

HP Labelled Media and Automation Bar Code Labels

One of the most important components of any automated tape backup solution is the label on the cartridge itself. That is why HP offers a range of custom labelled, RFID and non-custom labelled data cartridges that have been tested to extremes for maximum reliability and performance.

Key features and benefits

- Support for LTO Ultrium - LTO-3, LTO-4, LTO-5 and LTO-6.
- All HP bar code labels are tested to extremes, using proprietary software, to provide maximum reliability and performance.
- No additional charge for bar code labelled media compared to unlabelled media¹.
- With HP Eco Pack (No Case) labelled media, you just load the cartridge into the library: no superfluous packaging, no time wasted.
- Labels are applied professionally in a clean and controlled environment to prevent backup disruptions – poor quality labels or labels not properly applied will risk data loss.
- RFID tags conform to EPC Radio-Frequency Identity Protocols Class-1 Generation-2 UHF RFID and ETSI EN 302 208-1 (v1.2.1 or later).

HP LTO Ultrium Custom Labelled Data Cartridges

- HP LTO Ultrium custom labelled data cartridges save time and money. Custom labelled media can be ordered with fully bespoke label sequences.
- HP tests its bar code labels. No media-only supplier can match HP's experience and knowledge of high performance tape libraries.
- Easy-to-use online label specification process to eliminate errors in the ordering process: go to hpstoragemedia.com
- The environmental impact of packaging is greatly reduced by purchasing HP LTO media in secure and reliable Eco Packs.

HP LTO Ultrium Non-Custom Labelled Data Cartridges

- HP LTO Ultrium non-custom labelled data cartridges are available off the shelf for all HP LTO Ultrium media.
- Bar code sequences predetermined by HP and are in consecutive sequence eg 1 to 20.
- Five FREE cleaning cartridge labels with every 20 non-custom labelled data cartridges.

¹At the time of writing there is a \$1 (or equivalent) charge for RFID labelling only.
