10/20/2006	<a href="#">1998</a>	ORDER signed by Judge Lawrence K. Karlton on 10/20/06 ORDERING that the revised recommendations of the Special Master <a href="#">1994</a> are ADOPTED in full. The program population projections in the revised and updated Navigant Study are approved. Defendants shall contract with Navigant Consultants to conduct annual population reviews and updates of their projections for mental health program populations from 2007 through 2009. Thereafter, defendants may obtain such population projections services through the normal contract bidding process. The Navigant service contract shall be controlled and supervised by the California Department of Corrections and Rehabilitation's (CDCR) Division of Correctional Health Care Services rather than the CDCR's Division of Legal Affairs. The Special Master, and such of his experts as he may assign to the task, shall work with the defendants and Navigant to improve the projections and ensure that all necessary data is collected to make future projections as accurate as possible. The Special Master shall monitor closely the swap of acute inpatient beds between California Medical Facility and Atascadero State Hospital and any delays in the transfer of seriously mentally disordered inmates to mental health crisis beds within 24 hours of a clinical referral and report to the court in writing on these two issues within ninety days. Within sixty days from the date of this order defendants shall file a final long plan for the provision of acute and intermediate inpatient beds, as well as a plan for the provision of enhanced outpatient program (EOP) beds, for all seriously mentally ill male and female CDRC inmates clinically determined to be in need of those levels of care. These consolidated plans shall meet or exceed the program population projections contained in the approved Navigant study and shall include a process for regular updates of bed need projections and ongoing planning for new mental health beds based on subsequently revised projections. Defendants' plan shall also address

		<p>the feasibility of a "Design and Build" approach for the construction projects specified in the consolidated plan and shall coordinate the use of such an approach with any related Design and Built efforts in the Plata case. Defendants' consolidated plan shall include a timetable, budget planning and resource allocations to meet projected populations by June 30, 2011. The consolidated plan shall also include construction of the 50- bed mental health crisis bed unit at California Men's Colony proposed in defendants' revised interim bed plan. Defendants shall accelerate implementation of their plan for new EOP treatment programs in CDCR Reception Centers so the proposed programs become operational by January 1, 2007. Defendants shall add treatment programs for EOP inmates in the Reception Center at California State Prison, Los Angeles County, in addition to the five reception centers enumerated in the original plan. The Special Master shall monitor the added EOP services provided in the six institutions covered in the plan and report to the court by June 30, 2007 whether the program needs to be extended to any other CDCR Reception Centers. Defendants' interim plan for the temporary establishment of 76 inpatient intermediate Department of Mental Health (DMH) beds in the D-5 and D-6 units at Salinas Valley State Prison and 30 beds in the P-3 Wing at California Medical Facility is approved. The Special Master shall review these programs, as well as the other intermediate inpatient DMH programs opened in California Medical Facility and Salinas Valley State Prison pursuant to the defendants' interim plan and report to the court by March 31, 2007 on the defendants' success in implementing these interim programs. 02/09/2009	<a href="#">3514</a>	THREE-JUDGE COURT ORDER [TENTATIVE RULING] signed by Senior Judge Lawrence K. Karlton, Circuit Judge Stephen Reinhardt and Senior Judge Thelton E. Henderson on 2/9/09 ORDERING that we tentatively conclude, given the evidence presented to this Court, that an order imposing a cap on the prison population and requiring the State to adopt a course of action to reduce overcrowding is warranted, and that it is authorized under the PLRA. The Court may hold a final hearing prior to issuing its final order. It will in any event ask the parties and intervenors to submit written proposals setting forth the specific percentages and dates that they believe should be incorporated into the order regarding the ultimate population cap and compliance date, as well as any interim percentages and dates they believe the Court should include in the order. The State will also be asked to specify at that time, or before, the measures it intends to adopt to

		ensure compliance in a manner that will best accomplish the objectives of the order, including ensuring public safety. Comments by the plaintiffs and intervenors as to these measures are invited. Prior to the issuance of a final order the State and the plaintiffs, as well as any intervenors who choose to participate, are encouraged to engage in discussions regarding joint recommendations with respect to all or any of the above matters as well as with respect to a settlement of all or any part of the dispute at issue in this proceeding. In any event, the State is directed to consult with the plaintiffs and the intervenors as to any proposed course of action that would serve to reduce the prison population. The Court will accept reports by the participants regarding any settlement that the plaintiffs are prepared to enter into with the defendants as well as with any intervenors who elect to join such settlement. The parties and intervenors individually are each requested to advise the Court within 10 days of this tentative ruling whether they would like the assistance of a court-appointed settlement referee to aid in their discussions and, if so, whether they would have any objection to the appointment of the prior settlement referees Justice Elwood Lui and Justice Peter Siggins for that purpose. 06/15/2012	<a href="#">4199</a>	ORDER signed by Judge Lawrence K. Karlton on 6/15/2012. The Court's 1/4/2012 <a href="#">3761</a> approving substantial part defendants long-range mental health bed plan shall be modified to allow defendants to implement their revised mental health bed plan. Based on concerns raised by Special Master and plaintiffs, Court order defendants to continue working with Special Master to address issue of incorporating defendants' use of "trued" projections. Defendants' proposed revised bed plan does not include sufficient number of mail EOP ASU beds. Defendants will continue to work with Special Master to clarify use of "trued" projections. Defendants' Request to modify the number of intermediate care facility beds available at Atascadero State Hospital from 256 to 206 is premature. Further consideration of Request is DEFERRED until Hearing set for 7/13/2012. (Marciel, M) (Entered: 06/15/2012)

01/29/2013	<a href="#">4317</a>	THREE-JUDGE COURT ORDER signed by Judge Stephen Reinhardt, Judge Lawrence K. Karlton, and Judge Thelton E. Henderson on 1/29/13 DIRECTING defendants to answer questions within 14 days of the filing of this order. Pending further order of this Court, our consideration of the <a href="#">4280</a> Three-Judge Motion to Modify <a href="#">4032</a> Order is STAYED. This Court's 6/30/11 Order remains in effect pending our

		determination of these issues, and defendants are reminded of their obligation to continue to comply with its terms and provisions. Neither defendants' filings of the papers filed thus far nor any motions, declarations, affidavits, or other papers filed subsequently shall serve as a justification for their failure to file and report or take any other actions required by this Court's Order. Defendants have advised us, however, that they are unable to meet the 137.5% prisoner population cap by June 2013 but that they will be able to do so essentially by 12/31/13. Accordingly, this Court modifies the <a href="#">4032</a> Order by GRANTING defendants a six-month extension in which to comply with its terms and provisions. Defendants are now required to achieve the 137.5% prisoner population cap by 12/31/13. Defendants shall take all steps necessary to comply with the Order as amended. 04/05/2013	<a href="#">4539</a>	ORDER signed by Judge Lawrence K. Karlton on 4/5/13 ORDERING this matter is before the court on defendants' motion to "terminate all relief in this action, vacate the Court's judgment and orders and dismiss the case," filed 1/7/13. In accordance with the above, IT IS HEREBY ORDERED that defendants' 1/7/13 motion to terminate this action (ECF No. <a href="#">4275</a> ) is DENIED. (Becknal, R) (Entered: 04/05/2013)

IT IS SO ORDERED. (Marciel, M) (Entered: 04/08/2013)

07/26/2013	4718	MINUTE ORDER (TEXT ONLY) by Courtroom Deputy A. Rivas. The court is in receipt of the joint status report <a href="#">4717</a> filed July 25, 2013. In view of the information contained therein and considerations of the courts calendar, it appears the court will be unavailable to start an evidentiary hearing until November 5, 2013. In light of the courts recent order requiring the establishment of the Suicide Prevention/Management Work Group, the court is of the view that

		consideration of issues related to inmate suicide should be dropped from the matters at bar without prejudice to their renewal, if appropriate, following a report from the Suicide Prevention/Management Work Group. At the status conference set for July 31, 2013, the parties should be prepared to discuss whether it is appropriate to bifurcate the other issues regarding administrative segregation and access to intermediate care for condemned inmates from the issues related to use of force/discipline and to provide their best estimate of how long it will take to try each. Ordered by Judge Lawrence K. Karlton on July 26, 2013. (Rivas, A) (Entered: 07/26/2013)

11/15/2013	<a href="#">4930</a>	ORDER signed by Judge Lawrence K. Karlton on 11/14/13. The court has ordered a reply to the Plaintiffs' MOTION concerning nonretained witnesses. Except as to that MOTION, the court now DECLINES all other MOTIONS IN LIMINE, essentially for the reasons set forth in

		the relevant opposition to those Motions. One additional comment may be appropriate as to the motion concerning attorney witnesses. That rule is embodied in California's Rule of Professional Conduct 5-210, which has been adopted as this Court's standard of practice for attorneys practicing in this Court. See Local Rule 180(e). 10/10/2017	<a href="#">5710</a>	ORDER regarding 9/28/2017 status conference and evidentiary hearing signed by District Judge Kimberly J. Mueller on 10/10/2017 RESOLVING three issues raised by the parties. The court does not address in full here the underlying causes of systemic delays in access to MHCBS. Defendants' remedial plan, the Revised 2009 Program Guide, established the framework for delivering constitutionally adequate mental health care, and the time to materially alter its provisions has passed. It must be fully implemented and complied with. Defendants staffing plan established the ratios for determining the number of mental health staff required to implement the provisions of the Revised Program Guide. The annual spring and fall population projections inform defendants every year about how many mental health beds they will need in time to plan for and activate the projected number of beds. It appears to the court defendants must build and activate the required number of mental health crisis beds with an urgency far greater than shown at hearing. As will be clear in a separate order, staffing shortages must be remedied with similar urgency. (See Order for Details)(Yin, K) (Entered: 10/10/2017)
10/10/2017	<a href="#">5711</a>	ORDER signed by District Judge Kimberly J. Mueller on 10/10/2017 ORDERING the findings in the Special Master's 2/6/2017 Report on the Status of Mental Health Staffing and the Implementation of Defendants' Staffing Plan are ADOPTED in full. The recommendations are ADOPTED, with modifications, as stated in accordance with this order. Within one year form the date of this order, the CDCR defendants shall take all steps necessary to come into complete compliance with the staffing ratios in their 2009 Staffing Plan and the maximum ten percent vacancy rate required by the court's 6/13/2002 order. Under the guidance of the Special Master, defendants shall develop an addendum to the Revised Program Guide to govern the use of telepsychiatry and the extent to which telepsychiatrists may provide mental health services in place of on-site psychiatrists. Paragraph two of the court's 3/8/2017 order <a href="#">5573</a> is AMENDED to

		require complete implementation of the DSH defendants' staffing plan within one year from the date of this order. Defendants' 4/13/2017 motion to strike <a href="#">5600</a> and 4/27/2017 motion to strike <a href="#">5613</a> are DENIED without prejudice. This matter is set for Status Conference on 4/12/2018 at 10:00 AM and for Further Status Conference on 10/11/2018 at 10:00 AM in Courtroom 3 (KJM) before District Judge Kimberly J. Mueller. 10/23/2017	5720	MINUTE ORDER issued by Courtroom Deputy C. Schultz for District Judge Kimberly J. Mueller: This matter currently is set for hearing on November 3, 2017 for consideration of whether the court should make findings of contempt and impose payment of fines that have accumulated since May 16, 2017 based on the court's order of April 19, 2017. In view of the pendency of defendants' appeal from this court's April 19, 2017 order, the hearing on November 3, 2017 is vacated and will be reset, as appropriate, at a later date. Defendants' October 19, 2017 request for pre-trial conference and clarification is denied without prejudice. This matter is set for Status Conference on December 20, 2017 at 10:00 AM in Courtroom 3 before District Judge Kimberly J. Mueller, to address at least matters other than contempt that were to be covered at the November 3, 2017 hearing as well as the transfer timeline exceptions that will be proposed to the court by November 30, 2017. The court will further explain its reasons for continuing the

		November 3rd proceeding and provide a complete agenda for the December status conference in a subsequent order. (Text Only Entry) (Schultz, C) (Entered: 10/23/2017)

Mueller: The parties have complied with the September 13, 2017 minute order requiring them to file a joint statement containing a list of all current plaintiffs and their counsel, and all current defendants, their title, and their counsel. The status conference will review:</p> <p>(1) The process the court will follow related to the Proposed Telepsychiatry Policy currently pending before the court, including for review of defendants' objections to the Special Master's proposal. Also on or before August 24, 2018 at 12:00 p.m., defendants shall file a fully legible copy of the Brizendine Declaration accompanying their August 1, 2018 letter to the Special Master.</p> <p>2) The proposals made in the parties' Joint Status Report of August 3, 2018 regarding the process needed to resolve outstanding staffing issues prior by October 10, 2018, given the court's concerns that the proposed discovery schedule does not appear designed to ensure timely compliance with the court's October 10, 2017 order.</p> <p>(3) The status of this matter generally, including the process in this court for addressing not only staffing needs but also the transfer of inmate-patients to acute and intermediate care facility programs and the</p>

08/28/2018	5890	MINUTES for STATUS CONFERENCE held before District Judge Kimberly J. Mueller on 8/28/2018. Attorneys, Lisa Ells, Cara Trapani, and Michael Nunez, present for plaintiff. Attorneys, Andrew Gibson, Jay Russell, Tyler Heath, Ian Ellis, and Adriano Hrvatin, present for Defendants. Also present, Gabriel Sanchez, from the Office of the Governor, and Patrick McKinney, II, General Counsel for CDCR. The court outlined its goals for the status conference, which included setting quarterly status conferences for 2019 and working toward resolving the outstanding Order to Show Cause concerning transfers to acute and intermediate levels of inpatient mental health care (see ECF No. <a href="#">5610</a> at 14). The court specially set two follow-up hearings focused on the timeliness of transfers to inpatient mental health care and the durability of the remedy achieved in the past ten months, the first on 12/14/2018 at 10:00 AM and the second as part of the Second Quarterly Status Conference set for 9/13/2019, <i>see infra</i> . The court and counsel discussed the items listed in the 8/15/2018 Minute Order (ECF No. 5881). The court set 10:00 AM Quarterly Status Conferences on the following dates: 4/12/2019, 9/13/2019 (with the possibility of being continued to 9/27/19 if the court determined it needed additional time), and 12/13/2019. The court specially set a hearing for 9/7/2018 at 10:00 AM to address defendants' objections to the proposed telepsychiatry policy addendum to the Revised Program Guide, directed plaintiffs to file any motion to strike defendants' objections by the end of the week, and directed defendants' opposition to be filed by 9/5/2018. The court also CONFIRMED the Status Conference previously set for 10/11/2018 at 10:00 AM, but extended the deadline to 9/14/2018 for the parties to file the joint status report required by the court's July 3, 2018 order, ECF No. <a href="#">5850</a> . All hearings will be held in Courtroom 3 before District Judge Kimberly J. Mueller. The Special Master's Report on the Revised Program Guide update is pending before the court and a written order will be issued. The request for discovery and motion practice contained in the August 3, 2018 joint status report, ECF No. <a href="#">5874</a> , is denied. Court Reporter: Kacy Barajas. 08/31/2018	5896	MINUTE ORDER issued by Relief Courtroom Deputy G. Michel for District Judge Kimberly J. Mueller on 8/31/2018: The court is in receipt of the parties' stipulation and proposed order, ECF No. <a href="#">5892</a> . Given the court's schedule and the impending deadline set in the court's October 10, 2017 order, ECF No. <a href="#">5711</a> , the court maintains the hearing set for September 7, 2018 at 10:00 a.m. The court anticipates that one or more of the attorneys who appeared with lead counsel for defendants, Mr. Gibson, at the August 28, 2018 hearing, or such other counsel as Mr. Gibson may designate, shall appear on behalf of defendants fully authorized to represent defendants for purposes of the proceeding. The court advised the parties that the Evidentiary Hearing set for 10/22/2018 at 1:00 PM is converted to a Further Status Conference. The court requested Dr. Golding file a declaration by 12 noon on 10/19/2018, verifying his report and authenticating exhibits to the extent he is prepared to do so. Once the court has received and reviewed Dr. Golding's declaration, the court will let the parties and Dr. Golding know if the doctor's appearance is required on 10/22/2018 and/or 10/23/2018. The court noted that if Dr. Golding's declaration complies with what the court has requested, Dr. Golding will not need not be present on 10/22/2018. The court clarified that even if Dr. Golding's appearance is excused, his attorney Wendy Musell may attend the court proceedings on 10/22/2018, in person or telephonically; Ms. Musell indicated she would be present in person. 11/05/2018	5995	MINUTES FOR STATUS CONFERENCE held before District Judge Kimberly J. Mueller on 11/5/2018. Attorneys Lisa Ells and Jeffrey Bornstein appeared for the plaintiffs. Attorneys Andrew Gibson, Jay Russell, Tyler Heath and Elise Thorn appeared for the defendants. The court addressed the need it has identified under the current circumstances for an independent investigator, working for the court, to complete a thorough and focused investigation prior to any potential evidentiary hearing arising from the Golding Report. The court then discussed with the parties the specifications and qualifications said investigator should possess, the scope of work and how an investigation would be funded. Plaintiffs' counsel expressed support for the appointment of an independent investigator, but argued against the Plaintiff Class's responsibility for funding any part of the subject investigation. Defense counsel reserved its right to object to the court's appointment of an investigator, deferred expressing a position on funding and requested an opportunity to file a response to Dr. Golding's allegations prior to any court ordered investigation and within twenty-one (21) days. The court DENIED Defense Counsel's request to respond as proposed, while clarifying that the parties will have an opportunity to respond to the court's specific plan to retain an investigator, to be described in full in a written order to issue within the next several days. Review of the court's calendar reflects that the dates of June 20, July 18, or July 19 are currently available for the

		further settlement conference. The parties are invited to consider these three dates and, within the next ten days, confirm with Ms. Thorp which, if any, of those dates are mutually agreeable. Assuming one of those suggested dates is available for all parties, the court is amenable to adjusting the briefing schedule set in the April 19, 2019 order to extend the time for briefing so that plaintiffs' closing brief is filed not later than seven days prior to the date selected for a further settlement conference. Defendants' brief would be due thirty days before plaintiffs', unless the parties agree to a different time frame. (Thorp, J) (Entered: 05/09/2019)

06/28/2019	6210	MINUTE ORDER: (TEXT ENTRY ONLY) signed by District Judge Dale A. Drozd on 06/28/2019. This matter had been scheduled for further settlement conference on August 30, 2019 before Judge Dale A. Drozd. At the request of the parties, on June 21, 2019, Judge Drozd conducted an informal telephone conference with counsel regarding whether that further settlement conference should be continued to a later date. After hearing from the parties, with plaintiffs' counsel supporting a continuance and defendants' counsel preferring to go forward on the currently scheduled date, Judge Drozd has concluded that moving the conference back is likely to be more efficient and effective in terms of advancing the parties' discussions. Accordingly, the <b>August 30, 2019 further settlement conference is hereby vacated</b> . The parties are directed to confer and then consult with Jami Thorp <a href="mailto:jthorp@caed.uscourts.gov">jthorp@caed.uscourts.gov</a> , Judge Drozd's courtroom deputy, to agree on a new further settlement conference date in the mid to late fall and to submit a stipulation and proposed order with that new date as well as a briefing based upon the date selected. 10/17/2019	6351	MINUTE ORDER issued by Courtroom Deputy C. Schultz for District Judge Kimberly J. Mueller: Defendants have requested an extension of time, to noon on Monday, October 21, 2019, to advise the court in full whether and on what grounds they object to the admission of documents proffered by Dr. Golding's counsel on October 16, 2019. Dr. Golding's counsel explained generally she proffered the documents in order to respond to the testimony of witnesses who stated Dr. Golding had not communicated with them, or they did not recall Dr. Golding's communicating with them, regarding a certain topic. Defendants' request is GRANTED, subject to the additional requirement that by the new deadline defendants advise the court not only of specific objections they maintain and the grounds therefor, but also whether in the alternative they agree that the court can make findings based on the proffered documents that Dr. Golding did communicate with a given witness on a certain date regarding a certain subject without disclosure of the full contents of the communication. To the extent the court overrules defendants' objections or makes findings based on the proffered documents, it will notify plaintiffs' counsel Monday afternoon, October 21. In light of the foregoing, the parties' closing statements are RESCHEDULED for Tuesday, October 22, 2019, at 2 p.m., with the court's bench summation CONFIRMED for Wednesday, October 23, 2019, at 2 p.m. (Text Only Entry) (Schultz, C) (Entered: 10/17/2019)

10/21/2019	6356	MINUTE ORDER issued by Courtroom Deputy C. Schultz for District Judge Kimberly J. Mueller: The court has received the Declaration of Dr. Melanie Gonzalez, verifying her whistleblower complaint marked as plaintiffs' Exhibit 164 during the evidentiary proceedings before the court on October 15 and 16, 2019. If defendants maintain their authenticity objection to admission of the complaint, they shall notify the court by 4 p.m. TODAY, October 21, 2019. SO ORDERED. (Text Only Entry) (Schultz, C) (Entered: 10/21/2019)
10/21/2019	<a href="#">6357</a>	ORDER signed by District Judge Kimberly J. Mueller on 10/21/2019 re: Ruling on Objections to Portions of Testimony. (Donati, J) (Entered: 10/21/2019)
10/21/2019	6358	MINUTE ORDER issued by Courtroom Deputy C. Schultz for District Judge Kimberly J. Mueller: The court has reviewed Defendants' Response to the court's October 17, 2019 Order directing defendants to provide their position with respect to the documents proffered by Dr. Golding's counsel at the conclusion of the taking of evidence on October 16, 2019. The Response was filed in camera as directed by the court, and given that it references material claimed as privileged will be retained by the court as a lodged document, without providing any public disclosure, unless or until further order of the court. Defendants object in part that the documents are not paginated for ease of identification, nor has Dr. Golding's counsel identified which documents respond to which testimony elicited at the evidentiary proceeding. Defendants' objections in this respect are well taken. At the court's request, defendants have Bates-stamped the documents for ease of identification and provided reference copies. Defendants also object to the documents in part on relevance grounds and further argue that, to the extent they are able to match the documents with witness testimony, the documents do not have impeachment value. In this respect as well, on the current record, defendants' objections are well-taken and are SUSTAINED. The court need not and therefore does not reach defendants' additional objections on grounds of privilege. For purposes of clarifying the contents of the record following the evidentiary hearing, the court will not distribute any of the documents proffered by Dr. Golding's counsel to plaintiffs' counsel. The court will retain the documents as lodged documents, without providing any public disclosure, unless or until further order of the court. SO ORDERED. (Text Only Entry) (Schultz, C) (Entered: 10/21/2019)

10/21/2019	6359	MINUTE ORDER issued by Relief Courtroom Deputy G. Michel for District Judge Kimberly J. Mueller: The court earlier today provided defendants an opportunity to maintain their authenticity objection to plaintiffs' Exhibit 164, the whistleblower complaint of Dr. Melanie Gonzalez. Defendants have not notified the court that they maintain the objection. The court thus considers the objection withdrawn. The court having previously overruled defendants' other objections to the complaint, Exhibit 164 is ADMITTED. SO ORDERED. (Text Only Entry) (Michel, G.) (Entered: 10/21/2019)
