

# Slot-in PC Network Media Player

Designed for use with the ViewSonic® 84" CDE8451-TL

**NMP-708**

The ViewSonic® NMP-708 network media player delivers integrated interactive functionality for the ViewSonic 84" CDE8451-TL interactive touch display. This slot-in PC module easily plugs into the compatible digital signage display and supports true 4Kx2K Ultra HD audio and video. With a powerful Intel® i5 processor and NVIDIA® GeForce® GT GPU, the NMP-708 provides the computing power needed for educational, corporate, or scientific environments. In addition, an integrated Windows® 8 Pro operating system delivers Windows-compatible touch functionality such as a pull-out charm bar and simple navigation to a variety of applications. The NMP-708 is capable of storing and playing hours and hours of high-definition multimedia content thanks to its 4GB of built-in memory and 500GB HDD storage. Connectivity options include RJ45, HDMI out, Mini DisplayPort, and six high-speed USB 2.0 ports.

## **Packed with Powerful Intel Processor**

Utilizing an Intel® Core™ i5 processor and NVIDIA GeForce GT GPU, the NMP-708 provides additional computing power needed for fast-moving educational, corporate, or scientific environments.

## **Integrated Windows 8 Pro Operating System**

Pre-installed with Microsoft® Windows® 8, the NMP-708 provides access to MS Office Suite applications ideal for both corporate and educational use. A built-in browser provides users instant access to the internet, while Windows 8 compatibility creates an interactive and collaborative experience.

## **4GB of Internal Memory, 500GB HDD Storage**

The NMP-708 is capable of storing and playing hours and hours of high-definition multimedia content thanks to its 4GB of built-in memory and 500GB of HDD storage. This reliable media player will display dynamic content with no crashes, freezes, or lost content.
