

High Purity Softener Salt with Iron Fighter® Formula

Diamond Crystal® Red•Out® Pellets with Iron Fighter® Formula

Our premium purity water softener salt contains up to 99.6% pure salt. Formulated for use where iron content in water is high, it contains an extremely effective additive that helps prevent rust stains on laundry, fixtures, sinks and tubs. Virtually 100% water soluble, it also minimizes buildup in your brine tank to keep your water softening unit running smoothly.

- Patented 2-handle, 40 and 50 lb. bags* make lifting and carrying easier than ever
- Now... poly bags made of 50% recycled material
- NSF certified, these pellets are recommended for all types of softeners, particularly in regions of high-iron water content
