<section-header>

This EcoTank printer is the perfect choice for any home office after the ultimate economical printer, with no fuss, no surprises and printing costs reduced by 70% on average². A 4-in-1 inkjet with print, copy, scan, fax and an Automatic Document Feeder, the economical ET-4500 couldn't be easier to maintain, with two years' worth of ink¹ included in the box.

Say goodbye to ink cartridges

The star of the ET-4500 is its newly designed integrated ultra-high-capacity ink tank system, which completely does away with the need for ink cartridges. That means less fuss and much more printing between refills than other inkjet printers. **Two years of ink**¹

Imagine not having to think about ink for two years. As well as doing away with ink cartridges, the ET-4500 has four colour 70ml Epson genuine ink bottles in the box, which make it easy, clean and quick to fill the ink tanks.

Ultra-low cost

The ET-4500 saves you $70\%^2$ in printing costs on average. It achieves an ultralow cost per page, printing up to 4,000 pages in black and 6,500 pages in colour ³ at just a fraction of a penny per page⁴.

Wi-Fi and Ethernet connectivity

Equipped with Wi-Fi and Wi-Fi direct, the ET-4500 can take advantage of all Epson Connect⁵ features. Print quickly and easily over Wi-Fi from a smartphone using the free Epson iPrint app, print remotely or email the ET-4500 a print job. **Quick, quality results**

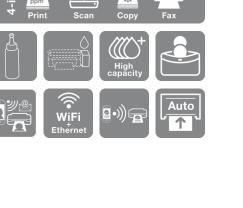

The ET-4500 uses Epson's own Micro Piezo technology for excellent-quality print-outs. Mono prints are delivered at a rate of 9.2 pages per minute while it can issue 4.5 colour pages per minute⁶. A 30-page ADF helps boost productivity.

KEY FEATURES

DATASHEET

- Two years of ink¹ Print up to 4,000 pages in black and 6,500 pages in colour³
- Ultra low-cost printing Save 70% on printing costs²
- No ink cartridges Easy-refill ink tank system
- Wi-Fi & apps Print from mobile devices
 4-in-1

Print, copy, scan & fax

INK YIELD DATA

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of the Test Patterns provided in ISO/IEC24712 shown below. Quoted yields/CPP are NOT based on ISO/IEC24711

1. 2 years of ink based upon user's average monthly print volume (TNS Research –June 2013) 2. Average saving for printing the number of pages using the bundled ink bottles with the EcoTank range, including hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Western Europe, in the period May 2014 - April 2015, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites 3. Quoted yields/CPP are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC24712. Quoted yields/CPP are NOT based on ISO/IEC24711. Quoted yields/CPP may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature 4. Cost per page calculated by ink bottle RRP divided by quoted ink yield 5. Epson iPrint requires a wireless connection and the Epson printing app. Epson Email print, Epson Remote print driver and Epson scan-to-cloud require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu 6. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing
