The Carlisle Premier will be the first of five sales to include the presence of veterinary officers during pre-sale inspections to help improve the breed standard. It is essential that the vendor is in the pen during inspections to hold the animal and allow for a more thorough inspection, with any issues discussed at the time.

1. Tags which do not comply with UK legislation and Society requirements will result in the sheep being rejected at inspection. All registered lambs must carry tags with the Society logo. Check that tags are correct at time of entry, so that replacement tags can be ordered before the sale.

3. Sheep which have failed inspection will be identified by a neck tag marked 'Reject', or may be removed immediately from the market premises..
4. Rejected sheep which are to be penned with the rest of the consignment must be identified by a neck tag marked 'Reject'. It is a condition of entry that this rule is strictly adhered to. Vendors are advised to check their animals thoroughly prior to departure from home.
5. Inspection will include the following points:- Teeth and Testicles, Mobility Udder, Muscularity and any other points deemed necessary by Council as they see fit.

### Inspection Standards

A deposit of £50 (refundable if appeal is successful) must be lodged and the sheep will then be inspected by an appeals team of three people elected prior to the sale by Council. The decision of the appeals committee is final. Appeal to be lodged within 1 hour of the inspection decision.
