Foldable desk stand	S26391-F2592-L700	This lightweight desk stand holds the STYLISTIC ST Series for convenient use as a desktop. The desk stand folds flat and can also be plugged at the bottom of the new keyboard for easy transport.	

Product name	Order code	Description	
<b>External floppy disk drive</b>			
<b>External floppy disk drive</b>	<b>S26391-F264-L226</b>	This sleek floppy disk drive plugs into one of the USB ports on your main unit or Tablet dock	
<b>Special Tablet PC Cases</b>			
<b>Bump case</b>	<b>S26391-F2584-L300</b> (fits for both types of batteries)	This padded case protects your STYLISTIC ST Series while providing full user access to the display, tablet buttons, suspend/resume button, DC-input power and I/O connectors. Includes pen holder, handstraps and detachable shoulder strap.	
<b>Portfolio case</b>	<b>S26391-F2584-L200</b> (fits for both types of batteries)	The most professional look, perfect for carrying your STYLISTIC ST Series while you go from meeting to meeting. The portfolio is made of leather and it's book style cover gives your highly sophisticated tablet PC the classic look of a traditional paper bound organizer. The tablet PC is securely held in the portfolio with straps without blocking any part of the screen and allowing access to essential ports. Creatively designed to easily allow you to use your STYLISTIC ST Series while standing and inputting data or sitting and taking notes. The interior features pockets to hold the wireless keyboard, A4 size documents, business cards, plus a pen holder	 
<b>Special Tablet PC Cases</b>			
<b>Attaché case</b>	<b>S26391-F2584-L250</b> (fits for both types of batteries)	An elegant, practical solution for using and transporting your tablet PC, keyboard, peripherals, and everyday briefcase items. The attaché case allows you to use your tablet PC and keyboard in the case just like a notebook. When closed, the case looks like a sleek piece of carry-on luggage. When opened, it unfolds and stands up and allows you to use your tablet PC like a notebook computer. The storage compartment provides room for peripherals, business cards, writing implements, and A4 size documents. It is thoughtfully designed with zippers down each side to give you better access to the contents in the storage compartment. It can be used with either the optional wireless keyboard or USB keyboard.

<b>Special Tablet PC Cases</b>			
<b>Harsh case</b>	<b>S26391-F2584-L350</b> (fits for both types of batteries)	Made for users who don't want to worry about a little dust, a splash of water or a little bump while using their STYLISTIC ST Series. This tough nylon case is custom designed to snugly fit your tablet PC and provides protection against water, dust and other hazards while transportation, usage or storage. The case features a clear window over the display and allows access to suspend/resume button, status LEDs, tablet buttons and navigation buttons. Velcro enclosures make insertion and removal quick and easy. Includes pen holder, handstraps and detachable shoulder strap.	
<b>Input Devices</b>			
<b>Mouse Bluetooth PX</b>	S26381-K358-V100 (EU)	For wireless connection: Bluetooth™ mouse for the STYLISTIC ST502x with integrated Bluetooth receiver. Being a Bluetooth class 2 device, the 5 button wheel mouse gives you more wireless comfort for perfect presentations within 10 m range of your Notebook. The USB charging cable helps reloading when batteries are empty.	
	S26381-K358-V165 (UK)		
<b>Wireless keyboard</b>		Designed to create a complete desktop solution when combined with the desk stand or tablet dock. This thin and lightweight keyboard Features: <ul style="list-style-type: none"> <li>• full-size 19mm pitch</li> <li>• touchpad</li> <li>• on/off-switch for the system unit</li> <li>• wireless communication with the infrared port within 3 feet distance.</li> <li>• 4 pieces of AAA batteries required (1 set of batteries is included in the package).</li> <li>• separate on/off-switch for the keyboard to improve battery life.</li> </ul>
