

# HP Color LaserJet Pro MFP M476 series

## Put total connectivity to work

This HP Color LaserJet Pro MFP connects the whole office to vibrant colour printing, even on the go<sup>1,2</sup>. See productivity improve with fast, versatile scanning that can send documents directly to email, network folders, and the cloud.

HP Color LaserJet Pro MFP M476nw

M476dw with optional 250-sheet tray

### Highlights

- 20 ppm black/20 ppm color
- Color touchscreen
- 50-sheet ADF with single pass, two-sided scanning
- LDAP support
- Touch-to-print (dw model)
- Wireless direct printing (nw, dw models)
- HP ePrint, Apple AirPrint, Mopria-certified
- Scan-to-email, -network folder, -cloud, -USB

### Print on your terms.

- Print how and where you want: easily send print jobs wirelessly without a network<sup>2</sup>.
- Enable touch-to-print convenience from mobile devices<sup>3</sup>.
- Easily print from smartphone, tablets and notebooks at work, home, or on-the-go; with HP's first Mopria-certified MFP<sup>1</sup>.
- Share all your printer has to offer – set up, print, and share with Ethernet and wireless connectivity<sup>2</sup>.

### Scan fast, and send securely.

- Save time and get more done much faster: scan two-sided documents in a single pass, with no missed pages or flipping pages.
- Control access to walk-up features and easily look up network email addresses, using LDAP connectivity.
- Scan and send; it's simple. Capture and route digital files directly to the Cloud, email, or network folders<sup>4</sup>.

### Speed up your workflow.

- Save time and help reduce paper costs, using automatic two-sided printing<sup>5</sup>.
- Work smarter – access content and print from the Cloud using business apps on the control panel<sup>4</sup>. Quickly launch tasks from the 8.9 cm colour touchscreen.
- Finish projects fast: use the 50-page automatic document feeder to save time.
- Just walk up to this MFP and print from or scan to your USB drive, using the easy-access USB port.

2 sided doc.  
feeder - 50 pages

Color laser technology

## Product walkaround

### HP Color LaserJet Pro MFP M476dw shown:

1. Flatbed scanner
2. 150-sheet output bin
3. One-door access to the preinstalled print cartridges
4. 50-sheet multipurpose tray
5. 250-sheet input tray 2
6. 50-sheet automatic document feeder with single-pass, two-sided scanning
7. 8.9 cm colour touchscreen control panel with HP business apps
8. Touch-to-print and wireless direct
9. Easy-access USB port
10. Convenient front on/off button
11. Telephone line out port
12. RJ-11 fax port
13. Built-in wireless networking
14. Fast Ethernet network port
15. Hi-Speed USB 2.0 printing port

## Footnotes

<sup>1</sup> Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See <http://www.hp.com/go/businessmobileprinting> for more details. Mopria-certified devices adhere to a common standard that enables easy mobile printing with little or no set up. Mopria is a mobile printing standard that enables easy mobile printing between Mopria certified printers and mobile device – without the need for a special app or software. Learn more at <http://www.mopria.org>.<sup>2</sup> Wireless direct printing is available only on the HP Color LaserJet Pro MFP M476nw and M476dw. Mobile device needs to be connected directly to the WiFi network of a wireless direct-capable printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer.<sup>3</sup> Touch-to-print capability is available only on the HP Color LaserJet Pro MFP M476dw. Mobile device must support near field communications-enabled printing. For a list of supported devices, see <http://www.hp.com/go/businessmobileprinting>.<sup>4</sup> Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language and agreements. For details, see <http://www.hpconnected.com>.<sup>5</sup> Automatic two-sided printing is not available on the HP Color LaserJet Pro MFP M476nw.
