Black-and-white Printer
and Multifunction Printer

Phaser® 3610 Printer and
WorkCentre® 3615
Multifunction Printer
More speed. More expandability.
Professional quality results.

Xerox® Phaser® 3610 Printer and Xerox® WorkCentre® 3615 Multifunction Printer

Produce professional-looking documents quickly. With the Phaser 3610 printer and WorkCentre 3615 multifunction printer, you'll get best-in-class speed¹, expanded capabilities and professional-looking print quality for your busy office.

Your Productive Advantage

With best-in-class¹ speed, print resolution and media capacity, your busy office can maximize workflow and minimize waiting.

- **Built for speed.** Press print and the Phaser 3610 and WorkCentre 3615 are off and running, delivering 47 ppm – the fastest black-and-white print speed in their class¹.
- **True multifunction capability.** The intuitive 4.3-inch color touch screen on the WorkCentre 3615 lets you program your next job while another is in progress.
- **Digitize...and simplify.** Easily turn cumbersome hard copy forms and documents into portable, digital files. Enjoy the added convenience of sharing your digital files automatically via email. You can even send your files to an established network folder or export them to any USB memory device.
- **Easily scan legal-sized pages.** With the WorkCentre 3615 legal-sized platen, you can scan larger pages without disassembling your bound documents.
- **Expand your capabilities.** Customize to your specific business needs with optional Wi-Fi or Productivity Kit. Plus, adding up to three additional trays lets you expand your work to fit different paper sizes and stocks, or extend media capacity during peak workloads.
- **Dependable day after day.** Enjoy quick startup and everyday operation. Plus handle device administration remotely from any networked computer's browser with Xerox® CentreWare® IS.
- **Print when and where you want.** With Apple® AirPrint™, you can print email, and important office documents directly from your mobile iOS device when connected to your office Wi-Fi network. And when working offsite, you can use Xerox® PrintBack to print documents back at the office so they are waiting for you when you return.

Powerful Capabilities Made Affordable

Even small work teams can benefit from the powerful and affordable options and capabilities delivered by the Phaser 3610 and WorkCentre 3615.

- **All-in-one savings.** The WorkCentre 3615 combines the functions of a copier, printer, scanner and fax machine into a single value-packed unit that can generate savings on energy and supplies costs.
- **Reduce your paper usage.** You'll dramatically cut your paper usage and related costs thanks to automatic two-sided printing (DN configurations). Plus, N-up printing lets you print multiple pages on one sheet – a useful option when sharing presentations.
- **Freedom, unplugged.** With optional Wi-Fi capabilities, the Phaser 3610 and WorkCentre 3615 are ready to go to work wherever they're needed, regardless of wired network infrastructure.
- **Increase your efficiency.** Extra-high capacity toner cartridges allow you spend less time loading supplies and more time getting work done.
- **Keep your information safe.** Secure Print keeps your sensitive documents out of the wrong hands by requiring users to enter a personal identification number at the device to print documents.

Attention-grabbing Print Quality

No matter what business you're in, the Phaser 3610 and WorkCentre 3615 deliver images that get your work noticed.

- **Crisp details.** Add definition and clarity to your documents with true print resolution of up to 1200 x 1200 dpi. Your printed communications never looked better.
- **Unique Xerox® EA Toner.** Fuses at a much lower temperature, reducing power consumption by up to 20% and CO₂ emissions by up to 35%, compared to conventional toner.

¹ When compared to similar products, as of September 2013.

A full productivity toolbox in one powerful device. Choose your task. The Xerox® WorkCentre® 3615 Multifunction Printer has the right tools to deliver outstanding performance, so you're more productive and efficient every day.

- 1** A 60-sheet Duplex Automatic Document Feeder scans two-sided originals for copy, scan and fax jobs.
- 2** The WorkCentre 3615 includes a 4.3-inch touch screen with easily understood instructions and help screens to streamline walkup operations.
- 3** An easily accessible USB port allows users to quickly print from or scan to any standard USB memory device.
- 4** 250-sheet output tray with tray-full sensor.
- 5** 150-sheet Multipurpose Tray handles media sizes from 3 x 5 in. to 8.5 x 14 in. / 76 x 127 mm to 216 x 356 mm.

- 6** With the 550-sheet paper tray, standard paper capacity for the WorkCentre 3615 totals 700 sheets.
- 7** Up to three optional 550-sheet paper trays increase total paper capacity to 2,350 sheets.
- 8** Optional stand provides storage for toner cartridges, paper and other supplies.
- 9** Place the Phaser 3610 or WorkCentre 3615 anywhere you need it with the optional Wireless Networking Adapter.

WorkCentre 3615. Print. Copy. Scan. Fax. Email.
