WORKPLACE SOLUTIONS

BOOSTING PRODUCTIVITY

Whether at the office, at home, or anywhere in between, Targus products are built to help your team boost productivity. Our connectivity solutions facilitate hot-desking and flex space, and ergonomic designs enhance user experience. Protecting your assets — both digital and physical — is top of mind, from privacy filters that keep data safe from prying eyes to accessories that secure your devices.

UNIVERSAL USB 3.0 DOCKING STATIONS

CONNECT TO MORE

When 40% of today's workforce now functions outside a traditional office — and often multitasks with multiple devices during the day — staying connected is key. Universal docking stations are the solution to keep you connected and productive.

Universal USB 3.0 Dual Video 2K Docking Station with Power

ACP77USZ | \$249.99

- Dual, integrated 2K video ports: 2 DisplayPort and 2 DVI-I

Amp Up Efficiency With The Targus Wifi AutoSwitch Utility

Laptops often connect to corporate wireless networks even when simultaneously connected to a wired Ethernet connection. This unfortunately consumes network bandwidth and can be a costly burden for businesses especially when impacting network performance.

FREE
with purchase of
Targus Universal USB 3.0 Docking Stations

The Targus Solution

The Targus WiFi AutoSwitch Utility is an effective software program that eliminates this problem. When it auto-detects a wired Ethernet connection, it turns off the PC laptop's WiFi card. When undocked, the WiFi card automatically turns back on. This Targus solution provides seamless connectivity and maximum productivity for end users while optimizing network speed and performance. It's easy to install — just download and let it do the rest.

4VU™ PRIVACY FILTERS

SAFEGUARD YOUR DATA

Ensure valuable information is kept private without compromising screen clarity. Add 4Vu™ Privacy Filters to workplace monitors and mobile devices like tablets and laptops to be the first line of defense to address privacy risks for confidential data.

- Charges and powers USB Type-C enabled devices
- Prongs fold away until you need them
- Built-in surge protector safeguards your device
- Supports 5V, 12V, and 20V devices up to 3 amps

CARRYING CASES

INDUSTRY-LEADING PROTECTION

For over 30 years, Targus has been perfecting its array of backpacks, briefcases, and rollers. Focused on quality and expertly designed to meet the needs of the on-the-go professional, the Targus standard is a step above. And a step ahead. Our designs incorporate intuitive organization, ergonomic construction, smart protection, and details that make it quicker and easier to get around. Our commitment to quality is demonstrated by the industry-leading warranties that come with each of our cases.

PROTECTION IS IN THE DESIGN

PATENTED CHECKPOINT-FRIENDLY DESIGN

Designed to meet airport standards, the checkpoint-friendly feature allows the laptop to remain inside the case for a clear X-ray scan.

MILITARY GRADE DROP PROTECTION

A United States Military Standard that defines parameters around testing environmental conditions that materials and goods will endure throughout the service life.

As tested by an independent third-party applying MIL-STD-810G, Method 516.6, Procedure IV

PATENTED SAFEPORT® AIR PROTECTION

Combines vented air cushioning and high-density foam padding to protect your laptop against demanding day-to-day use and even the toughest drops.

SAFEPORT® SLING PROTECTION

Minor drops and bumps are no problem with the SafePort Sling. It safely suspends your laptop in case it's dropped, and its ultra-thin design keeps bags compact.

PATENTED DOME SHOCK DISPERSION

DOME protection works harder than ordinary padding by dispersing the pressure of excessive weight away from the center of your laptop, protecting the screen at its thinnest point.

CORPORATE TRAVELER COLLECTION

TRAVEL IN CONFIDENCE

Reduce stress and wait time at airport security with the Corporate Traveler Collection. With its lightweight construction, patented SafePort® Air Protection, and a patented checkpoint-friendly design, the Corporate Traveler provides the ultimate protection, durability, and organization for the constant traveler.

14" Corporate Traveler Checkpoint-Friendly Case
