HP Classic Wired Keyboard

Smooth, elegant, durable

Big on value, the HP Classic Wired Keyboard complements any desktop. Enjoy responsive touch-typing on quiet, smooth keys – and don't worry about spills: this keyboard is spill resistant and durable.

- **Turn work into pleasure**
  A well-designed keyboard can turn work into pleasure. The HP Classic Wired Keyboard lets you type in comfort, with soft-touch keys that are responsive and quiet. Once you've touched it, you won't ever want another.

- **Simplify your workload**
  Compact and sleek in glossy black, the HP Classic Wired Keyboard will look great on your desk. It features all the standard keys and is easy to set up. A true classic, this keyboard is a winner when it comes to simplicity and comfort.

- **Spilt your coffee? No problem**
  Don't worry if you spill your coffee near your keyboard. Super durable, the HP Classic Wired Keyboard not only looks and feels great – it's spill resistant, too. Spilt liquids drain straight out again, protecting the keyboard and your peace of mind.

- **Enjoy responsive touch-typing**
  This enhanced, solid keyboard construction features extra-responsive, quiet keys, for perfect touch-typing. And the printing on the keys is longer lasting, too, so your keyboard will go on looking glossy and new for longer.
