DMM Revision: Waiver of Signature Delivery Process

The Postal Service™ is revising the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to update the standards regarding delivery of Express Mail® items with waiver of signature requested and return receipt for merchandise items with waiver of signature requested into the September online update. Delivery employees deliver these items to the addressee's mail receptacle or other secure location without first attempting to obtain a signature from the addressee.

Waiver of signature authorizes delivery to be made without obtaining the signature of the addressee or addressee's agent as long as the delivery employee establishes the article can be left in the addressee's mail receptacle or other secure location. By requesting waiver of signature, the sender agrees to accept the delivery time and date scan information as valid record of delivery.

When Express Mail items with waiver of signature requested and return receipt for merchandise items with waiver of signature requested are delivered, the delivery employee signs the PS Form 3849, *Sorry We Missed You*, without attempting to obtain a signature from the addressee. After signing the PS Form 3849, the delivery employee delivers the item to the addressee's mail receptacle or other secure location. This process expedites delivery time because the delivery employee is not required to try to obtain a signature from the addressee or addressee's agent when a waiver of signature is authorized.

DMM Revision: Address Facing Standards for Presort Bundles on Pallets

Effective September 11, 2008, the Postal Service™ will require mailers to place presort bundles on pallets with the addresses facing up. This placement is needed for efficient processing in today’s processing environment and, eventually, for the automated preparation and induction for the Flats Sequencing System (FSS) in the future. This new standard will aid in verifying that the contents are on the correct pallet and will enhance manual distribution of the bundles.

The Postal Service is progressing in the deployment of the FSS to automate delivery sequencing for flat-size mail. We plan to use automated preparation stations to support the FSS. These stations will require bundles to lie flat on pallets to be operationally effective.

We first published notice of this revision in *Postal Bulletin* 22235 (6-19-08, pages 30–31).

Handbook PO-603 Revision: Rural Route Evaluation Worksheet

Effective with the guarantee year, October 25, 2008, Handbook PO-603, *Rural Carrier Duties and Responsibilities*, is revised to update Exhibit 531.3 with the creation of a separate fixed allowance entry for the IMD scanner. All future rural route evaluations, effective with the resulting evaluation from the Special Mail Count being conducted September 17–30, 2008, will reflect this change. The 6-minute weekly allowance for IMD scanner setup and return will now be an automatic allowance and will not require counters to enter this number in Column R, Other Suitable Allowance, during a mail count. A revised PS Form 4241-M, *Rural Route Evaluation Worksheet*, which reflects the revision, is given on page 6 of this *Postal Bulletin*.

Important Mover's Guide Information

- *Mover's Guide* is printed and distributed three times per year — December (for January use), April (for May use), and August (for September use).
- Post Offices™ *must* recycle old versions of the *Mover's Guide*, as these contain expired forms, information, and coupons that cannot be used by the postal consumer.
- In an effort to reduce waste and still provide each postal facility with the proper quantity of *Mover's Guide*, call 800-816-6837 if you receive too many or too few copies of *Mover's Guide* or if you have questions about your quantity.

- To find out when shipments will arrive, contact the MDC directly at 800-273-1509.
- If your facility receives an entire pallet of *Mover's Guide* copies, please break down the pallet! It may contain boxes that need to be shipped to other facilities, and this will ensure all facilities receive their needed supply.

Management Instructions

New Management Instruction: Assessing and Collecting Deficiencies in Postage or Fees

Effective June 1, 2008, Management Instruction (MI) DM-140-2008-1, *Assessing and Collecting Deficiencies in Postage or Fees*, was posted on the Postal Service™ PolicyNet Web site at <http://blue.usps.gov>. This management instruction establishes the policies and procedures for assessing and collecting deficiencies of postage and/or fees, which are generally assessed by the postmaster or manager of a Business Mail Entry Unit (MBME). The MI may not be accessible to our customers, mailer, or agents, therefore the following is an excerpt of the MI related to the Assessment Criteria, Appealing Revenue Deficiencies, and Deficiency Payments.

Assessment Criteria

Time Limits

When a postage or fee underpayment warrants assessing a revenue deficiency, the Postal Service may review previous mailings and fee payments to calculate the assessment and may look back no more than 12 months before the date the deficiency was discovered (date of the revenue deficiency report).

Minimum Threshold

When a revenue deficiency is discovered for an amount of \$500 or more, follow this MI for reporting, processing, and collecting the revenue deficiency. When a revenue deficiency is discovered for an amount less than \$500, report each deficiency to the MBME and the district finance manager (DFM), or the postmaster and the DFM for review and followup.

Prerequisite Notice

Notice to a customer of a content-based deficiency (when contents of the mailing are not eligible for the class of mail or prices claimed) must be provided prior to formal issuance of a deficiency assessment. The requisite notice must reference the applicable DMM standard(s) and any subsequent violations of that standard.

Exceptions: The previously mentioned criteria do not apply if one of the following is found:

1. Fraud or misrepresentation is reasonably suspected. This includes concealment of a different opinion or ruling received from a Postal Service employee before or at the time of mailing.
2. No postage or fees were paid for the service rendered, or there is a misstatement of the amount of postage affixed to the mailpiece.
3. Mailing history discloses evidence of repeated non-compliance with mailing standards.

Note: In cases where one or more of the assessment criteria are not met, and none of the exceptions apply, the Postal Service issues a written notification sent by certified First-Class Mail® to the customer, mailer, or agent describing the noncompliance with Postal Service mailing standard(s). A copy must be recorded and filed indefinitely at the DFM's office together with the revenue deficiency report. Any subsequent mailing violation of the same DMM standard from this customer, mailer, or agent may result in the assessment of another revenue deficiency.

Reporting

The Postal Service employee who finds a discrepancy or is assigned to investigate a revenue deficiency must do the following:

1. Promptly prepare a full report of the circumstances along with supporting documentation.
2. Submit his or her report to the postmaster at the Post Office™ of mailing or to the MBME.
3. Without delay, forward a copy to the office of the DFM.

Appealing Revenue Deficiencies

A customer, mailer, or agent may appeal a revenue deficiency assessment by sending a written appeal within 30 days of receipt of the notification. Mailers must send appeals as follows:

Type of Revenue Deficiency	If Revenue Deficiency Assessment Is Initiated by...	Submit Written Appeal to...	Final USPS Decision
Underpayment of PO Box Fees, Yearly Application Fees Such as Permit Fees, Periodical Application Fees, and Presort Mailing Fees	Postmaster or MBME	DFM	DFM
Other Fees	Postmaster or MBME	Manager of Pricing and Classification Service Center (PCSC) *	Manager of PCSC *

Type of Revenue Deficiency	If Revenue Deficiency Assessment Is Initiated by...	Submit Written Appeal to...	Final USPS Decision
Underpayment of Mailing Postage (Except Nonprofit)	Postmaster or MBME	Manager of PCSC * (No Second-level Appeal)	Manager of PCSC
	Manager of PCSC	Manager of Mailing Standards MMS) * (No Second-level Appeal)	MMS
Underpayment of Nonprofit Standard Mail Postage	Postmaster or MBME	First-level Appeal to Manager of PCSC * Second-level Appeal	Second-level Appeal MM
	Manager of PCSC	First-level Appeal to MMS * Second-level Appeal	Second-level appeal to Vice President, Pricing and Classification

* See DMM, 608.8 for addresses.

In all cases, the customer, mailer, or agent may be asked to provide additional information and documentation to support the appeal. Failure to submit a written appeal within 30 days of the request is grounds for denying an appeal, and collection efforts are resumed.

Deficiency Payments

After the appeal process is exhausted, proceed to collect the amount due based on one of the following three scenarios:

- Full Payment — The customer, mailer, or agent agrees to immediately pay the appealed deficiency amount in full.

- Installment Payment — The customer, mailer, or agent agrees to payment of the appealed deficiency amount, but requests periodic payments rather than a lump sum.
- Settlement Payment — The customer, mailer, or agent proposes a partial payment, and documentation that warrants justification of partial payment must be submitted.

Displaying the U.S. Flag and the POW-MIA Flag

U.S. Flag at Half-Staff

How to Display

Displaying the U.S. flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff.

Specific Dates

Display the U.S. flag at half-staff on the following days each year:

- May 15: Peace Officers Memorial Day (see note 1 below).
- Last Monday in May: Memorial Day Observed (see note 2 below).
- December 7: National Pearl Harbor Remembrance Day.

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, display the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, display the flag at half-staff from sunrise, or the hour at which you raise it, until noon, and then hoist it to the peak of the staff, until the time of closing or no later than sunset.

POW-MIA Flag

How to Display

In relation to the U.S. flag, display the POW-MIA flag (and any other flag) as follows:

- If displayed on the same flagstaff, place it below the U.S. flag.
- If displayed on a separate flagstaff, place it at the same level or lower. If displayed at the same level, place it on the U.S. flag's left.

When flying the U.S. flag at half-staff, fly the POW-MIA flag (and any other flags) at half-staff also.

Specific Dates

Display the POW-MIA flag on the following days each year:

- Armed Forces Day: Third Saturday in May.
- Memorial Day: Last Monday in May.
- Flag Day: June 14.
- Independence Day: July 4.
- National POW-MIA Recognition Day: Third Friday in September.
- Veterans Day: November 11.

If any of these days fall on a nonbusiness day, display the POW-MIA flag on the last business day before the designated day.

For more detailed information about flying the U.S. flag and the POW-MIA flag, see the following parts in the *Administrative Support Manual (ASM)*:

- ASM 472, U.S. Flag Display.
- ASM 476, POW-MIA Flag Display.

Household Diary Study

The Postal Service's Household Diary Study (HDS), conducted since 1987, provides information about the contents of the mail sent and received by U.S. households. The Postal Service™ uses this information to help understand why and how customers use the mail. The results are used to:

- Forecast mail volume.
- Plan marketing strategies.
- Provide information for rate-setting purposes.

The HDS is administered at Headquarters by the Office of Demand Forecasting and Analysis, Finance. NuStats, the HDS survey research firm contractor since July 1999, conducts the interviews and collects and analyzes the HDS data throughout the year.

HDS is a two-stage survey. Stage 1 is the Household Interview. NuStats sends an advance letter, signed by the postmaster general, to a representative sample of U.S. households. This letter emphasizes the importance of the HDS and asks for participation. These sample households are contacted either by telephone or in person and asked about the mail they send and receive, their adoption and use of various communications' technologies, their attitudes about mail service in general, and information relating to their household and personal demographics. Those respondent households are recruited to participate in HDS Stage 2.

Stage 2 is the Mail Diary. NuStats asks households that agree to participate in Stage 2 to record information about the mail they send and receive for a 7-day period from Monday to Sunday. Information recorded includes number of mailpieces received and sent, industry mail source, mail characteristics, and attitudes regarding mail received. As an incentive for HDS Stage 2 participation, households are offered the options of receiving \$30 or a roll of 100 First-Class Mail® stamps.

Customers who participate in Stage 2 of the HDS can expect to receive their incentive about 2 months after they return the diary packet to NuStats.

Data gathered in both HDS stages is available in a final report, *The Household Diary Study — Mail Use and Attitudes*. The report is published in hard copy and a free electronic file. Order forms for the latest HDS report may be obtained via the Postal Service Internet at www.usps.com/householddiary.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO ZIP Codes are active and which

conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday-Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

New Travel Card Program Takes Effect November 19

Effective immediately, the Postal Service™ has awarded a task order for the new travel charge card program to Citibank. The Postal Service has received permission to begin the new travel charge card program prior to the end of the General Services Administration (GSA) SmartPay 1 contract expiration. The new travel charge card will be active on November 19. Employees who currently have a Citibank travel charge card should expect to receive their new travel charge cards **by October 31**. Employees **must** call the number on the front of the new card to verify receipt of the card as soon as they receive it. Any cards for which receipt is not verified will **not** be activated on November 19.

The card will continue to be a VISA-brand card. This task order has been issued under the provision of the GSA SmartPay 2 Program and will be in effect for 10 years beginning November 30, 2008. Citibank has served as the Postal Service’s travel charge card provider since 1998 under the current GSA SmartPay 1 contract that expires on November 29, 2008.

The new GSA SmartPay 2 contract is in the best interest of the Postal Service and will meet all of our business travel

needs going forward. The GSA SmartPay 2 travel charge card program provides numerous benefits to the Postal Service including:

- New products and services.
- Enhanced customer service.
- Security of systems and data.
- Enhanced data capture.
- Improved ability to analyze data and produce information.
- Access to both Citibank’s and VISA’s electronic reporting systems.

More details concerning the new travel card program will be published in official publications over the next few months in addition to the travel card section of the travel-help Web site available from the Blue page under “Employee Resources” by clicking *travelhelp* and also at <http://blue.usps.gov/travelhelp/>.

Pictorial Postmarks Announcement

As a community service, the Postal Service[™] offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of those postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office[™] station established there. Those who cannot attend the event but

who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail[®] postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, exactly as listed

below (using all capitals and no punctuation, except the hyphen in the ZIP+4 code).

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 60 days:

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® Web site at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Supply Management

The Return of the Cardboard Mail Tray

Cardboard managed mail (MM) trays are making a welcome return engagement. Network Operations recently ordered 2 million new hi-tech cardboard MM trays and plans to order more. These are not the same cardboard

MM trays that were used the 1990s. This latest version is made of water-resistant paper and has a new self-locking design which extends the service life cycle and helps reduce costs. They are 100% recyclable. When they are no longer useable, they can be included with other cardboard items destined for recycling. Plastic MM trays are becoming increasingly expensive as the price of oil and natural gas used to make them soars. These new trays are a much more cost-effective alternative to plastic trays and support our commitment to sustainability and green programs in the Postal Service™.

Minimum Wage Change

Effective July 24, 2008, the federally mandated minimum wage was increased to \$6.55 per hour. Local buying officials must ensure that self-employed service suppliers who supply services purchased under local buying procedures earn no less than the minimum wage of \$6.55 per hour as of July 24, 2008. Direct any questions concerning this matter to the appropriate Supply Management Category Management Center (CMC).
