STATE CHAMP!

The drought is finally over.

Alexis Benjamin-Graham earned the Florida High School Athletic Association's 2018 Track & Field State Title in girl's shot put last Saturday in a stunning come-from-behind victory at Jacksonville's University of North Florida.

"It was crazy," Benjamin-Graham said. "That was not expected at all."

Earning her slot at state after finishing first in both shot put and discus at the Class 2A Region 3 meet late last month at Wesley Chapel, Benjamin-Graham faced her most stiff competition of the year.

Discus – her first competition of the day – proved a disappointment.

"Discus didn't go so great for Alexis," said coach Rob Beatty.

Throwing in the second seed, the student-athlete's effort of 107-00.00 was not enough to propel her into the finals as she finished 13th in the 24-athlete pack.

Benjamin-Graham holds the Hardee Senior High School record in the event – a feat she accomplished during the Class 2A District 9 meet earlier this year.

Title glory, though, remained within her sights as she headed to the shot put ring.

"The shot put is where things got exciting," said Beatty.

Landing in the second flight of competitors, Benjamin-Graham watched as the first round of 12 players made their attempts.

"One of the first flight girls had a pretty decent throw," Beatty said.

The pressure was mounting: only the top eight overall players would advance to the finals.

Seeded third overall entering the event, the Wildcat was sandwiched between a trio of top contenders from Hallandale High School.

Luck was with the orange and blue, though, as one by one the first-round throws of the Hallandale players fell below their averages.

"I guess the ladies that were supposed to beat me had altered their work," Benjamin-Graham said. "It looked as if they were throwing way further than me. That was not the case at all."

Fate, though, seemed to shift again as Benjamin-Graham scratched as her shot put landed out of bounds on her first attempt.

"First throw, I scratched that," Benjamin-Graham said. "I have never gotten my first throw."

Opting to punch her second throw "safely in bounds," the Lady Wildcat inched up the rankings to around "8th or 9th," according to Beatty.

Hallandale's players, though, were not down for the count. "On the third round, things got interesting and some of the attempts improved – it put her second attempt at risk of not making it.

With the title hopes on the line, Benjamin-Graham reentered the ring.

"I usually psych myself out," she said. "I was completely calm. I was ready and I was focused."

The Herald-Advocate welcome letters to the editor on matters of public interest. Letters should be brief, and must be written in good taste, signed and include a daytime phone number.

Mother's Day is this Sunday.

The Herald-Advocate has some very good writers. A fine commentary on Mother's Day can be found this week written by Rev. Clay Smith in his column entitled "Directions."

By Jim

Clay grew up in Hardee County and works for a newspaper in South Carolina. He shares his weekly column with us. Clay is a Baptist Church pastor.

My childhood friend Eddie Whidden had a wonderful mother Natalie who passed away recently after a long and productive life.

It has been said that a mother's love for her child is the strongest love among humans, surpassing her love for her hus-band or siblings, stronger than a father's love for his children. There are exceptions to just about everything in life, however.

As Clay Smith noted, not all mothers are perfect, and he had some other mother figures in his life. Maybe no mother is perfect, as in no humans are perfect.

I remember my mother as a wonderful mother. She was loyal, faithful, an excellent cook, stable, a great card player (Bridge), tolerant, enjoyed some yard work, and had a strong faith, taking us children to St. Michael Catholic Church every

Sunday. She was rewarded with a long life of over 100 years. I have seen firsthand how my wife Jean is and has been an A-plus mother. The late Curtis Ezelle was named by this newspaper once

as Hardee County Mother of the Year after he nurtured his children Carmen and Marcus after their mother Virginia passed away when they were young. Curtis, the longest serving county tax collector in the nation's history (just shy of 48 years), combined fatherhood and motherhood for many years.

Internet research reveals Mother's Day was founded in the United States in 1908 by Anna Jarvis to honor her mother Ann, who in 1868 organized a Mother's Friendship Day to promote family reconciliation after the end of the Civil War. President Woodrow Wilson signed a proclamation making

Mother's Day a national holiday in 1914. By 1920 Anna Jarvis became dismayed that Mother's Day had become so commercialized.

It has been estimated about \$2 billion is spent for flowers on Mother's Day, and over 130 million cards exchanged annually for the holiday. Telephone calls increase over 30 percent on that day, to about 120 million calls.

Carnations are the most common flower for this day --- pink and red for living mothers and white for those who have passed away. Other common gifts include dinner or lunch at a restauran

Former Corrections Officer Now On Wrong Side Of Bars

By CYNTHIA KRAHL

Of The Herald-Advocate A corrections officer at Hardee Correctional Institution who was accused of selling drugs from his home there and who later racked up nearly a dozen more narcotics charges is now on the wrong side of the bars he once patrolled.

John Cody Vandiver, 27, most recently of 275 Shaw Road, Wauchula, was set to go to trial last month on varied methamphetamine-related charges but instead entered into a plea agreement with the prosecution.

Vandiver pleaded to possession of methamphetamine, possession of methamphetamine with intent to sell and sale of methamphetamine. In exchange, the State Attornev's Office dropped all other counts against him.

Following the change of plea, Circuit Judge Marcus J. Ezelle imposed a split sentence of three years in Florida State Prison followed by five years of drug-offender probation. Further, the judge ordered

Vandiver to undergo a substance abuse evaluation. The former corrections offi-

cer is now an inmate at the Central Florida Reception

Center in Orlando.

Vandiver first found himself on the wrong side of the law on Dec. 28, 2016, when he was arrested on two counts sale of methamphetamine, two counts sale of methamphetamine within 1,000 feet of a public institution, one count posses-sion of a controlled substance without a prescription, two counts possession of narcotics equipment, one count possession/delivery of narcotics equipment, and two counts use of a two-way communications device in the commission of a

crime. According to a Hardee County Sheriff's Office arrest report, Vandiver met with a confidential informant at his home at about 4:55 p.m. that

day to sell \$20 worth of meth. The transaction was monitored by detectives with the Drug Task Force.

Vandiver, sheriff's Capt. Eddie Davis noted, resided in mobile home within the Hardee Correctional Institution compound at the time.

Less than two hours later, at 6:40 p.m., Drug Task Force members watched as Vandiver, dressed in a brown Department Corrections uniform, of walked from his home to the main compound to report for duty

He was apprehended along the way, Davis said.

In a subsequent interview with detectives, Vandiver admitted to using meth and to selling both cocaine and meth.

A search warrant for Vandiver's residence was obtained. the captain said, and the search revealed 1.6 grams of methamphetamine, a glass pipe with meth residue, digital scales as used in portioning narcotics for sale, and several items considered as drug paraphernalia, including tin foil and plastic straws

Vandiver was subsequently booked into the Hardee County Jail and terminated from his employment at HCI.

Man Gets 15 Years In Violent Sexual Attack

By CYNTHIA KRAHL

Of The Herald-Advocate A man who raped and choked the woman he claimed he loved will now be spending

15 years behind bars. Pablo Macias, 46, formerly of Wauchula and most recently of Auburndale, also has been labeled a violent offender of special concern and a sexual offender.

He was found guilty in December of sexual battery with threat of force, a first-degree felony, and domestic battery strangulation, a third-degree felony.

Jurors acquitted him of a third charge, kidnapping, a first-degree felony.

Macias, who faced a possible maximum sentence of life in prison, remained in the Hardee County Jail while waiting to hear his fate.

And at his sentencing in Hardee Circuit Court, Circuit Judge Marcus J. Ezelle handed down a 15-year prison term

and ordered Macias designated as a sexual and violent offender.

Further, the judge assessed \$1,473 in fines, fees and court costs. The Wauchula Police De-

partment had arrested Macias on May 7, 2014, just two days after the attack occurred and

ANSWER: Gastroesophageal reflux disease can have no symptoms, or many. Sour taste is, in fact, a common symptom. This is the "reflux" of the condition's name, since it refers to the backward movement of stomach acid — all the way into the back of the throat or even into the mouth. Antacids neutralize the acid

in the stomach but do not prevent the reflux of stomach contents. Widely prescribed medications, including H2 blockers like Zantac or Pepcid and proton pump inhibitors like Prilosec or Nexium, also act on the acid in the stomach, and do not reduce reflux.

County Opposes Potential Closure Of Hammock Road

By MICHAEL KELLY Of The Herald-Advocate

Hardee County commissioners passed a resolution last week opposing the potential closure of one of only three through roads connecting Hardee and Highlands counties.

Vaughn Road, which connects with North Hammock Road in Hardee County and runs through Highlands Hammock State Park before reverting back to Hammock Road on the other side in Highlands County, is being considered for permanent closure as a through road, with a gate being installed near the county line.

The Florida Department of Transportation recently inspected and condemned the road's one-lane wooden bridge over Little Charlie Bowlegs Creek, which was first built in 1932 according to historical archives.

An article published in the Highlands News Sun on April 28 stated Highlands County commissioners have "no problem" with closing the road.

Highlands County must fix the bridge before it can officially vacate the road and give it to the Park Service, which would then close it to all through traffic, meaning people coming or going between the two counties must either use State Road 66 south of Sebring or State Road 64 in Avon Park.

Hardee County Commissioner Mike Thompson informed commissioners he was made aware that Highlands County was "very far into the process of closing the road" used by many residents going to Sebring. "I don't know what we can

"I don't know what we can do about it, but we need to express our objections," he said. Rick Knight said the closure "would be terrible" for the residents living on the east side of

the county. "I think it would affect their (Highlands County) trade and be a bad idea," he said, also noting businesses located in eastern Hardee County probably have workers coming from Highlands County.

Chairman Russ Melendy said it was probably a budget decision being made by the Highlands Commission, which is responsible for repairing the bridge and maintaining the dirt road through the park.

He questioned whether a formal resolution was necessary versus commissioners calling their colleagues in Highlands County.

Commissioner Sue Birge objected to the "strong wording" in the resolution that was prepared by County Manager Lex Albritton and County Engineer Ken Wheeler.

Commissioner Colon Lambert stated he had no problem with passing a formal resolution, and tweaked the wording

to get the full support of the

board. The resolution, which eventually passed unanimously, stated Hardee County opposes the closure and asked Highlands County to reconsider its position.

A copy of the resolution was also to be sent to State Rep. Ben Albritton and State Sen. Denise Grimsley, who both represent Highlands and Hardee counties.

The latest traffic counts, taken in 2016, showed an average daily count of 377 vehicles on North Hammock Road in Hardee County and 103 vehicles traveling on South Hammock Road.

Deacon Bobby Buckley's Prayer For Families

By BOBBY BUCKLEY

First Baptist Church Bowling Green Bobby Buckley, a deacon at First Baptist

Church in Bowling Green, prayed for families. Father, I thank Thee for this Day of Prayer

and for the prayers that have been offered up for our country and our national leaders, for Israel, for our military and their families, for our state and state leaders, for our county and cities and their respective leaders, for our law enforcement and fire departments, for our schools, leadership, teachers, and support staff.

I believe these are all necessary for the wellbeing and health of our society, but I also believe that all of these are built on our families---the first unit ordained by God.

It is the unit that brings forth the next generation and is charged with rearing, training, teaching and correcting them. Children must be taught right and wrong, good from bad, behavior that's acceptable or inacceptable, and instructed about your Word---not only by words, but by deeds.

Children mimic what they hear and see. Families are responsible to God for how we complete our task.

Father, we confess to you that we have deviated from Your way to our way. We have ignored Your instructions for husband and wife. What God has joined together, let not man put asunder. The husband is the head of the wife, even as Christ is the head of the church. Christ loved the church and gave himself for her. The husband is responsible to God for the well-being of his wife and children.

Father, just as You created the family to be the foundation of society, You gave us love to be the foundation of the family. Our faith and hope are based in you, but love is greater than these and serves as the foundation of the family.

Our families are fragmented, our society is fragmented, our government is fragmented, all because we have turned to our own way and forsaken your way and the paths of righteousness. Father, forgive us for our transgressions, re-

Father, forgive us for our transgressions, restore our families, unite us in love, and lead us in the path of righteousness for Your namesake. Take us back to the values upon which this great nation was founded.

As George Washington told the nation, we have a government that is based on a value system of trust, hope, morality, faith, freedom, and liberty that will not endure if we abandon these values.

Almighty God, restore our faith, our hope and our love in thee and in one another. Restore our families that our nation might return to the nation that we once were - a Christian nation under God with Life, Liberty, and the Pursuit of Happiness for all. Amen.

Get Rid Of Haz-Waste **For Free On Saturday**

By JOAN SEAMAN Of The Herald-Advocate

Graduation is just around the corner. Mother's Day is Sunday and Father's Day follows closely behind in June.

If you're planning on any new electronic gifts for your son or daughter, mother or father, also plan to properly dispose of the old ones during this Saturday's Household Hazardous Waste Clean-Up Day.

From 8 a.m. to noon, the public will be able to dispose of up to 60 pounds of hazardous waste per household for free.

The collection center is at the Hardee County Sanitary Landfill. To reach it, go east on Main Street about two miles. Turn north onto Airport Road and follow it until the pavement ends

Turn left into the entrance to the landfill, at 685 Airport Road. Follow signs to the Haz ardous Waste Collection Center at the southeast portion of the landfill property.

There're a lot of things to collect for Haz-Waste Day, things which could create health risks to the environment and water if left along the roadside or placed in the usual garbage, where they can leak dangerous chemicals and compounds into the groundwater or landfill drain waters, creating all kinds of issues.

Look in the garage, shed, closets and drawers to see if there are hazardous materials you should get rid of in addition to those old electronics/technology items. Box up everything and go out to the landfill on Saturday morning.

Check the shed for old pesticides insecticides, herbicides or pool chemicals. Look in the garage for old petroleum, transmission flu-

Old oil or paint-stained rags can become combustible easily in a hot, closed space. Old home projects may leave paint cans or sprays, wood stain, preservatives and turpentine to be thrown out.

Each household can bring up to 60 pounds free. If you don't have that much, stop by your elderly neighbors and see if they need help to dispose of old batteries or fluorescent light bulbs. Look in the kitchen or bathroom for old

cleansers and sprays, anything with a chemical base which needs safe disposal.

While you're at it, gather newspapers and cardboard, both also combustible, for the recvcling bins at the landfill. Putting them out with the regular trash means they will take 10 to 30 years to decompose. Recycling is a better idea. Used oil and old batteries can also be properly taken care of at the landfill.

Don't bring gas cylinders, ammunition, explosives or radioactive, biohazardous or infectious waste to the landfill. There are other, safer ways to dispose of them.

Businesses which generate less than 220 pounds of hazardous waste per month are allowed to bring it on hazard collection day, but will have to pay current contract prices.

Businesses that generate more than 220 pounds but less than 2,200 pounds per month cannot bring it on Saturday, but can call for pickup at their place of business, again at current contract prices.

2. While brine is boiling, halve cucumbers lengthwise and cut crosswise into 1/3inch-thick slices.

3. Remove brine from heat and add cucumbers and radishes. Let stand, uncovered. 10 minutes, then drain in a colander, discarding garlic and peppercorns. Transfer cucumbers and radishes to a bowl of ice and cold water to cool, then drain well in colander.

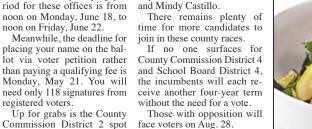

4. Toss cucumbers radishes with parsley, oil and remaining 1/2 teaspoon salt in a large bowl and chill, uncovered, about 20 minutes. Makes 4 servings.

5. The salad can be made ahead and refrigerated. Delicious when served with broiled or pan-seared fish.

ALPHABET MAN

Every child has to learn the alphabet before learning to read, so some toys for those under 5 years old have been "teaching toys." Blocks were the first. The oldest mention of alphabet blocks was in 1693 in England. But blocks with letof sets were made in a factory. Well-to-do young girls educated in the 18th century be able to stitch identification

and cloth alphabet books. A rare, famous teaching toy is the "Alphabet Man" or "Yankee Schoolmaster." The 10inch-tall iron figure of a man had an arm that moved when a lever was pushed. The man blinked his eyes, raised his left arm and pointed to a hole high ters and pictures were not on his chest. treatment and hospitalization. He found what he was looking for in Wauchula, and for the next 42 years he served this area through his medical practice.

He served as Chief of Staff at Hardee Memorial Hospital and as medical director for Hardee Manor, Desoto Health and Rehab and the Hardee Correctional Institution.

Dr. Palmer was a dedicated member of the First Baptist Church, serving as a deacon and as a medical missionary in Brazil and New Guinea.

Dr. Palmer was involved with Hardee County athlet-ics for many years. In 1965, he became the side-line doctor for the Hardee Wildcats, serving for the next 13 years. In 1970, Dr. Palmer unofficially started Hardee Youth Football by bringing kids home after school to practice, serving as the president of the league from 1971-1984.

During his military service, he boxed his way to the Keesler Air Force Base

Championship in 1952. Palmer had several hobbies and pursued them with passion. He enjoyed running and completed several marathons, including the Boston Marathon. He loved salt water and scuba diving, becoming a certified Master Scuba Diver. He also ob-tained his pilot's license and enjoyed flying small aircraft. Dr. Palmer is survived by

his wife of 62 years, Gayle M. Palmer; four children, Lisa Dickerson, Leigh (Joe) Lamonica, Steve (Jennifer) Palmer and West (Laina) Palmer; 10 grandchildren, Katie, Jaime, Weston, Sa-vanah, Kelly, Kelsey, Sum-mer, Luke, Ellie and Sam; and two great grandchildren, Reese and Palmer Grace.

He was preceded in death by his parents, Ernest P. Palmer and Lucile Glanville; and son-in-law, Larry Dickerson.

His family will be forever grateful for the excellent care he received from the wonderful nurses and staff at Florida Hospital Wauchula, many of whom had worked together with him in the past. A special thank you to Senator Denise Grimsley and Dr. Kathy H. Lee for their compassion and expertise.

A graveside service will be held today (Thursday), May 10, at 10 a.m. at the Wauchula Cemetery.

Joyce was the most caring, loving and giving person with family and friends you would ever meet. She always went above and beyond when a holiday or birthday came, making sure each and everyone felt special and never forgetting a soul. She had a big heart for people and we can't forget the stray animals she would take in. When she was of good health she enjoyed bowling, playing golf, shopping with "her girls", playing bingo or going with Ed to the dog track.

Joyce was the tie that bound our family and will forever be in our hearts.

Q: I was watching "Battlestar Galactica: Blood and Chrome," and I really liked the female lead. Can you tell me a bit about her and what else I can catch her in?

A: Lili Bordan, daughter of legendary Hungarian film actress Iren Bordan, played Dr. Becca Kelly in that "BSG" movie. When I spoke with her recently, she told me what an important role it was for her.

"That was pretty meaty. It was the female lead of that episode," Lili said. "It was originally made to be a pilot for a prequel series, but it didn't get picked up. It ended up airing as a TV movie on Syfy and came out on Blu-ray a few months later. That was a really important role for me in my career. It was one of those roles where my character is an integral part of the story and really does drive the story forward and it's all because of this secret she has."

The Prayer For Our Nation

By DR. RONNIE FLOYD Pastor of Cross Church

President of the National Day of Prayer Task Force and Senior Our nation, we pray for unity in America. Only You can bring States of America from the unity, harmony, and oneness in America. As Your Word calls ing our lives and our future us in Ephesians 4:3, "Making every effort to keep the unity of the Spirit through the bond of peace," we ask You to empower us to make every effort to live in unity, to call for unity, and to forward unity in America continually.

Lord, in this critical hour in curity of our nation. We ask

Our Dear Heavenly Father,

While we come to You in complete humility, we also come to You with boldness in the authoritative name of Your One and Only Son, Jesus Christ, who is the Lamb of God who takes away the sin of the world. In Jesus' name, fill us now with Your Holy Spirit and lead us as we pray in Jesus' name for America.

Oh God, we are burdened for our nation today. We turn from the sins that we have committed against Your Word and Your Name. We turn away from our contentious words and ways toward one another that had led us to division and polarization.

We turn away from our disrespect and lack of dignity toward each other, and we turn away from our continual devaluation of all human life from the womb until death in this world. We also turn away from and refuse to participate in skepticism, criticism, and cynicism in our nation.

We turn away from anything that divides us, and we run toward the Gospel of Jesus Christ that is the only thing that has the power to unite us together.

We pray for the churches in America to unify in Jesus Christ and to pray as one unified spiritual family for America. May Your Church pray for America passionately, perpetually, privately, and publicly.

We pray for God's power to unify families, workplaces, communities, and cities in America. By Your Spirit, lead us to forgiveness, reconciliation, healing, and unity.

We pray for people of all ethnicities and races in America to come together as one, living in peace and unity together. Oh Lord, because each of us is created in Your image, please give us the courage to stand against all racial and ethnic division, denouncing it as evil and sinful, while simultaneously coming together in unity with all persons knowing

We pray in unity for the se-

this is God's will for us.

ing our lives and our future. God, please guard all persons in public and private settings from anyone or anything that desires to harm us or take our lives. Our future is in Your hands

We agree clearly, unite visibly, and pray extraordinarily for the next Great Spiritual Awakening in America. Oh Lord, wake up Your church spiritually and convict Your people to agree clearly, unite visibly, and pray extraordinarily until the Next Great Spiritual Awakening occurs in our generation.

Oh God, we stand together upon Your words in Psalm 133:1, "How good and pleasant it is when brothers live to gether in harmony." Through Jesus' name and by the Holy Spirit's power, we pray for all Americans to unify and to live together in unity. In the mighty and majestic

name of Jesus Christ who is the Only Savior and the Only Hope in this world, we pray. Amen.

Prayer For Law Enforcement And Fire/Rescue Departments

By CAPT. BRETT DOWDEN Bowling Green Police Department

Dear Heavenly Father, thank You for Your goodness and mercy. Thank You for Your faithfulness and kindness. Thank You for all that are gathered here today.

We ask that You bless our law enforcement officers, firefighters, and public safety personnel as they carry out the duties set before them. Bless them with discernment so they can act with understanding and fairness. Give them the courage and strength that can only come from You as they face the adversity and struggle of duty

We ask for the guidance and wisdom that allows us to follow the teachings of Jesus Christ.

I ask that You help unify our departments so that we can better serve our communities as a whole

Please watch over them and protect them in times of trouble. Bless our families and give them the strength and support they need. As surely as law enforcement officers struggle in their duties, their loved ones must also struggle to support them and understand the issues they face on a daily basis.

I ask that our families are strong so that our law enforcement officers, firefighters, paramedics and support personnel can provide that strong home base that they so desperately need.

I also ask that You bless our community members with the knowledge and understanding that we are them and they are us. We are fathers, mothers, sisters, brothers, sons, and daughters. We are a part of the community just as they are, only with different tasks to fulfill.

I also ask that You help our officers to remember that they are of our community and bless them with understanding and wisdom so they may make the best decisions when lives are in their hands.

Give them the courage of a warrior but the restraint of an elder so their decisions are just. Give them the courage to face overwhelming odds and the knowledge that their efforts to keep the peace and vanquish those that would harm us is Your will and is just and noble.

I ask that You keep them safe in these troubled times when it seems as if they are targeted simply for doing their duty, and being who they are. I ask that You allow them to return safely to their homes so they may live another day to carry out Your will. I ask that You bless and comfort the families

of those who have fallen in service so they know their lives were not given in vain. And that one day we will see them again.

In Jesus' precious name

Amen.

Editor's Note: Capt Dowden said his wife Summer helped him prepare this prayer.

FIRST-PLACE PERFORMANCE

Crop Update

May 7, 2018 General: According to the National Agricultural Statistics Service in Florida, there were 6.8 days suitable for fieldwork for the week ending Sunday, May 7, 2018. Precipitation estimates ranged from no rain in multiple locations to 2.0 inches in Lakeland (Polk County). The average mean temperature ranged from 63.9°F in Jasper (Hamilton County) to 81.1°F in Marathon (Monroe County)

Citrus: Temperatures were seasonably warm for this time of year in the citrus growing region. Most daytime highs were in the low to high 80s; nighttime temperatures were in the high 50s to low 60s. The highest temperature was in Avon Park (High-lands County) at 92°F. Clermont (Lake County) and Plant City (Hillsborough County) both reached 91°F.

Scattered precipitation over the weekend brought between less than a tenth of an inch of rain and just under an inch of rain to the citrus growing region. Several locations in the citrus belt did not record any rainfall all week. According to the May 3, 2018 U.S. Drought Monitor, only Collier County and a portion of Lee County experienced severe drought. Hendry County in the southern citrus area along with its surrounding counties experienced moderate drought. Brevard and Osceola counties in the northern citrus area and portions of Orange County and In-dian River County experienced moderate drought. Several of the remaining citrus producing counties were abnormally dry.

Valencia harvest has begun to slow. Processing plants were winding down with most planning on finishing by the end of May. Packinghouses will continue running fresh Valencia oranges as long as quality fruit is still available. Several houses have finished or will be finishing in the next week or so. Next season's fruit is progressing as normal. Oranges, on

average, are between marble and golf-ball size. Grapefruit are slightly larger. Some trees are still dropping small fruit, adjusting for what they can carry until harvest. Field work is picking up with caretakers pushing old trees and putting them in burn piles. Irrigation is being run regularly. Grove owners are conducting general grove maintenance, including applying herbicides and fertilizers

Fruits and Vegetables: Crops planted included bitter melon, boniato, malanga, okra, and sunflowers. Crops harvested included blueberries, cucumber, eggplant, green beans, malanga, peaches, peppers, radishes, squash, sweet corn, tomatoes, and watermelons.

Livestock and Pastures: Due to hit-or-miss rainfall in many counties over the last several weeks, pasture quality has varied across the state, but in general, livestock has continued to require feed supplements.

Field Crops: Soil moisture in several counties was barely enough to continue planting row crops. The condition of irri-gated crops was good, but non-irrigated crops were stressed. Tobacco planting was underway in Hamilton and Lafayette counties. Potato harvest progressed. Sugarcane harvest contin-ued in Glades and Hendry counties with an extended harvest expected due to delays earlier in the season. Producers in Okeechobee County baled and stored hay.

Seventy-two Hardee Senior High School Chorus students traveled to Orlando last Friday to participate in a two-day singing competition at Universal Studios. Earlier, the choral students had sold cheesecakes, cookies and candy bars in three different fundraisers to earn the money to cover the expenses of the trip to the Music USA Festival Competition. At the event, the cho-rus performed two selections under the direction of teacher David Radford, "Festival Sanctus" and "Omnia Sol." The judges awarded the Hardee chorus an Excellent rating and the first-place trophy in the Class 3A Choral Division.

Meet Our Teachers **Hardee County School District**

Born in Puerto Rico North Wauchula Elementary - Literacy Coach • 13 years teaching experience

High School Diploma — Hardee Senior High Bachelors in Elementary Education — University of South Florida Masters in Reading — University of South Florida

Hobbies/Interests: I enjoy reading and spending time with my family

Why I became a teacher: In third grade my teacher would allow the students that finished early to go around and help other students. I found myself trying to finish as quickly as possible so I could help my peers. That year I found my love of helping others learn. I always found someone that did not understand, so I could experience the reaction they would have when they finally "got it."

The most rewarding moments as a teacher for me is when my students understand a difficult concept. You can see that "light bulb" go off and their eyes light up.

Something most people don't know about me: I lived in Puerto Rico for 13 years.

Jessie Brown

Born in Lakeland Wauchula Elementary - Kindergarten • 2 years teaching experience

High School Diploma — Hardee Senior High Bachelors in Elementary Education — University of South Florida

Hobbies/Interests: Spending time with family and friends.

Why I became a teacher: Thanks to the very best Kindergarten teacher, I have dreamed of becoming a teacher since I was in Kindergarten. I have always loved being a part of the growth that takes place in the learning process and it is my goal to instill a love for learning in my kiddos!

ndn Graham

Most rewarding moment(s) as a teacher: There is no time as sweet as when one of my students finally "gets it." When I see that light bulb go off, I know that I have done my job as a teacher to provide and support that student through their learning journey.

Something most people don't know about me: During college, I had the opportunity to teach abroad in Cambridge, England.

Born in Wauchula Zolfo Springs Elementary - Art • 14+ years teaching experience in ESE resource, fifth grade & art

High School Diploma — Hardee Senior High AA — SFSC • BA (Psychology) — USF • MA (Teaching & Learning) — NSU

I am married to Tim Wells and have two children, Mattie, 13, and Bailey, 10.

Hobbies/Interests: Art and Music. ART – I have always enjoyed arts and crafts. Attaining the position as the art teacher at ZSE has opened up so many ideas and real possibilities for me. This year I started in-home art lessons and occasionally host "paint parties" for adults and for children. A long-term art goal is to expand my lessons and parties, and eventually open a studio locally. MUSIC – Several years ago, I was encouraged to join the orchestra at my church, First Baptist of Wauchula. I was hesitant because I hadn't played an instrument (saxophone) in over 20 years. However, I decided to give it a shot and as they said, "it all came back to me" over a period of a few months practice. Now, practicing and playing with the orchestra is something I especially look forward to.

Why I became a teacher: My mother is always looking out for my best interests. She informed me about an alternative teaching certification program offered by HEC to train qualified individuals as educators. Because I was interested in pursuing a teaching position at the time, it was the perfect opportunity. I started the program and Jan Beckley hired me as a resource teacher at ZSE, where I have been learning and growing since. Thank you Mama!

Most rewarding moment(s) as a teacher: Knowing that you have had a positive influence on a student's life is very fulfilling. There are many ways that teachers impact their students, both in mind and in heart. It may be that you see evidence of academic growth as a result of your teaching, or it could be something as simple as hearing a student say, "I missed you Mrs. Wells." I also love seeing the look of accomplishment they exhibit after reaching a goal or completing a challenging task.

Something most people don't know about me: Being born and raised in Hardee County means that everybody already knows everything about me!

Derring

5:10c

Born in Avon Park Hardee Senior High - English I and English IV Honors • 4 years teaching experience

High School Diploma — Hardee Senior High (Go Cats!!!!) B.S. in Business — Warner University

I am married to Sean Guest of Burnsville, NC and have two children. Sydnie Genevieve Steiner, my very intelligent, driven, and beautiful 15 year old and Grace Elizabeth Guest, our clever and bright 5 year old sprite.

Hobbies/Interests: Growing in my faith, investing in kids, fishing, reading, musical theater (attending, not participating), traveling and learning.

Why I became a teacher: I had always been an avid reader. My mom, a teacher herself, took me to the library often and gave me her old college literature books. I knew by 8th grade. A rogue English teacher let us read and perform Macbeth earlier than was usual. She pointed out the skill and artistry in Shakespeare's diction and meter, and I was hooked.

I was aware they wouldn't all be lovers of language and literature, but every once in a while there is one or two

Most rewarding moment(s) as a teacher: These come in every small success my students experience. Sometimes it's the 9th grader who excitedly recounts that they were able to understand and write to the FSA prompt. Other times, it's the senior who finally passed the test they needed to graduate. Most of the time, it is the quiet moments where I am able to share something small but important about life. Every day is its own reward when you work with kids.

Something most people don't know about me: I'm only afraid of things that might eat me: sharks, bears, big sharks, alligators, little sharks, hippopotami, manatees that look like sharks, etc.

Brandie Lee Barrington Guest

High School Diploma — Hardee Senior High A.A. — SFSC • B.S. in Elementary Education — – USF

I am married to Steven Derringer and have two children, Bodhi Derringer, 6 and Mia Derringer

Hobbies/Interests: Spending time with family and reading.

I became a teacher to make a difference in the lives of children, as the teachers of Hardee County once did for me.

The most rewarding moment I've had in my 7 years of teaching has to be the year I had a kiddo who hated school. He struggled with reading and didn't think he could learn. He once told me he was too dumb and that I couldn't teach him. I showered this young boy with love and spent my year teaching him how special he truly is. By the end of the year he was a new kid. He grew to love school and I grew to love him! He will always be one of my kids!!

Something most people don't know about me: I'm learning Spanish.

At Music Festival In Orlando

The Hardee Senior High School Symphonic Band became the newest champions of the Music USA Festival at Universal Studios in Orlando on Saturday.

The band received an average score of 91.67 from the three judges, which earned it a Superior rating, first place among high-school instrumental groups, and Instrumental Grand Champions for the entire festival. The students performed two

musical selections that they have been preparing during the spring semester on Saturday morning on a professional soundstage at Universal Studios

The performance was judged by a panel of experts, and they awarded the HHS band with the highest score of any instrumental performing group for the day.

The band brought home two more large trophies for the shelves in the band room, and

a positive feeling of accomplishment for the students and the director, Jason K. Thompson

"It's definitely nice to end the school year with a win. It sends the seniors off in style and helps to build momentum for next year," Thompson said.

The band is now shifting gears and beginning to prepare for football season and marching band performances that will start in August.

The Hardee High band was awarded the title of Grand Champions at a weekend competition at Universal Studios in Orlando

Bringing home the top trophy is the Hardee Senior High School Symphonic Band.

HHS Band 'Grand Champions' Pinning Ceremony Features **Dental Hygiene Graduates**

Hygiene program at South Florida State College were honored in a traditional pinning ceremony in the Univer-sity Center Auditorium on Friday

The graduates had just completed their Associate in Science in Dental Hygiene degree program.

Receiving their pins were Hardee County resident Elizabeth Rivera along with Eliana Almendarez, Isabel Cardenas, Amber Cheraz, Amanda Head, Ashley Marquez, Donna Miranda-Collins, Carmen

Ten graduates of the Dental Mitchell, Erika Lisbeth Olvera them go but delighted to weland Anna M. Wiley.

Keynote speaker for the pinning ceremony was Dr. Steven Guelff. Graduates were pre-sented their dental hygiene pins by Dr. Deborah Milliken, chairwoman of SFSC's Dental

Education program. "The Dental Hygiene Class of 2018 is a wonderful group of young people who have worked hard and will be a great addition to the dental community," Milliken said.

They are bright, enthusiastic and, most importantly, skilled clinicians. We are sorry to see

come them into the profession."

Upon completing the Dental Hygiene program, graduates become dental hygienists by passing the National Dental Hygiene Board Examination and the Florida State Clinical Licensure Examination.

They can then work along-side a dentist as a member of a dental health-care team.

ARIES (March 21 to April 19) Although you might prefer moving forward at a steady pace, it might be a good idea to stop and reassess your plans. You could find a good reason to make a change at this time.

TAURUS (April 20 to May 20) Just when you thought you had everything planned to the smallest detail, you get some news that could unsettle things. But a timely explanation helps put it all back on track.

GEMINI (May 21 to June 20) Home and work continue to compete for your attention. But you handle it well by giving each its proper due. Someone you trust offers valuable advice. Listen to it.

CANCER (June 21 to July 22) Unsettling news creates a difficult but not impossible situation. Continue to follow your planned routine, but keep your mind open to a possible change down the line.

LEO (July 23 to August 22) Lick your wounded pride if you like, but it's a better idea to find out why your suggestions were rejected. What you learn could help you deal with an

upcoming situation. VIRGO (August 23 to September 22) Feeling a bit listless? No wonder. You might be pushing too hard to finish everything on your to-do list. Cutting it down could help get your energy levels up.

LIBRA (September 23 to October 22) Taking time out of your busy schedule might be the best way to handle that sensitive private matter. It will help reassure everyone involved about your priorities.

SCORPIO (October 23 to November 21) Insist on full disclosure by all parties before agreeing to be part of a "great deal." What you learn should help you decide whether to go with it or not.

SAGITTARIUS (November 22 to December 21) Your decision to protect the secret that was entrusted to you might irk some people. But it also wins you the admiration of those who value trust and loyalty.

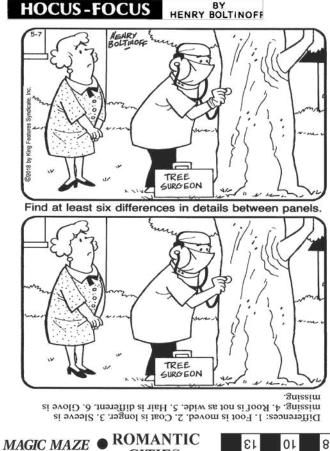

CAPRICORN (December 22 to January 19) Creative activities take on a practical approach as you realize you might be able to market your work. Ask for advice from someone experienced in this area.

AQUARIUS (January 20 to February 18) If you're suddenly a bit unsure about your decision, ask trusted colleagues and/or friends or family members for suggestions that could help resolve your doubts.

PISCES (February 19 to March 20) A workplace situation could get stormy. But stay on course until there's a solution that meets with everyone's approval, and things can finally calm down.

BORN THIS WEEK: You keep an open mind on most matters, making you the confidante of choice for people who need your honest counsel.

My Many Mothers

Don't get me wrong, my mother was an amazing woman. Growing up, she came home every afternoon from school, saddled up her horse and rode out with her brother Pete to doctor screw-worm calves across 10,000 acres of marsh and swamp.

She was the most popular girl in her graduating class at

My aunt Faye Shackelford owned the S&S Grocery Store in town. Whenever Momma went in to buy groceries, Aunt Faye would call me over and tell me to get a candy bar – but not to tell Momma she let me have one. It would be years before I realized you had pay for candy bars. Aunt Faye taught me grace means something

Lake Placid High School (of course, there were only six). She married my father, who though a tough cowboy, still lived with his mother. When Daddy died, Momma resisted all suggestions that she sell the ranch, move into town and live a life of ease. Momma had strength.

I suppose Momma once had a nurturing side, but when Daddy died, something inside her died. I remember Momma as fun and strong. As I look back, the weight she carried was unreal. But she didn't have time to explore her feelings; there was work to be done and she did it. She had a lot of steel, not much cushion. But God put other mothers in my life.

When I went to my Aunt Frieda Gill's house, the rules were different. We could have Cokes and Hershey's chocolate Bars. Comic books were forbidden at our house, not at Aunt Frieda's. There was a stack of comic books you could read till your eyes hurt. Aunt Frieda gave me a lot of joy.

you get, something really good for free.

My aunt Mildred Hadsel (we called her "Aunt Mooie" for some reason) would pick me up and go riding around the county to look at new houses people were building. I can still see her, in her heels and holding her purse, exploring Adrian Chapman's house while it was under construction. "Good Lord," she said, "You'd have to ride a bicycle from the bedroom to the kitchen for breakfast!"

Then we'd go to Senterfitt's to get a cheeseburger and fries. That was the best part of all -I didn't have to share fries with my brother. Aunt Mooie gave me taste for exploration - and she spoiled me a little, too.

My aunt Neta Prescott kept me often when I was small. Every afternoon she would settle into her recliner for a nap. I would watch "Let's Make a Deal," and she would emit gentle snores. About four in the afternoon, a thunderstorm would come up. Thunder and flashes of lighting could scare a 5-year-old boy, but Aunt

defender. Once she told my brothers to stop picking on me or she would sit on them. They did not heed her warning and kept it up. The next thing they knew, Aunt Iris had picked them both up, put them on the couch, and sat on them.

Aunt Iris was not fat, but she was also not small. The couch erupted with cries for mercy. Aunt Iris protected me.

Bert Calder helped my Momma at home and watched over us. I loved Bert. All I had to do was tell her Steve was picking on me (whether he was or not), and she would get on to him. Bert was always on my side.

Somewhere in college I learned that parents were suposed to be perfect. Any problem in your life could be traced back to your parents' failures, according to Freud. I spent too much time being angry at my mother for not being perfect.

As I matured, I realized Momma did the best she could. Given who she was, what she was dealing with, she did what she could. It's not fair to be mad at someone for not giving what they don't have. One the most important things I did as a follower of Jesus was to forgive my mother for not being perfect.

God was gracious enough to give me other women in my life who filled in the gaps. I'm not sure Hillary Clinton is right — that it takes a village to raise a child, but I know it took a whole lot of women to raise me. God provided many mothers for me.

This Mother's Day, forgive vour mother for not being perfect. She probably was doing the best she could. I'll bet God sent some other women into your life to mother you in the best sense of the word. Give

Get Snapping On That Alligator Hunt Permit!

Native Floridian and Cocoa resident Capt. Grayson Padrick doesn't need anyone reminding him of when to apply for alligator hunt per mits

He's been taking part in Florida's alligator harvest program for 20 years and knows to apply for Phase I permits in May. "I love the fast-paced adrenaline rush that I

when hunting alligators," Padrick said. "And I really enjoy introducing youth and new people to gator hunting, especially those who've never been in the marsh

or on an airboat." Padrick's largest harvested alligator measured 13 feet, 2 inches, and it was a 16-year-old girl who Padrick guided that is credited as the lucky hunter.

Padrick sells his alligator hides or turns them into leather. and loves the taste of alligator meat

Since 1988, the Florida Fish & Wildlife Conservation Commission has offered hunters the opportunity to take part in its annual recreational alligator harvest, which always runs Aug. 15 to Nov. 1.

These special night hunts provide a hunting adventure unlike any other.

Phase I

The application period for the Phase I random drawing begins Friday, May 18, at 10 a.m. and runs through Monday, May 28. More than 6,000 alligator harvest permits will be available

Hunters may submit their application for a permit that allows the harvest of two alligators on a designated harvest unit or county. Applicants must be at least 18 years of age by Aug. 15 and have a valid credit or debit card to apply.

Applications may be submitted at any county tax collector's office, license agent (most retail outlets that sell hunting and fishing supplies) and at GoOutdoorsFlori-da.com. Applicants must provide their credit card information when they apply.

If you change your mind on where you'd like to hunt, or need to update your credit card information, you are able to make changes up

The alligator trapping license/harvest permit and two hide validation tags cost \$272 for Florida residents, \$22 for those with a Florida Resident Persons with Disabilities Hunting & Fishing License, and \$1,022 for nonresidents. The cost for applicants who already have an alligator trapping license is \$62.

Costs

Phase II & III

Any permits remaining after the first phase

will be offered during the Phase II random drawing June 1-11. Those who were awarded a permit in Phase I may not apply during Phase II. Remaining permits will be available in Phase III to anyone who did not draw a permit in either of the first two phases, and they may be applied for June 15-25.

Leftover Phase

If any permits remain after Phase III, there will be a fourth-phase issuance period beginning at 10 a.m. on June 28 until all permits are sold

Anyone may apply during Phase IV, even if they were awarded a permit in one of the earlier phases. Customers who get to purchase additional permits will be charged \$62, regardless of residency or disability.

If You Get Drawn

Within three days of an application period closing, applicants may expect to see an author-ization hold on their credit card, verifying there is a sufficient balance to cover the cost of the permit. However, this does not mean they were awarded a permit.

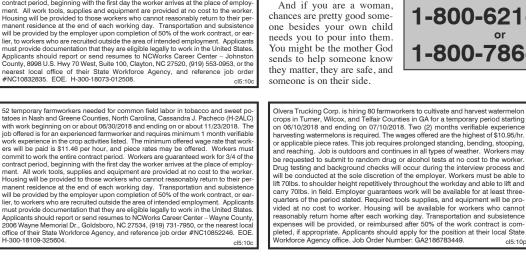

Once the credit card authorization process is complete, the lottery drawing will be held. All successful applicants will be charged,

while those who were unsuccessful will have the authorization hold lifted from their credit cards.

Successful applicants should expect to receive their alligator trapping license/harvest permit and two alligator tags in the mail within six weeks of payment. Alligator trapping licenses are nontransferable. All sales are final, and no refunds will be made.

For more information on alligator hunting or the application process, see the "Guide to Alli-gator Hunting in Florida" by going to "MyFWC.com/ Hunting" and then "By Species.

The Lady Cats jumped to an early 2-0 in the bottom of the first inning. Ashlee Patterson and Sarah Carlton both crossed home plate following a fly ball to center field off the bat of

Mallory Gough. Hardee exploded in the bot-tom of the third inning with a seven run effort to push the lead to 9-0. Destinee Jackson got things going with a leadoff homerun. Alayna Carranco was next to score as Alexis McBride was walked with bases loaded.

With bases still loaded, Lillian Salazar capitalized on an

error by the third basemen to steal home. McBride scored on the same error.

Makayla Benavidez scored following a ground ball to the shortstop off the bat of Jack-son. The final run of the inning came from Patterson who scored on a wild pitch, bringing the score to 9-0. Cocoa scored its only two

runs in the top of the fourth inning, cutting the Wildcat lead to 9-2.

Hardee answered with seven more runs to take the 16-2 win in four innings. Gough scored following a hard ground ball off the bat of Deborah Figueroa. Marissa Rodriguez grounded out allowing

DeLeon to advance home. McBride scored in the next at bat as Carlton ripped a line drive to right field. A fly ball to center off the bat of Carranco would send Carlton across home plate. The final run of the game, bringing the score to Details were not available as 16-2, came from Stephanie of press time.

bat of Trinity Herr. The Wildcats had 16 runs and 12 hits in the outing.

Patterson, Carlton, Jackson, Gough, and McBride each had two runs; and Carranco, DeLeon, Salazar, Benavidez, Figueroa, and Derringer each recorded one run.

Patterson, Jackson, and Carranco each had two hits; and Carlton, Gough, Herr, Carlton, Gough, McBride, Benavidez, and Figueroa each had one hit.

Carranco held the mound all five innings as she threw 62 pitches while allowing four hits and two runs and striking out five batters.

The win advanced Hardee to a rematch against McKeel (Lakeland) Academy. The Wildcats defeated McKeel to win the district title. The re-gional semifinal was scheduled for Tuesday (May 8).

The annual Stamp Out Hunger Food Drive sponsored by the National Association of Letter Carriers' takes place this week. The county's letter carriers will be collect-ing food items on Saturday at post offices and on their routes. To donate, just place a box or can of non-perishable and non-expired food next to your mailbox before your letter carrier delivers your Saturday mail. The carrier will do the rest. The col-lected food items will then be made available to local families experiencing food insecurity. Volunteers will be needed on Thursday, May 17, from 3 to 7 p.m. at the Hardee Help Center, 713 E. Bay Street, Wauchula, to assist in unloading, sorting and weighing the foods. Pictured is Hardee Help Center volunteer Anna Juarez as she prepares shelves to receive the new food donations.

Tribute To Neva Howard

Dear Editor:

Remembering Neva Howard - a beautiful Southern lady with a beautiful singing voice. I've known her all my life.

Suzanne and I were born the same year and were blessed to be raised in Wauchula. Her Mother was one of my favorites.

I remember as a child attending The Wednesday Musicale and hearing her sing. I also remember her wit and talent as she joined Noveta Beeson and Doyle E. Carlton Jr. (plus others) in performing in the Minstrels in the Wauchula City Hall Auditorium.

Mrs. Howard was my PE teacher in high school, and I remember fondly her taking us to Jacksonville for a state FHA convention. It was a joke that she was sent to chaperone us!

After Stetson days and my marriage to Jim, Mrs. Howard then became Neva to me. Yes, she became a dear friend. Through the years she would call me to "catch up" on the latest news. I would drop by often for a chat. Then, the unthinkable happened — she and Bill moved! Even though it was only to Lakeland she wasn't as close by. I was sad.

As the years progressed, Suzanne would bring her Mother by for visits, and we would get her to come down for Musicale programs. I kept wondering - why doesn't she

age? She is as pretty and perky as ever

Fortunately, Jim and I often traveled to North Carolina and our favorite exercise was walking and walking around the big lake at Lake Junaluska. Fortunately, Neva, Bill and Tippy would be there, looking down from their home. We always enjoyed our many visits with them there. We had so much fun just being together - laughing and reminiscing.

I'll never forget how she encouraged and applauded me as I "rose in the ranks of leadership" in the National Federation of Music Clubs---from the local level to district to state and finally state president. My phone was ringing off the hook from Carpenter's Home! Neva wanted to know "What's going on?" She was so proud!

Everyone knows how she loved music and spread that love wherever she went. I am comforted by the assurance that Neva is now at home with our Heavenly Father, and I'm certain that she's already on the front row singing "Sweet Little Jesus Boy" in the Heavenly Choir. Our loss is Heaven's gain.

Bess Stallings Wauchula

Editor's Note: Neva Howard, a former long-time resident of Wauchula, passed away in Lakeland, on April 24, 2018, at age 95.

Rachel Spade, 43, of Lakeland and her husband Michael Spade, a lieutenant with the Lakeland Police Department, in December adopted this retired greyhound named Colt Classic. The adoption fee was \$275 from the Racing Dog Rescue Project in Sarasota. Colt Classic raced for five years in Florida and was housebroken, vaccinated and neutered. She said the 80-pound dog is clean, gentle, good with kids, does not shed much hair, rarely barks, but is not so good with cats. He had over 400 races, finishing first 19 times. The dog stays indoors most of the time, but she walks him for an hour in the mornings and 20 minutes at night. They adopted the dog after her husband's 14-year-old black Labrador retriever died of cancer. Rachel graduated from Forest Lake Academy in Apopka, earned a bachelor of sci-ence degree from Florida State University in recreation and leisure services, and earned from the University of Central Florida a certificate in administration in risk and quality management. She is a field podiatrist specialist for the Southeast Henry Schein Foot and Ankle Division. Rachel on Thursday, May 10, will be a model at the Women of Central Florida Spring Fashion Show at 6 p.m. at the Youkey Theatre, RP Funding Center at 701 W. Lime St. in Lakeland to benefit the patients of the Central Florida Speech and Hearing Center. The fun-filled event ends at 8:30 p.m. Models will be escorted by Polk Sheriff Grady Judd.

SFSC Holds Spring Commencement Adventist Health System Named

South Florida State College marked the end of the 2018 academic year with its Spring Commencement held in two ceremonies Thursday in the Alan Jay Wildstein Center for the Performing Arts on the Highlands Campus.

SFSC honored the recipients of Bachelor of Science in Elementary Education and Associate in Arts degrees at the 4:45 p.m. ceremony. Honored during the 7:45

p.m. ceremony were those earning Bachelor of Applied Science in Supervision & Management degrees, Bachelor of Science in Nursing degrees, applied technology diplomas, occupational and college-credit certificates, and

Florida High School diplomas. In all, 312 students crossed the stage wearing academic regalia adorned with an assortment of colored cords and sashes signifying individual achievements

Addressing the graduates,

SFSC District Board of arrival allowed for more paths. Trustees, said, "As you keep and more unfolding of this moving forward in life, never stop learning, but take a minute now and then to appreciate where you are in life and your successes at that time."

Erika Weaver-Coleman, a graduate who earned her AA degree, delivered the commencement speech during the early ceremony. "The success that we have experienced is a direct result of our endurance to not give up, to see the sun-rise above the peak and the calm after the storm," she said.

"In the words of the pop band Journey, 'Don't stop be-lieving, hold on to that feel-ing.' That feeling, that moment, is the true success," she continued. "Not that we achieved our goals but that we achieved our goals despite the mountains, hurricanes and statistics tests. That moment of success is realizing not only

Tim Backer, chairman of the that we arrived, but our very and more unfolding of this great story of ourselves.

The 7:45 p.m. ceremony featured Luis Rodriguez as its speaker. Rodriguez, who graduated with his occupational certificate in Applied Cybersecurity and is currently working on a pilot's license in his spare time, said, "When a plane is on the ground, it begins to rust and malfunction much faster than when it is flying. A plane was meant to fly.

"Likewise, we do not want to reach the end of our lives with dreams we did not pur-sue, saying 'If only I ...' If I had said no to the Highlands Career Institute at SFSC three years ago, I would not be standing here in front of you having earned two occupational certificates and a college-credit certificate. And I'll earn my high school diploma on May 19. I would never have accomplished so many

things." The college conferred the BAS-SM on 12 graduates, the

BSN program graduated 18 students, and the BSEE pro-gram nine students. SFSC awarded AA degrees to 185 and AS degrees to 68 students. College-credit certificates, occupational certificates or applied technology diplomas

went to 172 students, with another 20 earning their Florida High School diplomas. Michelle Macbeth, Spanish instructor, served as mace bearer and chief marshal for

this year's commencement ceremony. Marshals were Elizabeth Andrews, Davida Austin, Tom Bush, Brian Bohlman, Ashtanel Castillo, Courtney Green, Robert Hampton, Lorri Jaques, Dr. Theresa James, Cynthia Kinser, Dr. Maday Leon, Claire Miller, Tasha Morales, Asena Mott, Ricardo Pantoja, Lena Phelps, Daisy Ramirez

and Joshua Wood.

Letter To The Editor

Hardee Disposal Company Found Keys In Garbage Can

Dear Editor:

Can you please put a "Thank you!" In the paper for county workers who keep us cleaned up and orderly. Good folk who do their jobs and are honest and dependable. At the moment I am most aware of the sanitation workers. The experience below took place last week, and you can see why they got a special thanks and a package of brownies on the next pick-up day.

It's 7:15 a.m. and there's a knock at the front door. Who's there but a man in a bright green/vellow vest holding out a set of keys, asking if they belong to me. Didn't take long to ID them by sight! And at this point I recognize the fellow as one of our garbage men so I have to ask, "Where did you find those?" "In your

garbage can!" he says. I had misplaced a set of keys and had been checking each room, each pocketbook, each pair of slacks, and the car for a week. I had decided the night before that the time had run out on finding those keys, and here they were!

The sanitation man had dumped our garbage can into the truck when he saw a set of keys. Following through, he checked the trigger on the key and sure enough that made the lights of the car in the driveway light up. That's why he asked, "Are these your keys?" I have not the faintest idea how the keys found their way to the garbage can, but I am very thankful for the man who found and returned them Margaret Blanco

The Wauchula Garden Club held its April meeting at Paynes Creek Historic State Park in Bowling Green, along Pavnes Creek where it empties into Peace River. Park Ranger Adam Dunham (above) told picnicking club members about all the 400-acre park offers: nature trails for hiking; river sports such as canoeing, kayaking and fishing; primitive camping; picnic pavil-ions; playground; and a museum on 19th century pioneers and Seminole Indians. The park encompasses the site of Fort Chokonikla, which was established in 1849 as a result of friction between white settlers and Seminole Indians. This coming Wednesday's meeting will be the club's last of the season, and will be held at the Garden Center building at 131 N. Eighth Ave. at 12. David Austin will speak on "Making and Using Compost." Interested persons are welcome.

OLD FLORIDA EXHIBIT

A new exhibit, "Little Slices of Heaven on U.S. 27," is being presented May 16-June 15 at the Museum of Florida Art & Culture at South Florida State College in Avon Park. Funded in part by a grant through the Endowment for the Arts, "Little Slices of Heaven on U.S. 27" features destinations and attractions which existed from 1934 to 1970. It is a trip through bygone Florida via photos, videos, memorabilia, artifacts and art. It focuses on the unique, and sometimes quirky, tourist attractions that de-veloped following the construction of U.S. Highway 27, which runs almost 500 miles down the middle of the state from Tallahassee to Miami. Nicknamed the "Backbone of Florida," U.S. 27 served as the state's principal highway before the construction of interstates brought new visitors to Florida's less traveled area. The museum is open to the public Wednesday-Friday, 12:30-4:30 p.m.

ABOUT...

Fort Green News By Rilla Cooper 773-6710 Greetings from Fort Green!

What a Homecoming service we had at Fort Green Baptist last Sunday! The music was the best ever, as the choir had really practiced some of the old songs of faith. Then Gum Creek Quartet sang their hearts out, and Greg Rawls with the Fort Green Quartet is unbeatable.

Brother Steve preached a good sermon. It is always great to see some of the home folks who have moved away come back to celebrate this special

day. Carol Wood from Land O' Lakes came over to make a cookbook purchase, but said this Homecoming service was the type she remembered from her childhood. She said she attends a large church and there is just nothing like a small country church. If she didn't live so far away, she would come every Sunday!

To make it a little more special, Christopher Tollison was baptized at the beginning of the service.

We have been having a con-test at church called "drop a dime." The money goes for postage on our Operation Shoebox Ministry. Dollene Fields heads this up every year, and she said the entire church had collected more than \$1,200, so she and Joe are preparing breakfast for everyone next Sunday morning, which is Mother's Day.

Breakfast will be served at 9 a.m. All you members, make sure and get up a little earlier. You won't have to cook at home!

Every Mother's Day there is no evening service.

There was an old tradition, in Georgia at least, where you picked a flower from your yard and wore it to church on Mother's Day. You wore a red flower if your mother was alive and if she had already made her final journey, you wore a white flower. Thankfully, every year I have the proper colors growing in my yard, if I can get my daughter and granddaughter to partici-pate. Sherman and I will wear white.

Sometime back Hazel Farwell called me wanting to know the name of the one-day governor. I was at a meeting and Dan Smith told me, he was actually governor for three days and his name was Mr. Mixon.

The annual 4-H banquet will be this Thursday. The club members are awarded special medals, certificates, etc. at this event. It is always a fun and rewarding time.

Our sincere sympathy is extended to the family of Bret Pierstorff on the home-going of his older sister. She was only 52, which is young to make that final journey. She lived in Alabama. Punk Albritton returned to

the Sarasota hospital last week. Sherman talked to Margie and she said he might get to come home this week. One thing I still can cook fairly well is okra patties, and Punk loves them. I had planned on cooking for him and just went ahead and made them for our meal at church. Used to, everyone loved them and I never had any leftovers. Some of the older crowd is already gone so Sher-man was glad we had some leftovers!

I heard Cindy Williams was back in the Sarasota hospital. Please pray for her and Punk and others you may be aware of who need prayer.

I mentioned my wild petunias in last week's column. Mary Lois Crawley also has them but she said Leonard digs up the ones growing in the yard where he would mow and plants them with the ones not in the way. I used to be able to do that, but for some reason this year, any I dug up and replanted died.

Our two homes are the only ones that evidently have the right type of soil. She said her purple ones were beautiful this year. They come up in a variety of colors, lavender, white and then white with a purple stripe! Most anyone who shops at

Winn-Dixie probably received a letter from their Plenti program advising they were dis-continuing it and any points should be redeemed by July 10. Of course, they are going to start another program!

Most of you remember when you sometimes could get free dishes for spending so much money at the grocery store. With the high cost of groceries now, any of us could get a 12-piece place setting in a month!

Happy Mother's Day wishes to each of you. You Mother's Day who still have a living mother, let her know how important she is to you. There was a good article by Irma someone that said she wished she had used the good china more often, burned the beautiful candles and lived life to the fullest rather than saving things for later!

Please pray for each other and our nation.

Town of Zolfo Springs, Florida **First Public Hearing Notice**

The Town of Zolfo Springs is considering applying to the Florida Department of Economic Opportunity for a FFY 2017 Small Cities Community Development Block Grant (CDBG). The Town is eligible to apply for up to \$700,000 in the neighborhood revi-talization, commercial revitalization and housing rehabilitation categories and up to \$1.5 million in the economic development category. Construction activities funded through the CDBG Program must meet one of the following National Objectives:

1. Provide benefit to low- and moderate-income persons;

Prevent or eliminate slum or blight conditions; or

3. Meet a need of recent origin having a particular urgency.

The types of activities that CDBG funds may be used for include constructing stormwater ponds, paving roads and sidewalks, installing sewer and water lines, building a community center or park, making improvements to a sewage treatment plant, and rehabilitating low-income homes. Additional information regarding the range of activities that could be funded will be provided at the public hearing.

In developing a CDBG application, the Town of Zolfo Springs must plan to minimize displacement of persons as a result of the activities. In addition, the Town of Zolfo Springs is required to develop a plan to assist displaced persons.

The public hearing to receive citizen views concerning the community's economic and community development needs will be held at the Granger/Recreation Building which is the White building next to main parking lot at Pioneer Park. The address for the public hearing is 2828 Pioneer Blvd, Zolfo Springs, FL 33890. The public hearing will be held on Tuesday, May 22, 2018 at 6:00 p.m. For information concerning the public hearing contact Linda Roberson, Town Manager, P.O. Box 162, Zolfo Springs, FL 23800.0160 ac hur hoppe at (962) 275, 0405 33890-0162 or by phone at (863) 735-0405.

The public hearing is being conducted in a handicapped accessible location. Any handicapped person requiring an interpreter for the hearing impaired or the visually impaired should contact Linda Roberson at least five calendar days prior to the meet ing and an interpreter will be provided. Any non-English speaking person wishing to attend the public hearing should contact Linda Roberson at least five calendar days prior to the meeting and a language interpreter will be provided. To access a Telecom munication Device for Deaf Persons (TDD) please call (800) 955-8771. Any handi capped person requiring special accommodation at this meeting should contact Linda Roberson at least five calendar days prior to the meeting.

A Fair Housing Workshop designed for the general public, property owners, housing professionals, and local elected officials will be conducted immediately after the public hearing on the same date and at the same location.

THE TOWN OF ZOLFO SPRINGS IS AN EQUAL OPPORTUNITY EMPLOYMENT, HANDICAP ACCESSIBLE AND FAIR HOUSING JURISDICTION AND SUPPORTS THE EMPLOYMENT OF SECTION 3 & W/MBE PERSONS.

Peavy's Ponderings By Jonell Peavy Sugar Possum of the late Truman Thomas

Some times when I first get up in the morning I just sit here in my chair and let my mind wander wherever it may. This morning I was thinking of a time when life was so much simpler.

No, we didn't have all the conveniences we have today, but we didn't know about them. Therefore, we didn't miss them. I can remember helping Mama hang the clothes on a

clothesline after she had washed and rinsed the clothes in metal wash tubs, after scrubbing them on a scrub board to get them clean.

We didn't have electric or gas appliances or lights, but our food still got cooked on a cast-iron wood stove that was fueled by wood you had chopped by hand with an ax.

If you needed water to drink or for washing dishes or clothes you either had a well with a rope or chain attached to a bucket which you lowered by way of a pulley to bring your water up out of the well. If you were fortunate enough to have a pitcher pump, you had to keep a good supply of water on hand to prime your pump. You always had a good supply of water, it was just harder to get to it.

What would people today do if they didn't have a vehicle to get around in? When I was growing up you either walked or you hitched the wagon up to the horse, and that was your transportation for going longer distances. It was always an adventure for

us kids because we didn't go any distance from home very often. We grew just about everything we ate. All our vegetables came from the garden. We had chickens and hogs we raised for eggs and for our meat, If we wanted something different there was a creek not far from the house, so if we wanted fish all we had to do was go fishing.

Our Mama was a very resourceful lady. We didn't have all the candy and sweets the kids have today, but she would make us blackberry cobblers from the berries we picked which grew wild where we lived. She also made us tea cakes which looked like home-baked cookies, and I can still remember the smell as they came out of the oven. There was no other smell like it.

As kids we always found things to keep us busy. We didn't need the toys and gadgets the kids today have. We invented our own toys with things like empty spools, rubber bands, empty containers and anything else that our minds could conjure up.

Would I go back to that time? Yes, to some of the things like the respect the kids showed their parents and all others, and like the work ethics we taught our kids back then, back to a way of life where killings and violence were not such a way of life as they are today.

There is good in today's world, but there is so much I wish we could just wave a magic wand over and it would go away. We have to strive to do what we can to make our world a better place to live and ask God's help and guidance in everything we

Register Now For Poultry Classes

By CYNTHIA KRAHL

Of The Herald-Advocate You see them every spring. And the tiny puffy chirping

chicks are so cute. The thought of fresh eggs daily is appealing, too. So why not raise chickens in

your own backyard? Whether country or city, as long as the regulations and

covenants in your area allow it, raising chickens can be a fun, maybe even profitable, pursuit. Toward that end, the Hardee County Extension Office is of-

fering classes to help you along your way. The "Backyard Poultry

Management Mini-series" will be held for the next two Tuesday evenings, May 15 and May 22, at the Extension Office at 507 Civic Center Dr. in Wauchula.

Classes will run from 6 to 8:30 p.m. each night, and will include a meal and necessary study materials.

Cost is \$15 for one session or \$25 for both sessions

The May 15 agenda is jampacked with valuable information for those just starting out or those already collecting eggs and spreading feed. Topics include "Starting &

Growing the Home Flock," "Poultry Nutrition" and "Vaccines & Poultry Health Management.

On May 22, learn about "Troubleshooting Egg Production," "Complying with State Regulations" and "Coop Construction & Predator Protection.

It all, the latest information and tips, comes from the ex-perts at the University of Florida's Institute of Food & Agricultural Sciences Extension Service.

Don't miss out. You'll have to act fast, as registration closes tomorrow (Friday). 773-2164 or email Call
