DMM Revision: Mailing of Cigarettes and Smokeless Tobacco Products to APO/FPO/DPO Destination Addresses

Effective August 27, 2010, we revised *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 503.9 and 601.11 to permit the mailing of cigarettes and smokeless tobacco to APO/FPO/DPO destination addresses via Express Mail® Military Service or Priority Mail® service with Delivery Confirmation™ service. This change will be integrated into the online version of the DMM on October 4, 2010.

In response to inquiries from customers, USPS® has identified alternative mailing options for mailpieces containing cigarettes and smokeless tobacco sent as gifts between individual adults to APO/FPO/DPO addresses. These changes to our standards were made to accommodate the needs of military families that ship to APO/FPO/DPO destination addresses to which Express Mail service is not offered. With these changes, mailings of cigarettes and smokeless tobacco will be permitted to APO/FPO/DPO addresses when using Priority Mail service with Delivery Confirmation service, when not otherwise restricted in accordance with the requirements of the host country.

In conjunction with these revisions, we are also clarifying the product description for Delivery Confirmation service when used with products sent to APO/FPO/DPO addresses. Specifically, DMM 503.9.2.1 is clarified to specify that for APO/FPO/DPO shipments, Delivery Confirmation service may not always provide the mailer with online information regarding the date and time of an event scan.

a. Be entered as Express Mail with Hold for Pickup service (waiver of signature and pickup services not permitted); unless shipped to APO/FPO/DPO addresses under 11.6.4.

* * * * *

11.6.3 Delivery

Delivery under the certain individuals exception is made under the following conditions:

[Revise text in items a and c as follows:]

a. The recipient receiving or signing for the article must be an adult of at least the minimum age for the legal

sale or purchase of tobacco products at the place of delivery.

* * * * *

[Add new item 11.6.4 as follows:]

11.6.4 Tobacco Product Shipments to APO/FPO/DPO Destination Addresses

Shipments of cigarettes and smokeless tobacco may not be sent to APO/FPO/DPO destination addresses to which the mailing of tobacco is restricted (see 703.2.3.1). To the extent cigarettes or smokeless tobacco are permitted to be mailed to APO/FPO/DPO destination addresses, such

mailings under the certain individuals exception must comply with all of the requirements of 11.6, with the exception that mailings may be entered as either Express Mail Military Service (EMMS) or Priority Mail service with Delivery Confirmation service. Regardless of the service elected, the mailing must bear the full name and mailing address of the sender and recipient.

We will incorporate this revision into the next printed version of the DMM and into the monthly update of the online DMM, which is available via Postal Explorer® at <http://pe.usps.com>.

IMM Revision: Exchange Office for IPA and ISAL Service to Bermuda and Mauritius

Effective November 1, 2010, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) Exhibits 292.452 and 293.452 to update the exchange office name for International Priority Airmail™ (IPA®) and International Surface Air Lift® (ISAL®) items sent to Bermuda and Mauritius.

Periodically, the Postal Service receives such requests from foreign posts to facilitate operational needs. In this case, these foreign posts requested that these updates be implemented as soon as possible. However, in order to provide mailers the time needed to make necessary logistic and software changes, we are not requiring this change from mailers until November 1, 2010. Nonetheless, in order to expedite delivery, mailers may implement these changes immediately.

The closeout employee provides the following documents to the Post Office box section for updating box holder information in WebBATS on a daily basis:

1. PS Form 1412. The closeout person reviews and compares PS Form 1412 entries with support documents.

2. Support Documents (PS Form 1538, PS Form 3533, IRT/eMOVES system-generated unit 3544 for PO boxes/caller fees, and PS Form 3544). These are then submitted to the PO box clerk to be entered into the WebBats system.
3. WebBATS PO Box/Caller Service Receipt. After all PO box/caller service activities are entered into WebBATS, print a WebBATS PO Box/Caller Service Receipt by Date report for the business day. The report will consist of the following:
 - a. A list of PO box numbers or caller numbers with the amounts.
 - b. The subtotal of all amounts posted for each AIC (115, 158, 166, 167, and 535).

Publication 75, Mover’s Guide, News: September 2010 Issue Has New Design and Features

The September 2010 issue of Publication 75, *Mover’s Guide*, has been shipped to all Post Office™ facilities. Please recycle all expired versions.

Mover’s Guide Schedule Information

- *Mover’s Guide* is printed and distributed three times per year — December (for January use), April (for May use), and August (for September use).

- Offices will receive their copies of the *Mover’s Guide* in one or two shipments. The first shipments arrived in mid-August. The second shipments will arrive 4 to 6 weeks later. Shipments are sent in quantities of 25, 100, and 300.
- Your facility may receive the *Mover’s Guide* copies addressed to other offices. Please check the labels and forward the guides as necessary. Remember to scan Delivery Confirmation™ labels affixed to each box.

Mover's Guide New Design

The September 2010 issue of the *Mover's Guide* features a new modern look and feel! The design change is shown below, and highlights are as follows:

- Enhanced Internet change-of-address messaging.
- Instructions that provide easier reading.
- Information organized for the customer's easy understanding.

Mover's Guide Behind the Counter Program

The Behind the Counter Program is here to stay! Below are a few reminders about program compliance:

- Continue to keep copies of the *Mover's Guide* behind the counter. Do not place copies of the *Mover's Guide* in the inner or outer lobby or on the clerk counters.
- Retail associates should encourage their customers requesting change-of-address information to go online at www.usps.com. Internet change-of-address (ICOA) transactions provide customers with the most convenient, safe, and secure way to change their address. Furthermore, ICOA transactions reduce processing time, improve address accuracy, and generate revenue for the Postal Service™.
- Advise customers to take an ICOA Message Card to reinforce the online change-of-address message.

- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened *Mover's Guide*.

Note: The *Mover's Guide* Behind the Counter Program is part of the ad-hoc section of the 2010 Retail Customer Experience Program; it is critical that your Post Office comply with the program throughout the year by keeping copies of the *Mover's Guide* out of the Post Office lobby.

ICOA Message Card Information

- If your Post Office has an ICOA Message Card display, *do not throw it away*. Expect to receive ICOA Message Card replenishment boxes labeled with red text with your *Mover's Guide* shipments. Inside you will find more ICOA message cards and an updated banner for your display.
- If your Post Office *does not* have an ICOA Message Card display, you must call 800-816-6837 for replenishment.
- If your Post Office runs out of ICOA message cards between shipments, call 800-816-6837 for replenishment.
- *All* Post Offices must have ICOA Message Cards in their lobbies for customer reference.

Household Diary Study

The Postal Service's Household Diary Study (HDS), conducted since 1987, provides information about the contents of the mail sent and received by our customers in U.S. households. The Postal Service™ uses this information to help understand why and how customers use the mail. The results are used to:

- Forecast mail volume.
- Plan marketing strategies.
- Provide information for rate-setting purposes.

The HDS is administered at Headquarters by the Office of Demand Forecasting and Analysis, Finance. NuStats, the HDS survey research firm contractor since July 1999, conducts the interviews and collects and analyzes the HDS data throughout the year.

HDS is a two-stage survey. Stage 1 is the Household Interview. NuStats sends an advance letter, signed by the postmaster general, to a representative sample of U.S. households. This letter emphasizes the importance of the HDS and asks for participation. Sample households are contacted either by telephone or in person and asked about the mail they send and receive, their adoption and use of various communications' technologies, their attitudes about mail service in general, and information relating to their household and personal demographics. Respondent households are recruited to participate in HDS Stage 2.

Stage 2 is the Mail Diary. NuStats asks households that agree to participate in Stage 2 to record information about the mail they send and receive for a 7-day period from Monday to Sunday. Information recorded includes number of mailpieces received and sent, industry mail source, mail

characteristics, and attitudes regarding mail received. As an incentive for HDS Stage 2 participation, households are offered the options of receiving \$30 or a roll of 100 First-Class Mail® stamps.

Customers who participate in Stage 2 of the HDS can expect to receive their incentive about 2 months after they return the diary packet to NuStats.

Data gathered in both HDS stages is available in a final report, *The Household Diary Study — Mail Use and Attitudes*. The report is published in hard copy and an electronic file. Order forms for the latest HDS report may be obtained via the Postal Service Internet at www.usps.com/householddiary.

Express Mail Open and Distribute Service Changes

Effective January 2011, Publication 91, *Confirmation Services Technical Guide*, will be revised to include requirements for Express Mail® Open and Distribute Service. This is an advance notice of the changes that will become effective in January 2011.

Express Mail Open and Distribute is a premium service that allows mailers to expedite the movement of shipments of any class or subclass of mail between the acceptance unit and domestic postal facilities using Express Mail service. Customers must place mailpiece contents into an approved USPS® container (sack or USPS-supplied tray box), affix the Express Mail Open and Distribute address label barcode to the container, and present the container to the Business Mail Entry Unit (BMEU) or authorized acceptance location before the critical acceptance time for Express Mail items. The contents of the Express Mail Open and Distribute container may include any products or class of mail, except Express Mail items. Postage is paid based on the weight and zone for the contents of the Express Mail Open and Distribute container. Once received at the destination facility, the container address label barcode is scanned and the enclosed mail is processed appropriately for the mail class.

The following requirements must be met to use Express Mail Open and Distribute service:

- For each container, mailers will affix a barcoded address label. All address labels will contain the human-readable text above the barcode of “USPS Scan on Arrival”, affixed to either a yellow Tag 267 for containers destined to mail processing facilities (NDC and SCF) or a blue Tag 257 for destination delivery units (DDUs). Alternatively, an Express Mail Flat Rate Envelope with a blue Label 257S can be used for destination delivery units or an Open and Distribute tray box can be used for both processing facilities and DDUs.
- The mailers will send an electronic file, consistent with the rules outlined in the latest version of Publication 91, which includes the label number for the Express Mail Open and Distribute container.

- The mailers will present the container with the affixed address label barcode and tag to the BMEU or authorized USPS acceptance facility with a prepared PS Form 3152-E, *Express Mail Manifesting Certification*. PS Form 3152-E will contain a barcode representing the electronic file number used in the Header Record of the electronic file.
- After contents and postage of each Express Mail Open and Distribute container are verified, the barcode on PS Form 3152-E will be scanned as accepted by the BMEU or authorized acceptance location.
- Express Mail Open and Distribute labels that are addressed to:
 - An SCF — must reflect the 3-digit ZIP Code™.
 - An NDC — must reflect the 5-digit ZIP Code.
 - A DDU — must reflect the complete address, including the ZIP+4® code.
- Customers may use one of the options listed below.

Option 1. Use of Standard 13-Digit Barcoded Labels

Express Mail Open and Distribute customers using option 1 must do the following:

- Use a valid 13-digit barcoded label containing a prefix of “DB” in either the USS 128 or Code 39 barcode symbology.
- Obtain a label range from the National Customer Service Center upon certification.
- Prepare and present mail according to specifications outlined in Publication 97, *Express Mail Manifesting Technical Guide*.
- Use version 1.3 file format and may use electronic file type ‘3’ (Express Mail Manifest Using EMCA) or ‘E’ (PC Postage Vendors).
- Include the Destination Rate Indicator that represents the destination location:
 - B = Destination Network Distribution Center (DNDC).

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

PVDS Destination

When receiving a drop shipment, the destination office must confirm that the documentation is complete, is accurate, and matches the drop shipment so that USPS® receives proper payment for each mailing.

Remember the 3 **R**'s when receiving plant-verified drop shipment (PVDS) loads at the destination site:

Review PS Form 8125, *Plant-Verified Drop Shipment (PVDS) Verification and Clearance*:

- Verify that the load arrived at the correct destination.
- Confirm all critical fields are complete and unaltered.

Recieve the Load:

- Compare container counts on PS Forms 8125 to actual containers on the truck.
- Complete the Destination Entry Post Office section.
- Scan the postal barcode in the lower right corner of PS Form 8125, if present.

Record Irregularities:

- Record all drop shipment irregularities on PS Form 8125, in Facility Access and Shipment Tracking (FAST), and in Electronic Mail Improvement Reporting (eMIR).

PVDS Origin

Accurately checking and accepting mail throughout the business mail acceptance process is a key component of Sarbanes-Oxley Act (SOX) compliance. You can do your part by following these key processes when accepting plant-verified drop shipment (PVDS) mail:

- At a business mail entry unit (BMEU), follow the Job Aid for accepting PVDS mail.
- At a detached mail unit (DMU), use the DMU PVDS standard operating procedures (SOP).
- Conduct these key steps following the applicable SOP:
 1. Validate the postage statements against the PS Forms 8125 at the origin site. Ensure the discounts claimed and the piece counts match.
 2. Confirm that the container labels and container counts are accurate and match the physical mail presented.
 3. Sign and round stamp PS Form 8125 to document the review unless the form contains an authorized legend.
 4. In DMUs where Special Postage Payment Systems (SPPS) agreements authorized by Business Mailer Support exist, ensure acceptance personnel follow the procedures identified in the agreement.
- For non-PVDS mail, such as Expedited Plant Loads, compare the postage statement to PS Form 8017, *Expedited Plant-Load Shipment Clearance*, and the physical mail. Sign and round stamp to show evidence of the review.

DMU Plant-Load Loading and Securing of USPS Vehicles or USPS Contracted Vehicles

Ensuring the mail is accounted for and secure prevents unpaid mail from entering the mailstream. You can do your part by following these key processes.

When loading mail onto USPS® vehicles or USPS contracted vehicles at a detached mail unit (DMU):

- Confirm that the mail is verified and cleared for dispatch.
- Observe all mail being loaded onto USPS vehicles or USPS contracted vehicles.
- Secure a contractor's vehicle using a numbered seal (0817-A) and twisted wire seals. Complete PS Form 5111-R and PS Form 5398-A.
- Secure a Postal Vehicle Service (PVS) vehicle using a cargo compartment door lock or numbered seal. Complete PS Form 5111-R.

YOU hold the key to USPS' financial accountability!

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 30 days:

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no

charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Ser-

vice also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

This article publishes the Stamps by Mail® (SBM) print run cutoff schedule for fiscal year (FY) 11. Each date has a designation whether it is for the year-round (YR) brochure or the holiday (HOL) brochure. The remaining FY 11 print cycle cut-off date is as follows:

- September 24, 2010 (HOL).
- November 5, 2010 (Price Change).
- January 14, 2011 (YR).
- April 8, 2011 (YR).

Starting with the June 25, 2010, print cycle, the English-only brochures have been replaced with bilingual (English and Spanish) brochures. All orders received from SBM sites by June 25 and thereafter will be provided bilingual brochures. There is no change in the price.

To order brochures, submit PS Form 3227-O, *Stamps by Mail Brochure Order Form* (January 2009), to Cyril-Scott Company:

Cyril Scott Company
PO Box 627
Lancaster, OH 43130-0627
Telephone: 800-466-0455
Fax: 740-689-0210

You can find this form at <http://blue.usps.gov>; click *Forms*, and then select the form by number. A copy of this form appears on page 47 in this *Postal Bulletin*.

The cost per unit of 500 is \$12.51. This cost includes overprinting the address of the fulfillment office placing the order. You may pay for orders (under \$10,000) with local IMPAC credit cards, checks, or money orders. However, Cyril-Scott Company cannot process the order until it receives payment. Local eBuy procedures may also apply (refer to local procurement procedures). Cyril-Scott Company must receive orders placed by mail by close of business the day of the print run cut-off date listed here. Orders received after the cut-off date will be processed the next print run date.

All local Post Offices™ and centralized sites should follow the ordering instructions contained within this article and utilize local funds.

For Orders Exceeding \$10,000

Use eBuy to process both centralized and decentralized brochure orders that exceed \$10,000.00. In the Purchasing

Method field, select “Route Req to Supply Mgmt,” then in the After Approval Route field, select “Eastern Services CMC (Memphis, TN).” Include completed PS Form 3227-O with imprint information with the eBuy order.

Note: These approved eBuy orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard. You should save copies of all orders placed at your local Post Office until the order has been received. Ensure procedures are in effect locally for proper verification of receipt.

eBuy2 Yearly Purchases of Five-Gallon Bottled Drinking Water Services From Nestle and DS Waters for Fiscal Year 2011

All sites purchasing yearly 5-gallon bottled water service from Nestle (marketed as Arrowhead, Calistoga, Deer Park, Ice Mountain, Ozarka, Poland Spring, or Zephyrhills), or from DS Waters (marketed as Alhambra, Belmont, Crystal Springs, Hinckley Springs, Kentwood Springs, Sierra Springs, or Sparkletts) are required to reorder yearly via eBuy2 “on-catalog” and are requested to process their requisitions for fiscal year (FY) 2011 before October 1, 2010.

All requisitions must to be processed and approved prior to October 15, 2010, to avoid a lapse in service. Processing of requisitions is required during this period because the supplier needs to have your FY 2011 on-catalog requisition in the eBuy2 system in order to invoice your FEDSTRIP.

(1) There are some sites that cannot receive service directly from Nestle or DS Waters. These sites are authorized to purchase “off-catalog” as long as Nestle or DS Waters have stated they will not service those specific locations.

(2) This service is not for “emergency” national disaster-type bottled water purchases. For all “emergency” bottled water requirements, refer to Material Logistics Bulletin (MLB) MLB-CO-07-001, *Amendment to the MLB for Water and Ice to American Water, Ice and Logistics*. This MLB can be accessed at http://blue.usps.gov/purchase/operations/ops_mlb2007.htm.

See the following MLBs for more bottled drinking water information, including step-by-step ordering instructions, available from the Eastern Services Category Management Center’s Bottled Water website at <http://blue.usps.gov/purchase/services/escmc/bottledwater.htm>.

- MLB-CO-07-009 — Nestle.
- MLB-CO-07-010 — DS Waters.

New Contracts for Office Supplies Awarded — Catalogs are Now on eBuy2

There is an exciting new marketplace for purchasing office supplies within the U.S. Postal Service®.

In the past, we have had only one mandatory source for office supplies — OfficeMax. With the implementation of eBuy2, you now have the ability to purchase office supplies from three office supply contractors, each of which will be competing for your business through catalogs posted on eBuy2.

The three suppliers are:

- **American Product Distributors:** Contract Number 2DOSEQ-10-B-0033

“American Product Distributors (APD) is a minority- and veteran-owned small business that utilizes USPS Priority Mail for all deliveries.”

- Customer Service: 866-826-6220
- Contract Questions: John Ham 800-849-5842, ext. 203
- **OfficeMax:** Contract Number 2DOSEQ-10-B-0034
“The reliable and long-term office supplies partner to the U.S. Postal Service.”
- Customer Service: 888-229-8777
- Contract Questions: Matt Baer 630-607-8180

- **Staples:** Contract Number 2DOSEQ-10-B-0035
“Committed to making office supply ordering EASY.”
- Customer Service: 866-757-8133
- Contract Questions: John Gavin 571-299-9415

Whenever you need to purchase office supplies, you will be able to perform a search in eBuy2 for the products required and obtain competitive prices instantly from these three suppliers. eBuy2 makes it easy to select and compare products from the supplier(s) that best meet your needs, and if price is equal, think green and purchase an environmentally preferable product.

Can you get supplies from more than one supplier at the same time? Absolutely — just add to your shopping cart, and once your requisition has been approved, eBuy2 will send purchase orders to each supplier.

If you need to access the Material Logistic Bulletins (MLBs) for these new contracts, need additional information, or just have a general question, visit us on the Intranet at <http://blue.usps.gov/purchase/services/escmcl/officeproducts.htm>.

Sustainability

Green Goals for a Greener Future

Lean Green teams are coming. And they'll be helping the Postal Service™ build on our long history of environmental leadership, as well as achieve our strategic sustainability performance goals.

Over the next 2 years, Lean Green teams will be deployed to all districts and network distribution centers to engage employees in creating a culture of conservation. They'll be our “green feet on the ground” in the field much as our carrier “fleet of feet” is leaving a green footprint across the American landscape.

With a presence in every community across the nation, USPS® is especially mindful of the impact today's actions can have on future generations. Our sustainability goals and targets are designed to make the best use of resources, reduce financial costs, and benefit our employees, customers, and the communities we serve.

Our green practices and successes are widely recognized — recycling and mail-back programs, vehicles powered by electricity and alternative fuels, planet-friendly certified mailing and shipping supplies, and more.

Recent USPS sustainability leadership efforts include these achievements:

- The first federal agency to have a sustainability officer.

- The first federal agency to publish a third-party-verified greenhouse gas (GHG) emissions inventory and commit to absolute GHG reductions.
- One of the first federal agencies to issue *Global Reporting Initiative*-based public sustainability performance reports (2008 and 2009).
- A leading member of an international posts coalition to become the first industry sector to commit to GHG reductions at the 2009 United Nations Climate Conference in Copenhagen.
- Being named “most trusted government agency” for 6 consecutive years.

Achieving our sustainability goals will be extremely challenging as we face the most significant financial crisis in our history. That's why we're focusing on low-cost, high-benefit initiatives that will help us achieve our sustainability goals and build on our vision to be a sustainability leader.

Our newly released Strategic Sustainability Performance Plan describes our goals and targets, and summarizes our implementation initiatives. You can read it at <http://blue.usps.gov/sustainability>.
