Suggested Replacement

Produce impressive documents and marketing materials for less with this fast color laser printer.

Easily print eye-catching color and black-and-white documents at speeds up to 30 ppm. Produce your own professional-quality brochures, flyers, postcards and newsletters in the comfort of your office on your timeframe.

Enjoy the flexibility of having the option to print in black or color, while efficiently managing color usage with the HP award-winning[1] Color Access Control. Plus, print black pages for the same cost as on a black-and-white HP LaserJet.[2]

Save time and money by creating impressive brochures, newsletters and other marketing materials yourself using HP ColorSphere toner and Original HP specialty media. Easily print on a range of media— from postcards to 8.5 x 14-inch documents.

Get performance you can count on with this color laser printer. Take control of your print jobs with the color display and easy-access paper tray. Enjoy stress-free maintenance with easy-to-replace supplies and alerts from HP SureSupply.

1. Buyer's Lab gave HP an "Outstanding Achievement" award in December 2007 for the extensive color control features included with its laser printers and multifunction products.

2. Compared to HP LJ P3005 printer series, using HP Q7551X print cartridge. Yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images printed, number of color pages printed and other factors (including frequency of TCU replacement).

3. Introductory cartridges: average continuous composite cyan/yellow/magenta cartridge yield 3,000 pages and average continuous black cartridge yield 3,000 pages. Replacement cartridges: average continuous composite cyan/yellow/magenta cartridge yield 7,000 standard pages, average continuous composite CE250A black cartridge yield 5,000 standard pages, and average continuous composite CE250X high-capacity black cartridge yield 10,500 standard pages. Declared yield values for replacement cartridges in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies.

4. Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver and document complexity.
