Dear Members,

Sadly Peter has resigned and I have been asked to be acting President, therefore this letter to our members is rather short, but nevertheless heartfelt.

Illness and bereavement halted the magazine in midflow which I am sure the membership will understand.

The National Breed show was a great success as was the British Equine Event, with a lot of interest in our breed.

Thankyou all for your support, and I will endeavour to make my next letter more informative and interesting

November '01

Dear Members

I hope you enjoy this Autumn issue of the Association's quarterly magazine which you will be receiving along with the Summer magazine plus lots of other circulars and information.

The '**End of Year Return Form**' for Spain is enclosed and as everything is reaching you a bit late I would like everyone with PRE & HA horses to PLEASE fill out their forms, SIGN the back and post them straight back to myself so that I can forward them to Madrid.

As it is mid-November and the Festive Season is rushing towards us I would like to wish you all a very Merry Christmas and a Happy New Year, and I hope you have lots of fun with the horses over the holidays and not too much Mud!

Lastly, as you can see, I am temporarily the Magazine Editor again, so ALL Articles, Adverts, News, etc. for the January 2002 Magazine should be forwarded to me at Church Farm, Church Street, Semington, Trowbridge, Wilts. BA14 6JS or e-mailed (see Opp)

My Kind Regards to you all,

Mary McBryde (Editor, and Registrar)

Dear Members

As usual I would like to welcome all our new members to the Association. We have grown steadily over the past few years, and despite the setbacks with foot and mouth disease we have yet again increased our membership considerably.

The Committee have worked very hard in promoting the Association this year with increased advertising of the Breed Show and a fabulous stand at the Equine Event.

The Gala Evening at the Show gave the public an idea of the versatility and abilities of the Spanish horse and was an excellent showcase.

I would like to thank, on behalf of the Committee, all those members who have been enthusiastically promoting the breed throughout the year and to all those involved in the Breed Show and the Gala. Gayle Couch and her team did an admirable job with a new venue and a huge amount of entries and classes to organise. Peter Maddison Greenwell and El Caballo de España and their team of volunteer performers had the audience enthralled with their displays. A big thank you also to David Tucker for his lifting and shifting abilities at the end of the show and all the others who mucked in to help.

The aim for next year is for even more entries and more breed classes, so get planning ahead, it soon comes around again!

Performance Cards 2001

The following Performance & Progeny Performance Trophies are on offer to members competing with BAPSH Registered horses

Performance

1. The '**BAHS Purebred Performance Trophy**' for the most points won by a PRE mare stallion or gelding during 2000
2. The '**Destello Memorial Trophy**' for the most Versatile PRE during 2000
3. The '**BAHS Partbred Performance Trophy**' for the most points won by a Partbred mare, stallion or gelding during 2000

Progeny Performance

1. The '**De La Villa Purebred Progeny Trophy**' for PRE Stallions or Mares with 2 or more PRE progeny winning points in the showing during 2000
2. The '**De La Villa Partbred Progeny Trophy**' for Partbred Stallions or Mares with 2 or more Partbred progeny winning points in the showing during 2000
3. The '**De La Villa Hispano-Arab Progeny Trophy**' for Hispano-Arab Stallions or Mares with 2 or more Hispano-Arab progeny winning points in the showing during 2000
4. The '**Ultimado II Memorial Trophy**' for PRE stallions with progeny registered in all 3 Main Registries, ie PRE, HA, & Partbred, and with progeny from at least two of these registers winning points during 2000.

Owners of stallions or mares who wish to challenge for one of the Progeny Performance trophies should start contacting the owners of their horse's progeny so that they can work out the Points won this year. Please spend a little time on accomplishing this - last year 2 Trophies were not presented because noone completed a card.

Your 2000 Performance Cards **MUST** be received by the Secretary, **Mrs Maria Ward Jones**, 44, Fawcett Road, New Milton, Hampshire. BH25 6SU, by the **28th February 2002** at the latest, accompanied by the fee of £2.50 per competition horse/stallion/mare. Cards received after that date will NOT be accepted.

The results will be announced at the AGM and the trophies awarded there.

PERFORMANCE CARDS FOR THE YEAR 2002 can be obtained from the Secretary after the beginning of the New Year.

The BAPSH National Horse Register 2002

Will be published in January 2002 and will be valid until January 2004.

Members receive one copy free - the publication is on sale to the public and is very popular.

The new edition will include all UK registered live Pura Raza Española, Hispano-Arab, Partbred, & Register IV horses up to December 31st 2001.

This will include births & imports since the end of 1999, exports and deaths over the past two years, new registered brands and affixes, current list of active breeders.

A Special New Section for this third edition will show all the UK registered progeny of our mares and stallions from all four Registers, grouped by sire or dam.

New members say that one of the most enjoyed features of this publication are the many pages of Stud Adverts with a wide variety of photos of our National horses to peruse, so members please start planning your Stud Adverts now.

Advertising Copy, photos, & fees should be forwarded to Mary McBryde
by 10th December 2001.

The cost for adverts will be the same as for the magazine. All photos will be returned.

STALLION COVERING CERTIFICATES

Both BAPSH Partbred Covering Certificates & Spanish PRE & HA Covering Certs. for the 2001 season should have been sent to the **REGISTRAR by 1st October**. If any have not yet been sent, you **URGENTLY need to do so !!**

All **PRE & HA** stallions who have covered either PRE, HA, or **Registered ARAB** mares **MUST** have a **SPANISH CRIA CABALLAR COVERING CERT** for each mare, or the year 2001 foals **CANNOT** be registered in **SPAIN** & will **NOT** receive full papers. The Spanish Covering Certificate is, on the reverse side, the Foal's **BIRTH CERT**.

Please take note that the **Blue copy of this triplicate form is forwarded to Spain by the Registrar** so the Cria Caballar know what foals are expected next year - ie. it is not possible to 'slip one in' next year if the paperwork was not done on time this year !!

The Registrar would once again like to thank all the stallion owners who got their paperwork in on time, and 'well done' on your accuracy & lack of errors. It is much appreciated.

The new BAPSH Covering Certificates For Partbred Progeny (10 certificates per book) are available from The Registrar, Church Farm, Church Street, Semington, Trowbridge, Wilts, BA14 6JS.

Please enclose a cheque made out to BAPSH for £10.00 when requesting a book. British Born Partbreds cannot be registered with BAPSH without a Covering Certificate.

STALLION OWNERS who want their stallions details to appear on the widely circulated promotional list

'Members Stallions Standing At Stud For 2002' need to Contact The Registrar by DEC. 1st to tell her you wish them included. The New List will be going out in **JANUARY**

COMMITTEE NEWS

Your committee last met on Sunday 21st October and will next meet on Saturday 8th December. If any members have any queries, suggestions or comments which they would like the committee to address please contact Maria on 01425 638628 prior to this date. At the October meeting a wide range of issues were discussed and a number of decisions made and proposals voted on.

These included;

AGM

A provisional date was set for Saturday 16th March at a new venue, The Angel Hotel, Regent Street, Leamington Spa, Warwickshire.

COMMITTEE POSITIONS

Peter Maddison-Greenwell sent his formal resignation, from his office as President, to the Committee. This resulted in Jilly Peace (Vice President) chairing the meeting and taking up the position of Acting President.

The committee would like to take this opportunity to thank Peter, on behalf of the Association, for all his long service of hard work and dedication to B.A.P.S.H.. Over the years Peter has not only served as President but also Vice President and for many years prior to this, was an active committee member.

With Peter's retirement, the position of President shall come up for election at the AGM, along with those of all five committee members. Therefore Association members should now start considering candidates whom they think may be suitable, willing and able to fulfil these posts. Nomination forms will be sent out in the New Year with the magazine.

NATIONAL CHAMPIONSHIP SHOW 2002

Show Secretary Gayle Couch gave a detailed report on the 2001 Show. Much consideration was given to the new venue at Hartpury college and this, together with the unanimous approval of all competitors questioned, concluded in the proposal to also hold the 2002 Show there. The venue has been provisional booked with the dates over the same weekend, this being the 17th & 18th August 2002.

The Show Secretary will again be Gayle (Tel: 01473 736575) with a Show Committee of Tina Barnett-Tucker (01225 835943) Brian Jeffels-Dressage (01234 400393) Jilly Peace (0247 6394844) Amanda Tomlinson (01302 888986) and Maria Ward-Jones (01425 638628). Any suggestions, offers of help, sponsorship etc please contact Gayle or one of the above. More details to follow.

MAGAZINE PRODUCTION

Mary McBryde has kindly agreed to take on production of the Magazine up until the AGM. The long term future production of our quarterly magazine shall be on the agenda for discussion and decision by the membership at the AGM.

LIMITED COMPANY STATUS

After consideration and discussion on a report by the Treasurer, the committee decided to propose to the 2002 AGM that the B.A.P.S.H. become a Limited Company. This would thereby grant "Legal Personality" to the Association; a status which is becoming increasingly necessary to have, not least in regard to our recognition by DEFRA. More details on this in the following article: **B.A.P.S.H. LIMITED ?**

Once again, this year the Association had a prominent presence in the Breed Section at the annual Equine Event at the Royal Agricultural Centre at Stoneleigh which took place on the 3rd and 4th of November.

Our breed representative on the stand this year was the beautiful bay filly Pirueta 1, owned and bred by Jeanie Miles of the Jayem Stud, Newmarket. Pirueta, by the Yeguada Iberica Stud's Malabar, out of Jeanie's mare Enamorada XVIII, has won her class at the National Championships each year since her initial outing as a yearling. This year she was best 3 Year Old Purebred Female and in 2000 she gained the accolade of Champion Filly. Pirueta behaved impeccably

throughout the weekend and many thanks to Jeanie and John for bringing her and doing such a great job; not only showing Pirueta but also helping out on the stand.

Dear Members

Advertisement

This is an updated announcement of a project I am planning for the autumn of 2002 to support 2 equine charities.

My plan is to retrace the route taken by Richard Ford, a well known Victorian traveller, from Seville to Santiago de Compostela in 1832. The difference is that this expedition will be on up to 5 English owned Iberian horses and in reverse. The ride will last about 6 weeks including travel to and from Spain and is scheduled to begin in mid October, ending during SICAB.

If you feel confident that you can be away for this length of time and your horse is or will be fit enough for such a trek, contact me. If you could help in another way, such as sponsorship or local/national publicity, please contact me. The more business support we can obtain, the less each of us will need to contribute to our own expenses.

I have a copy of Richard Fords journals, large scale maps and a guide of the pilgrimage trail, written in the autumn of 1999, so we will not get lost.

I have approached ANCCE and I believe that with firm commitment here we will have sufficient support from members regarding accommodation, farriery, food, veterinary assistance, etc.

If you would like further information and/or an unedited copy of this letter I originally sent in February this year, please contact me.

Last but by no means least Richard Fords great grand son, Sir Brinsley Ford was encouraging in a letter written shortly before he died in April 1999, which ended with a quote by Voltaire,

"Fiers et bizarres Anglais, qui des memes ciseaux coupez la tete aus rois, et la queue aux chevaux"

A British Bred "El Caballo Español"

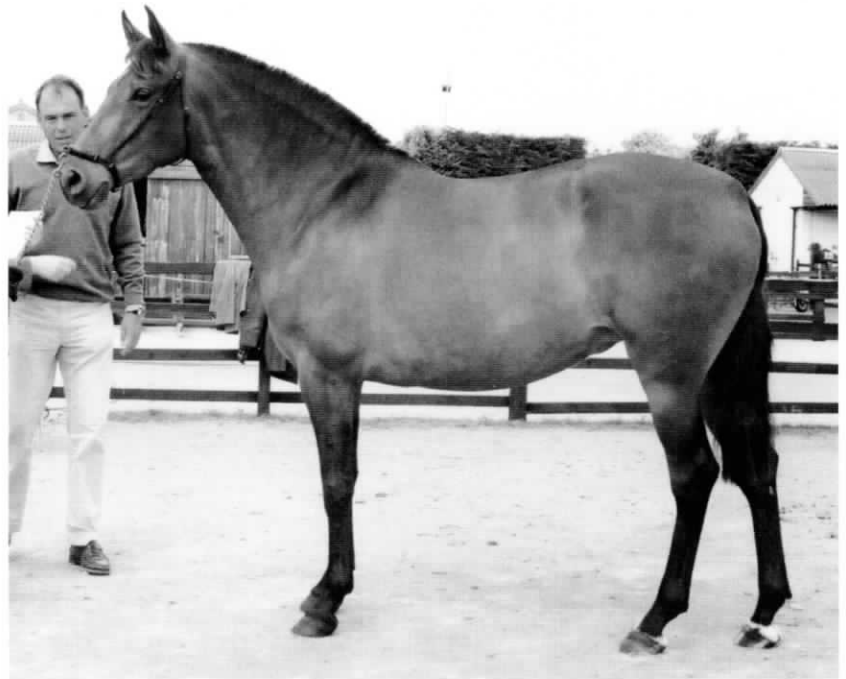

by Tina Barnett-Tucker

It was really encouraging to see a British Bred Spanish horse on the cover of the latest "El CABALLO ESPANOL" ANCCE magazine. Unfortunately, no credits or acknowledgements are given for these cover photos, so most members of ANCCE, who receive the magazine world-wide, are probably unaware of the fact that the horse was bred in Britain.

The "Levitating horse", so brilliantly photographed by Rafael Lemos as part of a commission by Peter Maddison-Greenwell, is the bay stallion Maryss Brujo, bred by Mary McBryde. Many members will recognise the picture from the promotional leaflet produced by Peter's El Caballo de Espana, a number of years back..

Maryss Brujo, by the well known stallion Ghandi, out of Mary McBryde's foundation mare Anisada (Nemeo x Divina III) is one of the most well travelled Spanish horses to have been produced in this country. Bred by Mary McBryde in Wiltshire, he spent some months at both the Welshpool Stud in Wales and at Old Track in Bath, before following Mary out to Canada with his mother Anisada and his half sister Maryss Amalia (Trianero III) in 1991. He was taken to the United States for grading in 1993 and then back to Canada to begin his stud career. In 1994, leaving a number of progeny on the American continent, Brujo returned to the UK, where he began to produce an extremely successful group of offspring. A few years later, much to the loss of Spanish horse breeding in the UK, Maryss Brujo left these shores once again, this time with his current owner, Simone Howarth. He is presently with Association member Simone in South Africa where he is successfully competing in Dressage.

Maryss Brujo is not only one of the most widely travelled British bred Spanish Horses. He also comes from one of the most successful showing families in this country. His

GACELA XXVI at 5 Yrs old, during her Grading this summer

mother Anisada and sisters Maryss Amalia and Maryss Dilaila have all been National Champion mares, with Dilaila going on to become Supreme Champion in 1997. All his eligible offspring have passed their grading. His daughter Maryss Gloria (out of Maryss Amalia) also became Su-

preme Champion in 2000 with her full brother Maryss Encantado, owned by Liz Andrews, taking the title of Champion Ridden at this year's Show.

Maryss Brujo has also produced a number of outstanding partbred progeny who have gone on not only

to success in the showing, but to also to produce quality stock in their own right. Astrologica EDM, (out of the Forest mare Bracken) owned and bred by the Yeguada Estrella del Mar, is a prime example. This young mare was Reserve Champion Partbred in 1999 and has just produced the first Brujo grandchild; a stunning 3/4 bred filly by the classical stallion Argentino VII..

Even if he is not acknowledged on the cover of the magazine, the results of Maryss Brujo prove that he is more than worthy of his place thereon.

What's In A Name

By Maria Estrella Del Mar Ward-Jones

Choosing a name for your foal can be a difficult decision, especially when you have several each year to find. You may wish to keep with tradition and select names starting with the same letter of the alphabet for each year beginning at the letter "A" and working to "Z" or you may wish to select randomly.

I once frequented a riding school where the horses were named after Shakespearean Characters; Falstaff, Banquo, Paris etc, which I thought was a very good idea. All my animals (apart from my Spanish horses) are

named after flowers, plants and all things botanical so a theme seemed the best way of selecting names at our stud and we liked the traditional idea of working our way through the alphabet.

The Stud is named after myself "Estrella Del Mar", which means Star of the Sea (a lovely name in Spanish, especially as I was born in the late 60's and could have been called Moon Unit or something equally hippy). Bearing our Stud's name in mind we chose to use seafaring/nautical terms for our colts and astronomical terms for our fillies. In conjunction we used EDM as an affix to identify our horses wherever they may be shown or featured.

This process of choosing names does eliminate all the hours of indecision that occur when you have hundreds of names from which to make your selection. So far we have produced; and Astrologica (fortune teller/clairvoyant), Barquero (a sailor of small vessels), Camaron (a shrimp, ironically 16hh at just

under 2 years of age), Conchero (a shell collector/gatherer), Capella (a star in the Auriga Constellation), Dione (a satellite of Jupiter, Desdemona (a Satellite of Uranus) and Delfina (derived from the Dolphin Constellation). I am now busy compiling a list of E names for 2002, without selecting any final ones until the foals are safely on the ground and can be matched to suit their personalities.

Other British Studs, for example, Star Andalusians use a theme to name their foals, though not alphabetically e.g. Venus, Jupiter etc (by coincidence also an astronomical selection derived from the Stud name).

I find it fascinating to see the old Spanish names repeated throughout the Stud books, many of which are occupational names such as Jardinero (the gardener), Brujo (the Wizard) etc.

It would be interesting to hear from other breeders on their methods of choosing names, so please write in with your comments.

B.A.P.S.H. LIMITED ? *By Tina Barnett-Tucker*

Very important News from your Committee. Please read and consider.

The Background

For some time now it has been apparent that in order to comply with changing administrative directives relating to Breed Societies, the Association would have to address the issue of changing to a limited company. The Committee has examined the issues relating to this, most importantly the granting of "Legal Personality" by virtue of becoming limited. Without this status, no Breed Society shall be recognised by DEFRA as being able to issue passports

The Issues

The BAPSH in Britain acts as a regional office, answerable to the main office of the Jefatura de Cria Caballar in Spain. This, our controlling body, maintains the Stud Book of the Purebred Spanish Horse and the Hispano-Arab and issues all passports directly from Spain. Therefore the directive does not affect our Register 1 and 3 horses. However, if this Association is to go ahead and issue passports in Britain for our PARTBRED horses, as intended, we shall have to comply with the directive and change our status to that of a Limited Company.

The change of status will also protect ALL members against any financial liability that may be sued for in a court of law.

After consideration of the facts and of the changes which this move shall entail, the committee decided to put forward a proposal to the membership, for acceptance at the 2002 AGM, that "The British Association For The Purebred Spanish Horse become a Limited Company with immediate effect."

The Changes

The change of status to a limited company would have little effect on members for the main part.

However, we will briefly address here the main concerns and questions which will undoubtedly arise.

i)Name-The Association shall retain its present title of The British Association For The Purebred Spanish Horse. Being unique in this country it can use the word BRITISH in its company name. It is not necessary to affix the word "Limited" to the title.

ii)Aims -The aims of the Association shall remain the same; being the welfare and promotion of the Spanish horse with all profits given over to this purpose. This shall be ensured by the fact of the Association shall become a Company Limited by Guarantee, which necessitates all profits being reinvested in the company. Therefore no members shall be in receipt of dividends as no shares shall be issued.

iii)Costs -These shall be limited with a fee to set up the company with registration at Companies House of between £300 and £400 complete.

iv)Membership -All present members will automatically become members of the limited Company, enjoying all the rights and privileges to which they are presently entitled.

v)Management-The Association shall be managed technically, as at present. All powers of management shall be vested in the Board of Directors which shall be identical in makeup to the present committee. Members of the board will be voted onto it by the full voting membership. All members of the board will be

known as Directors for purposes of the Companies Act only. At future elections members will be aware of which relating committee position each potential Board Member shall be standing for. The Board of Directors will have no more power or influence over the Members or the general management of the Association than they have at present. These nominal changes shall only come into effect after the 2002 AGM, should the proposal be passed. They shall not relate to the coming elections for the posts of five committee members and President (Chairman) to be announced at the AGM. These upcoming elections shall be run strictly under our present rules and terminology.

The Method

In order for members to be in possession of all the facts before they vote on the proposal at the 2002 AGM, the committee shall send out a draft copy of the "articles" of the new company with the AGM agenda. These articles shall be as identical to the present rules as can be accomplished. Some of our present rules may have to be altered slightly and a few may need to be changed. Where this occurs, the specific rule will be highlighted, and, should the members decide, these can be voted on individually

The View From The Office Window

Show Report from Gayle Couch

After finding out a Show report was expected, I realized that although the whole weekend was really busy, I had barely seen a horse all weekend, this posed a problem as I felt that what went on in the office wouldn't be what most would want to read; fortunately I have been given some useful notes by a member who has taken the time and trouble to canvas opinions.

The show was very well attended by our own pure and part bred, although not many invited breeds. One horse came from Scotland, which is a very long journey to Gloucestershire and several others who have not been seen at the Breed Show before also attended, it was good to see some new faces (human and equine), we hope you continue to support us. However if the invited breeds had been well supported, I don't know where we would have put them as virtually every stable of the 140 available was occupied!

Many competitors liked the facilities, with two indoor schools, a blessing with the weather, which

decided to literally hose down at intervals. The surfaces met with approval by nearly everyone. The one site accommodation and dining was much liked and the stables were roomy and strong. The Saturday evening dinner was a complete sell out weeks before the Show, as we had to make a decision about the room to hold it in well in advance it was then impossible to change rooms and have more tickets. Those who attended felt the choice and quality of food was excellent and liked the Spanish style menu. Having stayed myself in the on site accommodation I can personally vouch for this myself, comfortable, tidy and lovely little en suite facilities in every room, after the tiring day it was rather nice to call in at the bar and then just walk along the path to the accommodation and collapse.

On the Sunday lunchtime, we had a show jumping display with Hilusion, a ten year old grey stallion and his owner Melissa Hack under the instruction of top trainer Mary Broome. This attracted a good audience and

showed the Spanish horse can jump and jump well. Thank you to Melissa for organizing this for us.

The evening Gala Show was also a sell out and much enjoyed by many, I have received numerous calls and letters to say what a wonderful evening it was. On behalf of the Society I would like to thank all those who made it possible, the participants were not paid and the profits went to help finance the Show. Well done to all.

I would also finally like to thank all those who helped, a special thank you to our treasurer's husband, David Tucker who came on the Sunday and worked tirelessly, all our stewards who were literally run off their feet, Linda Collins who suddenly found herself as a writer when the dressage tests lasted far longer than expected due to a variety of circumstances and the arranged writer was unable to continue, our Judges who had so many to assess and lastly but certainly not least our members who supported us by attending.

at the meeting.

The draft of the new memorandum shall be constructed from the standard articles of a limited company as set down under the Companies Act and our own present Rules of the Association. This document will be put together from the information supplied by the Committee, by a Company Formation Agent endorsed by the Association's accountants. Any legal preparations shall be dealt with by said agent and are inclusive in the costs as

previously stated. On completion the document shall then be circulated as previously stated for thorough consideration by the members.

Recommendations

Your committee has been aware of the looming necessities of this change of status for some time and has considered the upheaval it will cause at numerous meetings. However, it is no longer practicable or indeed sensible in our view to circumvent

the problem any longer. It is the committee's view that now is the time for the members to take the decision to transform BAPSH into the legally recognised entity of a limited company. You, the members, have empowered the committee to manage the Association and your committee now advises that you accept their proposal to make the BAPSH a Limited Company at the 2002 AGM.
