

Cat6 Straight-Through Modular Shielded In-Line Snap-In Coupler w/90-Degree Down-Angled Port (RJ45 F/F)

MODEL NUMBER: **N235-001-SH-D**

Description

Strengthen your high-speed network with Tripp Lite's N235-001-SH-D Cat6 Straight-Through Modular Shielded In-Line Snap-In Coupler (F/F). It connects two Cat6 patch cords to create one longer cable. Its keystone design is perfect for convenient feed-through patching when used with a standard data wallplate (such as Tripp Lite's N042-001-WH). One RJ45 port is angled down at a 90-degree angle for easy installation in hard-to-reach spaces. Built for ultra-fast performance, this is an ideal coupler when setting up premise wiring, telecommunications, data networking and Ethernet connections.

Compatible with all Cat6 cables, the N235-001-SH-D's protective metal housing is fully shielded to reduce EMI/RFI interference that can damage or degrade data. This coupler features straight-through wiring and 50-μinch gold-plated contacts designed to resist corrosion. The N235-001-SH-D is UL-listed and meets all requirements for EIA/TIA Category 6 compliance. It's also backward compatible with Cat5e and Cat5 LANs.

Features

Strengthens Your High-Speed Network

- Ideal for premise wiring, telecommunications, data networking and Ethernet connections
- Connects 2 Cat6 patch cables for a longer cable run
- Keystone design for easy snap-in installation in standard data wallplates (such as Tripp Lite's N042-001-WH)
- Compatible with all Cat6 cables
- Backward compatible with Cat5e and Cat5 LANs

Superior Construction for Superior Performance

Highlights

- 90° down-angled RJ45 port for easy installation in tight spaces
- Protective shielded housing reduces EMI/RFI interference
- 50-μinch gold-plated contacts on RJ45 jacks
- Keystone design for use with standard data wallplate
- Backward compatible with Cat5e and Cat5 LANs

Package Includes

- N235-001-SH-D Cat6 Straight-Through Modular Shielded In-Line Snap-In Coupler (RJ45 F/F)

- 90° down-angled RJ45 port for easy installation in hard-to-reach spaces
- Fully shielded metal housing cuts down on EMI/RFI interference that can damage or degrade data
- 50-μinch gold-plated contacts resist corrosion and improve conduction
- Features straight-through wiring
- UL-listed
- Meets all EIA/TIA Category 6 requirements

TAA-Compliant

- Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases

Specifications

MODEL TEXT	
Key Benefit	Fully shielded coupler with 90° angled port connects two Cat6 cables to provide feed-through patching with standard data wallplates. Ideal for premise wiring, telecommunications, data networking and Ethernet connections.
PHYSICAL	
Color	Silver
CONNECTIONS	
Side A - Connector 1	RJ45 (FEMALE)
Side B - Connector 1	RJ45 (FEMALE)
WARRANTY	
Product Warranty Period (Worldwide)	Lifetime limited warranty
