<b>Introduction</b>	<b>1</b>
<b>Technology Services</b>	<b>4</b>

Welcome to the HP Product Guide. The latest edition will ensure that you have access to a definitive and detailed guide to our world-beating product portfolio.

### Pricing Notes

Within the guide, we have quoted List Prices (LP). This will provide an indication of the typical buying price that you will pay for HP products.

Please be aware that these prices do not represent suggested retail prices. The prices quoted within this guide do not include the current rate of VAT or any other localised tax that may be applicable.

Your HP supplier will be able to provide the actual price that you will pay for all your specific requirements.

### Legal Disclaimer

HP and the HP logo are registered in the U.S. Patent and Trademark office. Other product or company names mentioned herein may be trademarks or registered trademarks of their respective companies. HP believes the information in this publication is accurate to the best of our knowledge at the time of catalogue creation and that such information is subject to change without notice. HP is not responsible for any inadvertent errors.

This document does not constitute an offer capable of acceptance and is subject to agreement of a formal contract specifying terms and conditions.

No contractual relationship shall arise until a formal contract has been concluded between the parties.

All prices exclusive of VAT or applicable local taxes.

What is Top Config?

HP's Top Config is an online build-to-customer-order program which simplifies the configuration, quote and order processes, delivering exactly the PC the customer wants at a competitive price in a reduced time.

HP's channel partners benefit from suitable availability without requiring specific in-house resources and, at the same time, achieve a better margin. The program is expanding to include corporate notebooks and industry standard servers throughout FY05.

1) Through Top Config, HP's objective is to achieve direct-like agility and operational efficiency with the reach, convenience, services and personalization of the channel.

2) HP's Top Config program means customers get products configured to match their needs with the serviceability and reliability associated with using their trusted HP partners ? at a highly competitive price and with fast turnaround time.

3) Top Config is one of our key channel go-to-market drivers.

Whilst it boasts direct-like agility, all orders are through our channel partners. Top Config is a key differentiator HP and our partners can bring to customers.

Value for Customer

? Configuration I want

? From my trusted reseller

? Competitive Pricing

? 10day SLA

### Value for Partner

- ? No Inventory
- ? On-line configuration
- ? Bundling & Up selling capabilities
- ? Lower Distribution costs

### Top Value

HP's Top Value programme offers a comprehensive line up of HP products at an upfront competitive price.

HP manages the inventory by working closely with HP Top Value partners to ensure that the great products are always in stock.

This makes Top Value a valuable tool for your customers as they can purchase a Top Value product at a competitive price and have it delivered next day!
