THE ELECTION. REPUBLICANS CARRY THE CITY BY 306 MAJORITY.

Citizens Utterly Failed in the City Election Which Was Held Tuesday.

MAYOR ELECTED BY 306 AND CITY JUDGE BY 517.

CITIZENS ELECTED A CONSTABLE AND A JUSTICE OF THE PEACE IN THE FOURTH WARD.

The Vote Was Large Enough to Show that the Result Was the Will of the People—Next Council Will Consist of Seven Republicans and Four Citizens.

The Citizens' movement failed in the accomplishment of its purpose. The municipal election was held Tuesday and the Independent Citizens' did not exert the control of the city government from the hands of the Republicans...

The Republican ticket was carried to victory by over 300 majority. George W. Rockefeller was elected Mayor by 306 majority. Councilman William H. Bunyon's majority for the City Judgeship was 517.

The Common Council for 1899 will be Republican. All the four Republican candidates for the ward Councilmen, Ralph I. Tolles, George P. Mellick, Frank Corbell and Frank E. Smith, were elected by majorities varying from 185 to 66.

STORY OF THE ELECTION.

The Citizens Failed to Show up Their Expected Strength and Were Defeated.

It was admitted early in the campaign that the Fourth ward would be the fiercest struggle and so it was. The Citizens were confident of carrying it and hoped for a big majority from there with which to overcome the Republican lead.

The Third ward was considered the Republican stronghold and the Citizens' efforts were directed toward outgirding down the majority there as far as possible.

Last year the Citizens elected their Councilman in the Second ward and they were hopeful for another success this year. It failed to materialize and the Republicans carried the ward by a majority of over 125.

The First ward was somewhat doubtful, but it fell into line and gave the Republican candidates a small majority in the neighborhood of fifty votes.

The big majorities in the Second and Third wards insured the election of the G. O. P. men. As soon as the returns made it evident that both those wards were strongly Republican, it was a question of how high up the majorities would run. The close finishes in both First and Fourth wards kept up the only hopes of the Citizens for victory.

Outside of the Fourth ward the Republican forces swept clean. In that ward the Citizens made a strong fight over Justice of the Peace and Constable, and the Citizens' candidates for the two offices, Adam Young and Peter Y. Weaver, were elected by majorities of 17 and 82 respectively.

Particular stress was laid in all the wards on the contests for the seats in the Common Council. R. I. Tolles, a former Councilman, was the Republican candidate in the First ward, and J. C. Blum, candidate for Councilman-at-large on the Citizens' ticket last year, was the choice of that party.

Thomas made an exceptionally good run and ran away with it by a large margin. In the Second ward George P. Mellick was somewhat behind the Republican ticket on which he was the candidate. Most of the faction that worked against his nomination at the primary turned out and supported him loyally.

despite the efforts of the Citizens. There was little doubt in the Third ward about the candidacy of B. Frank Corbell. He was a little behind his ticket, but he is a comfortable majority of 138.

The Republicans controled their strength in the Fourth ward on Frank E. Smith, their candidate for the C. Council. He left his ticket far behind and defeated his opponent, James Davis, a Democrat, in every district in the ward.

George W. Rockefeller made a good run for Mayor. While he was cut in some instances, he did not fall far behind his ticket. Councilman William H. Bunyon made the greatest run of the day. He was the only Republican candidate, beside Councilman Ed Smith, who carried the Fourth ward, where his majority was 51. In all, he ran nearly 100 ahead of his ticket.

James A. Martin, Republican candidate for Collector, made a good show, keeping a little in advance of his ticket.

It was recognized that the weakest point on the Republican ticket was in the candidate for School Trustee. While nobody questioned the integrity and ability of Rev. Dr. W. R. Richards, there were many that opposed him on the ground that citizens should not enter politics. While his name was scratched all over the city, the result was only to reduce his majority some 100 votes.

AT HEADQUARTERS.

Republican Leaders Were Confident of the Result From the Start.

The Republicans were undoubtedly better organized in Tuesday's election than the opposition. The experience of past years served the G. O. P. machine in good stead and its workers conducted the campaign in great shape. The Citizens' had workers and carriages but lacked the systematic methods of their Republican rivals.

While campaign headquarters were established in every election district by the Republicans, the headquarters for the leaders was in the City Clerk's office. The Citizens' met wherever they happened to be although the stores of E. M. Levin on Park avenue and the L. F. Collins of W. S. Anglin were the leading congregating places on the start. The day before, the conservative leaders had placed their majority at 309 and predicted victory. The Citizens' were not quite so sure but were of the opinion that they would divide the honors.

As the Roger Murray system of tallying was used in most of the wards the returns came in far earlier than usual. At 9:30 o'clock it was evident that the Citizens would have to roll up a big majority in the Fourth ward to win. When the returns from the Second and Third wards were received and the way in which the tickets were run at the First ward polls, the election of all the city ticket was conceded by all. That was by 11 o'clock. Until the returns were all in, however, the Citizens were loath to believe that they had not captured the Fourth ward Councilman.

There were great times up in the City Clerk's office as the evening wore away. Faces began to expand into smiles and eyes to sparkle in the hands of his neighbor. Then John Keeley started a subscription to get out the drum corps. All joined in and soon after Assemblyman Roger F. Murray established the long line of politicians who participated, leaving the City Clerk's office to the waiting reporters.

As the Roger Murray system of tallying was used in most of the wards the returns came in far earlier than usual. At 9:30 o'clock it was evident that the Citizens would have to roll up a big majority in the Fourth ward to win.

FIRST WARD, 1ST DISTRICT.

Two Ballots Less Than Number Reported at the State Election.

A quiet election was reported in the First District of the Fourth ward. The vote at the state election last month. Eight of the ballots were rejected. The Republican ticket ran very even with a slight increase for Mr. Tolles for Councilman.

FIRST WARD, 2d DISTRICT.

Pastors Were Freely Used and a General Mixup was the Result.

Although the vote was not quite as was expected, the Second district of the First ward had a good turnout, 165 votes being cast. The showing was greater than at the State election last month. Everything was quiet East-Second street, beyond Richmond street. Both parties had workers at the polls all day, but the Republicans were the more numerous.

Pastors were freely used, and the result was a general mixup. The vote at the State election was cut on the Republican ticket in many cases. It was expected that the district would give him a small majority. Instead, it gave Ludwig a majority of 98.

John Ludwig made a strong run for City Judge and carried the district by a vote of 185 to 87.

SECOND WARD, 1st DISTRICT.

Trouble Between Special Officer and a Citizen Worker at the Polls.

The First District of the Second Ward had a little excitement to break the monotony of the election. Special Officer Dennis Carney was the officer detailed to the polling place, and he had all sorts of adventures with several of the workers for the Citizens' ticket. First he cautioned J. E. Mills he said he was giving out tickets in the hundred yard line. Next he ran afoul of John Venable, a colored worker for the Citizens' ticket.

Carney claimed that Venable was working inside the very room where the booths were. He ordered him out and then tried to prevent him from working inside the hundred foot limit. Venable pushed the officer back and Carney lifted his club to strike. A fight seemed imminent but the cooler heads prevailed and trouble was averted. Carney was advised to have Venable arrested, but finally did nothing about it.

The Citizens' leaders had looked to the district to make the showing that it did last year for their ticket. The G. O. P. men were pretty confident, however, and carried away with the same majority for the Republican ticket. The colored vote was unusually light this year, but the Republicans polled most of those who did come.

There were 435 ballots cast, of which 5 were rejected. Of the number 338 were Republican tickets. W. N. Bunyon ran 15 ahead of his ticket, while Dr. Richards was 6 behind. Mr. Mellick in the fight for Councilman lost 10 of the Republican votes. Mr. Mills gained correspondingly, but not enough to make any appreciable difference in the final result in the ward.

Mr. Mellick went to New York and a great variety of dolls for Christmas gifts, at the exchange for woman's work, 508 Park avenue. Sales commences Friday of this week.

SECOND WARD, 2d DISTRICT.

C. H. Hand Objected to Councilman Van Herwerden's Vote on Opening His Ward to Citizens.

Open hostilities between Councilman John Van Herwerden and Assessor Charles E. Hand marked the election in the Second District of the Second Ward. A letter was sent to election officers of that district by Mr. Hand stating that Councilman Van Herwerden and son, Councilman John Van Herwerden, of South avenue, had been born in an European country and that it was Mr. Hand's belief that they had never been naturalized. He therefore protested against the voting and said that he thought that it would be required to prove their eligibility to vote.

When the elder Van Herwerden came to vote, the letter was brought up and Mr. Van Herwerden swore in his vote without comment. The Councilman by that name went to the polling place in the afternoon at 4 o'clock. He asked if the election officers believed the charge and all but one said no. Nobody could tell whether a vote had been cast by the name of Hand. While it was being discussed, Herzhik Hand, one of the Committee for the Citizens' party, announced that he would challenge Mr. Van Herwerden if he had not been naturalized, he said. Councilman Van Herwerden's vote was sworn in.

The vote in the district was not particularly large, only 146 votes being cast. Of these, 74 went to Republican and 62 to Citizens. Comparatively few pasters were used. Bunyon ran ahead of his ticket and Mr. Mellick gained 5. There was no disposition to cut the name of Dr. Richards.

Herzhik Hand challenged several votes on account of their age but there was little else happening in the district.

THIRD WARD, 1ST DISTRICT.

Republican Efforts Gave Their Ticket a Large Majority—One Man Challenged.

The election in the First district of the Third ward passed off without incident. The vote was heavy and the Republicans backed up a large majority for their ticket. There were 423 ballots cast. The Republican ticket ran well together with the exception of Mr. Richards.

Herzhik Hand challenged several votes on account of their age but there was little else happening in the district.

Only a few more days before Christmas and as it draws nearer the great contest of efforts to reduce the question of what to buy is usually answered as such an array of holiday goods has never before been shown in Plainfield.

PLIGHT OF POOR WOMEN.

WITHOUT A HOME AND CANNOT SPEAK ENGLISH LA. GAUGE.

Through an interpreter it is learned that Mrs. Elizabeth Dine had written a letter to the editor of the Daily Press asking for help. She is a Syrian woman and baby was found in this city in a helpless condition, and unable to talk any language but her own. Mrs. Dine is interested in charity work and she and her little one were soon objects of pity. Every effort to secure an interpreter was made, but without success until yesterday, when through the efforts of Mayor Flisk, a Syrian was secured from the Syrian mission in Philadelphia, who is known to Mr. and Mrs. Flisk, was induced to come to Plainfield and talk with the woman. When the woman met the carrier of her country her face lighted up and she expressed joy beyond measure. The two talked together and a sad and interesting story was learned.

It appeared that her name is Mrs. Mary Abraham, and that she and her husband left their native country to come here and make a sufficient amount of money to assist aged parents at home. When four days out on the water the husband died, leaving the wife alone and among entire strangers. When she arrived in this country she wandered about and finally reached Elizabeth. From there she came to the city, having 10 cents she rode from there to this city. During her stay here she has been stopping at the Industrial Home. She says that her husband died in the city and that she arrived in this country the baby was born.

When considering the desirability of sending the woman and her baby home it was decided that it would be inexpedient. She would be indebted for debt, according to the customs of her country, for not taking care of her parents, and life would be made a drudge for her. According to another custom of the country when a woman's husband dies she takes his first name for her last name. In this case her name would be Mary George. She is a highly interesting woman and appears thoroughly all that has been done for her. Mrs. W. A. Woodruff, the agent of the Organized Aid Association, has made every effort to make things as comfortable as possible for the woman and her child and to secure for her a permanent home. Her inquiry will be made into Mrs. Abraham's history.

More Power for the Press. An Electric Motor to be Established in That Office.

Patsy Christmas, the contractor, started work on the new printing trench from The Daily Press office, to Park avenue, in which will be placed conduits for electric light wires. These wires will be run into the press room through the ceiling of the building, furnishing m-r-tive power to run the press-high prints this paper. This improvement is one that will be greatly appreciated for it will place the press in the hands of every patron at an early hour.

LIVES AT SOUTH STERLING CLAIMS WM. DARBY DEPARTED WITH HIS PRO-ERTY.

Overmont, P. of Home, Watch Cash Had to be Missing—County Authorities Here Told to Know the Case of a Woman's Property.

Nearly a month ago William Brokaw claims to have been victimized by the man he attempted to befriend. It happened near South Sterling. The county authorities tried to keep it quiet, but the facts have leaked out and are now being discussed by many of the Somerset county farmers.

William Brokaw lives in a little hut near South Sterling. He is a bachelor and looks after himself in his tight shod. He is a farm hand and fits to work wherever he can without having any steady employer. He has known William Darby for several years. They have worked together many times. It was about a month ago when Darby came to Brokaw and told him how he couldn't find work and was without a place to lay his head.

Darby had been partaking of Brokaw's humble store for nearly a week, and later says, when Brokaw was out one day to attend to his horse, Darby remained at the hut. When the proprietor returned his guest had disappeared and so had an overcoat, a pair of boots, a silver watch and chain and a few dollars. Brokaw was at the facility of human nature in general and Darby in particular.

Darby wasn't seen in that neighborhood since. A warrant was immediately issued by Justice Austin, of Warrenville, for the apprehension of the departed Darby and the constables have been looking for the missing man ever since. Meanwhile, Brokaw says that he is not going to play the good Samaritan again.

Several years ago, Darby was in Washingtonville and was sent by Miss Wilson to collect a bill of \$18 from the store of John D. Darby. It was said, disappeared and was seen no more for a year, then Darby, minus the \$18, returned.

ENDAVOR SOCIABLE.

Games and Music Furnished a Very Pleasant Evening.

Last Tuesday at Hope chapel the members of the Christian Endeavor Society and their friends enjoyed a social and entertainment at the chapel. The affair was arranged by Miss Mabel Frimbrook, Al-r-z, Miss Conner, Miss Mason, Miss Cynn, Miss Porter, Miss Maggie Porter, Mr. Myers, John Evans and Wm Handletter, the social committee from the society. There was a large attendance of members and friends. A profitable evening was passed in playing all sorts of games, and in listening to several pleasing piano selections by Miss Laura Ayres. During the evening social and religious talks were given and after a social time, the happy affair terminated.

COUNTY TROLLEY IS CONSTITUTIONAL. Supreme Court's Important Decision Monday.

EVERY POINT RAISED BY OBJECTORS NOT WELL TAKEN.

Justice Collins Says That the Squire Act Does Not Create a Special Class of Counties—Doubt of Application for Writs of Certiorari Removes All Hurdles to County's Starting Work.

Trenton, Dec. 6.—The Supreme Court, in an opinion yesterday, decided the Squire Trolley Law to be constitutional, knocking out every objection to the trolley.

The opinion filed was prepared by Justice Collins, and denies the application for writs of certiorari removing to the Supreme Court the process of the construction of a trolley on Westfield avenue, between Elizabeth and Plainfield.

The opinion goes into a lengthy argument of the legal points involved, and is considered as a landmark case.

Another of the points raised was that the statute, in providing for condemnation proceedings, directed the commissioners to take into account the benefits conferred by the improvement on the remainder of any lot or tract of land partly taken.

The court then turned to the question of the right of eminent domain, and held that the trolley was a public use.

The resolution of the Union County Board of Freeholders authorizing the improvement was attacked because it did not comply with the provisions of the act.

It will be time enough for such objections to be taken to the resolution of the board.

The resolution was further attacked on the ground that it did not give information of the matters to be stated in the propositions to be submitted to the voters.

contract. "The county has ample power to provide for the construction of the railroad and if it does so by contract, even with a corporation having other wise no authority to operate it, the railroad will not be a nuisance, and no private right of any land owner will be invaded."

Justice Collins concludes by saying: "In the case in hand it is evident that the contract with the railroad company is beneficial to the county and cannot lead to increased taxation."

Elizabeth, Dec. 6.—The commission approved to continue land along the north side of Westfield avenue from Elizabeth to Cranford, for the purpose of building a county boulevard has completed its labor, and on Friday morning returned to the county house to Judge VanSlykel, Ex-Senator Frederick C. Marsh, is chairman of the commission.

Mr. George Wharton Edwards. A BRILLIANT TALENT. One of the most brilliant talents of the city was seen Saturday afternoon by Mrs. George Wharton Edwards, of Franklin place, in honor of her guests, Mrs. Eaton A. Edwards, of Washington, D. C. A number of prominent women of Plainfield were present.

The rooms were decorated in pink, a profusion of pink roses being scattered about. In the Flemish dining-room, where Mr. Louis G. Timpon was the guest of honor, the lights were shades on the lights made a soft rosy glow that contrasted pleasantly with the gloomy day out-of-doors.

Mr. MacLaughlin offered several resolutions which provided for the settlement by the committee on assessments and taxation of several tax amounts, some of which were not collectible and some had been paid in part.

Mr. Rogers stated that on January 1st next the contract between the borough and the Plainfield Gas and Electric Light Company for five years would expire.

Mr. MacLaughlin offered a resolution that after January 1st next that the borough collector allow 10 per cent interest on the tax for 1906 for a loan of \$4,500 for one month, to be charged to borough account.

BOY BURGLAR HELPED HIMSELF TO CLOTHING.

Visited Harry Warner's Establishment Sunday. LEFT RUBBER OVERCOAT.

The Thief Turned the Stock Over and Left Everything in Disorder. Mr. Warner Will Not Be Able to Discover Exactly What Was Taken Until he Takes Account of Stock.

The unbidden guest, however he was, was evidently called at dusk upon by the burglar. He did not know the burglar, and only those who had to brave the rain and wind. Entrance was gained through one of the back windows. Part of a broken wagon shaft, painted yellow and black, was used to pry open the door.

This morning, Mr. Warner and his son, Mr. Edman, checked the stock books. They saw the open bill and hastened to investigate. A glance showed that the usually orderly piles of overcoats and clothing were in a state of confusion.

Mr. Warner called the police to the scene. The burglar was seen to enter the store through the back door. The burglar was seen to enter the store through the back door.

WILD STEER LOOSE IN THE MOUNTAINS.

Escaped From Newark Stock Yards a Month Ago. HE WAS ONCE WOUNDED.

At Lincoln some forty-five deer were on Cedar Lane were blown over by the storm. Six miles of the main line of the Western Union Telegraph Company were also blown over at the same time.

The heavy wind Sunday evening uprooted a large tree on East Third street, near the old oil cloths works. In the borough many fences and trees were blown down by the great gale.

Death of Hans Schultz, Who Expected to Go to his Native Home. Saturday last occurred the death of Hans Schultz, a well-known character about town, who was 62 years of age and had lived in this State for seventeen years.

There was found in Mr. Schultz's clothes a letter from a steamship company in New York, which states that his brother in Denmark recently sent a check for \$1000 to him.

The wild steer is still at large, despite the efforts of the stockyard men to capture it. It was seen to enter the store through the back door.

FIRE BUGS WERE SUCCESSFUL AT LAST.

After Many Attempts They Destroyed Reid's Barn. THE HORSES WERE SAVED. RESCUERS WERE TOO BUSY TO BEND IN ALARM.

John Reid has come Friday they succeeded in getting away. They have been trying to do for several months, burn down the barn in the rear of his residence on Leland avenue.

There is a little settlement at the corner of Leland and Berkeley avenues. Besides Mr. Smith, there are several other residents. David Hand and Henry Reid. They were all aroused by the screams of "fire" and hurried to the scene of the conflagration.

They had been working at it for some time, but they were too busy to bend in alarm. The fire was seen to enter the store through the back door.

PLAINFIELD BOYS PLAY BASKET BALL.

Second Match for Local Y. M. C. A. Championship. THE B TEAM WON GAME. THEY PLAYED WELL AND WON BY SCORE OF 14 TO 2.

The B boys have now won two games and lost none. Last night's game between regular team men on opposite sides was even. Other boys have done well. The line up...

The second match for the basket ball championship of the Plainfield Y. M. C. A. was played last Friday in the Y. M. C. A. gymnasium. The team known as the B team found no difficulty in defeating their antagonists of the C team by a score of 14 to 2.

Both teams are composed of members of the association with two of the first team on each to coach the others and give them the benefit of their training.

The pasting was fair and good throwing, except on the part of Moraller, not particularly accurate.

The Young Women's Mission Band of Trinity Reformed church held an interesting program last night.

The many personal friends of Mrs. Julia Warf, of Boston, and friends of her daughter, Mrs. Florence Howe Hall, of Madison avenue, were interested in the announcement made by Houghton, Mifflin & Co. in their holiday calendar, that Mrs. Howe has gathered a volume of her poems under the suggestive title of 'FROM SUNSET RIDGE.'

Six-year-old Joseph Walls, of Essex street, was treated to a surprise party yesterday afternoon to celebrate his birthday. The surprise was arranged by Miss Hattie Walls and Willie Little, and all had a very pleasant time.

Refreshments were served about 5 o'clock and the party was broken up at 7 o'clock. The guests included Mrs. Julia Warf, of Boston, and friends of her daughter, Mrs. Florence Howe Hall, of Madison avenue.

GHATTED AND SIPPED TEA AND INCIDENTALLY ASSISTED TREASURY OF WOMAN'S EXCHANGE.

The guild room of Grace P. E. church was the centre of attraction Thursday afternoon from 3 to 6 o'clock, when the members of the Plainfield Women's Exchange gave a social tea and sale of cakes, fancy articles and dainties.

The tea was served during the afternoon hours who poured were Mrs. George H. Hastings, Mrs. George H. Hastings and Mrs. Thomas Minford. They were assisted by Miss Stephanie Krom, Miss Maude VanBoekere, Miss Lizzie VanBoekere, Miss Minnie VanBoekere and Miss Clara Finley as waitresses.

Mrs. Howard Tracy had charge of the fancy work and she was assisted by several members of the exchange. The department of dainties were in charge of Mrs. George H. Hastings, assisted by Miss Yerkies, Miss Bolos and Mrs. Craig A. Marsh.

Those present availed themselves of the opportunity to purchase articles and they held the exchange during the afternoon, the president, Mrs. O. T. Worling, gave an informal talk of the exchange for the past six months. The amount of the money received from all sources was read as follows: Fancy work, \$339.36; preserves, \$43.82; pies, cakes and bread, \$1,700.00; total amount, \$2,493.24.

This report is considered to be an excellent one, inasmuch as it represents the dullest part of the year, February 1st to August 31st. The total amount of the money received during the past four months has doubled the figures given above, and in the other departments greater things are expected.

A program was rendered during the evening at the church. It opened with a vocal solo by Mrs. E. T. Douglas. Then followed a violin solo by Clarence Mills, accompanied by Miss Gertrude Sharp. Miss Susie Lewis recited several selections from the 'Sunset Ridge.' After another solo by Mrs. E. T. Douglas, it was announced that J. W. Jackson would give a solo and the audience was requested to join in the chorus.

Refreshments were served at the close of the program. The annual meeting of the Reform Club was held Thursday at which officers were elected as follows for the coming year: President, William C. Spodgrass, chairman; Mrs. D. E. Davis, Mrs. L. M. Whitney, Mrs. Charles H. Lyman, Mrs. N. M. Pike, Mrs. L. M. Pike, Mrs. L. M. Pike.

There was a discussion on organizing a committee of ladies to assist in the work of the club. Mr. Smith said that a meeting was just what it cost the club to heat and light the hall, and that they could not afford to run it out for a couple of months.

MANY BRAVES JOIN MANTONOMO TRIBE.

One Hundred and Fifteen Young Men Adopted. ALL RECORDS ARE BROKEN. GREAT GATHERING OF RED MEN AT MEETING FRIDAY NIGHT.

There were so many candidates that the adopted figure could not be worked on them. All-True was elected. There was a collection followed afterwards. Friday was a memorable one in the history of the Red Men of Plainfield. Mantonomo Tribe held a meeting at which nearly doubled its membership. One hundred and twenty five pale-faces were entitled to become wild and woolly Red Men and one hundred and fifteen of that number were present and were converted into members of the tribe.

At present, plain geometry is only taught in the Senior year. Solid geometry and trigonometry have not been taught in the modern High School course. Both of these latter subjects are considered part of the regular instruction and it will probably only be a matter of a few months before they will be included in the curriculum of the High School.

The increase is the largest ever made at one meeting in the history of the order in New Jersey. There are four other tribes in the county, of which, who can boast such a record. It was simply impossible to perform the adoption ceremonies on all the candidates, so two were selected from among the many who volunteered, and the regular adoption team went through the work with characteristic thoroughness and excellence.

The adoption degree team was composed of the following: Sachem, William A. Westphal; second sash, Joseph Johnson; prophet, sagamore, David O. Allen; prophet, Andrew J. Bridgier; first sash, Joseph Newman; second sash, John Green; first sash, Charles Holden; second sash, George Houseman; first warrior, William Staats; second warrior, Fred Sawden; third warrior, Harry Frevier; fourth warrior, Louis Alpaugh; first warrior, Walter E. Brown; second warrior, David Morning; third brave, Charles Fulmer; fourth brave, Edward Vail; guard of the wigwam, N. C. Mague; chief medicine man and chief of the council, Robert C. Blinn; and the chief medicine man and rite maker, Peter C. Blinn and John Cashman.

In addition to the candidates, there were 140 Red Men present from the home tribe and from Pangnoughnough and Indianola tribes. After the adoption ceremonies, a collation was served by Miss Hostess. The program was presided over by Mrs. G. Sagamore Smyth, of Long Branch, Great Junior Sagamore William Newborn and Senior Sagamore V. W. Nash.

At the meeting of Columbus Lodge, A. O. U. W., Friday, two new members were initiated. The program for membership received. The election of officers was held in which the following were elected: Past master, William C. Spodgrass; president, William C. Spodgrass, chairman; Mrs. D. E. Davis, Mrs. L. M. Whitney, Mrs. Charles H. Lyman, Mrs. N. M. Pike, Mrs. L. M. Pike.

A pleasant evening in the history of the Epworth League of Grace M. E. church was spent last Friday night. The views were fine and seemed to be enjoyed by the audience very much. The prize, consisting of a \$2.00 gold first Thursday in January, at which time the election will take place. It was decided at the meeting to give a concert during the latter part of next month at the Epworth League hall.

HIGH SCHOOL IMPROVED.

STUDY OF LATIN TO BE STARTED EARLY. Will be Taught in First Grammar Course. Mr. Meredith's Closing Program.

The Plainfield public schools have long been pointed out through the State as being among the best of which Jersey can boast. A high standard of excellence has been maintained by the system to constantly improve the present system. Another notable improvement was tried for the first time Wednesday.

An attempt was made last Thursday to hold a meeting of the joint committee from this city and the borough who have under consideration the proposed consolidation of the two schools. The attempt failed on account of there not being a quorum present.

At present, plain geometry is only taught in the Senior year. Solid geometry and trigonometry have not been taught in the modern High School course. Both of these latter subjects are considered part of the regular instruction and it will probably only be a matter of a few months before they will be included in the curriculum of the High School.

HERO OF EL CANEY HERE.

Captain EDWARDS, OF THE 25TH INFANTRY, WITHING IN PLAINFIELD. Captain and Mrs. Edwards are the guests of Mr. and Mrs. George Wharton Edwards, of Franklin Place.

When the war broke out, Captain Edwards was stationed at Fort Mifflin in the West. His regiment was immediately ordered to the front. He went to Tampa and received his first military training while with his regiment for Cuba. He took part in the attack on Santiago and was at the head of his company when they took part in the famous charge at San Juan. When they reached the trenches he sprang on the top, only to fall, shot through the thigh with a Mauser bullet.

Recovering from the effects of his wound he went to Washington where his wife was ill with typhoid fever. He was not recovered and they will visit in this city for a time. Captain Edwards' original three months' tour of duty in Cuba was extended to six months. At its close he will return to duty at Fort Grant.

OUR LOCAL CANADA A MANY-SIDED SUBJECT.

Discussion About Consolidating City and Borough. BOARD OF TRADE FATHERS IT BUT THEY ARE UNABLE TO GET A QUORUM OF COMMITTEES.

An informal meeting held in the Board of Trade Room Thursday morning by Mayor Gilbert and members of the Board of Trade. The purpose of the meeting was to discuss the consolidation of the city and borough. The attempt failed on account of there not being a quorum present.

This idea was evident, as a result of the discussion, that annexation is a long matter every day. This is true in nearly every garison, and the arrival of Senators and Representatives with requests for the master out of the city are now. All cases of appeal have largely increased in the last three days.

It was stated that annexation could only be brought about properly by having the county lines changed by the Legislature and then imposed on the city. MAY NOT GO TO CUBA.

THIRD REGIMENT MAKES PREPARATIONS FOR A WINTER CAMP. The First Was the Mother Who Died Thursday.

It is reported that the next move of the Third will be back to New York City. The Third New Jersey is still Camp Haskell, Athens, Ga., and information from there indicates that there will not be an early start for Cuba. The winter preparations for the camp have not ceased, and there is a rumor that there is to be a change in the brigade arrangements.

The demand for the enlisted men to go to Cuba is the most urgent, the hope being that Congress will promptly act on the President's forthcoming recommendation for a large increase of the regular army. If favorable legislation is passed very soon, it is probable that the Third will be back to New York City in the service will be sent to do garrison duty in Cuba.

James Wilkinson, a man of respectable appearance, was arrested Friday on North avenue by Chief Grant charged with being drunk and disordered. The man was held until 1 o'clock last Friday when he was given a hearing before Mayor Fisk. Wilkinson pleaded for leniency, telling the court that he was a Christian man, and that he had traveled in the best of society. He stated that he had come to Plainfield to see about buying a piece of property upon which to build.
