FOREWORD

Southern Baptists have made history in the collection of data on churches during 1950. For the first time since the Department of Survey, Statistics, and Information was formed in 1920, a report has been received from every association for work done in the churches during the current year. This record involves work done by multiplied thousands of organization's secretaries and church clerks. Primary credit must go to the work done by the associational clerks and the state statistical officers.

Reports received from Southern Baptist churches are classified in four different groups: open country churches; churches located in villages of less than 500 population; churches located in towns with 500-2500 population; and churches located in cities with more than 2500 population. These classifications are also separated according to the number of preaching services held each month, since experience has shown that there is a positive correlation between the number of service, the location of the church and the record reported.

Data on each church are tabulated on an IBM business machine card, making possible a great deal of information which would be difficult to tabulate monthly. For example, a study on the tenure of pastors in their present pastorates is made available and a report on the number of churches organized during different periods. It has also been possible to know that progress is being made in the open country as well as in the city.

The complete 1950 *Survey Bulletin* is published in the *Handbook* with a cross index by subject matter, an invaluable aid to church workers. The list of ministers is omitted since it will be published in the 1951 *Southern Baptist Convention Annual*.

In closing, I should like to recognize the following members of the staff who have worked on some phase of the publication: Mrs. R. G. Courtney, Mrs. Carl Hester, Mrs. Joe Nicholson, and Mrs. Joe Roberts.

The Survey BULLETIN

1950 IN REVIEW

A condensed summary of trends and events containing more than 2,000 facts of interest for Southern Baptists

January 2

FACTS OF INTEREST

- Business experts predicted good times for 1950 with the combined averages on the stock market closing the year at the highest point since 1946.
- It was estimated that the total spending in the U. S. would reach \$286 billion compared with \$260.2 billion in 1949 and personal income would climb from \$219.8 billion to \$217.7 billion. Corporate profits, before taxes, are expected to climb from \$27.1 billion in 1949 to \$28.7 billion in 1950.
- Population is expected to increase in U. S. to nearly 132.5 million, but birth rate declines slightly from the 24.1 per 1,000 reported this year. The death rate may also be expected to drop slightly from the low of 8.7 per 1,000 reported for the first 10 months of 1949. Marriages will be fewer, for only 28 per cent of all men above 14 are now unmarried, compared with 35 per cent in 1949, and only 20 per cent of women above 14 are now unmarried, compared with 28 per cent in 1949.
- U. S. scientists may find more meaning in Albert Einstein's new "generalized theory of gravitation" which he announced after 30 years of study and which attempts to inter-relate all known physical phenomena into one all embracing intellectual concept. His theory of relativity, which set the stage for research in atomic power, was announced in 1905.
- During 1949, 217 FM construction permits and licenses were handed back to the Federal Communications Commission. There are now 740 FM stations on the air.
- And French wine interests have won committee approval on a bill to bar the sale of Coca Cola in France. Backers say "the moral landscape of France is at stake."

IN THE WORLD OF RELIGION

- Watch for continued publicity in the magazines, newspapers, books, and motion pictures on the Holy Year of Jubilee sponsored by the Roman Catholic Church. Prentice-Hall will publish *A Pilgrim's Guide to Rome*, Rhoads and Ward will bring out a new edition of *Pageant of the Pope*, and Longmans Green is scheduling publication of Katharine Burton's biography of Pope Pius X, *The Great Mystic*.
- The invitation issued by Pope Pius XII to all Christian groups to return to the Roman Catholic Church, which he called the "personal fountain of truth, salvation and benediction" has not been accepted by any religious group as yet.
- Reports from Rome indicate that Myron Taylor plans to resign as President Truman's personal representative to the Pope because of ill health.

- Bryan's *Pilgrim's Progress* still stands next to the Bible as the all-time best seller in English.
- Pastor Martin Niemöller has aroused interest in Germany because of his nationalist statements. He asserted that the present policy in Germany, "conceived in Rome and born in Washington" has transformed Germany from a Protestant state into a Catholic state.
- Methodists report a record membership of 4,393,569 at the close of 1949, with annual contributions reaching \$229,397,111. Church school membership gained 152,183 during the year to reach 8,113,704. They reported 24,263 ministers.

BAPTIST HIGHLIGHTS

- As 1949 came to a close, Baptist attention centered on Dallas, Texas, where representatives from 24 states attended the Sunday School Conference, "Take Your Family to Sunday School" was projected as the theme for 1950 with the emphasis on evangelism.
- Thousands of Southern Baptist churches are expected to study the book of Acts during January Bible week.
- A religious census will be planned for every church west of the Mississippi River on February 5, 1950.
- Plans are being made by many churches west of the Mississippi to study the book, "The Place of the Sunday School in Evangelism" during the week, February 4-10, to be followed by a concerted churchwide visitation effort for the revival meetings April 9-23.
- Dr. William Ward Ayer preached his last sermon as pastor of the Calvary Baptist Church, New York City, on December 28. He will give his full time to radio and to evangelism.
- President Truman started the New Year right by attending services at the First Baptist Church, Washington, D. C.
- Mr. and Mrs. William Fleming of Fort Worth have offered \$100,000 to Baylor University on the Tidwell Bible Building, provided Baylor raises \$160,000 on the \$600,000 building during 1950.
- Allen Graves has accepted the call of the Immanuel Baptist Church, Tulsa. He has been at the First Church, Charlottesville, Va.

They say that one kilogram of tritium would release a total explosive force equal to that of 140,000 tons of TNT. Since the amount of tritium has no critical mass limit, it would be theoretically possible to make one 1,000 times the power of the atomic bomb. It has been estimated that such a bomb would not require more than 143 kilograms of tritium, which would have an explosive force of 20,000,000 tons of TNT.

FACTS OF INTEREST

• "As I would not be a slave, so I would not be a master. This expresses my idea of democracy." An Abraham Lincoln expressed it years ago, Americans thought it as they faced a tense world this July Fourth.

• For nearly 577 years, The Survey Bulletin has expressed no editorial opinion. This has been a survey of facts. Thousands of figures have been typed representing many hours of research on hundreds of subjects.

• We have kept in mind always that "Statistics do not prove anything." And we have tried from week to week to quote some figures on something that seemed foolish and irrelevant.

• Because we know that figures are false.

• But we do know that data are helpful in

reaching conclusions. If the data are accurate, and if we insist that conclusions wait until all of the data available are assembled.

• Facts are dangerous to American life when they are picked one by one to sustain a prejudiced viewpoint. Facts can become the tools of dictators and demagogues if they are used to tell only half of the story. We forget that two half-truths make a whole lie.

• If we are to maintain our independence in America, we must resist from accepting as truth every fact presented just because it is printed in the newspaper, heard over the radio, or even printed in a book. We must insist on knowing all the facts, both sides of the story, before making up our minds.

IN THE WORLD OF RELIGION

• "Ye shall know the truth and the truth shall make you free." These words from Jesus set the pattern for the Christian religion.

• William Cullen Bryant echoed this thought when he wrote:

Truth, crushed to earth, shall rise again;
The eternal years of God are hers;
But error, wounded, writhes in pain,
And dies among his worshippers."

• But the world laughs at this today, declares it lacks realism.

• Even so-called religious leaders seem to say by their actions, if not by their words, that truth is relative. "Unity is more important than truth," they seem to say.

• "World approval is more important than truth," others seem to say.

• "Political power and social control are more important than truth," some seem to believe.

• But the most encouraging sign in the world of religion is the earnest seeking on the part of religious men everywhere for a better understanding of His Truth.

BAPTIST HIGHLIGHTS

• Baptists do not believe that we have a complete monopoly on truth. But we are Baptists because we sincerely believe our faith is based on God's truth as revealed in God's Holy Word.

• We believe in the Lordship of Christ, and because of that we believe that the state cannot direct the religious experiences of its citizens.

• We believe in the completeness of the individual before God, and because of that we believe each individual is of eternal value, every man is a priest.

• We believe in salvation by grace through faith, and because of that we believe that eternal security cannot be purchased by money or goods.

• We believe in the security of the believer, but we also believe that real faith is matched by consistent Christian living.

• We believe in the sovereignty of each individual church, and because of that we do not recognize creeds or hierarchy.

• We believe that these principles have meaning for a troubled world, and because of that we seek missionaries to share these beliefs around the world.

• We believe with a conviction as deep as life that we will have a free world—only when men know that freedom is to be found in Jesus Christ.

• To that end Baptists should recommend themselves this Fourth of July.

HOME MISSION BOARD

Organized in 1945 — Dr. B. P. Bastor, First Secretary
Headquarters: 161 Spring Street, N. W., Atlanta 3, Georgia

HOME MISSION FIELDS AND NEEDS

The Home Mission Board work stretches from the Atlantic to the Pacific. This vast territory, together with the four western provinces of Cuba, the Canal

Zone, Panama, and Alaska, contains more than seventy-five million people, thirty-five million of whom are unchurched. In our own homeland there are thirty-two million of those people who are unchurched.

There are several groups who need the services of Southern Baptists. There are 2,000,000 Mexicans and Spanish-Americans, 700,000 French-speaking Americans, 600,000 Italians, 250,000 Indians, 1,000,000 Jews, eleven million Negroes, and in Cuba and Panama at least four million, all in need of the gospel.

RELIEF AND ANNUITY BOARD

Organized in 1918 — Dr. Wm. Lunsford, First Secretary
Headquarters: Baptist Building, Dallas 1, Texas

Walter B. Alexander, Executive Secretary
Robert S. Jones, Associate Secretary
Wallace Bassett, President
Orville Croner, Treasurer—Investments
Knox Sherrell, Attorney

Darcy R. Bonner, Auditor
George A. Huggins, Actuary
Gaston G. Harrison, Medical Advisor
Mable Roper, Registrar

As its name implies, the Relief and Annuity Board functions along two lines. First, it extends financial aid to aged preachers and their wives or preachers widows. The major part of the funds so disbursed come to the Board through the percentage of distributable, undesignated Cooperative Program funds allocated to it. Thus, every Baptist contributing to the Cooperative Program through the local church has some part in this blessed ministry to more than thirteen hundred aged servants of the Master, scores of whom would suffer want, were it not for this timely aid.

Second, the department of annuities offers opportunity to every salaried worker of the denomination, regardless of age, sex, race, nationality, or type of service rendered, to create, through years of active service, a financial reserve out of which he or she can draw a modest annuity upon age retirement from denominational service. This is done by individual participation, together with the payment of dues, plus denominational co-operation with contributions to match the dues. More than nineteen hundred individuals are now receiving benefits under the various retirement plans of the Board, while there are approximately ten thousand other individuals, mainly pastors, who are dues-paying members of these plans.

The income of the Board from all sources in 1950 was \$4,824,268.72. The benefits paid the same year was \$1,413,886.82, while the assets of the Board stood, at the close of the year, at \$20,518,200.12.

All the funds of the Board are most carefully invested, with every known safeguard thrown about them, and every participating member of every plan of the Board reaps the benefit in a goodly rate of interest added annually.

SUNDAY SCHOOL BOARD

Organized in 1891 — Dr. J. M. Frost, First Secretary

Headquarters: 161 Eighth Avenue, North, and 127 Ninth Avenue, North, Nashville 3, Tenn.

E. A. Herron, Manager, Glorieta Baptist Assembly
John L. Hill, Director of Promotion for Ridgecrest and Glorieta Assemblies

The Sunday School Board is an agency of the Southern Baptist Convention but does not share in the receipts of the Cooperative Program. The Board's total ministry to the denomination is financed from its receipts. This includes its current work; buildings and improvements at Nashville, Ridgecrest, and Glorieta; the operation, equipment, and furnishings of more than thirty Baptist Book Stores.

Total receipts from all sources, including the book stores, amounted to \$9,045,180.71 for 1950. The appropriations made to the state mission boards and in donation of Bibles, literature, and tracts during 1950 totaled \$493,315.80. During the past year, nearly 3,000,000 pounds of periodicals were mailed to the churches of the Convention. The Board published thirty-seven new book titles with a total of 609,721 copies.

The Board maintains a staff for a Convention-wide co-operative field program, working in connection with the states. These workers represent Sunday school, Training Union, student work, church architecture, music, church libraries, and audio-visual aids, and the Board expended \$548,999.82 in this ministry. In addition, it makes available to the denomination the service of the Department of Survey, Statistics, and Information for the collection and publication of data from Southern Baptist churches and mission fields.

SOUTHERN BAPTIST FOUNDATION

Authorized by Convention in 1946

Headquarters: 127 Ninth Avenue, North, Nashville, Tennessee

CHARLES H. BOLTON, Secretary

The Southern Baptist Foundation was chartered by the State of Tennessee, February 26, 1947. The Foundation parallels the work of the Cooperative Program. Where the major emphasis of the Cooperative Program is an income for current operation of the agencies of the Convention, the Foundation majors on endowment of the agencies. Adequate endowment through the Foundation will tend to level the income of the agencies during periods of economic stress. Through the Southern Baptist Foundation, a gift can be made to any agency specified through the donor, or to all agencies sharing in the Cooperative Program.

During the past 90 years more than 10,000 men have been enrolled in Seminary classes and hundreds of women have been enrolled in the Woman's Missionary Union Training School.

Southern Seminary is most strategically located, being at the cross-roads of the nation and only eighty miles from the center of population of the United States. Within a radius of 650 miles of Southern Seminary are 85 per cent of all Southern Baptist churches, 90 per cent of all Northern Baptist churches, 90 per cent of the nation's colleges and universities, and 80 per cent of the nation's population.

Within a radius of 200 miles of Southern Seminary are 3,000 Baptist churches, 1,000 of which are student pastorates or potential student pastorates. Within this area live more than seven and one-half millions of people.

At the close of registration for the second term of the 1950-51 session there

were a total of 980 men and one woman enrolled in the Seminary; 46 men and women enrolled in the School of Church Music of the Seminary; and 180 women enrolled in the Woman's Missionary Union Training School, all of whom attend Seminary classes.

Thirty-five states and six foreign countries were represented in the Seminary student body this year.

The New Orleans Baptist Theological Seminary is located in the midst of the South's most potential mission field. The scholarship in the classrooms is matched by the practical evangelism and church building done every week by faculty and students out in the area surrounding New Orleans.

There are four departments, namely, (1) Seminary, (2) Religious Education, (3) Sacred Music, and (4) Christian Training. The Seminary department offers the B.D., Th.M., and Th.D. degrees. A college degree is prerequisite to entrance in the Seminary department. The Religious Education department offers courses leading to the B.R.E. and the M.R.E. degrees. The Department of Sacred Music offers the degree of B.S.M. and M.S.M. The Christian Training department offers a two year course to those without college degrees for which a certificate of graduation is awarded.

The Seminary has fifteen teachers and a librarian who have faculty status, as well as seven tutors, a registrar, fourteen staff members, numerous fellows and professors' aids.

On February 1, 1951, there are 611 students enrolled, of whom 465 are men and 146 are women. There are 425 ministerial students, of whom 265 serve as

pastors while going to school. The students come from 34 states and foreign territories. Of the 611 students 446 have college degrees and 69 others have had some college work. There are 98 who have had no college work who are enrolled in the Department of Christian Training.

All students during their first and second years are required to do two assignments of church or mission leadership each week, or else they do not receive credit for any work done in the classroom.

On the original campus on Washington Avenue, the Seminary's central structure is a combination building for administration, library and dining room. Within the area there are also classrooms, the chapel, a dormitory for women and a dormitory for men, 14 faculty apartments, 80 apartments for student families, 13 apartments without cooking facilities, and a heating plant. About two miles away, on Joliet and Dixon streets, there are twenty student apartments.

The new campus on Gentilly Boulevard was purchased in 1947. The purchase of the 75 acres and buildings erected since then have cost a total of \$1,463,869.00. This cost includes 88 student apartments, a magnificent library building, roads, site improvements, utilities, architects' fees, a caretaker's home, and other permanent assets.

Six new buildings yet are required before moving the administration of the Seminary to the new site. These are administration building, a classroom and temporary chapel building, a cafeteria, a music building, a dormitory for 75 single women and a dormitory for 100 men. The estimated cost of these six buildings is approximately \$1,250,000.00. The Seminary hopes to have this by September 1953, or before.

The Seminary's endowment, both designated and unrestricted, is only \$43,729.24. It is hoped that the Washington Avenue property may be rented or leased as a productive endowment for operating expenses, as soon as the buildings on the Gentilly campus are sufficient for the Seminary to move its operations there.

AMERICAN BAPTIST THEOLOGICAL SEMINARY

Organized 1924: Headquarters, 1900 White's Creek Pike, Nashville, Tennessee; Dr. J. Harold Stephens, 1207 Stratford Avenue, Nashville, Tennessee, Chairman of the Commission; Dr. L. B. Redberry, 1800 White's Creek Pike, Nashville.

Treasurer, Secretary-Treasurer: Dr. Ralph W. Riley, President. Board of Directors appointed by the Convention—composed of members of Board of Commission and Holding Board.

The American Baptist Theological Seminary is the only school for the training of Negro ministers which is directly supported through the Cooperative Program of Southern Baptists. A number of schools are indirectly aided by the Home Mission Board, but the Southern Baptist Convention has no voice in their management.

During the year 1950-51 there have been enrolled 80 students at the Seminary, and 53 in the Extension School, making a total of 133 men serviced by the institution. During the past year a number of improvements have been made: three bathrooms in Griggs Hall rebuilt; the old part of Griggs Hall rewired; painting and re-decorating in Griggs Hall and Administration Building; a large electric water heater installed for use when furnace is not in operation; a concrete block making plant set up to give students an opportunity to work their way through school; plantings and improvements on the campus.

The Seminary is operated jointly by the National Baptist Convention (Negro), and the Southern Baptist Convention, represented by the Commission on the American Baptist Theological Seminary.

BAPTIST BROTHERHOOD

Organized in 1907

Offices: Commerce Title Building, Memphis 3, Tennessee

Lawson H. Cooke, Executive Secretary
Hugh F. Latimer, Associate Executive Secretary
George W. Reynolds, Associate Secretary
John W. McCall, Chairman of Commission

Byrle Twitty, Vice-Chairman
F. Ivy Boggs, Secretary
C. H. Hancock, Treasurer

The Baptist Brotherhood, successor to the Laymen's Missionary Movement, was inaugurated by action of the Southern Baptist Convention in May, 1926. Throughout the twenty-four succeeding years, the basic idea of the Brotherhood Movement has been the enlistment of the men of Southern Baptist churches in the full program of their churches and of the denomination.

There are now functioning Brotherhoods in more than 5,000 churches. The enrolment of these Brotherhoods will be approximately 170,000.

The objectives of the Brotherhood Movement are being realized through two mediums: the organizing of men in the individual churches for the promotion of the immediate church programs, and then the consolidated efforts of all of these Brotherhoods in promoting the general program of the denomination.

Being one of the regular agencies of the Southern Baptist Convention, the Baptist Brotherhood is financed through the Cooperative Program. The 1951 budget will be \$40,000.

The continuing growth and development of the Brotherhood Movement has necessitated the enlargement of office space and personnel several times during the past 15 years. From one small office, the executive secretary and one part-time office worker, it has expanded to the present suite of five rooms and an office staff of six persons.

Ten years ago only one state had a Brotherhood Department. Today, Brotherhood Departments have been established in sixteen states.

The *Brotherhood Journal* has increased from a quarterly circulation of three thousand in 1939 to the present circulation of sixty thousand.

The bi-monthly *Brotherhood Bulletin* is the chief promotional organ. It is now being distributed to more than twenty thousand selected laymen.

EDUCATION COMMISSION

Organized in 1920 — Harry Clark, First Chairman
 Headquarters: 127 Ninth Avenue, North, Nashville, Tennessee
 Dr. R. Orin Cornett, Executive Secretary.
 Dr. Charles D. Johnson, Chairman
 Baylor University, Waco, Texas

The Education Commission was organized in 1920 as the successor of the Education Board, discontinued by the Convention. "The duties of this Commission shall be to stimulate and to nurture interest in Christian education, to create educational convictions, and strive for the development of an educational conscience among our people. To this end the Commission shall gather and organize facts and statistics in support of Christian education and send them out to the Baptist people of the South through the medium of our denominational papers, through the distribution of pamphlets, booklets, and other forms of publicity."

The Commission publishes *The Educator* for Southern Baptist educational leaders; plans and directs Christian education conferences; provides information concerning educational standards, budgeting, faculty members for vacancies in Baptist colleges, statistical materials for Baptist associations and conventions, and educational surveys. The office of the executive secretary is in the Baptist Sunday School Board Building, Nashville, Tennessee.

Woman's Missionary Union Training School was opened in 1907 because of the immediate need of providing special training for women who wanted to do foreign mission work. Those interested in the project turned naturally to Wo-

man's Missionary Union to initiate and support such a school. Its basic purpose continues to be the preparation of home and foreign missionaries and denominational leaders with an intelligent zeal for missions.

Woman's Missionary Union has built and equipped two buildings for housing the School. The first one, located at 334 E. Broadway and valued at \$160,000 is leased to WAVE Radio Center. The present building, located at 2801 Lexington Road, occupied since 1941, is valued at \$366,500. A third building has been bought, remodeled and equipped this year at a total cost of \$20,760 for the operation of a Good Will Center in a low income area of Louisville.

The current operating budget amounts to \$81,310. About 30 per cent of this amount comes from student payments. The remainder is covered by one per cent of southwide Cooperative Program funds, \$500 contributed annually by the Sunday School Board, and the income from an Endowment Fund of \$265,700. Woman's Missionary Union underwrites the whole project, taking care of any deficit that occurs.

The enrolment for 1950-51 is 187 (89 boarding and 98 day students).

The School has a faculty and teaching staff of eight members, providing classes in missionary education, speech and dramatics, music, social work with special emphasis on group work and recreational activities, and typing and office practice. The classes of the nearby Southern Baptist Seminary and the School of Church Music are open to students, the former occupying an important place in our course of study.

WOMAN'S MISSIONARY UNION

Auxiliary to the Southern Baptist Convention

Organized in 1888 — Miss Annie Armstrong, First Secretary
 Headquarters: 1111 Comer Building, Birmingham 1, Alabama

Mrs. George R. Martin, President, Norfolk, Va. Mrs. J. Purmus Lee, Assistant Recording Secretary
 Miss Alma Hunt, Executive Secretary
 Mrs. W. J. Cox, Treasurer
 Miss Margaret Bruce, Young People's Secretary
 Mrs. Wilfred C. Tyler, Recording Secretary
 Miss Juliette Mather, Editorial Secretary

Woman's Missionary Union, auxiliary to the Southern Baptist Convention, came into being in 1888 as women from ten states voted to organize. Their purpose was to enlist the women and young people for missionary education, for prayers in behalf of the missionaries and the undertakings of the mission boards, and for collecting gifts to support the denomination's mission programs.

In 1896 the Foreign Mission Board asked Woman's Missionary Union to supply programs as well as leadership for Sunbeam Bands. So this became the first of the graded system of missionary organizations fostered by Woman's Missionary Union. In 1907 young women's missionary societies selected the name Young Woman's Auxiliary. In 1908 the boys' organizations in the churches were given the name, Royal Ambassadors. Girls between Sunbeam Band and Young Woman's Auxiliary wanted a name for their organization so Girls' Auxiliary was chosen for them.

To meet the need for missionary programs and human interest stories and articles from our mission fields, Woman's Missionary Union publishes four monthly magazines: *Royal Service* for the members of the societies, *The Window of YWU* for the younger women, *World Comrades* for the children and *Ambassador Life* for the boys. In 1950 these magazines had a combined circulation of 362,585.

The Home Mission Week of Prayer in March and the Foreign Mission Week of Prayer in December are weeks of deepest meaning to members of Woman's Missionary Union. Through the year much emphasis is given to the study of missions through the society and circle programs, through mission study classes and through a guided reading program. Emphasis is given to stewardship of possessions through stewardship programs, through the study and reading of stewardship books, and through an organized effort to enlist others. Emphasis is given to prayer through the use of the Calendar of Prayer, through private devotions, through family altars, and through united and directed prayer in assembled groups. With the background of knowledge from their study program, the members find in these Weeks of Prayer opportunities to give expression to their missionary zeal. They unite for earnest, soul-searching prayer and they

are led to experience the joy of making an "over and above" gift to the support of missions.

Realizing that all the mission needs are not met by the Home and Foreign Mission Boards the state Woman's Missionary Unions observe a season of prayer for state missions and take an annual offering for the support of missions within their own states. Yet nearby there are needs unmet; there are people unsaved and in distress. Through its organized community missions program Woman's Missionary Union tries to meet these needs in their own communities through soul-winning and Christian ministering.

The Historical Society is duly recognized as "the agency of the Southern Baptist Convention in all phases of the field of history." Its affairs are directed by a Board of Managers elected by the Southern Baptist Convention in the same way as in the case of other agencies, designated under the category of "Commission." It shares in the Convention budget.

SOCIAL SERVICE COMMISSION

Authorized in 1913 — W. L. Potts, First Chairman

Headquarters: 108 Breckenridge Lane, Box 38, St. Matthews Station, Louisville 7, Kentucky

DR. HUGH A. BRIMM, Executive Secretary

The Social Service Commission was made an agency of the Southern Baptist Convention by the action of that body in its annual meeting in St. Louis in 1913. The first full time secretary of the Commission began his work January 1, 1948. "The Social Service Commission shall seek to promote morality in social

relations, including the problems of marriage and the family, crime and juvenile delinquency, industrial relations, race relations, the alcohol problem, and other matters of social morality which press upon our people for a solution." (Page 34, 1947 Annual).

BAPTIST PUBLIC AFFAIRS COMMISSION

1628 Sixteenth Street, N. W., Washington, D. C.

DR. J. M. DAWSON, Executive Secretary

The Baptist Public Affairs Commission is the only agency where Northern, Southern, and Negro Baptist groups all work together in a common enterprise. The purpose of the Commission is to represent all the Baptists of this country in negotiations with our own and other governments whenever our principles are involved or our rights are endangered; to explore, study, and advise Baptists concerning any and all federal legislation that violates the principle of the separation of Church and State; to maintain the Baptist witness in the nation's capital, to appear before congressional committees when measures are being considered that favor one religious faith above another, to formulate plans by which Baptist conviction shall find effective expression.

To act, when definite instructions are given by the Convention in regard to domestic situations; to protest to the proper authorities when Baptist principles are to any degree violated by our own government, and to appeal through diplomatic and other channels when in other lands any are made to suffer for conscience's sake, and to correlate the activities of other religious, fraternal, and civic organizations and agencies, as these activities coincide with the efforts of the Public Affairs Commission.

To stimulate through existing cultural and publicity agencies of all Baptist conventions, a comprehensive and general program of education in Baptist historic principles and witness.

RADIO COMMISSION

Baptist Radio Center, Atlanta, Georgia

S. F. LOWE, Director

The Southern Baptist Convention formally entered the religious broadcasting field with the appointment of a radio committee in 1938. The Radio Committee was changed to the Radio Commission in 1946, when the Convention placed its radio service in the Cooperative Program.

The first Baptist Hour was broadcast January through March 1941. During every year from 1941 to 1949, the Baptist Hour was broadcast one or two quarters at a morning hour on a sustaining basis. Beginning October 2, 1949, the Baptist Hour was launched on a year-round basis on the American Broadcasting Company network at 3:30 P.M., Eastern Standard Time every Lord's Day. This program is on a commercial basis and by the approval of the Convention and the Executive Committee of the Convention is to be financed through contributions received by mail. In 1951 the Baptist Hour is broadcast over 230 stations by current transcriptions.

The Radio Commission renders many other services. Through a transcription library, thousands of broadcasts are given every year. These transcriptions are available to pastors and churches, without cost, for broadcast over local radio stations.

Through a special veterans hospital service, the Commission carries transcribed devotional programs to thousands of sick service men in veteran and other government hospitals every year.

Television is here. The premier showings of the first two television films, which the Radio Commission has made, were given over WAGA-TV, Atlanta, Ga., on January 15th and 22nd respectively 1950. These films are available for broadcast over local television stations.

MEMBERSHIP AND GIVING OF FIFTEEN DENOMINATIONS

In the growth of membership and growth of giving in the twenty-five years from 1926 to 1951, as reported in the "Statistics" of the United Stewardship Council, these denominations include the same Christian groups as have been included in previous years when "sixteen" have been used. The change in number of denominations is due to the union of Christian bodies.
