#### Overview

Madala

The HP 4Gb PCI-Express Fibre Channel Host Bus Adapters (HBAs) support customers using HP ProLiant servers with PCIe I/O slots running a broad range of operating systems. These Fibre Channel HBAs are second generation products that support this new higher speed I/O bus architecture and provide customers the ability to use it to connect to their HP arrays.

For supported Fibre Channel SAN Switches, please consult the SAN Design Reference Guide at the following URL: http://h18006.www1.hp.com/products/storageworks/san/documentation.html

Models		
		Part Number
Brocade	HP 41B 4Gb PCIe FC HBA	AP767B
	HP Single Channel 4Gb PCIe Fibre Channel Host Bus Adapter	
	HP 42B 4Gb Dual-Port PCIe FC HBA	AP768B
	HP Dual Channel 4Gb PCIe Fibre Channel Host Bus Adapter	
Emulex	HP FC2142SR	A8002B
	HP 42B 4Gb Dual-Port PCIe FC HBA	
	HP FC2242SR Dual Channel 4Gb PCIe HBA	A8003B
	HP Dual Channel 4Gb PCIe Fibre Channel Host Bus Adapter	
QLogic	HP FC1142SR 4Gb PCIe HBA	AE311A
	HP Single Channel 4Gb PCIe Fibre Channel Host Bus Adapter	
	HP FC1242SR Dual Channel 4Gb PCIe HBA	AE312A
	HP Dual Channel 4Gb PCIe Fibre Channel Host Bus Adapter	

### **What's New**

• New RoHS compliant HP 4Gb Fibre Channel HBAs

**NOTE:** Restriction of Hazardous Substances Directive or RoHS is a directive adopted by the European Union that restricts the use of certain hazardous materials in the manufacture of various types of electronic and electrical equipment. The RoHS compliant products with new part numbers listed in this document are functionally equivalent to the corresponding products with old part numbers and are fully interchangeable.

#### Overview

#### At A Glance

Industry leading PCI-Express based solutions for Fibre Channel

- Agility: Adds 4Gb PCI Express single and dual channel I/O connectivity to HP storage arrays.
- Throughput: 4 Gbps FC increases aggregate throughput rate to 800 MBps per channel in full-duplex mode.
- Performance: PCI-Express host bus interface for high throughput applications.
- High Transfer Rate: Minimum 150,000 IOPS per channel delivers high I/O transfer rates for storage applications.
- Management: Enterprise wide management capabilities.

### Warranty

3-0-0 Three-year parts exchange warranty. Additional warranty protection can be purchased.

HP Global Services provides a three-year, limited warranty, fully supported by a worldwide network of resellers and service providers toll-free 7 x 24 hardware technical phone support for the duration of the warranty. In addition, available service offerings include a full range of HP Care Pack packaged hardware and software services.

**NOTE:** Certain restrictions and exclusions apply. Consult the HP Customer Support Center for details.

#### Service and Support, HP Care Pack, and Warranty Information

#### **Service and Support**

#### Technology Services for increased uptime, productivity and ROI

TRUST HP storage technology experts for every level of service and support. Our integrated portfolio of Services for storage help customers reduce costs, optimize data, streamline storage management, and improve backup and recovery. Capitalizing on HP Storage Systems' capabilities requires a service partner who understands your increasingly complex environment. Team with the people who know HP infrastructure hardware and software best-the experienced professionals at HP Services.

#### **Protect your business beyond warranty**

Warranty protects against manufacturer defects, however warranty uplifts, such as HP Care Pack Services protect the business-by reducing downtime risks and providing operational consistency for mission-critical and standard business computing.

#### What HP Storage Technology Services can do for you

HP Storage Technology Services can help you design, deploy, test, integrate, support, and manage IT and infrastructure solutions. HP storage lifecycle support services offers a full spectrum of customer carefrom technology support to complex migrations to complete managed services.

#### Choose the right level of support, deployment and integration services

Leverage the full strength of HP Technology Services - customers can trust the services professionals at HP to work collaboratively with them, putting our strategic and technical know-how to work across their entire infrastructure.

#### Support

- HP Host Bus Adapters (HBA) take on the support level of the HP server in which it is installed.
- For HBA's installed outside of an HP environment, 3-Year HP Support Plus 24 is recommended
- For a higher return on your storage investment, HP Support Plus 24 provides integrated hardware and software support services designed specifically for your technology.
- Available 24x7, this 3-year combined reactive support option delivers onsite hardware support and over-the-phone software support around-the-clock.
- Improve uptime with responsive hardware and software services
- Enjoy consistent service coverage across geographically dispersed sites
- Update HP software at a predictable cost
- Increase customer satisfaction-with no interoperability gaps

#### **Installations**

- HP Installation is included with the HP Server install if purchased together. If Host Bus Adapters
   (HBA) is ordered as an add-on to an existing HP Server or for installation into a non-HP Server, HP
   Installation Service is recommended. HP Hardware Installation provides basic installation of your
   product into your technology environment (System configuration is not included).
- Allows your IT resources to stay focused on their core tasks and priorities
- Reduces implementation time, impact and risk to your storage environment

#### Remote Support Tools

**HP Insight Remote Support-**: Available at no additional cost to all warranty, HP Care Pack Service and service agreement customers, uses proven technology to deliver secure, reliable 24x7 remote monitoring, diagnosis and problem resolution.
