DMM Revision: Express Mail Refunds for Shipments of Live Animals

Effective September 8, 2009, the Postal Service™ revised *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 114.3.1, 414.3.0, and 604.9.2.4. Express Mail® shipments containing live animals are now exempt from next-day or second-day delivery guarantee. The delivery refund guarantee of live animals is extended to within 3 days from the date of mailing.

Prior to this change, refunds for live Express Mail shipments were granted based on the next-day or second-day delivery date scheduled at the time of mailing. That policy did not account for airline flight changes that occurred to protect the well-being of the animals. In some instances, shipments of live animals are rerouted to alternative flights in order to protect the well-being of the animals. This is particularly necessary if other shipments on the same flight

contain dry ice or solid carbon dioxide, which will evaporate en route and may displace oxygen. If live animals were shipped in the same cargo hold, the carbon dioxide could cause asphyxiation.

Under this revision, postage refunds will not be available for Express Mail shipments of live animals delivered or attempted to be delivered within 3 days of mailing.

We will incorporate this revision into the next printed version of the DMM and into the online DMM, which is available via Postal Explorer® at <http://pe.usps.com>.

DMM Revision: Booklets: New Optional Design for Small Letter-Sized Booklets

The Postal Service™ published a final rule in the *Federal Register* on April 15, 2009 (74 FR 17399–17403), with new standards for letter-size automation and machinable booklets, effective September 8, 2009. The final rule may be read on Postal Explorer® at <http://pe.usps.com>; click *Federal Register Notices* in the left frame. We also published a clarification and one new design option for letter-size booklets in “DMM Revision: Booklets: Sealing Letter-Sized Booklets Mailed at Automation Prices” in *Postal Bulletin 22264* (7-30-09, pages 7–9).

We have tested and found an acceptable design for smaller booklets within specific physical dimensions and weight restrictions. Effective October 5, 2009, we will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 201.3.15.4 to add a two-tab sealing option for smaller, simple spine “wallet-style” booklets mailed at automation and machinable letter prices. Mailers with these smaller booklets may mail them with three tabs or with glue lines as shown in the revised exhibit, or they may mail them immediately with two tabs if they meet applicable restrictions under the new option.

3.15.4 Booklet Design and Sealing

[Revise text of 3.15.4 as follows:]

The position of the final fold and intermediate fold (or spine) for letter-sized booklets varies according to the specific design of the mailpiece. Open edges can be sealed with tabs, glue lines, or glue spots. Except for the simple spine wallet-style design with a height of 4 inches and a maximum length of 8 inches, tabs used as seals on the leading edge of small booklets less than 5 inches high may be placed closer to the top and bottom edges than shown in Exhibit 3.15.4 and may overlap in some cases. See exhibit 3.15.4 for design and sealing standards.

Effective October 5, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) sections 223.222 and 233.222 and part 297 to indicate changes in minimum threshold requirements for Express Mail International® and Priority Mail International™ customized agreements.

IMM Revision: Free Matter for the Blind or Other Physically Handicapped Persons — Update

Effective October 5, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) subchapter 270 to clarify the standards when mailers send eligible Free Matter for the Blind or Other Physically Handicapped Persons items internationally.

Consistent with Protocol Article III of the Universal Postal Union (UPU) Convention and the current practice applied at our retail facilities, we are revising part 275 to clarify that, when adding extra services to items mailed as Free Matter for the Blind or Other Physically Handicapped, the sender must pay the fee for the extra services. In addition, we are also making revisions to parts 272 through 274

to better identify the specific mail categories, size limits, and weight limits for matter authorized to be mailed internationally as “Free Matter for the Blind or Other Physically Handicapped Persons.”

We will incorporate these revisions into the next printed version of the IMM and into the monthly update of the online IMM, which is available via Postal Explorer® at <http://pe.usps.com>.

IMM Revision: Sealing and Packaging First-Class Mail International, International Priority Airmail, and International Surface Air Lift Mail

Effective October 5, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) sections 244.3, 292.43, and 293.43 to clarify the standards for sealing and packaging First-Class Mail International™, International Priority Airmail™ (IPA®), and International Surface Air Lift® (ISAL®) mail.

Consistent with the Universal Postal Union (UPU) Letter Post Convention, and to prevent the potential loss of contents of *unsealed* First-Class Mail International mailpieces, we are revising IMM 244.3 to stipulate that if a mailpiece is sent unsealed, then the mailpiece must be *closed* by some other means to prevent the contents from falling out or

being damaged during postal handling and transport. In addition, we have revised IMM 292.43 and 293.43 similarly to clarify the sealing and packaging requirements for IPA and ISAL mail.

We will incorporate these revisions into the next printed version of the IMM and into the monthly update of the online IMM, which is available via Postal Explorer® at <http://pe.usps.com>.

Handbook AS-709 Revision: SmartPay Purchase Card Program Policy Change

Effective immediately, due to Sarbanes-Oxley Act (SOX) requirements, agency program coordinators (APCs) for the SmartPay Purchase Card program *must* review monthly bank-generated activity reports (*Request Status Queue and Account List*) for the SmartPay Purchase Card Program. APCs will use these reports to review accuracy of all created or terminated accounts. These reports should be reviewed on/about the 20th of each month prior to the next billing cycle close (18th of the month). After resolving discrepancies, if any, of all created and terminated accounts, the APC will sign, date, and file the reports with other APC records for 3 years.

Forms

Revised PS Form 3849

Beginning October 30, 2009, all Post Offices™ and postal retail units must use the revised PS Form 3849, *Delivery Notice/Reminder/Receipt*, dated September 2009.

Effective October 3, 2009, PS Form 3849 orders will be preprinted with the redelivery website and corporate customer contact phone number on the reverse side of the form (see below). This will provide customers with alternate options for arranging redelivery. Also, text has been added to PS Form 3849 to inform customers that Certified Mail™ items must be claimed within 15 days or it will be returned.

Offices should begin ordering the new PS Form 3849 from the Material Distribution Center (MDC) on October 3, 2009. All Post Offices are to begin using the revised PS Form 3849 by October 30, 2009. The overprinted form (PSN: 7350-05-000-4581) will have the fifth line in the address block preprinted with www.usps.com/redelivery or 800-ASK-USPS (800-275-8777). When ordering through eBay, re-orders and saved templates for this item will not be available until a new order is submitted using the *mandatory* preprinted fifth-line format.

There is no change in the eBay ordering process for the non-overprinted PS Form 3849 (PSN: 7530-01-000-9716); however, the fifth line will be preprinted with www.usps.com/redelivery or 800-ASK-USPS (800-275-8777).

You can order non-overprinted PS Form 3849 from the MDC and use touch-tone order entry (TTOE): Call 800-273-1509.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Wait 48 hours after registering before placing your first order.)

Use the following information to order the non-overprinted PS Form 3849:

PSIN:	PS 3849
PSN:	7530-01-000-9716
Quick Pick Number:	211
Unit of Measure:	EA
Minimum Order Quantity:	500
Bulk Pack Number:	10,000
Price:	\$0.047
Edition Date:	09/09

Offices using rubber stamps to imprint location, hours of operation, and contact numbers will need to determine if new stamps must be ordered to allow space for the preprinted fifth line. Also these offices must ensure the USPS.com® website and corporate customer contact phone number is not part of the text on the stamp.

The previous version of PS Form 3849, dated May 2008, will be obsolete at the end of October 2009; however existing stock should be used until exhausted to mitigate cost.

Stamp Announcement 09-46: Winter Holidays

© 2008 USPS

On October 8, 2009, in New York, New York, at the Mega Stamp Show, the Postal Service™ will issue a 44-cent, *Winter Holidays* special stamp in four designs in a pressure-sensitive adhesive (PSA) booklet of 20 stamps (Item 678500) and an automated teller machine (ATM) booklet of 18 (Item 573700). Designed by Richard Sheaff, Scottsdale, Arizona, the stamp goes on sale nationwide October 8, 2009.

The U.S. Postal Service® celebrates the winter holiday season with stamps featuring a reindeer, snowman, gingerbread man, and a toy soldier. A merry reindeer dangles a bulb ornament from his antler. Flurries of large flakes dust a snowman sporting a top hat, coal buttons, and a carrot nose. A gingerbread man is decorated for the season with green, red, and white icing, and a toy soldier smiles while standing at attention. Borders of evergreens, stars, wreaths, and holly add another holiday touch to the stamps. To create the stamps, Joseph Cudd, Greensboro, North Carolina, first sketched the designs by hand and then finished them on the computer using a graphics tablet.

Stamp Announcement 09-48: Kwanzaa

On October 9, 2009, in New York, New York, at the Mega Stamp Show, the Postal Service™ will issue a 44-cent, *Kwanzaa* special stamp in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 573400). Designed by Carl T. Herrman, North Las Vegas, Nevada, the stamp goes on sale nationwide October 9, 2009.

With this colorful stamp, the U.S. Postal Service® celebrates Kwanzaa, a nonreligious holiday that takes place over 7 days from December 26 to January 1. Kwanzaa draws on African traditions and takes its name from the phrase for “first fruits” in Swahili, a widely spoken African language. Stamp artist Lloyd McNeill, New York, New York, created a festive, highly symbolic design to celebrate the holiday.

This is the third stamp design issued by the U.S. Postal Service in celebration of Kwanzaa. The first Kwanzaa commemorative stamp was issued in 1997.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Considering the USPS 2009 Early Out Incentive Offer?

Get the facts — make an informed decision.

What is it?

A one-time incentive for eligible full-time, part-time regular and part-time flexible employees who choose retirement, voluntary early retirement and voluntary separation from the Postal Service.

Who is eligible?

With some exceptions all career employees covered under the APWU and NPMHU agreements are eligible. (See full details on the incentive website on *Liteblue*.)

What is the incentive amount?

The total incentive for full-time employees is \$15,000. The incentive for part-time employees will be prorated based on an agreed-upon payment plan that factors in the number of hours an employee has worked.

When will the incentive be paid?

\$10,000 (or prorated amount for PTs) will be paid approximately one month after retirement / separation date and \$5,000 approximately one year later.

Why is the incentive offered to this group of employees only?

Because of the need to reduce complement, primarily in mail processing operations in plants and Post Offices due to the significant decline in mail volume. This is about matching our workforce with existing workloads.

Considering the USPS 2009 Early Out Incentive Offer?

Get the facts — make an informed decision.

Will employees who are already in the retirement / separation process be eligible for the incentive?

Yes. Employees who are in the retirement / separation process as of 8/24/09 are eligible for the incentive with the following caveats:

1. If the scheduled retirement or separation date is on or before 11/30/09, employees may retire or separate on their scheduled date and be eligible for the incentive. Opting in is still required — the HRSSC will contact these employees for that purpose.
2. If the scheduled retirement or separation date is on or after 12/1/09, employees **MUST** change their effective retirement or separation date to 10/31/09 in order to be eligible for the incentive by contacting the HRSSC no later than COB 9/25/09.

NOTE: ETs and MPEs already in the process may retire or separate on their scheduled date. To be eligible for the incentive, they must opt in and meet the requirements established in the MOU and agreed upon by management and the union.

How do interested employees “opt in” and accept the offer?

That depends on which avenue the employee takes to leave the Postal Service under this one-time incentive:

- Already in the retirement / separation process as of 8/24/09 = Will be contacted and given the opportunity to “opt in.”

DID YOU KNOW?

Every \$1 invested in energy efficiency can add up to \$3 per square foot in value to USPS facilities.

Considering the USPS 2009 Early Out Incentive Offer?

Get the facts — make an informed decision.

- Optional retirement = Follow instructions in correspondence mailed out to each employee.
- Voluntary early retirement = Follow instructions in correspondence / offer kit mailed out to each employee.
- Voluntary separation (resigning) = Complete PS Form 2574, *Resignation from the Postal Service*, and mail to the HRSSC, PO Box 970400, Greensboro, NC 27497-0400; stipulate you are resigning under the “2009 Early Out Incentive Option.”

Remember the deadlines: Full-time employees must decide by September 25 and part-time employees must decide by October 16.

Early Out Incentive information, including full FAQs and timelines, is available on [Liteblue](#).

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Announcement 09-H: 2009 Stamps and Postal Stationery

“2009 Stamps and Postal Stationery” (Announcement 09-H, September 2009), which appears on pages [49–51](#), replaces the quarterly announcement of the same name, previously printed and sent to customers on request through Stamp Fulfillment Services in Kansas City. The announcement is a listing of stamps and postal stationery items scheduled for issuance during calendar year 2009. Postmasters may wish to post this schedule on their Post Office™ bulletin boards.

Customers may also access the *Postal Bulletin* through the Postal Service™ website at www.usps.com; click on *About USPS & News*, then *Forms & Publications*, then *Postal Bulletin*.

This announcement will be updated every 2 to 3 months, as changes warrant.

How to Order First Day of Issue Postmarks and Covers

Customers may purchase new stamps or postal stationery items at their Post Office, from the *USA Philatelic* catalog, by calling 800-STAMP-24, or online at www.usps.com by clicking *Buy Stamps & Shop*. Then they should prepare their own covers by affixing new stamps to the upper-right corner of envelopes or postcards of their

choice, and address those envelopes, postcards, or postal stationery items to themselves or others. (Postage must equal the current First-Class Mail® rate.) For sturdiness, include a card of postcard thickness in each cover (envelopes only) submitted, and tuck in the flap. Place the cover in a larger envelope addressed to:

Name of Issue
Postmaster
City, State ZIP Code (followed by -9998)

Covers submitted for first day of issue postmarks may include additional uncanceled stamps only if the uncanceled stamps were issued before the first day of issue of the new stamps or postal stationery items. All orders must be postmarked on or before the deadline indicated in the “2009 Stamps and Postal Stationery” announcement on pages [49–51](#).

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 30 days:

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Note: These approved eBuy orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard. Supply Management

eBuy Purchases of Bottled Drinking Water Services From Nestle and DS Waters for Fiscal Year 2010

All sites purchasing yearly bottled water service from Nestle, marketed as Arrowhead, Calistoga, Deer Park, Ice Mountain, Ozarka, Poland Spring, or Zephyrhills, or from DS Waters, marketed as Alhambra, Belmont, Crystal Springs, Hinckley Springs, Kentwood Springs, Sierra Springs, or Sparletts via eBuy on-catalog purchase are requested to process their requisitions for fiscal year (FY) 2010 before October 1, 2009. All requisitions need to be processed and approved prior to October 15, 2009, to avoid a lapse in service. Processing of requisitions is required during this period because the supplier needs to have your FY 2010 on-catalog requisition in the eBuy system in order to invoice your FEDSTRIP.

Note: There are some sites that cannot receive service directly from Nestle or DS Waters. These sites are authorized to purchase off-catalog as long as Nestle or DS Waters have stated they will not service their locations.

If your site sent a successfully processed eBuy requisition to the supplier last year, you can use this requisition to re-order. By re-ordering, you are copying last year's requisition, which will be assigned a new "R" number. Ensure quantities and units of measure are correct on the new requisition prior to sending for approvals.

Hurricane Season and Emergency Use of SmartPay Purchase Cards

As we approach hurricane season, we must be aware of the possibility of emergency situations. These include hurricanes as well as tornadoes, extreme winds, flooding, wildfires, and downed power lines throughout the year. Severe weather is unpredictable.

For instructions and tools for use of SmartPay Purchase Cards during emergency times, see http://blue.usps.gov/purchase/scmstrategies/sm_emergency_response.htm. There, you'll find the Supply Management Emergency Response Team (SMERT) resources index, which contains a directory of emergency supplies, services, contacts, and supplier information, along with other important links.

Local buying procedures include checklists and templates for SmartPay Purchase Card use. For a local buying

emergency checklist, go to http://blue.usps.gov/purchase/_doc/smi_local_buying_emergency_checklist.doc.

You may find it helpful to have a printed copy of this material, since your ability to get to this information electronically may be at risk during an emergency situation.

On a personal note, you may want to review preparations for potential emergency situations with your family and coworkers. For helpful information on preparing for severe weather, go to <http://www.nhc.noaa.gov/index.shtml>.
