

COMMENCEMENT

UF

UF | UNIVERSITY *of*
FLORIDA

Commencement
SPRING 2023

Greetings from the President

Congratulations, Class of 2023!
This is a big celebration — of your hard work and of this great university.

We know it takes a team to get to this day — your family, study partners, professors, and advisors. We (especially Albert and Alberta) are all proud of your successes.

This is an exciting time. The world of work is being disrupted in big, fascinating ways. Your curiosity, willingness to engage new — sometimes hard — ideas, and commitment to continuing to learn, relearn, and learn anew, will drive your success in this new era that so prizes flexibility, adaptability, and reinvention.

On behalf of UF and your fellow students, thank you for your engagement and contributions to your classes, programs, and fellow Gators. We want you to always consider this great community home — as we work hard to keep engaging in new, meaningful ideas, embracing humility, and building lifelong learners.

I hope you will look back on this time fondly and that you will remain connected to UF as active alumni.

Best wishes — it is Great to be a Florida Gator!

Ben Sasse

University of Florida President

Dr. Ben Sasse

Ben Sasse, former U.S. Senator for Nebraska, joined the University of Florida as a professor and 13th president of the 170-year-old institution in February 2023.

A husband, father, historian, Uber driver, and football addict, Ben is committed to guiding Gator Nation through this era of rapid change in the nature of work, technology, and higher education.

A two-time New York Times national best-selling author, Ben's career has spanned the private and public sectors. As a turnaround guy working for the Boston Consulting Group, McKinsey and Company, and private equity firms, Ben has built dozens of teams that built winning strategies.

Having taught at Yale University, the University of Texas, and Midland University in his Nebraska hometown, Professor Sasse has won teaching awards and holds a Doctorate of History from Yale, where his dissertation won both the Egleston and Theron Rockwell Field best dissertation prizes.

In the U.S. Senate, his work on the intelligence, finance, and judiciary committees focused on the future of work, the future of war, and the First Amendment. A sharp critic of our increasing tribalism, he became both the most censured office-holder in the history of Nebraska — and also, by far, the highest vote-getter in the history of Nebraska.

Ben believes in pluralism, free speech, and the power of ideas to build strong and vibrant communities in our digitally disrupted future. In his Senate farewell address, he praised Americans' tradition as "builders" — of churches and synagogues, schools and little leagues, businesses and "the million and one other associations and organizations and clubs and groups through which we live and pass along our life together."

Ben and his wife, Melissa, have two college-age daughters and an 11-year-old son. Ben, Melissa, and Breck live on campus in The Dasburg House with multiple dogs and Breck's iguana, Dart, who is delighted now to call humid subtropical Gainesville home.

COMMENCEMENT AGENDA – FRIDAY, MAY 5, 7:00 P.M.

Presiding	Ben Sasse <i>President</i>
Processional	UF Symphonic Band UF Concert Choir, Chorale, and Glee Club
National Anthem	UF Symphonic Band UF Concert Choir, Chorale, and Glee Club
Welcome	Ben Sasse
Introductions	Joseph Glover <i>Provost and Senior Vice President for Academic Affairs</i>
Armed Forces Commissions and Recognitions	Joseph Glover
Acknowledgement of Distinguished Awards	
Honorary Degree, Doctor of Music [†]	Tom Petty, <i>College of the Arts</i>
Distinguished Alumna	Deborah L. Ferrée, <i>Warrington College of Business</i>
Alumni Association Remarks	James Gadsby <i>President, UF Alumni Association, Inc.</i>
Commencement Address	Erin Jackson <i>Olympic Gold Medalist</i>
Musical Interlude: “Wildflowers” Tom Petty, composer; Mark Grizzard, arranger	UF Symphonic Band UF Concert Choir, Chorale, and Glee Club
Presenting Candidates for Degrees	Joseph Glover Deans of the Colleges
Conferring of Degrees	David Brandon <i>Member, UF Board of Trustees</i>
Closing Remarks	Ben Sasse
Alma Mater	UF Symphonic Band UF Concert Choir, Chorale, and Glee Club
Recessional	“I Won’t Back Down” [®] 1989; Written by Tom Petty and Jeff Lynne Performed by Tom Petty Album: Full Moon Fever

[†]posthumous

Commencement Speaker

Erin Jackson

Olympic Gold Medalist and UF Alumna

From Ocala, Florida, Erin recalls growing up skating at the local roller rink from as far back as she can remember. At nine, she started roller figure skating, but two years later, her coach moved away. Always drawn to going fast, she switched to inline speedskating in 2003, and in short order, a star was born.

Erin went on to become a 47-time National Champion, an 11-time World Championships medalist, and in 2015, a Pan Am Games medalist.

Sadly, as a teenager, Erin's mother, Rita, passed away, but not before instilling in her the importance of academics before athletics. She went on to graduate cum laude from the University of Florida with a degree in Materials Science & Engineering. She intends to earn a master's degree in materials science and pursue a career in biomedical engineering.

In 2012, at the urging of a friend, Erin gave roller derby a try. With the uncanny ability to accelerate quickly, she was a natural fit. She is now one of the top 'jammers' in the world, has competed at the sport's highest level and is a member of Team USA Roller Derby.

Having reached the pinnacle of competition in both inline skating and roller derby, Erin knew if she wanted a shot at the Olympics she needed to switch to the ice. Following in the footsteps of other inline skaters who had made the transition to the ice, in September of 2017, she packed her bags and moved to Salt Lake City,

Utah, home of the U.S. National Speedskating Team, with her sights set on what she hoped could be a berth on the 2022 Olympic Team.

A quick study, her racing times began dropping sharply. In January of 2018, entering the competition as a virtual unknown and a longshot at best, she electrified the crowd at the 2018 U.S. Olympic Team Trials and earned her spot on the team, becoming the first Black American woman in history to ever do so.

Four years later, Erin has evolved into the best of the best, and in November of 2021 she became the first Black American woman to win a World Cup Gold Medal, marking herself as the gold medal favorite at the 2022 Beijing Olympic Games. Despite the enormous pressure, she delivered at those Olympic Games, earning the title of Olympic Champion.

Honorary Doctorate of Music

Tom Petty

Over his 40-plus-year career, Tom Petty became one of the biggest cultural icons in the world. Hailed as one of the greatest rock artists of all time, his list of achievements include multiple Grammy Award winner, selling more than 80 million records worldwide, Rock & Roll Hall of Fame inductee, and Super Bowl Halftime performer. His music and brand continues to reach fans, both new and old, around the world today, with more than 5.3 billion streams worldwide, more than 3.2 million followers on Facebook, more than 318k followers on Instagram, more than 454k followers on Twitter, more than 586 million views on YouTube and millions of listeners of the Tom Petty Radio channel on SiriusXM. His music defined a generation, and Gainesville defined him. As a lifelong Gators fan, he always aspired to receive an honorary doctorate from the University of Florida.

Distinguished Alumna Award

Deborah L. Ferrée

*Vice Chair Designer Brands Inc. and
Chief Product Officer*

Deborah L. Ferrée was named Chief Product Officer, Designer Brands Inc. (formerly known as DSW, Inc.) in February 2023. She previously served as President of Camuto Group in 2021 and President of Designer Brands Inc. in 2019. She has also been the company's Vice Chair since January 2006. Ferrée joined DSW in 1997 and held roles of increasing importance in the organization before being named Chief Merchandising Officer in 2004. Ferrée came to DSW with nearly 20 years of diverse experience in retail with organizations such as Burdines (a division of Federated Department Stores), Ross Stores and The May Company.

Ferrée has a passion for service and is actively involved in several non-profit and industry organizations. She has served as the Chair of the Two Ten Foundation's Board of Directors and continues as a member of their board. Two Ten provides support, services and programs that improve the lives and careers for the country's 334,000 footwear employees. She serves on the Board of Directors of the FDRA

of New York, which provides its members with innovative products, training, and consulting, and advocates for lower costs for consumers, allowing their members to create jobs. She also sits on The Warrington College of Business Dean's Advisory Council at her alma mater, the University of Florida. In addition, she serves on the Board of Trustees of Olive Crest, a California non-profit dedicated to serving the needs of abused and neglected children.

Outstanding Student Leaders and Scholars

The selection committee for Outstanding Student Scholars considers grade point average, curriculum, academic awards, and research project or honors thesis. The selection committee for Outstanding Student Leaders considers the quality and scope of leadership activities, university-wide leadership, experience, special awards, recognition and recommendations of faculty, staff, and students.

**Magna Cum Laude

***Summa Cum Laude

(Cum Laude, Magna Cum Laude and Summa Cum Laude are tentative and subject to final grades.)

Chain of Office

This custom-made ornament is worn with the president's regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion's centerpiece is a 1.3-carat diamond.

Academic Mace

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university's sesquicentennial celebration in 2003. The 70-inch staff features an alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university's chief marshal, who leads all academic processions, carries the mace.

The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university's chief marshal, who leads all academic processions, carries the mace.

Diplomas

Diplomas will be mailed to the graduate's diploma mailing address in July of 2023.

Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty in this era evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are blue violet; Audiology degrees have colonial blue edging; Business Administration and Accounting are drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white, and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Occupational Therapy is slate blue; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master's degree. A round, open sleeve identifies a doctoral degree.

The blue doctoral regalia also has velvet running on the rest of the gown, including crossbars on the sleeve. Colored tassels on the degree candidates' caps indicate a candidate's school or college.

UF

Alma Mater

*Florida, our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.
Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.
Neath the Orange and Blue victorious
Our love shall never fail.
There's no other name so glorious—
All hail, Florida, Hail!*
