The usage instructions are recommendations based on the tests we have conducted and on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. Insofar as our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee the consistent quality of our products. We reserve the right to make technical changes and further develop products.

**Skin-friendly and mild soap for light soiling. For dispenser systems 0891 900 502 and 0891 900 503**

- Awarded the EU Ecolabel
- Fragrance and dye-free
- Alkali and soap-free
- pH-neutral, gentle on skin and dermatologically tested
- HACCP-compliant
- The hand washing soap is ideal for foodstuffs

### Instructions

#### For daily cleaning of hands and body

- Apply to damp skin and lather, then rinse with water
- A small amount is sufficient for normal levels of contamination

#### Application area

- For thorough and gentle skin cleansing with light contamination. Also suitable for frequent hand washing
