Item # 34273-2

RE: Residency Requirements for Department Heads

To Her Honor, the Mayor, and the Common Council of the City of New Britain:  
the undersigned beg leave to recommend the adoption of the following:

**Resolution Summary:** INTENT AND PURPOSE. To amend Section 2-823 of the Code of Ordinances to reinstate residency requirement for all department head positions.

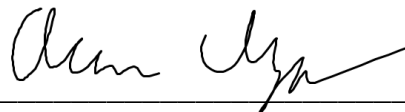

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF NEW BRITAIN that the Chapter 2, Section 2-823 of the Code of Ordinances, City of New Britain, be amended as follows (inserted text appears in underline; deleted text appears in ~~strikethrough~~; new sections begin with the word [new]):

**Sec. 2-823. Examinations.**

Open-competitive examinations shall be administered by the personnel director or by a competent outside agency.

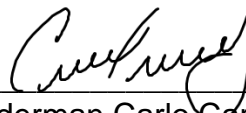

All tests shall be practical and appropriate and shall consist only of subjects which will fairly determine the capacity of the persons examined to perform the essential duties of the position, and may include tests of physical and psychological fitness or of manual skill. Any oral portion of the test shall be conducted by persons qualified in the relevant field. Efficiency in service shall be considered in connection with tests for promotion. No credit shall be allowed for service rendered under a provisional or emergency appointment.

Failure of all department heads including the fire chief, police chief, and any successor director of public works, director of support services, director of recreation and community services, finance director, director of economic development, director of health and building services, director of community development, director of human resources to take up permanent residence in New Britain within one (1) year after the conclusion of the probationary period shall result in immediate termination of employment. ~~As to all other department head positions, the mayor may negotiate an incentive for any department head who establishes permanent residency in New Britain within one (1) year of the date of appointment.~~

## REGULAR MEETING OF THE COMMON COUNCIL

**JUNE 13, 2018**

Mayor Pro Tempore Eva Magnuszewski called the Regular Meeting of the Common Council to order at 7:41 p.m. on Wednesday, the 13th day of June 2018 in the Common Council Chambers, City Hall.

Fourteen members were present at roll call: Ald. Magnuszewski, Reyes, Smedley, Rosado, Albert, Ayalon, Breslin, Giantonio, Naples, Pabon, Salerno, Iris Sanchez, Santiago, and Carlozzi.

One member was absent: Ald. Emmanuel Sanchez who had a family emergency.

The invocation was given by City Clerk, Mark H. Bernacki: O God, our Heavenly Father, we give thanks for the father in our lives. Some fathers are still with us who share their love, wisdom and compassion that only dads can provide. Other fathers have been taken from us but our memories of their love, protection, sage advice, time and family events burn ever strong. We remember the many sacrifices our fathers made for us, and the ways they believed in and inspired us to achieve our dreams and goals and gave us strength during life's challenges. We ask this in Thy name. Amen.

The pledge to the flag was led by Mark H. Bernacki, City Clerk.

Ald. Carlozzi moved to accept and adopt the minutes of the Regular Meetings of April 11, 2018 and April 25, 2018, seconded by Ald. Santiago. So voted.

Ald. Carlozzi moved to amend the Agenda by deleting Item 10, seconded by Ald. Santiago. Roll call vote – all members present voted in favor.

### PETITIONS

## OFFICE OF CORPORATION COUNSEL

**34347 RE: ALLSTATE FIRE & CASUALTY INSURANCE COMPANY V. CITY OF NEW BRITAIN – SETTLEMENT OF SUIT**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

RESOLVED, By the Common Council of the City of New Britain that the sum of ONE THOUSAND DOLLARS (\$1,000.00) be paid to Allstate Fire & Casualty Insurance Company and Law Offices of Mark S. Gilcreast, its' attorney, in full settlement of the lawsuit against the City of New Britain now pending in the Connecticut Superior Court under Docket No. HHB-CV-17-6037333-S. The plaintiff has alleged that its' insured Mr. Gurpreet Singh's vehicle was damaged as a result of the formation of sinkhole in front of 216 Bond Street, New Britain.

As a result of this incident, plaintiff's insured's vehicle was damaged in the amount of \$3,142.62, including Mr. Singh's \$500.00 deductible.

This recommendation is made after a settlement conference with Judge Weiss and with the advice and approval of Corporation Counsel Gennaro Bizzarro, Esq.

This suit is to be withdrawn by the plaintiff without costs to the City of New Britain and settlement is to be made without admission of any liability.

Joseph E. Skelly, Jr.  
Assistant Corporation Counsel

**34348 RE: GENEVIEVE C. SOOVAJIAN V. CITY OF NEW BRITAIN – SETTLEMENT OF SUIT**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

RESOLVED, By the Common Council of the City of New Britain that the sum of THREE THOUSAND DOLLARS (\$3,000.00) be paid to Genevieve C. Soovajian and Michael P. Barry, Esq. her attorney, in full settlement of the lawsuit against the City of New Britain now pending in the Connecticut Superior Court under Docket No. HHB-CV-17-6036064-S as the result of an incident which took place on December 7, 2014. The plaintiff has alleged she was injured as a result of a fall due to a defective condition on the public sidewalk in front of 143-145 Tremont Street.

As a result of this incident, plaintiff sustained several injuries, including a head injury, facial abrasions, contusions, and a sprained left wrist, left arm pain and some right sided chest contusions which resulted in medical treatment at a cost of \$26,403.12. There is a Medicaid lien of \$1,428.93.

This recommendation is made after a pre-trial with Judge Swinton, and upon the advice and approval of Corporation Counsel Gennaro Bizzarro, Esq.

This suit is to be withdrawn by the plaintiff without costs to the City of New Britain and settlement is to be made without admission of any liability.

Joseph E. Skelly, Jr.  
Assistant Corporation Counsel

## PURCHASING DEPARTMENT

**34349 RE: MONTHLY PURCHASING REPORT FOR BID THRESHOLD ITEMS**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

June 13, 2018

In accordance with the New Britain Code of Ordinances, Section 2-566, a monthly report of purchases between \$500 and \$7,500 shall be provided to the Common Council. The report shall include a detailed description of items or services purchased, name of vendor, owner of business and dollar amount spent on each individual purchase as well as the aggregate total of spend to date for the fiscal year.

The Finance Department, Purchasing Division has provided an electronic list of monthly purchases. This document is available in the Council office for review by Council members.

Acceptance is respectfully requested.

Jack Pieper  
Purchasing Agent

### **CLAIMS COMMITTEE**

#### **34350 RE: SETTLEMENT OF CLAIMS – ALICJA ZAREBSKI AND HOMESITE INSURANCE**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

The Standing Claims Subcommittee of the Committee on Administration, Finance and Law at a regular meeting held on Wednesday evening, June 6, 2018, in Room 201, City Hall, having held public hearings and made investigations of said claims, respectfully begs leave to recommend the following:

Resolved; that the sum \$2,295.00 be paid to Alicja Zarebski of 237 Linden Street, New Britain, in full settlement of her claim of property damages sustained as a result of a sanitary main backup on April 16, 2018.

Resolved; that the sum of \$1,000.00 be paid to Homesite Insurance and Kenneth Langille, Esq., their attorney, in full settlement of their claim of property damages sustained as a result of a water meter leak at 39 East Street, New Britain, on October 3, 2017.

Alderman Brian Keith Albert  
Chair

### **REPORTS OF LEGISLATIVE COMMITTEES, BOARDS, COMMISSIONS AND DEPARTMENTS**

#### **FINANCE DEPARTMENT**

#### **34289-2 RE: DETAILS REGARDING ANTICIPATED STATE AID CUTS**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

In response to the above mention petition; In anticipation of the State not fully funding Statutory municipal aid at the levels in the past years, we deemed it appropriate to include at least a 10% probable reduction in state aid. The FY 19 adopted state budget, barring mid-year adjustments next February, is anticipated to provide a reduction of \$2.37 million from the FY 18 adopted State budget. The City's budget estimated 10% reduction of non-education statutory state aid was \$1.15 million (not including motor vehicle reimbursement). The shortfalls from the State budget affects the city, not just departments as these grants in aid go to support the general fund.

Jonathan M. Perugini  
Deputy Finance Director

June 13, 2018

Lori A. Granato  
Finance Director

Ald. Carlozzi, Jr. moved to accept, seconded by Ald. Smedley. So voted. Approved by Mayor Erin E. Stewart June 19, 2018.

## **NEW BUSINESS**

### **RESOLUTIONS**

#### **34351 RE: JUNE 14, 2018 AS FLAG DAY**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

WHEREAS, since 1916, Americans have joined together to honor and celebrate the symbol of freedom, prosperity and hope for this great Country; and

WHEREAS, President Woodrow Wilson over one hundred years ago officially established Flag Day as June 14th; and

June 13, 2018

WHEREAS, the American flag represents to all Americans, young and old, throughout this City, our Country and the World, an example of liberty, democracy and prosperity to all those willing to strive to fulfill personal achievements, political success, patriotic duty, religious freedom and fruition of life; and

WHEREAS, we, as a City and a Nation, take great pride and reverence in honoring those who have enabled our flag to stay raised and our Country to stay strong; and

WHEREAS, we recognize the vast sacrifice of the lives that have been lost and the great gift of the lives that have been saved through the service of our military men and woman; and

NOW, THEREFORE, BE IT RESOLVED, that the Common Council of the City of New Britain recognizes the week of June 14th as Flag Week and the day of June 14th as Flag Day, to celebrate this great Country and our symbol, the American Flag, a beacon of hope and a constant reminder of what this great Country has to offer all individuals, no matter race, creed or color; and

BE IT FURTHER RESOLVED that we, as a community, join in by raising the American Flag outside of our homes, our businesses and our municipal buildings to show our pride and gratitude for this great Nation.

Alderman Richard Reyes

Ald. Reyes moved to accept and adopt, seconded by Ald. Rosado. So voted. Approved by Mayor Erin E. Stewart June 19, 2018.

**34352 RE: SUPPORT RESOLUTION FOR MAIN STREET AT LAFAYETTE STREET TRAFFIC SAFETY IMPROVEMENTS, STATE PROJECT NO. 88-194**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

Whereas, the Public Works Department has applied for and received funding under the Connecticut Department of Transportation's Local Road Accident Reduction Program for Main Street at Lafayette Street Traffic Safety Improvements, State Project No. 88-194; and

Whereas, this project will replace the existing 4-way stop controlled intersection at Main Street and Lafayette Street with a new traffic signal in an effort to reduce the amount of vehicular and pedestrian crashes which occur at this location; and

Whereas, the Preliminary Design stage has been completed on Main Street at Lafayette Street Traffic Safety Improvements, State Project No. 88-194, and the City of New Britain has published display advertisements in local newspapers, mailed the display advertisement to a number of officials and agencies and mailed a formal letter to abutting and surrounding property owners to inform the Public about a Public Information Meeting which was held on Thursday May 31, 2018, in City Hall Room 501 located at 27 West Main Street New Britain, CT 06051, at 6:00 pm, at which meeting interested parties had an opportunity to review the project and voice any concerns; and

Whereas, the project is located on municipally owned roads and construction costs are currently estimated at \$600k and will utilize 90% Federal Highway Administration funds and 10% City of New Britain funds; and

Whereas, the City has considered the comments made at the public information meeting and finds that the proposed Main Street at Lafayette Street Traffic Safety Improvements, State Project No. 88-194 is in the best interest of the City of New Britain and will promote the health, safety and general welfare of its residents and provide for convenience and safety of the public; and

June 13, 2018

Therefore, be It Resolved that the City of New Britain, based on the above information, and by virtue of this resolution, hereby fully supports the Main Street at Lafayette Street Traffic Safety Improvements, State Project No. 88-194.

Alderman Carlo Carozzi, Jr.  
Alderwoman Eva Magnuszewski  
Alderman Don Naples  
Alderwoman Iris Sanchez

Ald. Naples moved to accept and adopt, seconded by Ald. Salerno. So voted. Approved by Mayor Erin E. Stewart June 19, 2018.

**34353 RE: PUBLIC BID NO. 3946 - CHEMICALS AND GASES FOR THE PUBLIC WORKS DEPT., UTILITIES DIV.**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

WHEREAS, Public Bid No. 3946 was solicited and received in accordance with the Purchasing Ordinances of the City of New Britain for Chemicals and Gases for the Public Works Department, Utilities Division; and

WHEREAS, Funding is available for this purchase within the Public Works Department, Utilities Division's Account Number, 9303500103-5616, Water Treatment Expenses, Chemicals; and

## REGULAR MEETING OF THE COMMON COUNCIL

**JUNE 27, 2018**

Mayor Erin E. Stewart called the Regular Meeting of the Common Council to order at 8:00 p.m. on Wednesday, the 27th day of June 2018 in the Common Council Chambers, City Hall.

Thirteen members were present at roll call: Ald. Magnuszewski, Emmanuel Sanchez, Reyes, Smedley, Albert, Ayalon, Giantonio, Naples, Pabon, Salerno, Iris Sanchez, Santiago, and Carlozzi.

Two members were absent: Ald. Rosado who is out of state, and Ald. Breslin.

The invocation was given by City Clerk, Mark H. Bernacki: O God, our Heavenly Father, we give thanks for the long warm days. A time for picnics with our family and friends, a swim, a relaxing walk through Walnut Hill or the Stanley Parks or celebrating our independence at the Great American Boom. Help us to slow the pace in our lives and fill us with the love and gentle compassion for all your people. We ask this in Thy name. Amen.

The pledge to the flag was led by Skylar Fraser.

Ald. Magnuszewski moved to accept and adopt the minutes of the Regular Meetings of May 9, 2018 and May 23, 2018, seconded by Ald. Santiago. So voted.

#### **34161-1 RE: TRAFFIC CONTROL SIGNAL NORTH STREET AND STANLEY STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

On December 13, 2017, the Traffic Safety Bureau received petition number 34161 authored by Alderman Richard Reyes which stated "A traffic study to upgrade the existing traffic light at the corner of North Street and Stanley Street to include a left turn signal to prevent further accidents and loss of life."

The electronic Traffic Control Signal at the intersection of Stanley Street (SR71), North Street and Martin Luther King Drive is owned and maintained by the Office of the State Traffic Administration (OSTA) and the Department of Transportation (DOT) therefore any changes, modifications or upgrades would need to be approved and funded by the State of Connecticut. In consultation with Project Manager CJ Gandza, the City of New Britain Department of Public Works will contact the CT DOT to notify them of this request.

Lieutenant John Rodriguez

#### **34297-1 RE: TRAFFIC CONTROL SIGNAGE ON HAZELMERE ROAD**

June 27, 2018

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

On April 25, 2018, the Traffic Safety Bureau received petition number 34297 authored by Alderman Don Naples which stated "For the investigation of the addition of traffic control signage on Hazelmere Road at the intersection of Kilbourne Avenue. A safety hazard has been reported following new residential construction in the area."

The T-shaped intersection of Hazelmere Road and Kilbourne Avenue is located in a residential neighborhood with relatively low traffic volumes. The eastern portion of Kilbourne Avenue that extends past Hazelmere Road contains only one residential home and essentially acts as an extension of its private driveway.

The overwhelming majority of motor vehicles travelling south on Hazelmere Road will turn right (west) onto Kilbourne Avenue and continue onto Stanley Street and inversely, the overwhelming majority of motor vehicles travelling east on Kilbourne Avenue will turn left (north) onto Hazelmere Road.

The Federal Highway Administration's Manual on Uniform Traffic Control Devices Section 2B.05 along with the Connecticut Traffic Commission Regulation 14-298-523 dictate that Stop Signs are not warranted for Hazelmere Road and Kilbourne Avenue based on the following criteria:

- Clear and sufficient sightlines exist in all directions for Hazelmere Road and Kilbourne Avenue
- Stop signs shall not be used for speed control
- A HeartBeat CAD query for the area of Hazelmere Road and Kilbourne Avenue from January 1, 2015 to this date lists zero (0) motor vehicle crashes or complaints
- The installation of a stop sign on either Hazelmere Road or Kilbourne Avenue will likely result in minimal compliance due to the low traffic volumes which will only increase the safety concerns

Lieutenant John Rodriguez

**34300-1 RE: REMOVAL OF HANDICAP SIGNAGE AT 206-208 CLARK STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

On April 25, 2018, the Traffic Safety Bureau received petition number 34300 authored by Alderwoman Iris Sanchez which stated "For the investigation of the removal of the handicap parking sign located between 206 and 208 Clark Street. Residents have requested the removal of the sign."

The handicap parking sign in question does not appear to have been installed or maintained to the correct traffic control standards. I could not locate any previous requests or petitions for its installation and the Department of Public Works does not have it listed in their database.

Lieutenant John Rodriguez

**34319-1 RE: NO PARKING ANY TIME ON 101 UPTON STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

On May 9, 2018, the Traffic Safety Bureau received petition number 34319 authored by Alderman Daniel Salerno which stated "For the Traffic Division to review and assess possibility for additional "No Parking Any Time" signs in and around 101 Upton Street, near the cul-de-sac. Residents are requesting this consideration."

June 27, 2018

I consulted with Project Manager CJ Gandza and Field Services Superintendent Michael Thompson regarding this petition. There are no sight line or snow removal issues for the plow trucks and Upton Street is of sufficient width to allow access for larger emergency vehicles. The south side of Upton Street is currently posted No Parking Any Time from Lowell Street to the beginning of the radius of the cul-de-sac. There does not appear to be a legitimate reason to install additional no parking restrictions on Upton Street as other cul-de-sac roads in this area are posted in a similar manner.

Lieutenant John Rodriguez

**34320-1 RE: NO OUTLET SIGNS STEPHEN COURT AND RONALD ROAD**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

On May 9, 2018, the Traffic Safety Bureau received petition number 34320 authored by Alderman Carlo Carozzi Jr. which stated "For the Board of Police Commissioners to move the 'Dead End' sign currently on Stephen Court closer to the intersection of Stephen Court and Ronald Road and to review the need for a 'No Outlet' sign in addition to the 'Dead End' sign. Residents have complained that bus traffic not familiar with the area use Stephen Court believing it will lead to Jefferson School, not realizing it is a dead end. The street is so narrow that it is then so difficult for these busses to back out of the street."

Based on a survey of the area, the current signage is in the proper location and is visible to motorists traveling through the area. I will request that the Department of Public Works inspect and upgrade the sign if needed to ensure it is reflective during low light conditions. I will contact the various transportation companies to make their drivers aware of this complaint and to be more vigilant especially when a new driver is assigned to the route.

Lieutenant John Rodriguez

**34359-1 RE: GUARDRAIL INSTALLATION AT 508 STANLEY STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

On June 14, 2018, the Traffic Safety Bureau received petition number 34359 authored by Alderwoman Eva Magnuszewski. The aforementioned petition was also sent to the Department of Public Works.

The petition was a request for the installation of a guardrail in front of 508 Stanley Street. The request referenced the fact that "the residents at that location have had their property destroyed three times in the last six years due to stolen car pursuits, with the most recent being May 2018. Please see police case No. 18-18878 for reference."

In researching the history of motor vehicle accidents at this location I was able to determine that there have been a total of (38) thirty-eight motor vehicle accidents in this immediate area since 1994. Five (5) of the said motor vehicle accidents resulted in damage to the property at 508 Stanley Street. The residents of 508 Stanley St. accurately reported that the said property suffered considerable damage as the result of (3) three separate motor vehicle accidents that took place over the last (6) six years. All supporting documentation enclosed.

The statistics listed above demonstrate a high probability that accidents will continue to occur at this location in the future. Based on the dwelling's close proximity to the road in relation to the "T" style intersection there is a potential for a motor vehicle to crash into the residence. If the dwelling is occupied at such time there is a high probability of personal injury.

Based on the above listed facts and circumstances it is my recommendation, solely from the standpoint of public safety, the requested guardrail be installed.

Respectfully submitted,  
Captain William E. Steck

## RESOLUTIONS RETURNED FROM COMMITTEE

### 34196-2 RE: AMENDMENT TO CODE OF ORDINANCES FOR THE PRESERVATION AND MAINTENANCE OF TREES

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Resolution Summary: INTENT AND PURPOSE: To establish a comprehensive Ordinance for the preservation and maintenance of trees.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF NEW BRITAIN that the Article II, Chapter 17 of the Code of Ordinances, City of New Britain, be amended as follows: (inserted text appears in underline; deleted text appears in ~~strike through~~; new sections begin with the word [new]):

#### ARTICLE II. – BOARD OF PARK AND RECREATION COMMISSION

~~Sec. 17-22. – Tree warden; powers and duties.~~

~~The commission is appointed tree warden of the City of New Britain and shall have all the powers and perform all the duties of tree wardens by law provided. Said commission may permit the removal, trimming or repair of trees within highway limits of the city, or adjacent thereto, by owners of abutting~~

~~property and may order such owners to remove, repair or trim trees, hedges or shrubs, or to cut and remove the roots thereof, which may in any way endanger travelers upon the public highways and sidewalks within said city or upon private ways and walks permitted by the owners of the abutting land to be used by the public, or which damage or threaten to damage public water, sewer or other pipes, mains or conduits, and it may order such owners to remove or trim trees or to cut and remove the roots thereof, whether such trees are located within the highway limits or in such proximity to the highways as to endanger public travel or such public conduits, mains or pipes and may order that the expense thereof be paid by the owner or owners of such abutting property. If the owner or owners of any such land shall fail to carry out any such order in such manner and within such time as said commission shall direct, said commission shall cause such work to be done and shall ascertain the expense thereof and order the same to be paid by such owner or owners. The authority conferred upon the common council and the board of public works, by sections of the charter relating to the repair of sidewalks, is conferred upon the commission in relation to the collection, by lien or otherwise, of the expense of work or materials in carrying out such orders.~~

~~Sec. 17-23. - Care of trees and shrubs; private property.~~

~~The commission is authorized to plant, trim, spray, care for and preserve shrubs and ornamental or shade trees within the limits of any public highway, or grounds under its control and, with the written consent of the owner thereof, upon land adjoining such highway or grounds if not more than ten (10) feet therefrom, for the purpose of shading or ornamenting such highway or grounds. All shrubs and trees planted under the provisions of this section shall be deemed public shrubs and trees and shall be under the care and control of said commission and may be removed only upon a written permit from it.~~

~~Sec. 17-24 22. - Fines and penalties relating to violation of park rules.~~

~~The commission may, with the approval of the common council, make, change, or alter such rules and regulations as they shall deem necessary for the regulation and management of all parks and the use thereof by the public, and the violation of such rules and regulations so approved by the common council for the use of such parks, by any person and said common council shall by ordinance prescribe punishment for said offense; provided that no such penalty shall exceed the maximum fine permitted by the general statutes.~~

#### [NEW] ARTICLE VI. – TREE ORDINANCE

Sec. 17-83 – Generally

This article shall be known and referred to as the “Tree Ordinance of the City of New Britain”.

Sec. 17-84. - Purpose.

The City of New Britain is characterized by its rich heritage of trees. New Britain's Trees clean the air, calm traffic, increase property values, reduce storm water run-off, and otherwise enhance the quality of life. The goal of this ordinance is to maintain and grow New Britain's urban forest, maintain trees in a healthy condition, protect existing trees, and mitigate losses and damage to these trees.

Sec. 17-85. - Definitions.

*Alter* means to take action by removing branches or by filling, surfacing, grading, compacting, channeling or changing the drainage pattern of the soil surrounding any tree not including normal seasonal pruning/shaping of a tree necessary for normal growth.

*Best Interest* is a determination based on reviewing all relevant factors, including but not limited to the preservation of trees, the impact on the streetscape, the maintenance of an effective tree canopy, the

importance of the particular tree, the health of the tree and its impact on safety and the overall impact that the loss of the tree would have on the City's urban forest.

City Tree means a Public tree or a Streetscape tree.

Damage means to act in a manner to jeopardize a tree's health or cause its appearance to be defaced. Actions that constitute damage include, but are not limited to: posting bills, hanging streamers and/or decorations, driving any objects into a tree, carving the bark of a tree, digging/excavating/paving within the Drip Line in a way which impacts the root system, painting a tree, setting fire to a tree or allowing harmful substances to come in contact with a tree.

DBH (diameter at breast height) means the diameter of a tree at fifty-four (54) inches above grade as indicated by the United States Forest Service method.

Drip Line means a conceptual line along the ground that conforms to the perimeter of the crown of the tree and projects vertically to the ground.

Grove means a grouping of ten (10) or more trees, as defined in this Section, located on one quarter (¼) acre or less.

Hazardous Tree means a tree that is likely to create hazardous conditions on roadways or sidewalks or to cause imminent damage to public property, private property or utility wires.

Legacy Tree means any tree as determined by the Tree Warden to be of unique and intrinsic value to the general public because of its size, age, historic association, ecological importance or aesthetic value. Legacy Trees may be located on public and private properties.

Master Tree Plan means a document prepared by the Tree Warden with input from applicable personnel, which establishes direction for the City's urban forestry program and shall include targets for tree canopy cover and tree diversity. It shall also reference standards for safety in ~~tree care operations, tree planting, and tree maintenance.~~ It shall also include guidelines for specifications relating to ~~trees and tree care and for contract tree work.~~ In addition, the Master Tree Plan shall outline a broad program for the improvement of the urban forest that may include recommendations for urban forestry activities in specific neighborhoods, along specific streets, and in areas of the City such as Historic Districts. The Master Tree Plan may also include a plan for management of City-owned woodlands, such as those that exist in City parks. The Master Tree Plan shall be integrative with other City plans and activities. The Master Tree Plan shall incorporate the most recent tree inventory as conducted by the Tree Warden and may include additional studies of the urban forest.

Public Place means any space owned by the City of New Britain, including property operated or controlled by the New Britain Board of Education, including any space in a City park.

Public Tree means any tree in a public place.

Remove means to cut down a tree or to take any other action which may cause a tree to die within a two-year period.

Right-of-way means the area controlled by the City which abuts any City street, as shown on the New Britain's Board of Public Works street line maps.

Streetscape Tree means any tree on private property with a base that originates in the right-of-way or not more than five (5) feet from the right-of-way and serves as part of the tree line of a street. A tree is considered within the right-of-way if a vertical line from the part of the trunk nearest to the street at a height of fifty-four (54) inches is within the right-of-way.

Super Hazardous Tree is an otherwise Hazardous tree which has been ordered removed by the Tree Warden or its designee on an emergency basis because it represents such an immediate hazard to public safety that removal cannot be deferred and the structure cannot be protected, secured, or stabilized by reasonable measures specified by the Tree Warden or its designee. This Article shall not apply to any alteration or pruning ordered by the Tree Warden or its designee on an emergency basis because the condition represents an immediate hazard to public safety or structure integrity that alteration cannot be deferred and that such Super Hazardous Tree cannot to protected, secured, or stabilized by reasonable temporary measures specified by the Tree Warden.

June 27, 2018

Tree means any living woody, self-supporting plant that has a defined stem(s) with a DBH of at least two (2) inches using the United States Forest Service method of determination.

Tree Inventory means at a minimum a recording of the size, condition, location, and species of all Streetscape Trees and of all planting locations which could reasonably accommodate a Streetscape Tree. A tree Inventory may also include a description of the tree canopy and description of the extent and condition of trees in the City, including those on private property, in parks, and other public areas.

Sec. 17-86. Tree Warden's Powers and Duties.

The Board of Public Works is appointed Tree Warden of the City of New Britain and shall have all the powers and perform all duties of tree wardens by law provided. Said Board may permit the removal, trimming or repair of trees within highway limits of the city, or adjacent thereto, by owners of abutting property and may order such owners to remove, repair or trim trees, hedges or shrubs, or to cut and remove the roots thereof, which may in any way endanger travelers upon the public highways and sidewalks within said city or upon private ways and walks permitted by the owners of the abutting land to be used by the public, or which damage or threaten to damage public water, sewer or other pipes, mains or conduits, and it may order such owners to remove or trim trees or to cut and remove the roots thereof, whether such trees are located within the highway limits or in such proximity to the highways as to endanger public travel or such public conduits, mains or pipes and may order that the expense thereof be paid by the owner or owners of such abutting property.

If the owner, or owners, of any such land shall fail to carry out any such order in such manner and within such time as directed, the Tree Warden or its designee, shall order such work to be done and shall ascertain the expense thereof and order the same to be paid by such owner or owners. The authority conferred upon the common council and the board of public works, by sections of the charter or ordinances relating to the repair of sidewalks, is conferred upon the Tree Warden in relation to the collection, by lien or otherwise, of the expense of work, equipment and of materials in carrying out such orders.

In addition, the Tree Warden shall perform other special duties related to trees, shrubs or vines in highways, public parks and public grounds as may be required under the provisions of the Charter, ordinances and state law. In particular, the Tree Warden shall have the rights, powers and responsibilities of a Tree Warden as defined in Section 23-59 of the Connecticut General Statutes. The Tree Warden, or its designee, shall have the discretion ~~right~~ to determine whether any specific plant shall be considered a tree or shrub whether a tree is hazardous and shall have the authority to determine the monetary value of any tree for the purpose of assessment.

Within one hundred eighty (180) days of the effective date of this ordinance, the Tree Warden shall begin to conduct a tree inventory of City owned street trees, and trees on City property with a DBH of 24" or greater. When completed, the inventory shall be available to the public and shall be updated if possible every ten (10) years.

Tree plans for both public and private projects construction projects are subject to the review and approval of the Tree Warden. This review and approval is typically performed by staff designee(s) as part of Public Works' Engineering Division's site plan review with input from the Forestry staff if applicable.

The Tree Warden shall recommend a budget for the planting of new trees in Public Works annual general fund budget, and shall generally plan for the planting of forty five (45) 3" caliper trees minimum. The trees shall be of mixed species, shall conform to Public Works engineering standards and be suitable for survival in an urban environment.

The Tree Warden or its designee shall have the authority to issue citations for violations of this article. Removal of a public tree with a DBH of 24" or greater shall be permitted only if authorized by the Tree Warden or designee.

The Tree Warden or its designee shall maintain communication with utility companies whose maintenance and activities, may impact City owned trees, the City's overall tree canopy and coverage. Efforts shall be made to help assure that impacts to trees by utility companies are minimized, and the Tree Warden shall adopt tree protection policies applicable to utility companies. The City recognizes that state law for public service utilities shall control in the event of conflict with any provision of this ordinance.

Sec. 17-87. Care of Trees and Shrubs.

The Public Works Department is primarily charged with planting, trimming, spraying, and caring for and preserve shrubs and ornamental or shade trees within the limits of any public highway, or grounds under its control.

Sec. 17-88. - Legacy Tree Program.

The Tree Warden shall establish a Legacy Tree Program in order to catalog Legacy Trees in the City of New Britain. The public shall be encouraged to provide input to the Board of Public Works annually about which trees should be included in the catalog. The Tree Warden shall keep a record of all trees designated as *Legacy Trees* and shall notify the record property owner by regular mail for any *Legacy Tree* located on private property.

Sec. 17-89 - Planting Trees in Public Places

To contribute to the urban forest of New Britain, the public shall be encouraged to plant trees in public places in the City and in areas which fill in gaps in the tree line or near the right-of-way. Any organization or person wishing to plant a tree in a Public Place or a right-of-way must submit to the Tree Warden the location, species, size of the proposed tree(s) and must obtain a permit from the Tree Warden or designee prior to planting. Once planted in a public place or right-of-way, the tree shall become the property of the City of New Britain.

Sec. 17-90 - Altering or Damaging Trees in a Public Place or Right-Of-Way

- (a) Any person wishing to alter a City Tree shall apply in writing for a permit to the Tree Warden prior to taking such action. The Tree Warden shall have the discretion to determine whether such action is in the best interest of the City's urban forest and shall notify the applicant of the decision by regular mail within twenty (20) business days of receipt of the application.
- (b) A person may appeal the decision of the Tree Warden within twenty (20) days of the postmarked date of the Tree Warden's notification.
- (c) Any person who violates the provisions of this Section shall be subject to a fine not to exceed two hundred-fifty dollars (\$250.00) per violation. The Tree Warden or designee shall have the authority to issue a citation for violations. The citation shall be subject to the procedure for enforcement of ordinances set forth in Section 1-17 of the Code of Ordinances shall apply. An affirmative defense may be asserted that it was necessary to take emergency action without a permit because a super hazardous condition existed so that immediate action was required due to the threat of imminent harm.

Sec. 17-91 - Tree Removal

- (a) The removal of trees identified as *Legacy Trees* shall require the approval of the Tree Warden.
- (b) Any party may appeal the decision of the Tree Warden through a written petition requesting a hearing and setting forth a brief statement of the grounds therefore within five (5) business days after the postmarked date of the notice of potential violation. Upon receipt of such petition, the Director of Public Works shall set a time and place for such hearing and shall give the petitioner written notice thereof. At such hearing, the petitioner shall be given the opportunity to be heard and to show why such appeal should be granted. After such hearing, the Director shall sustain or reverse the decision of the Tree Warden.

Sec. 17-92 - Protection During Construction.

- (a) All trees on or near the grounds of any construction or excavation project shall be protected in accordance with City standards for tree protection which include the latest edition of the American National Standards Institute, Inc., Standards for Tree Care Operations—Tree, Shrub, and other Woody Plant Maintenance—Standard Practices (Management of Trees and Shrubs During Site Planning, Site Development, and Construction). A copy of the City's standards shall be on hand in the City's Engineering office and be made available to the public.
- (b) Any person or entity found in violation of subsection (a) of this Section shall be subject to a fine not to exceed two hundred-fifty dollars (\$250.00) per day that the violation persists. The Tree Warden or designee shall have the authority to issue citations, which shall be subject to the procedure for enforcement of ordinances set forth in Section 1-17 of the Code of Ordinances.
- (c) Any person or entity found in violation of subsection (a) herein shall post a five (5) year bond in the amount of the replacement value of such tree(s) if the Tree Warden determines there is a substantial risk of damage to the tree(s). Bond shall be forfeited if the Tree Warden determines that the tree is dead within the five (5) year period.

Sec. 17-93 - Tree Replacement.

- (a) The City shall replace any public tree which is removed due to disease, vehicle damage, overgrowth, pedestrian hazards, and other issues at a one to one ratio unless otherwise approved by the Tree Warden.
- (b) Capital Projects undertaken by the City shall make reasonable efforts to replace trees removed as part of the construction subject to the approval of the Tree Warden.
- (c) Trees removed on private property which were planted following an approved Site Plan shall be required to be replaced if the property owner did not obtain approval of a site plan modification.
- (d) If a Legacy Tree is removed on public property without prior approval of the Tree Warden, the offending party shall be required to pay the City of New Britain an amount equal to two times the assessed value of the Legacy Tree as determined by the Tree Warden.
- (e) The siting of any replacement tree or trees shall require the approval of the Tree Warden or designee.
- (f) The acceptable method of replacement is as follows:
  - Replacement of the tree with a tree of equal or greater DBH at the location of the tree being replaced or at a different location identified or approved by the Tree Warden and to be maintained for at least a period of two (2) years from the date of planting by the owner. The owner shall replace any tree that dies during this time period.

Sec. 17-94 - Planting Requirement

- (a) 1. All new public and private development project plans shall include plans for tree planting, including landscaping and shall adequately provide tree canopy protection. Any such Tree development project plan is required to be approved by the Tree Warden or designee;
  - 2. To reduce disruption of electrical service during severe weather, trees adjacent to utility wires should have mature heights shorter than the wires, or be set back a sufficient distance from the wires so that any broken branches or wind conditions are unlikely to cause contact;
  - 3. Landscaping requirements for development projects shall at a minimum conform with Sections 240-70-90 through 240-70-90.60 of the City of New Britain zoning ordinances.

- (b) Public and private development project plans shall require the creation and maintenance of canopy coverage of at least fifty (50%) percent after fifteen (15) years over those areas of the site to be developed that will not include buildings, parking lots or athletic fields. The Tree Warden may grant exceptions to this policy for extenuating circumstances. In such a case, in lieu of planting new trees, the Tree Warden may permit payment at the price of two hundred fifty dollars (\$250.00) per tree not included in the plan that would otherwise be necessary to achieve the desired canopy cover. The payment in lieu of planting shall be deposited to the New Britain Tree Account.
- (c) Any property not in compliance with the approved site plan requirements shall be subjected to a charge of two hundred fifty dollars (\$250.00) per tree for each tree not planted, or removed after a Certificate of Occupancy was issued in accordance with the approved plan. This money shall be deposited in the New Britain Tree Account.
- (d) Any decision of the Tree Warden may be appealed pursuant to the procedure set forth in Section 1-17 of the Code of Ordinances.

Sec. 17-95. – City of New Britain Tree Account.

- (a) There is hereby established a Demand Deposit Account known as the New Britain Tree Account. Such Account is established under authority of the General Statutes for the exclusive purpose of funding activities which implement or promote the purposes of this Article.
- (b) The New Britain Tree Account shall consist of the following funds:
  - 1. All fines paid pursuant to this Article, all processing fees paid pursuant to this Article, all payments made pursuant to this Article and all payments in lieu of planting made pursuant to this Article;
  - 2. All gifts and grants from any source, public or private, made to the City and designated for trees or improvements to the urban forest;
  - 3. Any funds from any source designated by the Common Council to be added to the Account; and
  - 4. All investment income earned by the Account.
- (c) Money in this Account may be spent for the purposes authorized by this Section within the City's general purchasing thresholds and shall require the approval of the City Council if necessary. Expenditures may be made as follows:
  - 1. All moneys received by the Account shall be used only for the purchase and planting of trees;
  - 2. Any restricted moneys received by the Account shall be expended in accordance with any applicable restrictions;
  - 3. At least half of the remaining unrestricted funds may be expended for the purchase and planting of trees; and
  - 4. All other unrestricted funds may be spent for any activity consistent with the purposes of the Account.

Sec. 17-96. - Cumulative effect and severability.

This Article shall be subject to all applicable State and Federal laws and shall not impede compliance with such laws. The provisions of this Article are in addition to and not in place of any powers, requirements, or other provisions of State or Federal law. If any provision of this article is held to be

June 27, 2018

invalid by a court of competent jurisdiction, then such provision shall be considered separate and apart from the remaining provisions, which shall remain in full force and effect.

**34361 RE: FY 19 GENERAL FUND BUDGET - FIREWORKS FUND. \$95,000 FOR JULY 4, 2018 FIREWORKS CELEBRATION**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

PURPOSE: To authorize the Mayor to sign a contract, all permits, and firework documents related to the firework show on July 4, 2018. In addition the City has a fiscal year that ends at June 30th and a new fiscal year begins on July 1st. The Finance Department needs time to process the payments for July 4th, but the July 4th Fireworks budget money is not available until July 1st of FY 19. Due to the timing of these transactions happening at fiscal year end, the cost of the July 4, 2018 fireworks celebration will come out of Fund 256, the on-going Fireworks Fund.

Whereas, the City of New Britain went out to bid for a firework show with Public Bid #3926, and

Whereas, the Parks, Recreation and Community Services administration has analyzed the bids that were received and interviewed the most responsible bidder and recommended Pyrotecnico out of New Castle, Pennsylvania with a \$25,000 bid, and

Whereas, Pyrotecnico offered the largest number of shells and sizes as desired by the Parks, Recreation and Community Services Department, and

Whereas, there is \$95,000 available in the FY 19 General Fund Budget in 001625101-7010 Transfer Out to Other Funds,

June 27, 2018

Therefore, Be It Resolved, that the Fireworks Fund budget be amended for this purpose as follows:

<u>Increase Revenues:</u>		
256417008-6001	Fireworks Fund – Transfer from General Fund	\$ 95,000
		\$ 95,000
<u>Increase Expenditures:</u>		
256417008-5122	Fireworks Fund – Overtime	\$ 55,005
256417008-5124	Fireworks Fund – Part Time Salaries	\$ 1,890
256417008-5807	Fireworks Fund – July 4th Fireworks	\$ 25,000
256417008-5897	Fireworks Fund – Miscellaneous	\$ 13,105
		\$ 95,000

## **DEPARTMENT OF PUBLIC WORKS**

### **34359-2 RE: GUIDERAIL INSTALLATION AT 508 STANLEY STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Public Works reviewed City Council petition request 34359 about installing metal guiderail along the frontage of 508 Stanley Street. The petition is in response to property damage that has occurred along the frontage of 508 Stanley Street as a result of vehicle accidents. These accidents occurred because vehicles failed to stop at the stop sign on Kelsey Street at it's intersection with Stanley Street, and then crashed in the front of 508 Stanley Street. That there is repeated crashes is a significant safety concern that we concur needs to be addressed.

Public Works Engineering staff reviewed this petition request not only as it relates to the installation of guiderail, but also to try and determine what measures could be taken to prevent future accidents from occurring at this location.

Our engineering review indicates that the intersection of Stanley Street and Kelsey Street is poorly aligned due to widening that occurs on both Stanley Street and Kelsey Street. Stanley Street gets wider on both sides of the road, and along the 508 Stanely Street frontage goes from 30' wide to 55' wide. The northern side of Kelsey Street also gets wider as it approaches Stanley Street. These overly wide pavement widths and poor intersection alignment contribute to drivers not paying attention to the Kelsey Street stop sign at Stanley Street, and traveling through this intersection without coming to a complete stop.

Public Works recommends making improvements to the alignment of the Stanley and Kelsey Street intersection, and has identified three options of varying scope and cost that would significantly reduce the likelihood that accidents of this type would continue to occur. All the options involve better aligning this

July 11, 2018

intersection, and narrowing the pavement widths as well as some restriping. A significant amount of sidewalk reconstruction could also be involved. The three options will be provided to the City Council on a plan labeled RWY-01 in advance of the July 11th meeting for further clarification.

Public Works recommends against the installation of guiderail along the 508 property frontage. Installing guiderail at this location does not meet State or Federal guiderail installation warrants which are followed when placing guiderail. Guiderail itself is considered a roadside hazard, and is typically only placed to protect vehicles from higher risk roadside hazards such as steep slopes, rock outcroppings, water bodies, and other similar roadside hazards. Guiderail is also not designed for head on collisions, and requires proper end treatments be installed for traffic protection which isn't possible at this location.

The intersection improvements identified on our plan RWY-01 could be constructed this year if funding is granted to this project quickly. Public Works staff are continuing to study if any other low cost, interim improvements can be made that will address this problem on a temporary basis until the more extensive intersection improvements are made.

Mark E. Moriarty, P.E.  
Director of Public Works

July 11, 2018

sidewalks, playgrounds and parks within the City of New Britain or on watershed property owned by the City of New Britain and located in another municipality shall be fined one thousand dollars (\$1,000.00) for a first violation, one thousand-five hundred dollars (\$1,500.00) for a second violation and two thousand dollars (\$2,000.00) for a third or subsequent violation.

(b) Pursuant to sections 7-148a and 14-390m of the Connecticut General Statutes and notwithstanding any other provisions of this Code, any person who operates any vehicle, motor scooter, minibike, pocket bike, bicycle with a helper motor, mini-motorcycle, dirt bike, all-terrain vehicle, snowmobile on any watershed property in the City of New Britain or any watershed property owned by the City of New Britain and located in another municipality shall be fined one thousand dollars (\$1,000.00) for a first violation, one thousand-five hundred dollars (\$1,500.00) for a second violation and two thousand dollars (\$2,000.00) for a third or subsequent violation.

(c) Any vehicle which is in violation of subsection (a) shall be subject to seizure and forfeiture by the City of New Britain subject to any bona-fide lien, lease or security interest in said vehicle including, but not limited to, a lien under section 14-66c of the Connecticut General Statutes. No seizure and forfeiture may take place if the violation was committed by a third party and the owner or lienholder did not know and could have not reasonably known that the vehicle was being used in violation of this section.

(d) Any vehicle seized and forfeited pursuant to this section shall be sold at public auction conducted by the City of New Britain and the proceeds of such sale shall be paid to the city treasurer and deposited into the general fund.

(e) Any person who rides as a passenger on any motor scooter operated in violation of the above shall be fined fifty dollars (\$50.00).

(Ord. No. 28181-2, 9-14-04; Res. No. 28659-2, 8-18-05; Res. No. 33671-2, 12-22-16)

[NEW] Sec. 15-149. Sale of gasoline for illegal purposes.

(a) No retail dealer of gasoline shall sell, offer for sale, or attempt to sell, any article or product represented as gasoline for use in an all-terrain vehicle, dirt bike, motor-driven cycle, mini-motorcycle, motor scooter, minibike, mini-cycle, mini sports bike, chopper scooter or pocket bike as defined in Section 15-147 of the Code of Ordinances, unless that vehicle is conveyed to and from the retailer's premises by a registered motor vehicle as defined in G.S. § 14-1, and no individual shall purchase or attempt to purchase gasoline for this purpose.

(b) Signs with the words "FUELING OF UNAUTHORIZED VEHICLES PROHIBITED" in English at least one (1) inch in height with a contrasting margin shall be posted at all dispensing locations. The location of warning signs shall be based on local conditions but shall be visible and legible from all gas pumps.

(c) Section 15-149 shall be enforced by the New Britain Police Department.

(d) An individual or retail dealer of gasoline who violates any provision of subsections (a) or (b) shall be fined two hundred fifty dollars (\$250.00) for each offense.

Alderman Eva Magnuszewski  
Alderman Richard Reyes  
Alderman Robert Smedley

Ald. Smedley moved to accept and adopt, seconded by Ald. Magnuszewski. So voted. Approved by Mayor Erin E. Stewart July 13, 2018.

**34317-2 RE: SALE OF 15 ACRES OF WATERSHED PROPERTY IN BURLINGTON**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

July 11, 2018

WHEREAS, the City of New Britain and Board of Water Commissioners own 3,067.88 acres of watershed property in Burlington, CT; and

WHEREAS, on November 17, 2015 the Connecticut Superior Court entered a stipulated judgment which found that each acre of New Britain Watershed Property shall have a fair market value of \$5,500.00 per acre and assessment value of \$3,850.00 per acre for the October 1, 2013 through October 1, 2017 grand lists; and

WHEREAS, included in the 3,067.88 acres of watershed property are two parcels located on Covey Road; and

WHEREAS, the Town of Burlington has offered to purchase fifteen (15) acres of the New Britain watershed property located on Covey Road for the purchase price of Two Hundred Seventy-Six Thousand (\$276,000.00) Dollars; and

WHEREAS, the subject property is designated as Class 3 watershed land which does not require approval of the proposed sale by the Connecticut Department of Public Health; and

WHEREAS, based on a mill rate of 32.00 for the October 1, 2016 grand list, the Board of Water Commissioners paid taxes in the amount of \$1,848.00 for the fifteen acre subject property located on Covey Road; and

WHEREAS, an appraisal performed by Farm Credit East at the request of the Town of Burlington, determined that the fifteen acre parcel had a fair market value of Two Hundred Thousand (\$200,000.00) Dollars as of September 1, 2017; and

WHEREAS, Section 15-4(x) authorizes the Board of Water Commissioners to sell any watershed land "which it shall deem unnecessary or inadvisable for the City to hold" subject to approval of the Common Council; and

WHEREAS, the City of New Britain Board of Water Commissioners voted at its Meeting on April 18, 2018 to approve the sale of the fifteen acre Covey Road parcel to the Town of Burlington for Two Hundred Seventy-Six Thousand (\$276,000.00) Dollars after making a finding that the property was not needed for the Burlington watershed system, and to forward the sale to the Mayor and Common Council with a favorable recommendation for their approval; and

WHEREAS, Mayor Erin E. Stewart has approved the sale of the subject property and recommends it to the Common Council of the City of New Britain; therefore, be it

RESOLVED, that the Common Council of the City of New Britain hereby approves the sale of fifteen acres of watershed property on Covey Road by the City of New Britain Board of Water Commissioners to the Town of Burlington for a purchase price of not less than Two Hundred Seventy-Six Thousand (\$276,000.00) Dollars and the Mayor and the Chairman of the City of New Britain Board of Water Commissioners are hereby authorized to execute any and all documents necessary for the conveyance of said property.

**34271-4 RE: AMENDMENT TO SEC.22-12 (G) AND 22-12 (J) OF THE ORDINANCES - DEFERRAL OF INCREASE OF ASSESSMENT**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned begs leave to recommend the adoption of the following:

Resolution Summary: INTENT AND PURPOSE: To amend Section 22-12 (j) of the Code of Ordinances to insert wording regarding the granting of deferral of tax assessment under this section.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF NEW BRITAIN that, Section 22 12 (j) of Chapter 22 of the Code of Ordinances, City of New Britain, be amended to read as follows (inserted text appears in underline; deleted text appears in ~~strike through~~; new sections begin with the word [new]):

Sec. 22-12. City designated as rehabilitation area for purpose of deferral of increase in assessment.

(a) The city is hereby designated as a rehabilitation area, pursuant to General Statutes, sections 12-65c through 12-65f.

(b) As used in this section, "rehabilitation" means the improvement or repair of a residential structure or facilities appurtenant thereto, exclusive of general maintenance of repair.

(c) Residential property within the rehabilitation area which meets the criteria set forth in this section shall be eligible to enter into an agreement with the city assessor for deferral of any increased tax assessment attributable to rehabilitation as provided in the statute sections referred to in paragraph (a) of this section, if the rehabilitation work has a total value of at least two thousand dollars (\$2,000.00) as indicated on the official building permit on file in the building commission office.

(d) For the first year following completion of rehabilitation, the entire increase shall be deferred thereafter, ten (10) per cent of the increase shall be assessed against the property each year until one hundred (100) per cent of such increase has been so assessed. The rehabilitation shall be determined to have been completed and the assessment deferral therefore will commence, either with the assessment date following the completion of the rehabilitation or with the assessment date following the issuance of a certificate of occupancy for the renovated building or, at the option of the applicant, in the assessment year of any partial year assessment levied upon construction completed with the issuance of a certificate of occupancy. In any case, however, the assessment deferral shall not be granted in more than ten (10) assessment years.

(e) Any person aggrieved by any decision or action, or failure to take action, by the city under the provisions of this section, and the statute sections referred to in paragraph (a) of this section may appeal in accordance with section 12-65f of the General Statutes of the State of Connecticut.

(f) Any residential property in the city may be declared eligible for deferral of tax assessment by the city assessor if it meets the following criteria:

(1) The tax collector certifies at the time of final approval that the applicant has no real or personal property tax due in the city. No one who has delinquent or due real or personal property tax shall have an application for deferral under this section receive final approval until all tax installments due are paid in full. Such payment of taxes must be made in a timely manner to meet all other deadlines contained in this ordinance. Failure to pay taxes in timely manner shall not provide in any instance an extension of other deadlines; and

(2) The improvements either:

a. Have been ordered by city officials in order to bring the property into compliance with housing codes, building codes or fire safety codes; or

b. Include the thorough rehabilitation or remodeling of the interior and/or exterior of the property, which improvements in the unanimous judgment of the city assessor, the chief building inspector and the director of health constitute an appropriate and desirable rehabilitation of the property; provided, however, new additions to a property shall not be eligible for deferral, nor shall exterior renovation or improvements of properties which are included on the official list of historic structures adopted by the city plan commission or which are located within a historical district designated by ordinance be eligible for deferral unless such exterior renovation or improvements are, in the opinion of the director of planning or his/her designees, compatible with the historic features of the property;

c. Are made to restore authentic exterior historic features of properties which are included on the official list of historic structures adopted by the city plan commission or located within a historic district designated by ordinance. The authenticity of the feature shall be determined by the director of planning or his/her designee.

(g) This deferral benefit is not transferable except tax deferral benefits granted under this section may be transferred to the first purchaser of the property following the granting of the deferral of tax assessment under this Section or the first purchaser of each condominium unit if the project will be used for residential condominium purposes or to the first cooperative housing association, provided that any residential condominium or cooperative housing project which requires relocation of tenants shall require specific approval by the common council which may request such information on the project which it deems necessary to evaluate the impact of the project on displaced persons or businesses. Notwithstanding the above, in any residential condominium or cooperative housing project, in which the developer of the project defaults and the lender to whom the developer has defaulted transfers all the units that were received by the lender as a result of the default to one (1) party, that party will be considered a replacement developer who shall be entitled to the deferral and shall have the right to transfer the deferral to the first purchaser of any of the received units or to the first cooperative housing

association. No replacement developer shall be eligible for continuation of these deferral benefits unless he and any first purchaser or first cooperative housing association applies for benefits as described herein and said benefits shall not be continued unless he and any first purchaser or first cooperative housing association complies with the provision of subsection (i) of this section.

The replacement developer must apply to the city assessor for continuation of deferral benefits no later than sixty (60) days after the transfer of the ownership to the replacement developer is recorded on the land records of the city. The city assessor shall have thirty (30) days from the date the application is filed to review the application of the replacement developer. If the city assessor determines that the replacement developer has met the provisions of this subsection, he shall approve the application. Final and complete approval of the application for continuation of deferral benefits shall be achieved upon certification by the tax collector of the city that at the time of this certification the applicant, the replacement developer, has no real or personal property tax due in the city. The tax collector shall have ten (10) days after the action of the city assessor to so certify or to deny.

(h) In order to qualify for property tax deferral under this section, the property owner must file an application for deferral on forms available from the city assessor. This application must be filed with the city assessor no later than the date of the issuance of a certificate of occupancy. In any case that a certificate of occupancy is not issued, application must be filed with the city assessor no later than November 1 which follows the assessment date after the completion of renovation or rehabilitation.

(i) In the event that the owner of any real property which has qualified for deferral aseither the first owner or first purchaser under this section fails to pay real or personal property taxes on the property receiving such deferral, within sixty (60) calendar days of the date such taxes become due and payable, the deferral shall cease and be removed as of the date of the next tax bill or tax installment. ~~No further deferral or continuation of abatement may occur without specific approval of the city assessor which approval shall be granted when the owner shall have paid in full all delinquent taxes, together with interest and penalties, provided such payment is made prior to the date of the next tax bill or tax installment. The city assessor shall act to approve the restoration of the deferral only after complete payment of all taxes due, together with interest and penalties and provided such payment shall have been made prior to the due date of the next tax bill or tax installment.~~

(j) In the event the tax assessment deferral agreement has been transferred pursuant to subsection (g), the City of New Britain reserves the right to revoke said agreement for the following cause:

1. Failure to pay real or personal property taxes on any other property owned by the same property owner, if required to do so, within sixty (60) calendar days of the date such taxes become due and payable; or
2. Failure to file, if required to do so, an income and expense report on the due date pursuant to Section 22-21 of the Code of Ordinances; or
3. If the income and expense report contains any false statement or false information as to a material fact or omits a material fact or contains incorrect, misleading or fraudulent information; or
4. Violation of any provision of Chapter 7 of the Code of Ordinances entitled "Buildings and Building Regulations" for either the subject property or any other property owned by the same property owner; or
5. Any charges of discrimination related to the subject property; or
6. The filing of bankruptcy.

## **PURCHASING DEPARTMENT**

### **34385 RE: MONTHLY PURCHASING REPORT FOR BID THRESHOLD ITEMS**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

In accordance with the New Britain Code of Ordinances, Section 2-566, a monthly report of purchases between \$500 and \$7,500 shall be provided to the Common Council. The report shall include a detailed description of items or services purchased, name of vendor, owner of business and dollar amount spent on each individual purchase as well as the aggregate total of spend to date for the fiscal year.

The Finance Department, Purchasing Division has provided an electronic list of monthly purchases. This document is available in the Council office for review by Council members.

Acceptance and adoption is respectfully requested.

### **34372-1 RE: INSTALLATION OF NO PARKING SIGNS BETWEEN 485 AND 503 COMMONWEALTH AVENUE**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

On June 27, 2018, the Traffic Safety Bureau received petition number 34372 authored by Alderman Carlo Carozzi which stated "For the installation of a No Parking sign in front of 503 Commonwealth Avenue. Residents have complained that people park here regularly due to inadequate signage between 485 and 503 Commonwealth Avenue. The remainder of the street is well marked, with the exception of this area."

I consulted with Project Manager CJ Gandza and the Department of Public Works will inspect the area to check for any sightline or visibility issues for the purpose of replacing and/or installing any signage deemed necessary to adequately post the area.

I will also request that the Patrol Division and the Traffic Safety Bureau monitor the area for any parking violations as calls for service permit.

Lieutenant John Rodriguez

### **34290-1 RE: FENCING OR OTHER FORM OF SAFETY OBSTRUCTION AT THE SLATER ROAD PARK**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

In response to the referenced Petition, Public Works staff met with Alderman Santiago on-site to investigate this request, and to coordinate our response.

An old, deteriorated, and blighted looking fence located along the Slater Road side of this park was removed in 2017, and removing the fence dramatically improved the physical appearance of this park.

August 8, 2018

This park itself involves nearly a 1.5 acre grass parcel that extends over 300' away from the road, and allows for ample room to allow children to play away from Slater Road. A few residents that lived in close proximity to this park were upset when the old fence was initially removed because they were using this park as their private "dog park". Unfortunately some of these residents also weren't cleaning up their pet waste which made the park less usable for other users.

Public Works is getting price quotes to install a fence around the diamond area of the small little league practice field, and will install a fence at this location depending on the cost and if funding is available. Public Works is also considering planting some arborvitae along the frontage of the park near Slater Road to better define this area, and to help prevent vehicles from driving onto the park's lawn area.

**34291-2 RE: TRAFFIC SAFETY CONCERNS AT INTERSECTION OF COLUMBUS BOULEVARD AND CHESTNUT STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Public Works is working on two larger capital projects that will address the traffic and pedestrian safety concerns at the intersection of Columbus Boulevard and Chestnut Street, and the general area around this intersection. This intersection is difficult for pedestrians due to pavement widths, a lack of sidewalks on the north side of Columbus Boulevard, and old traffic signal equipment. The two capital projects in this area involve our Phase 7 Complete Streets project which is already funded through a \$2.0 Mil. State of CT TOD Grant and is currently in design, and scheduled to be bid for construction in 2019.

Public Works also submitted a grant application in May 2018 for \$3.0 Mil in LOTCIP to fund a Phase 8 Complete Streets project which will address the excessive pavement widths on Chestnut Street as well as install new handicapped ramps, cross walks, and a new traffic signal at the intersection of Columbus Boulevard and Chestnut Street. We expect this project will be funded given that it addresses all the criteria CRCOG uses to rank projects from its member communities. The Phase 7 and 8 projects will each improve vehicular, pedestrian, and bicycle safety concerns.

In the short term Public Works will also look to see if there are any short term, low cost, interim improvements that can be made to improve the safety of this intersection.

Mark E. Moriarty, P.E., Director Public Works

**34292-2 RE: GENERAL SAFETY REVIEW REGARDING TRAFFIC, SIGNAGE, CROSSWALKS AND TRAFFIC SIGNALS/LIGHTING ON COLUMBUS BOULEVARD**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Public Works has been addressing vehicular, pedestrian, and bicycle safety concerns along Columbus Boulevard for the past several years such as reducing the number of travel lanes from four to two for much of the length of Columbus Boulevard. These improvements have increased safety by helping calm traffic speeds, and provided dedicated areas for more users of this roadway. Some of the current concerns are temporary and are related to the Phase 4 Complete Streets project which is currently in construction in the area between the Harry Truman Overpass and Main Street.

Improvements are needed at the intersection of Columbus Boulevard and Chestnut Street to address safety concerns and other issues, and Public Works has two large scale capital projects totaling \$5.0 Mil.(Complete Streets Phase 7 and Phase 8) in progress which will address these concerns. The improvements made by these two projects are discussed in greater detail in Public Works response to Petition 34291 which is also included in the August 8, 2018 Common Council meeting agenda.

August 8, 2018

The signal equipment for the Pan-Am railroad line is also being upgraded at the intersection of Main Street and Columbus Boulevard, and as part of the City's \$3.0 Mil. Congestion Mitigation and Air Quality (CMAQ) project the City will be replacing the two traffic signals at the Columbus Boulevard's intersections with both Washington Street and High Street. These two new traffic signals will function as part of Public Works' larger scale fully coordinated Traffic Control Systems, and as such will help improve traffic flow, and safety for all users. West of Washington Street, and south of Chestnut Street Columbus Boulevard is functioning reasonably well in its existing condition.

In the short term Public Works will also look to see if any other low cost, interim improvements can be made to improve safety along Columbus Boulevard.

Mark E. Moriarty, P.E., Director Public Works

**34340-1 RE: PASSENGER LOADING ZONE SIGN IN FRONT OF TRAVEL ONE AT 113 BROAD STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Public Works engineering staff evaluated this request, and had initial discussions with NBPD Traffic staff about it. Public Works did not have information about the actual need for a parking space to be assigned for this specific use or how much time the parking space would be used for passenger loading.

Public Works general recommendation is that if a specific passenger loading spot and sign is placed in front of Travel One it should try and be accommodated on Grove Street rather than on Broad Street where it would impact on-street parking. Especially considering that the Polmart Delikatesy is located on the same block, and same side of Broad Street as Travel One, and Polmart relies heavily on on-street parking for its customers.

Ultimately the installation of all new signage requires the approval of the City's Legal Traffic Authority (LTA) which in New Britain is the Police Commission. If there is still a desire to have this petition further considered we suggest forwarding it to the Police Commission for their consideration.

Mark E. Moriarty, P.E., Director Public Works

**34341-1 RE: CREATE PARKING LOT IN STANWOOD PARK LOCATED ON SLATER ROAD**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

In response to this petition request Public Works evaluated the need for creating a parking lot in Stanwood Park. Based on our field investigation it is evident that vehicles that park on Slater Road when visiting Stanwood Park do not have sufficient room on Slater Road to fully park in the road. Instead they partially park on the grass snow shelf and even concrete sidewalk.

Given this Public Works agrees there is a need to construct a small paved parking lot within the park, and our tentative plan is to build a small parking lot within the park this fall utilizing in-house staff.

Mark E. Moriarty, P.E., Director Public Works

**34342-2 RE: INSTALLATION OF FENCING AROUND PLAYScape AREA IN STANWOOD PARK ON SLATER ROAD**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Installing fencing around the small playscape in Stanwood Park will be considered as other improvements are being made to Stanwood Park such as installing fencing around the practice little league field back stop, and installing a small paved parking lot. It's worth noting, though, that the playscapes at other City-owned parks such as Walnut Hill Park, AW Stanley Park, and Chesley Park are not enclosed by fencing.

**34370-1 RE: REPAIR HISTORY OF MAYOR'S PRIOR CITY ISSUED VEHICLE FROM 2015 TO PRESENT**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Listed below are a list of services and repairs performed since 2015 on Mayor Erin Stewart's prior City vehicle which was a 2006 Jeep Cherokee SUV. This vehicle was reassigned to William Carroll, the City's Director of Development Services in February of 2016, and had 83,418 miles on it at the time.

<u>Date</u>	<u>Service Performed</u>
01/07/2015	Repaired corrosion on front rims
06/16/2015	R/R Timing cover gasket, R/R water pump and thermostat R/R harmonic balancer, Replaced main belt and tensioner Serviced transmission and replaced tranny lines Lube,oil filter, R/R battery
10/01/2015	Lube oil filter
03/02/2016	Plug/Patch tire
04/24/2017	Lube oil filter, R/R front rotors and pads, R/R rear rotors and pads
05/03/2017	Replaced all 4 tires

Since February of 2016 the 2006 Jeep Cherokee has just under 3,000 miles of usage, and currently has about 86,400 miles on it. During that same time period the Mayor's replacement vehicle (a 2016 Jeep Cherokee) had 23,689 miles of usage, and had the 2006 Jeep Cherokee had this much use it's repair and maintenance history would have been more significant.

**34371-1 RE: REMOVAL OF CEMENT BLOCK BARRIER ON DAVENPORT STREET**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Similar to petition 34185 that was submitted to request concrete blocks be removed on Ledgecrest Avenue, petition 34371 first involves a zoning enforcement issue being led by the City's Building Department. Once this issue has been resolved Public Works will remove the concrete barriers.

**34293-2 RE: CITY TO INVESTIGATE WHAT COULD BE DONE TO RE-OPEN THE SPANISH SPEAKING CENTER AND MT. PLEASANT COMMUNITY ROOM**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

August 8, 2018

In response to the City Council's Petition No. 34293, the Community Services Department would love to see the Spanish Speaking Center re-open. The Center is not a city run program it is a private entity which would need to re-apply for funding and solicit grants and support and follow the reporting and accountability rules and regulations of those funding agencies.

**34368-1 RE: LIST OF ALL INDIVIDUALS WITH CITY ISSUED CELL PHONES OR CITY FUNDS GIVEN TOWARD CELL PHONES**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to report the following:

Please see the attachment on file in Town Clerk's Office for information in response to the petition which was referred to the Mayor's Office/Support Services as well as the Human Resources Department at the June 27, 2018 Common Council Meeting pertaining to the issuance of City cell phones.

Regarding the reimbursement for personal cell phones, there are currently ten (10) employees under the 1186 contract that receive an allowance for personal cell phones. These employees are in supervisor roles and the allowance must be approved by the Director of Public Works under the condition that they can be contacted at any time, and their City email must be set up on their personal phone.

**34382-2 RE: TAX ASSESSMENT DEFERRAL/MODIFICATION AGREEMENT FOR EIP INVESTMENT LLC**

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

WHEREAS, Section 22-10-(r)(1) and (2) of the Code of Ordinances and Section 32-71(e) of the Connecticut General Statutes authorize the Mayor with approval of the Common Council to enter into a discretionary assessment deferral and/or tax abatement agreement for any property located within the enterprise zone for a term not to exceed thirty (30) years; and

WHEREAS, EIP Investment, LLC has proposed to lease a portion of the property located at 600 Myrtle Street consisting of 47.11 acres which includes three buildings from Stanley Black & Decker, Inc. to create an Energy and Innovation Park for the purpose of converting the property to a fuel cell generation facility to house a high speed data processing center; and

August 8, 2018

WHEREAS, EIP Investment, LLC expects that having a fuel cell facility for these three buildings will greatly enhance Connecticut's clean energy technology and attract high-tech employment opportunities; and

WHEREAS, it is estimated that data storage needs for companies will increase dramatically over the next several years and Energy and Innovation Park will be able to accommodate the storage of a significant amount of that data; and

WHEREAS, 600 Myrtle Street is located within the City of New Britain Enterprise Zone and is also within the recently designated Federal Opportunity Zone; and

WHEREAS, the proposed fuel cell generation facility will significantly expand the economic base of the City of New Britain; and

WHEREAS, in the event EIP Investment, LLC expands its operation beyond the three buildings which are the subject of this resolution, or if there are changes in scope of the type of facility, the parties agree that the terms and conditions stated herein will automatically be subject to renegotiation; and

WHEREAS, EIP Investment, LLC has submitted an offer which if approved by the Council will generate tax payments starting with the October 1, 2019 grand list and make EIP Investment, LLC the second largest taxpayer in New Britain as of the October 1, 2021 grand list; and

WHEREAS, EIP Investment, LLC and the City of New Britain have proposed entering into a Tax Assessment Deferral/Modification Agreement for a term of twenty-seven (27) years; and

WHEREAS, the proposed New Britain Real and Personal Property Tax Model for the twenty-seven (27) years starting on the October 1, 2019 grand list is attached as Exhibit A; and

WHEREAS, The Common Council of the City of New Britain deems such a Tax Assessment Deferral/Modification Agreement to be in the best interests of the City of New Britain; now, therefore, be it

RESOLVED, That Erin E. Stewart, Mayor, be and is hereby authorized to execute a Tax Assessment Deferral/Modification Agreement on behalf of the City of New Britain with EIP Investment, LLC for a term of twenty-seven (27) years.

To Her Honor, the Mayor, and the Common Council of the City of New Britain: the undersigned beg leave to recommend the adoption of the following:

Resolution Summary: PURPOSE: Authorize the Mayor to execute all documentation between the American Savings Foundation and the City of New Britain to receive grant monies to organize and run after school programs at Pulaski and Slade Middle School. Students in grades six through eight are targeted to attend the after school program each day from 2:45pm to 6:00pm. The after school program focuses on three major components: education, recreation and cultural arts with an emphasis on teen pregnancy prevention, leadership development, and family involvement.

WHEREAS, the Parks, Recreation and Community Services Department is always seeking new and alternative funding to run programs and improve facilities, and

WHEREAS, the American Savings Foundation has committed to expanding and improving middle school after school programs in the City of New Britain, and

WHEREAS, the American Savings Foundation awarded the Parks, Recreation and Community Services Department a \$150,000.00 grant for the 2018-2019 school year. Funding has been granted for these programs that will provide services such as recreational and wellness activities, homework help, and enrichment activities to City youth in an after-school environment, and

WHEREAS, the American Savings Foundation monies will pay for personnel and administrative costs associated with the proposed programming strategy for the period of July 1, 2018 through June 30, 2019, therefore, be it

RESOLVED, that the amount of \$150,000 be appropriated in the City's special revenue fund account structure in accordance with the requirements of the grantor agency. The account number has been established by the Finance Director, then it be further

RESOLVED, that the Parks, Recreation and Community Services Department is authorized to enter into agreement with required consultants specified by the American Savings Foundation for evaluation, computerization, and training purposes, fully funded by the grant money, NOW, THEREFORE BE IT

RESOLVED, that the Common Council authorizes Mayor Erin E. Stewart to sign appropriate documents required for this grant.

### REPORT OF: THE BOARD OF POLICE COMMISSIONERS

To Her Honor, the Mayor, and the Common Council of the City of New Britain:  
the undersigned beg leave to report the following:

**ITEM #: 34206-2**

**RE: Common Council Petition #34206**, re: Alderman Robert Smedley for the installation of a “NO PARKING MONDAY – FRIDAY 8:00 am – 8:00 pm” sign at or near the intersection of Park Drive and Highland Terrace, preferably mid-way between the hydrant and double telephone pole.

Date: August 31, 2018

A Traffic Safety Bureau supervisor inspected the area of Park Drive and Highland Terrace and found that Highland Terrace is consistently posted with “NO PARKING MONDAY - FRIDAY 8:00 AM – 8 PM” signs on the south side of the street from Stanley Street to Carlton Street with the exception of the requested area. It is unknown if the area was not originally posted or the sign was damaged or removed. It is recommended to grant this request.

The Board voted to install a “NO PARKING MONDAY - FRIDAY 8:00 AM – 8 PM” sign on the south side of the street near the intersection of Park Drive and Highland Terrace

### REPORT OF: THE BOARD OF POLICE COMMISSIONERS

To Her Honor, the Mayor, and the Common Council of the City of New Britain:  
the undersigned beg leave to report the following:

**ITEM #: 34215-2**

**RE: Common Council Petition #34215**, re: Alderwoman Eva Magnuszewski for  
the removal of "NO PARKING" signs on Stewart Street.

Date: August 31, 2018

A Traffic Safety Bureau supervisor inspected the area of Stewart Street from Allen Street to Stratford Road. Stewart Street is currently posted with one (1) hour parking on the east side for the entire length of the street and no parking on the west side of the street. Based on the width of the street and proximity to Central Connecticut State University, it is recommended that the current one (1) hour parking on the east side of the street be removed as well as the no parking on the west side of the street south of Roxbury Road to Allen Street. The "NO PARKING" on the west side of Stewart Street from Stratford Road to Roxbury Road should remain.

The Board voted to remove the current one (1) hour parking on the east side of the street as well as the no parking on the west side of the street south of Roxbury Road to Allen Street and the "NO PARKING" on the west side of Stewart Street from Stratford Road to Roxbury Road should remain.

### REPORT OF: THE BOARD OF POLICE COMMISSIONERS

To Her Honor, the Mayor, and the Common Council of the City of New Britain:  
the undersigned beg leave to report the following:

**ITEM #: 34216-2**

**RE: Common Council Petition #34216**, re: Alderwoman Eva Magnuszewski for the installation of "NO PARKING" signs on one side of Roxbury Road. Cars parking on both sides of the road make it difficult for larger vehicles, fire trucks and ambulances to drive down the road.

Date: August 31, 2018

A Traffic Safety Bureau supervisor inspected the area of Roxbury Road from Stanley Street to Francis Street and found inconsistencies with the signage as well as enforceable violations. Roxbury Road: from Stanley Street to Elizabeth Street is properly posted; Elizabeth Street to North Wellington Street is posted no parking on the north side and unrestricted parking on the south side; North Wellington Street to Francis Street has no posted restrictions; and the intersections of Wellington Street/North Wellington Street are properly posted. It is recommended that the south side of Roxbury Road from 64 Roxbury Road to Eaton Place be posted "NO PARKING ANY TIME" to prevent parking on the corner or in the intersection(s).

The Board voted to post the south side of Roxbury Road from 64 Roxbury Road to Eaton Place with "NO PARKING ANY TIME" signs to prevent parking on the corner or in the intersection(s).

### REPORT OF: THE BOARD OF POLICE COMMISSIONERS

To Her Honor, the Mayor, and the Common Council of the City of New Britain:  
the undersigned beg leave to report the following:

**ITEM #: 34372-2**

**RE: Common Council Petition #34372**, re Alderman Carlo Carlozzi, Jr., for the installation of a “NO PARKING” sign in front of 503 Commonwealth Avenue. Residents have complained that people park here regularly due to inadequate signage between 485 and 503 Commonwealth Avenue. The remainder of the street is well marked, with the exception to this area.

Date: August 31, 2018

After consulting with Public Works Project Manager C. J. Gandza, he will inspect the area to check for sightline and visibility issues for the purpose of replacing and/or installing any signage deemed necessary to adequately post the area. The Patrol Division and the Traffic Safety Bureau will monitor the area for any parking violations as calls for service permit.

The Board voted to install a “NO PARKING” sign in front of 503 Commonwealth Avenue and inspect signage posted in the area.

### REPORT OF: THE BOARD OF POLICE COMMISSIONERS

To Her Honor, the Mayor, and the Common Council of the City of New Britain:  
the undersigned beg leave to report the following:

**ITEM #: 34373-1**

**RE: Common Council Petition #34373**, re: Please conduct a traffic study on Alexander Road due to multiple complaints of excessive speeding. Residents have expressed numerous concerns of cars speeding at all hours of the day. There are many children in the area, and with no sidewalks, there is an increase in risk of danger to those that walk to school or to the park. Please consider additional deterrents for speeding including increased signage and increased enforcement.

Date: August 31, 2018

A history check from January 1, 2018, to the present, for the entire length of Alexander Road lists three (3) minor motor crashes, none of which cited excessive speed as a contributing factor: one crash was related to inclement weather; one crash to mechanical failure; and one crash was resolved between involved operators. The length of Alexander Road is posted with 25 MPH signs in both directions and the roadway markings are in good condition. The Department has a recently acquired speed trailer, a great place to test its effectiveness. The Patrol Division and Traffic Safety Bureau will conduct random speed enforcement patrols in the area as calls for service permit.

The Board voted to approve this request for increased signage and enforcement

RE:

**To Her Honor, the Mayor, and the Common Council of the City of New Britain:**

the undersigned beg leave to recommend the adoption of the following:

WHEREAS, in 2015 the United States Environmental Protection Agency (US EPA) issued the City of New Britain an administrative ORDER ON CONSENT, Docket No. CWA-01-15-007, which required compliance by the City on several issues related to maintenance and capital improvements to the City's Sanitary Sewer Collection System; and

WHEREAS, the ORDER ON CONSENT resulted in the City receiving an order to implement a Capacity, Management, Operation, and Maintenance (CMOM) Program related to its Sanitary Sewer Collection System; and

WHEREAS, a portion of the City's compliance for the CMOM Order involves a \$20,000,000 Million investment over a 10-year period in the City's aging Sanitary Sewer Collection System to lessen the impact of clean water that enters the City's system through infiltration and inflow (I&I); and

WHEREAS, the City is budgeting funding annually to cover the costs for achieving CMOM compliance; and

WHEREAS, the FY 19 Sewer Operating budget has \$1,000,000 budgeted for EPA CMOM Compliance; and

RESOLVED, the amount of \$1,000,000 be transferred and appropriated in a Special Revenue fund on behalf of Sewer Capital Projects pertaining specifically to EPA CMOM Compliance and Sewer projects that last longer than one fiscal year to complete; then it be further

RESOLVED, that a Sewer Capital Projects Funds budget amendment in the amount of \$1,000,000 be made as follows:

Increase Rev:

**Item #** Cooperative Purchasing, a New Tractor, for the Recreation and Community Services Department, Stanley Golf Course.

**To Her Honor, the Mayor, and the Common Council of the City of New Britain:**  
the undersigned beg leave to recommend the adoption of the following:

WHEREAS, in accordance with City Code of Ordinances, Chapter 2, Article VIII, Division 1, Section 2-538 (a), a purchase order was requested for the following under Sourcewell Cooperative Purchasing Plan for the Recreation and Community Services Department, Stanley Golf Course:

<u>Supplier</u>	<u>Description</u>	<u>Quantity</u>	<u>Price</u>
R&S Rental & Sales Torrington, CT.	Kubota Tractor	1	\$38,427.25

**WHEREAS**, The Recreation and Community Services Department requested a purchase order for the purchase of a new Kubota Tractor for the Stanley Golf Course utilizing the Sourcewell Cooperative Purchasing Contract; and

**WHEREAS**, Sourcewell is a Purchasing Cooperative servicing Municipalities, Board of Educations and Government Agencies in the United States. The City is a member of Sourcewell; and,

**WHEREAS**, The new Kubota Tractor will replace an existing Tractor that the Stanley Golf Course has been utilizing since 1998 to provide leaf blowing in the spring and fall, blowing material during the mowing season, deep tine aerification in the late fall, fertilization throughout the golf season, and is also used to pull the wood chipper around the golf course during the fall and winter months; and

**WHEREAS**, The new Kubota Tractor in addition to the tasks listed above, will also feature a cab which will protect employees from the weather and errant golf shots and its wide turf tires which will prevent indentations in the greens during deep tine aerifying, as well as adapters to add on additional tools such as an auger or snow blower; and

**WHEREAS**, The existing Tractor has been used for four thousand five hundred (4,500) hours. Because the existing Tractor is old, some repair parts are becoming obsolete and hard to obtain. It is also becoming too costly to justify future needed services and repairs to the existing Tractor; and

**WHEREAS**, Funding is available for this purchase in the Recreation and Community Services Department, Stanley Golf Course's account number 2014200101-5740, Stanley Golf Course, Other Miscellaneous Equipment; and

**NOW, THEREFORE, BE IT RESOLVED** That the Purchasing Agent is hereby authorized to issue a purchase order for \$38,427.25 to R &S Rental and Sales of Torrington, CT for the purchase of a new Kubota Tractor for the Recreation and Community Services Department, Stanley Golf Course utilizing the Sourcewell's Cooperative Purchasing Plan.

**Item #**                      **RE:** SEE (Summer Enrichment Experience) Program

**To Her Honor, the Mayor, and the Common Council of the City of New Britain:**  
the undersigned beg leave to recommend the adoption of the following:

Program Objective: The Parks and Recreation Department will provide a program for the Summer Enrichment Experience (S.E.E.) in collaboration with the Consolidated School District of New Britain. The intent of the S.E.E. Program is to reduce summer learning loss with summer classroom time and experiential learning. The S.E.E. Program, through the recreation division, will be offered at Lincoln Elementary School for forty-five (45) 2<sup>nd</sup>-3<sup>rd</sup> grade students for a period of three weeks in the afternoon hours, noon-4:00pm.

Initial Year of Grant Funding: July 1, 2018.

Local Program Operation Department: Parks, Recreation and Community Services Department.

Resolution Purpose: The Recreation Division was granted money to provide enrichment experiences for the S.E.E. Program from the Consolidated School District of New Britain. The Recreation division is respectfully requesting that the Finance Department set up expenditures and revenue accounts per resolution below.

WHEREAS, the City, through its Recreation division, will administer an afternoon enrichment program with S.E.E. in collaboration with the Consolidated School District, and

WHEREAS, funding has been granted for this program that will provide services such as project-based learning and hands-on enrichment activities to city youth in an after-school-style environment at Lincoln Elementary School, and

WHEREAS, the S.E.E. grant monies will pay for personnel and administrative costs associated with the proposed programming strategy for the period of July 1, 2018, through August 10, 2018, and

WHEREAS, the Recreation division is requesting approval of this grant in the amount of \$7,500, therefore, be it

RESOLVED, that the total amount of \$7,500. be appropriated in the City's special revenue fund account structure in accordance with the requirements of the grantor agency. The account number has been established by the Finance Director, then it be further

RESOLVED, that the Common Council authorizes Mayor Erin E. Stewart to sign appropriate documents required for this grant.

## A

## NON-EMERGENCY INTERAGENCY AGREEMENT

This agreement is between the following Towns:

1. Town of Berlin, Connecticut Department of Police
2. Town of Southington, Connecticut Department of Police.
3. City of New Britain, Connecticut Department of Police

WHEREAS, Connecticut General Statute § 7-148cc authorizes two or more municipalities to jointly perform any function that each municipality may perform separately under any provisions of the general statutes or of any special act, charter or home rule ordinance.

WHEREAS, each of the participating municipalities recognizes the benefits of joining together for the performance of joint police functions;

WHEREAS, each of the participating municipalities find that entering into a joint participation agreement is necessary for the delivery of more effective services to the citizens of their respective municipalities; and

WHEREAS, the undersigned municipalities wish to cooperate in the joint performance of General Law Enforcement Services;

NOW, THEREFORE, it is agreed by and between the municipalities signing this compact by their respective chief executive officers, duly authorized upon approval as set forth in said Connecticut General Statute, the following:

1. The undersigned municipalities hereby delegate to the Chief of Police of their respective municipality the authority to determine when the provision of police personnel resources best serves the purpose of this compact and benefits their respective community.
2. The Police Chiefs of the municipalities participating in this compact shall constitute an oversight board for the group created herein. This board is authorized to administer the procedures attached to this compact and may modify these procedures as necessary to insure efficient and effective operation.
3. The services performed under this compact shall be deemed to be for public and governmental purposes.
4. That at all times when joint police functions are being conducted, police officers assigned to the function shall be deemed to be members of an authorized group and shall have the same powers, duties, privileges, and immunities as are conferred on the police officers of the municipality in whose jurisdiction the group is operating.

5. Each participating municipality agrees that it shall be responsible for all costs, whether monetary or in the form of goods or services, it incurs as a result of participation in this Compact. Such costs may include, but are not limited to:
  - a. The actual payroll, including overtime, for the agency's personnel participating in compact activities.
  - b. The replacement or repair cost for any equipment lost, destroyed, damaged or made unavailable as a result of participation in this compact.
  - c. Fuel and maintenance costs for any vehicles and equipment.
  - d. Training cost arising from participation in this compact.
  - e. Worker's Compensation claims pursuant to Connecticut General Statutes §§31-275 through 31-355a.
  - f. Awards for death, disability or injury to employees participating in compact related activities to the extent that such awards exceed Worker's Compensation coverage.
  - g. Survivor's benefits pursuant to Connecticut General Statute §7-323e.
  - h. Heart and hypertension claims pursuant to Connecticut General Statute §7-433c.
  - i. Cost arising from agreement, contracts or obligations the municipality entered into prior to entering this compact.
  
6. To the fullest extent permitted by law, any participating municipality negligently causing injury or damage shall indemnify and hold harmless the other parties to this compact (and their employees and agents) from any and all claims caused by such party's negligence. In instances where the identity of the negligent actor cannot be determined and/or where liability is predicated upon joint venture, vicarious liability or upon other similar grounds, it is the intent of this Agreement that each participating municipality shall be liable only for its proportionate share of responsibility. All disputes concerning apportionment of liability hereunder shall be resolved by a single arbitrator chosen by the parties. If the parties are unable to agree upon a single arbitrator, then the court shall appoint the arbitrator.
  
7. For grant and funding initiative purposes, the Chief of Police for the lead agency within the participating group, or his designee, shall act as the representative and fiduciary for the group. Lead agency responsibility may be transferred to another participating agency upon the unanimous written consent of all the Chiefs of Police for the departments participating in this compact.
  
8. Not later than five (5) years from the effective date of this agreement, the effectiveness of this agreement shall be reviewed by the body that approved the agreement for each participating municipality.
  
9. Any participating municipality may withdraw from this compact by giving thirty (30) days written notice to all the other participating municipalities. Withdrawal of one or more participants shall not void the compact so long as two or more participants shall not void the compact so long as two or more participants remain active in this compact.

IN WITNESS WHEREOF, the parties hereto have executed this compact  
this \_\_\_\_\_ 2018.

# **RESOLUTION**

Item # RE: Virtual Net Metering Credit Agreement to Utilize an Anaerobic Digester.

**To Her Honor, the Mayor, and the Common Council of the City of New Britain:**  
the undersigned beg leave to recommend the adoption of the following:

**WHEREAS,** The City of New Britain has been given the opportunity to receive Virtual Net Metering Credits generated from an Anaerobic Digestion facility located within our utility territory from Fort Hill AG-GRID LLC (further known as Seller); and

**WHEREAS,** The Seller shall generate and deliver the facility's electricity to the Utility as the electricity is produced. The Utility will allocate the Credit purchased by the City towards the City's Account according to Seller's direction, and Utility will be solely responsible for calculating the value of the Credit applied to the City's monthly electricity bill in accordance with Utility's tariff; and

**WHEREAS,** The City would then receive a virtual net metering credit of about 15% of our VNM Bill Credit; which could result in the significant savings; and

**WHEREAS,** The agreement for the term of this contract shall be for a minimum of ten (10) years with the option to extend an additional five (5) years if mutually agreed upon; and

**NOW, THEREFORE, BE IT RESOLVED,** The Mayor is hereby authorized to enter into a ten (10) year agreement with Fort Hill AG-GRID LLC to receive Virtual Net Metering Credits per their Anaerobic Digest Facility.

## Ft Hill Ag-Grid LLC Mission

Fort Hill Farms (“FORT HILL”) and Ag-Grid Energy LLC (“AG-GRID”) have partnered

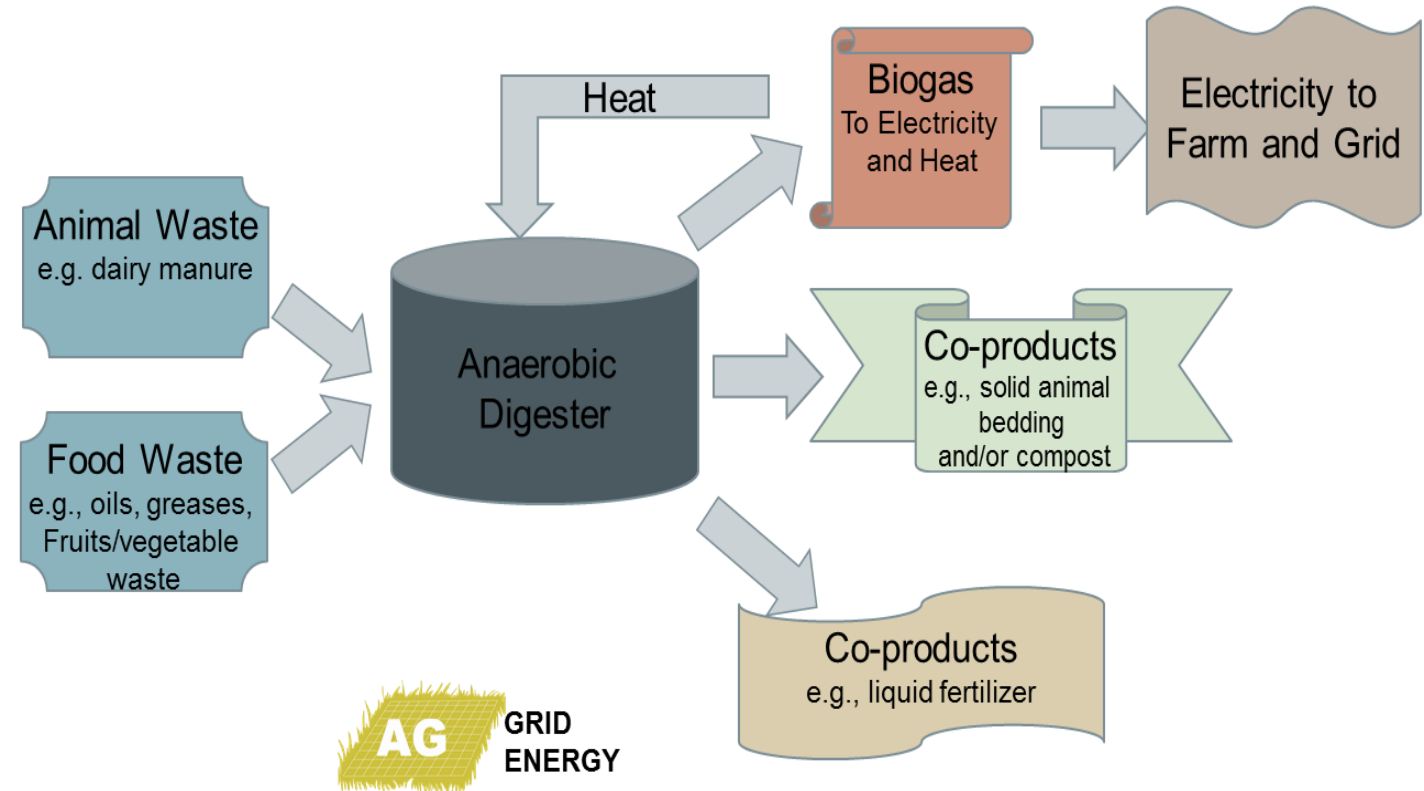

and created an special purpose entity, Fort Hill Ag-Grid LLC,

to develop, build and partner in the supply and operation of an anaerobic digester,

at FORT HILL’s facility located at 260 Quaddick Road, Thompson, CT

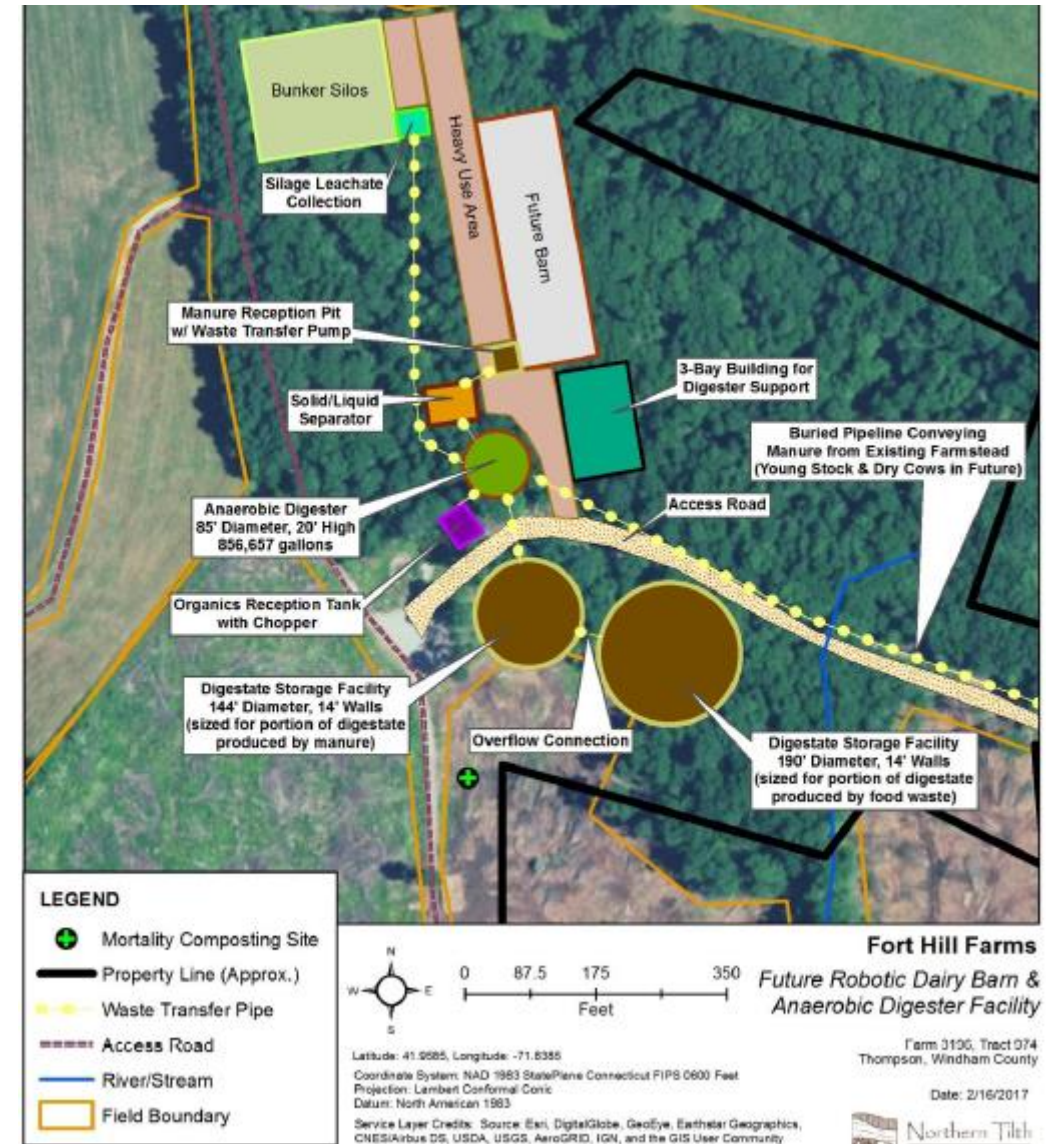

for a term of 10 years from the point of commercialization.

Simplified Concept of Belden Ag-Grid Anaerobic Digester System

## Mission of Fort Hill Ag-Grid LLC

- This facility would represent Connecticut's first farm anaerobic digester that would generate green electricity and reduce organics from going into landfills.
- The facility includes
  1. anaerobic digester,
  2. manure and food reception tanks,
  3. digestate storage tank,
  4. solid separator unit,
  5. electric engine and generator,
  6. interconnection to Eversource electric grid

# Benefits of Ft Hill Ag-Grid Anaerobic Digester

Recycle 30,000 tons of Waste and generate bedding for cows

**COW POWER!**

Generate >3 M kWh of green energy

Reduce greenhouse gas emissions > 50 Mtons/year

>\$100,000 farm savings for electricity, heating, bedding and manure

Long term revenue stream for farm

## Fort Hill Farms Background

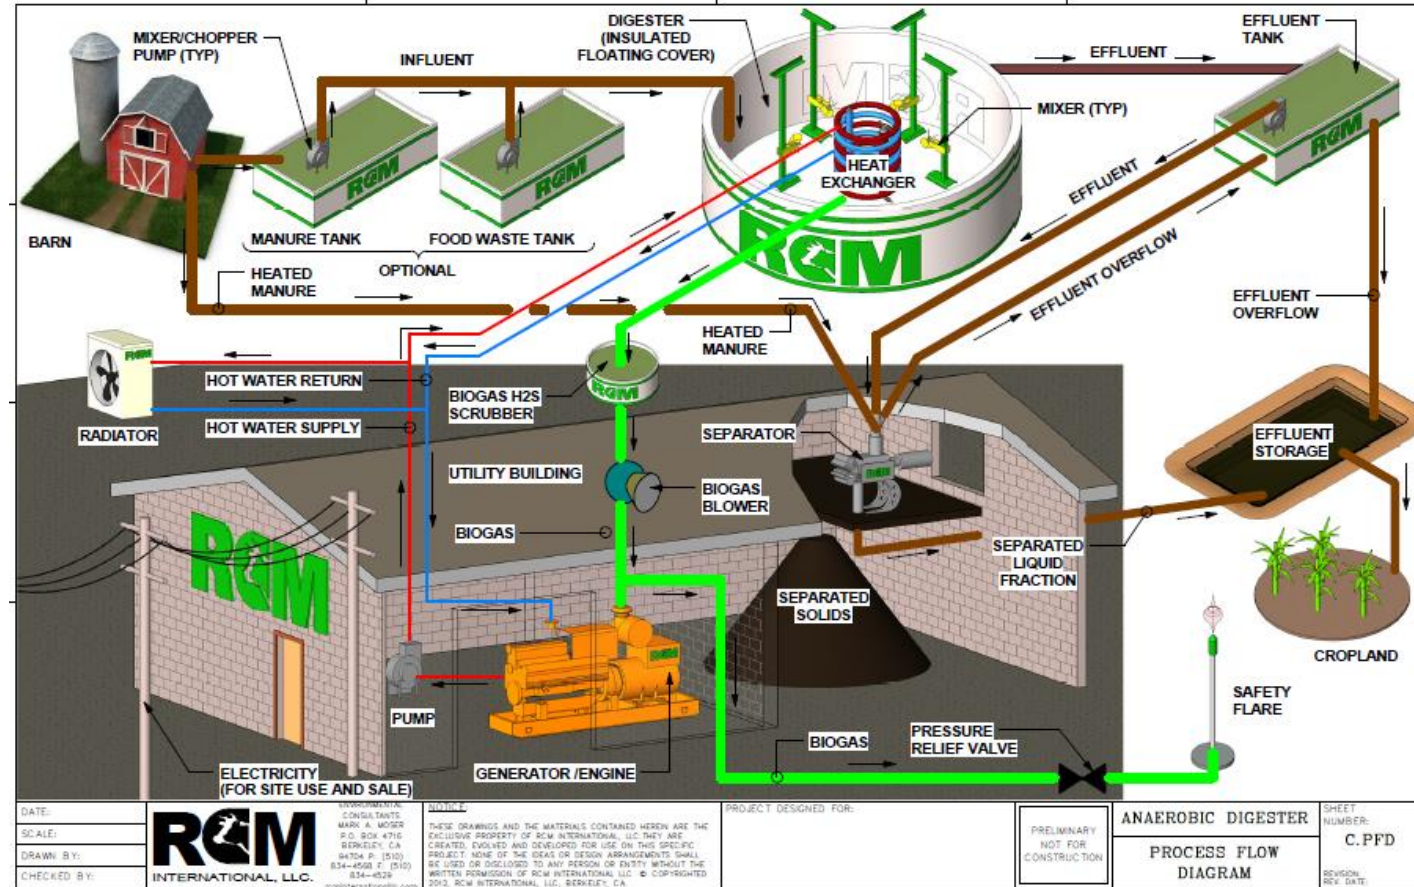

- Fort Hill Farm is a family-owned and-operated dairy farm, with a total of approximately 350 animals on-site. It's located in Thompson in Connecticut. Fort Hill Farms has been producing milk for multiple generations and milk production at their farm is higher than average. However, due to reduced market prices of milk our farm is looking for additional sources of income for enhanced farm sustenance.
- Based on Fort Hill Farm's stated level of milk production, estimated dairy cow manure totals about 22 tons/day, or around 8,000 tons annually. Including the wash water from the milking parlor, the total amount of manure-related material to be treated by the AD system is estimated to be 40 tons/day, or roughly 14,625 tons/year.
- Fort Hill Farm also proposes co-digesting 18,000 - 24,000 gallons/day of food waste, which would annually total a material flow of around 27 - 36 thousand tons.
- While co-digesting dairy manure with food waste is well-proven, the State of Connecticut is reportedly the first state to fully define a pathway for organics recycling to be permitted to use digesters that combine manure with organic material from food processing plants.

## On an annual basis Fort Hill Ag-Grid LLC is expected to

- Generate 3.3 Million kilo watt hours of electricity
  - Produce electricity for Fort Hill Farm
  - Produce excess electricity to serve the local community such as Town of Thompson
- Channel heat produced in the engine to heat Fort Hill barn floors, house and water (replace oil and wood burning)
- Reduce farm odors
- Recycle ~24,000 tons of food waste from the local area
- Reduce Millions of tons of carbon dioxide emissions, and
- Generate an ongoing cash flow for Fort Hill Farms

# What is being added on Fort Hill Farm?

- Tanks
  - Digester round tank
  - Manure collection tank
  - Food waste collection tank
  - Digested manure (effluent) storage tank
- Contained engine and generator to produce electricity
- Flare to burn biogas (if needed)

## What to expect at Fort Hill Ag-Grid LLC once constructed?

- Liquid food waste supply of 3-4 trucks/day; Each truck is 6000 gallons;
- Replace manure trucks with digested manure trucks – no odor
- Gas Flare if electric generator is down for maintenance

*Compared to solar generation, Anaerobic Digester generates electricity 24/7 for 365 days  
As cows and digesters eat everyday and produce manure and therefore electricity everyday*

## Timeline for Fort Hill Ag-Grid Project

### ■ Already completed

- December 2016
  - Ag-Grid and Fort Hill formed partnership and
  - Created Fort Hill Ag-Grid LLC
  - Obtained contract from engineering, procurement and construction provider
- 2017
  - Received NRCS grant
  - Initiated air permit application
  - Applied for Eversource Utility interconnection
  - Applied for Virtual Net Metering under Agriculture Host
- 1H 2018
  - Applied for air permit
  - Approved Comprehensive Nutrient Management Protocol
  - Finalized the layout
  - Received approval from Rural Energy of America Program for grant and loan guarantee
  - Obtained financial commitment

### ■ Next Steps

- 2Q 2018
  - Receive approved air permit
  - Initiated Solid Waste permit to introduce organics
  - Finalize quotes for lagoon construction
- 1H 2019
  - Construction start-up!
- 2H 2019
  - Complete 3-phase to Fort Hill Ag-Grid
  - Project start-up! – biogas production with manure only
  - Receive Virtual Net-Metering allocation
  - Initiate generation of electricity

## About Ag-Grid Energy Projects in Massachusetts

### ■ Rockwood Ag-Grid Project

- Already producing biogas
- Expected to be interconnected and ready to produce electricity by 1H 2019

### ■ Belden Ag-Grid Project

- Digester and food tanks has been built
- Project expected to complete construction by Oct 2018
- Ramp-up and start-up Dec 2018

## Request for support from Town

1. Be the Municipal customer for Fort Hill Farms using Agricultural virtual net-metering
2. Purchase virtual net-metering credits from Fort Hill Ag-Grid LLC
  1. Please provide your annual electric consumption in KWH
3. Fort Hill Ag-Grid LLC would provide discount vs. Eversource in sale of virtual net-metering credits per KWH

Background on Ag-Grid Energy LLC

# **AG-GRID ENERGY**

## Ag-Grid Energy LLC Vision & Structure

“Ag-Grid Energy LLC has a vision to convert agricultural and organic waste into renewable energy, compost and support local area practices that lead us towards a sustainable environment.”

## AgGrid Team

- Rashi Akki is the founder and CEO
  - Prior to launching Ag-Grid Energy LLC, Dr. Akki worked for 20 years at the leading chemical company DuPont. Dr. Akki held progressively senior positions in central R&D, DuPont Titanium Technologies, Nonwovens and Industrial Biosciences. The last 3 years of experience at Industrial Biosciences introduced Dr. Akki to advanced biofuels and biogas. Currently Dr. Akki is a member of American Biogas Council and PBEA (Pennsylvania Biomass Energy Association). Dr. Akki received her B.S. in Chemical Engineering from Osmania University, M.S from University of Connecticut and Ph.D. from Georgia Institute of Technology.
- Rahul Gupta: Chief Operating Officer
  - Dr. Rahul Gupta has over 16 years of experience working at both technology startups and large multinational companies with a focus on bringing new products to market. Prior to joining Ag-Grid, Dr. Gupta was the head of business development and marketing for Cambrios Technologies, a Silicon Valley startup focused on bringing flexible and transparent solar cells, touch sensors and flexible displays to the market. Dr Gupta has also worked on optical telecommunications at Lucent technologies, OLED displays and lighting at OSRAM and a large scale inkjet printing for manufacturing of LCD TV's at AKT (Applied Materials). Rahul received his B.Tech. degree from Indian Institute of Technology Bombay, MS from University of Texas at Austin and Ph. D. from the University of California at Santa Barbara (Advisor Nobel Laureate Prof Alan Heeger) and an MBA from the Hass School of Business at the University of California at Berkeley.

## Ag-Grid Team

- Nain Maganti, IT/Investment Strategy Officer
  - Nain Maganti brings experience in establishing and running organizations with a focus in renewable energy, technology and consulting services. He currently serves as Director of Kenergy Wind Power & Infrastructure (P) Limited and President of Confiance. Mr. Maganti has over 15 years of progressive sales, technology & management experience in North America, Europe, and Asia. He holds a M.S. in Business Administration from Temple University, as well as a Bachelor's in Electrical Engineering from Pune University in India
- Martin Odom – Technology Consultant
  - 29 years of industrial experience in DuPont's Central Research Biochemical Science and Engineering Division. Experience includes development of new technologies for oil and gas production, biomass conversion to methane, liquid fuels, via both solar and dark fermentative processes. The last 2 years at DuPont included consulting on anaerobic digestion of cellulosic wastes from cellulosic bioethanol process. PhD degree from University of Georgia Dept. of Biochemistry 1981. Prior to joining DuPont in 1985 postdoctoral work included 1. Grant from Gas Research Institute to study basic reactions in anaerobic digestion, 2. Biomass conversion to hydrogen (Solar Energy Research Institute 1983).
- Tapan Mallik – Supply Chain/Operations Consultant
  - Dr. Mallik has extensive hands-on supply chain management, consulting and international experience in improving bottom line and operational performance. He has 18 years of experience with DuPont and 9 years at Arkieva, Inc. His significant experience in supply chain would allow us to derisk the food waste supply contracts for the term of investment. Dr. Mallik did his Ph.D. in Management Science and Information Systems from University of Texas at Austin.
