EDGE™

THE WORLD IS EVEN MORE BREATHTAKING ON THE EDGE.

Introducing Celebrity Edge—a ship designed to turn the world outside in. Based on our desire to make your experience even more unique, this visionary ship turns your focus to the sea and turns every moment of your travels into an extraordinary experience for your senses.

Celebrity Edge introduces imaginative spaces like our new Edge Stateroom with Infinite VerandaSM.

that blurs the line between inside and outside with the touch of a button—giving you open air access to the sea whenever you wish.

DESIGNED TO LEAVE THE FUTURE BEHIND.

Some resorts have a beautiful view. Our ship has thousands. And they're all more connected to the sea, more open to the world. And innovative at every turn. Like the incredible Magic CarpetSM—a truly unique venue that changes mood, function, and even its location as the world's first cantilevered, floating

platform reaching heights of 13 stories over the open ocean. And then, there's Eden—a mind-blowing multi-level architectural wonder encased in three stories of glass where nature is so present we call it "a room that lives," wildly beautiful. Sinfully playful. And delightfully unexpected. This transformational space changes throughout the day and night, creating a feast for every sense.

Join us on Celebrity Edge, and you'll never look at travel the same way again.

WELCOME TO THE CELEBRITY REVOLUTION.

Once again, we're aiming to set a new industry standard with the unveiling of our new initiative—the Celebrity Revolution—a complete modernization of our entire fleet, beginning in 2019. We started the revolution with our newest ship, Celebrity Edge, and we're not stopping there. The revolution continues with a \$400M modernization—the largest renovation investment we've ever made—that will bring new design concepts and technology to every single ship. Fleet-wide enhancements will vary by ship and class, but will include a sleek, modern

revitalized stateroom redesign, with additional staterooms and suites being added to some ships, technology enhancements, new culinary concepts, refreshed public spaces and dining venues, and a sweeter suite-class experience. Our new fleet will redefine modern travel as you know it. The first revolutionary revitalization will take place in 2019, beginning with the guest-favorite Celebrity Summit, and will continue across the fleet through 2023. To learn more about the Celebrity Revolution, visit celebrity.com/revolution.
