# CONCESSIONAIRES AGREEMENT

FOR

## EAGLE LAKE MATERIAL SITE

\*\*\*

THIS AGREEMENT made and entered by and between the KENAI PENINSULA BOROUGH and East Road Services.

**Section 1. Definition.** In this Agreement:

- A. The term "Borough" means the Kenai Peninsula Borough.
- B. The term "Concessionaire" means East Road Services.
- C. The term "Mayor" means the mayor of the Kenai Peninsula Borough or his authorized representative.

**Section 2. Employment of Concessionaire.** The Borough hereby agrees to engage the Concessionaire and the Concessionaire hereby agrees to perform the services hereafter set forth.

**Section 3. Scope of Services.** The Concessionaire shall perform all the services provided for by this Agreement:

See Attachment A, Conditions and Specifications Governing Project Site Management incorporated by reference as if fully set forth herein.

**Section 4. Personnel.** Personnel shall be limited to employees of East Road Services.

**Section 5. Time of Performance.** The services of the Concessionaire shall commence July 21, 2000, and shall terminate on October 15, 2003. The period of performance may be extended for additional periods only by the mutual written agreement of the parties in accordance with Borough code. The borough's payment and performance obligations are subject to annual appropriation and available funding.

**Section 6. Compensation.**

- A. Concessionaire shall provide material to Borough Road Maintenance pursuant to the schedule on Page 7 of Attachment A, Site Management
- B. The concessionaire shall set a price for value added material for sale to the public. There shall be a fixed price of **\$10.50** per cubic yard for pit run material sold to the public.
- C. Except as otherwise provided in this Agreement, the Borough shall not provide any additional compensation, payment, service or other thing of value to the Concessionaire in connection with performance of Agreement duties. The parties understand and agree that, except as otherwise provided in this section, administrative overhead and other indirect or direct costs the Concessionaire may incur in the performance of its obligations under this

Agreement have already been included in computation of the Concessionaire's price and may not be charged to the Borough.

**Section 7. Royalty Payment.** The concessionaire shall deliver payment to the Borough Finance Department, attention Finance Director. The royalty and reclamation payment shall be \$2.00 per cubic yard for all material extracted. The payment is due by the last day of each month, for the previous month. Each payment shall be accompanied by a statement that include the number of yards extracted, including yards supplied to the Borough Road Services area, and total payment amount of \$2.00 per cubic yard multiplied by the number of yard extracted. This payment is not to be confused with Borough requirement for payment of all appropriate sales tax. The Concessionaire shall submit final royalty payments upon site closure. The royalty and reclamation payment from material provided to Borough Road Service area shall be paid according to this paragraph as the material is used.

**Section 8. Termination of Agreement for Cause.** If, through any cause, the Concessionaire shall fail to fulfill in a timely and proper manner the obligations under this Agreement or if the Concessionaire shall violate any of the provisions of this Agreement, the Borough shall have the right to terminate this Agreement by giving written notice to the Concessionaire of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. All finished or unfinished journals and surveys of material extracted shall be delivered to the Borough by or upon the effective date of termination. The Concessionaire shall be entitled to receive compensation only for work completed to the Borough's satisfaction in accordance with the terms of this Agreement.

**Section 9. Termination for Convenience of Borough.** The Borough may terminate this Agreement at any time by giving written notice to the Concessionaire of such termination and specifying the effective date of such termination. All finished or unfinished journals or surveys of material extracted as described in Section 8, above, shall be delivered to the Borough by or upon the effective date of execution of this section. The Concessionaire shall be entitled to receive compensation in accordance with the payment provisions of this Agreement only for work completed to the Borough's satisfaction in accordance with the terms of this Agreement. If this Agreement is terminated due to the fault of the Concessionaire, Section 8 of this Agreement shall govern the rights and liabilities of the parties.

**Section 10. Suspension.** In the event that the Borough decides to suspend the project for convenience of the Borough, then the suspension shall be for a definite period of time and the notice of suspension shall state the date by which the project shall be resumed. The Borough shall give the Concessionaire seven (7) days notice of the intention to resume operations and shall direct the Concessionaire to resume operations at the time, place and in sequence specified in the notice of resumption of operations. In no event shall a suspension for convenience exceed one hundred twenty (120) days. In the event that the suspension exceeds that period of time, then the Concessionaire shall not be bound to resume work unless the Concessionaire and the Borough agree upon mutually acceptable terms for resumption of the project.

**Section 11. Termination or Suspension - - Stop Work.** On the date that the notice of termination or suspension is issued, the Concessionaire shall immediately take all actions necessary to stop the placing of orders, rental of equipment or premises, employment of persons, and shipment of any materials destined for the project but not yet incorporated into the project or delivered to the site. The notice of termination or suspension for convenience shall specify a date by which all steps necessary to the termination or suspension shall be completed and from which the Concessionaire shall have removed any unused material and all his equipment and forces. In the event of a termination or suspension, the Concessionaire shall leave the premises in a clean and safe fashion on or prior to the date specified in the notice. The Borough shall certify that all termination or suspension procedures have been completed and that the premises have been turned over to the Borough. The Borough shall pay all reasonable termination or suspension expenses at the same time and payment shall be made to the Concessionaire within fifteen (15) working days after the bill has been rendered to the Borough.

**Section 12. Causes Beyond Control.** In the event the Concessionaire is prevented by a cause or causes beyond control of the Concessionaire from performing any obligation of this Agreement, nonperformance resulting from such cause or causes shall not be deemed to be a breach of this Agreement which will render the Concessionaire liable for damages or give rights to the termination of this Agreement for cause. However, if and when such cause or causes cease to prevent performance, the Concessionaire shall exercise all reasonable diligence to resume and complete performance of the obligation with the least possible delay. The phrase "cause or causes beyond control," as used in this section, means any one or more of the following causes which are not attributable to the fault or negligence of the Concessionaire and which prevent the performance of the Concessionaire: fire, explosions, acts of God, war, orders or law of duly constituted public authorities, and other major uncontrollable and unavoidable events, all of the foregoing which must actually prevent the Concessionaire from performing the terms of this Agreement as set forth herein. Events which are peculiar to the Concessionaire and would not prevent another Concessionaire from performing, including, but not limited to financial difficulties, are not causes beyond the control of the Concessionaire. The Borough will determine whether the event preventing the Concessionaire from performing is a cause beyond the Concessionaire's control.

**Section 13. Modifications.**

- A. The parties may mutually agree to modify the terms of this Agreement. Modifications to this Agreement shall be incorporated in to this Agreement by written amendments.
- B. It is expressly understood that the Borough may require changes in the scope of services and an unreasonable refusal by the Concessionaire to agree to modification in the scope of services will be the basis for termination of this Agreement for cause

**Section 14. Interest of Members of Borough and Others.** No officer, member or employee of the Borough and no member of its governing body, and no other public official of the governing body shall participate in any decision relating to this Agreement which affects their personal interest or the interest of any corporation, partnership or association in which they are, directly or

indirectly, interested or having any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

**Section 15. Assignability.** The concessionaire shall not subcontract duties or assign an interest in this agreement without the Borough's written permission. Any subcontractor must comply with the terms of the original agreement.

**Section 16. Interest of Concessionaire.** The Concessionaire covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. The Concessionaire further covenants that in the performance of this Agreement no person having any such interest shall be employed.

**Section 17. Findings Confidential.** To the extent permitted or required by law any reports, information, data, etc., given to or prepared or assembled by the Concessionaire under this Agreement which the Borough requests to be kept confidential shall not be made available to any individual or organization by the Concessionaire without the prior written approval of the Borough.

**Section 18. Publication, Reproduction and Use of Materials.** No material produced, in whole or in part, under this Agreement shall be subject to copyright in the United States or in any other country. The Borough shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other materials prepared under this Agreement.

**Section 19. Jurisdiction; Choice of Law.** Any civil action arising from this Agreement shall be brought in the superior court for the third judicial district of the state of Alaska at Kenai. The law of the state of Alaska shall govern the rights and obligations of the parties.

**Section 20. Non-Waiver.** The failure of the Borough at any time to enforce a provision of this Agreement shall in no way constitute a waiver of the provisions, nor in any way affect the validity of this Agreement or any part thereof, or the right of the Borough thereafter to enforce each and every protection hereof.

**Section 21. Permits, Laws and Taxes.** The Concessionaire shall acquire and maintain in good standing all permits, licenses and other entitlements necessary to the performance under this Agreement. All actions taken by the Concessionaire under this Agreement shall comply with all applicable federal, state, and local regulations including, but not limited to, those laws related to wages, taxes, social security, workers compensation, nondiscrimination, licenses, and registration requirements. The Concessionaire shall pay all taxes pertaining to its performance under this Agreement.

**Section 22. Agreement Administration.**

A. The Planning Director, or her designee, will be the representative of the Borough administering this Agreement.

B. The services to be furnished by the Concessionaire shall be administered, supervised, and directed by the Troy Jones. In the event that the individual named above or any of the individuals identified in the proposal to perform work under this Agreement is unable to serve for any reason, the Concessionaire shall appoint a successor in interest subject to a written approval of the Borough.

**Section 23. Integration.** This instrument and all appendices and amendments hereto embody the entire agreement of the parties. There are no promises, terms, conditions or obligations other than those contained herein; and this Agreement shall supersede all previous communications, representations or agreements, either oral or written, between the parties.

**Section 24. Defense and Indemnification.** The Concessionaire shall indemnify, defend, save and hold the Borough, its elected and appointed officers, agents and employees, harmless from any and all claims, demands, suits, or liability of any nature, kind or character including costs, expenses, and attorneys fees. The Concessionaire shall be responsible under this clause for any and all actions or claims of any character resulting from Concessionaire or Concessionaire's officers, agents, employees, partners, attorneys, suppliers, and subcontractors performance or failure to perform this Agreement in any way whatsoever including but not limited to claims for (1) personal injuries, (2) death, (3) economic loss, (4) property damages, (5) contract violations, (6) violation of statutes, ordinances, constitutions, rules or regulations, or other laws, (7) environmental contamination, (8) or any other kind of loss sustained by any person, or property arising from performance or failure to perform under this Agreement.

This defense and indemnification responsibility includes claims alleging acts or omissions by the Borough or its agents which are said to have contributed to the losses, failure, violations, or damage. However, Concessionaire shall not be responsible for any damages or claim arising from the sole negligence or willful misconduct of the Borough, its agents, or employees.

**Section 25. Environmental Hazards.**

Concessionaire shall not keep any hazardous materials or create any environmental hazards for the public or Concessionaire's clientele on the property. The defense and indemnification clause set forth in section 24 of this agreement specifically extends to violations of the section.

**Section 26. Interpretation and Enforcement.** This Agreement is being executed by the parties following negotiations between them. It shall be construed according to the fair intent of the language as a whole, not for or against any party. The titles of sections in this Agreement are not to be construed as limitations or definitions but are for identification purposes only.

**Section 27. Relationship of the Parties.** The services to be rendered under this Agreement are those of an independent concessionaire. The Concessionaire will not at any time directly or indirectly act as an agent, servant or employee of the Borough or make any commitments or incur any liabilities on behalf of the Borough without the Borough's express consent. The Borough will monitor the concessionaire's performance and progress but will not directly

supervise the concessionaire or the concessionaire's employees or subcontractors except as provided in this agreement.

**Section 28. Insurance.** Concessionaire and all subcontractors, if any, shall be responsible for the purchase and maintenance of minimum insurance coverage as specified below:

This insurance coverage shall be in acceptable form, and for the amounts specified by the Borough, or as required by law, whichever is greater.

This insurance coverage shall remain in effect for the life of this Agreement and shall be a part of the contract price. This insurance shall be primary and exclusive of any other insurance carried by the Borough.

- A. Commercial general/automobile liability insurance shall not be less than \$1,000,000 combined single limit bodily injury and property damage per occurrence.
- B. Worker's compensation and employers liability insurance shall be provided for all employees per Alaska State Statutes who are performing work under this Agreement.
- C. Certificate(s) of insurance as described in paragraph A of this section shall be provided by Concessionaire and all subcontractors, or their insurance companies or their agents, naming the Borough as an additional insured for the work specified in this Agreement. Certificates of insurance, acceptable in form and content, will be delivered to:

Kenai Peninsula Borough  
Planning Department  
144 N. Binkley Street  
Soldotna, AK 99669

- D. There shall be no cancellation or material change of the insurance coverages, or intent not to renew the insurance coverages as specified in this Agreement, without thirty (30) days prior written notice to the Borough. Notice of cancellation, material change in coverage, or intent not to renew will be delivered to the address designated in paragraph C of this section. Cancellation or material change in insurance coverage without written authorization by the Borough is a material breach of this Agreement, and subjects this Agreement to termination for cause under Section 8.
- E. Upon renewal or change in policies during this Agreement, certificates of insurance shall be delivered to the address designated in paragraph D of this section.

**Section 29. Severability.** If any section or clause of this Agreement is held invalid by a court of competent jurisdiction, or is otherwise invalid under the law, the remainder of this Agreement shall remain in full force and effect.

**Section 30. Understanding.** The Concessionaire acknowledges that the Concessionaire has read and understands the terms of this Agreement, has had the opportunity to review the same with counsel of their choice, and is executing this Agreement of their own free will.

**Section 31. Notices.** Any notice required pertaining to the subject matter of this Agreement shall be personally delivered or mailed by prepaid first-class, registered or certified mail to the following addresses:

Kenai Peninsula Borough: Planning Director  
144 N. Binkley Street  
Soldotna, AK 99669

Concessionaire: Troy Jones  
East Road Services  
33740 Jones Drive  
Homer, AK 99603

**Section 32. Concessionaire's Violations of Tax Obligations.**

- A. This Agreement can be terminated for cause, pursuant to Section 8, if it is determined that a Concessionaire is in arrears of any taxation, lease or rental agreement that is due to the Borough that is not remedied within ten (10) calendar days of notification by regular mail.
- B. The Borough reserves any right it may have to offset amounts owed by an individual, firm, corporation or business for delinquent Borough taxes, moneys owed on sales, assessments, leases and rental agreements, against any amount owing to the same under an agreement between the Borough and the same.

**Section 33. Fund Verification.** A funding source is not necessary for this contract:

# **ATTACHMENT A SITE MANAGEMENT**

## **CONDITIONS AND SPECIFICATIONS GOVERNING PROJECT SITE MANAGEMENT**

### **ARTICLE 1: SCOPE OF WORK**

The project consists of day-to-day site management and operation of gravel site at Mile 19 East End Road, Homer Area, Alaska. Responsibility for services include:

- Obtain before and after cross section survey and establish a monumented baseline for pit quantities.
- Develop working face or faces following management and reclamation plan developed during 2000 operating season.
- Provide up to 10,000 c.y. of material for KPB Road Maintenance per year .
- Provide material for public and private use.
- Maintaining records for gravel extracted, payment of royalties, sales taxes and daily reports on activities.

The contract for operation will be for an initial one (1) year contract with four (4) one year renewal options for a total of five (5) years. Operations will begin June 1 and end not later than October 15 for all years of contract, except for the 2000 season operations will begin July 21.

The concessionaire will be responsible for meeting permit requirements established by federal, state and KPB agencies. Concessionaire must coordinate with the KPB representative to maintain the site. Concessionaire is responsible for site upkeep and road access maintenance through the spring, summer and fall seasons.

The access road consists of a single lane road with occasional wider turnouts. The access road is generally of good condition but requires periodic maintenance to provide reasonable limited speed access. The site is anticipated to be accessible from the middle of May to middle of October. Concessionaire may open site as early in the year as desired at concessionaire's expense, however, site will be opened and operational not later than June 15 of each year. Concessionaire may continue operation until snow conditions require closure or as long as concessionaire desires to keep site open at concessionaire's own expense. However, operations are expected to continue until October 1. Concessionaire will be required, as necessary, to plow or otherwise have access road in condition for meeting June 15 operation date each year.

## ARTICLE 2: PROJECT LOCATION

The project site is located in the north portion of Section 16 of Township 4 South, Range 11 West, Seward Meridian approximately 3 miles north of the East End Road near Mile Post 19. It is accessed via the Razdolna Highway (Eagle Lake Road) for the first 1.5 miles, then through a gate following the KPB gravel access road to the pit proper. The site level is 1800' elevation, located on a high bench.

## ARTICLE 3: SITE CONDITIONS

The subject area of Section 16 lies immediately south of a previously opened area of Section 9 which was accessed through this site. It has since been closed by the State of Alaska DOT/PF. No structures or formal fueling areas have been developed.

The gravel source is located in a stripped area of approximately five acres on KPB owned property. Stripping and other site preparation may be needed. Depending on weather conditions, some standing water may exist in the lowest portion of the pit floor.

General material consists of glacial till ranging up to 12" diameter with approximately 90% of the source consisting of 6" materials. Some localized pockets of sand exist. Local material exhibits silt contents ranging from 3% to 8%. No private property borders this general area nor the immediate border of Sections 12 and 16. No developed residential areas lie within one mile of the site.

## ARTICLE 4: GENERAL SITE SERVICES REQUIRED

Concessionaire is to manage the site and is expected to perform all services necessary to operate, maintain, and record activities that provide the gravel products.

Concessionaire shall have a professional surveyor provide cross-sections of the work area as part of the records for each construction season.

Concessionaire shall develop a management and reclamation plan during 2000 operating season by a date specified by the KPB. The management plan shall be approved by KPB. The management plan shall specify location of working face or faces, location of fueling areas and other pertinent site management activities.

The management plan shall be approved by the KPB prior to sale of gravel each season.

**Both the general public and governmental agencies may purchase materials. Concessionaire will take reasonable steps to avoid interference with grazing lease operations described in Article 12.**

Estimates of quantities to be handled by the Concessionaire for public use is highly dependent on local needs and economic conditions. Estimates of public use range between 5,000 and 10,000 cubic yards per year. The concessionaire may choose to add value to the material extracted by crushing, segregating, or washing, in order to provide alternate materials.

Concessionaire will be responsible for all costs necessary to provide the stated services. Sole reimbursement will be supplied from the sale of mined materials.

The Kenai Peninsula Borough Road Maintenance requires stockpiled gravel for its summer maintenance projects.

KPB Road Service Area will order on an as needed basis with three weeks prior notice or as otherwise agreed with Concessionaire of 3 inch minus per year.

The Concessionaire shall provide KPB with the method of obtaining the gradation requirements stated below. Sampling and testing shall be under the responsibility of a professional engineer registered to practice in Alaska under AS 08.48. Sampling and testing shall be twice in the first 500 CY and once every 1,000 CY thereafter. Measurement reports of in place stockpile volume shall be by a professional surveyor registered to practice in Alaska under AS 08.48.

**3 Inch Minus (Road Service Area Specifications)**

Sieve Designation	Percent Passing by Weight
3 inch	100
3/4 inch	50-85
No. 4	30-70
No. 200	10 Max

**ARTICLE 5: SPECIFIC SERVICES TO BE PROVIDED**

- 5.1 Concessionaire will maintain records indicating total sales on a daily basis. Records will indicate quantity and type of material moved and the royalty garnered for each type of material.

- 5.2 In order to adequately serve short term requests for accessibility and material loading, the concessionaire is expected to maintain operations a maximum of twelve (12) hours per day, six days a week. The operator will have the flexibility to limit actual loading operations within restrictive hours. Since the construction season is short, the time of availability must be flexible to maintain near continuous hours of operation, as demand requires. The concessionaire will not necessarily be on site but will be available for operations within the published hours.
- 5.3 Provide KPB value added material per above specifications from KPB Road Maintenance as stated in Article 4 above.
- 5.4 Provide and maintain access for two-wheel drive vehicles to the site from June 15 through September 15 or as load limits on local roads allow. The gate off of Eagle Lake Road will be secured during off-hours. Some years may allow extended services in the latter portion of May or early portion of October. Such services will be governed by agreement between the Concessionaire and Kenai Peninsula Borough;
- 5.5 Develop working face or faces to meet daily demands while following the management plan which allows future faces to be accessed and opened as needed;
- 5.6 Maintain separate material stockpiles for each type of product;
- 5.7 Maintain daily records of material loaded out to private or public organizations, by vehicle type and quantity of product. Records should include yardage of material provided, royalty gained, and total sales of the site. Concessionaire will contract with a registered surveyor to complete a topographic survey of the working face at the beginning and end of the construction season to verify quantities removed from the pit as stated in Article 8;
- 5.8 Maintain hours that will allow the private and public sector to be fully served. Those hours, with contact phone numbers, are to be advertised during the months of June and July on a weekly basis in a local, general circulation newspaper;
- 5.9 Upon authorization of KPB personnel, close areas from which usable materials have been extracted;
- 5.10 Coordinate and assure accessibility to the site for any agency permit review personnel including KPB, state or federal representatives;

- 5.11 Maintain control levees and silt fabric fences that will catch and retain all silt and mineral runoff from storm water and/or site drainage;
- 5.12 Should Concessionaire determine a fueling/lubricating station is necessary on site, the Concessionaire shall maintain and secure a clean, DEC approved fueling/lubricating station, assuring that fuel spill containment and clean up capability is available to prevent contamination. The Concessionaire will be held responsible for all and any contamination;
- 5.13 Have contractor's license, business license and necessary agency permits available for review;
- 5.14 Maintain bonding as set forth in the agreement with KPB and as appropriate to the duties required;
- 5.15 Maintain a business telephone line with recording device. Periodic monitoring through the day will allow for orders to be received and to provide information for potential buyers;
- 5.16 The Concessionaire shall maintain his operational site in a neat and sanitary condition.

#### ARTICLE 6: VALUE ADDED MATERIALS

Concessionaire will be responsible for and will submit per the management plan, the location and procedure for operation of equipment necessary for value added materials such as crushing, sieving or washing capability. Disposal involving soiled or silty water will be required to meet United States E.P.A. and Alaska D.E.C. standards. Additionally, the concessionaire will assure that local or imported topsoil that meets the closure requirements be segregated and not sold without approval from the Borough.

#### ARTICLE 7: FUELING AREA and EROSION CONTROL

Should Concessionaire determine a fueling/lubricating station is necessary on site, the Concessionaire shall maintain and secure a clean, DEC approved fueling/lubricating station, assuring that fuel spill containment and clean up capability is available to prevent contamination. The Concessionaire will be held responsible for all and any contamination.

If erosion occurs it shall be repaired by the Concessionaire. The concessionaire shall be required to meet closure requirements as set forth by the State Department of Natural Resources per Alaska Statute, Title 27, Mining; Chapter 19, Reclamation.

**ARTICLE 8: RECORDS and MEASUREMENT**

The day to day records are to be documented in a journal by the concessionaire and available for KPB review. This journal will record quantities of material provided, concessionaire activities, hours and type of equipment used to open, strip, develop, or close any dedicated areas. The journal should record the number of hours worked, personnel used, and area covered and or yardage produced. Records shall indicate monthly flow of material recorded on a daily basis, totaled by month, and record of Payment to KPB according to the yardage sold.

Prior to commencement of each contract term Concessionaire will have a Registered Surveyor perform a cross section survey and establish a monumented base-line for pit quantities. At the end of each subsequent season Concessionaire will have a Registered Surveyor perform another cross section survey to determine the quantity of material removed and striped areas.

**ARTICLE 9: RECLAMATION**

At the end of each season, the working slope shall be graded to a 1:1 slope for safety. Other site reclamation will be completed as directed by KPB, at KPB expense, pursuant to management and reclamation plan developed during 2000 operating season.

**ARTICLE 10: BASIS OF PAYMENT**

In order to supply material to the public at a reasonable cost, KPB has set the maximum value of pit run gravel "loaded out". The sale of sand, gravel and "value-added materials" is subject to a royalty of \$1.50 per cubic yard and a reclamation fee of \$ .50 per cubic yard. Concessionaires yard charge to the consumer includes all costs of royalty, labor, equipment, fuel, insurance, maintenance, utilities, and profit.

The following rates will be the maximum considered for this RFP.

<u>Expense Item</u>	<u>Maximum Charge Rate per Cubic Yard</u>	<u>Concessionaire Bid</u>

1. Royalty Fee (paid to KPB)	\$1.50	\$1.50
2. Stripping , Operation, Handling, Loading, Closure of equivalent area opened, Profit & Overhead	\$8.50	\$8.50
3. Select Area Closure (per KPB designation)	\$.50	\$.50
Total maximum allowed per cubic yard	\$10.50	\$10.50
Cost per square foot for reclamation		

KPB Road Maintenance Specifications		Concessionaire Bid
1. Royalty		\$1.50
2. Reclamation		\$.50
<b>Up to 10,000 Cubic Yards of 3 Inch Minus Per Year</b>		
Sieve Designation	Percent Passing By Weight	
3 inch	100	
3/4 inch	50-85	
No. 4	30-70	
No. 200	10 Max.	\$16.00
Total maximum allowed per cubic yard		\$18.00

Other Items:

Material with Value Added

Charge Rate per Cubic Yard

As determined

**ARTICLE 11: PENALTIES**

Where it is determined that the Concessionaire fails in his duties of providing the contracted services, a penalty will be assessed. Liquidated damages will be imposed for:

- A) days of incomplete or nonexistent service;
- B) delay in providing the required cleared area;
- C) delay in closure of specified areas;
- D) delay in submittal of monthly royalty payments;
- E) delay in submittal of daily journal for review;
- F) failure to respond immediately to spilled fuel or contaminated soil;
- G) delay in providing stock piled gravel for KPB projects;
- H) Failure to provide a map or comply with the terms of the management plan;
- I) Failure to comply with Article 12 provisions;

- J) Failure to comply with any of the terms of the Concessionaires Agreement and this scope of work.

Liquidated damages will be assessed at \$25 per day for all items except for items F and G which will be at assessed \$100 per day.

## ARTICLE 12: VAN OSS GRAZING LEASE

The concessionaire understands that the gravel operation is on a parcel which is also subject to a grazing lease in the name of Van Oss and Camille Rohrer. The legal description of the lease is:

T4S, R11W, Seward Meridian, Alaska  
Section 15 – NW1/4;  
Section 16, 17, 18, 19, 20, 21 - ALL;  
Section 22 – NW1/4SW1/4, S1/2SW1/4

T4S, R12W, Seward Meridian, Alaska  
Section 13 – N1/2 excluding BLM Headquarters, Site A - 058081

The concessionaire shall take reasonable steps to avoid interference with the grazing lease operations. The concessionaire must give Van Oss and Rohrer written notice each year of when the gravel operations shall begin, and end and times of operation, and shall give Van Oss and Rohrer notice of any changes in the gravel pit operation times and haul routes. The gravel pit shall be operated in a reasonable and prudent manner at all times, and the concessionaire shall defend and indemnify KPB pursuant to Section 24, of the general conditions, "Defense and Indemnification," for any alleged interference with the grazing lease to the extent the actions giving rise to the interference claim are not approved in writing by KPB.

Notices to Van Oss and Rohrer shall be delivered to the following address:

James R. Van Oss and Camille Rohrer  
POB 1046  
Homer, AK 99603

The KPB and James Van Oss and Camille Rohrer have entered into a Settlement Agreement, Release of all Claims, and Covenant Not to Sue. The Settlement Agreement, Release of all Claims, and Covenant Not to Sue specifies actions to be taken by the KPB and its Concessionaire to avoid conflict with the grazing lease operations.

1. **Section 8 of the Settlement Agreement, Release of all Claims, and Covenant Not to Sue.**

- a. Pursuant to Section 8 of the Settlement Agreement, Release of all Claims, and Covenant Not to Sue dated February 2, 1998, (Settlement Agreement), James Van Oss and Camille Rohrer (Van Oss) are entitled to 1,500 cubic yards of pit run gravel from the Eagle Lake Gravel site from February 2, 1998 to February 1, 2002.
- b. Van Oss and Rohrer will give 48 hours' written notice to the KPB prior to removal of the gravel. KPB will fax Concessionaire a copy of Van Oss and Rohrer's written notice. Van Oss and Rohrer notice will specify quantity of gravel to be removed.
- c. Upon loading of gravel to Van Oss and Rohrer by Concessionaire, Concessionaire will issue an invoice to Van Oss and Rohrer for quantity of gravel loaded. Concessionaire will mail KPB a copy of invoice. KPB will pay Concessionaire the full amount for pit run gravel as the current contract specifies for the number of cubic yards specified in the invoice.

2. **Section 9 of the Settlement Agreement, Release of all Claims, and Covenant Not to Sue.**

- a. Pursuant to Section 9 of Settlement Agreement, Van Oss and Rohrer may use additional pit run gravel from an active KPB pit on ADL 56309 for grazing lease purposes on leasehold ADL 56309 as permitted by the KPB in accordance with Section 5 of the grazing lease. Van Oss and Rohrer will pay KPB \$2.00 per cubic yard. There will be a limit of 500 cubic yards on the gravel Van Oss may acquire by KPB permit under this section until January 1, 1999, [this condition has been met] at which time the amount of gravel taken will depend on the grazing lease purposes permitted by the KPB.
- b. Upon loading of gravel to Van Oss and Rohrer by Concessionaire, Concessionaire will issue an invoice to Van Oss and Rohrer for quantity of gravel loaded. Concessionaire will mail KPB a copy of invoice. KPB will pay Concessionaire the full amount for pit run gravel as the current contract specifies for the number of cubic yards specified in the invoice.

3. **Section 14 of the Settlement Agreement, Release of all Claims, and Covenant Not to Sue.**

Pursuant to Section 14 of the Settlement Agreement, Concessionaire will not engage in activities likely to panic or harass livestock. The Concessionaire may herd, entice, or keep livestock away from the pit in a manner used by reasonably prudent stockmen to control their stock. If livestock are on haul road(s), the Concessionaire shall attempt to herd them off the roadway, rather than herding them down the roadway in front of gravel traffic.

**4. Section 17 of the Settlement Agreement, Release of all Claims, and Covenant Not to Sue.**

Pursuant to Section 17 of the Settlement Agreement, the haul road accessing the pit across the northeast corner of Section 21, T4S, R11W, S.M., and through Section 16, T4S, R11W, S.M. shall be used for gravel operations only, and concessionaire shall lock the gate during hours the pit is not open for business.

**ARTICLE 13: CONTRACT DOCUMENTS:**

By executing the contract, the Concessionaire represents that it has visited the site and become familiar with local conditions under which the project is to be performed and the scope of work required to achieve the results required by the contract documents.

The Concessionaire shall bear any losses arising from his failure to inspect the site or failure to determine any conditions affecting the project and ascertainable by reasonable inspection or inquiry to the KPB.

**ARTICLE 14: KENAI PENINSULA BOROUGH**

- 14.1 The KPB or its agent shall at all times have access to the project site.
- 14.2 The KPB or its agent may make periodic visits to the site to inspect the project and to determine if the project is proceeding in accordance with the contract documents.
- 14.3 The KPB's agent has the authority to reject work which does not conform to the contractual documents and to require such remedial work, at no charge to the KPB, as is necessary to make the project conform to the contractual requirements. Where defective work is performed by the Concessionaire, the KPB's agent has the authority to order an immediate halt to all work. Any losses suffered by the Concessionaire, as a result of a halt ordered, shall be borne by the Concessionaire without recourse to the KPB.
- 14.4 The KPB shall issue all instructions to the Concessionaire in writing.

## ARTICLE 15: CONCESSIONAIRE

- 15.1 The Concessionaire shall supervise and direct the project. The Concessionaire shall be solely responsible for all methods, techniques, sequences and procedures, including coordinating of all portions of the project under this contract.
- 15.2 Unless otherwise noted, the Concessionaire shall provide and pay for all labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for the proper execution and completion of the project.
- 15.3 The Concessionaire shall, at all times, enforce strict discipline and good order among employees, and shall not employ on the project any unfit person or anyone not skilled in the task assigned to him.
- 15.4 The Concessionaire warrants to the KPB that all work will be of good quality, free from faults and defects, and in conformance with the contract documents. All work not so conforming to these standards may be considered defective and the KPB may require its correction at no cost to the KPB.
- 15.5 The Concessionaire shall give all notices and comply with all laws, ordinances, rules, regulations and orders of any public authority bearing on the performance of the work and shall notify the KPB if specifications are at variance therewith.
- 15.6 Concessionaire shall be responsible for acts and omissions of its employees and subcontractors, their agents and employees, and other persons under contract with the Concessionaire.
- 15.7 The Concessionaire will immediately notify the KPB of any apparent errors in surveys, boundaries, or required quantities of work.
- 15.8 The Concessionaire shall, at all times, keep the premises free from accumulation of refuse, materials or rubbish caused by operations. At the completion of the project, waste materials and rubbish from the project area, tools, construction equipment, machinery and surplus materials shall be removed. Concessionaire shall leave the project site clean, except as may be authorized.
- 15.9 The Concessionaire shall be responsible for minimizing public hazards and inconveniences, which might result from this project.

## ARTICLE 16: SUBCONTRACTORS

16.1 A subcontractor is a person who has a direct contract with the Concessionaire to perform any of the work at the site.

16.2 Contracts between the Concessionaire and subcontractors shall be in accordance with the terms of this Agreement.

#### ARTICLE 17: SEPARATE CONTRACTS

The KPB reserves the right to award other contracts for construction of roads to other material sources on KPB land. Material for road construction will come from sources other than those being used by Concessionaire so as not to interfere with Concessionaire's operations.

#### ARTICLE 18: PROTECTION OF PERSON AND PROPERTY

Concessionaire shall be solely responsible for initiating, maintaining and supervising all safety precautions and programs. Concessionaire shall take all necessary precautions for the safety of, and provide all protection to prevent damage, injury, or loss to (1) all employees and other persons who may be affected thereby; (2) materials and equipment; and (3) all other property, including that of the KPB at the project site or adjacent thereto. Concessionaire is liable for damage or loss to any property caused in whole or in part by the Concessionaire, any sub-concessionaire or anyone who acts on behalf of the Concessionaire. Such damage or loss shall be corrected immediately by the Concessionaire to the KPB's satisfaction or, at the option of the KPB, the Concessionaire shall indemnify the party suffering the damage or loss.

#### ARTICLE 19: CHANGES IN THE PROJECT

19.1 Without invalidating the agreement, the KPB may at any time order additions, deletions or revisions in the project. Additions, deletions, or revisions will be authorized in writing. All such requested work shall be executed under the applicable conditions of the contract documents.

19.2 Additional work performed by Concessionaire without written authorization from the KPB will not entitle an increase in the contract price or an extension of the contract time.

19.3 It is the Concessionaire's responsibility to notify its Surety of any change affecting the general scope of the project or change in the contract price. The amount of applicable bonds shall be adjusted accordingly.

Page -1-

**East Road Services - Eagle Lake Gravel Pit Proposal**

This is a proposal submitted by Troy A. and Linda T. Jones, DBA/East Road Services, for the management of the Kenai Peninsula Borough (KPB) Gravel Pit Site located off the Eagle Lake Road East of Homer, Alaska.

**LICENSING**

AK Business License #127797

AK Contractors License #20126

KPB Sales Tax Registration #21256

KPB Tax Exempt Resale #00414R00

Bonded for \$10,000.00

Insured (see attached certificate for limits, including Worker's Compensation)

**HISTORY**

East Road Services is a construction company owned and operated by Troy A. and Linda T. Jones, and located at 18.5 miles East End Road.

Troy Has lived here since moving to Alaska in 1956 at age 18 months. He grew up on his fathers homestead here and learned to operate various types of equipment in the clearing and construction of their ranch at 20 mile East End Road.

Troy continued in the construction business working for other contractors until beginning his own company in 1990.

**QUALIFICATIONS**

A sample of jobs that I have worked on over the years are, The Alaska Pipeline(road construction), clearing of the Bradley Lake Transmission Line (as Field Supervisor for Zubeck, Inc.), rebuilding and paving of the first 10 miles of the East End Road (as Truck boss for the paving portion), and for Alaska Development Services, graveling the last 8 miles of the East End Road.

Since we began East Road Services we have completed or are in the process of completing

|---|---|

On the ranch we own, we have seeded and fertilized over 60 acres of hay in the last 5 years under the supervision of the agricultural Soil Conservation Service, Tommy Stephens, Director.

We also manage three private sand pits located at 9 mile, 14 mile, and 20.5 miles East End Rd. (See attached letter of reference)

In October of 1992 East Road Services proposed initiating a search for gravel in the Eagle Lake area off of the East End Road to the KPB. The existing gravel source is the result of that exploration. Therefore, we are very familiar with the location and logistics of the gravel site and its potential.

**CREW QUALIFICATIONS**

Our present crew has been with us for up to six years and have experience with State of Ak DOT, 15 years including management in the Homer area, Diesel mechanics, heavy equipment operators, Truck Drivers and Rock crushing.

**EQUIPMENT**

I currently own the following equipment:

- 2 10-12 Yd End Dumps
- 1 16-18 Yd Belly Dump
- 1 772 John Deere Grader
- 1 Champion Grader
- 1 D8H Caterpillar Dozer
- 1 D6C Caterpillar Dozer
- 1 Case 880c Excavator
- 1 980C Caterpillar Loader, 5 Yd. Bucket
- 1 Lowboy Equipment Trailer
- 1 Tilt Bed Equipment Trailer
- 1 JD 650G Dozer
- 1 Kubota 4wd Tractor w/ 1 ½ yd Bucket, to load pickups
- Portable Shop Trailer
- Portable Fueling truck and Fuel Trailer
- Universal Rock Crusher, Portable
- Grizzley Screening Deck
- Pick-up/Sander for sanding, calcium chloride or fertilizing
- Farm Tractors with Broadcast seeder for seeding or fertilizing
- Raygo 4100 Compactor

**MANAGEMENT PLAN**

We currently have a telephone at our place of business located at 18.5 mile East End Road, which has an answering machine and fax which is monitored regularly and we answer all calls in a timely manner. We also carry cell phones with which we are able to monitor these calls from any location. We will have someone available to load public vehicles with gravel on a 6 day per week, 10 hours per day schedule for the duration of the construction season. Any special needs can be met by appointment.

The pit road will be graded as often as needed to maintain a good and safe driving surface. This would vary according to the weather.

A form for recording all sales by quantity, type of gravel and retail or wholesale designations. This report can be faxed and/or mailed on a daily, weekly or monthly basis, as desired by the KPB.

A daily Report as to the actual pit operations such as stripping, crushing, reclamation, etc. will also be maintained and available for the KPB at any time.

**PIT MANAGEMENT SCHEDULE**

A pit management schedule will be filed each year with the KPB Land Management Department as stated in the RFP Bid Documents.

**MATERIALS AVAILABLE**

With the equipment now in place, I would immediately be able to provide the following:

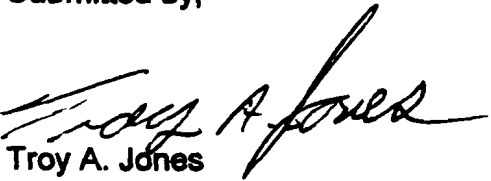

- 'Pit-Run" Gravel
- 1 ½ " Minus Crushed Gravel
- 3" Minus Crushed Gravel
- Sand
- Large Rock, rip rap type

**East Road Services - Eagle Lake Gravel Pit Proposal**

**CROSS SECTION SURVEY**

Should East Road Services be successful bidder on this RFP, we would hire the services of a local Surveying-Engineering firm, Mullikin Surveys, Homer, Alaska 99603. Telephone (907)235-8975, to do the cross section survey and monumented base-line for pit quantities.

Submitted by,

Troy A. Jones

dba/ East Road Services

Prior to commencement of the material site management and operations, Concessionaire will have a Registered Surveyor perform a cross section survey and establish a monumented base-line for pit quantities. At the end of the season Concessionaire will have a Registered Surveyor perform another cross section survey to determine the quantity of material removed and striped areas.

**ARTICLE 9: RECLAMATION**

At the end of each season, the working slope shall be graded to a 1:1 slope for safety. Other site reclamation will be completed pursuant to management and reclamation plan developed during 2000 operating season.

**ARTICLE 10: BASIS OF PAYMENT**

In order to supply material to the public at a reasonable cost, KPB has set the maximum value of pit run gravel "loaded out". The sale of sand, gravel and "value-added materials" is subject to a royalty of \$1.50 per cubic yard and a reclamation fee of \$ .50 per cubic yard. Concessionaires yard charge to the consumer includes all costs of royalty, labor, equipment, fuel, insurance, maintenance, utilities, and profit.

The following rates will be the maximum considered for this RFP.

<u>Expense Item</u>	<u>Maximum Charge Rate per Cubic Yard</u>	<u>Concessionaire Bid</u>
1. Royalty Fee (paid to KPB)	\$1.50	\$1.50
2. Stripping , Operation, Handling, Loading, Closure of equivalent area opened, Profit & Overhead	\$8.50	\$ 8.50
3. Select Area Closure (per KPB designation)	\$.50	\$.50
Total maximum allowed per cubic yard	\$10.50	\$ 10.50

KPB Road Maintenance Specifications		Concessionaire Bid
1. Royalty		\$1.50
2. Reclamation		\$ .50
<b>Up to 10,000 Cubic Yards of 3 Inch Minus Per Year</b>		
Sieve Designation	Percent Passing By Weight	
3 inch	100	
3/4 inch	50-85	
No. 4	30-70	
No. 200	10 Max.	\$ 16.00
Total maximum allowed per cubic yard		\$ 18.00

Other Items:  
Material with Value Added

Charge Rate per Cubic Yard  
As determined

ARTICLE 11: PENALTIES

Where it is determined that the Concessionaire fails in his duties of providing the contracted services, a penalty will be assessed. Liquidated damages will be imposed for:

- A) days of incomplete or nonexistent service;
- B) delay in providing the required cleared area;
- C) delay in closure of specified areas;
- D) delay in submittal of monthly royalty payments;
- E) delay in submittal of daily journal for review;
- F) failure to respond immediately to spilled fuel or contaminated soil;
- G) delay in providing stock piled gravel for KPB projects;
- H) Failure to provide a map or comply with the terms of the management plan;
- I) Failure to comply with Article 12 provisions;
- J) Failure to comply with any of the terms of the Concessionaires Agreement and this scope of work.

Liquidated damages will be assessed at \$100 per day for all items except any contaminated soil issue which will be at assessed \$500 per day.

## MEMORANDUM

To: Dale Bagley, Borough Mayor

From: Jan Henry, Emergency Management Coordinator

Date: August 21, 2000

Re: Mini Project Impact Grant

Attached are two copies of the Agreement for the Mini Project Impact Grant negotiated with the Alaska Division of Emergency Services (ADES). We have checked with Craig Chapman and he agrees that we can accept these funds and that there are no administrative problems in doing so.

Please sign both copies and return them to this office and we will follow up with ADES.

If you have any questions please call me at extension 319.

Thank you.

Mr. John Alcantra  
Emergency Management Coordinator  
Kenai Peninsula Borough  
144 N. Binkley Street  
Soldotna, AK 99669

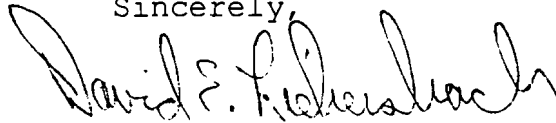

Dear Mr. Alcantra:

The Division of Emergency Services (DES) Project Impact (PI) Manager has reviewed your Mini PI Grant request for FY2000. Based on his review, I am pleased to award the Kenai Peninsula Borough a PI Mini Grant in the amount of \$25,000.

Enclosed are two copies of the Mini PI Grant agreement between Kenai Peninsula Borough and DES. DES has pre-signed these copies to expedite processing requirements within your local government. When you obtain the necessary local signatures and return one copy to DES, the grant agreement will be fully executed.

Please contact Jim Butchart if you have any questions or need more information.

Sincerely,

David E. Liebersbach  
Director

**AGREEMENT**  
**Mini Project Impact Grant**

**We, Kenai Peninsula Borough (KPB), the undersigned, do hereby certify:**

1. The receipt of additional funding in the form of a Mini Project Impact Grant of \$25,000 will be used for the KPB Project Coordinator salary and incidental related administrative costs.
2. That no costs shall be incurred under this agreement before 6/20/00 and that this Grant expires 9/30/00.
3. That a final Report/Billing will be submitted to arrive within 30 days after the end of the Grant and will include a complete billing showing costs incurred for the PI Coordinator.
4. Single Audit: The applicant agrees that, as a condition of receipt of the federal financial assistance, they will have an A-128 Audit performed on the federal funds received. Each sub-recipient is required to provide independent auditors with access to their records and financial statements.

**MEMORANDUM  
KENAI PENINSULA BOROUGH  
LEGAL DEPARTMENT  
144 N. Binkley Street  
Soldotna, Alaska 99669**

**TO:** Dale Bagley, Borough Mayor

**FROM:** *[Signature]* Colette G. Thompson, Borough Attorney  
*[Signature]* Jeff Sinz, Finance Director

**DATE:** August 17, 2000

**SUBJECT:** One-year extension of agreement to provide professional legal services

Attached for your signature is the agreement to extend for one year the agreement for professional legal services with Robert J. Molloy. This extension is pursuant to your previous verbal approval. In 1996, the assembly authorized the administration to enter into a three-year contract with Molloy & Landry, with options for two one-year extensions. This will be the final extension of the contract. Please have copies of the completed agreements provided to the legal and finance departments. Thank you for your consideration of this matter.

**AGREEMENT TO EXTEND FOR ONE YEAR THE AGREEMENT FOR  
PROFESSIONAL LEGAL SERVICES**

On August 8, 1996, the KENAI PENINSULA BOROUGH ("KPB"), an Alaska Municipal Corporation, 144 N. Binkley Street, Soldotna, Alaska 99669, and MOLLOY & LANDRY ("Contractor"), Attorneys at Law, 110 S. Willow Street, Suite 101, Kenai, Alaska 99611, entered into an Agreement for Professional Legal Services which the parties amended and extended for one year until June 30, 2000. Additionally, in September 1999 the parties executed an assignment of the contract which assigned it to Robert J. Molloy, Attorney at Law. Pursuant to paragraph I(C), the parties do hereby agree to extend the period of that agreement by one year, until June 30, 2001.

All remaining terms and conditions of the agreement as amended remain in full force and effect.

Re: KPB Collections Contract

Dear Mr. Molloy and Ms. Thompson:

Please consider this letter as my resignation from the August 1996 Borough collections contract, paragraph XII. It has been some years since I have provided any services in cases referred to Mr. Molloy by the Borough under that paragraph. As you may know, I have also voluntarily restricted my private practice of law such that I have not, in the past 6 years since I resigned as Deputy Borough Attorney, accepted cases or disputes that have to do with the Borough or School District. However, just about every department head or deputy that I used to work with at the Borough or School District is gone now, and I no longer see the need to maintain these self-imposed restrictions. To ensure that paragraph XII does not lead to any practice conflict in the future, whether real, under the Professional Rules of Conduct, or perceived, I believe that resignation from any potential duties that I might have pursuant to paragraph XII is appropriate. I would appreciate it if you would append this letter to that contract. Thank you for giving me the opportunity to be of service.

Very truly yours,

*Kristine Schmidt*

<b>FINANCE DEPARTMENT FUNDS VERIFIED</b>	
ACT #	<u>290.32310.43011</u>
BY:	<i>CPW</i> <i>JRS</i>
DATE:	<u>25 Aug 2000</u>

The Solid Waste Department requested a proposal from AeroMap U.S., Inc. to conduct aerial photography and surveying at the Homer Landfill.

Surveys are necessary to provide site development information and quantities of landfill capacity consumed to meet Governmental Accounting Standards Board (GASB) reporting and budgeting requirements.

Aerial photography provides the required survey and quantity information as well as color photographs used by the Borough and site operator to plan development activities and improvements.

No aerial photography/surveying companies capable of performing these services are available in the Kenai Peninsula Borough and AeroMap is the only company capable of providing this work out of Anchorage.

The Solid Waste Department requests approval to award the Aerial Photography and Mapping project to AeroMap for the amount of \$13,800. Funding is available in account 290-32310-43011.

**FROM:** *Steve* Steve O'Connor, Asst. Chief  
**DATE:** July 31, 2000  
**SUBJ:** Award of Medical Director contract

Central Emergency Services recently had a request for proposal (RFP) for Medical Director services out for response. The department is required by law to have a medical director to provide oversight and training of the emergency medical services program. Because of the nature of the services required the department requests Board Certified Emergency Medicine Physicians as a part of the RFP process.

This RFP's was sent to the seven emergency medicine physicians at Central Peninsula General Hospital. The RFP was out for a thirty-day response period and advertised two days in the Peninsula Clarion and two days in the Anchorage daily News. The only respondent was Dr. Bill Cooper who has been our medical director for the last ten years. Having only one response for the medical director RFP has been typical from a historical perspective.

The amount bid for this RFP was forty seven thousand five hundred dollars (\$47,500) annually. Central Emergency Services requests your approval to award the Medical Director RFP to Dr. Bill Cooper.

I recommend approval to award the Medical Director RFP to Dr. Bill Cooper.

**DATE:** July 31, 2000  
**SUBJ:** Award of Employee Occupational Physicals contract

Central Emergency Services recently had a request for proposal (RFP) for a physician to provide employee occupational physical services out for response. The department is required by the Borough labor agreement and OSHA regulations to have a physician to provide entry, employment, and exit physicals. Because of the nature of the services required the department requested physicians with experience in occupational safety as a part of the RFP process.

This RFP's was sent to nineteen physicians in the community. Additionally, the RFP was out for a thirty-day response period and advertised two days in the Peninsula Clarion and two days in the Anchorage daily News. The only respondent was Dr. Bill Cooper who has provided these services for the last ten years. Dr. Cooper also provides occupational surveillance and a vaccination program as a part of this RFP.

The amount bid for this RFP is not to exceed fifteen thousand dollars (\$15,000) annually. Central Emergency Services requests your approval to award the Employee Occupational Physicals RFP to Dr. Bill Cooper.

I recommend approval to award the Employee Occupational Physicals RFP to Dr. Bill Cooper.

SUBJECT: Site Development and Management of Snug Harbor Material Site #2

The Finance Department solicited and received proposals for site management and development of the Snug Harbor Material Site #2, Cooper Landing. Two responsive proposals were received, D & L Construction Co., Inc. and Norris & Son's Contractors.

A team of four evaluators rated the proposals submitted and hereby recommends award of contract to D & L Construction, the firm receiving the highest composite score and ranking.

The bid is fair and reasonable. Sufficient funds are available for reclamation in the following account 250.21210.00000.37150 Gravel Sales.

## SCOPE OF WORK CONTRACT SBB MITIGATION PROJECT/SLASH DISPOSAL KENAI PENINSULA BOROUGH

### Slash Disposal for Inlet Woods, Kenai, Alaska

This Scope of Work Contract, in conjunction with the contractors' signed Kenai Peninsula Borough Equipment Rental proposal, authorizes **S&R Enterprises, Inc., PO Box 1463, Soldotna Alaska, 99669** to conduct slash disposal in Inlet Woods subdivision, Kenai Alaska for the authorized, Not to Exceed sum of \$5,865.00.

This contract is based upon the following time and equipment cost estimates:

2 Dump Trucks 12 hours@\$75.00/hr	<u>\$1,800.00</u>
1 Excavator 12 hours@\$95.00/hr	<u>\$1,140.00</u>
1 Air Curtain Burner & Excavator 13 hours@\$225.00/hr	<u>\$2,925.00</u>
Total Estimated Not To Exceed Cost	<u>\$5,865.00</u>

The contractor will load, haul, and burn all slash and woody debris that is stacked and piled next to the roadways in Inlet Wood Subdivision in an Air Curtain Incinerator located in the back of the subdivision. All debris and burn sites will be left clean and free of materials.

This Scope of Work Contract is to be attached to a copy of a signed, Kenai Peninsula Borough Equipment Rental Agreement Request for Preliminary Rate Proposals.

**KENAI PENINSULA BOROUGH EQUIPMENT RENTAL**

**SPRUCE BEETLE MITIGATION PROGRAM**

**REQUEST FOR PRELIMINARY RATE PROPOSALS**

**COVER LETTER**

The Kenai Peninsula Borough is soliciting equipment rental offers from local vendors for slash and fuel hazard disposal equipment as part of the Borough's spruce beetle mitigation program.

The Borough's spruce beetle mitigation program will identify local slash disposal and hazard tree removal projects based upon local wildfire hazards and risks throughout the Kenai Peninsula Borough, and then will contract with available suppliers of necessary equipment. **The Spruce Beetle Mitigation Equipment Preliminary Rate Proposal (PRP) does not guarantee a business transaction;** it is simply a request for a price quotation. If your equipment is available, it may be utilized in a slash disposal or hazard tree removal project. Contractors will be asked to provide individual project estimates before a scope of work/order for service contract is created. Upon acceptance of an order for service, a binding contract shall be created incorporating the terms of the PRP and the scope of work contract.

Equipment Preliminary Rate Proposal Packets can be obtained beginning July 1, 2000 from Michael Fastabend, Spruce Beetle Coordinator, or from the Borough Planning Department at:

Kenai Peninsula Borough  
144 N. Binkley  
Soldotna, Ak 99669

Read through the "Request for Preliminary Rate Proposals" prior to filling out the agreement. All equipment must either be owner-operated or you must be able to provide a certificate of worker's compensation for your hired operator/representative. Proof of sufficient insurance coverage must be shown at time of hire.

Completed Preliminary Rate Proposal Packets will be received in sealed envelopes at the Planning Department at the above address. Questions should be directed to Michael Fastabend, Spruce Beetle Coordinator at (907) 260-6202. Email at [mfastabend@borough.kenai.ak.us](mailto:mfastabend@borough.kenai.ak.us)

## Kenai Peninsula Borough Equipment Rental

### Request for Preliminary Rate Proposals

1. Scope of Work: The Kenai Peninsula Borough ("KPB") is seeking preliminary proposals for equipment, including both contractor operated and contractor provided equipment and vehicles for use in KPB's spruce bark beetle projects for the reduction and removal of fire hazardous materials and reduction of fuel loading materials. Normal use of equipment and vehicles is under rough and demanding conditions. Projects are anticipated in numerous locations throughout the borough.
2. Proposal Submission: All preliminary proposals must be submitted to the Spruce Bark Beetle Coordinator ("SBBC"). Proposals responding to this request shall be submitted in sealed envelopes clearly identified on the outside as an "Equipment Rental Preliminary Proposal" and listing the name and address of the proposer. Proposals shall be retained for purposes of soliciting and negotiating a binding contract with one or more proposers for numerous spruce bark beetle projects between July, 2000, and May, 2001.
3. Evaluation and Solicitation of Final Proposals: Upon identification of a project, the preliminary proposals held by the SBBC will be reviewed and proposers with necessary equipment for the project and offering the most competitive pricing will be contacted to determine availability and to solicit a specific final proposal for each such project as the projects arise. These final proposals will be evaluated considering the quality and suitability of equipment for the project, qualifications and experience of the operators, compliance with applicable borough requirements, and rates charged. The rates charged in the final proposal shall be based on the rates proposed in the preliminary proposal. KPB will attempt to negotiate a final contract with the most successful proposer and an order for service issued. Should such negotiations fail, then KPB shall negotiate with the next most successful proposer. The final binding contract between the Contractor and the KPB shall incorporate the applicable terms of this RFP, the Contractor's proposals, applicable scope of work provisions, and other applicable provisions consistent with this RFP and the proposals.
4. Issuance of Orders: The start of the rental period will be agreed upon at the time of the order for service. Each service call will be documented on an Equipment Use Invoice. The Contractor shall agree that such forms may be signed by his operator as his duly authorized representative for the purpose of certification as to the number of hours or other units of pay earned. The Contractor or operator(s) must sign the Equipment Use Invoice document at the time of release from work.
5. Reporting for Service: The Contractor shall be responsible for delivering equipment to the KPB in good and safe operating condition and will be subject to pre-use inspection. If equipment is not ready for operation when it arrives for work, the KPB may refuse to accept it. The Contractor warrants that all equipment in Contractor's proposal meets all state and federal safety regulations and standards. The operator(s) shall report to a KPB

official at the specific job site at the outset of the rental period so equipment can be logged in, inspected, and time records started. The operator(s) shall keep a copy of the Equipment Rental Agreement with the equipment.

6. Operating Supplies: Operating supplies shall include fuel, oil, lube, filters, and lube/oil changes. Unless otherwise specified in the ERA, the Contractor will furnish lubricants, all fuel and all other operating supplies normally needed to operate equipment.
7. Time keeping: Time will be recorded on an Equipment Shift Ticket. Time will be recorded as follows:
  - a. Hourly rate-nearest quarter-hour.
  - b. Monthly, Weekly, or Daily rate-by calendar day except for first and last day, which will be recorded to the nearest quarter hour.
  - c. Per Mile Special rate-nearest mile.
8. Payments: Rates of payments for equipment hired with operator(s) includes all operator(s) expenses. Payment for equipment will be at rates specified in the rate proposal submitted by the proposer, attached hereto and incorporated herein by reference upon submission of the proposal.
  - a. Hourly Rate: Hourly rate shall apply when equipment is under hire and on shift as ordered by the KPB. For time the equipment and/or operator is inoperable or unavailable during a scheduled shift, the equipment will not be considered "on shift" for pay purposes.
  - b. Daily Rate: Daily rate payment will be made on basis of calendar days. For fractional days at beginning and ending of time under hire, payment will be based on 25 percent of the daily rate for each six hours or fraction thereof that equipment is under hire. If either the equipment or operator is inoperable or unavailable to work when needed in any calendar day (down time), the following payment for that day applies: less than two hours down time, 100% of the daily rate is paid; two to less than six hours of down time, 75 per cent of the daily rate is paid; six to less than twelve hours of down time, 50 per cent of the daily rate is paid; twelve to less than eighteen hours of down time, 25 per cent of the daily rate is paid; eighteen or more hours of down time, 0 per cent of the daily rate is paid.
  - c. Special Rates: Special rates shall apply when an additional rate is charged in addition to the Hourly, Daily or Weekly rate for the same piece of equipment. An example is a daily rate and mileage rate. Special rates paid shall be those shown in the proposal.
6. Repairs: Repairs to equipment shall be made and paid for by the Contractor. The KPB may, at its option, elect to make such repairs when necessary to keep the equipment operating. The cost of such repairs will be deducted from payment to the Contractor.

7. Permits: The Contractor is responsible for obtaining at its own expense, carrying a copy of, and showing proof at the time of hire, all necessary licenses and permits required by state and federal law and regulations.
8. Accessories Required for Off-Road Vehicles: One five Lb., functional ABC-type fire extinguisher, one toolbox with suitable tools for equipment repairs, overhead cab (ROPS), choker chain or winch with cable, other accessories required for safe operation and as specified in the final contract.
9. Accessories for Highway Vehicles: Legal Highway vehicles must have the following: Seat belts for all occupants; five Lb. fire extinguisher, matching spare tire mounted securely, three emergency reflectors, jack that can lift the vehicle's legal load, and placard signs on all four sides of vehicles where required.
10. Termination for Convenience: A KPB official may terminate the order for service at any time. When the order for service is so terminated, the KPB shall be liable only for payments in accordance with payment provisions of these Rental of Equipment Conditions for services rendered prior to the effective date and time of termination.
11. Hold Harmless: The Contractor shall indemnify, hold harmless and defend the KPB, its officers, agents and employees from all liability, including costs and expenses, for all actions or claims resulting from injuries or damages sustained by any person or property arising directly or indirectly as a result of any error, omission or negligent act of the contractor, subcontractor or anyone directly or indirectly employed by them in the performance of this agreement.
12. Liability Insurance: The Contractor must carry adequate commercial, general, & automotive liability insurance to protect the Contractor and the KPB from loss arising from the performance for an order for service. The minimum amount of liability insurance is \$1,000,000.00 combined single limit per occurrence. Proof of insurance must be available within each vehicle and presented upon demand when requested by a representative or agent of the KPB. Contractors are required to provide a Certificate of Insurance naming Kenai Peninsula Borough and School District as an additional insured. Certificates of Insurance are to be mailed to the Kenai Peninsula Borough identifying the contract number with a 30 day advance notice of cancellation. The required insurance of the contractor is primary and exclusive of any insurance held by the Borough.

The Contractor will be responsible for all damages to property and to persons, including third parties, that occur as a result of Contractor or Contractor's agent or employee fault or negligence. The term "third parties" is construed to include officers and employees of the KPB. Contractors are encouraged to maintain physical damage and theft insurance for losses or damage to their vehicles or equipment.

**Additional Conditions For Rentals With Operator:**

12. Performance and Direction of Work: When the rental includes an operator, the operator has status of an employee of the Contractor and is responsible at all times for the care and safe, efficient operation of equipment, and may refuse to work in a situation

exceeding operator(s) ability or that of the equipment. The operator must possess all necessary, valid driver's licenses, operator's licenses, and any other certifications. The operator receives work assignments from, and performs work under, general direction of KPB personnel. The KPB may request removal and replacement of any operator(s) who, in the KPB's judgment, is incompetent, careless or otherwise objectionable.

13. Equipment Servicing: The term servicing shall include servicing the equipment with fuel, lubricants and other operating supplies. It is the responsibility of the operator to determine that the fuel used is the proper fuel for the equipment being serviced. The operator is responsible for all equipment servicing, lubricants, filters, and parts to maintain the equipment in serviceable condition.
14. Tools, Spares and Accessories: The operator is responsible at all times for tools, spares, and accessories belonging to himself or the Contractor, and shall secure them in the equipment, if possible.
15. Worker's Compensation: The Contractor shall carry and maintain, for all employees engaged in work under this agreement, coverage as required by AS 23.30.045.

I certify that I have read, fully understand, and agree to the terms contained in this "Equipment Rental Request for Preliminary Rate Proposals" in this form. Attached are the completed Vendor Business Information Form and the Rental Equipment List and Rate Proposal, which constitute my proposal in response to this request and are incorporated herein by reference.

SCOPE OF WORK CONTRACT  
SBB MITIGATION PROJECT/SLASH DISPOSAL  
KENAI PENINSULA BOROUGH

Slash Disposal for City of Homer, Homer, Alaska

This Scope of Work Contract, in conjunction with the contractors' signed Kenai Peninsula Borough Equipment Rental proposal, authorizes S&R Enterprises, Inc., PO Box 1463, Soldotna Alaska, 99669 to conduct slash disposal on the City of Homer's Heath Street Property, for the authorized, Not to Exceed sum of \$5,250.00.

This contract is based upon mobilization to, demobilization from and a two-day demonstration burn on the Homer City property.

Total Estimated Not To Exceed Cost \$5,250.00

The contractor will burn all slash and woody debris that is currently stacked and piled on the Heath Street property in an Air Curtain Incinerator located on site. All debris and burn sites will be left clean and free of materials.

This Scope of Work Contract is to be attached to a copy of a signed, Kenai Peninsula Borough Equipment Rental Agreement Request for Preliminary Rate Proposals.

**KENAI PENINSULA BOROUGH EQUIPMENT RENTAL**

**SPRUCE BEETLE MITIGATION PROGRAM**

**REQUEST FOR PRELIMINARY RATE PROPOSALS**

**COVER LETTER**

The Kenai Peninsula Borough is soliciting equipment rental offers from local vendors for slash and fuel hazard disposal equipment as part of the Borough's spruce beetle mitigation program.

The Borough's spruce beetle mitigation program will identify local slash disposal and hazard tree removal projects based upon local wildfire hazards and risks throughout the Kenai Peninsula Borough, and then will contract with available suppliers of necessary equipment. **The Spruce Beetle Mitigation Equipment Preliminary Rate Proposal (PRP) does not guarantee a business transaction;** it is simply a request for a price quotation. If your equipment is available, it may be utilized in a slash disposal or hazard tree removal project. Contractors will be asked to provide individual project estimates before a scope of work/order for service contract is created. Upon acceptance of an order for service, a binding contract shall be created incorporating the terms of the PRP and the scope of work contract.

Equipment Preliminary Rate Proposal Packets can be obtained beginning July 1, 2000 from Michael Fastabend, Spruce Beetle Coordinator, or from the Borough Planning Department at:

Kenai Peninsula Borough  
144 N. Binkley  
Soldotna, Ak 99669

Read through the "Request for Preliminary Rate Proposals" prior to filling out the agreement. All equipment must either be owner-operated or you must be able to provide a certificate of worker's compensation for your hired operator/representative. Proof of sufficient insurance coverage must be shown at time of hire.

Completed Preliminary Rate Proposal Packets will be received in sealed envelopes at the Planning Department at the above address. Questions should be directed to Michael Fastabend, Spruce Beetle Coordinator at (907) 260-6202. Email at [mfastabend@borough.kenai.ak.us](mailto:mfastabend@borough.kenai.ak.us)

## Kenai Peninsula Borough Equipment Rental

### Request for Preliminary Rate Proposals

1. Scope of Work: The Kenai Peninsula Borough ("KPB") is seeking preliminary proposals for equipment, including both contractor operated and contractor provided equipment and vehicles for use in KPB's spruce bark beetle projects for the reduction and removal of fire hazardous materials and reduction of fuel loading materials. Normal use of equipment and vehicles is under rough and demanding conditions. Projects are anticipated in numerous locations throughout the borough.
2. Proposal Submission: All preliminary proposals must be submitted to the Spruce Bark Beetle Coordinator ("SBBC"). Proposals responding to this request shall be submitted in sealed envelopes clearly identified on the outside as an "Equipment Rental Preliminary Proposal" and listing the name and address of the proposer. Proposals shall be retained for purposes of soliciting and negotiating a binding contract with one or more proposers for numerous spruce bark beetle projects between July, 2000, and May, 2001.
3. Evaluation and Solicitation of Final Proposals: Upon identification of a project, the preliminary proposals held by the SBBC will be reviewed and proposers with necessary equipment for the project and offering the most competitive pricing will be contacted to determine availability and to solicit a specific final proposal for each such project as the projects arise. These final proposals will be evaluated considering the quality and suitability of equipment for the project, qualifications and experience of the operators, compliance with applicable borough requirements, and rates charged. The rates charged in the final proposal shall be based on the rates proposed in the preliminary proposal. KPB will attempt to negotiate a final contract with the most successful proposer and an order for service issued. Should such negotiations fail, then KPB shall negotiate with the next most successful proposer. The final binding contract between the Contractor and the KPB shall incorporate the applicable terms of this RFP, the Contractor's proposals, applicable scope of work provisions, and other applicable provisions consistent with this RFP and the proposals.
4. Issuance of Orders: The start of the rental period will be agreed upon at the time of the order for service. Each service call will be documented on an Equipment Use Invoice. The Contractor shall agree that such forms may be signed by his operator as his duly authorized representative for the purpose of certification as to the number of hours or other units of pay earned. The Contractor or operator(s) must sign the Equipment Use Invoice document at the time of release from work.
5. Reporting for Service: The Contractor shall be responsible for delivering equipment to the KPB in good and safe operating condition and will be subject to pre-use inspection. If equipment is not ready for operation when it arrives for work, the KPB may refuse to accept it. The Contractor warrants that all equipment in Contractor's proposal meets all state and federal safety regulations and standards. The operator(s) shall report to a KPB

official at the specific job site at the outset of the rental period so equipment can be logged in, inspected, and time records started. The operator(s) shall keep a copy of the Equipment Rental Agreement with the equipment.

6. Operating Supplies: Operating supplies shall include fuel, oil, lube, filters, and lube/oil changes. Unless otherwise specified in the ERA, the Contractor will furnish lubricants, all fuel and all other operating supplies normally needed to operate equipment.
7. Time keeping: Time will be recorded on an Equipment Shift Ticket. Time will be recorded as follows:
  - a. Hourly rate-nearest quarter-hour.
  - b. Monthly, Weekly, or Daily rate-by calendar day except for first and last day, which will be recorded to the nearest quarter hour.
  - c. Per Mile Special rate-nearest mile.
8. Payments: Rates of payments for equipment hired with operator(s) includes all operator(s) expenses. Payment for equipment will be at rates specified in the rate proposal submitted by the proposer, attached hereto and incorporated herein by reference upon submission of the proposal.
  - a. Hourly Rate: Hourly rate shall apply when equipment is under hire and on shift as ordered by the KPB. For time the equipment and/or operator is inoperable or unavailable during a scheduled shift, the equipment will not be considered "on shift" for pay purposes.
  - b. Daily Rate: Daily rate payment will be made on basis of calendar days. For fractional days at beginning and ending of time under hire, payment will be based on 25 percent of the daily rate for each six hours or fraction thereof that equipment is under hire. If either the equipment or operator is inoperable or unavailable to work when needed in any calendar day (down time), the following payment for that day applies: less than two hours down time, 100% of the daily rate is paid; two to less than six hours of down time, 75 per cent of the daily rate is paid; six to less than twelve hours of down time, 50 per cent of the daily rate is paid; twelve to less than eighteen hours of down time, 25 per cent of the daily rate is paid; eighteen or more hours of down time, 0 per cent of the daily rate is paid.
  - c. Special Rates: Special rates shall apply when an additional rate is charged in addition to the Hourly, Daily or Weekly rate for the same piece of equipment. An example is a daily rate and mileage rate. Special rates paid shall be those shown in the proposal.
6. Repairs: Repairs to equipment shall be made and paid for by the Contractor. The KPB may, at its option, elect to make such repairs when necessary to keep the equipment operating. The cost of such repairs will be deducted from payment to the Contractor.

7. Permits: The Contractor is responsible for obtaining at its own expense, carrying a copy of, and showing proof at the time of hire, all necessary licenses and permits required by state and federal law and regulations.
8. Accessories Required for Off-Road Vehicles: One five Lb., functional ABC-type fire extinguisher, one toolbox with suitable tools for equipment repairs, overhead cab (ROPS), choker chain or winch with cable, other accessories required for safe operation and as specified in the final contract.
9. Accessories for Highway Vehicles: Legal Highway vehicles must have the following: Seat belts for all occupants; five Lb. fire extinguisher, matching spare tire mounted securely, three emergency reflectors, jack that can lift the vehicle's legal load, and placard signs on all four sides of vehicles where required.
10. Termination for Convenience: A KPB official may terminate the order for service at any time. When the order for service is so terminated, the KPB shall be liable only for payments in accordance with payment provisions of these Rental of Equipment Conditions for services rendered prior to the effective date and time of termination.
11. Hold Harmless: The Contractor shall indemnify, hold harmless and defend the KPB, its officers, agents and employees from all liability, including costs and expenses, for all actions or claims resulting from injuries or damages sustained by any person or property arising directly or indirectly as a result of any error, omission or negligent act of the contractor, subcontractor or anyone directly or indirectly employed by them in the performance of this agreement.
12. Liability Insurance: The Contractor must carry adequate commercial, general, & automotive liability insurance to protect the Contractor and the KPB from loss arising from the performance for an order for service. The minimum amount of liability insurance is \$1,000,000.00 combined single limit per occurrence. Proof of insurance must be available within each vehicle and presented upon demand when requested by a representative or agent of the KPB. Contractors are required to provide a Certificate of Insurance naming Kenai Peninsula Borough and School District as an additional insured. Certificates of Insurance are to be mailed to the Kenai Peninsula Borough identifying the contract number with a 30 day advance notice of cancellation. The required insurance of the contractor is primary and exclusive of any insurance held by the Borough.

The Contractor will be responsible for all damages to property and to persons, including third parties, that occur as a result of Contractor or Contractor's agent or employee fault or negligence. The term "third parties" is construed to include officers and employees of the KPB. Contractors are encouraged to maintain physical damage and theft insurance for losses or damage to their vehicles or equipment.

**Additional Conditions For Rentals With Operator:**

12. Performance and Direction of Work: When the rental includes an operator, the operator has status of an employee of the Contractor and is responsible at all times for the care and safe, efficient operation of equipment, and may refuse to work in a situation

exceeding operator(s) ability or that of the equipment. The operator must possess all necessary, valid driver's licenses, operator's licenses, and any other certifications. The operator receives work assignments from, and performs work under, general direction of KPB personnel. The KPB may request removal and replacement of any operator(s) who, in the KPB's judgment, is incompetent, careless or otherwise objectionable.

13. Equipment Servicing: The term servicing shall include servicing the equipment with fuel, lubricants and other operating supplies. It is the responsibility of the operator to determine that the fuel used is the proper fuel for the equipment being serviced. The operator is responsible for all equipment servicing, lubricants, filters, and parts to maintain the equipment in serviceable condition.
14. Tools, Spares and Accessories: The operator is responsible at all times for tools, spares, and accessories belonging to himself or the Contractor, and shall secure them in the equipment, if possible.
15. Worker's Compensation: The Contractor shall carry and maintain, for all employees engaged in work under this agreement, coverage as required by AS 23.30.045.

I certify that I have read, fully understand, and agree to the terms contained in this "Equipment Rental Request for Preliminary Rate Proposals" in this form. Attached are the completed Vendor Business Information Form and the Rental Equipment List and Rate Proposal, which constitute my proposal in response to this request and are incorporated herein by reference.

**SUBJECT:** Approval for Sole Source Agreement; Scott Bourn Associates, Inc., Paramedic Refresher

Your approval is hereby requested for a sole source professional services agreement with Scott Bourn Associates, Inc. in the amount of \$5,000 dollars to instruct a paramedic refresher course. Additional expenses associated with this agreement include: round-trip coach air fare, lodging, meals and a rental car. This is a budgeted training course.

By law, our paramedics are required to receive 48 hours of continuing education, at the paramedic level, every two years. This course will accomplish that requirement.

Due to the complexity and instructor certification levels required to be a paramedic instructor, the available field is very limited and in demand. A number of other contacts were made, including one in the State of Alaska; however, no other instructor was available during the time we have scheduled our class.

If you require more information, please give me a call at 262-4792.

Thanks!!!

**MAYOR'S REPORT**

1205P

**FINANCE DEPARTMENT  
 FUNDS VERIFIED**

ACT # 211.51610.43011

BY: *[Signature]* **MAYOR'S REPORT**

**DRAFT**

**KENAI PENINSULA BOROUGH  
CENTRAL EMERGENCY SERVICES  
AGREEMENT BETWEEN BOROUGH AND CONSULTANT  
FOR PROFESSIONAL SERVICES**

MADE AS OF THE \_\_\_\_\_, DAY OF \_\_\_\_\_ IN THE YEAR TWO THOUSAND.

BETWEEN the OWNER: KENAI PENINSULA BOROUGH  
CENTRAL EMERGENCY SERVICES  
231 South Binkley  
Soldotna, AK 99669-8084

AND the CONSULTANT: Scott Bourn Associates, Inc.  
10617 Stone Creek Court  
Parker, Colorado 80134

FOR the PROJECT: 2000 PARAMEDIC REFRESHER CLASS

The Owner and CONSULTANT agree as set forth below:

**ARTICLE 1**

**THE PROJECT**

The CONSULTANT shall perform all the services as described in the Proposed Schedule Attachment A". The project consists of instructing a 48-hour paramedic refresher class. Owner will provide CONSULTANT with all necessary teaching aids as outlined in Equipment Requirements Attachment A".

## ARTICLE 2

### **TIME OF COMMENCEMENT AND COMPLETION**

The CONSULTANT'S performance of the project required by this Agreement shall commence on October 8, 2000 and shall be completed in conformance with the schedule (Attachment A") on or before October 13, 2000.

## ARTICLE 3

### **COMPENSATION**

The Owner shall compensate the CONSULTANT as follows:

1. A professional services fee of five thousand dollars and no cents (\$5,000.00) will be paid upon satisfactory completion of the class, and presentation of an invoice.
2. The Owner shall procure for the Consultant: (a) the least expensive round-trip coach class airline ticket, (b) overnight lodging and rental car for the duration of the class, and (c) meal allowances at the rate of \$27.00 per day, or actual reasonable meal expenses based upon submittal of receipts.
3. Consultant agrees to assume all risks associated with his travel.

## ARTICLE 4

### **ENUMERATION OF CONTRACT DOCUMENTS**

The additional documents which are specifically incorporated into this agreement by reference and which together with the Agreement form the contract documents are:

- A. The Proposal, including Class Schedule, (Attachments A).
- B. Equipment Requirements (Attachment A).

## ARTICLE 5

### **ASSIGNMENT**

The Consultant shall not assign, subcontract or transfer his interest in this Agreement without the prior written consent of the Owner

## ARTICLE 6

### **GOVERNING LAW**

This Agreement shall be governed by the Laws of the State of Alaska, and any lawsuit brought herein shall be filed and prosecuted in the Third Judicial District at Kenai, Alaska.

**ARTICLE 7**

**EXTENT OF AGREEMENT**

This Agreement represents the final and completely integrated agreement between the Borough Owner and the CONSULTANT, and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both OWNER and CONSULTANT.

**ARTICLE 8**

**HOLD HARMLESS AGREEMENT**

The services rendered under this Agreement are those of an independent contractor. Consultant shall indemnify, defend, and hold harmless the Kenai Peninsula Borough (KPB), its assemblies, boards, officers, and employees from any and all claims, suits, or actions of any nature resulting from the activities or omissions of the Consultant or his agents. For the purposes of this provision, KPB includes but is not limited to Central Emergency Services and its board, officers, agents and employees of KPB.

IN WITNESS WHEREOF, the parties have caused this agreement to be executed in their respective names by their duly authorized representatives as of the date and year above written.

**MEMORANDUM**

**TO:** Dale Bagley, Borough Mayor  
**FROM:** Catherine Mayer, Solid Waste Director  
**DATE:** August 22, 2000  
**SUBJECT:** Request for Proposals - Central Peninsula Baling Facility

Routed from Mayor's Office to:  
Clerk  Original  
Assembly   
Legal   
Finance  *Theresa, Fowler*  
Assessing   
Planning   
Other  *Cathy Mayer*  
Date: 8/22/00

The Request for Proposals (RFP) for the Central Peninsula Baling Facility (CPBF) Operations and Maintenance Contract is currently out to "bid". The Legal Department notified me that the use of an RFP for this project requires approval of the mayor. The borough code provides:

*If the mayor determines that use of competitive bidding is not practicable or if the procurement is for professional services, the borough may procure supplies, services, professional services, or construction by competitive sealed proposals under this section. Competitive, as used in this section, means evaluation and selection based on the factors specified in this chapter and the request for proposal, and not solely on price.*

The operations and maintenance of the CPBF project has been by RFP since 1992. Mayor support has been verbal in the past; however, written concurrence would be appreciated to ensure we are in compliance with borough code.

Due to the extensive variety of work required at this facility, an RFP is necessary to allow the borough to evaluate the proposers on qualifications and experience, proposed work means and methods (equipment, personnel, facility maintenance, etc.), and cost, and not just solely on cost as is the case for bids. Ensuring proper operations and maintenance for this multi-year contract is important to protect borough facilities and equipment worth several million dollars.

Additionally, KPB 5.28.210 requires the approval of the mayor to require a bid bond. A bid bond is required as part of this RFP to ensure that the successful proponent enters into a contract as required,

I would be pleased to provide additional information or meet with you. Otherwise, if this memorandum is sufficient, please acknowledge approval below.

APPROVED: *Dale L Bagley*

Bill Stockwell  
PO Box 240925  
Anchorage, Alaska 99524-0925

Dear Mr. Stockwell,

**Subject:** Slope Beautification/Reclamation Project, Proposed Resource Management Classification, and Gravel Site Land Use Permit for Borough Land Located in Section 27, SW<sup>1</sup>/<sub>4</sub>NW<sup>1</sup>/<sub>4</sub>, T5N, R3W, S.M. Alaska

The following is written on behalf of Bob Bright, Planning Director; Max Best, Borough Surveyor; Rachel Clark, Planner; and myself, Daniel Conetta, Land Management Technician.

Thank you for your letter of June 30, 2000 regarding the Resource Management classification of Borough land in the Cooper Landing area proposed for slope beautification/reclamation. Your letter raised several questions that this letter will answer. The numbered paragraphs below correspond to the numbered paragraphs in your letter.

The Cooper Landing Advisory Planning Commission (CLAPC) held a special public meeting July 5, 2000 and passed a motion to recommend postponing both the land use permit application for gravel extraction and the proposed overlay classification of Resource Management until additional information is provided. The Kenai Peninsula Borough Planning Commission held a public hearing on July 24, 2000 and recommended adoption of the resolution to classify subject parcel with an overlay classification of Resource Management. The Kenai Peninsula Borough Assembly held a public meeting on August 15, 2000 and recommended postponing action until September 12, 2000. The postponement was recommended so that additional information could be provided for the CLAPC.

1. In regard to your first question, collectively, the Planning Director, Mayor, CLAPC, KPBC Planning Commission, and KPBC Assembly determine the priorities for the restoration of borough land and other land management issues. The criterion used to establish classification issues are based on findings of fact, as outlined in the Planning Commission staff report. The slope beautification/reclamation project is being pursued because this project will help to contribute to the gravel resource needs for the Cooper Landing area.

2. As for the existing cut slope being called “...an eyesore on the scenic route through Cooper Landing.”, this is merely an observation based on the fact that a proposed stabilized vegetative slope will be more attractive than its current stripped condition.
3. & 4. You mentioned that there is damage to borough land, however, the borough is unaware of any damage to subject parcel. A steep slope abuts the southern boundary of subject parcel. This slope was created from extracting gravel on the adjacent property. The gravel extraction on the adjacent property may not be in the best interest of the borough, however, the adjacent property owner has the right to extract gravel from his property. In light of the current situation it would be in the borough’s best interest to work cooperatively with the adjacent property owner to mitigate any potential for erosion and sloughing.
5. In regard to access, temporary access to perform slope beautification/reclamation will need to be by cooperative agreement with the property owner to the south. The best location for a permanent public access can be determined when, and if, the parcel is studied for subdivision design and development. As for the sale of subject parcel, staff would not recommend that it be sold in an open bid without a dedicated public access. If the parcel is sold in the future the KPB Assembly will decide the terms of the sale and type of disposal by adoption of an ordinance.
6. The estimated increase in property value that could be expected would have to be determined by the KPB Assessing Department. The total cost of public money and resources for the slope reclamation project cannot be determined until bids from the Request for Proposal are submitted.
7. In regard to classification, subject parcel was originally classified as Recreational per Resolution No. 96-079. A portion of this parcel was reclassified as Residential per Resolution No. 97-060, which is the current classification for the area being considered for slope beautification/reclamation. If the parcel were sold in the future, staff would recommend that the deed restriction contain the Residential classification only and not the Resource Management classification. The proposed Resource Management classification is a formality to address the interim slope beautification/reclamation project only.
8. Subject site will be used as a temporary material site and only long enough to accomplish the slope beautification/reclamation project. The estimated time to complete the project is one construction season. Material will be extracted only to the extent of creating a safe and stable slope that will be suitable for revegetation. Excess gravel and topsoil, if any, will be considered incidental and could be stored at the Cooper Landing, Snug Harbor Road, Gravel Site No.2; sold on site; or traded for work to perform the slope reclamation project.
9. The initial size of the site on borough property is estimated to encompass an area of approximately 100ft. x 300ft. The finished slope is proposed to be at a grade of 2:1. Total cubic yards of gravel to be extracted have not been determined at this time. Estimated quantities will be calculated when additional survey information is obtained. The borough has contracted to get this survey information, and is expecting it within two weeks.

SUBJECT: Reclamation Proposal, Land Classification and  
Gravel Site Land Use Permit for a portion of Parcel  
No. 119-127-03 located in the SW1/4NW1/4, Sec 27, T5N,  
R3W, S.M., Alaska

I make the following comments and ask the following questions on this issue as a voter, taxpayer and concerned Cooper Landing resident. I hope your collective answers will help all Cooper Landing residents have a better understanding of this issue.

I have reviewed the following public documents and have prepared my comments and questions from them. (1) Mayor's Report Pages 80 & 81 Memorandum May 10, 2000. (2) Public Notice of Proposed Land Classification (3) Public Notice of Land Use Permit for a Gravel Site.

1. Who determines the priority for the restoration of KPB lands in Cooper Landing? What criteria has been established? How was the criteria used to establish a priority for this reclamation project? Was local input through the Cooper Landing APC sought and given fair consideration before establishing this as the priority project?
2. What criteria was used to establish this site as "-- an eyesore on the scenic route through Cooper Landing."? Is this the worst eyesore in Cooper Landing? Who determines an eyesore? Is there a KPB "scenic route beautification process"? Is public input gathered by the Cooper Landing APC used to determine what are Cooper Landing eyesores?
3. Are engineering reports available so that the public can understand and evaluate the extent of damage that has occurred to this public land? Will the loss of public land due to restoration be greater or less than the present loss due to erosion and sloughing? Whose safety is being effected by this erosion and sloughing? Is this a public safety and public liability question?
4. How did the damage occur to this public land? Did this damage occur because of nature or human activity? If it was caused by human activity, was it an activity for individual or corporate gain and profit? Is it KPB policy to use the taxpayer's money to restore damage to public lands caused by private individuals and companies during the conduct of their business?

PAGE 2  
June 30, 2000

5. Adequate and usable legal public access is not now available to this public land. If this public property is being restored for future public use, will obtaining a deeded public right of way to the property be part of the restoration negotiations? If not how can the expenditure of public funds for restoration be justified for property that can not be utilized by the public? Can this parcel even be sold at open bid without adequate access? Will this parcel be sold in the future without an open public bid process?

6. What estimated increase in property value is expected due to this restoration? What is the estimated cost in public money and resources for this restoration?

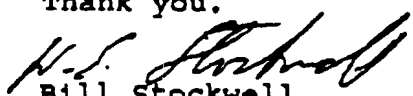

7. This parcel is already classified residential and recreational. Which classification has priority at time of sale? Will this parcel be reclassified after restoration? How soon after? Would this parcel be sold with a resource management classification? If so would that allow a permanent gravel site?

8. How long will this site be used as a KPB material site? Will the public gravel be removed from the site and stored elsewhere for future use so that restoration will start immediately? Or will the area remain a public gravel pit until all gravel is removed over time then restored? Will the gravel be sold at open bid to the public? Will the gravel be used for Borough construction projects in Cooper Landing? Which ones? How will ownership of the public gravel be determined and protected during this restoration process? Does the Borough have a topsoil site identified for this restoration? Can the public obtain topsoil from this site?

9. How much public Borough land is involved - 30,000 square feet, 100' by 300', 60 by 300 foot area or some other number? Will the slope contour be 3:1 slope, 2:1 slope or some other number? How much public Borough gravel will be consumed - 15,500 cubic yards, 6,700 cubic yards or some other number? How much gravel will be available for other uses in Cooper Landing?

I hope you will be able to answer these and many other questions at the Cooper Landing APC public hearing on July 5, 2000. As presented in the above listed documents, this proposal does not show a vital public need worthy of the expenditure of scarce public funds and resources.

Thank you.

  
Bill Stockwell

**KENAI PENINSULA BOROUGH - FINANCE DEPARTMENT**

---

**To:** Bill Popp, Assembly President  
Members of the Kenai Peninsula Borough Assembly

**Thru:** Dale Bagley, Borough Mayor

**From:** Jeff Sinz, Finance Director 

**Date:** August 7, 2000

**Subject:** Budget Revisions –July 2000

The attached report reflects budget revisions made during July 2000. The list contains only budget revisions between major expenditure categories (i.e., maintenance & operations and capital outlay). In addition to those appearing on the attached, other minor transfers were processed between sub-object within major expenditure categories.

BUDGET REVISIONS JULY 2000

	DECREASE	INCREASE
700.11234.48120 (Office Machines)	\$ 360.00	
700.11234.42411 (Minor Office Machines)		\$ 360.00

**Risk Management:** Transfer funds for purchase of new office furniture.

**To:** Bill Popp, Assembly President  
Members of the Kenai Peninsula Borough Assembly

**Thru:** Dale Bagley, Borough Mayor

**From:** Jeff Sinz, Finance Director 

**Date:** August 7, 2000

**Subject:** Revenue -Expenditure Report – July 2000

Attached is the Revenue-Expenditure Report of the General Fund for the month of July 2000. Please note that although only 8.33% of the year elapsed, 83.20% of the budgeted expenditures have been made. This is the result of the timing of the transfers to other funds. All budgeted transfers are recorded at the beginning of the fiscal year. Without the non-departmental division (where all in the transfers are budgeted) the percent of budget used for the general fund is 4.33%.

Fax (907) 262-8686

**To:** William R. Popp, Assembly President  
Members of the Kenai Peninsula Borough Assembly

**Thru:** DLB Dale Bagley, Borough Mayor

**From:**  Colette Thompson, Borough Attorney

**Date:** September 12, 2000

**Subject:** Quarterly Litigation Status Report

Following is a summary of the major lawsuits in which the borough and school district are involved. This list does not include the real property tax foreclosures and numerous tax collection cases pursued by the borough.

1. **Cabana et al. v. KPB**, Case Nos. 3KN-99-470 CI and 3KN-99-502 CI. The parties filed both an appeal and a complaint challenging borough Resolution 99-050 classifying land in the Homer area as light industrial, and also challenging Ordinance 99-17 authorizing an exchange of that land with Clif Shafer in order to mitigate land use conflicts in the vicinity of the Shafer parcel. The borough filed a motion to dismiss the appeal which the superior court granted, and which appellants have now appealed to the supreme court. Oral argument in the Alaska Supreme Court is set for mid-November. The original action is tentatively set for trial in early October. A hearing on summary judgment is set for September 8, 2000.
2. **Chugach Alaska Corporation and Alaska Native Regional Corporation v. KPB**. Case No. 3KN 99-758 CI. Chugach appealed a determination by KPB that a parcel of property selected under ANSCA is taxable because it falls within the definition of developed property. The property had two buildings that have been removed. It is now vacant but is located within Seward and is zoned commercial automotive. The superior court found the property taxable and affirmed the determination of the assessor and awarded the borough attorney fees. The time for appeal to the Alaska Supreme Court has run.
3. **Everts v. KPB Assessor's Office**. Case No. 4FA-00-258 CI. Everts filed a premature appeal of a finding that two of his aircraft flying out of Kenai Municipal Airport (Everts' Air Fuel Inc.) have situs within KPB for tax purposes and of the valuation of those aircraft. The administrative remedies have not been exhausted, and the appeal is filed in the wrong court (Superior Court in the Fourth Judicial District, Fairbanks, Alaska). A motion to dismiss the appeal with an alternative motion for change of venue was filed by the borough. The superior court dismissed the valuation issue and remanded the situs issue to the assessor. The court also stated that the alternative "motion for change of venue appears premature and will

be re-considered after the case is returned after remand.” Everts prematurely appealed the superior court dismissal to the Alaska Supreme Court. To protect its interests, the borough filed a cross-appeal but anticipates that the Alaska Supreme Court will not entertain either the appeal or cross-appeal.

4. **Friends of Cooper Landing v. KPB.** Case No. 3KN-00-277 CI. On March 15, 2000, the KPB Board of Adjustment issued a final decision upholding the preliminary plat of Sunrise Subdivision, a borough subdivision. Bob Baldwin appealed to superior court on behalf of Friends of Cooper landing alleging “defective platting procedures” and a “flawed land reclassification process.” Appellant filed its brief. Appellee’s brief is due in September 2000.
5. **Jake Ivanoff Native Allotment Claim No. AA-47908.** Mr. Ivanoff claims entitlement under the Native Allotment Act, 43 U.S.C. § 270-1 to 270-3, to 40 acres of land now owned by the Kenai Peninsula Borough, and approximately 80 acres of state mental health trust land. The parties have reached a tentative settlement agreement in which the state and borough will each convey two and one-half acres to Mr. Ivanoff in exchange for terminating the case. The assembly and the involved state agencies, including the Mental Health Trust Authority, have approved this settlement. It was recently approved by the Bureau of Land Management. A recorded copy of the settlement and releae was received by the borough recently, and this case is now closed.
6. **KPB v. Dossman.** Case No. 3KN-99-110. This is a replevin case filed on behalf of the school district for the return of some office equipment which was sent to defendant for repair and never returned. The complaint also includes a claim for damages for loss of use. The defendant was served but did not answer. An application for default judgment will be filed.
7. **KPB v. Edward Martin and Kathleen Martin,** Case No. 3KN-95-759 CI; **Kenai Peninsula Borough v. Tom Warhus and Denise Taylor,** Case No. 3KN-95-761; **Kenai Peninsula Borough v. Robert Holbrook and Clyde Holbrook,** Case No. 3KN-95-762; **Kenai Peninsula Borough v. Peter Nicely and Faye Nicely,** Case No. 3KN-95-763 CI. These are actions to eject mining claimants from living on, and keeping unauthorized structures on their State mining claims, which are on borough-selected land. In June, 1996 the Superior Court ruled in the borough.s favor, and all of the claimants have since moved off borough land. The administration is continuing its efforts to finalize these cases. The only party continuing to dispute this matter and who has stated his intent to appeal is Mr. Martin, who did not accept our most recent settlement offer.
8. **KPB v. State Department of Natural Resources,** Case No. 3KN-00-30 CI. (Quartz Creek Appeal) The State Department of Natural Resources (DNR) issued an administrative decision that an RS 2477 trail exists n the Sunrise area. The borough challenges the existence of the trail and its location which DNR has not surveyed. The trail may impact municipal entitlement lands, including lands that may have already been conveyed. The parties are attempting to negotiate a settlement at this time.

9. **KPB v. State Department of Natural Resources**, Case No. 3KN-00-257 CI. (Kenai Area Plan). The KPB appealed the state Department of Natural Resources adoption of the Kenai Area Plan, claiming in part that the state failed to recognize the borough's municipal entitlement rights in adopting the plan and that the plan may not be used to reject lands selected by the borough. The appeal was dismissed pursuant to the settlement agreement approved by the assembly.
10. **KPB v. Walker et al.** Case No. 3KN-98-851CI. KPB is suing three minors and the parents of one of the minors for damage to the Kenai Solid Waste Transfer Facility caused by the juvenile defendants' trespass and by the fire set by one or more of the defendants. A default judgment has been entered against the three minors and the borough is negotiating with the remaining parties.
11. **Logan v. Laidlaw Transit, Inc. and KPB and KPBSD.** Case No. 3HO-99-09 CI. The school district and Laidlaw Transit, Inc. have been sued for injuries sustained by a minor who was seriously injured when she ran across the road and was struck by a vehicle at her bus stop. Laidlaw Transit, Inc. is defending the school district pursuant to our contract with Laidlaw. Trial is scheduled to begin in September 2000.
12. **Martin v. KPB and Mayor Navarre.** Case No. 3KN-98-011CI. Ed Martin Jr. filed suit against the borough and Mayor Navarre alleging the borough code is out of compliance with Alaska Statutes relating to bonding for public officials and criteria for declaring an assembly seat vacant. The superior court granted the borough's motion for judgment on the pleadings and for attorney fees. Mr. Martin has appealed this case to the state supreme court. Briefing is now scheduled to commence in September 2000.
13. **Polushkin v. KPB.** Case No. 3KN-99-551 CI. Mr. Polushkin was injured in an accident on the road accessing the borough gravel pit off of East End Road near Homer. Mr. Polushkin, his ex-wife, and their children have all sued East Road Services, the state and the borough. East Road Services operated the gravel pit pursuant to contract with the borough, and is providing defense for the borough pursuant to the defense and indemnification provisions in our agreement.
14. **Sherman C. "Red" Smith v. Gilman, et al.,** Case No. 3KN-00-333 CI. Mr. Smith sued two former mayors, a former planning director, and two current KPB employees alleging damages for actions committed by the defendants which appear to arise out of and fall within the scope and course of their employment by the borough. An answer and motion were filed on behalf of the defendants; Mr. Smith has filed an amended complaint; and he is scheduled to file another amended complaint.
15. **Sherman C. "Red" Smith v. Brenckle, et al.,** Case No. 3KN-00-337 CI. Mr. Smith filed a separate lawsuit against numerous individuals, including assembly member Pat O'Brien, alleging damages for actions which appear to arise out of the course and scope of his actions as an assembly member. An answer was filed on Mr. O'Brien's behalf.

16. **Stanek v. KPB**, Case No. 3KN-00-690 CI. Mr. Stanek, an Anchorage resident who owns property in the borough, sued the borough alleging that the \$10,000 residential property tax exemption is unlawful. The suit was originally filed in Anchorage, and the court recently granted the borough's motion to change venue to Kenai. An answer was filed for the borough.

**KENAI PENINSULA BOROUGH  
ORDINANCE 2000-19-06**

**AN ORDINANCE ENACTING KPB CHAPTER 13.10, TRANSPORTATION,  
ADOPTING TRANSPORTATION FUNDING POWERS AND APPROPRIATING  
\$50,000 TO CENTRAL AREA RURAL TRANSIT SYSTEM, INC. FOR  
TRANSPORTATION PLANNING, DEVELOPMENT, AND IMPLEMENTATION**

**WHEREAS,** in September 1998 some concerned citizens of the central Kenai Peninsula area formed the Central Kenai Peninsula Public Transportation Task Force to prepare a strategic plan for developing public transportation for the central Kenai Peninsula; and

**WHEREAS,** the task force has completed significant research and planning efforts towards developing public transportation systems in the central Kenai Peninsula area, and in January 2000 formed Central Area Rural Transit System, Inc. ("CARTS"), a nonprofit corporation, for the purpose of developing a transportation plan, implementing it, and operating the public transportation system as proposed; and

**WHEREAS,** the initial proposal is to start small by coordinating existing agency vehicles and allowing public demand to dictate the growth of this system; and

**WHEREAS,** funds are needed to develop and implement this system; and

**WHEREAS,** the Kenai Peninsula Borough Assembly approves the CARTS program and objectives, and finds the borough's best interests would be served by providing financial support to CARTS; and

**WHEREAS,** Alaska Statute 29.35.210 authorizes a second-class borough to provide transportation systems by ordinance on either a nonareawide or areawide basis; and;

**WHEREAS,** the assembly finds the borough's best interests would be served by adopting the power to fund transportation systems on an areawide basis, provided that cities should not be precluded from similarly exercising such power;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** That KPB Chapter 13.10 be enacted to read as follows:

**13.10.010. Adoption of the power to fund transportation systems.**

The Kenai Peninsula Borough may provide, on an areawide basis, funding for public transportation systems within the borough pursuant to AS 29.35.210(b)(1), in accordance with the provisions of this chapter.

**13.10.020. Methods of exercise – funding.**

Funding provided under this chapter will be subject to annual appropriation and authorization by the assembly. Funds may be provided through contracts with organizations established to provide transportation systems or to other entities that can meet the needs of the borough for public transportation. The administration of all programs and contracts shall be through the borough mayor or his designee subject to assembly approval of participation by the borough and appropriation of funds.

**13.10.030. Funding Restrictions.**

No money may be utilized for the provision of programs outside the borough.

**13.10.040. Grants and Contracts.**

The assembly may approve criteria for award of grants or contracts by resolution. All applications shall be submitted in writing to the mayor by February 15 of each year for consideration and for inclusion in the next fiscal year budget. The application shall specify the amount sought and describe the proposed use of the funds. All grant awards shall be approved by the assembly by resolution.

**13.10.050. Agreement by organization.**

Any organization receiving funds must sign an agreement that its use of the funds will be in accordance with the provisions of this ordinance and that it will be responsible to refund any monies used for purposes not authorized by this ordinance. It must also agree to provide an accounting for the funds received and provide certification by its auditors that the funds were used in compliance with this ordinance.

**13.10.060. City transportation funding authorized.**

Pursuant to Alaska Statute 29.35.250(b), notwithstanding the adoption of this areawide power, cities within the borough may also exercise the power to fund transportation systems in accordance with applicable laws. Nothing in this ordinance shall be construed to cause the borough to succeed to any rights, powers, and duties of any city within the borough currently exercising this power.

**SECTION 2.** That \$50,000 is appropriated from the general fund to account 100.94910.01BUS.49999 to provide a grant to CARTS for planning, development and, to the extent feasible, implementation of public transportation systems.

**SECTION 3.** That the mayor is authorized to negotiate and enter into a contract with CARTS for the provision of planning and development of transportation systems with these funds.

**SECTION 4.** That this ordinance shall take effect immediately upon its enactment.

**ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS \* DAY OF \*, 2000.**

## MEMORANDUM

**TO:** William Popp, Assembly President  
Members, Kenai Peninsula Borough Assembly

**FROM:** Grace Merkes, Assembly Member *GM*

**DATE:** August 31, 2000

**SUBJECT:** Proposed amendment to Ordinance 2000-19-06, adopting transportation funding powers

Following are amendments I intend to propose during the September 12, 2000, assembly meeting to Ordinance 2000-19-06. The purpose of these amendments is to require voter approval before exercising transportation funding powers and to delete the \$50,000 appropriation from the general fund to the Central Area Rural Transit System, Inc. ("CARTS"). It is my intent that if the voters approve the adoption of powers, then CARTS could follow the application process to obtain funding from the borough. The amendment is as follows:

**SECTION 2.** [THAT \$50,000 IS APPROPRIATED FROM THE GENERAL FUND TO ACCOUNT 100.94910.01BUS.49999 TO PROVIDE A GRANT TO CARTS FOR PLANNING, DEVELOPMENT AND, TO THE EXTENT FEASIBLE, IMPLEMENTATION OF PUBLIC TRANSPORTATION SYSTEMS.] That a proposition shall be presented to the voters at the next regular or special election which reads as follows:

Shall the borough exercise the power to fund and provide transportation systems on an areawide basis as provided in Ordinance 2000-34?

Yes \_\_\_

No \_\_\_

Section 3 shall be deleted; the existing Section 4 shall be renumbered to Section 3 and revised to read as follows:

That Section 2 of this ordinance shall take effect immediately upon its enactment, and Section 1 of this ordinance shall take effect upon approval of the proposition in Section 2 by the majority of voters voting on the proposition at the regular borough election to be held on October 2, 2001, or if an areawide special election is called for any reason prior to the October 2, 2001 regular election, then the clerk shall add this proposition to any such areawide special election. Additionally, Section 2 shall take effect upon the date the election at which it is approved is certified by the borough assembly.

### **MEMORANDUM**

**TO:** William Popp, Assembly President  
Members, Kenai Peninsula Borough Assembly

**FROM:** Tim Navarre, Assembly Member

**DATE:** July 20, 2000

**SUBJECT:** Ordinance adopting transportation funding powers on an areawide basis

Central Area Rural Transit System, Inc. ("CARTS") has made presentations to the borough assembly concerning its development of a plan for providing public transportation in the Kenai Peninsula. Funding is currently needed by CARTS for planning, developing, and implementing this important service for Kenai Peninsula area residents. Alaska Statutes provide that a second-class borough may, by ordinance, provide transportation systems. Voter approval is not required to exercise this power. The \$50,000 will be used to help fund CARTS' staffing and costs for continuing its planning, development, and possible implementation of the transportation program.

**KENAI PENINSULA BOROUGH  
ORDINANCE 2000-19-09**

**AN ORDINANCE AUTHORIZING THE TRANSFER OF HABITAT PROTECTION  
FUNDS TO THE KENAI RIVER CENTER FUND**

**WHEREAS,** In 1995 the Borough sponsored a community reception for Senator Ted Stevens as part of the Kenai River Classic; and

**WHEREAS,** funding for the reception was received through corporate donations, ticket sales and sponsor funds; and

**WHEREAS,** the funds received exceeded the cost of the reception in the amount of \$1,660.38; and

**WHEREAS,** one purpose of the reception was to raise funds for preservation of salmon habitat along the Kenai River, which is achieved through construction projects and a public awareness campaign; and

**WHEREAS,** one goal of the Kenai River Center is to provide public awareness of the need for habitat protection along the Kenai River;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** That the proceeds from the reception in the amount of \$1,660.38 shall be transferred and appropriated to the Kenai River Center Fund for the purpose of providing educational materials on the need for habitat protection along the Kenai River.

**SECTION 2.** That this ordinance shall take effect immediately upon its enactment.

### MEMORANDUM

**To:** William Popp, Assembly President  
Members, Kenai Peninsula Borough

**Thru:** Dale Bagley, Mayor *DLB*

**From:** Jeffrey Sinz, Finance Director *C. Chapman for J. Sinz*

**Date:** July 31, 2000

**Subject:** Authorizing the Transfer of Habitat Protection Funds to the Kenai River Center Fund

In 1995 the Borough sponsored a reception for Senator Ted Stevens as part of the Kenai River Classic. In addition to Borough funds, additional monies were received through corporate donations and ticket sales to offset some of the costs. The funds received exceeded the cost of the reception in the amount of \$1,660.38. One of the primary purposes of the Kenai River Classic is to raise funds for preservation of salmon habitat along the Kenai River. This is achieved through construction projects and by raising public awareness through educational campaigns.

This ordinance would authorize the transfer of the reception proceeds to the Kenai River Center to supplement their public awareness program. The program includes educational displays and pamphlets, resource materials for their library, and public forums.

**KENAI PENINSULA BOROUGH  
ORDINANCE 2000-33**

**AN ORDINANCE REVISING THE EXEMPTION PERIOD FOR "SEASONAL STORAGE" AND DEFINING "REPAIRS/SERVICING" TO CLARIFY EXEMPTION DETERMINATION**

**WHEREAS,** taxpayers and boat owners have complained that the current specified time frame is not adequate to complete vessel repairs and results in taxation of boats brought into the borough for repair; and

**WHEREAS,** business owners within the borough are placed at a disadvantage because boat owners take their business outside the Kenai Peninsula Borough to avoid Kenai Peninsula Borough taxes; and

**WHEREAS,** there has been confusion about a time frame for repairs and service which qualify for this exemption; and

**WHEREAS,** in Ordinance 98-64 the assembly approved additions to KPB 5.12.150(B) and (C); and

**WHEREAS,** a new section C was added to KPB 5.12.150 in Ordinance 99-15, and the prior changes were inadvertently omitted; and

**WHEREAS,** to eliminate any ambiguity, the amendments are reaffirmed in this ordinance;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** That it is hereby affirmed that the provisions of KPB 5.12.150(B) are as follows as enacted in Ordinance 98-64:

B. Vessels having a home port in a location outside the borough boundaries brought into and remaining in the borough solely for the purposes of repair, servicing or seasonal storage in a boatyard licensed to collect sales tax shall not be deemed to have established a taxable situs in the borough. The assessor may make inquiry and gather information necessary to determine whether a vessel meets the conditions of this section and failure of the vessel owner to supply information necessary to the assessor to make a determination will preclude the owner from claiming nontaxable status for borough taxes. Determination of tax situs under

this section only applies to borough and service area tax levies and taxability of a vessel within a city will be governed by the provisions of the cities tax ordinances and AS 29.45. Vessels that fish in or deliver their catch within the borough shall not be entitled to any exemption under this ordinance. If a vessel owner owns a limited entry fishing permit for waters in the borough, the borough assessor may presume that the vessel was in the borough for fishing purposes and is not eligible for this exemption, provided that this presumption may be rebutted by reasonably reliable evidence to the contrary provided to the assessor by the owner. To be eligible for this exemption, the owner must file with the borough assessor an application, on a form approved by the Borough Assessor, on or before February 15th of each year.

**SECTION 2.** That KPB 5.12.150(D) is hereby amended and reaffirmed as follows:

D. Definitions: For purposes of this section:

1. "Home port" means a vessel's normal base of operation unless the owner resides in the borough or has a base of operations in the borough, at which this vessel regularly calls, in which case, the home port shall be deemed to be in the borough.

2. "Seasonal storage" means storage in a boatyard licensed to collect sales taxes, at any time between September and [MARCH] June of each year. Vessels remaining in the borough in the remaining months will not be eligible for the seasonal storage exemption.

3. "Repairs/servicing" means a vessel brought into a boatyard licensed to collect sales taxes for the purpose of repairs or servicing at any time between September and June of each year. Vessels remaining in the borough in the remaining months will not be eligible for the repair/servicing exemption.

**SECTION 3.** That this ordinance takes effect immediately upon its adoption.

**ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS \* DAY OF \*, 2000.**

### MEMORANDUM

**TO:** William Popp, Assembly President  
Members, Kenai Peninsula Borough Assembly

**FROM:** Drew Scalzi, Assembly Member 

**DATE:** July 20, 2000

**SUBJECT:** Ordinance 2000-33, revising the exemption period for seasonal storage and defining repairs/servicing

Under the existing code, in order to qualify for the boat repair exemption, the vessel may only be stored or repaired by a licensed boatyard between September and March of each year. This does not provide adequate time to complete vessel repairs for many vessels. The accompanying ordinance would extend this period by changing March to June.

Additionally, in preparing this ordinance, it came to our attention that the amendments in Ordinance 98-64 enacted by the assembly were inadvertently omitted in Ordinance 99-15, which subsequently amended the same code provision. Those amendments defined seasonal storage in KPB 5.12.150 and authorized the borough assessor to presume the circumstances under which a vessel is in the borough for fishing purposes and therefore not eligible for the exemption. In order to clarify that these provisions remain in full force and effect, they are reaffirmed in this ordinance.

Your approval of these amendments is respectfully requested.

**KENAI PENINSULA BOROUGH  
ORDINANCE 2000-35**

**AN ORDINANCE AMENDING KPB CHAPTER 14.40 REGARDING OVERSIZE AND  
OVERWEIGHT RESTRICTIONS FOR BOROUGH-MAINTAINED ROADS**

**WHEREAS,** in 1996 the assembly established parking and oversize and overweight restrictions within the road service area; and

**WHEREAS,** the road service area has been enforcing the restrictions for approximately four years; and

**WHEREAS,** revisions are necessary to the notice and signage requirements for those provisions because the current provisions are impractical; and

**WHEREAS,** adequate notice and signage are provided in the proposed amendments;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA  
BOROUGH:**

**SECTION 1.** That KPB 14.40.070 shall be amended to read as follows:

**14.40.070. Oversize and overweight permits—Size and weight restrictions.**

A. Regulation establishment. If it is determined by the road service area director that oversize and overweight regulations are needed within the road service area, the road service area director shall decide to which rights-of-way the restrictions will apply. The rights-of-way proposed for regulation shall be published in a newspaper of general circulation within the borough at least once before imposition, with the first date of published notice being at least [14] seven days prior to imposition. [SIGNAGE INDICATING SIZE AND WEIGHT RESTRICTIONS THAT ARE APPLICABLE TO A PARTICULAR ROAD SHALL BE POSTED ON THE LENGTH OF ROAD SUBJECT TO THE RESTRICTION. THE ROADS DIRECTOR SHALL PREPARE A REPORT ON THE RIGHTS-OF-WAY PROPOSED FOR REGULATION FOR THE ROAD SERVICE AREA BOARD’S REVIEW.] The notice shall be published two additional times in a newspaper or newspapers of general circulation within the road service while the restrictions are in place. [ANY REGULATION SHALL CONTINUE UNTIL THE ROAD SERVICE AREA BOARD PASSES A RESOLUTION LIFTING THE REGULATION.] The roads director shall provide a report of the restrictions to the service area board prior to or at the next meeting of the road service area board. The road service area board may modify the restrictions. Restrictions for particular rights-of-way remain in place unless modified or discontinued by the road service area [BOARD] director through publication of a notice in a newspaper of general circulation within the road service area.

B. Permit required. An oversize and overweight permit is required for those vehicles and equipment exceeding the gross weight, width and height set forth in 17 AAC 25 [FOR RIGHTS-OF-WAY DESIGNATED BY THE ROAD SERVICE AREA BOARD]. The permit may be obtained from the road service area administrative office by filing an application on a form provided by the borough.

[C. DAMAGE TO RIGHT-OF-WAY. PERSONS OR ENTITIES USING THE RIGHT-OF-WAY IN A MANNER CAUSING DAMAGE ARE LIABLE TO THE BOROUGH FOR THE COST OF REPAIR AND SUBJECT TO A FINE SET FORTH IN KPB 14.40.260. PURSUANT TO AS 29.25.070, ON APPLICATION FOR INJUNCTIVE RELIEF AND A FINDING OF A VIOLATION OR THREATENED VIOLATION, THE SUPERIOR COURT SHALL GRANT AN INJUNCTION TO STOP OR PREVENT DAMAGE TO A RIGHT-OF-WAY. THE PLANNING DIRECTOR SHALL ISSUE FINES UNDER THIS SECTION IN ACCORDANCE WITH KPB 14.40.260-270.]

**SECTION 2.** That KPB 14.40.110 is hereby amended as follows:

**14.40.110. Oversize and overweight permits—Signage.**

[UPON ESTABLISHMENT OF ANY SIZE OR WEIGHT RESTRICTIONS, THE ROAD OR ROADS SHALL BE POSTED BY THE ROADS DIRECTOR AND THE RESTRICTION SHALL NOT BE EFFECTIVE UNTIL 24 HOURS AFTER THE POSTING. THE POSTING OF THE ROAD SHALL INCLUDE THE SIZE OR WEIGHT RESTRICTION AND TIME OF POSTING.] The roads director may post individual roads with load limits based on the condition of the road and traffic. Posting does not negate the requirement for published notice set forth in KPB 14.40.070(A).

**SECTION 3.** That KPB 14.40.120(A) is hereby amended as follows:

**14.40.120. Permit appeal—Permit review.**

A. Initial permit review. [CONSTRUCTION PERMIT APPLICATIONS SHALL BE REVIEWED BY THE PLANNING DIRECTOR AND SIZE AND WEIGHT PERMIT APPLICATIONS SHALL BE REVIEWED BY THE ROADS DIRECTOR BEFORE THE PERMITS ARE ISSUED.] The director shall have seven (7) days from the date the permit application is received to issue a written denial or approval of the permits requested, unless for good cause stated, the director extends the time frame for permit determinations. The director shall, by first-class mail, facsimile, or hand-delivery transmit written notice of approval or denial to the applicant at the most recent address provided to the borough in writing by the applicant.

**SECTION 4.** That KPB 14.40.175 is hereby enacted to read as follows:

**14.40.175. Damage to right-of-way.**

Persons or entities using or working in the right-of-way in a manner causing damage are liable to the borough for the cost of repair and subject to a fine set forth in KPB 14.40.260. Pursuant to AS 29.25.070, on application for injunctive relief and a finding of a violation or threatened violation, the superior court shall grant an injunction to stop or prevent damage to a right-of-way. The director shall issue fines under this section in accordance with KPB 14.40.260-270.

**SECTION 5.** That KPB 14.40.260 is hereby amended as follows:

**14.40.260. Civil penalties—Schedule.**

In addition to other remedies afforded by laws, the borough establishes the following schedule of civil fines for violation of KPB 14.14 and 14.40.

KPB 14.40.050	Unlawful Regulation of Traffic Flow; Barricading Right-of-Way	\$125.00
KPB 14.40.060	Violation of Permit Conditions (each condition)	\$150.00
KPB 14.40.065	Failure to Obtain Maintenance Permit; Violation of Permit Conditions	\$25.00
KPB 14.40.070(B)	Failure to [ATTAIN] Obtain Right-of way Construction or Size and Weight Permit	\$250.00
KPB 14.40.[070(C)]175	Damage to Right-of-way	\$100.00
KPB 14.40.190	Parking Violation, First Offense	\$100.00
KPB 14.40.190	Parking Violation, Second Offense—Same Owner/ Same Vehicle	\$250.00
KPB 14.40.190	Parking Violation, Second Offense—Same Owner/ Different Vehicle	\$250.00
KPB 14.40.235	Parking Violation—Impeding Traffic/Maintenance	\$100.00
KPB 14.40.270(B)	Failure to Respond to Citation/Complaint	\$75.00

Each day a violation occurs constitutes a separate violation.

**SECTION 6.** That this ordinance takes effect immediately upon its adoption.

**DATE:** July 18, 2000

**SUBJECT:** Ordinance amending KPB 14.40 regarding oversize and overweight permits

Please find attached amendments to KPB 14.40 addressing oversize and overweight permits. The road service area board recommended these amendments at its June 13, 2000, meeting. Currently the code requires that each road subject to a weight restriction be posted with the restriction. It is not feasible from a financial or personnel standpoint for the RSA to do this. As a practical matter it has been most beneficial for the RSA to implement 50% maximum load restrictions on all borough-maintained roads, with permits granted to exceed these limits on a case-by-case basis. The code revision proposes that weight restrictions be advertised prior to imposition and advertised twice again during the time restrictions are in place. The roads director, within his discretion, may sign roads with the limits. For example, roads in a particularly fragile condition or subject to particularly heavy traffic may be subject to signage. Typically, the restrictions are applicable for a six-week period; however, this may vary from year to year depending on weather and road conditions. The restrictions remain in effect until lifted by publication in a newspaper of general circulation in the borough. The roads director determines in the first instance whether and when weight restrictions are needed and reports to the RSA board regarding the same. The RSA board retains the authority to alter the restrictions.

**KENAI PENINSULA BOROUGH  
ORDINANCE 2000-36**

**AN ORDINANCE ESTABLISHING AN ABATEMENT PROCEDURE  
FOR THE REMOVAL OF ABANDONED VEHICLES FROM BOROUGH  
RIGHTS-OF-WAY AND FROM PUBLIC PROPERTY**

**WHEREAS**, there is a problem within the Kenai Peninsula Borough of persons abandoning vehicles in borough rights-of-way and on public property causing health and safety concerns; and

**WHEREAS**, AS 28.11 authorizes the borough to remove abandoned vehicles from rights-of-way and public property; and

**WHEREAS**, pursuant to AS 28.11 title to abandoned vehicles vests in the State of Alaska unless the borough adopts an abandoned vehicle abatement procedure; and

**WHEREAS**, the State of Alaska currently requires the borough to defend and indemnify the State of Alaska for actions arising from the removal of abandoned vehicles because the borough has not adopted an abatement procedure; and

**WHEREAS**, the State of Alaska has recommended the borough adopt an abandoned vehicle abatement ordinance; and

**WHEREAS**, the borough may still use the abatement procedure set forth in Alaska Statutes upon adopting an ordinance.

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** KPB Chapter 12.06 is hereby enacted as follows:

**CHAPTER 12.06. ABANDONED VEHICLE ABATEMENT PROCEDURE**

**12.06.010. Authority—Administration.**

The borough may cause to be removed from public property and borough rights-of-way abandoned, wrecked, dismantled, or inoperative vehicles following the procedures set forth in AS 28.11.010-110. The roads director or designee shall administer this chapter and be the hearing officer for borough-maintained roads. The planning director or designee shall administer this chapter and be the hearing officer for borough property and rights-of-way not certified for maintenance by the road service area. Specific procedures consistent with AS 28.11 and this chapter may be adopted by road service area board or planning commission resolution as appropriate.

#### **12.06.020. Notice and Hearing.**

A. Notice of removal and storage of an abandoned vehicle to owners and lienholders shall be given in compliance with the provisions of AS 28.11.040. Notice of a right to a hearing regarding forfeiture of title, payment of costs, and other issues associated with the abandonment and abatement of the abandoned vehicle shall be included in the notice to the owner and lienholders.

B. Notice of removal and storage of an abandoned vehicle shall be given in the manner set forth in AS 28.05.121.

C. Hearings shall be conducted consistent with due process and in accordance with a resolution adopted by the road service area board or planning commission as appropriate. The following hearing procedures shall apply:

1. Hearings are informal and the rules of evidence do not apply.
2. Hearings may be telephonic unless the hearing officer determines this would prejudice the rights of a party.
3. The hearing may be delayed for good cause.
4. If a person fails to attend or appear for the hearing at the time and place stated by the hearing officer, the person's failure to attend or appear shall be considered a waiver of the hearing.
5. The hearing officer shall state the reasons for the decision in writing and indicate the evidence relied upon. The decision shall be issued to parties participating in the hearing process.
6. A party aggrieved by the hearing officer's decision may request reconsideration within ten days of distribution of the written decision. Reconsideration shall be heard by the road service area board or planning commission as appropriate.
7. A party aggrieved by the reconsideration decision may, within 30 days after distribution of the decision, file an appeal in superior court for the third judicial district, State of Alaska, at Kenai in compliance with the Alaska Rules of Appellate Procedure, Part Six. A party must timely request reconsideration under KPB 12.06.020(C)(6) in order to be entitled to an appeal to superior court.

**12.06.030. Title and disposal.**

Disposal of abandoned vehicles shall comply with the provisions of AS 28.11.070. Title to an impounded vehicle not reclaimed by the registered owner, a lienholder, or other person entitled to possession of the vehicle within 15 days from the notice given under AS 28.11.040 vests with the borough. Upon satisfaction of the notice and reporting requirements of this chapter and AS 28.11 a vehicle may be disposed of by the borough through an auto wrecking process. The borough may dispose of a vehicle at auction if the borough determines that the vehicle would have value at auction. A person who presents satisfactory proof of ownership or right to possession may redeem a vehicle determined to have value removed under this chapter at any time before an auction under AS 28.11.070.

**SECTION 2.** That this ordinance takes effect immediately upon its adoption.

Members, Kenai Peninsula Borough Assembly

**THRU:** *DLB* Dale Bagley, Borough Mayor

**FROM:** Colette G. Thompson, Borough Attorney  
*W* Holly B. Montague, Assistant Borough Attorney

**DATE:** August 31, 2000

**SUBJECT:** Amendment to Ordinance 2000-36, abatement procedure for removal of abandoned vehicles.

Upon further review, the administration requests that the term "right-of-way" be amended to "road" throughout Ordinance 2000-36, and that a definition of "road" be added to the ordinance as follows:

Amend Section 1 by adding a new section 12.06.040:

#### **12.06.040. Definition.**

"Road" means a road certified for borough road service area maintenance and also includes travel surface, ditches, or rights-of-way associated with a borough-maintained road.

Also, during its August 15, 2000 meeting the assembly enacted ordinance 2000-37, which amended certain code provisions regarding borough rights-of-way and parking regulations. A proposed amendment to that ordinance was in the packet but was inadvertently not considered during that meeting. The amendment, shown below, would have changed the term "right-of-way" to "road."

As Ordinance 2000-36, scheduled for consideration on September 12, 2000, also addresses the removal of vehicles from borough roads, the assembly is requested to consider amending that ordinance to include the following recommended amendment to KPB 12.04.070, changing the term "right-of-way" to "road." For consistency, the word "road," rather than "right-of-way" is used throughout KPB Chapter 12.04. The definition of "road" includes "right-of-way."

**12.04.070. Parking regulation—Blockage.**

Notwithstanding the signage provisions of this regulation where a vehicle or other blockage is impeding the safe flow of traffic or borough road maintenance, the director or designee may tag the vehicle or blockage with a 48-hour warning to remove the vehicle or blockage from the **[RIGHT-OF-WAY] road**. If the vehicle or blockage is not removed within 48 hours, the borough may proceed to remove it at the owner's expense.

DATE: August 15, 2000

SUBJECT: Ordinance 2000-36: Establishing an Abatement Procedure for the Removal of Abandoned Vehicles from Borough Rights-of-Way and From Public Property

The Planning Commission conducted a public hearing for the subject ordinance during their regularly scheduled August 14, 2000 meeting. No public testimony was given during the hearing.

A motion to recommend enactment of the ordinance passed by unanimous consent

Draft, unapproved minutes of the subject portion of the meeting are attached.

AGENDA ITEM F. PUBLIC HEARINGS

4. Ordinance 2000-36: Establishing an Abatement Procedure for the Removal of Abandoned Vehicles from Borough Rights-of-Way and From Public Property

STAFF REPORT

PC Meeting: 8-14-00

Last year it became necessary to remove abandoned vehicles from Borough-maintained roads in order to proceed with safe maintenance and improvement projects. The Road Service Area Board recommended adoption of this ordinance at its June 13, 2000, meeting. The Planning Department also found it necessary to dispose of vehicles abandoned on Borough lands.

The Borough may adopt an abandoned vehicle abatement ordinance pursuant to AS 28.11.100 for the removal of a wrecked, dismantled, abandoned, or inoperative vehicle which may present a public nuisance or health or safety hazard. Such an ordinance must contain provisions for a notice and a hearing to owners and lienholders of record and persons known to be lawfully entitled to possession of the vehicles. Adoption of an ordinance is recommended so that title to abandoned vehicles may vest in the Borough rather the State. Currently, the State requires the Borough to defend and indemnify the State for the abatement procedures because the Borough has not adopted an abatement ordinance. Adoption of a Borough ordinance also allows the Borough to designate places for disposal of abandoned vehicles and also allows the Borough to establish its own hearing procedures regarding the abandonment of the vehicle and forfeiture of title.

The proposed ordinance incorporates the procedures set forth in State law which have worked effectively for the Borough. Following is a summary of those procedures.

The Borough may remove registered or titled vehicles from rights-of-way which have been there for 48 hours or from public property after 30 days, but junk or wrecked vehicles\* may be moved from either the right-of-way or public property after 24 hours. A removal report must be given by the Borough to the Department of Public Safety. Within 30 days of the removal, a notice to the record owner and lienholders of the vehicle must be given stating the grounds for removal and location of impoundment. If an impounded vehicle is not claimed within 15 days, the Borough may auction it or crush it. Title vests with the Borough upon the satisfaction of the removal, notice, and reporting requirements.

\*A "junk" vehicle is not registered, or is stripped, wrecked, or otherwise inoperable due to mechanical failure; or is a vehicle where the cost of repairs exceeds the vehicle's fair market value; or the vehicle exhibits more than one of the following: broken glass, missing wheels or tires, missing body panels or parts, or missing drive train parts. A "wrecked" vehicle means a vehicle that is disabled and cannot be used without substantial repair or reconstruction.

STAFF RECOMMENDATION: The Planning Commission recommend enactment of Ordinance 2000-36.

END OF STAFF REPORT

Vice Chairman Bryson opened the public hearing and noted no members of the public were present. He closed the public hearing and opened discussion among the Commission.

**MOTION:** Commissioner Gannaway moved, seconded by Commissioner Hohl, to recommend that the Assembly enact Ordinance 2000-36.

**VOTE:** The motion passed by unanimous consent.

**SUBJECT:** Abandoned vehicle abatement procedure

Last year it became necessary to remove abandoned vehicles from borough-maintained roads in order to proceed with safe maintenance and improvement projects. The road service area board recommended adoption of this ordinance at its June 13, 2000, meeting. The ordinance will be submitted for consideration by the planning commission at its August 14, 2000, meeting. The planning department also found it necessary to dispose of vehicles abandoned on borough lands.

The borough may adopt an abandoned vehicle abatement ordinance pursuant to AS 28.11.100 for the removal of a wrecked, dismantled, abandoned, or inoperative vehicle which may present a public nuisance or health or safety hazard. Such an ordinance must contain provisions for a notice and a hearing to owners and lienholders of record and persons known to be lawfully entitled to possession of the vehicles. Adoption of an ordinance is recommended so that title to abandoned vehicles may vest in the borough rather than the state. Currently, the state requires the borough to defend and indemnify the state for the abatement procedures because the borough has not adopted an abatement ordinance. Adoption of a borough ordinance also allows the borough to designate places for disposal of abandoned vehicles and also allows the borough to establish its own hearing procedures regarding the abandonment of the vehicle and forfeiture of title.

The proposed ordinance incorporates the procedures set forth in state law which have worked effectively for the borough. Following is a summary of those procedures.

The borough may remove registered or titled vehicles from rights-of-way which have been there for 48 hours or from public property after 30 days, but junk or wrecked vehicles<sup>1</sup> may be moved from either the right-of-way or public property after 24 hours. A removal report must be given by the borough to the Department of Public Safety. Within 30 days of the removal, a notice to the record owner and lienholders of the vehicle must be given stating the grounds for removal and location of impoundment. If an impounded vehicle is not claimed within 15 days, the borough may auction it or crush it. Title vests with the borough upon the satisfaction of the removal, notice, and reporting requirements.

ORDINANCE 2000-39**

**AN ORDINANCE AMENDING KPB 14.06.070 PROVIDING FOR DECERTIFICATION  
OF ROADS VACATED IN ACCORDANCE WITH KPB 20.28**

**WHEREAS,** standards for decertification of roads on the borough's maintenance system were adopted in 1998; and

**WHEREAS,** there are roads on the maintenance system which are unconstructed; and

**WHEREAS,** there are roads on the maintenance system outside of the right-of-way which the road service area endeavors to reestablish in rights-of-way; and

**WHEREAS,** roads on the maintenance system have been vacated in favor of alternate routes and because they meet the standards of KPB 20.28 that they do not or cannot provide access; and

**WHEREAS,** there is a need to amend the decertification criteria in order to allow for housekeeping decertification by the road service area board where roads on the system have been relocated into rights-of-way or vacated and clearly there is no need for further maintenance of these roads;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI  
PENINSULA BOROUGH:**

**SECTION 1.** KPB 14.06.070 is hereby amended by adding new subsections E and F as follows:

- E.** Vacations. Notwithstanding KPB 14.06.070(B), a road that is vacated through the process set forth in KPB 20.28 shall be decertified for maintenance by resolution of the road service area board.
- F.** Alternate Route. Notwithstanding KPB 14.06.070(B), any portion of a road that has been maintained outside of dedicated right-of-way may be decertified for maintenance by resolution of the road service area board where the travel surface has been moved into the right-of-way and the new travel surface is certified for maintenance by the borough.

**SECTION 2.** That this ordinance shall take effect immediately upon its enactment.

**DATE:** July 18, 2000

**SUBJECT:** Amendments to Decertification Standards

Please find for the assembly's consideration revisions to the decertification standards set forth in KPB 14.06. The road service area board recommended these revisions at its July 11, 2000, meeting. There are circumstances which the current process may be too lengthy or cumbersome for roads that should obviously be removed from the maintenance system. Where a road has been vacated through the KPB 20.28 process and is no longer public right-of-way there is no need for a delay in decertifying the road. Additionally where a road has been moved into the right-of-way, the new road should be certified and the former travelway decertified. In both these cases there is no reason for the road to remain on the system raising issues of the road service area's responsibility and liability for the roads.

DALE BAGLEY  
MAYOR

To: William Popp, Assembly President  
Members, Kenai Peninsula Borough Assembly

Thru: *DLB* Dale Bagley, Mayor

From: Jeffrey Sinz, Finance Director *C. Chapman for J. Sinz*

Date: August 2, 2000

Subject: AN ORDINANCE AMENDING KPB 5.04.100 AUTHORIZING THE BOROUGH MAYOR TO TRANSFER SURPLUS BALANCES FROM COMPLETED CAPITAL IMPROVEMENT PROJECTS TO OTHER PROJECTS PREVIOUSLY AUTHORIZED BY THE BOROUGH ASSEMBLY WHERE COSTS ARE EXPECTED TO EXCEED THE AVAILABLE APPROPRIATION

At any time, the borough has numerous capital projects in various stages of completion. Because project appropriations are based on estimates, actual projects costs often come in either under or over the project budget. As a result, some completed projects have available surplus balances while others are in need of additional funding. Unless specifically authorized by the appropriating ordinance, it can be argued that the administration is currently required to request assembly approval for such transfers in the form of a supplemental appropriation prior to making the transfer. Requiring assembly approval of a supplemental appropriation prior to transferring available surplus funds can cause costly delays in project completion and unnecessary administrative expense. If approved, the amendment to KPB 5.04.100 would clarify the mayor's authority to transfer surplus balances from completed capital improvement projects to other assembly approved projects where costs are expected to exceed available appropriations.

ORDINANCE 2000-19-07**

**AN ORDINANCE AUTHORIZING THE SALE OF RUSSIAN GAP SUBDIVISION IN COOPER LANDING BY SEALED BID AND APPROPRIATING [\$258,000] \$492,123 FROM THE LAND TRUST FUND FOR CONSTRUCTING ROADS AND UTILITIES**

- WHEREAS,** the Assembly enacted Ordinance 93-35 adopting the 1992 Community Land Use Plan for Borough Lands in Cooper Landing as an element of the Kenai Peninsula Borough Comprehensive Plan; and
- WHEREAS,** the 1996 Cooper Landing Land Use Plan Update included borough land from the 1992 plan; and
- WHEREAS,** Resolution 96-079 classified borough land in Cooper Landing as recommended by the 1996 Cooper Landing Land Use Plan Update and classified Russian Gap Subdivision residential; and
- WHEREAS,** the borough desires to make more land available to the public in Cooper Landing; and
- WHEREAS,** the proposed Russian Gap Subdivision land has been deposited into the land bank pursuant to KPB 17.10.060(B); and
- WHEREAS,** the Russian Gap Subdivision does not have constructed access from the Sterling Highway, and constructing access to, and internal roads and electric and telephone utilities through the subdivision will greatly enhance its marketability; and
- WHEREAS,** the Cooper Landing Advisory Planning Commission recommended 1) proceeding with development and disposal of the Russian Gap Subdivision, 2) classifying Tract 5 as preservation, and 3) forming an R-R local option zoning district for the Russian Gap Subdivision at its June 7, 2000 meeting; and
- WHEREAS,** the KPB Planning Commission recommended enactment by unanimous consent, as amended to reflect the Cooper Landing Advisory Planning Commissions recommendations, during the regularly scheduled June 26, 2000 meeting;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

- SECTION 1.** That the land referred to as "Russian Gap Subdivision" in the 1996 Cooper Landing Land Use Plan Update and further described as the SW¼NW¼, NW¼NW¼, and NE¼NW¼ Section 30, T5N, R2W, S.M., Alaska, is authorized for sale at fair market value as established by the Assessing Department.
- SECTION 2.** The method of disposal shall be by sealed bid pursuant to KPB 17.10.100(F) with the bid opening date being November 8, 2000.
- SECTION 3.** All parcels will be conveyed by Quitclaim Deed. Either title insurance or another similar report must be obtained for all borough-financed sales, at the Buyer's expense, showing the condition of title and that there are no unsatisfied judgments or liens against the Buyer at the time of closing, the later of which shall also be verified by the Buyer. In the event a title report showing a reasonably acceptable condition of title cannot be obtained, then either the Buyer or the KPB may elect to terminate the purchase contract, in which case all monies on deposit will be refunded the buyer.
- SECTION 4.** Upon successfully bidding or entering into an agreement to acquire the land, down payment of ten percent (10%) of the sale price shall be made and the applicable terms and provisions of KPB 17.10.120 and KPB 17.10.130 shall apply.
- SECTION 5.** The sum of [\$258,000.00] \$492,123.00 is appropriated from the fund balance of the Land Trust Fund to Account 250.21210.01GAP.49999 for the purpose of constructing access to, and internal roads and electric and telephone lines through the Russian Gap Subdivision.
- SECTION 6.** The mayor is authorized to sign any documents necessary to effectuate this ordinance and expend funds appropriated in Section 5 of this ordinance.
- SECTION 7.** That this ordinance shall take effect immediately upon its enactment.

**ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS 15TH DAY OF AUGUST, 2000.**

**KENAI PENINSULA BOROUGH  
RESOLUTION 2000-071**

**A RESOLUTION CLASSIFYING BOROUGH LAND LOCATED IN  
THE COOPER LANDING AREA LYING WITHIN A PORTION THE SW1/4NW1/4,  
SECTION 27, T5N, R3W, S.M., ALASKA, CONTAINING 30,000.00 SQUARE FEET  
MORE OR LESS WITH AN OVERLAY CLASSIFICATION OF RESOURCE  
MANAGEMENT**

- WHEREAS,** the borough has received Final Decision, State ADL No. 201307, for the subject parcel; and
- WHEREAS,** the underlying land is classified Residential per Resolution 97-060; and
- WHEREAS,** the subject parcel is proposed for slope beautification to restore the site to a safe and stable condition that will be suitable for revegetation; and
- WHEREAS,** the proposed slope beautification project will require an overlay classification of Resource Management; and
- WHEREAS,** pursuant to KPB Chapter 17.10.080 public notice was published and notification was sent to land owners and/or leaseholders of record within a one-half mile radius of the land proposed for classification, and to applicable agencies and other interested groups; and
- WHEREAS,** the Cooper Landing Advisory Planning Commission held a special public meeting on the proposed classification July 5, 2000. A motion was passed to recommend postponing the proposed overlay classification of Resource Management; and
- WHEREAS,** the Kenai Peninsula Borough Planning Commission held a public hearing on the proposed classification during its regularly scheduled July 24, 2000 meeting and unanimously recommended approval of the proposed classification.

**NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** That portion of Borough land, as shown on Attachment A which is incorporated herein by reference, located within the SW1/4NW1/4, Section 27, T5N, R3W, S.M., Alaska, containing 30,000.00 square feet be classified with an overlay classification of Resource Management.

**SECTION 2.** This resolution shall take effect immediately upon its adoption.

**ADOPTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS \*TH DAY OF \*, 2000.**

BUSINESS (907) 262-4441 FAX (907)262-1892

### MEMORANDUM

DALE BAGLEY  
MAYOR

**TO:** William Popp, President  
Members of the Kenai Peninsula Borough Assembly

**THRU:** Dale Bagley, Mayor *DLB*  
Jeffrey Sinz, Finance Director *m f for SES.*

**FROM:** Mark Fowler, Purchasing and Materials Manager *M.F.*

**DATE:** August 28, 2000

**SUBJECT:** Resolution 00-*078*  
Surplus Tangible Property Auction

The attached resolution declares the items on the enclosed list as surplus and prescribes the manner of sale as a public outcry auction. Borough departments, service areas, and the school district have until September 8, 2000 to pull items from the list. The list will be adjusted and finalized to recognize all deletions and to add any other items which are deemed to be surplus.

An Invitation to Bid for Auctioneering Services was issued on August 10, 2000 and advertised in the Peninsula Clarion. Of the three bids received, Ideal Auction Services submitted the low responsive bid for performing the auction. The Borough will pay a fee of 11.9 percent based on the total sales.

The auction will be held on Saturday, September 23, 2000, beginning at 10:00 A.M., in the fenced-in area behind the Borough Administration Building.

**KENAI PENINSULA BOROUGH  
RESOLUTION 2000-079**

**A RESOLUTION DEDICATING THE LIBRARY AT THE KENAI RIVER CENTER AS  
THE DONALD E. GILMAN RESOURCE LIBRARY**

- WHEREAS,** during his tenure in the State Senate (1980-1984), Don Gilman was instrumental in establishing the Kenai River as a Special Management Area Unit of the Alaska State Park system; and
- WHEREAS,** in 1994 Don Gilman, as Borough Mayor, strongly endorsed the passage of state legislation which allowed municipalities to provide a tax credit for improvements to property that protects fish habitat along the Kenai River; and
- WHEREAS,** subsequent to passage of state authorization (AS 29.45.046), Mayor Gilman sponsored local legislation, KPB Ordinance 95-32, establishing the Kenai River system habitat protection tax credit, providing an incentive for Kenai River property owners to restore and protect their river banks; and
- WHEREAS,** in response to requests from the public, Mayor Gilman committed to the concept of a one-stop center for permits, information and assistance on Kenai River protection projects; and
- WHEREAS,** Mayor Don Gilman was instrumental in creating the Kenai River Center by sponsoring Ordinance 96-16 and Resolution 96-25 which were unanimously supported by the borough assembly; and
- WHEREAS,** in 1994, Don Gilman was one of the original co-hosts of the annual Kenai River Classic, an invitational fishing tournament that generates revenues and creates public awareness about the need for fish habitat protection in our rivers; and
- WHEREAS,** in addition to his many years of service as a public official, Don Gilman dedicated many years to public education, receiving recognition for his work in education from communities throughout the State for his commitment to quality education and service to that profession; and
- WHEREAS,** Don Gilman has worked continuously for over 30 years for the betterment of education, the Kenai River, and Kenai Peninsula Borough;

**NOW, THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** That in honor for his dedication, commitment and perseverance to education and the protection of the Kenai River, the library at the Kenai River Center in Soldotna, Alaska, shall be named the "Donald E. Gilman Resource Library".

**SECTION 2.** That a plaque establishing the name and dedication of the library shall be posted in the Donald E. Gilman Resource Library at the Kenai River Center.

**SECTION 3.** This resolution becomes effective upon its adoption.

**ADOPTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS 12TH DAY OF SEPTEMBER 2000.**

**KENAI PENINSULA BOROUGH  
ORDINANCE 2000-19-10**

**AN ORDINANCE APPROPRIATING \$82,969.76 TO THE SPECIAL ASSESSMENT  
FUND FOR MOOSE RANGE MEADOWS NATURAL GAS LINE  
UTILITY SPECIAL ASSESSMENT DISTRICT**

**WHEREAS,** KPB 5.35 provides authority for creating and financing utility special assessment districts for utility line extension; and

**WHEREAS,** a petition has been received requesting the formation of a special assessment district in the Moose Range Meadows area for construction of a natural gas main line; and

**WHEREAS,** the assembly adopted a resolution of necessity for the Moose Range Meadows Utility Special Assessment District and has adopted a resolution to proceed with construction; and

**WHEREAS,** financing is necessary to complete the administrative requirements of the ordinance and regulations; and

**WHEREAS,** pursuant to KPB 5.10.040(A)(13) the borough may invest in special assessment districts; and

**WHEREAS,** the estimated total cost of the project of \$82,969.76 is to be provided as an investment by the general fund which will be repaid with interest by assessments on the parcels within the district; and

**WHEREAS,** hearing on shortened time is justified in order that the gas line be constructed within this construction season therefore providing the residents within the special assessment district an economical, clean source of heat this winter.

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** That the amount of \$82,969.76 is authorized to be advanced to the assessment fund from the general fund and appropriated into Account No. 875-92015-49999-MOOSR.

**SECTION 2.** That the special assessment fund shall repay the full amount with interest to the general fund through payments made on the special assessments levied.

**SECTION 3.** That this ordinance shall take effect immediately upon its enactment.

**ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS \* DAY OF \*, 2000.**

ATTEST:

\_\_\_\_\_  
Linda S. Murphy, Borough Clerk

**MEMORANDUM**  
**Kenai Peninsula Borough**  
**Finance Department**

**TO:** William R. Popp, Assembly President  
Members of the Kenai Peninsula Borough Assembly

**THRU:** Dale Bagley, Borough Mayor *DLB*

**FROM:** Jeffrey Sinz, Finance Director *C Chapman for JSinz*

**DATE:** August 21, 2000

**SUBJECT:** Assembly Ordinance 2000-*19-10* Moose Range Meadows Utility Special Assessment Fund

The assembly adopted the Resolution of Necessity 2000-067, establishing the Moose Range Meadows Utility Special Assessment District (USAD) during the August 15, 2000 meeting. With passage of the Resolution of Necessity, the next step in the USAD process is assembly consideration of a Resolution to Proceed. The resolution will be introduced for assembly action at the September 26, 2000 meeting. If approved, construction of the natural gas line may begin this fall, 2000. The attached ordinance appropriates the estimated project costs and authorizes an interfund loan from the General Fund to finance the USAD.

The total cost of the gas line project is estimated at \$82,969.76. This includes direct cost of \$72,910.00 and indirect administrative cost of \$10,059.76. Funding for the project will be provided through an interfund loan from the Borough General Fund. The loan will be repaid through 10 annual assessments levied on property located within the USAD. Billings will include an interest charge equal to the published prime rate in effect at the time of the loan plus 2%. The prime rate is currently 9.5%. If it remains unchanged through project completion, residents of the USAD will be charged an interest rate of 11.5%(9.5% + 2%). This is the same formula used to determine the rate of interest on the interfund loans used to finance the other USAD projects. Early payments can be made without penalty.

If for any reason the USAD is not formed, the loan will not be made and the General Fund will absorb any administrative costs that exceed the \$1,000 filing fee received with the petition.

A shortened hearing date is requested so that this matter can be considered along with the Moose Range Meadows USAD Resolution to Proceed during the September 26, 2000 assembly meeting. This schedule will facilitate completion of the project during the 2000 construction season.

BOROUGH CODE TO PROVIDE FOR AN APPOINTED BOARD OF EQUALIZATION**

**WHEREAS,** the board of equalization hears appeals from determinations of the assessor other than determinations that the property is taxable under law; and

**WHEREAS,** pursuant to AS 29.45.200 and KP.B 5.12.050(A), the assembly currently sits as the board of equalization; and

**WHEREAS,** serving on this board requires a certain amount of expertise in property valuation issues and requires increasing amounts of time and attention from board members; and

**WHEREAS,** Alaska Statutes authorize the assembly to appoint a board to serve as the board of equalization which may be composed of not less than three persons and which may include members of the assembly, municipal residents, or a combination of both groups; and

**WHEREAS,** the assembly finds that the borough's best interests would be served by appointing a board;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** KP.B 5.12.050(A) shall be amended as follows:

- A. A property owner or agent or assign of the property owner may appeal to the [BOROUGH ASSEMBLY SITTING AS A] board of equalization for relief from an alleged error in valuation not adjusted by the assessor to the property owner's satisfaction, or, in the case of property subject to a flat tax, an alleged error in ownership or classification of property.

**SECTION 2.** KPB 5.12.052 shall be enacted to read as follows:

**5.12.052. Board of equalization.**

- A. The board of equalization is established with nine regular members, including three assembly members and six members of the public. It shall also include three alternate members, with one from the assembly. All members shall be appointed by the assembly on the basis of their expertise in real and personal property appraisal, the real estate market, the personal property market, and other fields related to their functions as board members.
- B. The board shall select a presiding officer at its first annual meeting.
- C. A quorum shall be required to convene a meeting of the board and consist of five members. The presiding officer shall select the alternate member to fill a vacancy or substitute in the absence of a regular board member.
- D. The board shall be called as required for equalization matters.
- E. The board may not act except upon concurrence of a majority of the members present.
- F. The borough clerk shall be the board of equalization's clerk, and shall record in the minutes of the meetings all proceedings before the board, and the names of all persons appealing assessments. All changes, revisions, corrections, and orders relating to claims or adjustments, and all final decisions shall be recorded in the appeal record to be kept by the clerk.
- G. Board members shall be compensated at the rate of \$100 per session for each session, subject to a maximum of \$100 per day. All requests for reimbursement shall be actual expenses incurred on authorized board business.

**SECTION 3.** That this ordinance shall take effect immediately upon its enactment.

**ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS \* DAY OF \*, 2000.**

### MEMORANDUM

**TO:** Members, Kenai Peninsula Borough Assembly  
**FROM:** Bill Popp, Assembly President *BP*  
**DATE:** August 31, 2000  
**SUBJECT:** Board of Equalization

Following the large number of board of equalization hearings held this year, I am proposing that the assembly appoint a board of equalization consisting of three assembly members and six members of the public, all of whom shall be appointed taking into consideration their expertise in property appraisals, the real estate market, and other related fields. This would alleviate some of the increasingly heavy workload currently carried by the full assembly while retaining the assembly's direct involvement through the three assembly members on the board. Appointment of the members would be by the assembly, and the ordinance as drafted would compensate board members at the rate of \$100 per session which is the amount currently paid to assembly members for serving on the board. Your support of this ordinance would be appreciated.

Introduced by: Scalzi  
Date: 09/12/00  
Hearings: 09/26/00 & 10/10/00  
Action:  
Vote:

**KENAI PENINSULA BOROUGH  
ORDINANCE 2000-42**

**AN ORDINANCE AMENDING KPB 22.30.110(A) INCREASING THE MONTHLY  
ALLOWANCE FOR ASSEMBLY MEMBERS**

**WHEREAS**, the borough code currently provides that assembly members receive a monthly allowance of \$200, and the assembly president receives a monthly allowance of \$300; and

**WHEREAS**, although life and health insurance benefits were added in 1985, and the auto allowance was added in 1982, the basic monthly compensation for assembly members has not changed since the enactment of Ordinance 78-73 in January 1979, over 21 years ago; and

**WHEREAS**, the assembly appropriated sufficient funds in the fiscal year 2001 budget to provide for an increase in the monthly allowance paid to assembly members;

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI  
PENINSULA BOROUGH:**

**SECTION 1.** That KPB 22.30.110(A) shall be amended to read as follows:

- A. Assembly members shall receive a monthly allowance of [~~\$200.00~~] \$400.00 per month, except the assembly president, who shall receive an allowance in the amount of [~~\$300.00~~] \$500.00 per month.

**SECTION 2.** That this ordinance shall take effect on November 1, 2000.

**ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS \* DAY  
OF \*, 2000.**

### **MEMORANDUM**

**TO:** William Popp, Assembly President  
Members, Kenai Peninsula Borough Assembly

**FROM:** Drew Scalzi, Assembly Member

**DATE:** August 31, 2000

**SUBJECT:** Ordinance increasing monthly allowance for assembly members

The monthly compensation for assembly members was set in January 1979. It has not been adjusted for inflation, and, in order to continue to attract good candidates for the assembly, I believe an increase is justified. If enacted, this ordinance would increase the monthly allowance from \$200 to \$400 for assembly members, and the president's monthly allowance would increase from \$300 to \$500. This is in addition to the \$100 per session received for serving on the board of adjustment or board of equalization, the auto allowance, expense reimbursements, and the health and life insurance benefits currently received.

### MEMORANDUM

TO: William Popp, Assembly President  
Kenai Peninsula Borough Assembly Members

FROM:  Max J. Best, Borough Surveyor

DATE: August 15, 2000

SUBJECT: Vacate Barbara Court (renamed Trial Court by PC Resolution SN 95-01) and associated utility easements dedicated and granted by Addition No. 1 and Resubdivision of Lot 4 Banta Subdivision (Plat 78-21 HRD) and utility easements granted by Banta Subdivision Addition No. 3 (Plat 86-74 HRD), within Section 27, Township 1 South, Range 14 West, Seward Meridian, Alaska, in the Kenai Peninsula Borough; KPB File 2000-128

In accordance with AS 29.40.140, no vacation of a Borough right-of-way and/or easement may be made without the consent of the Borough Assembly. The Planning Commission approved the referenced vacation subject to staff's findings and recommendations at their regularly scheduled August 14, 2000 meeting.

#### Findings

1. No surrounding properties will be denied access or utilities.
2. Sufficient rights-of-way and easements have been dedicated and granted to serve the surrounding properties.
3. Per the petition, the right-of-way is marginally constructed.
4. Per the petition, the utility easement is not in use.
5. The preliminary plat, showing the proposed vacation, will be required if the vacation petition is approved.
6. No superior or alternate access has been proposed.
7. A single owner owns all lots served by this right-of-way.

#### Staff Recommendations:

1. Submittal of a preliminary plat in accordance with Chapter 20 of Borough Code of Ordinances.
2. Receipt of a final plat showing vacations within one year of vacation approval.

AGENDA ITEM F. PUBLIC HEARINGS

1. Vacate Barbara Court (renamed Trial Court by PC Resolution SN 95-01) and associated utility easements dedicated and granted by Addition No. 1 and Resubdivision of Lot 4 Banta Subdivision (Plat 78-21 HRD) and utility easements granted by Banta Subdivision Addition No. 3 (Plat 86-74 HRD), within Section 27, Township 1 South, Range 14 West, Seward Meridian, Alaska, in the Kenai Peninsula Borough; KPB File 2000-128

Staff report as reviewed by Max Best.

Planning Commission Meeting 8/14/2000

Purpose as stated in petition: Mr. Sonnichsen owns all six lots (15, 16-A, 16-B, 17, 18, 19) fronting Barbara Court. He wants to remove all lots lines, reversion to acreage, and create a single large parcel to accommodate his development plan.

Petitioner(s): Howard Sonnichsen of Twisp, Washington.

Public notice appeared in the July 20 and July 27, 2000 issues of the Homer News.

Nine (9) certified mailings were sent to owners of property within 300 feet of the parcels adjacent to the right-of-way; all of the receipts have been returned.

Twenty-one (21) regular mailings were sent to agencies, interested parties, and KPB Departments. Three notices were posted in public locations. The Public Hearing Notice and maps were posted on the Borough web site.

No preliminary plat has been submitted with this vacation petition. Borough Code requires that the vacation, if approved, be finalized by plat. It is not uncommon for a person or group of people to obtain the vacation approval prior to investing money in the plat. Any approval of this vacation will be subject to submittal of a plat in compliance with all regulations.

The right-of-way proposed for vacation does not extend to Cook Inlet. It is a cul-de-sac which serves only the lots adjacent to it. If the vacation is approved, and the lots are replatted into one, it will front on Barbara Drive.

Statement(s) of non-objection

- \* Central Emergency Services - This vacation is not in their service area (staff notifies them of all vacations since they commonly have cooperative response agreements with other areas.)
- \* KPB Coastal Zone Management
- \* Homer Electric Association
- \* State of Alaska Department of Fish and Game

No statements of objection or concern have been received.

**Findings**

1. No surrounding properties will be denied access or utilities.
2. Sufficient rights-of-way and easements have been dedicated and granted to serve the surrounding properties.
3. Per the petition, the right-of-way is marginally constructed.
4. Per the petition, the utility easement is not in use.
5. The preliminary plat, showing the proposed vacation, will be required if the vacation petition is approved.
6. No superior or alternate access has been proposed.
7. A single owner owns all lots served by this right-of-way.

Based on the above findings, staff recommends granting the vacation as petitioned.

STAFF RECOMMENDATIONS: The Planning Commission hold the public hearing, hear testimony, make their findings and vote on the proposed vacations, subject to:

1. Submittal of a preliminary plat in accordance with Chapter 20 of Borough Code of Ordinances.
2. Receipt of a final plat showing vacations within one year of vacation approval.

**If the vacation is approved, the Kenai Peninsula Borough Assembly has thirty days in which they may veto Planning Commission approval of the vacation.**

**DENIAL OF A VACATION PETITION IS A FINAL ACT FOR WHICH NO FURTHER CONSIDERATION SHALL BE GIVEN BY THE KENAI PENINSULA BOROUGH. APPEALS TO PLANNING COMMISSION DENIAL OF A VACATION MUST BE TAKEN WITHIN THIRTY (30) DAYS TO SUPERIOR COURT AT KENAI, ALASKA PURSUANT TO PART VI OF THE ALASKA RULES OF APPELLATE PROCEDURES. [20.28.110 AS AMENDED BY KENAI PENINSULA BOROUGH ORDINANCE 99-43].**

END OF STAFF REPORT

Vice Chairman Bryson read the rules by which public hearings are conducted and opened the meeting for public comment. Seeing and hearing no one wishing to comment, Vice Chairman Bryson closed the public hearing and opened discussion among the Commission.

**MOTION:** Commissioner Skogstad moved, seconded by Commissioner Johnson, to approve the vacation subject to staff's findings including the two recommendations.

**Findings**

1. No surrounding properties will be denied access or utilities.
2. Sufficient rights-of-way and easements have been dedicated and granted to serve the surrounding properties.
3. Per the petition, the right-of-way is marginally constructed.
4. Per the petition, the utility easement is not in use.
5. The preliminary plat, showing the proposed vacation, will be required if the vacation petition is approved.
6. No superior or alternate access has been proposed.
7. A single owner owns all lots served by this right-of-way.

**VOTE:** The motion passed by unanimous consent.

NOTICE OF PUBLIC HEARING

Public notice is hereby given that a petition has been received to vacate a public right-of-way and associated utility easements in the Ninilchik area. Area under consideration is described as follows:

- A. Location and request: Vacate Barbara Court (renamed Trial Court by PC Resolution SN 95-01) and associated utility easements dedicated and granted by Addition No. 1 and Resubdivision of Lot 4 Banta Subdivision (Plat 78-21 HRD), and utility easements granted by Banta Subdivision Addition No. 3 (Plat 86-74), within Section 27, Township 1 South, Range 14 West, Seward Meridian, Alaska; in the Kenai Peninsula Borough. KPB File No. 2000-128
- B. Purpose as stated in petition: Mr. Sonnichsen owns all 6 lots (15, 16-A, 16-B, 17, 18 19) fronting Barbara Ct. He wants to remove all lot lines, reversion-to-acreage, and create a single large parcel to accommodate his development plan.
- C. Petitioner(s): Howard Sonnichsen of Twisp, Washington.

Public hearing will be held by the Kenai Peninsula Borough Planning Commission on **Monday, August 14, 2000** commencing at 7:30 p.m., or as soon thereafter as business permits. Meeting to be held in the Borough Administration Building, Soldotna, Alaska.

Anyone wishing to testify may come to the above meeting to give testimony; or may submit a written statement to the attention of Max Best, or Mary Toll, Kenai Peninsula Borough Planning Department - 144 N. Binkley Street - Soldotna, Alaska 99669. Written testimony should be received by the Planning Department no later than **Wednesday, August 2, 2000**. [Written comments may also be sent by Fax to 907-262-8618]

If the Planning Commission approves the vacation, the Borough Assembly or the affected City Council has thirty days from that decision in which they may veto the Planning Commission approval. Appeals from denials of the Planning Commissions must be taken within 30 days to the Superior Court at Kenai, Alaska pursuant to Part VI of the Alaska Rules of Appellate Procedure.

For additional information contact Mary Toll or Max Best, Resource Planning Department, 262-4441 (1-800-478-4441 toll free within Kenai Peninsula Borough).

Dear Ms. Toll:

Re: Easement Vacations – Howard Sonnichsen  
Banta Subdivision, Nililchik  
Section 27, T. 1 S., R. 14 W., S.M.

The Alaska Department of Fish and Game (ADF&G) has reviewed the subject proposal to vacate an existing road right-of-way and utility easements within lot 4 Banta Subdivision, and Banta Subdivision Addition No. 3, at the referenced location. The vacation of the road right-of way and the utility easements will allow the applicant to create a single large parcel from the six smaller parcels that he owns.

The ADF&G has no objection to the vacation of the road right-of-way and the utility line easements.

We appreciate the opportunity to comment. Please call me at 267-2285 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Stewart Seaberg".

Binkley Street - Soldotna, Alaska 99669. Written testimony should be received by the Planning Department no later than **Wednesday, August 2, 2000**. [Written comments may also be sent by Fax to 907-262-8618]

If the Planning Commission approves the vacation, the Borough Assembly or the affected City Council has thirty days from that decision in which they may veto the Planning Commission approval. Appeals from denials of the Planning Commissions must be taken within 30 days to the Superior Court at Kenai, Alaska pursuant to Part VI of the Alaska Rules of Appellate Procedure.

For additional information contact Mary Toll or Max Best, Resource Planning Department, 262-4441 (1-800-478-4441 toll free within Kenai Peninsula Borough).

KENAI PENINSULA BOROUGH PLANNING DEPARTMENT  
 PETITION TO VACATE  
 PUBLIC RIGHT-OF-WAY/SECTION LINE EASEMENT  
PUBLIC HEARING REQUIRED

Upon receipt of complete application with fees and all required attachments; a public hearing before the Planning Commission will be scheduled. The petition with all required information and attachments must be in the Planning Department at least 30 days prior to the preferred hearing date. By State Statute and Borough Code, the public hearing must be scheduled within 60 days of receipt of complete application.

- Fees - \$300 non-refundable fee to help defray costs of advertising public hearing. Plat fees will be in addition to vacation fees.
- City Advisory Planning Commission. Copy of minutes at which this item was acted on, along with a copy of City Staff Report.
- Name of public right-of-way proposed to be vacated is BARBARA CT.; dedicated by plat of SANTA J/D, ROLL, RESUB Subdivision, filed as Plat No. 7A-21 in Homer Recording District. LOT 4, BLK 1.
- Are there associated utility easements to be vacated?  Yes  No
- Are easements in use by any utility company; if so which? NO

Easement for public road or right-of-way as set out in (specify type of document) \_\_\_\_\_ as recorded in Book \_\_\_\_\_ Page \_\_\_\_\_ of the \_\_\_\_\_ Recording District. (Copy of recorded document must be submitted with petition)

Section Line Easement. Width of easement must be shown on sketch.

Submit three copies of plat or map showing area proposed to be vacated. Must not exceed 11 x 17 inches in size. In the case of public right-of-way the submittal must include a sketch showing which parcels the vacated area will be attached to. Proposed alternative dedication is to be shown and labeled on the sketch.

- Has right-of-way been fully or MARGINALLY partially constructed?  Yes  No
- Is right-of-way used by vehicles/pedestrians/other?  Yes  No
- Has section line easement been constructed?  Yes  No
- Is section line easement being used?  Yes  No
- Is alternative right-of-way being provided?  Yes  No

The petitioner must provide reasonable justification for the vacation.

Reason for vacating MR. SONNICHSEN OWNS ALL 6 LOTS (15, 16-A, 16-B, 17, 18, 19) FRONTING BARBARA CT. HE WANTS TO REMOVE ALL LOT LINES, REVERSION-TO-ADVEASE, AND CREATE A SINGLE LARGE PARCEL TO ACCOMMODATE HIS DEVELOPMENT PLAN.

The petition must be signed (written signature) by owners of majority of the front feet of land fronting part of right-of-way or section line easement proposed to be vacated. Each must include mailing address and legal description of his/her property.

### MEMORANDUM

TO: William Popp, Assembly President  
Kenai Peninsula Borough Assembly Members

FROM:  Max J. Best, Borough Surveyor

DATE: August 15, 2000

SUBJECT: Vacate William C. Morrison Court and associated utility easements within Towle Subdivision No. 3 Oslo Addition (Plat 86-18 SW), within Sections 28 and 33, Township 5 North, Range 3 West, Seward Meridian, Alaska; in the Kenai Peninsula Borough; KPB File 2000-127

In accordance with AS 29.40.140, no vacation of a Borough right-of-way and/or easement may be made without the consent of the Borough Assembly. The Planning Commission approved the referenced vacation subject to staff's findings at their regularly scheduled August 14, 2000 meeting.

#### Findings

1. No surrounding properties will be denied access or utilities.
2. Sufficient rights-of-way and easements have been dedicated and granted to serve the surrounding properties.
3. Per the petition, the right-of-way has not been constructed. Aerial photographs support this.
4. Per the petition, the utility easement is not in use.
5. The preliminary plat, showing the proposed vacation will be required if the vacation petition is approved.
6. No superior or alternate access has been proposed.

This petition is being sent to you for your consideration and action. The Assembly has 30 days from August 14, 2000 in which to veto the decision of the Planning Commission. If no veto is received by the Commission within the 30-day period, the decision of the Commission will stand.

Draft, unapproved minutes of the pertinent portion of the meeting and other related materials are attached.

cc: Ludwig Osowiecki w/minutes only  
William Schofield w/minutes only  
Joyce Olsen w/minutes only

AGENDA ITEM F. PUBLIC HEARINGS

2. Vacate William C. Morrison Court and associated utility easements within Towle Subdivision No. 3 Oslo Addition (Plat 86-18 SW), within Sections 28 and 33, Township 5 North, Range 3 West, Seward Meridian, Alaska; in the Kenai Peninsula Borough; KPB File 2000-127

Staff report as reviewed by Max Best.

Planning Commission Meeting 8/14/2000

Purpose as stated in petition: Combine Tract A and Tract B, Lot 5, Lot 6, and Lot 7 into one tract to reduce taxes and develop as an R.V. park.

Petitioner(s): Ludwig C. Osowiecki, William P. Schofield, and Joyce E. Olsen of Cooper Landing, Alaska

Public notice appeared in the July 19 and July 26, 2000 issues of the Peninsula Clarion.

Twenty (20) certified mailings were sent to owners of property within 300 feet of the parcels adjacent to the right-of-way; nineteen (19) of the receipts have been returned.

Eleven regular mailings were sent to agencies, interested parties, and KPB Departments. Two notices were posted in public locations. The Public Hearing Notice and maps were posted on the Borough web site.

The Cooper Landing Advisory Planning Commission does not hold regularly scheduled meetings during the summer months. The advisory commission could not get a quorum, and no special meeting was held. Staff was in contact with the APC and assured them that all parties could comment as private individuals.

No preliminary plat has been submitted with this vacation petition. Borough Code requires that the vacation, if approved, be finalized by plat. It is not uncommon for a person or group of people to obtain the vacation approval prior to investing money in the plat. Any approval of this vacation will be subject to submittal of a plat in compliance with all regulations. This includes the requirement that any vacated right-of-way is to be platted back into the lots which adjoin it and created it. This would require that half of the right-of-way adjacent to the two lots not included in the vacation (Lots 1A owned by Joyce Olson and 2A owned by Kenai Lake Baptist Church) be platted into those particular lots. They would be included in the plat which finalized this vacation. If any other plan is proposed for the disposition of the vacated acreage, it would require the signatures of the owners of the lots which did not want the vacated acreage.

Lots 1A and 2A both are double frontage lots, and this vacation will not affect their access. If all of the other lots are replatted into a single lot, it will front on the Sterling Highway.

Statement(s) of non-objection

- \* Central Emergency Services - this vacation is not in their service area. (Staff notifies them of all vacation since they commonly have cooperative response agreements with other areas.)
- \* KPB Coastal Zone Management

Statements of concern/objection

- \* The owner of a lot on the corner of Towle Avenue and the Sterling Highway, Duane Ohnemus, wrote that he would not be in favor of this vacation if it was the intention to re-route the RV traffic to Towle Avenue.

Without a preliminary plat, staff is unsure of the eventual layout and proposed traffic pattern. While Lot 2A has not been included in the petition, the owner of Lot 2A has signed the petition. The replatted parcels would not front on Towle Avenue, but access across Lot 2A to the replatted parcels would be possible with the owner's consent. The Code would not prohibit such access, and the remaining right-of-way, Towle Avenue, is a public right-of-way. Such access would be possible, with the permission of the owner of Lot 2A, even if William C. Morrison Court is not vacated.

**Findings**

1. No surrounding properties will be denied access or utilities.
2. Sufficient rights-of-way and easements have been dedicated and granted to serve the surrounding properties.
3. Per the petition, the right-of-way has not been constructed. Aerial photographs support this.

4. Per the petition, the utility easement is not in use.
5. The preliminary plat, showing the proposed vacation will be required if the vacation petition is approved.
6. No superior or alternate access has been proposed.

Based on the above findings, staff can find no justification to recommend denial of the vacation.

**STAFF RECOMMENDATIONS:** The Planning Commission hold the public hearing, hear testimony, make their findings and vote on the proposed vacations, subject to:

1. Submittal of a preliminary plat in accordance with Chapter 20 of Borough Code of Ordinances.
2. Receipt of a final plat showing vacations within one year of vacation approval.

**If the vacation is approved, the Kenai Peninsula Borough assembly has thirty days in which they may veto Planning Commission approval of the vacation.**

**DENIAL OF A VACATION PETITION IS A FINAL ACT FOR WHICH NO FURTHER CONSIDERATION SHALL BE GIVEN BY THE KENAI PENINSULA BOROUGH. APPEALS TO PLANNING COMMISSION DENIAL OF A VACATION MUST BE TAKEN WITHIN THIRTY (30) DAYS TO SUPERIOR COURT AT KENAI, ALASKA PURSUANT TO PART VI OF THE ALASKA RULES OF APPELLATE PROCEDURES. [20.28.110 AS AMENDED BY KENAI PENINSULA BOROUGH ORDINANCE 99-43].**

END OF STAFF REPORT

Vice Chairman Bryson opened the meeting for public comment. Seeing and hearing no one wishing to comment, Vice Chairman Bryson closed the public hearing and opened discussion among the Commission.

**MOTION:** Commissioner Johnson moved, seconded by Commissioner Boscacci, to accept and adopt the findings and grant the vacation requested.

**Findings**

1. No surrounding properties will be denied access or utilities.
2. Sufficient rights-of-way and easements have been dedicated and granted to serve the surrounding properties.
3. Per the petition, the right-of-way has not been constructed. Aerial photographs support this.
4. Per the petition, the utility easement is not in use.
5. The preliminary plat, showing the proposed vacation will be required if the vacation petition is approved.
6. No superior or alternate access has been proposed.

Commissioner Skogstad asked for clarification of the utility easements requested by Chugach Electric. Mr. Best reviewed the request, which was in the desk packet, and agreed it was difficult to interpret. He believed Chugach wanted the 10' utility easement currently in use to remain, and the other utility easements could be vacated.

Commissioner Skogstad noted comments from an adjacent property owner who expressed concern that traffic from the RV park would use Towle Avenue. He asked if the petitioner was aware of this concern. Mr. Best replied yes. The intent is to use the other side of the property, not Towle Avenue, for access to minimize the impact to property owners along this right-of-way.

**FRIENDLY AMENDMENT:** Commissioner Johnson modified his motion to allow the 10' utility easement that is in use to remain (Pages 56-2 and 56-3 desk packet). Commissioner Boscacci concurred. No objection was heard.

Commissioner Johnson said the intent of the friendly amendment is to allow the utility companies to use their easements as necessary.

**VOTE:** The motion as modified by friendly amendment passed by unanimous consent.

Attention: Robert Bright, Director

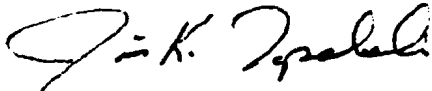

Dear Mr. Bright:

Chugach has provided comments to the enclosed proposed plat referenced per, the following case number:

85-271 – Towle Subdivision #3, Oslo Addition

In the event that there are changes to the lot configurations or additional dedications requested in those same area identified as electric easements, Chugach requests the opportunity to review the revised preliminary plat.

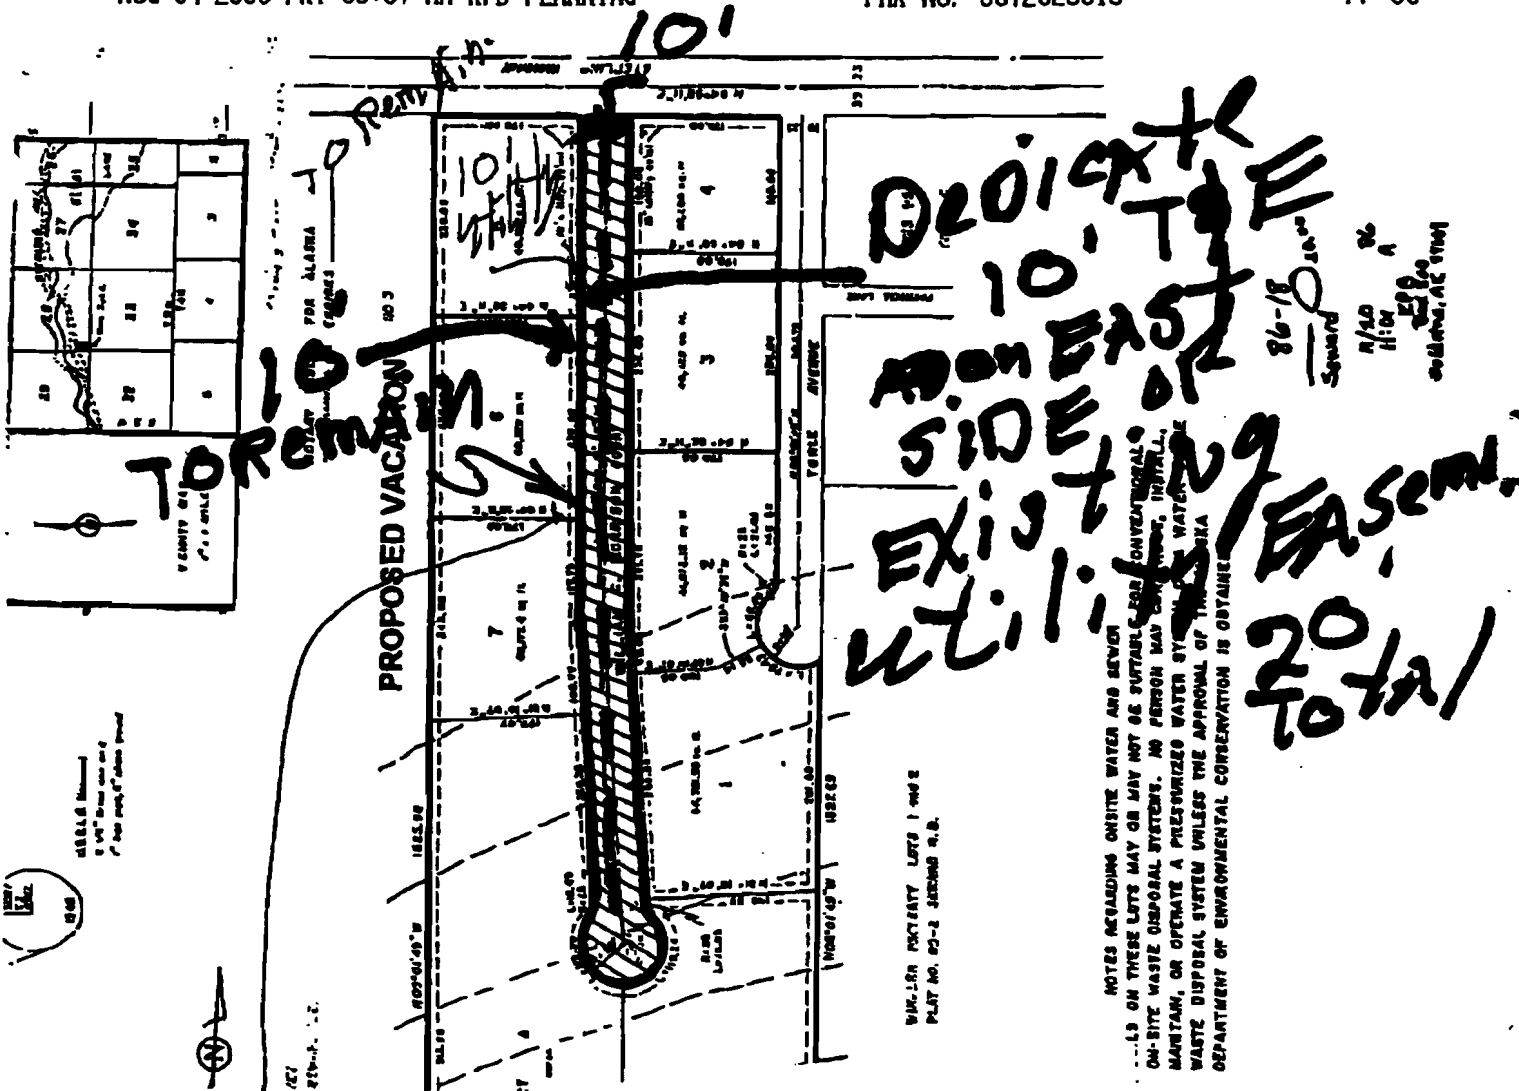

Sincerely,

Jim K. Topolski  
Manager, Land Services

STAFF REPORT

Planning Commission Meeting 3/13/2000

Purpose as stated in petition: Combine Tract A and Tract B, Lot 5, Lot 6, and Lot 7 into one tract to reduce taxes and develop as an R.V. park.

Petitioner(s): Ludwig C. Osowiecki, William P. Schofield, and Joyce E. Olsen of Cooper Landing, Alaska

Public notice appeared in the July 19 and July 26, 2000 issues of the Peninsula Clarion.

Twenty (20) certified mailings were sent to owners of property within 300 feet of the parcels adjacent to the right-of-way; nineteen (19) of the receipts have been returned.

Eleven regular mailings were sent to agencies, interested parties, and KPB Departments. Two notices were posted in public locations. The Public Hearing Notice and maps were posted on the Borough web site.

The Cooper Landing Advisory Planning Commission does not hold regularly scheduled meetings during the summer months. The advisory commission could not get a quorum, and no special meeting was held. Staff was in contact with the APC and assured them that all parties could comment as private individuals.

No preliminary plat has been submitted with this vacation petition. Borough Code requires that the vacation, if approved, be finalized by plat. It is not uncommon for a person or group of people to obtain the vacation approval prior to investing money in the plat. Any approval of this vacation will be subject to submittal of a plat in compliance with all regulations. This includes the requirement that any vacated right-of-way is to be platted back into the lots which adjoin it and created it. This would require that half of the right-of-way adjacent to the two lots not included in the vacation (Lots 1A owned by Joyce Olson and 2A owned by Kenai Lake Baptist Church) be platted into those particular lots. They would be included in the plat which finalized this vacation. If any other plan is proposed for the disposition of the vacated acreage, it would require the signatures of the owners of the lots which did not want the vacated acreage.

Lots 1A and 2A both are double frontage lots, and this vacation will not affect their access. If all of the other lots are replatted into a single lot, it will front on the Sterling Highway.

Statement(s) of non-objection

- \* Central Emergency Services - this vacation is not in their service area. (Staff notifies

them of all vacation since they commonly have cooperative response agreements with other areas.)

- \* KPB Coastal Zone Management

Statements of concern/objection

- \* The owner of a lot on the corner of Towle Avenue and the Sterling Highway, Duane Ohnemus, wrote that he would not be in favor of this vacation if it was the intention to re-route the RV traffic to Towle Avenue.

Without a preliminary plat, staff is unsure of the eventual layout and proposed traffic pattern. While Lot 2A has not been included in the petition, the owner of Lot 2A has signed the petition. The replatted parcels would not front on Towle Avenue, but access across Lot 2A to the replatted parcels would be possible with the owner's consent. The Code would not prohibit such access, and the remaining right-of-way, Towle Avenue, is a public right-of-way. Such access would be possible, with the permission of the owner of Lot 2A, even if William C. Morrison Court is not vacated.

**Findings**

1. No surrounding properties will be denied access or utilities.
2. Sufficient rights-of-way and easements have been dedicated and granted to serve the surrounding properties.
3. Per the petition, the right-of-way has not been constructed. Aerial photographs support this.
4. Per the petition, the utility easement is not in use.
5. The preliminary plat, showing the proposed vacation will be required if the vacation petition is approved.
6. No superior or alternate access has been proposed.

Based on the above findings, staff can find no justification to recommend denial of the vacation.

**STAFF RECOMMENDATIONS:** The Planning Commission hold the public hearing, hear testimony, make their findings and vote on the proposed vacations, subject to:

1. Submittal of a preliminary plat in accordance with Chapter 20 of Borough Code of Ordinances.
2. Receipt of a final plat showing vacations within one year of vacation approval.

**If the vacation is approved, the Kenai Peninsula Borough assembly has thirty days in which they may veto Planning Commission approval of the vacation.**

**DENIAL OF A VACATION PETITION IS A FINAL ACT FOR WHICH NO FURTHER CONSIDERATION SHALL BE GIVEN BY THE KENAI PENINSULA BOROUGH. **Subject:** Fw: Vacation Notice File No. 2000-127

Hi to All,

I was unable to gather enough Commissioner's for a quorum this month so we will not be able to hold any meetings to review this Vacation Notice.

I have attached Mary Toll's message to inform you that we will get to review this matter at a later date at replating time, if there is one.

All Commissioner's and public are free to send in personal comments.

I have sent in the mail, courtesy copies to The Hutch, Buster Martin and Joyce Olsen.

Mary, would you please send me a copy of your staff report and all correspondence involved with this Vacation and any actions taken by the KPBPC and KPB Assembly. Thank you for all of your help and information concerning this Notice.

Our next regular meeting will be September 13, 2000.

Dodie Wilson, Chair CLAPC

**From:** Toll, Mary  
**To:** 'Dolores Wilson'  
**Sent:** Sunday, July 23, 2000 7:48 AM  
**Subject:** RE: Vacation Notice File No. 2000-127

Yes I would be available for a special meeting if you decide to call one. And even though the Public Hearing Notice says comments are to be received by August 2nd, I will take comments all the way to the meeting date (August 14). The earlier date is to allow me to get the majority of the comments prior to writing my staff report, so I can incorporate them or research them. But if comments are received after my staff report, I address them in an addendum to the staff report given to the PC at the meeting.

I have not written my staff report on this yet, but I am sure I can probably have at least a preliminary report for you if you call a special meeting. I have just started getting comments back on it. If you do not call a special meeting, as I said before, please make sure that everyone knows they can comment as the public.

This is one of those vacations that is submitted prior to a preliminary plat, so I don't know exactly how they propose to replat all of the lots involved. I do know that any vacation approval will be subject to a replat that complies with all of our subdivision codes, so the preliminary plat will be reviewed as a separate entity when it is submitted. It is not unusual for people to go through the vacation process prior to submitting a preliminary plat, since they do not want to spend the extra money on the surveyor

8/3/00

 348-1

for the preliminary until they see if the vacation gets approved.

Mary T.

Sir,

I WRITING IN REGARDS  
TO THE VACATION PROPOSAL  
IN THE TOWLE SUB DIVISION,  
IF THE R.V. TRAFFIC IS  
BEING REROUTED TO TOWLE AVE,  
I WOULDN'T BE IN FAVOR OF THE  
PROPOSAL THE WAY THEY WANT  
IT.

Signed *Dean Oliver*

PENINSULA CLARION

KENAI PENINSULA BOROUGH PLANNING COMMISSION

NOTICE OF PUBLIC HEARING

Public notice is hereby given that a petition has been received to vacate a public right-of-way and associated utility easements in the Cooper Landing area. Area under consideration is described as follows:

- A. Location and request: Vacate William C. Morrison Court and associated utility easements within Towle Subdivision No. 3 Oslo Addition (Plat 86-18 SW), within Sections 28 and 33, Township 5 North, Range 3 West, Seward Meridian, Alaska; in the Kenai Peninsula Borough. KPB File No. 2000-127
- B. Purpose as stated in petition: Combine Tract A and Tract B, Lot 5, Lot 6 and Lot 7 into one tract to reduce taxes and develop as R.V. park. (Note: Vacated right-of-way must be replatted proportionally into adjacent lots which originally dedicated it or all affected property owners must sign the vacation plat agreeing to any other dispersion of the vacated acreage).
- C. Petitioner(s): Ludwig C. Osowiecki, William P. Schofield and Joyce E. Olsen, of Cooper Landing, Alaska.

Public hearing will be held by the Kenai Peninsula Borough Planning Commission on **Monday, August 14, 2000** commencing at 7:30 p.m., or as soon thereafter as business permits. Meeting to be held in the Borough Administration Building, Soldotna, Alaska.

Anyone wishing to testify may come to the above meeting to give testimony; or may submit a written statement to the attention of Max Best, or Mary Toll, Kenai Peninsula Borough Planning Department - 144 N. Binkley Street - Soldotna, Alaska 99669. Written testimony should be received by the Planning Department no later than **Wednesday, August 2, 2000**. [Written comments may also be sent by Fax to 907-262-8618]

If the Planning Commission approves the vacation, the Borough Assembly or the affected City Council has thirty days from that decision in which they may veto the Planning Commission approval. Appeals from denials of the Planning Commissions must be taken within 30 days to the Superior Court at Kenai, Alaska pursuant to Part VI of the Alaska Rules of Appellate Procedure.

For additional information contact Mary Toll or Max Best, Resource Planning Department, 262-4441 (1-800-478-4441 toll free within Kenai Peninsula Borough).

### MEMORANDUM

**TO:** Bill Popp, Assembly President  
Kenai Peninsula Borough Assembly Members

**FROM:** *DLB* Dale Bagley, Borough Mayor

**DATE:** September 12, 2000

**SUBJECT:** Confirmation of New Department Head

---

Per Chapter 2.20 of the borough code, the name of Shane F. Horan is hereby submitted for confirmation as Director of Assessing.

Section 2.20.030 states:

The assembly shall examine the qualifications of the executive for the purpose of determining whether they comply with the requirements prescribed by statute or ordinance for the position occupied. If they comply, the assembly shall so find and shall confirm the appointment. If they find the executive not qualified, they shall deny confirmation and the mayor shall thereafter hire a qualified person. No more than 31 days shall pass after the mayor has submitted the name of a new executive officer before the assembly shall determine by majority vote whether or not the qualifications set by statute and ordinance have been met. Failure to consider the matter within this time shall be deemed to constitute a finding that the officer possesses the requisite qualifications.

His résumé and job description are attached. Based on his qualifications, past experience, accomplishments and proven performance, I strongly recommend confirmation.

# SHANE HORAN

## JOB OBJECTIVE: Director of Assessing

### SUMMARY OF QUALIFICATIONS

- ❖ Skilled in sales data research and analysis
- ❖ Experienced in appraisal techniques and procedures
- ❖ Conducted and developed rental surveys and inquiries
- ❖ Participated in Marshall and Swift cost valuation services

### APPRAISAL EXPERIENCE

- Certified Assessment Roll for ad valorem taxation purposes in the City and Borough of Juneau.
- Presented oral and written appeals before the Board of Equalization in both the Juneau and Kenai Boroughs.
- Inspected and valued all commercial properties and possessory interests within the City and Borough of Juneau, and served as commercial appraiser for the Kenai Peninsula Borough.
- Implemented and administered newly revised detail reporting requirements for the business personal property assessment function for the City and Borough of Juneau.
- Responsible for the data collection, analysis and valuation of residential properties within the City and Borough of Juneau.
- Completed numerous fee appraisal reports on vacant land and single and multiple family residences for various clients including the State of Alaska, Veterans Affairs, Alaska Housing Finance Corporation and Alaska Federal Savings and Loan.
- Worked on assessment contracts involving field inspections, data collection, and valuation in various Southeast Alaska communities.

### WORK EXPERIENCE

- 1999-Present Principal Appraiser - Kenai Peninsula Borough  
Serve as commercial appraiser.
- 1992-1999 Assessor - City and Borough of Juneau  
Certification of Assessment Roll. Oral presentation of appeals before the Board of Equalization. Approved or disapproved exemption requests. Inspection and value calculations of commercial properties and possessory interests. Oversaw and administered business personal property functions. Supervised Deputy Assessor and Assessment Clerk positions.
- 1985-1992 Deputy Assessor - City and Borough of Juneau  
Estimated all land values. Answered inquiries from the public, attorneys and realtors on procedures and standards in arriving at assessed value.
- 1980-1985 Senior Field Appraiser - City and Borough of Juneau  
Developed and gathered cost and sales data to estimate building values and answered any appeals or inquiries concerning values.
- 1978-1980 Fee Appraiser - Pomptier, Duvernay and Horan  
Inspected subject properties and wrote narrative and written reports estimating fair market value.

## SHANE HORAN

### APPRAISAL INSTRUCTION

Successfully completed the following courses and workshops presented by the International Association of Assessing Officers (IAAO) and the International Right of Way (IROW).

1999 - IAAO Course 201:	<u>Appraisal of Land</u>

1996 - IAAO Course 401:	<u>Tax Policy</u>
1995 - IAAO Course 202:	<u>Income Approach to Valuation</u>
1995 - IAAO Course 631:	<u>Advanced Personal Property Audit</u>
1995 - IAAO Course 630:	<u>Basic Personal Property Audit</u>
1994 - IAAO Course 5:	<u>Assessment of Personal Property</u>
1993 - IAAO Workshop:	<u>Mine &amp; Quarry Valuation</u>
1993 - IAAO Course 301:	<u>Mass Residential Valuation</u>
1992 - IAAO Course 151:	<u>Standards of Practice and Professional Ethics</u>

### EDUCATION

1973-1977 Bachelor of Liberal Arts Degree in English with minor in Business Administration.  
Wheeling Jesuit University, Wheeling, West Virginia

Major areas of Emphasis: Communication  
Business Administration

**Position Description:** Director of Assessing

**Service Type:** Administrative

**Definition:** Under the general direction and supervision of the borough mayor and/or his designee, the director of assessing is responsible for planning, organizing and directing the borough's assessments to ensure that all the related activities required to prepare and maintain accurate assessment rolls for both real and personal property within the borough are completed in accordance with borough and state laws and regulations.

**Minimum Qualifications:** A bachelor's degree in a closely related field and six years of progressively responsible experience as an assessor or deputy/assistant assessor or five years of progressively responsible real estate appraisal work including management duties. Advanced education may be substituted for the experience requirement on a year-for-year basis and experience may be substituted for educational requirements on a two-for-one basis. Possession of a professional certification with International Association of Assessing Officers (CAE), American Institute of Real Estate Appraisers (MAI), Society of Real Estate Appraisers (SRPA or SREA), Alaska Certified Assessor Appraiser (ACAA), is desirable. Availability of a personal vehicle and an unrestricted, valid Alaska drivers' license is required for this position.

**Essential Functions:**

1. Supervises the assessing department including both the field staff and office personnel.
2. Assures the development of office procedures and records systems designed to produce and maintain assessment rolls and records appropriate to the mission of the department and the borough.
3. Supervises tax code changes, annexation and incorporations.
4. Prepares and administers the annual departmental budget.
5. Maintains liaison with data processing and other departments whose work relates to the assessor's office.
6. Interprets assessment policies and valuations to the public.
7. Develops procedures for appraisal process. Organizes and directs appraisal of borough property.
8. Directs and supervises subordinate staff; conducts performance appraisals and assigns and monitors work activities.
9. Formulates and analyzes statistical data on real estate and economic conditions. Submits reports to mayor and assembly.
10. Negotiates settlements with property owners over disputed appraisals.

11. Represents the borough in property tax appeal cases before the Board of Equalization and in court. Prepares and delivers testimony.
12. Develops and recommends departmental budget. Administers approved budget.
13. Drafts new and modified property tax ordinances for approval by the mayor and assembly.

**Other Functions:**

1. Other related duties as assigned.

**Physical Demands:** While performing the duties of this job, the employee is frequently required to communicate orally; regularly required to sit; and occasionally required to use hands and fingers dexterously to operate office equipment, to stand, walk, and reach with hands and arms. Specific vision abilities required include close vision and the ability to adjust focus. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
