Wireless Mouse M525

The perfect mix of performance, precision and price

- Micro-precise scroll wheel
- Comfortable, compact shape
- 3-year battery life*
- Logitech Unifying receiver
- Logitech Advanced Optical Technology

Logitech® Wireless Mouse M525. The perfect mix of performance, precision and price. Our innovative micro-precise wheel packs more grooves per millimetre, which makes scrolling through long web pages faster and easier. The ergonomically shaped design and soft rubber grips conform to your hand to be naturally comfortable. With 3 full years of battery life, you can almost forget about changing batteries.* The tiny Logitech Unifying receiver connects up to 6 Unifying-compatible mice or keyboards—and stays in your laptop. You'll enjoy precise clicking and pointing on just about any surface thanks to Logitech Advanced Optical Technology.

* Battery life may vary based on user and computing conditions. Visit Logitech.com/MouseBattery for more information about the way we test the battery life of mice.
