THE WALT DISNEY COMPANY FOUNDATION

EDUCATIONAL MATCHING GIFTS PROGRAM

THE WALT DISNEY COMPANY FOUNDATION VIEWS CORPORATE SUPPORT OF HIGHER EDUCATION AS A SOUND INVESTMENT IN THE FUTURE. DISNEY, ALONG WITH MANY OTHER CORPORATIONS THROUGHOUT THE UNITED STATES, ENCOURAGES ITS EMPLOYEES TO GIVE TO THE COLLEGE OF THEIR CHOICE THROUGH ITS EDUCATIONAL MATCHING GIFTS PROGRAM.

THE PROGRAM

The Walt Disney Company Foundation will equally match employee contributions to an eligible institution, with the following limitations: The minimum contribution in a Disney fiscal year is \$25; the maximum contribution of a donor that will be matched in a Disney fiscal year is \$2,000. A Disney fiscal year is October 1st through September 30th. (For example: September 30th, 2007 – September 27th, 2008 is Disney's fiscal year 2008).

ELIGIBLE EMPLOYEES

All regular full-time U.S. employees with 3 consecutive months of service with The Walt Disney Company at the time of the contribution are qualified donors. The donor need not have attended or be affiliated with the recipient institution.

ELIGIBLE INSTITUTIONS

Degree-granting public and private colleges and universities, technical, graduate and professional schools, having regional accreditation, located in the United States and listed in the Higher Education Directory of the United States Department of Health, Education and Welfare are eligible.

THE MATCH

Notification of the match will be sent to the donor. The match will be made after being notified by the recipient institution that the employee gift has been received and meets the terms of The Walt Disney Company Foundation's program. Any dispute regarding the eligibility of the employee, institution, or gift will be resolved by The Walt Disney Foundation Board.

THE PROCESS

Employees should keep an uncompleted "master copy" of this form for future use. Complete part 1 of the following form (making sure to include "date of gift" "amount" and to sign form. It is recommended to keep a photocopy of your check and this form for your records) and mail the *entire form with the gift* to the recipient institution. The institution should complete part 2 and return the entire form to the Matching Gifts Administrator, The Walt Disney Company Foundation, 500 S. Buena Vista Street, Burbank, CA 91521-6441. Upon receipt of notification from the recipient institution, The Walt Disney Company Foundation will match employee gifts on a quarterly basis, and will notify the employee after the match has been made.

EMPLOYEE CONTRIBUTION

In order to qualify, the employee's contribution must be:

- An actual donation, not merely a pledge.
- Cash.
- Made directly to the eligible college or university.
- A charitable contribution. (The Walt Disney Company Foundation match will not be made if the donor or any individual designated by the donor receives a benefit or gift as a result of the contribution.)
- The personal contribution of the donor (not a contribution made with funds provided in whole or in part to the donor for donation purposes by other individuals, groups or organizations.)

The contribution may not be:

- Tuition payments or payments made in lieu of tuition, books or other fees.
- Support for athletic booster clubs or athletic scholarship programs.
- Payment for tickets to athletic, cultural, social or fundraising events.
- Gifts to public or private elementary or secondary schools.
- Dues paid or gifts given to national or local alumni groups.
- Gifts for the private benefit of specified students or professors.
- Amounts payable as subscription fees for publications.
- Gifts of stock, paintings, art objects, books or other valuable items.

At the discretion of The Walt Disney Company Foundation, the Educational Matching Gifts Program may be changed, suspended, revoked or terminated at any time.

The reputation of "high school" is built up from elementary years. everyone has his or her own view of what it will be. But whatever that view was it is crushed by the repulsion which the rest of school directs towards Freshman. The young, new batch of students entering as the "Class of 20__" are booed at assemblies and made to feel like the least integral people in the school. Shunned. Working with freshmen to introduce them to high school culture as well as share the personal experiences of upperclassmen, this tradition is what a program at Beckman called Link Crew tries to break. For those 400 students new to high school and struggling in the swampy mass of pre-existing cliques, there is at least one person on campus -their Link Crew leader - who tries to highlight their role in the school. I specifically play three roles in Link Crew. Among other Link Crew leaders, I was chosen to aid the Freshman infrastructure. Link Leaders are given a group of 7-8 freshmen that who we meet with every couple months and check up on throughout the year. Over the summer we were a part of their Freshman registration to introduce

Of all your activities, internships, and job experiences, which one do you feel was the most rewarding and why? What about this experience might set you apart from other scholarship candidates?

Freshmen year. By some lapse of judgment, I was in Chinese 2 My first high school test - and F - also arose from that seemingly innocuous course. I begged to stay in the class. The first time I cried in front of a teacher, the first strangle of my nonexistent pride, the first real fear and desire I felt to prove someone wrong... I started with a bang - the kind that kills you with one shot.

Unfortunately, I had no idea what I was getting myself into. I entered the classroom intimidated, and left fearing for my life. My back-corner seat provided a potent defense mechanism. I floundered, my competition was an army with more experience: the untouchable native speakers. I remained without a weapon.

So I created my own weapon: hard work.

It was as simple as typing "Chinese dramas" into the Google Search bar I began. I began to pick up on the nuances and tones of certain words, learning denotation and

Leaders are shaped by their experiences - personal and professional, academic and familial. Consider your long-term goals and briefly discuss what you hope to be doing, both professionally and in your community, by the time you reach the age of 30. Describe your major influences for choosing this path.

There's always that one concept which children are unable to comprehend. Example:
How they were born and the disappointing realization that storks had no business in
it whatsoever. As a child, I could not comprehend religion. My Sammamish, Washington
elementary school was a hub for any and every type of religion; regardless, my brain
could not grasp the idea of the foreign, yet constantly mentioned creature...

Paralleling the society I grew up in, I too was religious. Sunday Hindi school and
prayer at an Indian "church": temple. Values were instilled from the get-go - an
influx of new ideas. I could not understand, piling into a foreboding mountain.
Repetition, repetition, repetition. Religion had to be learned, just like language
or any other phenomenon.

Yes, God exists.

The end.
