In fact, the first families of Yorkshire were Black-a-muurs/Black-a-moors. The York's are a branch of the English royal family of Plantagenet, which was the family of the line of English Kings from Henry II to Richard III (1115-1485). Many people do not know that Black-a-muurs/Black-a-moors faces appear on the Coat-of-Arms of the Yorkshire family. According to "The American Heritage Dictionary" The words Coat of Arms means: 1. A Tabard or Surcoat emblazoned with bearings. 2. An arrangement of bearings usually depicted on and around a shield which indicates ancestry and distinctions. The Noble Muurs-Moors were held in the highest regard as Alchemists, Artists, Astrologers,

Authors, Doctors, Entertainers, Map Makers, Mathematicians, Navigators, Scientist, Seers, Surgeons, and Most of All Rulers! Authors, Doctors, Entertainers, Map Makers, Mathematicians, Navigators, Scientist, Seers, Surgeons, and Most of All Rulers! This proves that the Black-a-muurs/Black-a-moors are the Original Family of Britain, and that the British you see today are ascendants' of these Black-a-muurs/Black-a-moors. In fact the very word British is from the Celtic language of the ancient Britons, Middle English, and British from Old English Bryttisc, relating to the ancient Britons, from Bryttas, of Celtic origin, which in itself is a part of the Goldelic branches that includes Irish Gaelic, Scottish Gaelic, and Manx from Mansk taken from Mon for Man or simply Isle of Man. So as you can see, the British are broken up into many European tribes, all getting their root from the Celts. In that day and time the language Hebrew was one of the language the Black-a-muurs/Black-a-moors used, in Hebrew you find the word Brith (Ber-eeth) which means "A Covenant, Alliance, Pledge, or Confederate. Thus, you have the term, the Confederates." Now with this in-formation, this Imperial Claim of Right for my/our Apostles' of and for the Black-a-muurs/Black-a-moors of the Imperial/Imperial Yorkshire families, and the Isle of Man under the Vienna Convention on Diplomatic Relations of 5 October 1961, is NOW Active and in Force; and the Authority Vulnerable to Acquisition by qualified Sovereignty, and IS NOW Occupied by the Acquisition of a qualified Sovereign by this Verified "Divine 'True' Sovereign Crown Prince" with full faith, credit & venue; via this Royal Decree of Imperial Law, and is Decreed by this Emperor's Directive # 0013Z dated Friday the 13th day of January, 2017 A.D., 'nunc pro tunc to Emperor's Directive-0004Z dated April 3rd, 2013 A.D.', via Imperial Constitution of the Continental Mu'urish Yamaxi Empire/USA SD04010010-1/NA 1-135/MY-000135-Z/ICCMYE-RB 443 700 805 US-04032013831196349/Registration Number: ICMYEGDD-01132017/0831196353 'retroactive to 2007.18.7~2004.4.3/RB 846 573 735 US~2003.13.6~2003.9.5~2002.29.7~1513~to the Beginning of Recorded History...'; Emperor's Directive-0003Z/Notice of Apostille-April 9, 2009 A.D., Notification of Diplomatic Arrival-April 9, 2009 A.D., Live Act of State-April 9, 2009 A.D.; Privileges and immunities of mission of nonparty to Vienna Convention, and venue; including Treaty privileges deriving from the Imperial Red Flag 'nunc pro tunc to 2007.18.7~2004.4.3/RB 846 573 735 US~1787.18.7~1774~1513~to the Beginning of Recorded History as Recorded in the stones at Uaxactun just off the Yucatan Peninsula', and into the future in perpetuity ad inifinitum; by way of this Imperial CMYE Declaration – Imperial CMYE Government Decree (ICMYEGDD) per Emperor's Directive-0004Z dated April 3, 2013 A.D., via Imperial Constitution of the Continental Mu'urish Yamaxi Empire, Part 1 Imperial Law 1, Powers: Imperial Note 12d: continuing from the Louisiana Purchase Question, An Excerpt From The "Nuwaubian Sacred Records of Moors"; There was an expedition in this new world lead by Captain Meriwether Lewis and Captain William Clark, was also made up of three sergeants, 23 soldiers two French interpreters; Sacajawea and Ben York. This Expedition that was actually a mission to spy on the Washitaw nation that was ruling at the time of Ben York; they justified it by saying he was not a citizen but was of direct African descent and not a Moor. He explained that his father, Old York, was African and his mother a Washitaw Woman, making him a Moor by birth, however they still denied him land. After several attempts by Jefferson to solicit the right personage for the assignment of the purchase of Louisiana with three failures, they settled upon one, Meriwether Lewis. "The Lewis and Clark Expedition" also referred to as "The Dancing Explorer" and "The Rode Show" began when William Clark left his reservation in Virginia accompanied by a black Moor married to a Washitaw, known as "Old York", whose Moorish Name was Yusuf Ben Ali born in 1756 - 1880 A.D., Old York was captured at age 18 and was brought in slave of the 1774 A.D., the Moroccan slave trade. He was a son of a Moor, who had a son named Ben Ali, who became known as Ben York, a Linguist, fluent in all the Native American dialects. By this time, Ben York was six feet in height and weighed over two hundred pounds, in an age when most men were less than five foot six. Since no one knew what laid in this vast land that stretched from the Mississippi to the Pacific, the President Thomas Jefferson asked his Secretary

"Eagle" also *Distinctive Appellation* Dr. Malachi Zodok York El (York), YNAG: NA 1-109, is a direct ascendant of Ben York (1779-1893 A.D.) on his Mother and Father side! Ben York (*Yamassee Washita*) was the half brother by the same Father, namely "Old York", A Yamassee Malian Moor, to Anniamaree (PBUH) daughter of Ayimarieeyah (PBUH), the Old Empress of the Washo Tribe. Anniamaree was the legal Washo Wife, and illegal French Wife of Joseph de Maison Rouge, Prince de Conti (PBUH). She was also the Mother of Henry Joseph Turner (PBUH). Henry Joseph Turner became the recipient of the 1762 and 1795 Imperial Spanish Land Grants, and the third (3rd) MARQUIS de MAISON ROUGE! He was named Ben York, meaning "Son of York" from the nick name given to his father "Old York"; however his real name was Ben Ali, "Son of Ali". Ben York (PBUH) also had a brother named Juba from his mother Rose, who can be found in John Clark's of the Lewis and Clark Louisiana, *So-Called Purchase Will of July 24, 1799 A.D.*, in a book called *In Search of York*, by Robert B. Betts, page 85. Juba is a Moorish word, meaning "Well" in Arabic. If he was an African his brother would have had an African or Yoruba name, in view of the Fact that Juba is an Algerian name, ties him back to the Muurs-Moors. This only further proves that Ben York was a Muur-Moor, because he spoke Arabic and French, he learned French from his Father, who was also a Linguist. French is the second language of the Moors in Morocco. The first being Maghribee Arabic: Ben York was used as a Translator for the Lewis and Clark Expedition, as found in the book *"In Search of York"* by Robert B. Betts. Now ask yourself why would educated Europeans have to use a "Negro, Slave" as their Translators? Ben York was also known to have worn *"A Baggy Denim Outfit and a Bloody Red Sash"*. This Sash was a Symbol of a Moorish Flag, which he wore in Remembrance of his Moorish Heritage, as found in the *"In Search of York"* book on page 64. Ben York (*Yamassee-Washitaw Muur*) was the given name of the son of Yusuf Ben Ali a/k/a Old York, also called Abdullah Ibn Ali born 1756 – 1861 A.D., and a Washo woman, named Wards Salim Idriys, also known as "Rose", daughter of Sharufa Salim Idriys, of the Idrisid Dynasty, who were Moorish Malians, who came with one of the many ships that sailed over here from Alkebu-lan/Khem/Africa, by Alkebu-lan Navigators from Mali, riding the Alkebu-lan/Khem/African tide, or currents. The Idrisid Dynasty was the first Arab rulers of the whole of Morocco. They were the descendants of Bilaal son of Rabah and Hamama, an Ethiopian Moor born 551 – 641 A.D. The Idrisid held power in Morocco from 789 A.D., to 926 A.D. The Idrisid was succeeded by other dynasties, both red Arab and red Berber.

Question: What Is The African Tide, or Currents?

Answer: Before the Invention of sails "Africans" were able to sail the waters by learning the tides and currents of the Atlantic and Pacific Oceans. There are two main currents running from Alkebu-lan/Khem/Africa into America, they are the **Guinea Currents** and the **Canary Current**. "The Guinea Current" flows eastward along the Guinea Coast, with frequent cycles out to the sea, where it joins the South Equatorial Current. "The Canary Current" flows southward along the coast of Alkebu-lan/Khem/Africa to Cape Blanc or Cape Verde (Depending on the season), where it splits. One branch continues south along the coast. The other branch flows into The Atlantic and becomes the North Equatorial Currents. *This strikes the American Coast in a broad band from the Guianas through the Antilles.* The Strongest part of this current runs along the coast of Venezuela from Trinidad to the Guajira Peninsula; and the coast of Senegal and Gambia was a propitious region indeed. For this was the Atlantic border of Ancient Mali. It was out of the Senegal River into the Atlantic that the fleet of Abubakari, half brother of Mansa Khan Khan Musa sailed from the West Islands. Ben York's Mother's father was the **Idrisids**. Mansa Khan Khan Musa's people were called **Muur**, by the **French**, and some grafted this term Muur into their language from what they were being called in the Latin Morenos, **Moor for Blackness**, which was a compliment to the term "Negra", meaning "Black". In later years, the **Muurs** were called **Moors**, also spelled **Moore**, **Maur**, and prefixes many names today, as **Mar**, in **Martin**, **Morris**, **Morrison**,

Mauritania, Morgan, Morehead, Maurice, Maurine, Morgan, Morell, Morehouse, Marie, Maori Murphey, and many more even, the prefix of Irish names, such as McDonald, Mcdouglas, Mcdougal, Mcveigh, Mc-Cray. The MC- was the abbreviation for the presence of Moors in Ireland. The Empress of the (Empire) Washitaw de Dugdamountyah, the late Verdiacee 'Tiari' Washitaw-Turner Goston El-Bey, PBUH, declared "That the term Muur is from the Land of Tadmor". These Malians arrived here as Muurs, and they met with the Olmecs, the People of Muu, or Tadmoor, The Ancient Ones, who they lived with and mixed with freely, which resulted in the Washita-Washitaw-Waxitaw. One of the offspring's of this mixture was Ben York, or Mr. T.

Question: Who are the Idrisids?

Answer: The Idrisids were the earliest Islamic ruling Dynasty of Southern Morocco and Mauritania, who came into Morocco before the invasion by the Dogon Malians and the Senegalese in 1727 A.D. The Dogon Tribe of Mali produce many early sailors, such as Mansa Khan Khan Musa who sailed over to these shores in search of his half brother Abubakari, same father, different mother, who dropped Islam and sailed here to America in 1311 A.D., and mixed with the Washitaw Tribe as Olmec, originally from, Nuwba, before they tied into the vines. When Abubakari, the half brother of Mansa Khan Khan Musa arrived on the shores of America there were already Olmecs, here, from Nuwba, of Southern Sudan, known as Nuwbuns, the Original nine ether woolly haired beings, not the Nubians. The Olmecs are also referred to as rubber people. They came here before the Continental Drift, by walking over here, millions of years ago, and setting up what is called Atlantis, coming from the Ancient Mitsrayim Language of Ashuric branch of the Cushite Language, which can be found in Arabic as Atlan, from the root Atla, Meaning "To Vacate, Vacation, Or Travel To Another Place", so they named the place Atlan, which is dual in Arabic, explaining one for South America which became Amexem from Hexian and Aksum, and one for North America which was Atlan; Muurover, the name York is a British name from "Yorkshire, Northern England". Ben York's Parents were named after the two Great British families, The "Yorks" and the "Lancasters" (Battle of the Roses). York was the ruling house of England (1461-1485 A.D), including Edward IV, Edward V, and Richard III. During the Wars of the Roses its symbol was a White Rose. York was a borough of Northern England on the Ouse River East-Northeast of Leeds. Originally it was a Celtic settlement, meaning it was occupied by Moors, because the Celts were the original Moors who inhabited Ireland, occupied by Moors, because the Celts were the original Moors who inhabited Ireland, they we also known as the Tuatha de Danaans. Where the title Mc-, Mac comes from in Ireland; the town was later held by Romans (Italians), Angles (English), Danes (Danish), and Normans (Scottish). The Danes also Danari or black Danars of Denmark, were also Moors, they are recorded as being "Dubb", meaning black. In 1644 A.D., during the English Revolution, York surrendered to the Parliamentarians after the Battle of Marston Moor nearby. Marston Moor is a site in Northern England west of York. The combination of people from Europe who came in contact with these dark olive toned people, referred to as blacks, which translated in the Italian, who spoke Latin as "Morenos" and the French as "Muurs" and the German as "Maurus" and the Greeks "Mauros", which became simply "Moors", and also the Spaniards referred to them as "Negros" from the Greek of their Bible Acts 13:1, Niger, meaning "Black", the combination of Morenos-Negros, you'd get Black-a-Moors: BE IT RESOLVED, That, Aye, Emperor-Monarch-INRI: Divine 'True' Sovereign Crown Prince: the eighth (8th) Marquis de Maison Rouge: His-Imperial-Majesty: Emperor-Monarch-INRI: Khufu Ranub Zodoq Sampson El 'Red Eagle Thunder Fire', Sambhu Re, sui juris, jus soli, jus sanguinis, jus imperii "Ius Imperii", jus gladii "Ius Gladii", jus majestatis "Ius Majestatis", jus honorom "Ius Honorom", of the Continental Mu'urish Yamaxi Empire 208/1992.  - 215/1993.  accept, endorse and enforce all rights, privileges and immunities from All Foreign Entities by this Royal Decree of Imperial Law, and is Decreed by this Emperor's Directive # 0013Z dated Friday the 13th day of January, 2017
