization of any such agreements or contracts on any available basis. The Debtor will supplement Schedule G if it identifies additional agreements that may constitute executory contracts. Omission of an agreement or contract from Schedule G does not constitute an admission that such omitted agreement or contract is not an executory contract. The Debtor’s rights under the Bankruptcy Code with respect to any omitted agreements or contracts are not impaired by the omission.

Schedule G is not an admission or recognition that any contractual relationship constitutes an “Executory Contract.” Some contracts listed in Schedule G may have been validly terminated or expired by their own terms prior to the commencement of this case, but have been listed notwithstanding any such possible termination or expiration in order to provide representation of the Debtor’s affairs and in the event that one or more parties in interest may take the position that an executory contract existed as of the commencement of this case. In addition, subsequent to the Petition Date, many of the executory contracts and unexpired leases listed on Schedule G were rejected pursuant to Bankruptcy Code section 365(a) pursuant to an order entered by the Bankruptcy Court.

The Debtor did not include on Schedule G any client engagement letters as contracts due to concerns over client confidentiality and legal ethics requirements. The Debtor has retained, and can make available, detailed client information in appropriate circumstances and to appropriate parties, subject to the assurance of confidentiality.

The party name for certain contracts might not reflect name changes enacted subsequent to contract origination. The party names on Schedule G are as per the contract or any addenda thereto.

### **NOTES TO THE STATEMENT OF FINANCIAL AFFAIRS (SOFA)**

#### **SOFA 1 - INCOME FROM OPERATION OF BUSINESS**

The amounts listed in SOFA 1 reflect the gross revenue for the previous two fiscal years, and reflects the operations of the Debtor, including domestic and foreign offices. The gross revenue for 2010 is based on the Debtor's audited financial statements. The gross revenue for 2011 and 2012 year-to-date are based on unaudited financial statements.

#### **SOFA 2 – INCOME OTHER THAN FROM EMPLOYMENT OR OPERATION OF BUSINESS**

The amounts listed in SOFA 2 as income from the sale of assets are net of the assets carrying cost.

#### **SOFA 3(b) - PAYMENTS MADE WITHIN 90 DAYS TO ANY CREDITOR**

The Debtor has neither completed a reconciliation of Petition Date obligations nor compared its records to proofs of claim. Accordingly, the column entitled "Amount Still Owing" is not complete.

SOFA 3(b) includes any disbursement or other transfer made by the Debtor except for those made to insiders (who are included in SOFA 3(c)). The ordinary course payments in the nature of recurring payroll and wages, including the payment of associated tax withholdings, that the Debtor made to its non-insider employees are voluminous and have been omitted from SOFA 3(b) but are available upon written request by a party.

SOFA 3(b) also includes payments made by the Debtor on behalf of Dewey UK and the Non-Debtor Affiliates.

Payments to employees that are not in the nature of recurring payroll and wages, and transfers to non-insiders are listed at their gross amounts.

The dates for bank fee payments set forth on SOFA 3(b) are taken from the Debtor's general ledger.

**SOFA 3(c) – PAYMENTS MADE WITHIN ONE YEAR TO OR FOR THE BENEFIT OF CREDITORS WHO WERE INSIDERS**

The Debtor has neither completed a reconciliation of Petition Date obligations nor compared its records to proofs of claim. Accordingly, the column entitled “Amount Still Owing” is not complete.

The amounts listed in SOFA 3(c) are gross amounts taken from the Debtor’s general ledger, including capital payments and other withholdings. The Debtor’s general ledger is the best available source for payments made by date during the period of one year immediately preceding the Petition Date.

Expense reimbursements listed in SOFA 3(c) is based on the Debtor’s accounts payable system, and expense reimbursements for foreign partners are excluded as payments were made at respective foreign locations from accounts no longer in control by the Debtor. However, the various partner draws and distribution payment dates reflect the Debtor’s general ledger posting date, and not the actual cash disbursement date. As such, certain of these payments may actually fall outside the one-year period prior to the Petition Date. Certain non-cash items may also be included, including general ledger adjustments and reversals.

Due to the concerns over the confidential nature of the data, SOFA 3(c) lists insiders, including domestic and foreign partners who were active within one year prior to the Petition Date, by their employee identification number. The Debtor has retained all detailed information regarding the insiders and can make available detailed information in appropriate circumstances and to appropriate parties, subject to the assurance of confidentiality. SOFA 3(c) also lists certain partners of foreign offices operated by Dewey UK and the Non-Debtor Affiliates because such partners were, in most cases, also partners of the Debtor.

For purposes of the Schedules and SOFA, the Debtor defines “insiders” to include the following: (a) partners in the Debtor, and (b) any person in control of the Debtor. In connection with SOFA 3(c), the listing of an individual as an “insider” is included for information purposes only, and it is not intended to be, and should not be construed as, a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved. The Debtor does not take any position with respect to (a) such person’s influence over the control of the Debtor, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual, or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including, with respect to any theories of liability or for any other purpose.

**SOFA 14 – PROPERTY HELD FOR ANOTHER PERSON**

As described in the Debtor’s Cash Management Motion, the Debtor is in the process of closing all bank accounts not necessary for its operations. In addition, the Debtor maintains

certain trust accounts for the benefit of former clients and is in the process of returning all client funds and closing such trust accounts.

**SOFA 23 – WITHDRAWALS FROM A PARTNERSHIP OR DISTRIBUTIONS BY A CORPORATION**

Certain former partners who were inactive in the year preceding the Petition Date made capital withdrawals during that period. However, these former partners were inactive during the year preceding the Petition Date and, therefore, the Debtor believes that they are not insiders and, accordingly, are not included in these schedules.

### SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

## SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
