## ABOUT US

**Cygnnet Health Care** was established in 1988. Since then we have developed a wide range of services for individuals with mental health needs, autism and learning disabilities within the UK. We have built a reputation for delivering pioneering services and outstanding outcomes for the individuals in our care.

Our expert and highly dedicated care team of 10,000 employees empower 2,864 individuals across 150 services to consistently make a positive difference to their lives, through service-user focused care and rehabilitation.

We maintain a good relationship with our quality regulators and undergo regular inspections, with 82% of our services rated 'Good' or 'Outstanding'. We also operate an internal system of quality care, treatment and positive outcomes.

## LEARNING DISABILITIES

Our priority is to ensure that individuals with learning disabilities enjoy the same right to a happy and fulfilled life as others. We ensure that the individuals we support feel safe in their environment, are understood and are able to communicate to the best of their ability. Most importantly, with the right support and help, we empower individuals to successfully progress to a community-based service that is aligned to their abilities.

## SUPPORTED LIVING

Supported Living is an important step towards independence. We know how important it is for individuals to have the right support so they can live the life they want to live. We support individuals to choose where they would like to live and work closely alongside our commissioning partners to ensure that correct legal frameworks are in place in order for them to live successfully in the community.
