Contact List of Who's Who

Association of Assistive Technology Act Programs (ATAP)

ATAP is a membership organization comprised of State and Territory AT Act Programs funded under Section Four of the Assistive Technology Act (AT Act). Since 2016, ATAP holds the federal contract to provide technical assistance (TA) to all state and territory AT Act Programs**.** The TA program is known as the "Assistive Technology Act Technical Assistance and Training Center" or "AT3".

Audrey Busch (audrey.busch@ataporg.org) is the Executive Director of ATAP, and in addition to overseeing the Association, monitors and handles all Federal policy and legislative advocacy issues related to the organization.

ATAP Website: https://www.ataporg.org/

Assistive Technology Act Technical Assistance and Training Center (AT3)

AT3 is a national program contracted to provide technical assistance and training to all 56 state and territory Assistive Technology Act programs. AT3 is a "virtual" center. In addition to TA staff (https://www.at3center.net/repository/staff), AT3 contracts with certain entities for specific activities and assistance.

AT3 Center Website: https://www.at3center.net/

AT3 Staff

Linda Jaco (linda.jaco@ataporg.org) is the Grant Administration Lead. Contact Linda with questions related to the administration of the AT3 Center.
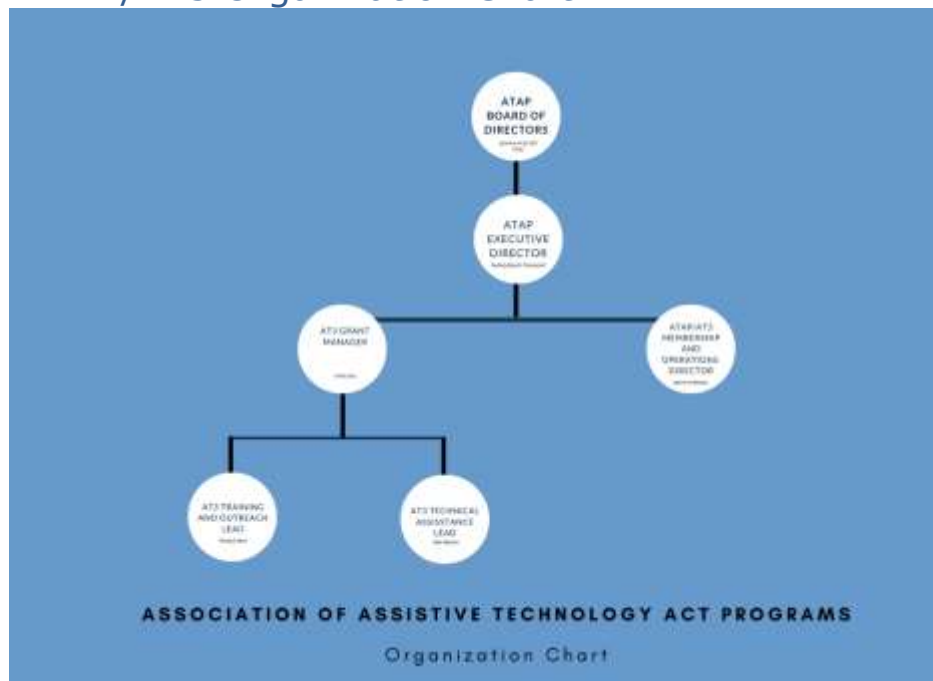

Marty Exline (marty.exline@ataporg.org) is the Training and Outreach Lead. Contact Marty with comments, suggestions, and questions related to outreach and training, including Community of Practice activities, and other training and outreach related to program management, State-Level, and State Leadership, as well as other topics supporting the implementation of Section 4 of the AT Act.

ATAP Membership and Operations /AT3 Events

Jamie Anderson (jamie.anderson@ataporg.org) serves as director for ATAP membership and operations and is the contact for ATAP membership questions and needs. For AT3, Jamie manages the scheduling details for webinars; organizes the event details for the annual Leadership Symposium; and coordinates the communication lists including the listservs.

- Communities of Practice
- Peer Action Learning Groups
- Affinity Groups

Center for Assistive Technology Act Data Assistance (CATADA)

The Center for Assistive Technology Act Data Assistance is the federally funded program charged with providing technical assistance and supports to state and territory AT Act Programs for data collection and analysis.

CATADA Website: www.catada.info

Daria Domin (daria.domin@umb.edu**)** is the Director for CATADA, responsible for developing the tools for custom reports (e.g., trend data) and maintaining current resources for and about state and territory AT Act Programs and data.

Diane Golden (diane.golden@iltech.org) is the primary contact for data reporting, Annual Progress Report (APR) and State Plan (except for system technical issues). She has primary responsibility for TA for data entry, analysis and report development along with revision and updating of State Plan and APR data collection elements.

Vance Dhooge (vdhooge@iltech.org) is the primary contact for any technical issues regarding the National Assistive Technology Act Data System (NATADS) for aggregate APR data reporting, and for questions regarding the use of the (optional) NATADS day-to-day system.

US Department of Health and Human Services, Administration for Community Living (ACL)

The Administration for Community Living is an operating division within the US Department of Health and Human Services (HHS). ACL is comprised of five major units that report directly to the ACL Administrator. The Assistive Technology Act Programs are housed in the Center for Integrated Programs (CIP), the unit within ACL that bridges the aging and disability centers and handles the programs that address both portfolios.

ACL Website: www.acl.gov

Rob Groenendaal (Robert.groenendaal@acl.hhs.gov) serves as the Assistive Technology Program grants officer. Rob can respond to questions related to the notice of award, grant amendments, or other needed information related to the terms and conditions of your award.
