

Specifically designed for viewing and signing electronic documents directly on screen.

The 10.6" LCD size is large enough to comfortably read text, yet has a small enough footprint to fit easily in any business environment. The generous screen size makes it ideal to show slide shows, videos, and other promotional material when not used for signing.

The ability to perform secure transactions is the strength of the DTU-1141. The DTU-1141 includes state-of-the-art encryption, and unique hardware ID (UID) to pinpoint the exact unit used for any digital signature.

The DTU-1141 can be easily integrated into existing installations and runs on Windows and Macintosh systems. The flat glass surface is comfortable for signing and writing, and allows the unit to be mounted into tables and desks. Standard VESA mounting holes are provided for use with 3rd party arms and stands. The cover glass has anti-glare properties with a superb paper-like feel, and is highly scratch-resistant. There is a Kensington Security Slot to prevent theft and the pen tether ensures the pen will not be lost.

#### Features and benefits:

- View and sign A4 and letter-size documents with minimal scrolling and shrinking
- 10.6" LCD boasts full color, Full HD resolution (1920x1080) and wide viewing angle
- Uses Wacom's patented cordless and battery-free pen with 1024 levels of pressure
- Supports multiple resolutions from 800x600 to 1920x1080 to match any application
- Large screen is ideal for showing promotional materials when not used for signing
- 4 capacitive-touch ExpressKeys for easy access to commonly used shortcuts
- State-of-the-art encryption to ensure secure transactions
- Unique hardware ID (UID) to identify the exact unit used for any transaction
- Just one USB cable for power to reduce clutter
- Integrated stand allows the DTU-1141 to be used flat, or at a comfortable angle
- Can be easily integrated into existing installations and is extremely durable

# DTU-1141

## General Specifications

Dimensions (W x H x D, excluding stand)	283 x 210 x 11 mm (excluding rubber stand foot) 283 x 210 x 16 mm (excluding rubber stand foot)
Weight (including stand)	700 grams
Stand inclination	15° horizontal with integrated stand
Power supply	USB bus power, no AC power required
Power consumption	5W maximum 1W or less in sleep mode
Communication interface	USB 2.0 (high speed)
Supported operating systems	Windows XP / 7 / 8 / 8.1 Mac OS X 10.7 or later

## LCD Screen

Main body color	Dark grey
Display	IPS TFT display
Cover plate surface	Tempered anti-glare etched glass
Screen diagonal	10.6"
Aspect ratio	16:9
Resolution	800 x 600 pixels, 1024 x 600 pixels, 1024 x 768 pixels, 1280 x 800 pixels, 1440 x 900 pixels, 1920 x 1080 pixels
Viewing angles (horizontal/vertical)	170°/ 170°
Colours	16.7M colors
Luminance (brightness)	200 cd/m <sup>2</sup> (typical)
Contrast ratio	800:1 (typical), 600:1 (minimum)
Response time	16 ms (typical)
Backlight lifetime	20,000 hours

## Tablet and Pen

Technology	Electromagnetic Resonance (EMR)
Active area	235 x 132 mm
Resolution	2540 lpi or 0.01 mm/pt
Coordinate accuracy	±0.5 mm / ±0.02 inch (center)
Report rate	200 points per sec. (non interpolated)
Pressure levels	1024

## Miscellaneous

Reading height	5 mm or more (center)
Pen storage	Integrated pen compartment, pen holder
Graphics card	Any graphics card
Wall mount	VESA 75 mm
Software	Compatible with E-signature software, Wacom SDKs, and Wacom sign pro PDF
Driver	Wacom driver and DisplayLink driver required
Package content	Interactive pen display with integrated stand, cordless and battery-free pen, USB Y-cable (3 m / 9.84 ft), installation CD (Wacom driver, DisplayLink driver, product information), quick start guide, pen tether, 5 extra pen nibs, nib removal tool, 4 VESA mounting screws, pen compartment cover, USB plug attachment
Warranty	Contact our Sales for local warranty detail
