## ProLiant Golden Offer

CEE  
January 2016

**Hewlett Packard**  
Enterprise

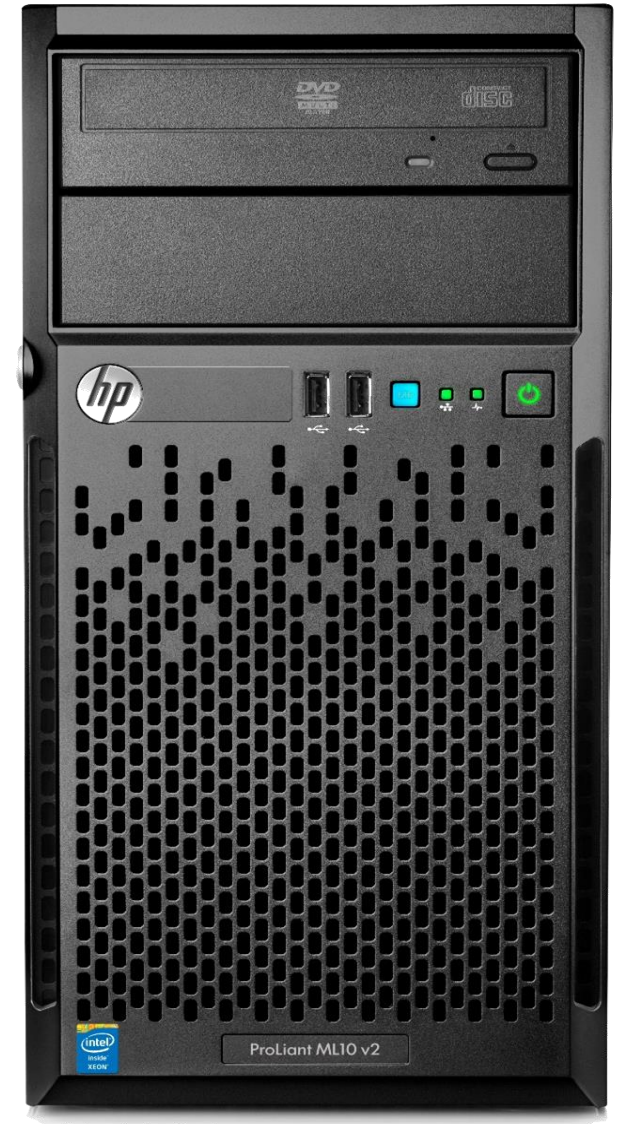

**Welcome to this month's update!**

## What Is Golden Offer?

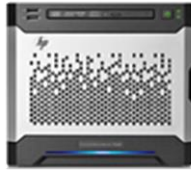

Golden Offer is a promotional program from HPE, providing a wide range of best-selling predefined configurations across Tower, Rack and Blade servers all at a competitive price. The Golden Offer roadmap is refreshed every month with new products, new configurations and pricing to ensure that HPE is providing you the latest products with the best configurations at a competitive price point.

## New For This Month

- HPE ML30 Gen9 E3-1220v5 EU Svr/GO (831068-425)
- HPE DL20 Gen9 E3-1230v5 NHP EU Svr/GO (830702-425)

If you would like to learn more about Golden Offer please contact your local HPE representative.

### MicroServer Gen8

The HPE ProLiant MicroServer Gen8 is a small, quiet, and stylishly designed server that is ideal as a first server solution for small businesses. With a form factor that is easy-to-use and service, it helps small businesses drive down their expenses while improving productivity, efficiency, and security.
