

## BackBeat® FIT

Wherever you reach for your personal best, the flexible, sweat-proof Plantronics® BackBeat FIT wireless stereo headphones keep pace with you. BackBeat FIT delivers powerful audio but lets you hear your surroundings when you take it outside and has bright, reflective colors to add a measure of safety when you're out for that nighttime jog or walk. The BackBeat FIT can power a week of workouts with up to eight hours of use and 16 days on standby. The custom armband secures your smartphone and easy on-ear controls let you manage your music or calls without missing a beat.

- Stable, comfortable fit • Sweat-proof design plus P2i coating
- On-ear controls for calls and music • Use Day and Night • Smartphone Armband
- Up to 8 hours of listening time • Hibernates using DeepSleep mode
- Heart-pumping bass only pauses for calls • Wireless firmware updates with app

## BackBeat® PRO

Music makes any moment more personal. Every day, we stream our music at work, while running errands, relaxing, and even traveling. We seek refuge from a noisy world in our playlists and favorite stations. To make every moment your own, just slip on the new Plantronics BackBeat PRO stereo headphones to hear rich, lifelike audio from up to 330 feet\* away from your smartphone or tablet and control your experience using intuitive on-ear buttons and familiar-feeling dials. Immerse in your music or a movie and when a call happens to ring in, seamlessly switch connections to answer. With up to 24 continuous hours of wireless streaming power, you might need a longer playlist.

- Plantronics signature audio, open and realistic • On-demand Active Noise Canceling (ANC)
- Up to 24 hours continuous wireless streaming • Stream up to 100m/330ft from Class 1 Bluetooth® devices
- Stays charged longer using smart power management • OpenMic™ feature lets you hear your surroundings
- Automatic music play/pause when headphones are put on/removed
- Switch audio between your smartphone and tablet • Headset battery level LEDs plus on-screen meter

# ENCORE Pro500 SERIES

## EncorePro 500 Series

The Plantronics EncorePro 500 headset series is an all--new generation of customer service center headsets, designed for the future, and built on experience. Three innovative models deliver greater comfort for all-day wearing, superior noise--canceling for clearer calls, and increased reliability for conversations can continue without worry. And they'll help you meet the OSHA / Noise at Work regulations. When connected with Plantronics DA series USB adapters, you can uncover insights to make your operation run more efficiently. The EncorePro 500 series is crafted to give you the quality, power and confidence to perform – every time.

- Adjustable fit enhances all--day wearing comfort, ensuring that representatives stay fresh and engaged
- Flexible noise--canceling boom allows optimal positioning for voice clarity
- Designed for the rigors of call--intensive environments, minimizing operational disruptions and costly downtime
- Backed by industry--leading Plantronics® global service and support
- Connects to PC+Desk phone
- Premium audio from wideband voice telephony (up to 6,800 Hz), noise--canceling microphone
- SoundGuard: Acoustic limiting for protection against sounds above 118 dBA
- Limited 2-year warranty

Plantronics Device-as-a-Service (DaaS) Pro is an easy, budget friendly headset and services subscription program ideal for SMB and mid-market customers. Our program allows Cloud Service Providers to offer business-critical audio devices to their customers in simple payment plans without worrying about buying, selling or servicing them. Our scalable program helps your customers realize the full potential of their UC deployment by freeing them up to choose the right headsets for the job without significant upfront costs.

Facilitated by Plantronics care, continuity, and upgrade services, your customers will have working headsets and service levels for the life of their contract.

**For Cloud Service Providers**

**You Get:**

- A great high-value hardware and service extension to your current cloud services offerings
- A continuing revenue stream that doesn't impact your cash flow – we handle the logistics, support and financing.

**Your customers get:**

- A simple and flexible model – they pay monthly for a fixed term
- A one-stop shop facility for all their cloud service needs – from you, their trusted partner
- Access to market-leading Plantronics headset technology that they can match to their users' work styles.
