Report of the Board of Directors of the Baptist General Convention of Oklahoma

The work of the Board of Directors is stated in Article VI, Section 1 of the Convention's Constitution: "There shall be a board of directors elected by this convention through which this convention shall function in its cooperative work." Article I, Section 1 of the Bylaws adds: "The business and property of the Baptist General Convention of the State of Oklahoma shall be managed and controlled by the board of directors. The board of directors herein provided for shall only execute bonds, mortgages and other evidence of indebtedness by a three-fourth majority vote by the board of directors. It is understood that as many of these actions as practicable shall be presented to the general convention in annual session." Section 6 of that same article provides for the board to make a general report of all its actions at the annual meeting of the convention.

This report reflects the actions and activities of your Board since the 1973 annual meeting in Lawton.

The board met Dec. 11, 1973; May 14, 1974; and Sept. 10, 1974.

Miami Hospital Expansion

The Board authorized an expansion project at the Miami Baptist Hospital. The matter was dealt with in the December, May and September Board meetings. A summary of the authorization follows:

1. The building project consists of utilization of present facilities to the greatest extent possible and remodeling where necessary and constructing a surgical suite, central sterile supply, emergency room suite, x-ray department, laboratory, intensive care unit, a new entrance and public waiting room. It will also provide for the completion of 24 new patient beds that were shelled in on the last building project in 1973, and up-date, centralize and provide for safe and efficient mechanical system for the entire complex.

2. That the architectural firm of Jones, Hester, Bates and Reik of Oklahoma City be engaged for the project.

3. That the Baptist General Convention grant permission for a trust authority agreement to be created with the City of Miami, Okla. for long-term bond financing purposes similar to other trust agree-

ments now carried by the Convention, with the provision that Convention receipts not be pledged to underwrite the issue. In order to procure funds for the aforesaid construction of improvements and the expenditures incident to said expansion, that the Baptist General Convention of Oklahoma, through its duly elected officers, be specifically authorized to execute such instruments as may be deemed necessary and proper, including without limitation, conveyances, contracts, pledges, indentures, leases and other agreements, in order to effectuate the issuance and sale of tax exempt bonds to be issued in behalf of Miami Baptist Hospital.

4. That the firm of Leo Oppenheim Investment Company of Oklahoma City be engaged to service a revenue bond issue in the amount of approximately \$3,750,000 at 8 percent interest over a thirty year period. In the event the interest is more than 8 percent, the Board authorized an 8½ percent rate when approved by the Executive Director-Treasurer, President of the Baptist General Convention of Oklahoma and the Miami Baptist Hospital Governing Board.

5. That the Miami Baptist Hospital be encouraged to begin a Development Program to raise additional funds from interested individuals, firms and foundations to underwrite this construction and future development.

6. That B. Joe Gunn, administrator, Miami Baptist Hospital, or his successor in office, be authorized on behalf of, and in the name of the Convention to negotiate and procure loans from First National Bank, Miami, Okla. up to an amount not exceeding \$250,000 in the aggregate at any one time outstanding, and to secure the payment of said loan according to the terms and conditions of the printed form of resolution furnished by said bank.

Cooperative Hospital Service Organization

In the September meeting authority was given to the Miami Baptist Hospital to form a Cooperative Hospital Service Organization under Section 501 (e) of the Internal Revenue Code. Mr. Gunn, administrator of Miami Baptist Hospital, indicated that the Grove Hospital and Grand Valley Hospital at Pryor would also use the services of the organization.

The resolution approved is as follows:

WHEREAS, Miami Baptist Hospital of Miami, Oklahoma, is owned and operated by the Convention; and

WHEREAS, said Hospital desires to form and participate in a non-profit corporation formed as a cooperative hospital service organization pursuant to Section 501 (e) of the Internal Revenue Code, primarily to collect accounts for participating hospitals;

NOW, THEREFORE, BE IT RESOLVED by the Directors of said Baptist General Convention of the State of Oklahoma that the Administrator and other officials of Miami Baptist Hospital be, and they are hereby, authorized to form, and participate in the activities of, a non-profit cooperative hospital service organization which will

qualify as a tax exempt organization under Section 501 (e) of the Internal Revenue Code; and

BE IT FURTHER RESOLVED that all Directors selected for such corporation shall be subject to the approval of the Convention, or of such Board, Committee or officer or agent of the Convention as this Board of Directors shall from time to time designate; and

BE IT FURTHER RESOLVED that the selection of the Board of Directors of said proposed corporation at the time of its formation and thereafter shall, for the time being and until further action by the Convention or its Board of Directors, be subject to the approval of the Executive Director-Treasurer of the Convention.

Adopted by the Board of Directors of Baptist General Convention of the State of Oklahoma, sitting in regular session, this Sept. 10, 1974.

(Honorary Members)

The Convention's Board of Directors is the Governing Board for these hospitals and retirement centers. Since it is impractical for this Board to meet regularly in each institution, local Baptists are

elected to serve as the Governing Board's Committee. The Board is represented by two or more of its members on each committee. The executive director-treasurer or his representative and each hospital's administrator serve as ex officio members.

Bass Memorial Baptist Hospital Additional Property

At various times during the year the Board voted for Bass Memorial Baptist Hospital in Enid to purchase the following pieces of property: a lot 50' x 140' adjacent to the hospital property for \$9,500, a piece located at 805 West State Street for \$15,000 and another located at 615 West State Street for \$17,500. All of these purchases are to be paid for out of hospital operations.

Termination of Perry Memorial Hospital

A vote by mail was taken regarding the termination of the Perry Memorial Hospital. The vote was reaffirmed in December. The action was that since the lease agreement would terminate within two years and since long-range plans needed to be made for the hospital, the Baptist General Convention of Oklahoma terminate its lease with the City of Perry for the operation of the Perry Hospital as soon as feasible, and that the Executive Director-Treasurer, in consultation with the city officials be authorized to determine the termination date. All details for the termination were completed and the property, inventory and records were turned to the city officials at midnight on June 30, 1974.

Hugo Retirement Center Sells 2.21 Acres

A vote by mail approved a recommendation from the Hospitals and Retirement Centers Committee that the Convention sell 2.21 acres of the 68 acres on which the Hugo Retirement Center is located to the City of Hugo for the sum of \$2,762.50, on the condition that an Indian Clinic be built on the property; otherwise, the City will sell the 2.21 acres back to the Convention for \$2,762.50.

Westmoreland To Continue

The Board of Directors in August, 1973 approved a policy regarding retired people serving on the convention staff. A portion of the policy states that when a person reaches 70 years of age he can no longer serve on a retired basis except upon year by year permission by the Board of Directors. The Board voted in December that E. W. Westmoreland continue to serve on a retired basis as church building consultant for the year 1974.

Baptist World Alliance Tour

By previous action of the Board, Wholesale Tours International was asked to serve the Convention by making plans for tours to the Baptist World Alliance meeting in Stockholm, Sweden, July 8-13, 1975. Since hotel accommodations are limited, the Board voted to ask J. C. Segler, Oklahoma representative of Wholesale Tours, to secure a minimum of 300 rooms for Oklahoma Baptists from the BWA Committee. Official tour plans have been completed and informative materials are being sent.

Missions Tour

The Foreign Mission Board and the Stewardship Commission cooperatively conducted a 21-day tour of mission fields primarily in Europe, Africa and South America. State Executive secretaries and others involved in stewardship and Cooperative Program promotion in the various states were invited to participate. In the December meeting, the Board voted for Joe L. Ingram, Lyle Garlow and Glenn Brown to participate in the tour and that the expenses for the trip be paid from the Special Projects account which does not include any Cooperative Program funds. Their wives accompanied them at their own expense.

Brotherhood Personnel Changes

Laddie Adams, associate director in the Brotherhood Department, was elected by the Board of Directors in December to become director of the department on January 1, 1974. Mr. Adams filled the position vacated by Bob Banks who resigned to accept a position with the Brotherhood Commission.

Paul McCullough became associate Brotherhood Director on March 1, 1974.

Baptist Student Work

In the May meeting, it was reported that Internal Revenue Services questioned the tax exempt status of the BSU at the University of Oklahoma. It was reported that the BSU could come under the non-profit umbrella protection of the Convention.

The Administrative Committee presented the following cooperative agreement, which was approved by the Board:

1. The Baptist General Convention of Oklahoma and the Baptist Student Union of Oklahoma University are in agreement as to the purpose and intent of BSU work on the college campus. This shall be generally in keeping with the philosophy and objectives of Southern Baptist Student Work.

It is understood that the course of direction of work carried on by the BSU of OU shall not in anyway be contrary to the theology or principles of the Baptist General Convention of Oklahoma.

It is also understood that the Baptist General Convention of Oklahoma shall support the work of BSU at OU through Cooperative Program funds as determined annually by the Convention, and shall be responsible for the upkeep of the BSU Center at 435 West Boyd, Norman, Oklahoma.

The Board also voted to offer a similar agreement to other local BSU's in the event it should be needed.

Funds to Assist Remodeling at Durant BSU

The BSU at Southeastern Oklahoma State University reported to State BSU Director, Bob Lee that they were to remodel their facilities at an estimated cost of \$30,000. They requested that the Convention assist with the expenses. It is the policy of the Convention to assist, upon request from the local BSU, an amount not to exceed one-third

of the construction cost with a limit of \$25,000. The Board in May voted to give them up to \$10,000 on the project with payment being made from the 1976 budget.

Since voting that action, plans have been changed to build a new center at a different location instead of remodeling the old facilities. The State BSU Director and Executive Director-Treasurer are working with the BSU leaders there and will present further plans to the Board to assist them in financing the new project.

Southern Seminary Storm Assistance

In the Spring, 1974 extensive tornado damage was done to the Southern Seminary campus. The Board voted in the May meeting to send \$500 from the Special Projects Fund to Southern Seminary as storm assistance.

Camp Hudgens Dining Hall Named for Banks

As a recognition of the 25 years service of Bob Banks in Royal Ambassador work in Oklahoma, the Board voted in May to designate the dining hall at Camp Hudgens as the "Bob Banks Dining Hall."

Camp Hudgens Kitchen Named for Teala Goddard

Mrs. Teala Goddard has served the past 25 years as cook for Royal Ambassador camps in Oklahoma. In recognition of these years of service, the Board voted to name the kitchen at Camp Hudgens in her honor. It will be known as the "Teala Goddard Kitchen."

1976-79 Theme

The Board of Directors voted in the May meeting that the promotional emphasis theme for the Baptist General Convention of Oklahoma for the years 1976-79 be "CHURCH ALIVE" and that the Coordinated Promotion Planning Committee of the state staff begin designing programs to implement the emphasis.

Evangelism

In May the Board voted to retain Joe Ford on a full-time basis in the Department of Evangelism, and that whatever deficit was incurred in the 1974 Evangelism budget be funded from the Special Projects account. In June Brother Ford resigned to accept a position with the Division of Evangelism of the Home Mission Board.

Mayfair House Property Reconveyed to Convention

The Board of Directors voted in the May meeting for the Baptist Laymen's Corporation to reconvey to the Baptist General Convention the Mayfair House Property. They also approved a proposal for C. A. Henderson to assume the management of the property. A summation of the proposal follows:

That C. A. Henderson assume management of the Mayfair House Motel on May 15, 1974.

That improvements be financed solely out of revenues and no additional capital be provided (except unusual and unanticipated major expenses that may arise).

That a plan for the development of the remainder of the grounds be formulated and submitted to the Convention for its consideration.

C. A. Henderson receives, as remuneration for services, a sum equal to one-half of the positive cash flow (if any). The management contract is for a two-year period with a two-way termination provision for either party after 60 days written notice. Only C. A. Henderson's direct and out-of-pocket expenses are to be charged and the executive supervision would not exceed \$600 for any single month, nor \$3,600 for a continuous 12 month period. The Convention agreed that their investment would remain as equity until the Jones Mortgage is fully paid. The Convention and C. A. Henderson agree that their share of positive cash flow would be directed towards the needed improvements in the interior and exterior of the structure and parking areas. C. A. Henderson will, as agent for the motel, provide and supervise all services including personnel, supplies, repairs and improvements, accounting services, and monthly reports.

The contract also stipulates that C. A. Henderson will have the option to lease the motel and grounds from the Convention on a basis as outlined below:

The option period shall begin simultaneously with the management and shall be for two years.

The existing Jones mortgage payments would be assumed and continued until the mortgage has been paid off.

As soon as the Jones note is paid off, lease payments to the Convention would begin at the rate of \$30,000 annually, paid monthly, until the Convention's equity and interest has been returned. Interest will be 4½% until the Jones note is paid and then increased to 6½%. At that time the lease payments would be reduced to \$25,000 annually for the balance of the lease term.

The lease term would be concurrent with the existing lease between C. A. Henderson and the Convention for the ground occupied by Warwick West Apartments, Phase 1.

The agreement has been consummated and is now in effect.

1973 Executive Office Audit Approved

The Business Management Committee met with the auditor for the Executive Office. A thorough study was made. The Committee recommended to the Board that the 1973 audit be accepted and printed in the Convention annual. The recommendation was approved.

1974 Executive Office Auditor Named

In the May 14 meeting the Board approved Wolf and Company as auditors for the Executive Office for 1974.

Child Care

The Board approved a recommendation that the 1974 Child Care offering goal be \$235,000. Through September, \$159,888.87 has been received.

Dr. Ingram reported to the board in September that the corners at Northwest 63 and Pennsylvania are being widened to provide turn lanes. The City of Oklahoma City asked for a permanent easement of 312.5 square feet at \$1.25 per square foot of property on which the Baptist Children's Home is located. The board voted for the Convention attorney and the Executive Director-Treasurer to make an on-site survey of the property to ascertain more fully the physical impact of the easement upon the Convention property and that if the study proved favorable that the officers of the Convention be authorized to sign papers granting the easement.

Disaster Relief

Sometime ago the Board assigned the disaster relief program for Oklahoma to the Brotherhood Department. In their December meeting, the Board approved the following recommendations from the Planning and Promotion Committee:

1. That a committee of the Board be appointed by the president to serve as the Disaster Relief Committee.

2. That a permanent disaster relief fund of not less than \$50,000 be established; that \$25,000 be added to the challenge section of the 1974 Cooperative Program budget and that the Board go on record as favoring placing \$25,000 in the state mission offering of 1975 for disaster relief, and that these funds be administered by the following guidelines:

(1) The State Disaster Relief Committee shall determine the total amount to be given in any community disaster. This will be decided in consultation with the Disaster Relief Director of the Baptist General Convention of Oklahoma and the local Disaster Relief Committee involved.

(2) Distribution of Baptist General Convention Disaster funds will be through an associational basis if several churches are involved. If only one church is involved, direct disbursement to that church will be made.

(3) An itemized accounting of disbursements will be made by the local committee receiving funds. A copy will be furnished the Disaster Relief Director of the State Convention.

(4) The first Sunday following a major disaster shall be designated as "Disaster Offering Day". The receipts from this offering will supplement the permanent fund when necessary. They will also replenish the fund expended prior to the receipt of the offerings.

3. It is further recommended that each time a major disaster occurs that this fund be used and then replenished by a disaster offering from the churches.

4. It is also recommended that a panel truck (van) be obtained, clearly marked and identified as Baptist General Convention Disaster

Relief. It would be used to go immediately to the scene of a disaster, carrying emergency equipment, where a survey of damage can be made, local organization set up, and a course of action pursued according to guidelines determined by the Disaster Relief Committee.

Plaque of Appreciation to Gritz

In the September meeting Dr. Ingram presented a plaque of appreciation from the Board of Directors to Dr. Jack Gritz for his 25 years of dedicated service as editor of the **Baptist Messenger**.

Commendation for Leadership in Pari-Mutuel Gambling Issue

In September the Board unanimously voted the following: "Whereas our Executive Director-Treasurer, Joe L. Ingram, was the leader in organizing the Anti-Crime Council of Oklahoma, Inc., and provided outstanding leadership and devotion in leading Oklahoma to victory in defeating the Pari-Mutuel Gambling Bill #498: it is moved that the Board of Directors go on record as commending him for his outstanding efforts, and that we recommend that similar action be taken by the Baptist General Convention of Oklahoma in its annual meeting in November."

Planning and Promotion Office

Lyle Garlow, Director

Proper planning and promotion are vitally related to the success of any enterprise. It was with this view in mind that the office of Planning and Promotion was established. Lyle Garlow, associate executive director of the convention, serves as director. Glenn Brown is the associate director. Dana Williamson, newswriter for the convention, works through this office. The major areas of responsibility are:

Coordinated Promotion Planning (CPP) provides a continuing plan to correlate the state, SBC and associational programs designed to help the churches. State convention programs and program leaders related to CPP are, Brotherhood, Church Music, Church Training, Co-operative Missions, Evangelism, Stewardship, Sunday School and WMU. Through CPP, state convention themes, emphases, calendars and activities are planned, correlated and promoted. This group has recently proposed the 1976-79 Oklahoma theme, "Church Alive."

Associational Services are related to the executive office through the Planning and Promotion office. This provides a close relationship in the planning process for the associations. Significant areas of concern during 1974 are:

(1) The name change to Directors of Associational Missions adopted by most of the associations.

(2) Two annual planning meetings with Directors of Associational Missions.

(3) The election, by the associations, of the following new directors:

Arbuckle Association, Joe Howard
 Cimarron Association, Harry Dee Griffin
 Concord-Kiowa Association, H. Alton Webb
 Perry Association, William G. O'Dell
 Salt Fork Association, Haskell Beck
 Sans Bois Association, Don Taylor
 Tillman Association, Bob Posey

(4) Retirement of two directors of missions, Estel Thomason, Cimarron Association and Cloyce Holland, Tillman Association.

(5) The attendance of 30 representatives at the National Convocation on the Baptist Association at Ridgecrest, May 6-10, 1974.

(6) The Metropolitan Missions Forum, Sept. 24-25, 1974, Oklahoma City.

Cooperative Program promotion receives major attention. The forthcoming 50th Anniversary of the Cooperative Program (1975) provides a real challenge to increase mission support. The 50th Anniversary of the Cooperative Program will be May 13, 1975. Many activities are planned throughout 1974-75 to highlight this special anniversary. The objectives of the anniversary observance are:

- (1) To celebrate the blessings of God through the past fifty years,
- (2) To solidify confidence in the Cooperative Program as a way to care for people now, and
- (3) To solicit a renewed commitment to a future united effort.

Two major goals have been set for this anniversary year. Both are related to soliciting a renewed commitment to a future united effort in the support of missions through the Cooperative Program. The goals are:

(1) **Individual Commitment.** Every member will be challenged to demonstrate his commitment to the Cooperative Program by signing a "Declaration of Cooperation." By doing this he will say, "Yes, after seeing what is being accomplished through fifty years of united effort, I re-choose the Cooperative Program as my main channel of world mission support." A goal of 500,000 individual signatures has been set for Oklahoma.

(2) **Church Commitment.** Every church will be challenged to increase Cooperative Program giving by at least 1% of their total budget receipts. A Conventionwide goal of \$150 million has been set. This amount would be committed in church budgets in 1975 and received in the state conventions and Southern Baptist Convention in 1976.

Associations have been encouraged to have a Cooperative Program 50th Anniversary Rally during 1975.

The previously suggested formula for percentage increase through the Cooperative Program continues. Churches now giving:

Under 20%—Increase 1%-2%

Between 20-30%—Increase ½ %-1%

Above 30%—Increase ¼ %-½ %

Stewardship promotion is another major program. Currently the "Associational Stewardship Decision Nights" have been well received. During August-September, 1974, there were 14 participating associations with 1017 pastors and key church leaders in attendance. Plans are being formulated to assist 20 associations during 1975.

Church Administration is assigned to this office. Glenn Brown serves as the state consultant. The "ABC's of Church Administration" conferences were conducted early in 1974. These were designed for churches with only one staff member—the pastor. Numerous associational leaders were trained to lead similar associational conferences. The second "Multiple Staff Church Administration Conference" is scheduled for March 3-5, 1975 at Arrowhead Lodge.

The motion carried to approve the report.

34. Glenn Brown, associate director of Planning and Promotion, spoke on stewardship and presented testimonials concerning the stewardship program and church budgets.

35. Robert Haskins, director, Department of Cooperative Missions, presented the report of the department.

(1) A representative of the Home Mission Board of the Southern Baptist Convention spoke concerning the proposal for 1975-1976.

Cooperative Missions

Robert Haskins, Director

The Department of Cooperative Missions is working toward Mission advance in (1) Language Missions, (2) Work with National Baptists, (3) Church-Community Missions, (4) Church Extension, (5) Resort Mission Ministries, (6) Chaplaincy, (7) Interfaith Witness, (8) Surveys and Special Studies, (9) Student Summer Missions, (10) Christian Service Corps, and (11) US-2 Workers.

Language Missions

Instead of diminishing, each year the language culture population increases in Oklahoma. These people need the love of Christ shared with them in a way that they can understand. This we are trying to do through our language mission program.

This past year we have had 22 missionaries at work full-time and 15 missionaries who serve on a retired or part-time basis. These serve in Indian, Spanish, Deaf, Korean, Chinese and Japanese work.

These missionaries reported 994 professions of faith, 232 additions by letter and 283 dedicated their lives to special service this past year. They also traveled 543,463 miles in their work.

One new Spanish work, four new Indian Missions, one new Chinese work, one new Japanese Bible Class, two new Korean Fellowships and three new deaf units have been established this year.

Ten Language Mission Camps were conducted in our state with more than 2,100 attending. There were 169 professions of faith and more than 386 other decisions.

The first Statewide Indian Evangelistic Rally was held on April 26 at First Southern Church, Del City with more than 1,000 Indians attending. The response was so great that this is to become an annual event.

Ten language churches have been assisted this past year in building programs. Money has also been given to the Musokgee-Seminole-Wichita Indian Baptist Association to assist them in the building of a youth dormitory on their assembly grounds Southeast of Henryetta.

All four Indian Baptist Associations are involved in training programs for training the pastors of their churches. Three of them are using the Seminary Extension Curriculum materials. A course was offered at Indian Falls Creek on "Sermon Preparation" for the pastors.

One Indian Mission has been constituted into a church and one Indian church, which has been assisted by the Home Mission Board

and the State Convention with their pastor's support for some 20 years, has become self supporting.

Student Summer Missions

Forty-three college students from California, Alabama, Georgia, West Virginia, Texas, Arkansas, Virginia, Kentucky, and Oklahoma served for 10 weeks in Oklahoma mission work this past summer. Six served in Resort Missions, three in language mission work in Western Oklahoma, two in Indian Missions, two at the Baptist Children's Home, one at Boys Ranch Town, two at the Good Shepherd Home and 27 in Inner-City Ministries in Oklahoma City.

Chaplaincy

Fifty-eight Southern Baptist chaplains serve in industry, military, institutions, and hospitals in our state.

These men provide a spiritual ministry in areas that might otherwise be forgotten.

A chaplain's luncheon was held this year. A chaplain's advisory committee was also organized. Retreats and conferences will be conducted in the future for the Southern Baptist Chaplains.

Scripture Distribution

Forty thousand copies of the New Testament were given to associations and churches for distribution in mission areas. In addition, copies of the New Testaments in Korean, Chinese, Arabic, German, Japanese, Italian, Russian, Spanish and Vietnamese have been distributed.

Church Extension

Several Bible Study Fellowships have been conducted this year in neglected areas.

The Home Mission Board and the State Convention have been assisting the Lindsey Chapel Church on Lake Eufaula with pastoral aid. This has enabled the church to provide the kind of ministry needed to reach the people in this resort area.

US-2 Work

Two US-2ers will be serving for the next two years in Oklahoma. Stanley Mitchell from Tallahassee, Fla. is serving in Indian Mission work. He has been assigned to the Central Indian Church, Oklahoma City. Beverly Gray from St. Louis, Mo. has been assigned to Exchange Avenue Church, Oklahoma City to establish a work in the Hamilton Courts.

WORK WITH NATIONAL BAPTISTS

The state director of work with National Baptists cooperates with the leadership of the Oklahoma Baptist State Convention in missions, evangelism, Christian education, outreach ministry, and educational center operation. The commitment of the department of work with National Baptists is to strengthen the local church and the program of the denomination. The work involves the Baptist General Convention of Oklahoma, and the Oklahoma Baptist State Convention. It is done

through the local church, district associations, state and national conventions.

The Cooperative Program is the medium through which the churches are carrying out their mission work. In 1974, approximately 132 National Baptist churches contributed \$29,049.42 through their convention. Approximately 75,000 members in 300 churches cooperate with the Oklahoma Baptist State Convention.

Sixty-two National Baptist youth and sponsors from all over the state attended the 4th week of Falls Creek Baptist Assembly this year. A total of eight decisions were registered from this group.

The Oklahoma Baptist State Convention is still in the process of developing their own "Falls Creek," Burge Camp. Limited finances greatly impedes the development of the camp; but it is hoped that the facilities will be adequate for week-long camps in the near future.

The Oklahoma Baptist State Convention recently moved into their new offices at 1125 N.E. 36th in Oklahoma City. This property was purchased from Capital Baptist Association and will be the headquarters for the convention.

Three National Baptist students received scholarship assistance for college training during the 1973-74 school year. Two seminary students received scholarship assistance for seminary training during the same time. All of these are planning to enter some type of church-related vocation.

Five workers receive financial assistance through the Department of Cooperative Missions. They reported 57 conversions, 10 additions by baptism, 32 additions by letter or statement, and 40 decisions for special service.

The Department of Missions and Home Mission Board financially assisted three couples who attended Home Missions week at Glorieta. These church leaders received helpful training and will share it with others throughout the state. Each missionary was able to attend a training session at Glorieta this summer.

A seminary extension center was begun in Muskogee in the spring. Seven students enrolled the first term.

CHURCH-COMMUNITY MINISTRIES

Church-Community Ministries is the Oklahoma name for the area of work which the Home Mission Board calls Christian Social Ministries. It is basically a weekday ministry for reaching people for Christ. It might be through club activities, music, a tutoring ministry, a family counseling service, ministry to the handicapped or any of many other means of establishing relationships and sharing Christ.

Some ways that churches respond to the needs of people are: Baptist Centers, ministries to illiterates, aging, prisoners, alcoholics, drug users, ex-prisoners, migrants, youth and family services, disaster relief and other projects peculiar to their own community.

The Department of Cooperative Missions through this means helps to support a Baptist Mission Center in Oklahoma City and Tulsa, Grace Rescue Mission in Oklahoma City and a student community project at Oklahoma Baptist University. An associational director of Church-Community Ministries is now serving in Capital Association. He directs the existing mission activities in the association and works with the local churches in starting week-day ministries. Future plans and priorities are to assist other associations with associational directors. The directors of these ministries reported 399 professions of faith, 50 additions to the church by transfer of letter, 54 additions by baptism, and 65 decisions for special service.

A limited ministry to migrants is promoted by the Department of Cooperative Missions. Support has been given to Tulsa Association in reaching out to the farm laborers who come into their area.

Many churches have learned that great evangelistic opportunities are found through such church-community ministries. Increased interest is being shown all over Oklahoma in such non-traditional methods of winning people to faith in Christ.

It is anticipated that Mission Focus will reveal many existing needs among the people of Oklahoma that the churches can help meet. This will provide many opportunities to share Christ while ministering in His name.

The motion carried to approve the report.

36. Abbie Louise Green, director, Woman's Missionary Union, presented the report of the department.

(1) Mrs. Greenwood, president, WMU and member First Church, Tulsa, spoke concerning mission projects.

(2) J. W. Wade, director of missions, South Canadian Association, spoke concerning a special project of missions with the mentally retarded.

Woman's Missionary Union

Abbie Louise Green, Director

Woman's Missionary Union placed emphasis on the church and its mission in all phases of its program during 1973-74.

TEACHING MISSIONS—Since the teaching of missions is significant in the life of a church the major resources of Woman's Missionary Union are spent in helping church members realize their responsibility for people of the whole world as well as for persons in the community served by the church. In the teaching of missions, persons are led to explore with purpose and to respond to that purpose in personal commitment and obedience.

During the year state meetings were held to reach all ages of girls and women. The **Acteens Conference** for senior high girls was held at Oklahoma Baptist University, Feb. 22-23. A total of 381 girls received missionary information and inspiration as they attended the conference.

During the eight weeks of camps at **Camp Nunny-Cha-ha** 876 Girls in Action and Acteens were privileged to attend. Two hundred forty-eight decisions were made, 53 of which were professions of faith. A home missionary and a foreign missionary served on the staff each week to help provide missionary education for the girls.

There were two state meetings held for Baptist Young Women (ages 18-29). A **Young Marrieds' Retreat** was held at Fountainhead Lodge in the fall and **workshop** for all Baptist Young Women members was held at Northwest Church, Oklahoma City, Aug. 22. The retreat is a time of missionary information and inspiration while the workshop is designed to give training as well as inspiration.

Woman's Missionary Union secured 12 missionaries each week of the four **Falls Creek Assemblies** to teach missions. Probably more young people hear about missions during the four weeks than in any other effort.

During the 15 **WMU Area Meetings** during September and October 1,748 leaders and members were reached for training, inspiration and missionary message.

The **Sixty-ninth Annual Session of Woman's Missionary Union** was held April 22-23, First Church, Tulsa. Speakers included 11 missionaries representing eight areas of mission work.

SCHOLARSHIPS—Scholarships for girls attending a Southern Baptist Seminary are provided through the Edna McMillan Offering for State Missions. Scholarships were granted to 10 girls attending Southwestern Seminary and one girl attending New Orleans Seminary.

SPECIAL OFFERINGS—The three mission offerings promoted by Woman's Missionary Union each year are: Lottie Moon Christmas Offering for Foreign Missions, Annie Armstrong Easter Offering for Home Missions and Edna McMillan Offering for State Missions. Offerings received were as follows:

1973 Lottie Moon Christmas Offering, \$866,680.27 (books close April 30, 1974)

1974 Annie Armstrong Easter Offering as of Oct. 7, \$249,628.93 (books to close Dec. 31, 1974)

1974 Edna McMillan Offering as of Oct. 7, \$100,689.41 (books to close Dec. 31, 1974)

Woman's Missionary Union secures writers for the program materials for the State Mission Season of Prayer and prepares the materials for mailing. The theme being used this year is "Sharing Christ in Oklahoma." We hope that each Baptist in Oklahoma will take advantage of the opportunity to share Christ in our state by having a part in reaching the 1974 Edna McMillan Offering goal of \$150,000.

The motion married to approve the report.

37. Terry McIlvain led in singing "Love Is the Theme."

38. Joe L. Ingram recognized and introduced to the convention visitors, new pastors, ministers of education and music, and evangelists.

39. Laddie Adams, director of Department of Brotherhood, presented the report of the department.

(1) Paul McCullough, assistant in the department spoke concerning the Royal Ambassador work and introduced the RA pages serving for the convention.

Brotherhood

Laddie Adams, Director

A renewed interest in establishing Brotherhood organizations in the churches is evident in Oklahoma. New units of Baptist Men were organized in 1974 as well as many new chapters of Royal Ambassadors. An involvement in mission action through Lay Renewal Week-ends resulted in many men giving time and testimony by sharing God's blessings in their lives with others. We rejoice in the response of men and boys to new challenges and opportunities.

Personnel Changes

Bob Banks, Brotherhood director, resigned effective Jan. 1, 1974, to become executive assistant at the Brotherhood Commission, Memphis, Tenn. Laddie Adams, associate director, was elected by the board of directors to succeed Banks as department director.

Paul McCullough joined the staff as associate director on March 1, 1974. He came to this position from the pastorate of Pauls Valley, Trinity Church. His responsibilities include directing Royal Ambassador work, Camp Hudgens and Disaster Relief.

The 1974 statistical report is not yet available, but our projected totals would indicate a slight overall increase in enrolment from 1973 in Brotherhood.

Royal Ambassador Congress

The Congress was held at the Myriad Convention Center in Oklahoma City with three program sessions plus an exhibit section with 54 booths, including 16 missionaries. Total attendance was estimated by officials at 2,800. Over 200 boys participated in the Pinewood Derby. State finals in basketball were played in area gymnasiums. Officers elected were: president, Charles Cox, Ardmore, Trinity; vice-president, Paul Searcy, Norman, Trinity, and secretary, Danny Gilliland, Edmond, Witcher. The 1975 Congress will be held Feb. 28-March 1 at the Sheraton Inn-Skyline East in Tulsa.

Lay Couples Retreat

This meeting was held in cooperation with the Evangelism Department and had the highest attendance since its inception. There were 142 people attending the renewal-style retreat at Fountainhead Lodge. The 1975 location will be Tulsa Sheraton Inn-Skyline East in Tulsa Feb. 21-22.

Layman's Dinner

Over 500 men attended a dinner meeting on Tuesday evening at the state Evangelism Conference. Steve Davis was the special guest

who spoke to the group. This helped strengthen lay attendance at the conference.

Special Mission Action

Mission Focus will be our theme in Oklahoma beginning the '74-'75 church year. Preliminary surveys already reveal many needs that can be met in reaching people. The barriers that now keep them from being reached by the traditional approaches through our church organizations can be overcome. Brotherhood mission action involvement in crossing these barriers through ministries will reach many with the gospel.

World Missions Conferences

There was an increase in the number of churches participating in 1973. Each association has the opportunity of having this mission education emphasis every five years. Eight associations, including 194 churches, participated. Total attendance was in excess of 30,000. This is one of our best opportunities for personalizing missions in the churches.

Camp Consultation

We are very desirous of continuing our offer of assistance to associational and area camps in the development of camp objectives, utilization, site, program, staff organization and training, and equipment resources.

Disaster Relief

The associate director, Paul McCullough, has been designated as director of Disaster Relief for Oklahoma Baptists. In compliance with a recommendation by the Board of Directors, he will be assisted by a state disaster relief committee appointed for the purpose of receiving requests from associational disaster relief committees at the time of any community disaster. The associational committee will be the contact through which the state committee determines needs in any given community. It is suggested that this committee might best be composed of the director of missions, moderator, Brotherhood director, Woman's Missionary Union director and missions chairman. These associational committees have received instruction at the area training sessions this fall and training for disaster relief teams will be available in the fall of 1975. Help through "Disaster Offering Day" has assisted churches in the Enid area following the flood in the fall of 1973 and the Drumright area in the spring of 1974. It is planned that a fund will be provided through allocations in the convention budget and state mission offering to assist at such times in the future. The benefits of the associational committee can be greatly enlarged by a similar committee in the local church. The local church Disaster Relief Committee could be correlated with a Brotherhood Action Group, the Mission Committee or other committees already elected.

Lay Renewal Weekends

Lay Renewal Weekends continue to increase in number and impact. We assisted 38 churches in scheduling a weekend, assisted in securing a coordinator and team members, and processed informa-

tion so that necessary preparation could be made. Only eternity will reveal the importance of the decisions made and the lives changed as a result. We are grateful for this involvement.

Camp Hudgens

Seven weeks of Royal Ambassador camps were conducted during June and July with a total of 708 regular campers, which is a new high for the 15 years of operation. There were 50 professions of faith with 54 indicating a decision for church related vocation and 62 rededications. This means that from each 14 boys attending camp, one accepts Christ as Savior, one surrenders to special service, and one makes a meaningful commitment to more dedicated relationship with Jesus as Lord.

The J. A. Pennington Lodge was completed and used for the first summer as the staff and administration building. Bob Banks assisted by serving as director for the first week. The dining hall was named in his honor during special services on "Bob Banks' Day," which commemorated his 25th year in directing Oklahoma Royal Ambassador Camps.

The motion carried to approve the report.

40. Gene Bartlett, director, Department of Church Music, presented the report of the department.

(1) Schools of Church Music were discussed.

Church Music

Gene Bartlett, Director

This has been Oklahoma Baptists' greatest year in music leadership training. Almost every association has been represented in one music conference or another. Schools of music fundamentals continue to touch and help more churches than ever.

Ferrell Brown, an outstanding layman in Eastern Oklahoma, and music director of First Church, Haileyville, expressed it this way: "I think the music school in Pittsburg Association has brought the churches of this area closer together, and with the learning of music, we have better worship services in our churches."

A new Baptist hymnal will be available to our churches next April 1. This great worship aid will lend much help to the improving of congregational singing. Most of the favorite songs of Baptists will be in the book.

PraiSing '75 will take place in Nashville, Tenn., March 10-13. This is national celebration of the advent of the hymnal. People from all over America will gather to sing God's praises. Several buses have been chartered to take Oklahoma Baptists to the event.

For the people who can't go to the National PraiSing, your state music department is having a Statewide PraiSing at the Oklahoma City Civic Center Music Hall, May 16-17. This will be an all-night singing of choirs and congregational singing. The main event will feature singing through the new Baptist Hymnal.

The Singing Churchmen of Oklahoma Baptists have been commended by the State Senate of Oklahoma. They have also been invited to sing for the Baptist World Alliance meeting next summer in Stockholm, Sweden. This great choral group is directed by Dean James D. Woodward of Oklahoma Baptist University, and accompanied by Claude L. Bass, chairman of the Theory Department of Oklahoma Baptist University.

Your state music director likes his job very much and is very grateful for his associate, Mary June Tabor.

The motion carried to approve the report.

41. Mrs. O. S. Allen, manager, Baptist Book Store, Tulsa, and Don Turner, manager, Baptist Book Store, Oklahoma City, presented the report of the book stores to the convention.

Baptist Book Stores

Mrs. Lola Allen, Manager, Tulsa

Donald Turner Jr., Manager, Oklahoma City

Partners in growth is becoming more than a slogan—it is becoming a reality as we grow together in Christian graces as Oklahoma Baptists. The growth of both stores has been tremendous through the years and this growth is due largely to your loyal support and in turn both people and churches have experienced growth in the process.

You have helped and are helping us fulfill our mission—that of providing Christian literature and church supplies for Oklahoma Baptists and surrounding areas. We wish to thank you for this support and we pledge ourselves to give even better service in the future.

The elected Sunday School Board voted at its July meeting to discontinue all individual discounts, including discounts to book store employees, effective July 1, 1975. Quantity discounts and discounts to libraries remain the same.

One item of great interest to the churches is the release of the new Baptist hymnal in March, 1975. May we suggest you include this item in your church budget and get your order in early to be assured of delivery. Price breakdown and color samples are now available at the book stores. Please let us help you.

The motion carried to approve the report.

42. Bill Haggard, director, Department of Religious Education, presented the report of the department.

(1) Members of the department staff were introduced.

(2) Bill Haggard spoke to the report.

Religious Education

Bill C. Haggard, Director

Continuing for the second year under the state theme, "People Now," the Department of Religious Education has experienced a good, solid year of accomplishment in every area of work. Churches

and associations have reflected this good year in their response to training conferences throughout the state.

Areas of responsibility in the Department of Religious Education include Sunday school and church training promotion as major assignments. Other consultant assignments are: church library and audiovisual education, church recreation, day care, family ministry and vocational guidance. Vacation Bible School constitutes one of the exciting aspects of Sunday school work.

These areas of work have been delegated to four field workers on the staff. In addition to the privilege of directing the department, I serve as state director of Sunday school work. Zack Pannell is in his second year as state director of church training work and associate director of the department. Also in his second year is Keith Wilkin-son, state director of youth work in Sunday school and church training. Darlene Koch, state director of Preschool and Children's work in Sunday school and church training has served in the department for five years.

Secretarial personnel in the department includes: Mrs. Wanda Jennings, supervisory secretary; Mrs. Olive Hays, Sunday school records secretary; Mrs. Lou O'Neal, secretary to Pannell; and Mrs. Pauline Self, who joined this year as receptionist.

Highlights of 1973

With the changes of the 70's well established, Sunday schools are growing again with the People to People Now emphasis. A major emphasis in 1973 was the statewide Sunday school revival project, in which 18 associations participated, following a People Search in August, 1973. Central or group leadership training schools were conducted in six associations, including Enon, Chickasaw, Perry, Concord-Kiowa, Arbuckle and Delaware-Osage. In addition to a number of associational bus conferences, two state and SBC bus ministry conferences were conducted, one in Oklahoma City and one in Tulsa.

Dual State Bible Teaching Conferences were conducted Feb. 4-7, 1974, with approximately 1,200 workers participating. The Scripture distribution emphasis, March 17-24, 1974, was received by Oklahoma in an exceptional manner. Over 340,000 copies were distributed and results are still being seen.

Major church training events in 1973 included a Special Workers Training Conference, March, and a Training the Trainers Institute, April. A total of 11 Church: the Sunday Night Place meetings were conducted from August through October. Four Associational Church Training Improvement Conferences were conducted.

Statistics

Sunday school enrolment was 314,483 in 1973, representing an increase of almost 2,000 over the previous year. A total of 592 Bible study fellowships were reported from 228 churches, with an enrolment of 7,288. In 1,029 Vacation Bible Schools, 124,194 were enrolled, which was an increase of over 5,600, with 1,921 professions of faith reported from 666 schools. A total of 51,577 prospects were discov-

ered, out of which were 33,189 parents who are not members of any church.

Church Training enrolment for 1973 was 94,500 in 970 churches. Although less than the previous year, the rate of decline has been slowed. Mobilization Night was conducted in 34 associations with an attendance of 9,517 which is an increase in both figures.

Student Work

Bob Lee, Director

Your Student Department is working on 32 college campuses throughout Oklahoma. It is operating 26 Baptist Student Centers where thousands of students feel at home every day. Some 25,000 Baptist students are enrolled in college and the 24 full-time and seven part-time directors are working with them—serving as counselors, teachers, witnesses and friends. On many of these campuses, BSU is the only evangelical work being done. Students of all religious faiths are welcome to attend and participate in BSU activities. Here they can find a deeper meaning for their lives through Bible study and evangelism.

Gifts through the Cooperative Program provide approximately \$350,000 per year for the student ministry. The associations, churches and interested individuals give an additional \$350,000, for the support of Baptist Student Union. This consistent support makes possible a strong ministry of outreach among students on the college campus.

Baptist Student work across Oklahoma concluded a very rewarding and successful year on our college campuses. This was climaxed by an exciting week at Student Week at Glorieta that was attended by about 400 Oklahoma students.

Approximately 6,000 students participated in our BSU's across the state. There were over 500 students won to the Lord and over 1,000 International students contracted and ministered to. There were over 20 Internationals that became Christians as a result of BSU.

The BSU Convention was held at Southwood Church, Oklahoma City. There were over 800 in attendance to hear Willard Dallas, pastor of the Mount Zion Church in Stillwater. Over 500 students were participants in the annual BSU basketball tournament at Stillwater. The event was won by the Central State boys and the OSU girls. The Spring Retreat and Leadership Training Conference at Falls Creek was attended by 650 students. This was a very high moment in our year as Gene Garrison, pastor of First Church, Oklahoma City, inspired students to allow Jesus to give real direction to their lives.

An anticipated time of our state program is when students are selected for Summer Missions. Forty-four students were selected to serve in Oklahoma, Missouri, Arkansas, Virginia and New York. The students raised \$20,000 to support this ministry.

Pray that God will give us another good year. Our emphasis will be in the areas of Bible study, evangelism, internationals, missions, ministry and fellowship. Your prayers and support are appreciated.

The motion carried to approve the report.

50. J. M. Gaskin, historical secretary, presented the report of the Historical Commission.

(1) A manuscript "A Child's History of Oklahoma" by Louise Haddock, was presented to Abbie Louise Green, WMU director, as a study course book on state missions.

(2) Ronald Tonks, associate director, Historical Commission, Southern Baptist Convention, spoke to the convention concerning the report and Baptist history.

Historical Commission

J. M. Gaskin, Historical Secretary

The Oklahoma Baptist Historical Commission continues to expand its program of collecting, preserving and utilizing Baptist history. During the past year two meetings were held—March 19, at the Baptist Building and Sept. 24, at Oklahoma Baptist University in Shawnee.

The Historical Society

The Oklahoma Baptist Historical Society is auxiliary to the Commission. It was organized at Oklahoma City in 1956. Currently there are 126 active members with 344 inactive members being retained on the membership roll. Since its organization, about 506 persons have held membership in the Society. Dues are \$2 per year or \$25 for Life Membership. Mrs. Flavel Perry of Ponca City is serving as president this year.

Archives

Many years ago the late John Wesley Raley, then president of Oklahoma Baptist University, proposed that the state Baptist historical collection be housed at OBU. He provided space, which marked a beginning. We now have two spacious rooms, and they are crowded with valuable Baptist memorabilia. E. W. Thornton continues to serve with distinction as curator of the collection.

Holdings in the archives, as reported recently by Dr. Thornton, include the following: There are 433 archival boxes; about 1,400 books, of which some 1,000 are pamphlets. There are about 400 photographs, 239 tape recordings—222 are open reel and 17 are cassettes. We have 125 reels of microfilm, 40 museum artifacts and numerous other items such as the OBU **Yearbook** for a period of 55 years, about 100 church histories, 35 scrapbooks, and bound volumes of the OBU newspaper covering a span of 56 years.

The archives are open to all researchers, mostly by advance appointment. There is a conference and reading room and a museum display area.

Members of the Historical Society and Historical Commission are all excited about the enlarged quarters we will have in the new Learning Center which hopefully will be erected on the OBU campus soon. The space allocated to us will be designated THE OKLAHOMA BAPTIST HISTORICAL COLLECTION.

Oral History

The Southern Baptist Historical Commission has entered a new field of endeavor in collecting Baptist history. It is called Oral History. This year on Sept. 24, we had our state's first Oral History Workshop at OBU, with an attendance of about 80. This is a method of collecting personal memoirs from individuals by way of a tape-recorded interview. The historical secretary will assist any individual or group in setting up a program in this work at the local level. According to Ronald Tonks, of the Historical Commission in Nashville, Tenn., who assisted with our Sept. 24 Workshop, Oklahoma is the first state to conduct a workshop like we had this year.

Raley Heritage Room

It is with delight that we report the completion of the John Wesley Raley Heritage Room in the John Wesley Raley Chapel at OBU. This space houses many items from the long tenure of Dr. Raley as president and chancellor at OBU. It was formally dedicated during Homecoming at OBU Nov. 1-2, 1974. This is without a doubt one of our most significant acquisitions. The Heritage Room was prepared, opened, and will operate as an adjunct to the OBU library under the supervision of the university's librarian. It should serve future generations in an extraordinary way as individuals do research on Baptist history in our state, especially in the field of higher education.

A Child's History

Reports before have stated that Miss Louise Haddock was preparing the manuscript for **A Child's History of Oklahoma Baptists**. With editorial assistance and the writing of some of the chapters by J. M. Gaskin, this manuscript was nearing completion at the time this report was written. Hopefully it will be available next summer. A committee has been selected to start work on details incident to publication, and other committees will be appointed soon to aid in distribution and other details.

Chronicle

The official journal of the Commission and Society is **The Oklahoma Baptist Chronicle**, now in the 17th year of its publication. J. M. Gaskin has been editor since it began in the Spring of 1958. A significant thing about this semiannual publication is its indexes. The first five volumes were indexed in the Spring of 1963, covering Volumes I-V. The next five volumes were indexed in the Autumn of 1967, covering VI-X, and the third index covers volumes XI-XVI, and was indexed in Vol. XVI, No. 2, Autumn 1973. Bound copies of these

volumes are in the OBU library and are available on loan by sending your request to E. W. Thornton, Oklahoma Baptist University, Shawnee, Oklahoma 74801.

Baptist Women

In 1976, Woman's Missionary Union of Oklahoma will commemorate the centennial of Baptist women's work in our state. It all began at Nunny-Cha-ha, an Indian church, near McAlester in 1876. J. M. Gaskin has been requested to write a history of this work over the past 100 years. Persons knowing of valuable and helpful information for this writing project are asked to write Dr. J. M. Gaskin, Box 452, Durant, Okla. 74701.

Ongoing Projects

There are a number of projects under the direction of the Commission which are ongoing. These include:

1. The annual meeting of the Oklahoma Baptist Historical Society, which meets during the state convention each year.
2. Publication of **The Oklahoma Baptist Chronicle**, a biennial publication which has been issued consecutively since 1958. More than one-half million words have been printed in its 33 issues.
3. Research assistance is given to interested persons at our archives and heritage room at OBU. Inquiries by mail receive prompt attention, and persons who want to come to the library to do research will be given all possible assistance.
4. Regular assistance is given to individuals, churches, associations, institutions and others as they do research, or ask for assistance in techniques in collecting, writing, preserving, and utilizing Baptist history in Oklahoma.

Recent Projects and Activities

Dr. Thornton reports some "windfalls" in some of his recent acquisitions at the archives: these include files of correspondence from J. C. Stalcup covering the years 1908-22, and F. M. McConnell, the first two executive secretaries of the convention; works of W. D. Moorer, Oklahoma Baptists' first Sunday school secretary; also, from the papers of Miss Sue Howell, Oklahoma Baptists' third WMU secretary (1908-18), W. W. Chancellor, who gave distinguished service to our state during the 75 million campaign.

A program has been initiated to evaluate the **Annuals** of the state's associations. Awards were announced for 14 associations who met standards for certificates of recognition at the Oral History Workshop Sept. 24. Also, a drive has been undertaken to collect one or more copies of their **Annuals** from all associations in the state each year. Progress in this endeavor has been most encouraging.

Recommendations

Your Historical Commission submits the following recommendations in the hope each one will meet with the approval of the convention:

1. That we set as our goal 500 members of the Oklahoma Baptist Historical Society by 1976, the Bicentennial year of the United States.

2. That A CHILD'S HISTORY OF OKLAHOMA BAPTISTS be given the widest possible use—in State Missions Studies in 1976, and possibly in Vacation Bible Schools over the state in 1976.

3. That we make plans to erect at least two historical markers in 1976, and do so with public ceremonies. These markers would be near the present Fountain Baptist Church north of Muskogee which is believed to be the current successor to the first Baptist church organized in what is now Oklahoma. It was formed by Isaac McCoy Sept. 9, 1832. The other marker, if you approve, will be erected in the east edge of McAlester, indicating that nine miles southeast of that place is where Baptist women's work began in Oklahoma in 1876.

4. That we cooperate with Woman's Missionary Union of Oklahoma in observing the centennial of its beginning during the year 1976. This will include the writing and publication of a book by J. M. Gaskin, probably bearing the title, BAPTIST WOMEN IN OKLAHOMA.

5. That each church and association be encouraged to appoint a Bicentennial Committee at once, to make plans for observing this event in American history in 1976. The Historical Secretary will assist when requested either by meeting with committees, or providing written and tape-recorded suggestions on how to get started.

6. That each church and association be encouraged to appoint an Oral History director as soon as possible. This person would assist at the local level in doing personal interviews to collect memoirs from individuals for our archives at OBU. This will be one of our major projects in 1976, America's Bicentennial year. The Historical secretary will provide written and tape-recorded aids to these individuals as requested.

7. That the Commission's plan to update the history of Falls Creek by 1977 be approved. In 1967, J. M. Gaskin wrote The Falls Creek Story, which is now out of print. A possible title suggested for the new book is, SIGHTS AND SOUNDS OF FALLS CREEK.

8. That churches and associations be encouraged to write and publish their histories; that elaborate ceremonies be planned for the observance of anniversaries—especially 50th, 60th, 75th, and older anniversary dates. Sample histories and anniversary programs are available on loan from the OBU library. Address inquiries on this matter to E. W. Thornton or Stanley Benson, Oklahoma Baptist University Library, Shawnee, Oklahoma 74801.

The motion carried to approve the report.

51. J. T. Roberts, director, annuity and ministerial services, presented the report of the department.

(1) Testimonials were given concerning the benefits of the annuity program.

Annuity and Ministerial Services

J. T. Roberts, Director

Annuity

Who decides if a pastor and other church staff members will have adequate financial benefits when they retire? Answer—it's the

church. The extent to which a church contributes to the retirement plan for its pastor and staff determines the size of the benefit.

The Annuity Board of the Southern Baptist Convention, with headquarters in Dallas, invests the money received as contributions in the best way possible. This makes the value of each individual's account grow.

But the Annuity Board can only accept the retirement contributions sent in by the church, and administer them.

The Annuity Board fiscal year follows the calendar year. In 1973, the board disbursed a record nearly \$16 million to about 9,000 annuitants. It was four and one-half million dollars more than the year before, which was also the highest previous sum.

More than 1,500 annuitants received benefits for the first time in 1973. The funds were paid out as age retirement, widow and disability benefits. Another 13th Check was paid last December to annuitants.

The Annuity Board reached a record more than \$350 million in funds held in trust at the end of the year 1973. The funds pay benefits when participants retire, die or become disabled.

The Baptist state conventions provide one-third of each ordained minister's basic Plan A contribution for those serving within the state boundaries.

In addition, many Baptist agencies in each state—hospitals, colleges, homes for children or for the aged—provide for retirement benefits for their staff, in cooperation with the Annuity Board.

The Board also administers life, health, and disability insurance plans for persons serving churches or denominational agencies. The insurance program is underwritten by Aetna Life Insurance Company.

There are 19,680 churches and associations with 25,748 employees currently participating in the Southern Baptist Protection Program.

In Oklahoma there are 745 churches and associations with 983 employees participating. Forty-seven new members were enrolled in Plan A during the first six months of 1974.

The following state agencies and institutions participate in the retirement program:

Baptist General Convention of Oklahoma	Miami Baptist Hospital
Oklahoma Baptist University	Sayre Hospital
Baptist Foundation	Hugo Golden Age Home
Baptist Medical Center of Oklahoma	Oklahoma City Baptist Golden Age Homes
Bass Memorial Baptist Hospital	Baptist Children's Home
Bristow Memorial Hospital	Boys Ranch Town
Cordell Memorial Hospital	Camp Hudgens
Grand Valley Hospital	Camp Nunny-Chaha
Grove General Hospital	Falls Creek

Ministerial Services

From September 1, 1973 through August 31, 1974, 772 copies of biographical data sheets were provided on request for prospective staff members. There were conferences with pulpit committees and churches relative to calling pastors and other staff members. Pulpit supplies were secured upon request.

Deacon-Pastor conferences were held in 12 associations with 437 churches participating and 982 in attendance. Other presentations were made in conjunction with pastors' conferences and other associational meetings.

Meetings were held with Oklahoma students at Southwestern, Southern and Golden Gate seminaries.

Eight Seminary Extension Centers were active during the 1974 spring semester.

Approximately 300 attended the State Bible Conference.

Memorial Service . . . Tulsa, 1974

"Believing God's word . . . having, what we believe to be a Christian concept of the experience called death . . . let us unite our hearts in the spirit of gratitude for the privilege that is ours to honor the memory of our brothers who have run well the race of life. Like Paul they have finished their course . . . they have kept the faith . . . they are rejoicing in the continuing love, mercy and goodness of our Lord.

"As one has said, 'death is the crowning event of a well spent life. It is 'Heaven's call' for the Christian . . . it is love bidding us come home.'

"For many, death has meant release from sleepless nights, and long days of intense suffering . . . deliverance from the limitations of their earthly existence. Faith has become sight.

"Though their earthly house of this tabernacle has returned to dust, they have a building of God, an house not made with hands, eternal in the heavens. They are at home with our blessed Lord.

"In loving memory . . . let us bow as Richard Hopper, pastor of First Church, Ardmore leads us in prayer."

54. Jack Gritz, editor, presented the report of the **Baptist Messenger**.

Baptist Messenger

Jack L. Gritz, Editor

The state Baptist paper fills a vital role in the life of our churches and denomination. Week by week the **Baptist Messenger**, our own Oklahoma Baptist weekly news magazine, provides our people with information concerning the things which we are trying to do together. There is news concerning the Baptist churches in Oklahoma; the departments, agencies and institutions of the state convention; the work of the Southern Baptist Convention and from our mission fields around the world; and in addition there are doctrinal and inspirational articles.

At the present time the circulation is in excess of 87,000. The circulation grows as the names of new members joining the churches are added. It is significant that, at the time this report is being prepared, 1,072 churches have placed the state Baptist paper in the church budget and include it as a part of the church program, provid-

ing subscriptions for the families in the membership. We would urge churches which are not now doing so to use the Every Family Church Budget Plan of subscription, providing the state Baptist paper for each family or member just as other literature is provided. The cost to the church in this plan is only five cents per copy, and since the paper is published 50 times each year, the annual cost of a subscription is \$2.50. The church treasurer receives a monthly statement and this is paid monthly just as other bills are paid. Individual subscriptions are \$3 per year.

Every Baptist needs the state Baptist paper. There is no substitute for it and it has an important place in our work together. The purpose is to help develop well-informed Baptists and spiritually mature Christians.

The motion carried to approved the report.

55. C. Fred Williams, executive secretary-treasurer, The Baptist Foundation, presented the report of the Foundation

(1) Mrs. Edna Mae White Bennett was presented a plaque in appreciation of her services for 21 years as secretary to the executive secretary of the Foundation.

(2) Dr. Augie Henry was presented a plaque in recognition of his 25 years of service to the Baptist Foundation as director and consultant.

Report of the Board of Directors of the Baptist Foundation of Oklahoma

C. Fred Williams, Executive Secretary

The Baptist Foundation of Oklahoma was established by the Baptist General Convention of the State of Oklahoma for the purpose of procuring and administering capital and endowment funds for all of the agencies, institutions and departments of the Convention, and of the Southern Baptist Convention.

Endowment funds held by the Foundation are managed in strict compliance with the trust instruments created by the persons who gave the funds. As the title of this report indicates, the Foundation is managed, not by the administrative staff, but by a Board of Directors, elected by the Convention. These business and professional people, 16 in number, are dedicated members of Baptist churches. They serve, meeting by committees monthly, or on special call, without compensation. Those now serving on the Board of Directors are: John R. Crain, president, Charles Allen, Walter D. Grindstaff and Robert C. Howard, vice presidents, Joseph M. Best, W. K. Bonds, Robert S. Carmack, Carl S. Carnes, Otis Duran, Warren Easterwood, F. E. Farrier, C. A. Henderson, Herschel H. Hobbs, Richard T. Hopper, Albert F. Norman and J. Ray Smith.

Each year four members rotate off the Board and four additional persons are elected. Charles Allen, F. E. Farrier, Herschel H. Hobbs and J. Ray Smith rotate off the Board this year. These men have made invaluable contributions to the effectiveness of the work of the

Foundation. We hereby express our deep appreciation to them and for them.

Four men are being recommended by the Convention's Committee on Nominations to four-year terms on the Foundation's Board of Directors. We anticipate that these oncoming members will make a lasting contribution to Oklahoma Baptists through the Baptist Foundation.

SPECIAL APPRECIATION AND THANKS: Mrs. Ednamae White Bennett, who for almost 21 years has served as secretary to the executive secretary of the Baptist Foundation, is retiring. Mrs. Bennett has made a very large contribution to the cause of Christ through the Baptist Foundation in these years. Dr. Auguie Henry, Dr. Thomas E. Carter and C. Fred Williams express thanks and appreciation to her for her effective, consecrated and loyal service. We pray God's rich blessings upon her now and for many happy years to come.

DR. AUGUIE HENRY: Since his retirement on Dec. 31, 1967, Dr. Auguie Henry has worked, serving on a retirement basis, with the Foundation in the area of field work and estate planning. For more than 25 years Doctor Henry has been a part of The Baptist Foundation of Oklahoma. Oklahoma Baptists are indebted to him more than to any other for the establishment and development of the effective ministry known as "The Baptist Foundation of Oklahoma." This is the last year Doctor Henry will be actively associated with the Foundation. The Foundation staff, the Board of Directors and we believe all Oklahoma Baptists express our deep and abiding appreciation for the ministry of this good and honorable Christian statesman.

IN MEMORIAM: Mrs. Ruby Janes, widow of the late Rev. Horace Lee Janes, died July 29, 1974. Mr. Janes was for several years the assistant executive secretary of the Baptist Foundation. We express our sympathy to the family of Mrs. Janes.

ARTICLES OF INCORPORATION AND BYLAWS: The Articles of Incorporation and Bylaws of the Foundation are now being revised, to up date them and bring them in line with the Convention's Constitution and Bylaws. A report will be made to the Convention in 1975 for the adoption of the revised Articles of Incorporation and Bylaws.

During the past 12 months, 30 church loans have been closed for a total of \$1,362,800, with additional commitments having been made for approximately \$1,760,500. There are 166 loans now in effect.

The Church Building Loan Trust Fund has earned \$3,235,773.42 since the first loan was made in 1954. This income has, of course,

been distributed to beneficiary agencies and institutions. As of July 31, 1974, there was a total of \$4,879,612.06 in the Church Building Loan Trust Fund, which is 30.8% of the Foundation's Trust assets.

ADMINISTRATIVE AND INVESTMENT SERVICES

Haskell Harris, Director

The Director of Administrative and Investment Services works with the Foundation's Chief Accountant and the Investment and Special Investment Committees of the Foundation's Board of Directors, in making recommendations for the handling of the Foundation's trust funds. It should be pointed out that some of the income producing assets had a fixed interest rate when they came to the Foundation and we have, therefore, been restricted as to the amount of income produced, even though we were in a period of inflated economy. The Foundation has three primary investment programs which are: The Equity Pool (common stocks), Fixed Income Pool (bonds), and the Church Building Loan program. Other assets held by the Foundation are real estate and mineral interests.

The Foundation has received during the past year \$3,103,577.82 and disbursed \$1,548,543.34. Included in the disbursements is the income earned on endowment assets as well as temporary funds received by the Foundation, which was disbursed to the beneficiaries.

Scholarships and Student Loans

The Foundation has handled student loan and scholarship funds since 1947. The funds are largely for the benefit of students attending Oklahoma Baptist University. Nominal interest is payable quarterly while the students are in school. Repayment of the principal amount of the loan is required when a student graduates or leaves school. This past year 23 loans were made totaling \$14,750, 289 scholarships were awarded, totaling \$43,160, including the Willie Taylor Scholarship Trust established for Indian students.

The Louise Prichard Trust, by far the largest fund, is for ministerial and mission volunteer students attending Oklahoma Baptist University. Distribution of more than \$150,000 is made annually through this trust to O.B.U.

The D. N. Caulk Student Loan Fund for black students now has in effect loans totaling \$8,297.82.

PROPERTY AND CHURCH LOAN SERVICES

Marvin H. Hall, Director

Church Loans

The Church Building Loan program began in June, 1945, when the first loan was made to the First Baptist Church of Dewey, Oklahoma. Since that time, more than 11 Million Dollars has been loaned to Oklahoma Baptist churches. More than 3 Million Dollars has been earned from these investments and has been disbursed to the various causes. During the past year, 30 church loans were closed for a total amount of \$1,362,800. During the same period, commitments were made to 18 additional churches for a total of \$1,760,500. These loans will be closed when the buildings have been completed and inspected.

Since the beginning of the church loan program, 440 loans have been made, 166 of which are now in force. As of July 31, \$4,879,-612.06 was in loans to churches. This represents 30.8% of the Foundation's assets.

The Church Building Loan Trust Fund Committee of the Board of Directors meets monthly and makes determination as to the approval or rejection of applications for loans. The Committee is composed of: Otis Duran, chairman, Warren Easterwood, vice chairman, Charles Allen, Robert S. Carmack, Carl S. Carnes, C. A. Henderson, Robert C. Howard, Walter D. Grindstaff, John R. Crain and J. Ray Smith.

Property Management

The property management program of the Foundation involves residences, business and farm property. We now hold title to and manage 22 units of property, consisting of 7 residences, 2 shopping centers, with 25 retail outlets, and 13 farm units, consisting of 3244 acres of farm and grasslands. The total value of the real property held in trust by the Foundation is approximately \$3,600,000. This property is managed on a lease-rental basis, with the income being distributed to the beneficiary agencies and institutions.

A highlight of this year's activities is a Trust Agreement established with the Foreign Mission Board of the Southern Baptist Convention, conveying 1230 acres of land and 1360 acres of mineral interest to the Foundation, as trustee. This property had been held and managed by the Foreign Mission Board since 1924. E. L. Dean, Treasurer of the Foreign Mission Board, conferred with Marvin Hall and George Miller, lawyer, in working out arrangements for the transfer. This action is an expression of confidence in the Foundation on the part of the Foreign Mission Board, for which we are grateful.

The property management program of the Foundation is under the direction of two Committees—the **Farm and Minerals Committee**, composed of Walter D. Grindstaff, chairman, Charles Allen, John R. Crain, C. A. Henderson, Mike Marrs, Grayson Ray, Carl S. Carnes and Robert S. Carmack; and the **Special Real Estate Committee**, composed of C. A. Henderson, chairman, Charles Allen, James Battle, James Gregory and J. Ray Smith.

FIELD AND ESTATE PLANNING SERVICES

W. G. Kersh, Director

The Foundation is committed to the idea that Christian Stewardship is the obligation of every Baptist, both in this life and in life after death. If it can be made to continue until Jesus comes again, so much the better. It is a wise expression of total Christian stewardship to insure the fiscal life of our institutions and agencies by leaving a portion of our estates with the Baptist Foundation as endowment. The following divisions of this report reflect Foundation staff activity in that direction.

Estate Planning

In the past year the staff of the Foundation, in consultation with lawyers, has given assistance to 483 individuals in the preparation of

their wills. During that same period, 433 wills have been signed, 6 gift annuity contracts established and 11 trusts prepared in which Baptist causes have been remembered.

Church Placards

A common sight in many Oklahoma Baptist churches is the Foundation placard showing the number of church members who have used the services of the Foundation in estate planning. In the past year, 23 additional churches received placards, bringing the total number of churches with placards to 736.

Calendar Events

Twice annually an attempt is made to direct the attention of all Oklahoma Baptists to the ministry of the Foundation. January is "Make Your Will Month." In recognition of this event 125,000 bulletin inserts, "Do You Have a Will?" were mailed to the churches. "Baptist Foundation Month" in September was observed through the use of the insert, "I Didn't Know."

Operation Information

This activity continues to be one of the Foundation's chief tools of education. This program conveys the idea of Baptist people extending their resources into the future and building for those who come after them—people building for people. Last year we conducted the operation in South Canadian, Sans Bois, Bryan and Chickasaw Associations.

Estate Planning Seminars

We now have three areas of Estate Planning, for which we have developed educational seminars:

1. ESTATE PLANNING SEMINARS FOR WOMEN—Here we undertake to answer questions that many women have to deal with when estate problems arise. These seminars usually conclude the "Operation Information" for an association, but can be used at other times. Last year we conducted Women's Seminars at First Church, Wewoka; Main Street Church, Stigler; First Church, Durant; and First Church, Chickasha.

2. ESTATE PLANNING SEMINARS FOR PASTORS—this is a new dimension in the ministry of the Foundation. As a part of the "Operation Information" this seminar will be conducted in a central location. Here we deal with estate problems, both general and particular to the ministry.

3. CHURCH-WIDE SEMINARS IN ESTATE PLANNING—This has become one of our most popular activities and carries one of the greatest potentials for good. Churches invite our staff to conduct the seminar for all adult members of the church. The Seminar may be on Sunday evening or some evening during the week.

Associational Foundation Representatives

The associations elect Baptist Foundation Representatives annually. These representatives provide special assistance to the Foundation staff, as well as to churches and individuals concerning the services of the Foundation.

On May 17 and 18 we conducted sessions for Associational Foundation Representatives in cooperation with the State Planning Meeting for Associational Officers. This meeting emphasized the areas of Foundation responsibility and the ways in which the associational representatives can help the individuals and churches benefit from the Foundation's services.

Baptist Messenger

Editor Jack Gritz and his personnel have been most helpful to the Foundation. Each week they have allotted space for an article written by our executive secretary. In addition, space has been provided for the "Make Your Will Month" promotion and for "Baptist Foundation Month" promotion. We feel that the support given us by the Messenger is of inestimable value to Oklahoma Baptists.

Tulsa Office

The Foundation maintains an office in the Tulsa Baptist Center. The office is manned by a member of the Foundation staff the first week of each month. This is of significant help in serving the metropolitan area of Tulsa, as well as northeastern Oklahoma.

The motion carried to approve the report.

56. Lowell Milburn, director, Department of Child Care, presented the report of the department.

(1) Tom Lynn, former resident of Boys Ranch Town, now a policeman at Norman, gave a testimony concerning his experience and training at the ranch. He is now serving as president of the alumni.

(2) Mr. and Mrs. Walter Thompson who have served as foster parents were introduced to the convention.

(3) Mr. and Mrs. Mike Nomura were presented as new employees of the home at Owasso and the Tulsa area.

(4) Charles Wade spoke concerning the Mother's Day offering.

Child Care

Lowell D. Milburn, Director

Having to turn away children who need a home has caused deep concern in the hearts of Child Care leaders the past few years. Baptists have always said that the need is the call. Since there is a growing number of children who need care, many Baptists across Oklahoma have felt that the ministry of Child Care should be expanded. Facing the greater need, the Child Care Committee and staff along with Joe L. Ingram have set up a program of progress.

The new Children's Home at Owasso is one step in our program of advance. The large and valuable gift of land there provides the greatest opportunity to expand our ministry that Oklahoma Baptists have had in many years. The campus is being developed on the corner of 76 Street North and 129 East Avenue. Other cottages will be erected on the new campus as funds are available.

Cooperative Program support is another evidence of progress. The department will receive \$200,000 from this means in 1974 and

this is 27 percent of our budget for the year. Ingram has challenged Oklahoma Baptists to provide at least one-third of the total support for Child Care through regular missionary giving.

Foster Home expansion is another phase of our ministry which waits upon the gifts of Baptist people. Last year there were 44 children served by foster care. Because of the necessity of supervision of Foster Homes by the social work staff, these homes must be within a one-hour drive of Oklahoma City or Tulsa, where our homes are located.

Sponsorship program growth is another mark of progress in Child Care. A child can now have an educational sponsor as well as a clothing sponsor. This program enables churches, brotherhoods, Sunday school classes, missionary societies, and even individuals to get personally involved in helping a child. A picture is sent to the sponsor as well as other information about the boy or girl. Often, ties of friendship between sponsor and child are formed which last for years.

Mother's Day Offering provides another excellent chance for progress in Child Care. The Department of Child Care has been on the verge of financial desperation many times during the past few years. Inflation, rising costs, minimum wage, and special needs of the children have caused costs to escalate tremendously. Setting a special week and having one great offering by the Baptist churches of Oklahoma help us to meet these needs. How grateful we are for the support Baptists are giving us through this one special offering.

The total number of children cared for during the past year was 367, unwed mothers, 40, and adoptions completed, 12. While we do not measure progress by numbers alone, we thank God that Oklahoma Baptists are able to help more of the homeless children of our state.

The motion carried to approve the report.

57. Eugene Stockwell presented the report of the Convention Building Committee.

Convention Building Committee

Eugene Stockwell, Chairman

The Convention's Building Committee represents the Convention by reviewing building projects and working with the various institutions and agencies and reporting to the Convention in annual session. The full committee meets at least once each year to hear reports from institutions and agency leaders who have building projects on the drawing board or who are in a building program. The committee is divided into sub-committees to make on-site visits to the various building projects.

The following sub-committees have functioned this year:

FALLS CREEK—Elmer Carr, Eugene Stockwell, Elmer Holsey, Joe Wiggins and Finis Steelman

CAMP HUDGENS—Wayne Brown, Lin Jones and Travis Wiginton

BAPTIST MEDICAL CENTER—J. V. Lobaugh, C. F. "Buddy" Keim, John Thomas and George Hair

BAPTIST BUILDING—Travis Wiginton, Eugene Stockwell, John Thomas, C. F. "Buddy" Keim and Clyde Cain

MIAMI BAPTIST HOSPITAL—Darrell Kisse, William A. Bass Jr. and George Hair.

Baptist Medical Center

The major expansion of Baptist Medical Center which began in January, 1972 is nearing completion. In addition to the \$18,500,000 construction costs, \$3,000,000 has been spent for equipment and \$1,053,500 for planning services. Also, \$2,225,000 was used to retire the existing loans with Connecticut Mutual Life Insurance Company. The sum total of these figures represents \$24,632,500 expended on behalf of this project to date. The balance of the money required for the project represents capitalized interest for the 3½ years of construction.

A second project providing structured parking was completed November, 1973. An additional, \$600,000 was required to finance the construction of a facility providing an additional 750 parking spaces.

Both of these projects were financed by the sale of tax exempt bonds. Completion of these additions increases the value of all capital improvements to approximately \$35,000,000.

As of Oct. 1, there are 535 acute care beds in use. An additional 50 beds will be placed into service sometime in late 1975.

Miami Baptist Hospital

December 11, 1973 the Board of Directors authorized an expansion program for Miami Baptist Hospital. The total cost for the project will be approximately \$3,750,000 and will be financed through the issuance and sale of tax exempt bonds. The building project consists of utilization of present facilities to the greatest extent possible and remodeling where necessary and constructing a surgical suite, central sterile supply, emergency room suite, x-ray department, laboratory, intensive care unit, a new entrance and public waiting room. It will also provide for the completion of 24 new patient beds that were shelved in on the last building project in 1972, and up-date, centralize and provide for safe and efficient mechanical system for the entire complex.

Preliminary work began Aug. 12, 1974 on the fourth floor of the hospital to place the Physical Therapy Department in that area so that the Emergency Department could be temporarily relocated on the East side of the present building. It is anticipated that the major building program will begin in the latter part of 1974.

Bass Memorial Baptist Hospital, Enid

During 1974 the 2 "G" Nursing Area (16 bed acute general nursing floor) located in the old hospital building was completely remodeled. Work is now being completed in remodeling the last major

area in the old building which was built in 1927. When the remodeling is completed, there will be an ICU-CCU waiting room, Occupational Therapy, beauty shop, public restrooms, prayer room, Respiratory Therapy and Electroencephalography.

Projects on the drawing board include exterior resurfacing of the old building to make it harmonize with the new building. Cost of this project will be about \$120,000. Also contemplated is the construction of a chapel named for T. P. Haskins.

Camp Hudgens

Projects at Camp Hudgens that were completed in 1974 include a garage and workshop and housing for boats. The total spent on construction was \$6,416.96. The long range building plans approved by the Convention will be completed as funds are available.

Children's Home at Owasso

The first cottage erected on the campus at Owasso was begun in September 1973 and completed in the Spring of 1974. The cottage consists of seven bedrooms, four baths, living room, dining area, family room and kitchen. The building has 4,200 square feet of floor space and will house eight children in addition to the houseparents. Funds for the building were provided by Mr. and Mrs. J. Ray Smith of Tulsa and White City Church, Tulsa.

In addition to the construction of the cottage, the campus has been engineered, graded and developed, and electric, water and sewage lines have also been completed.

Remodeling and Expansion of Baptist Building

The renovation program of the Baptist Building which was begun in April, 1973 has been completed. The 1973 Building Committee reported to the Convention the details of the remodeling plans.

The motion carried to approve the report.

"Whereas the present day charismatic movement, with its emphasis on speaking in "unknown tongues," has created many difficulties for some Southern Baptist churches and has been the occasion of considerable divisiveness;

"And whereas the charismatic movement is in opposition to our historic Baptist faith and practice;

"And whereas the charismatic movement is at variance with the teaching of the Scripture concerning the doctrine of the Holy Spirit and divisive in character;

"Be it resolved that the messengers to this convention reiterate our scriptural, age-old position and lovingly urge our churches to be

on guard against those misguided groups and individuals who would destroy our doctrinal integrity and the fellowship of the churches."

The motion carried to refer to the Resolutions Committee.

Oklahoma Baptist University

William G. Tanner, President

Reaching for "New Horizons" proved a worthwhile endeavor at Oklahoma Baptist University during the 1973-74 school year. "New Horizons" included the launching of a \$1.6 million Learning Center campaign; the launching of new educational objectives; and the launching of an OBU graduate into an historic space mission.

Perhaps the highlight of the year for the OBU community was the 84-day Skylab III space mission of Colonel William R. Pogue, Class of '51. Colonel Pogue brought great pride and honor to his country, his state and his alma mater.

The Commitment to Purpose and Progress Campaign, with a three-year goal of \$5 million for capital needs, operating funds and endowment, entered its second year. A key part of the Commitment program, the proposed Learning Center, was well on its way to reality with over \$1,250,000 pledged by August 15, 1974.

The Learning Center will include an addition to and renovation of the existing OBU library, creating a modern learning resources center with shelf space for 260,000 volumes and a seating capacity of 520 students. Modern media facilities will also be included in the center.

Goals of the \$5 million Commitment to Purpose and Progress Campaign include \$2.2 million for capital improvements; \$1.3 million for annual giving; and \$1.5 million for endowment. Of the \$1,250,000 raised in the first year of the Learning Center campaign, OBU trustees (\$150,285), OBU faculty and staff (\$77,093), and the Shawnee community (\$355,000), provided key leadership pledges. The largest gift came from the Mabee Foundation of Tulsa, a \$500,000 challenge-matching grant, which OBU must match with additional pledges by April 1, 1975, to receive.

The annual giving program, or OBU Fund, was boosted by a total of \$408,000 pledged during 1973-74.

An endowment program to seek deferred gifts was the third part of the Commitment campaign. Special programs sponsored by the Office of Development included Senior Adult Conferences in 1973 and 1974 and two Estate Planning Seminars.

Cooperative Program support from the Baptist General Convention of Oklahoma for 1974-75 will be \$891,250.

Educational experience was enriched at OBU by important steps toward developing a greater sense of "community" involving all members of the university. Maine Sen. Edmund Muskie delivered the annual Kerr Lecture in April. In addition, the Woodrow Wilson Senior Fellow program brought week-long visits by former Maine Sen. Margaret Chase Smith and **Washington Star-News** columnist Milton Viorst. OBU was one of only 60 colleges and universities nationwide to be selected for the Woodrow Wilson program.

Enrolment at OBU was 1,684 for the fall semester, 1973, below the record 1,701 in 1972, but the largest on-campus enrolment in the school's history. OBU students came from 62 of Oklahoma's 77 counties, 41 states, and 16 foreign countries.

The 1973-74 freshman class had a mean American College Test composite score of 20.4 and a mean high school average of 3.02, both above the national average. Student retention continued to improve dramatically. The size of the 1973-74 senior class, for example, was only 1.5 per cent less than the 1972-73 junior class.

An \$85,000 grant created the student special services program, ASSIST, to provide expanded services for students needing academic help. In addition, OBU's tutoring program was enlarged to provide tutors for 23 courses, reaching over 500 students.

OBU students received over \$1.3 million in financial aid in 1973-74. This included \$651,000 in scholarships; \$140,000 in federally-funded grants; \$353,380 in federally-funded loans; and \$183,620 in campus employment.

The faculty adopted and university trustees approved a new faculty constitution during the school year. The faculty consisted of 85 full-time and 40 part-time instructors. Some 35 percent of the faculty had the doctorate degree.

Returning from a 20-month leave of absence were Douglas and Ruth Clark. Clark, assistant professor of sociology, participated in an exchange teaching program with Robert McKeich, professor of sociology and anthropology at the Western Australia Institute of Technology in Perth. Mrs. Clark, assistant professor of English, taught at the Mount Lawley Teachers College.

OBU's board of trustees approved a budget of almost \$4.4 million for 1974-75, an increase of \$205,000 over 1973-74. Room and board charges were increased for OBU students for 1974-75, but tuition was not increased and remained the lowest of any private college in Oklahoma.

Focus Week brought to the campus Lavonn Brown, pastor of Norman's First Church and president of the BGCO, and Marge Caldwell, Houston, Texas, marriage counselor. The Focus Week theme was "I Am Responsible."

Founders' Day 1974 brought OBU graduate Lloyd Minter to OBU. Minter is senior vice-president and general counsel of Phillips Petroleum Company.

Tanner was guest of the Southern Baptist Foreign Mission Board during December and January for a speaking tour to missionaries in four South American countries. In June, Tanner was elected chairman of the Education Commission of the Southern Baptist Convention.

OBU also achieved new horizons in sports, as the Bison joined the Texoma Athletic Conference, composed of several non-football-playing schools from Texas and Oklahoma. OBU will have an independent basketball schedule in 1974-75 before participating in the conference in 1975-76. Other sports will be included in conference competition beginning in the fall, 1974, however.

Climax of the 1973-74 school year was the graduation of 268 students, one of the largest graduating classes, who will now be searching for New Horizons on their own. Tanner was chosen by the seniors to deliver the key address and Wardell Jeffries, Class of '73 was asked back by the seniors to deliver a short address.

Christian Life Committee

N. N. Antonson, Chairman

A victory has been won! Concerned people of all walks of life united to stand against the moral evil of gambling. We commend all who stood. However, a victory won does not mean that we no longer face moral issues. As Christians, we proclaim that the answer to every ethical, moral and spiritual problem is to be found in Jesus Christ. The Christian life begins in a saving experience of faith in Jesus Christ. The Christian life develops as the believer brings every area of life under the Lordship of Jesus Christ. The gospel of Christ does speak to every area of life. In light of this great truth, we call Oklahoma Baptists to:

Reaffirmation of a Biblical Principle

The validity and truthfulness of the foundational principles of personal and public life are both being challenged and confirmed in the current events of our nation. Here is a great cry for integrity in the context of new changes of compromise, dishonesty and injustice. Personal morality daily faces the temptation to bend its principles before the winds of this world's ethic. Young and old alike know constant pressures to conform. Baptists have historically stated that the Bible contains the only perfect guide for personal and public life. The Ten Commandments and the Sermon on the Mount contain specific instructions that are ageless. Both the Old and New Testaments present principles that are applicable in every age. Jesus summarized these truths concerning our relationship to both God and man when he said: "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself" (Matt. 22:37-39). We, therefore, urge Baptists to a personal affirmation and a positive proclamation of these truths as the only secure foundation for life.

Prayer for National and Public Officials

Prayer is one of the Christian's greatest resources. It is incumbent upon us to be faithful in the privilege of prayer for those who govern.

In the spirit of II Chronicles 7:14, we call upon Oklahoma Baptists to pray for our Nation, and for those in places of authority in national, state, county and city government.

New Awareness of the Power of Christian Fellowship

Loneliness is a devastating experience. Every man faces occasionally this stark feeling. As Christians we are compelled to strive to alleviate loneliness in all people. We are particularly responsible to confront this problem among those who are our brothers and sisters in Christ (Gal. 6:1-6, John 13:34-35). We desperately need real Christian fellowship.

We should realize that we cannot be effective ministers to the world until we have first ministered to ourselves. A lonely and defeated Christian is less effective in ministering to a lonely and defeated world. We need to recognize those among us who need our continuing interest and concern. Our tendency may be to ignore or to exclude the minister who has problems in his church or home. This is not a time to turn our backs, but to open our arms. We commend our Ministerial Services Office for helping to meet this need. If we do not bind up each other's wounds, we can fully expect the world to turn away from us, when we seek to care for its' hurts.

Ministering to the Crisis in the Home

There has perhaps never been a day in our society in which the institution of the home has been in greater danger of collapse. The breaking up of the family unit has reached epidemic proportions. Divorce, misplacement of parent or child, and the so-called new life style threaten the existence of what we have long recognized as the cornerstone of a well-ordered society. Christians are already severely behind in meeting this crisis. Consequently, we urge Christian ministers to equip themselves to cope with the multitudinous counseling problems of the family. We should also begin looking at preventive methods instead of just trying to cure that which often is in the terminal stage. Churches need to recognize this great problem in determining their priorities in ministry. It may well be that a family enrichment conference is sometimes a greater need in our calendars than any other. As individual Christians and as churches, we are facing a need that demands our determined efforts and consistent concern.

Race Relations

New Testament churches preached the Christian gospel to people from many nationalities. The early church in Jerusalem was made up of Jews of both Greek and Palestinian culture. The call of the gospel is the call to love, acceptance and responsibility to people of all races.

Paul spoke about "the middle wall of partition" being broken down through a common experience in Jesus Christ. It is encouraging to see Christians and churches pressing for justice, reconciliation and unity in Christ across racial lines.

The Christian way in race relations is not apathy but involvement, not despair but hope, not frustration but persistent commitment to do what we can.

Respect for Authority

Christians are responsible for support of public officials and law and order. Lawlessness and anarchy are foreign to God's nature. The Bible teaches the importance of government and the Christian's responsibility to obey laws which are not in conflict with God's laws.

Respect for the law is enhanced by respectable laws. Therefore, Christians can be active as citizens working for laws which are just in content and enforcement.

Christian citizenship begins with individual commitment to Christ and acceptance of the challenge of exemplary and unqualified honesty. Parents can instill principles of citizenship, respect for authority and honesty by example and dialogue. Ministers can assist by timely and relevant preaching. Our denomination can participate in promotion and programs instructing and guiding in citizenship, both heavenly and here and now.

Justice and Rehabilitation

Justice in our courts is a necessity for stability in our society. It must reach beyond the courts to our penal institutions and other programs of rehabilitation. "The Law of Love," a New Testament priority is the overriding principle in bringing about restoration and rehabilitation.

Vigilance in Moral Issues

Oklahoma Baptists and other Christians joined in bringing about a strategic victory against pari-mutuel gambling. We commend the Anti-Crime Council for its efforts in this endeavor and encourage it to continue the organization.

The SANE organization has been our bulwark against the undermining influence of the alcohol industry. We commend SANE and encourage it to give priority to an enlarged educational program through schools, churches and available public forums.

Members of the Christian Life Committee are Chairman Newman Antonson, Robert Bayles, Darryl Moore, Gary Cook, George McDow, Victor Morlan, Edgar Hatfield, Mrs. Harold Johnson and Floyd Martin.

Evangelism

Tal D. Bonham, Director

"Evangelism is not a patch on the garment but it is the thread which is woven through the whole fabric of all that we do as Oklahoma Baptists." I first heard Joe Ingram make this statement on the occasion of our first meeting to consider becoming Oklahoma Baptists' director of evangelism. During my first year in this work, I have learned that Dr. Ingram and Oklahoma Baptists really mean it!

New Staff Position Established

Joe Ford resigned Aug. 1, 1974, after two years as a very effective part-time youth associate to become the Home Mission Board's first director of evangelism for Young Adults. On Sept. 10, 1974, the Board of Directors of the Baptist General Convention of Oklahoma voted to establish the position of a full-time associate in the Evangelism Department by Jan. 1, 1975.

The new associate will work primarily in the field of lay evangelism training. He will build on the good foundation already laid in this field by coordinating an all-out effort to train laymen and youth in TELL Schools, WOW conferences, Youth Witness Seminars, and other effective training projects.

Youth Evangelism Conferences Reach 7,000

YEC '73 saw over 7,000 teen-agers gathered at two back-to-back Youth Evangelism Conferences in Tulsa and Oklahoma City. The 1974 Oklahoma City Youth Evangelism Conference will be held on Thursday afternoon and evening (Dec. 26) and Friday morning (Dec. 27), at First Southern in Del City. An identical conference will be held in Tulsa at the Civic Center Auditorium on Friday afternoon and evening (Dec. 27) and Saturday morning (Dec. 28).

YEC '74 will feature Bible study, testimonies, great music, and an evangelistic service. Speakers will include Richard Hogue, Steve

Davis and Jim Elliff. Ken Medema will be the featured musician. Christian young people are encouraged to bring their unsaved friends to YEC '74. Last year, 36 were saved at the two conferences.

Witness Commitment Day Draws Interest

New materials produced in 1974 received an unbelievable response across the state. Materials have already been mailed to pastors for Witness Commitment Day on Jan. 12, 1975.

Over 5,000 Attend State Evangelism Conference

Over 5,000 attended the State Evangelism Conference in 1974. The 1975 conference will begin on Monday afternoon, Jan. 20 and conclude on Tuesday evening, Jan. 21. The highlight of the conference will be Oklahoma's first "One Night Revival" at the Oklahoma City Myriad, Tuesday night, Jan. 21. Bob Harrington, the chaplain of Bourbon Street, will be the speaker for this climactic service and Wanda Jackson, Oklahoma City musician, will give her testimony and sing. Robert Hale and Dean Wilder will be the featured musicians throughout the conference which will also hear the Bison Glee Club and the Singing Churchmen.

Other out-of-state speakers include James C. Draper Jr., associate pastor, First Church, Dallas, Texas; C. B. Hogue, director of evangelism, Home Mission Board; R. G. Lee, pastor emeritus, Bellevue Church, Memphis, Tenn.; Homer Lindsay Jr., pastor, First Church, Jacksonville, Fla.; Evangelist James Robison, Fort Worth, Texas; J. Harold Smith, pastor, Windsor Park Church, Fort Smith, Ark. and Jaroy Weber, pastor, First Church, Lubbock, Texas, and president of the Southern Baptist Convention.

Evangelistic Campaigns Reaching Many

Reports from all over the state indicate that many churches are having some of their greatest evangelistic services. Genuine revival seems to be breaking out all over our state. Churches are being encouraged to have at least three revivals a year including an eight day revival, a four-day revival, and a week-end revival.

One of the reasons for great evangelistic crusades in some of our churches is the emphasis now being placed on Lay Renewal in our state. Along with the Brotherhood Department of the Baptist General Convention of Oklahoma, the Evangelism Department is cooperating in training leadership for this vital ministry. It is suggested that a TELL School be planned approximately two months after a Lay Renewal Week-end and that an evangelistic campaign (revival) be held approximately one month after the TELL School.

Evangelists and Minister of Evangelism Encouraged

The Department of Evangelism is making an effort to stay in touch with the full-time evangelists living in Oklahoma. A directory of these men is available from the Evangelism office. A meeting of full-time evangelists is being sponsored each year by the Evangelism Department during the State Evangelism Conference.

Some of our churches are finding that the staff position of minister of evangelism is helping them to reach more people than ever

before. Job descriptions on this position are available from the Evangelism office.

Falls Creek Counselling More In '74

Counselling at Falls Creek continues to be an exciting work of the Evangelism Department.

The record year in attendance in 1974 saw 578 professions of faith along with 538 special service decisions and 3,154 rededications.

Spirit of '76 "Victory In Jesus" Crusades Planned

Hopefully, every association in our state will have from one to five areawide and citywide evangelistic crusades in 1976. The date pegs for the Spirit of '76 "Victory in Jesus" Crusades are:

- January-February, 1975—Associations decide how many crusades to have along with the date, place, chairman and a director-evangelist for each crusade.
- March 7, 1975—Training of chairmen, directors-evangelists, associational chairmen of evangelism, and directors of associational missions at the Baptist Building from 10 a.m. to 2 p.m. This will be sponsored by the Evangelism Department, Baptist General Convention of Oklahoma, providing mileage at two cents per mile per person.
- March, 1975 through November, 1975—Statewide emphasis on lay witness training coordinated through the Associations by the Evangelism Department of the Baptist General Convention of Oklahoma.
- December, 1975 through May, 1976—Six-month extensive preparation period for "VICTORY IN JESUS" CRUSADES.
- March, 1976—PROCLAMATION '76 SIMULTANEOUS REVIVALS in local churches.
- June through September, 1976—"VICTORY IN JESUS" CRUSADES held throughout the state.

The Future—Bright and Challenging!

The outlook for evangelism in Oklahoma is bright and challenging. The challenge is simply: REACH OKLAHOMA FOR CHRIST IN THIS GENERATION! The brightness of our task is that Oklahoma shall be reached in the power of the Holy Spirit as we allow ourselves to "be filled with the Spirit" (Eph. 5:18).

The motion carried to approve the report.

92. Hale A. Dixon made the following motion which carried:

"That the Board of Directors of the Baptist General Convention be authorized to transact any unfinished or new business necessary to the work of the convention, and that the president and recording secretary of the convention be authorized to sign any legal papers of the convention which require signatures."

93. Joe L. Ingram presented to Lavonn Brown a certificate of appreciation for his services as president of the convention the past year.

94. The new convention officers for 1974-75 were presented by Lavonn Brown and the new president, Warren C. Hultgren was presented the gavel.

95. Warren C. Hultgren closed the convention with prayer.

The convention was adjourned to meet in Oklahoma City, Nov. 10-12, 1975.

Total registration was 1,177.

Record of Oklahoma Baptist Churches for 1974

On the following pages appears the 1974 record of co-operating Baptist churches in Oklahoma. Reports are arranged by associations. Statistics concerning church membership, baptisms and enrolments in organizations are given as reported in the 1974 associational letters and were furnished by associational clerks. Figures in "Oklahoma Baptist Summary" were furnished by the Research Services Department of the Southern Baptist Sunday School Board.

Record of contributions of the churches to missions through the Cooperative Program and special offerings is for the calendar year and was taken from the books of the Baptist General Convention of Oklahoma.

Board of Directors
Baptist General Convention of
The State of Oklahoma
Oklahoma City, Oklahoma

We have examined the fund balance sheets of The Executive Office of Baptist General Convention of the State of Oklahoma, including only the funds herein named, as of December 31, 1974 and the related summary of receipts and disbursements and statement of fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The title "Executive Office of Baptist General Convention of the State of Oklahoma" represents only one segment of the operations of Baptist General Convention of the State of Oklahoma, and does not include other operations of the Convention as explained in Note 1 to the financial statements.

Funds transferred to The Baptist Foundation of Oklahoma for investment are recorded as disbursements when transferred. In addition, The Baptist Foundation of Oklahoma has received, and is holding, endowments for departments and agencies of The Executive Office of Baptist General Convention of the State of Oklahoma. Such investments which total approximately \$5,650,000 at December 31, 1974, as set out in Note 1 to the financial statements are not recorded as assets in the accompanying financial statements.

Property and equipment purchased as a replacement for like items are expensed when purchased. Depreciation expense is not recorded, except for assets of the Baptist Retirement Center. The effect of this practice as compared to generally accepted accounting principles, which would require capitalization and depreciation of property and equipment, is not determinable.

In our opinion, except for the omission of investments held by others, adjustments that might be required, if any, to restate property and equipment for replacement items which have been expensed, and the effect of depreciation expense which has not been recorded, all as discussed in the two preceding paragraphs, the financial statements referred to above present fairly the financial position of The Executive Office of Baptist General Convention of the State of Oklahoma at December 31, 1974, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 1974

1. Summary of Significant Accounting Policies

Basis of Accounting—The financial statements are prepared on a modified accrual basis of accounting and, except for the Baptist Retirement Center Fund, do not include trade accounts payable or liabilities for payroll tax expenses. The differences between such basis and the accrual basis are relatively immaterial.

Inventories—Inventories of office and printing supplies and items held for resale at Camp Nunny-Cha-ha are stated at lower of cost or market. Inventories for the Baptist Retirement Center are stated at cost.

Inventories of livestock, poultry and feed at the boys' ranch and farm are stated at a nominal value. These items have either been grown or have been contributed and, therefore, have no cost value.

Property and Equipment—It has been customary to expense items, even though of a capital nature, which are purchased as a replacement for like items which have been capitalized in the past. Otherwise, all items of a capital nature are capitalized.

It has not been the policy of the Convention to record depreciation. Therefore, items capitalized are generally carried at either cost or contributed value with no provision for depreciation, except for the Baptist Retirement Center, whose fixed assets are depreciated on a straight-line method as follows:

Land improvements	5%
Buildings	2 and 4%
Fixed equipment	5%
Minor equipment	33½%
Operating equipment	10%

Revenue Recognition—Revenue of the Baptist General Convention consists primarily of voluntary contributions from Baptist churches throughout the State of Oklahoma. It is recognized as income as received. The donor may designate its use by the Baptist General Convention.

The Baptist Retirement Center recognizes revenue when earned.

Investments and Endowments—The Baptist Foundation of Oklahoma was created as an agency of the Baptist General Convention as a recipient for funds that could be invested. Funds held by the Foundation for departments and agencies included in this report and derived from funds included in current and prior year budgets of The Executive Office of Baptist General Convention of the State of Oklahoma, together with designated contributions and proceeds of land sales are as follows:

Department of Child Care	\$4,635,076
Baptist Student Union Centers	73,600
Hospitals and Golden Age Homes	570,341
Missions	272,324
Camps and assembly areas	94,182
	<u>\$5,645,523</u>

Composition of Reporting Entity—The balance sheet and various accompanying supporting exhibits and schedules apply only to operations of the department of Baptist General Convention of the State of Oklahoma designated as "The Executive Office of Baptist General Convention of the State of Oklahoma."

Assets, liabilities, fund reserves and disbursements of the following affiliated or associated organizations, operated as separate organizations, are not included:

- Hugo Golden Age Home
- The eight hospitals operated by the Convention either as owner or lessee
- The Baptist Foundation of Oklahoma
- Oklahoma Baptist University
- Faculty Building Association
- Baptist Laymen's Corporation
- Baptist Building Federal Credit Union

2. Prepaid Parking Lot Expense

On March 16, 1956, Baptist General Convention of the State of Oklahoma leased a parking lot for a period of 25 years. Consideration for the lease amounted to \$44,000, paid in advance. The lease is being amortized by annual charges to operations of \$1,760. The approximate amount of the unamortized balance is refundable to the Convention in the event of early termination. At December 31, 1974, the unamortized balance amounted to \$24,053.

3. Notes Payable

Notes payable to The Baptist Foundation of Oklahoma is represented by a promissory note dated May 14, 1965, in the original amount of \$153,000, due in monthly installments of \$1,000 each applied first to interest from date at 5½% and then to principal. The balance at December 31, 1974 is \$107,897.

4. Hospital Expansion Programs

The Baptist General Convention determined that it would be desirable to expand Baptist Memorial Medical Center of Oklahoma by adding 219 new beds and certain other facilities.

In order to accomplish this, the convention entered into an agreement of lease dated as of January 1, 1972 with Oklahoma Industries Authority, a public agency established as a trust for public purposes wherein:

- a. The Convention agreed to convey to the Authority the existing facilities.
- b. The Authority agreed to issue its bonds to pay the cost of acquiring the existing facilities and constructing the project.
- c. The Authority has agreed to lease and rent to the Convention the existing facilities and the project improvements.

For the purpose of providing funds to pay the cost of acquiring the existing facilities and constructing the project, the Authority has issued bonds of the Authority in the aggregate principal amount of \$29,100,000 designated "Oklahoma Industries Authority First Mortgage Hospital Gross Revenue Bonds, Series 1972 (Baptist Memorial Hospital Series)" dated January 1, 1972.

When the term of this lease expires (January 1, 2002) and the trustee certifies to the Authority that all of the bonds, including principal, interest and redemption premium, if any, and all other obligations incurred by the Authority in connection with the hospital have been paid, the Authority will transfer to the Convention all of the trustee's and Authority's right, title and interest in the hospital.

In order to obtain funds for expansion of the facilities of Bass Memorial Hospital, Enid, Oklahoma, the Baptist General Convention transferred certain real estate and personal property to Bass Memorial Baptist Hospital Authority, a public agency established as a trust for public purposes. In turn, the Authority issued its bonds to provide funds for the expansion. The Baptist General Convention executed a lease dated March 1, 1969 with the Authority wherein the Convention leases the property transferred to the Authority. When the term of the lease expires, and the trustee certifies to the Authority that all of the bonds, including principal, interest and redemption premium, if any, and all other obligations incurred by the Authority in connection with the hospital have been paid, the Authority will transfer to the Convention all of the trustee's and Authority's right, title and interest in the hospital.

The bond states "the full faith and credit of Bass Memorial Baptist Hospital Authority and the Baptist General Convention of the State of Oklahoma, a corporation, are hereby irrevocably pledged to the punctual payment of the principal of and interest on this bond."

5. Bass Memorial Baptist Hospital Expansion

The Convention board of directors, in session December 5, 1968, agreed to contribute \$575,000 over a period of years toward expansion of Bass Memorial Baptist Hospital. During the current and prior years, funds have been applied by the Convention for this expansion as follows:

	Total	Cooperative Program	Other
1966	55,000	16,200	38,800
1967	28,466	20,500	7,966
1968	51,644	20,500	31,144
1969	29,473	29,473	
1970	66,028	60,000	6,028
1971	90,352	75,000	15,352
1972	75,000	75,000

1974	40,000	40,000	
	<u>510,963</u>	<u>411,673</u>	<u>99,290</u>

6. Improvements to Leased Real Estate

On November 30, 2018, the Baptist General Convention of the State of Oklahoma will receive title to certain major leasehold improvements which have been or will be constructed on land owned by the Convention. These improvements are known as Warwick West Apartments. The board of directors' minutes show that the income from the apartments is to be given to the Baptist Memorial Hospital.

7. Note Payable to Voyager Inn, Inc.

The Mayfair House, Oklahoma City, Oklahoma located on land owned by the Baptist General Convention of the State of Oklahoma was purchased November 29, 1971 for \$338,524. A note drawing 4½% interest was a part of the settlement. The balance of the note at December 31, 1974 was \$210,623. Payments of \$2,600 are due the first day of each month. The board of director's minutes show that this property is to be operated for the benefit of the Oklahoma City Golden Age Homes.

8. Baptist Retirement Center

On June 10, 1964, land on which the Oklahoma City Baptist Retirement Center is located was conveyed to Baptist Laymen's Corporation to be held in trust for the use and benefits of Baptist General Convention of the State of Oklahoma.

By resolution dated May 18, 1971 of the board of directors of the Baptist General Convention of the State of Oklahoma: (1) Baptist Laymen's Corporation was authorized to borrow funds to pay for additional improvements to the Oklahoma City Baptist Retirement Center, and (2) the credit of the Convention was pledged to the full and punctual payment of the above indebtedness. The resolution limited the pledge of credit to \$1,250,000.

To provide funds to pay for these improvements, Baptist Laymen's Corporation caused Oklahoma Industries Authority to issue "Oklahoma Industries Authority, Baptist Laymen's Corporation First Mortgage Revenue Bonds, 1971—Lackey Manor"; Series A, \$650,000 and Series B, \$200,000. The pledge of credit mentioned above is limited to these bonds.

The following is a summary of outstanding bonds at December 31, 1974.

	Maturity	Interest Rate	Amount
Series "A"	Serially beginning July 1, 1975 to 1991	6 %	305,000
		7½ %	295,000
Series "B"	Serially beginning January 1, 1976 to 1983	6 %	600,000
			169,000
			769,000

On July 1, 1974, the corporation transferred back to the Baptist General Convention of Oklahoma all of the Oklahoma City Baptist Retirement Center's real and personal property used in its operations. The corporation retained approximately 27 acres of land in trust for the Convention. Its board acts as the governing body of the Center for the Convention.

Monthly payments are made to the sinking fund in accordance with the bond indenture for the retirement of bond principal and interest, and trustee expenses. The sinking fund balance at December 31, 1974 is \$12,406.

9. Sale of Child Care Dairy Farm

By contract for sale and agreement for options dated May 27, 1966 between Baptist General Convention of the State of Oklahoma and W. P. Bill Atkinson Enterprises, Inc. and Travco Developers, Inc., the Convention agreed to sell the 800 acre dairy farm located in Oklahoma City in Sections 7 and 12, T13N, R4W. The property was to be sold in 160 acre parcels on an option schedule. Three parcels have been sold. The remaining options must be exercised by January 2, 1975 and January 2, 1977. The total sale price is approximately \$2,362,250 of which \$1,287,993 has been received. The basis of the remainder of the property is \$22,739. Option number 3 was exercised in January 1975 in the amount of \$512,512.

10. Baptist Student Center—Norman

On February 18, 1971, the Baptist General Convention of the State of Oklahoma purchased the property at 443 West Boyd, Norman, Oklahoma. The purchase price of the property was \$60,164. A promissory note and real estate mortgage bearing 7% interest with a balance at settlement date of \$35,000 was assumed. Payments of \$1,250 are due on February 1 and August 1 each year. The balance of the note at December 31, 1974 was \$27,500.

11. Mayfair House Operating Agreement

On May 31, 1974, the Convention, owner of real and personal property known as the Mayfair House Motel, entered into an agreement with C. A. Henderson, of Oklahoma City, Oklahoma, to operate the Mayfair House Motel for a period of two years. Other consideration and covenants are as follows:

- (1) The operator is liable for all debts and liabilities incurred in the operation of motel.
- (2) The operator is to pay the convention a monthly payment of \$2,600.
- (3) All capital improvements shall be paid equally by both owner and operator.
- (4) The operator has an option to lease the motel for 42 years at the end of the operating agreement.
- (5) The Agreement may be terminated, by either party, upon notice in writing given sixty days in advance.

12. Baptist Retirement Center—Notes Payable

The Baptist Retirement Center had the following notes outstanding at December 31, 1974:

	Due Date	Original Amount	Balance
Baptist Foundation of Oklahoma	Demand	\$30,000	\$30,000

**ACCOUNTANT'S STATEMENT OF RESPONSIBILITY
FOR SUPPLEMENTARY FINANCIAL INFORMATION**

Our examination has been made primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole.

The information in this section has been obtained in connection with our examination previously referred to in the accountants' report. While not considered necessary for a fair presentation of the financial position or the results of operations, the information is presented for supplemental analysis purposes. In our opinion, except for the omission of investments held by others, any adjustments that might be required for property and equipment, and the effect of depreciation expense which has not been recorded, as discussed in the accountants' report, this information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Summary of Investments by Funds

The Board of Directors
The Baptist Foundation of Oklahoma
Oklahoma City, Oklahoma

We have examined the fund balance sheets of THE BAPTIST FOUNDATION OF OKLAHOMA (a not-for-profit corporation) as of December 31, 1974, and December 31, 1973, and the related statements of receipts and expenditures and ownership of the Trust and Endowment Fund, income and fund balance of the Operating Fund, and receipts and expenditures and undistributed gains (losses) of the Group Investment Funds for the years then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, except for the effect of the security valuations referred to in Note 5, and that no provision has been made for depreciation and depletion, the financial statements referred to above present fairly the financial position of The Baptist Foundation of Oklahoma and the funds administered by it at December 31, 1974, and December 31, 1973, and the results of its transactions for the years then ended, in conformity with generally accepted accounting principles generally followed by not-for-profit organizations, applied on a consistent basis.

THE BAPTIST FOUNDATION OF OKLAHOMA
 Oklahoma City, Oklahoma
NOTES TO THE FINANCIAL STATEMENTS
 For the Years Ended December 31, 1974 and 1973

1. Summary of Significant Accounting Policies

Accounting Basis of Statements—The financial statements are presented on the cash basis, which, because of the nature of the operations, does not materially differ from the results that would be obtained on the accrual basis, except for undistributed gains of the investment pool. Such undistributed gains are recognized as earnings of the Trust and Endowment Fund when received, and as disbursements of the investment pool when transferred.

Funds invested in the group investment pools by the Trust and Endowment Fund and Operating Fund are recorded as investments of the investor fund. These investments are also reported on the fund balance sheets of the group investment funds.

Investments—All investments, except those referred to in Note 5, are valued at appraised or market value at time of gift, or cost, if purchased. For convenience in managing the funds entrusted to them, the foundation trustees have established three group investment funds; (1) Funds loaned to churches as described in Note 3, (2) Funds invested in common stock of publicly held Corporations and, (3) Funds invested in bonds of publicly held corporations.

The income, except for gains and losses on disposition of securities, are distributed to the trusts of the Trust and Endowment Fund quarterly. This income is reported on a cash basis.

Ownership—The ownership of the Trust and Endowment Fund has been separated into two sections in the accompanying financial statements; Endowment funds and Custodian funds. This grouping reflects the accountability of the Foundation in the management and administration of the assets under its control. Endowment funds account for assets received under stipulation by the donors that such assets be invested, and that only the investment income be used for specific purposes until a specified time or the occurrence of a specified event, or in perpetuity. Custodian funds account for assets received by the Foundation to hold or disburse only on the instructions of the person or organization from whom they were received and on their behalf.

Annuities—The Foundation accepts gifts made in trust for various Baptist agencies and institutions. The Foundation has agreed to pay such donors substantially the equivalent of interest on the amount of the gift during the lifetime of the donor. The Foundation also accepts trusts naming individuals as lifetime beneficiaries rather than Baptist agencies and institutions. A specified income of these trusts is disbursed to specified individuals during their lifetime, and upon their death, the trusts are to be administered for the benefit of Baptist agencies or institutions as designated.

Annuities and individual trusts are included herein at an amount equal to the book value of their assets. No attempt has been made to compute any liability in connection with these funds for future payments to beneficiaries. During the current year, approximately \$25,100 (1973—\$25,600) was paid to the annuitants participating in these contracts.

A revolving fund has been established within the operating fund of the Foundation for the purpose of receiving income earned from the investment of annuity funds and making periodic payment to annuitants. The revolving fund is also used to pay the estate expenses prior to the closing of the estate at which time the Foundation becomes the beneficiary of part or all of the estate's assets, and such expenses are reimbursed.

Depreciation and Depletion—No provision has been made for depreciation of rental properties or office furniture and fixtures owned by the Foundation or depletion of mineral properties.

2. Investments

Current market values are not available on all investments of the Trust and Endowment funds. The following is a comparison of the cost or other basis of investments of the Trust and Endowment Fund for which current market value information is available.

	1974		1973	
	Cost or Basis	Market Value	Cost or Basis	Market Value
Stocks	296,122	226,690	100,972	82,187
Commercial bonds	479,307	389,704	1,241,597	1,228,178
Mutual funds	309,937	190,184	318,469	278,039

The Foundation, because of its fiduciary capacity for its trustors, does not record any adjustments to recognize market value fluctuations.

3. Church Building Loans Receivable

The Foundation makes loans to Baptist churches to construct church buildings. These loans are secured by first mortgages on the church buildings and individual personal endorsements to total 100% of the original amount of each loan. The lives of these loans vary from 10 to 15 years. The Foundation attempts to set interest rates at the current rate available from commercial sources.

4. The Old Baptist Building

On October 20, 1955, property known as "The Old Baptist Building" at 223 Park Avenue, Oklahoma City, with a cost of \$61,554, was leased to Felix Investment Company for a period of 99 years. The total consideration of \$1,070,000 is to be received over the lease period.

5. Adjustment of Investments—Investment Pool

On January 1, 1964 the Foundation adjusted the book value of securities held to market value. There were securities remaining in the portfolio at December 31, 1974 whose book value had been increased by \$55,234 as a result of this adjustment. Securities acquired prior to January 1, 1964 are included herein at market value as of that date. Securities acquired since December 31, 1963 are shown at cost if purchased or appraised value at acquisition dates if received as a gift.

6. Pledged Securities

A Skelly Oil Company debenture with face value of \$200,000 and a capital note of The Liberty National Bank and Trust Company of Oklahoma City, Oklahoma with face value of \$43,000 are held by the American National Bank and Trust Company, Shawnee, Oklahoma as collateral for a note owed to them by Oklahoma Baptist University Authority.

7. Reclassifications

The accompanying financial statements have been revised to better present the Trust and Endowment funds and their relationship to the Group Investment funds. Financial statements for the year ended December 31, 1973, presented for comparative purposes, have been reclassified to provide comparability with the current year. In addition, earnings of the Group Investment funds previously classified as transfers to the Trust and Endowment fund are now shown in that fund as earnings.

ACCOUNTANT'S STATEMENT OF RESPONSIBILITY FOR SUPPLEMENTARY FINANCIAL INFORMATION

Our examination has been made primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole.

The information in this section has been obtained in connection with our examination previously referred to in the accountants' report. While not considered necessary for a fair presentation of the financial position or the results of transactions, the information is presented for supplemental analysis purposes. In our opinion, except for the effect of items noted in the accountants' report, this information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Organization

The Baptist Foundation of Oklahoma was granted a charter by the State of Oklahoma on October 31, 1946, for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention on November 6, 1946. It was created as a private, non-profit, religious association "to purchase, control, manage, acquire, hold, barter, sell, convey, exchange, expand, distribute, invest and otherwise dispose of all real, personal or mixed property of whatever nature, and wheresoever situated . . . for the church and other religious and charitable purposes . . . necessary for its membership . . . worship and exercise of such powers."

Its duties and powers are to receive by gift, devise, bequest, or otherwise, any money or property to be used as may be directed; to enter into contracts or trust agreements with individuals, corporations, or partnerships for the purpose of furthering the interest of educational institutions, hospitals, orphanages, student centers, and any other property in order to assist and promulgate the furtherance of the Convention and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign mission work, to borrow money, hold, administer and dispose of property; make conveyances and assignments; incur obligations and prosecute or defend any action or suit in which involved.

We have examined the fund balance sheets of OKLAHOMA BAPTIST UNIVERSITY as of May 31, 1974 and the related statements of changes in fund balances and current fund revenues, expenditures and other changes for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of Oklahoma Baptist University at May 31, 1974 and the changes in fund balances and the current funds revenue, expenditures, and other changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year after giving retroactive effect to the change, with which we concur, in the method of accounting for endowments held by others and property acquired under lease as described in Note 13 to the financial statements.

OKLAHOMA BAPTIST UNIVERSITY
Shawnee, Oklahoma
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended May 31, 1974

1. Summary of Significant Accounting Policies

Accrual Basis—The financial statements of Oklahoma Baptist University have been prepared on the accrual basis except for depreciation as explained later in this note. The statements of current fund revenues and expenditures are statements of financial activities of current funds related to the current reporting period. They do not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenses.

To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as expenditures in the case of additions and normal replacement of buildings, equipment, library books and debt service.

Fund Accounting—In order to ensure observance of limitations and restrictions placed on the use of the resources available to the university, the accounts of the university are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

Externally restricted funds may only be utilized in accordance with the purposes established by the source of such funds and are in contrast with unrestricted funds over which the governing board retains full control to use in achieving any of its institutional purposes.

Endowment funds are subject to the restrictions of gift instruments requiring in perpetuity that the principal be invested and the income only be utilized.

All gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund which owned such assets. Ordinary income derived from investments, receivables, and the like, is accounted for in the fund owning such assets, except for income derived from investments of endowment and similar funds, which income is accounted for in the fund to which it is restricted or, if unrestricted, as revenues in unrestricted current funds.

All other unrestricted revenue is accounted for in the unrestricted current fund. Restricted gifts, grants, appropriations, endowment income, and other restricted resources are accounted for in the appropriate restricted funds. Restricted current funds are reported as revenues and expenditures when expended for current operating purposes.

Investments—Investments which were purchased by the university are generally stated at cost and investments received from donors are stated at market value as of the date of the gift.

Fixed Assets—Physical plant and equipment are stated at cost at date of acquisition or fair value at date of donation in the case of gifts. No depreciation of plant assets has been recorded.

Revenue Recognition—Charges for student tuition, fees, and other charges are recognized as income when charged to the students. Collections on pledges are recognized as income when the cash is received. Gifts and other contributions for designated causes are recognized as income when expended. Undesignated gifts and other contributions are recognized as income when received.

2. Pledges

As a result of organized requests for gifts, the following pledges, by fund, have been received and are outstanding at May 31, 1974.

Current fund—unrestricted	19,076
Current fund—restricted	9,337
Renewal and replacement fund	562,837
Total	<u><u>591,250</u></u>

A challenge grant of \$500,000 was approved April 9, 1974 by the J. E. and L. E. Mabeo Foundation, Inc., Tulsa, Oklahoma. None of these pledges are contained in the financial statements.

5. Other contributions from Baptist General Convention of Oklahoma not to exceed \$27,000 are pledged to insure deposit with the bond indenture trustee of amounts necessary to pay twelve months principal and interest on certain bonds. (See Note 11).

6. All funds, receipts and revenues received on or after July 1, 1969, from pledges to the 1969-70 capital funds campaign and designated for the student center project, and 75% of all funds, receipts and revenues received on or after July 1, 1969 from undesignated pledges to the 1969-70 capital funds campaign are to be remitted to the Oklahoma Baptist University Authority under terms of a lease agreement between the university and the authority. These funds are to be used by the authority for redemption of bonds described in Note 12.

Interest rates vary from 4¾% to 5.6%. The bonds are secured by a first mortgage on Ford Music Hall and Brittain Library and Arts Center, included herein at the university's cost of \$216,320 and \$147,848, respectively.

Under the terms of the bond indenture, naming American National Bank and Trust Company, Shawnee, Oklahoma as trustee, the university is required to deposit with the trustee annually the lesser of (1) \$27,000 from Baptist General Convention of Oklahoma contributions, or (2) the amount necessary to pay principal and interest due during the twelve months next following. (See Note 5.)

12. Oklahoma Baptist University Authority

The University has entered into certain agreements with Oklahoma Baptist University Authority, a public trust created for the benefit of Oklahoma Baptist University.

On May 1, 1969, the university entered into a lease agreement with Oklahoma Baptist University Authority. Under the agreement, the authority issued \$1,400,000 revenue bonds for the construction of The University Center building on the campus. The university agreed to lease the new building until November 1, 1984, or until provision is made for the retirement of all bonds issued. Rental payments of approximately \$35,000 are to be paid to the authority quarterly for application to bond debt service. The balance of the bonds outstanding at May 31, 1974 was \$610,000. (See Note 6.)

On September 18, 1970, the university entered into a lease agreement with Oklahoma Baptist University Authority. Under the agreement, the authority issued a note of \$400,000 for the remodeling, equipping and furnishing of the facilities in John Wesley Raley Chapel. The university will lease the building until September 1, 1976, or until the note is retired. Rental payments are to be paid to the authority annually on January 10 for application to the retirement of the note. The balance of the note outstanding at May 31, 1974 was \$28,500, which is due January 10, 1975.

The buildings and land upon which they stand, (John Wesley Raley Chapel and The University Center Building) have been deeded to Oklahoma Baptist University Authority. Since the title to this property will revert to the university upon termination of the leases and payment of the debt, the cost of this property is included in these statements.

Gentlemen:

We have examined the balance sheet of Cordell Memorial Hospital as of June 30, 1974, and the related statements of income, changes in fund balances, and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests, several of which are listed on the attachment to this report, of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet, statements of income, changes in fund balances, and changes in financial position present fairly the financial position of Cordell Memorial Hospital at June 30, 1974, and the results of its operations and the changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year, with the exceptions noted in "Attachment to Accountants' Report," pages 2 and 3 of this report.

Certified Public Accountant

ATTACHMENT TO ACCOUNTANTS' REPORT

The following is a summary of some of the auditing procedures applied to the significant financial statement items.

1. Cash and investments.

The investments were all in the nature of deposits. All such cash and investments we confirmed by correspondence with the depositories. We tested the reconciliation of such balances to the recorded book balances. As part of our test, we obtained cut-off statements from the banks.

2. Accounts receivable.

We confirmed the patient accounts receivable by outside correspondence.

We tested your machine aging of the accounts and reviewed the adequacy of the reserve for doubtful accounts.

The retroactive payments due from Medicare and Welfare are as computed by the accounting firm of Eberhart, Brown & Co., Certified Public Accountants, of Tulsa, Oklahoma. The retroactive payment due from Blue Cross was computed by us.

The retroactive payments from all third-party payers are subject to audit, and some retroactive adjustments are virtually certain.

3. Inventories.

We did not witness the actual inventory count, but our spot-check made on July 5, 1974, indicated that the hospital is carrying the approximate values shown on the physical inventory schedules.

4. Accounts payable.

We confirmed the principal accounts payable by outside confirmation.

5. Fund balances—unrestricted funds.

A. We ran all retroactive adjustments, affecting prior years, through the income accounts. To this extent these statements are not consistent with those of prior years' reports. The amount of these adjustments, for this year, is only a net of \$687.56, and is additional expense.

B. Since we will no longer be required to make Blue Cross reports, we converted the books over to Medicare depreciation. This conversion resulted in a net reduction to the reserves for depreciation, and a credit to the Unrestricted Fund Balance, in the amount of \$24,738.88. In this respect, also, this report is not consistent with prior years' reports. The impact of this conversion on the income for this year is only \$102.89; and is a net reduction in the depreciation expense for this year.

REPORT ON SUPPLEMENTAL DATA

Our report on our examination appears on pages 1, 2 and 3. This examination was made primarily for the purpose of rendering an opinion on the basic financial statements, taken as a whole, which are set forth on the preceding pages 4 to 9, inclusive. The other data included herein, on pages 10 to 13, inclusive, although not considered necessary for a fair presentation of financial position and results of operations, are presented primarily for supplemental analysis purposes. This additional information was subjected to a limited spot-check, and no effort was made to further analyze the information in the various accounts, beyond that provided by the books of account. In our opinion, however, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INTERNAL CONTROL

Some of the same persons who post the books of account and subsidiary ledgers also have access to the cash. No further review of the internal control was necessary to determine that real internal control is difficult to achieve. This is not an unusual situation in a small organization, with limited staff, and is not intended as a criticism but merely a statement of fact. We are also aware of the need to have certain persons capable of performing the duties of other persons when the need arises. Even so, there are certain checks and balances; and our spot checks indicated that funds of the institution are carefully handled and properly accounted for. Also, taken as a whole, the accounting results were very good.

ACCOUNTANTS' REPORT

To the Board of Directors

Baptist General Convention of Oklahoma

We have examined the accompanying balance sheet of Bass Memorial Baptist Hospital (a hospital owned by the Baptist General Convention of Oklahoma, see Note 1 to the financial statements) as of June 30, 1974 and the related statements of changes in fund balances, revenues and expenses, and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the statements listed above present fairly the financial position of the Hospital at June 30, 1974, the results of its operations and the changes in its financial position and fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Because an undetermined amount of pledges made in the 1973 fiscal year were included in the June 30, 1972 financial statements (see Note 4), we did not express an opinion as to the changes in fund balance of the development fund in 1973.

BASS MEMORIAL BAPTIST HOSPITAL
Notes to Financial Statements
June 30, 1974

1. Summary of Significant Accounting Policies

(a) The Bass Memorial Baptist Hospital is owned and operated by the Baptist General Convention of Oklahoma. Although accounted for separately, the Hospital is not a separate legal entity, but operates under the corporate charter of the Convention. The financial statements are for the Hospital only. The Convention also owns a doctors office building, Enid Clinic, adjacent to the Hospital, which is not included in these statements.

(b) The hospitals operated by the Baptist General Convention of Oklahoma deposit funds with the Baptist Foundation of Oklahoma. These funds are invested by the Foundation and comprise an emergency fund to meet the needs of the hospitals. The funds are withdrawable upon approval of the hospital administrator, the executive secretary of the Convention, and the chairman of the Hospitals and Golden Age Homes Committee of the Convention's Board of Directors.

(c) The Hospital's property, plant and equipment at June 30, 1974 and 1973 consisted of the following:

	1974	1973
Land	151,446	151,446
Land improvements	42,604	42,038
Buildings and building equipment	2,691,515	3,690,761
Major moveable equipment	2,450,937	1,348,823
	<u>5,336,502</u>	<u>5,233,068</u>

The Hospital property and equipment is depreciated on the straight-line method at the following rates:

Building	2—2½%
Land improvements	6½—10%
Building equipment	5—33¼%
Major moveable equipment	5—33¼%

When assets are retired or otherwise disposed of, the difference between the depreciated cost and the proceeds is taken into income.

2. Bonds and Debentures Payable

In 1969 and 1970 Bass Memorial Baptist Hospital Authority, a public trust created under the laws of the State of Oklahoma, issued three series of bonds and debentures to finance the construction and equipping of new facilities for the Hospital.

Under agreements between the Baptist General Convention and the Bass Memorial Baptist Hospital Authority, the facilities of Bass Memorial Baptist Hospital, including buildings and equipment, inventories, and other assets of the Hospital, except its parking lot, have been leased to the Trust. In addition the lease covers the revenues from operation of the Hospital and the Convention's interest in 1968 building fund pledges to the Hospital. This leasehold interest and the gross revenues of the Hospital are assigned as security for the bonds issued. The full faith and credit of the Baptist General Convention of Oklahoma is also pledged to the payment of the bonds and debentures.

Details of the issues are as follows:

Description	Date Issued	Interest Rate	Principal Amount	Outstanding at June 30, 1974
First mortgage gross revenue bonds, 1969	11-1-69	5-7%	1,300,000	1,214,000
First mortgage revenue bonds, 1970— general purpose series	3-1-70	7½%	700,000	555,000

The first mortgage gross revenue bonds, 1969, mature in varying amounts to November 1, 1989, including \$46,000 due November 1, 1974. The first mortgage revenue bonds mature serially January 1 of each year through January 1, 1980, including \$70,000 due January 1, 1975. Interest is payable semi-annually on each of the issues.

Under the terms of the indentures, the gross receipts from the operation of Bass Memorial Baptist Hospital and from construction pledges are to be deposited to the revenue account of the Authority. Amounts required for the payment of periodic principal and interest payments are to be transferred to a sinking fund prior to the due dates. Amounts necessary for the operation and maintenance of the Hospital are also to be paid from the fund. Remaining amounts determined by the trustees to be in excess of the needs of the Trust may be paid to the Baptist General Convention of Oklahoma.

The amounts deposited in the Authority funds have been shown as "Cash in Trust for Debt Retirement" in the balance sheet of the restricted funds.

Title to the facilities constructed and equipment purchased remains in the Trust until the bonds and debentures have been paid, at which time it will be transferred to the Baptist General Convention.

3. Notes Payable and Lease Contracts Payable

The details of the notes payable are as follows:

	Dated	Due Date	Interest Rate	Principal Due in One Year	Long-Term
Plant Fund					
Community Bank & Trust Co., Enid, Okla.	2-1-71	2-25-76	5½%	5,322	3,447
Mr. Fred Herrian, Enid, Okla.	8-1-65	3-1-77	5%	3,377	5,416
First National Bank, Enid, Okla.	6-28-74	12-28-74	9.5%	30,000	
Ponca City Savings and Loan, Enid, Okla.	7-1-72		7½%	2,188	24,413
				<u>40,887</u>	<u>33,276</u>

The note payable to Mr. Herrian is secured by land having a cost of \$50,000. The note to Ponca City Savings and Loan is secured by the land held for expansion, costing \$78,444.

The lease contracts payable represent the Hospital's liability for equipment being acquired on lease purchase contracts. In addition, the Hospital is leasing other equipment, not being purchased, on lease contracts expiring in January, 1977, with annual rentals of \$13,351.

4. Campaign for Excellence

During the spring of 1972 the Hospital conducted a fund raising campaign, "Campaign for Excellence". The funds raised were to be used to remodel the Hospital's old building, making it comparable to the facilities completed in 1970.

A separate office was maintained to conduct the campaign, keep records of pledges, etc. The records were turned over to the Hospital business office August 1, 1972, and incorporated into the financial statements at that date.

ACCOUNTANTS' REPORT

As of January 1, 1972, the Baptist General Convention of the State of Oklahoma conveyed the hospital properties to the Oklahoma Industries Authority. The Authority issued its Series 1972 bonds in the amount of \$29,100,000, secured by a first mortgage on the properties. On this same date, the Authority leased the premises to the Baptist General Convention with an option to purchase for \$1.00, plus any unpaid bond principal and interest.

The basic term of the lease is for thirty years with monthly payments of rent from gross revenues required to retire the bonds with interest and provide for required escrowed funds.

On June 1, 1973, the Authority issued an additional \$400,000 in bonds for the purpose of constructing a multilevel parking facility. On the same date, the Convention entered into a lease agreement to lease the project from the Authority for a five year term, at monthly rentals sufficient to amortize the bonds and interest over the five year term, at which time the convention can acquire the facility for a \$10.00 option price.

These lease agreements have been treated as purchased property by the hospital and the rent payments considered escrowed funds with interest on the bonds and depreciation on the facilities reported as operating expenses.

NOTES TO THE FINANCIAL STATEMENTS
 June 30, 1974

1. Year-end Reimbursable Cost Settlements:

The receivables due on year-end cost reports to third party purchasers of service represents the proposed cost settlements for the fiscal year ended June 30, 1974, as filed with the Department of Public Welfare and Medicare. These cost reports, which were based upon the most recent available interpretations of the reporting requirements, are subject to audit and adjustments, if any, by the paying agencies. However, no known material deficiency exists in the cost reports as filed by the hospital.

2. Emergency Reserve Fund:

Each hospital operated by the Baptist General Convention of Oklahoma is required to keep on deposit with The Baptist Foundation of Oklahoma funds to help cover emergency needs. Interest at the rate of 6 percent per annum is credited to each hospital's account. This central fund is restricted for use in making or securing loans to hospitals of the Baptist General Convention of Oklahoma who are in need of financial assistance. This fund also acts as insurance against any unexpected losses experienced by the hospital. Withdrawals can only be made upon proper approval by The Baptist Foundation and the Executive Director and Executive Board of the Baptist General Convention of Oklahoma. During the fiscal year the hospital transferred an additional \$1,200 to the Emergency Reserve Fund as shown in the statement of fund balances.

3. Assets Lensed from Mayes County:

Included in the plant fund assets are land, buildings and fixed equipment leased from Mayes County, Oklahoma at a nominal rate. The lease, dated October 29, 1954, runs 25 years and the hospital may renew the lease for an additional 25 years. The land, buildings and equipment acquired under the lease were capitalized upon entrance into the lease at their cost to Mayes County. The net book values of said properties at June 30, 1974 are as follows:

Land	\$ 7,800
Buildings	295,329
Equipment	26,041
	<u>\$329,170</u>

4. Depreciation:

Depreciation of buildings and equipment is provided by charges to operations over the estimated useful lives of the assets using the straight-line method. Lives used for the more important items within each property classification are as follows:

Land improvements	10-20 years
Buildings	50 years
Fixed equipment	20 years
Major movable equipment	5-10 years

5. Lease Obligations:

The hospital has entered into several long-term lease agreements primarily for electronic equipment being used in the expanded Radiology and Nuclear Medicine and Cardiac Care Departments. These are straight leases which are being charged against operations as the lease payments are made. These payments which were charged directly against operations in the year ended June 30, 1974, totaled \$42,958.

Following is a summary of all the long-term lease liabilities of the hospital at June 30, 1974:

Total lease payments in the year ending	
June 30, 1975	\$ 55,134
June 30, 1976	55,363
June 30, 1977	53,874
June 30, 1978	42,884
June 30, 1979	29,890
Thereafter	12,009
Less—imputed interest	(52,122)
—amounts applicable to taxes, insurance and maintenance	(29,573)
“Present value” of lease liabilities	\$167,459

(Leases which were capitalized in equipment and net lease-notes payable in the June 30, 1973, financial statements for \$90,071 were later determined to be straight leases rather than lease-purchases. A reversing entry was accordingly made as of July 1, 1973. These leases, having annual gross lease payments of \$22,980, are now included above in the non-capitalized lease obligations.)

Auditor's Comments

June 30, 1974

Balance Sheet Accounts**General Fund Assets:**

1. All cash fund balances were verified with the depository.
 2. Accounts receivable increased \$4,233.92 over the prior period due to rate increases effective during the year. The average number of residents remained the same—95 for the fiscal year ending June 30, 1974.

3. The decrease to prepaid insurance is largely due to the rate reduction on the hospital professional and general liability policies for the period 4-1-74 to 4-1-75. Permission for a special rate was obtained by The St. Paul Insurance Companies resulting in a substantial decrease to the total annual premiums for liability coverage which will reflect in liability insurance expense ending June 30, 1975.

Additional insurance coverage of \$30,000.00 for Fire & E.C. on the nursing home building and contents was added May 11, 1974, increasing the total coverage to \$656,000.00.

General Fund Liabilities:

4. The change from a semi-monthly to a bi-weekly payroll period in order to comply with minimum wage regulations for nursing homes resulted in a decrease to the accrued payroll at June 30, 1974 and an increase to accrued and withheld payroll taxes during this conversion period. Formerly the final pay period for a calendar quarter was for the period ending June 15th and payroll taxes had been deposited prior to June 30th.

Plant Fund Assets:

5. All cash and investment funds were verified.
 6. Additions to Furniture, Fixtures, and Equipment for the period were:

Administrative Dept.—Furnishings	537.00
Dietary Dept.—Kitchen Blender	342.25
Household Dept.—Water Softener, Water Heaters, Plbg. Fixtures & Washing Mach.	2,845.30
Nursing Dept.—Furnishings & Equipment	1,189.65
Remotivation Dept.—Projector	110.00
	<u>5,024.20</u>

A donation of furnishings and hospital equipment valued at \$1,108.00 is included above.

7. Note balances and bonds outstanding were verified.

8. The present monthly deposits of \$2,900.00 to the trustee bank are adequate to meet the debt service requirement for the fiscal year June 30, 1974 to June 30, 1975 which averages \$2,876.81 a month for this period.

9. Interest earned and deposited for the fiscal year is reflected on Schedule 2. Interest earned and accrued interest on current investments is reflected on Schedule 1.

Income and Expense:

10. Operating income reflects an increase of 13.1% for the same average number of residents. However two rate increases were received during the period. The current rates are: Semi-private room \$380.00 and private room \$405.00.

11. Operating expense increased 15.9%. The major increases were in salaries which represent 9.7% of the total increase, and food cost 3.2% of total increase.

\$1,263.39 included in workmen's compensation increase was an additional premium for a prior period billed after June 30, 1973.

Baptist Laymen's Corporation
Oklahoma City, Oklahoma

We have examined the fund balance sheets of the Operating Fund and Plant Fund of the Baptist Laymen's Corporation as of June 30, 1974 and June 30, 1973 and the statements of Operating Fund earnings and expenses and changes in fund balances and combined statement of changes in financial position for the years then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the aforementioned financial statements present fairly the financial position of Baptist Laymen's Corporation at June 30, 1974 and June 30, 1973 and its earnings and expenses and changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO THE FINANCIAL STATEMENTS
 June 30, 1974

(1) Summary of Significant Accounting Policies—

Inventories are valued at cost, but not in excess of market.

Fixed assets have been recorded at cost and depreciation has been provided for by the straight-line method as follows:

Land improvements	-----	5%
Buildings	-----	2 and 4%
Fixed equipment	-----	5%
Minor equipment	-----	33 1/3%
Operating equipment	-----	10%

(2) Land—

The Board of Directors of the Baptist General Convention of the State of Oklahoma authorized the conveyance of 35 acres of land to the Baptist Laymen's Corporation as trustee, to be held in trust for use and benefit of the Baptist General Convention. The land was conveyed to the Baptist Laymen's Corporation in June, 1964, at an appraised value of \$122,500.00, and the Corporation operated the Oklahoma City Baptist Retirement Center thereon.

(3) Bonds Payable—

Description	Maturity	Retirements	7-1-73 Balance	6-30-74 Balance
Oklahoma Industries Authority first mortgage revenue bonds, 1971				
Lackey Manor, Series A	Serially beginning July 1, 1972 to 1991			
@ 7 1/2%			295,000.00	295,000.00
@ 6%		35,000.00	340,000.00	305,000.00
Lackey Manor, Series B	Serially beginning July 1, 1974 to 1983			
@ 6%		15,000.00	200,000.00	185,000.00
Total		<u>50,000.00</u>	<u>835,000.00</u>	<u>785,000.00</u>

As of July 15, 1971, the Corporation leased its premises to the Oklahoma Industries Authority, which organization then issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Baptist General Convention of the State of Oklahoma. On this same date the Oklahoma Industries Authority subleased the premises to the Baptist Laymen's Corporation for a period of twenty years, at an annual rental of the annual debt service requirements of the Authority on the \$85,000.00 bonds issued as described above. The Corporation has the option to acquire the leasehold estate at any time after June 30, 1981 for an amount necessary to retire all outstanding bonds issued by the Authority. The discount and costs of the issue are being amortized over the life of the bond issue.

Monthly payments of \$7,727.09 have been made to the First National Bank and Trust Company, trustee for the bond issues. This monthly amount provides for interest on the bonds, a sinking fund for retirement of the bonds.

The issuance of the Oklahoma Industries Authority bonds was a refinancing of the previous Series A and B Bonds in the unpaid principal amount of \$825,500.00 as authorized by the Board of Directors on May 21, 1971.

On January 1, 1973, the old Series B bonds dated 1971 were retired with new Series B bonds dated 1973 which are due serially beginning July, 1974 rather than in a lump sum at July 1, 1973.

(4) Subsequent Event—

As of July 1, 1974, the Corporation transferred to the Baptist General Convention of Oklahoma all of the Oklahoma City Baptist Retirement Center operations and the real and personal property applicable thereto. The Corporation retained approximately 27 acres of land in trust for the Convention, and its Board acts as the governing body of the Center for the Convention.
