08/31/2017	192	Minute Entry for proceedings held before Magistrate Judge Nathanael M. Cousins. Hearing re Discovery Letter Briefs held on 8/31/2017: For the reasons stated on the record, Qualcomm's request to compel additional discovery denied. As to all disputed categories requested in letter briefs ECF 166 , 167 , the Court finds Apple's discovery responses sufficient. Additional discovery is not relevant and not proportional to the needs of the case. Under Fed. R. Civ. P. 45, the Court finds that Qualcomm took reasonable steps to avoid imposing an undue burden and expense on Apple, so no costs or fees are awarded in connection with the motions. The Court credits the parties and their counsel for their cooperative work in reducing the issues presented to the Court.
