Cases and Backpacks

Tripp Lite offers a full line of Notebook Cases and Backpacks designed for maximum portability, comfort and style. Ideal for mobile professionals, these cases and backpacks allow you to take your entire office virtually anywhere. Superior construction, premium features and a variety of versatile designs highlight this cost-effective, functional line.

NB1006BK

Premier Notebook Case on Wheels

This versatile and spacious case with rolling wheels and an extendable handle is ideal for any mobile professional.

- Durable 600 denier nylon in attractive black
- In-line skate wheels for easy mobility
- Large padded pocket protects most notebooks and additional compartments accommodate a variety of accessories
- Zippered front pockets, plus a grip handle that extends a full 27 inches
- Self-repairing zippers and included luggage tag

Hideaway Overnighter

Tripp Lite's Hideaway Overnighter Notebook Case features in-line wheels and enough space to store a weekend's worth of clothes and a notebook computer.

- Genuine leather and nylon in attractive black
- Large, durable in-line skate wheels for easy mobility
- Lockable, large main compartment for overnight clothes or printer with removable accessory pouch
- Separate, lockable and discreet computer compartment with removable padded sleeve that fits 17" notebooks
- Locking, extendable handle that extends to 38" high
- Zippered front pockets, comfort-grip handles and removable strap

NB1099BK

Corporate Top-Load Notebook Case

NB1005BK

With its convenient top-load design, this superior notebook case provides enough space and zippered pockets to easily hold your notebook, peripherals and all files.

- Genuine leather and heavy-duty 1680 denier nylon combination in fashionable black
- Spacious main compartments accommodate most notebooks and a padded sleeve offers additional protection
- Zippered front, rear and internal pockets hold a variety of accessories
- Contour shoulder strap and padded twin grip handle
- Self-repairing zippers and included luggage tag

Executive Notebook Case

Simple yet elegant, the classic Executive Notebook Case is perfect for business executives in both form and function.

- Genuine leather and Koskin combination in black
- Generous top-load main compartment can accommodate the largest notebooks
- Large front pocket with metal locking clasps, plus twin grip handles and a comfortable padded shoulder strap
- Self-repairing zippers and included luggage tag

NB1004BK

Traditional Notebook Case

NB1003BK

With its traditional good looks and versatility, this case offers all the compartments and overall comfort you need while traveling.

- Soft and durable Koskin in basic black
- Zippered, padded compartment accommodates most notebooks
- Large front, rear and internal pockets hold a variety of accessories
- Comfortable grip handle and contour shoulder strap
- Self-repairing zippers and included luggage tag

Universal Tablet PC Case

Tripp Lite's Universal Tablet PC Case is the only one that's adjustable and fully customizable for virtually all tablet PCs.

- Two sets of straps hold tablet securely in place and adjustable bumper bar acts as a stabilizer
- "Always On" design allows for safe operation while tablet is still in the case
- Adjustable top flap stays conveniently out of the way while user works in tablet mode
- Expandable accessory case attaches to shoulder strap and accommodates power pack and cables

NB1150BKTAB

Slim-Line Professional Brief

Tripp Lite's attractive Slim-Line Professional Brief offers you the best of both worlds, an attractive slim-line design with the functionality you need to succeed.

NB1002OL

- Rugged 900 denier olive nylon and burgundy Koskin combination
- Three expandable compartments accommodate most notebooks and a removable padded sleeve offers additional protection
- Two front pockets, padded shoulder strap, grip handle and self-repairing zippers

Profile Notebook Brief

This notebook case features a stylish design and a variety of convenient features to satisfy both students and executives alike.

NB1001BK

- 600 denier nylon in attractive charcoal gray and black
- Spacious main compartment holds the largest notebooks and features a removable padded sleeve for additional protection
- Front, side and internal pockets accommodate a variety of accessories
- Comfortable padded shoulder strap, grip handle and self-repairing zippers

Designer Messenger Brief

This stylish notebook brief can accommodate most notebook computers and is made of soft, durable Koskin in attractive light and dark gray.

NB1094GY

- Spacious main compartment holds most notebooks and features a removable padded sleeve for additional protection
- Front, side, rear and internal pockets accommodate a variety of accessories
- Stylish profile design plus a comfortable padded shoulder strap

Messenger Notebook Brief

Tripp Lite's economical Messenger Notebook Brief features all the space and comfort for thrifty students and professionals.

NB1000GY

- 600 denier nylon in attractive charcoal gray and black
- Spacious main compartment holds most notebooks and features a removable padded sleeve for additional protection
- Easy-access front, side and internal pockets accommodate a variety of accessories
- Comfortable shoulder strap (with removable cell phone case) and self-repairing zippers

Super Notebook Backpack

The durable Super Notebook Backpack is large in size, yet lightweight and comfortable.

NB1008BK

- Virtually indestructible 1680 denier nylon in gray and black
- Well-padded, extra-large main compartment accommodates the largest notebooks
- Multiple-zippered front and inside pockets hold a variety of accessories
- Convenient carrying handle and comfortable adjustable shoulder straps
- Removable cell phone case and self-repairing zippers

Collegiate Notebook Backpack

Designed for portability and comfort, this backpack is essential for students on the move.

NB1007GY

- 600 denier nylon in charcoal gray and black
- Well-padded main compartments accommodate most notebooks
- Zippered front storage pockets hold a variety of accessories
- Convenient carrying handle, comfortable adjustable shoulder straps and self-repairing zippers

Peripherals

Wireless Multimedia Keyboard and Mouse

IN3004KBM

This wireless keyboard/mouse combo adds freedom of movement to any notebook or desktop environment.

- Programmable hot keys deliver one-touch Internet control to email, bookmarks and more
- Dedicated keys provide convenient control over multimedia functions, such as play, pause and volume
- Wireless optical mouse has five programmable buttons
- USB receiver also docks and charges the mouse

Multimedia Keyboard

Provides one-touch access to the Internet, email and your favorite programs.

- 12 Internet/multimedia hot keys control a variety of functions
- USB compatibility

IN3005KB

IN3007KB

Premier Office Keyboard

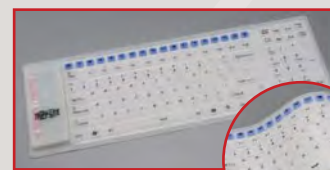

Adds functionality to any desktop or notebook environment.

- USB 2.0 port accommodates a variety of USB peripherals
- Convenient headphone and microphone jacks
- 17 Internet/multimedia hot keys plus USB compatibility

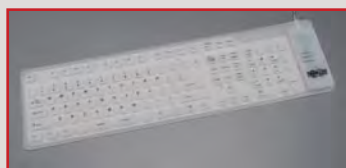

Wireless Multimedia Flexible Keyboard

Indestructible silicone material is perfect for dirty environments.

- Wireless capability with included USB receiver
- Flexible, indestructible silicone material can be rolled, washed, disinfected and more
- Operates up to 30 feet away from a computer
- 18 Internet/multimedia hot keys plus USB compatibility

IN3010KB

IN3009KB

Premier Flexible USB & PS/2 Keyboard

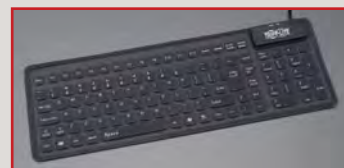

Flexible, full-sized keyboard for USB and PS/2.

- Full-sized, 109-key keyboard with a numeric keypad
- Flexible, indestructible silicone material can be rolled, washed, disinfected and more

Compact Flexible USB & PS/2 Keyboard

Compact, versatile design for USB and PS/2.

- Efficient design includes full functionality and numeric keypad
- Flexible, indestructible silicone material can be rolled, washed, disinfected and more

IN3008KB

Mini Wireless Optical Mouse

IN3001RF

Provides convenience, comfort and versatility.

- Storage compartment accommodates USB mini-receiver and two AAA batteries (included)
- 800 CPI optical technology delivers pinpoint accuracy on almost any surface
- 3 programmable buttons

Mini Optical Mouse

IN3000WI

Small enough to fit in any notebook case.

- Retractable cable reaches up to 31 inches
- Ergonomic design for maximum comfort
- 800 CPI optical technology delivers pinpoint accuracy on almost any surface
- Programmable scrolling wheel button

7-Port USB 2.0 Hub

U222-007-R

Convenient expansion for your notebook.

- Connect up to seven USB peripherals
- High-speed data transfer (up to 480 Mbps)
- Works with USB 2.0 and USB 1.1 devices
- Over-current protection
- Included base stand

4-Port USB 2.0 Hub

U222-004-R

Compact, lightweight expansion.

- Connect up to four USB peripherals
- High-speed data transfer (up to 480 Mbps)
- Works with USB 2.0 and USB 1.1 devices
- Over-current protection
- Compact size for easy portability

Premier Mobile Theater Speakers

SP5000USB

Dual cones produce superior audio.

- Digital audio with 3D 7.1 virtual surround produces superior sound
- Dual speaker cones deliver crisp, clear sound
- USB 2.0 interface does not require an AC adapter
- Lightweight, compact design with included carrying bag

USB to Bluetooth® 2.0 Adapter

U260-000-R

Add Bluetooth to a USB-capable computer.

- Connect up to 7 Bluetooth-enabled devices within a range of 65 feet (PDAs, cell phones, MP3 players or other notebooks)
- 128-bit data encryption
- Adaptive frequency hopping eliminates interference
- Compatible with all Bluetooth 1.1, 1.2 and 2.0 devices

USB Serial Adapter

U209-000-R

Connect RS-232 serial devices to your notebook computer.

- Perfect for a PDA, digital camera or modem with a serial port
- Portable design does not require external power or complicated set-up
- Add or remove a device at any time
- Supports data transfer rates over 230 kbps
- Premium double-shielded cable
- USB A (Male) to DB9 (Male) connectors

Portable Speakers

SP5001USB

Economical, high-quality digital audio.

- Digital audio with 3D 7.1 virtual surround produces superior sound
- USB interface does not require an AC adapter
- Lightweight, compact design provides maximum portability
- Magnetic stands can be placed upright or mounted to any metal surface

2-Port USB & PS/2 KVM Switches with Audio

B004-VUA2-K-R (USB model; shown),
B004-VPA2-K-R (PS/2 model)

Access, control, boot and reboot two USB- or PS/2-enabled computers.

- Fast, easy switching via keyboard hot keys or push buttons
- B004-VUA2-K-R model includes software (PC or Mac®) for switching, hot key programming, auto-scanning and more
- Shares audio components between systems
- Supports VGA, SVGA or Multisync monitors (up to 2048 x 1536)
- Includes two KVM cable kits and two audio cables

2-Port DVI/USB KVM Switch with Audio

B004-DUA2-K-R

DVI technology provides crystal-clear video signal transmission.

- Access, control, boot and reboot two DVI- and USB-enabled computers.*
- Supports DVI digital (up to 1920 x 1200) and DVI analog (up to 2048 x 1536)
 - Fast, easy switching via keyboard hot keys, push buttons or software (not required)
 - Shares audio components between systems
 - PC and Macintosh® compatible
 - Includes two KVM cable kits with audio and two USB cables

4-Port USB 2.0 Printer/Peripheral Sharing Switch

U215-004-R

Tripp Lite's USB sharing switch allows up to four computers to share one peripheral.

- One-touch port switching via mouse, hot key or button
- Supports USB and USB 2.0 printers, scanners, drives and more
- Icon task bar indicates switch status at a glance
- LED indicates which computer is active
- Does not require an AC adapter

Get the most out of your notebook computer investment with all-in-one peripheral kits, cameras, inverters and more from Tripp Lite. Loaded with premium features and cutting-edge technology, these solutions can increase your productivity while on the go.

Peripherals

Notebook Peripheral Kit (Keypad, Mouse and Hub)

PK3020KB

Keypad, hub and mouse all in one handy case—great for traveling students and professionals.

- USB numeric keypad with asynchronous operation for faster, error-free data entry
- Optical USB mini-mouse with retractable cord works on almost any surface
- 4-port USB 2.0 hub supports high-speed transfer rates
- Compact zippered case protects contents in padded cutouts

Notebook Peripheral Kit (Light, Mouse and Hub)

Everything you need to work in low light or late at night.

- Flexible USB LED adjusts for precise light control
- Optical USB mini-mouse with retractable cord works on almost any surface
- 4-port USB 2.0 hub supports high-speed transfer rates
- Compact zippered case protects contents in padded cutouts

PK3021LI

Notebook Peripheral Kit (Network Cable, Mouse and Hub)

Compact kit has everything your notebook needs and keeps your screen clean and clear.

- Two-in-one microfiber carrying pouch doubles as a non-scratching screen wipe
- Optical USB mini-mouse with retractable cord works on almost any surface
- 4-port USB 2.0 hub supports high-speed transfer rates
- Retractable RJ45 cable offers easy network/Internet connection

PK3022ET

Wireless USB Proximity Lock

Secure your data while you're away from your computer.

- Automatically locks your notebook once you're 10 feet away
- Compact design for maximum portability
- Included software supports Windows® 98SE/2000/ME/XP

SEC4002RF

Notebook Keypad

A full numeric keypad with two USB ports.

- Asynchronous operation for faster, error-free data entry
- Includes 2 USB ports
- 2 Microsoft® Office hot keys for one-touch access to Word® and Excel® programs

KP3040

Rapid Recharger

Convenient battery charger connects to any USB port.

- Standard and rapid charging modes
- Charges AA and AAA NiMH batteries
- Shuts off automatically to avoid overcharging
- Includes two AA and two AAA NiMH batteries

IN3006CG

Premier Notebook Clip-On Camera

IN3003CAM2

Take image capturing to the highest level with this premium notebook camera that also features a built-in microphone.

- Built-in microphone enables 2-way audio communications
- Image sensor delivers true optical 640 x 480 (380K pixel) resolution for net meetings, video mail and more
- 360° rotation delivers a wide-angle view and helps avoid blind spots
- USB cable provides convenient connection to any USB port
- Snapshot button instantly captures still images

Notebook Clip-On Camera

IN3002CAM1

This ultra-compact notebook camera captures crystal-clear images and is small enough to accommodate any mobile professional who takes his or her office on the road.

- Image sensor delivers 1/4 inch color progressive CMOS 640 x 480 (350K pixel) resolution for net meetings, video mail and more
- 360° rotation helps avoid blind spots
- Space-saving clip fastens securely to any notebook flip-up screen
- USB cable provides convenient connection to any USB port

USB 2.0 External Hard Drive Enclosure – 2.5 in.

U256-025-R

Access valuable data while traveling with this compact, external hard drive enclosure.

- High-speed data transfer supports rates up to 480 Mbps
- Hot-swappable and hot-pluggable capability
- Compact size offers easy portability and storage—ideal for notebooks
- Rugged metal case stands up to the toughest environments

PowerVerter® 150-Watt Ultra-Compact Inverter

PV150

Harness your vehicle's battery to efficiently power office equipment on the road.

- Continuously supplies up to 150 watts of 120V AC power to a single AC outlet from any automotive DC source
- Convenient cigarette lighter DC input jack with 3 ft. cord provides 1-step connection
- All-metal casing withstands the harshest environments
- 300-watt peak output AC power for easy equipment start-up
- Low battery alarm with auto-shutoff prevents deep battery discharge

PowerVerter® 375-Watt Ultra-Compact Inverter

PV375

The same premium features as our 150-watt model, but with more than double the output power and two outlets.

- Continuously supplies up to 375 watts of 120V AC power to two AC outlets from any automotive DC source
- Convenient cigarette lighter DC input jack with 3 ft. cord provides 1-step connection
- All-metal casing withstands the harshest environments
- 600-watt peak output AC power for easy equipment start-up
- Low battery alarm with auto-shutoff prevents deep battery discharge

Power Protection

Tripp Lite Protect It!™

Surge Suppressors, with the highest joule ratings in their class, provide the most reliable and compact solutions available for protecting your notebook and peripherals from damaging surges, spikes and line noise.

Protect It!™ TRAVELER Direct Plug-In Surge Suppressor

TRAVELER

Tripp Lite's classic TRAVELER model offers state-of-the-art surge protection in a compact, direct plug-in design.

- Compact portable housing fits neatly into laptop travel cases
- Set of RJ11 jacks protect a single tel/DSL/modem line
- Retractable plug prevents scratching of expensive portable electronics
- 2 outlets with 1050 joules of surge absorption protection
- \$50,000 Ultimate Lifetime Insurance

Protect It! TRAVELER100BT Direct Plug-In Surge Suppressor

TRAVELER100BT

The TRAVELER100BT model features Ethernet/network line or telephone/DSL line surge protection with a set of RJ45 jacks.

- Compact portable housing fits easily into any notebook travel case
- Set of RJ45 jacks protect a single Ethernet/network line or tel/DSL/modem line
- Retractable plug prevents scratching of expensive portable electronics
- 2 outlets with 1050 joules of surge absorption protection
- \$50,000 Ultimate Lifetime Insurance

Protect It! TRAVELCUBE Direct Plug-In Surge Suppressor

TRAVELCUBE

Economical and convenient, the TRAVELCUBE protects your notebook and a single tel/DSL/modem line from surge damage.

- 950 joules of surge absorption protection
- Compact portable housing fits easily into any notebook travel case
- Set of RJ11 jacks protect a single tel/DSL/modem line
- 1 outlet in a space-saving direct plug-in format
- Diagnostic LED displays protection status at a glance
- Bonus 6-ft. phone cord included
- \$10,000 Ultimate Lifetime Insurance

Protect It! TRAVELERC6 In-Line Surge Suppressor

TRAVELERC6

The TRAVELERC6 surge suppressor puts surge protection between your notebook's power adapter and the power cord leading to the wall outlet.

- Two C6 (3-prong) in-line connectors, plus over-current protection and 120/240V compatibility
- High 1130 joule rating (820 joule rating at 240V AC)
- Integrated phone line protection allows you to safeguard tel/DSL/modem and AC connections with a single unit
- "Protected" and "Over Current" LEDs
- \$100,000 Ultimate Lifetime Insurance

Protect It! TRAVELERC8 In-Line Surge Suppressor

TRAVELERC8

Like the TRAVELERC6, this in-line surge suppressor offers superior surge protection for notebooks.

- Two C8 (2-prong) in-line connectors, plus over-current protection and 120/240V compatibility
- High 1130 joule rating (820 joule rating at 240V AC)
- Integrated phone line protection allows you to safeguard tel/DSL/modem and AC connections with a single unit
- "Protected" and "Over Current" LEDs
- \$100,000 Ultimate Lifetime Insurance

Coolers & Stands

NC2003SR

Notebook Cooling Pad

This portable model includes two built-in cooling fans for reducing the internal heat of hot-running notebooks.

- 2 built-in cooling fans dissipate heat away from the bottom of your notebook and cool down the overall temperature of your system
- USB-powered for use with any computer USB port
- Compact size offers easier portability while traveling

Notebook Cooler

Tripp Lite's Notebook Cooler is lightweight and compact with built-in, low-noise cooling.

- Low-noise cooling fan to protect notebooks from overheating
- Non-slip, rubber pads hold a notebook computer firmly on the platform
- USB-powered for use with any computer USB port
- Rubber feet prevent the cooler from moving during use

NC2004EC

Portable Notebook Stand

NS2000SR

Keep your notebook cool and running at its optimal level with this stand featuring a built-in USB-powered cooling fan.

- Aluminum construction provides maximum heat dissipation
- Built-in USB 2.0 port accommodates a variety of USB peripherals
- USB-powered for use with any computer USB port
- Collapsible rubber feet provide 10° and 13° angle adjustments and hold a notebook firmly in place while working

Notebook Station

Multiple-angle height adjustment and a soft gel wrist rest make Tripp Lite's Notebook Station not only an effective cooling device, but also a versatile stand designed to maximize comfort.

- Built-in USB cooling fan expedites the cooling process
- Built-in USB 2.0 port accommodates a variety of USB peripherals

NS2001SR

Articulating Notebook Arm

NS2002BK

This sturdy articulating notebook arm accommodates any desired working position.

- Extended swivel arm provides convenient positioning for maximum comfort during use
- Adjustable stand delivers optimal screen viewing and typing comfort with both height and tilt adjustments
- Sliding, rotating design allows unit to be stored out of the way when not in use
- Anti-slip feet ensure your notebook won't move during use

Tripp Lite offers several different notebook coolers and stands designed to increase comfort and cool your system during extended use.

Keyspan by Tripp Lite

Keyspan by Tripp Lite products offer smart connectivity and control solutions for your PC, Mac® or iPod® in any home, school or office environment.

TVU-200C & TVUSB-PRO5

TuneView & TuneView Pro RF Remotes with LCD for iTunes®

- Control iTunes up to 150' away
- RF remote with color LCD and receiver (Mac/PC USB)
- TuneView Pro (TVUSB-PRO5) supports multiple remotes

TuneView & TuneView Pro RF Remotes with LCD for iPod

- Control an Apple® iPod up to 150' away
- RF remote with color LCD and universal iPod dock/receiver
- Dock supports audio/video out, charging and syncing (most iPods)
- TuneView Pro (TVI-PRO1) supports multiple remotes

TVI-200C & TVI-PRO1

URM-15T

IR Multimedia Remote for iTunes

- Programmable remote controls multimedia applications up to 40' away
- Includes commands for iTunes, Windows Media® Player, Winamp®, QuickTime® and PowerPoint®; can be customized for other applications
- Sleek, compact 17-button IR remote & receiver (Mac/PC USB)

RF Remote for Apple Front Row

- Controls Apple's Front Row multimedia interface up to 60' away
- Compact 9-button RF remote and receiver (Mac USB)

ER-RF1

ER-V2

RF Remote for Windows Vista® Media Center

- Controls Windows Vista Media Center up to 90' away
- 44-button RF remote and receiver (PC USB)
- Compatible with Media Center IR blaster

Easy Presenter RF Remote

- Controls PowerPoint or Keynote® presentations up to 60' away
- Compact RF remote with laser pointer, volume controls and receiver (Mac/PC USB)

PR-EZ1

PR-PRO3

PR-US2

Presentation and Presentation Pro RF Remotes

- Control PowerPoint or Keynote presentations up to 60' (PR-US2) or 100' (PR-PRO3) away
- Compact RF remote with laser pointer, wireless mouse, volume controls and receiver (Mac/PC USB)

Cordless VoIP Phone with LCD for Skype™

- Operates up to 100' away (300' line-of-sight) from receiver (Mac/PC USB)
- Rechargeable handset with LCD status screen
- Up to 15 hours talk time (1,200 hours standby)

VP-24A

2-Port USB 2.0 Device Server

U2S-2A

- Shares USB and USB 2.0 devices over Ethernet or Wi-Fi* networks
- 2 USB 2.0 ports and 1 RJ45 Ethernet jack
- Mac/PC compatible

4-Port USB Device Server

US-4A

- Shares USB devices over Ethernet or Wi-Fi* networks
- 4 USB ports and 1 RJ45 Ethernet jack
- Mac/PC compatible

USB Mini Port Replicator

UPR-112G

- Adds 1 RS-232 serial, 1 parallel & 2 USB ports through 1 USB connection
- No AC adapter required (bus-powered)
- Mac/PC compatible

4-Port USB/Serial Adapter

USA-49WG

- Supports data rates up to 460 Kbps per port simultaneously
- No AC adapter required (bus-powered)
- Mac/PC compatible

High-Speed USB/Serial Adapter

USA-19HS

- Connects an RS-232 serial device to a USB port
- Supports speeds up to 230 Kbps
- Field upgradable
- Mac/PC/Linux® compatible

USB Power Adapter

UAC-1B

- Charges iPods, mobile phones (such as iPhone® or BlackBerry®), PDAs, handheld games and other USB-compatible devices from a wall outlet
- Speedy 1-amp charger
- Plug folds for travel

USA-28XG

- Connects up to 2 Macintosh® 8-pin MiniDin (RS-232 or RS-422) serial devices to a single USB port
- Certified for Apple Final Cut Pro®, Avid® and more

USB/Parallel Adapter

UP-6C

- Connects a parallel printer to a USB port
- Mac/PC compatible

* Requires Ethernet connection to Wi-Fi network.

Get connected with high-performance Tripp Lite cables, ideal for notebook computers. These space-saving cables connect to USB peripherals, networks, the Internet and more with high data transfer rates so you can maintain your productivity.

Connectivity

Category 6 Network Patch Cables – 7 ft. and 14 ft.

N201-007-BL-R,
N201-014-BL-R

- Molded connectors with integral strain relief—rated for 550 MHz/1 Gbps communications
- Drastically reduces impedance and structural return loss compared to standard 100MHz wire

- Available in other colors and lengths

Retractable USB 2.0 Device Cable – 4 ft.

U032-004-R

- USB 2.0 compatibility supports high-speed data transfer rates for USB 2.0 devices (backward compatible to support USB 1.1 devices)

- USB A (Male) to USB B (Male) connectors

Retractable Mini Stereo Cable – 4 ft.

P310-004-R

- Ideal for connecting portable audio equipment
- Retractable design extends easily and retracts automatically
- 3.5 mm (Male) connectors

Retractable USB 5-Pin Mini-B Cable – 5 ft.

U036-005-R

- Perfect for connecting USB device with a 5-pin mini-B connection
- Fits easily in your notebook case or pocket
- USB A (Male) to 5-pin mini-B (Male) connectors

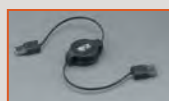

USB to DVI/VGA Adapter

U244-001-R

- Display video on a DVI or VGA monitor
- Up to 2 adapters can be connected to the same computer to display video to up to 3 monitors
- Includes a USB to DVI adapter, DVI to VGA adapter and USB 2.0 cable

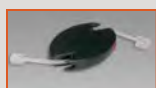

Retractable USB 2.0 Extension Cable – 4 ft.

U034-004-R

- Retractable design extends easily and retracts automatically
- USB 2.0 compatibility (backward compatible to support USB 1.1 devices)
- USB A (Male) to USB A (Female) connectors

USB 2.0 to Micro-USB Cable – 6 ft.

U050-006

- Connects next-generation Micro-USB devices such as mobile phones, PDAs, digital cameras and USB On-the-Go (OTG) devices to a standard USB port
- USB A (Male) to Micro-USB B (Male)
- USB 2.0 compatibility

USB 2.0 Active Extension Cable – 16 ft.

U026-016

- Increase the length of a device cable
- Daisy-chainable up to 80 ft.
- Gold-plated contacts provide superior conductivity for low and high-speed devices (1.5 to 480 Mbps)
- USB A (Male) to USB A (Female) connectors

USB to PS/2 Adapter

U219-000-R

- Hot-swappable capability allows you to add or remove a device at any time
- 10.25 inches in length
- USB A (Male) to (x2) MiniDIN6 (Female) connectors

USB 2.0 File Transfer Cable – 6 ft.

U232-006

- USB 2.0 compliant
- Supports high-speed data transfer rates up to 480 Mbps
- USB A (Male) connectors

Retractable Ethernet Patch Cable – 4 ft.

N009-004-R

- Compact and convenient cable extends up to 4 ft. and retracts automatically
- RJ45 (Male) connectors

Tripp Lite offers a complete line of power protection and connectivity products including UPS systems, rack systems, surge suppressors, power strips, power distribution units, KVM switches, DC-to-AC inverters, line conditioners, power management software and more.
