

Redesigned. Reliable. Ready for you.

Whether your family is looking to surf, stream or tackle that next big assignment, this budget friendly All-in-One has been redesigned to give everyone what they need. A splash of color and reliable, trusted performance make this the perfect living room go-to.

Powered for every day

The latest processors[1], plenty of storage and a range of IPS display sizes power your content and give the whole family an awesome view. Now everyone can get connected without slowing down.

Quality everyone can count on

With over 100 tests[2], you can depend on your HP All-in-One to help your family through every homework assignment, school project, and all-day movie binges.

A pop of personality

A little bit of color can really bring a whole room to life, so we redesigned our All-in-One with a new, stylish stand design and a colorful ripple pattern.

Windows 10

Featuring

- Windows 10 is here. Do great things confidently with the familiar feel of Windows—only better.
- Enjoy crisp images on this vibrant Full HD display—even from ultra-wide viewing angles.
- RAM is essential for multitasking and powering demanding programs like video editing software and games. The more RAM you choose, the better performance you'll enjoy.
- Enjoy the crisp details and clarity of video chats with the extended family or conference calls for work. With a great webcam it's never been easier to stay in touch and get your work done.
- There's no need for adapters with the classic USB 2.0 connector. Easily connect any of your existing USB peripherals without paying extra for unnecessary dongles.
- There's no need for adapters with the full-size USB 3.0 connector. Easily connect any of your existing USB peripherals without paying extra for unnecessary dongles.
