Legislation Item: D8

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Administration

SUBJECT:

D8, Appointment of Christopher H. Daniel to the Investment Advisory Group

BACKGROUND AND ANALYSIS:

Pursuant to Municipal Code, Section 36.60, the Investment Advisory Group consists of the Mayor, Deputy Mayor, City Manager, Treasurer (Financial Services Department Director), another department director selected by the City Manager, and two residents of the City who have expert knowledge or professional experience in public finance or public funds investing. The City Manager is the chairperson of the group.

The Mayor, with the approval of the City Council, appoints the resident members of the group.

Mr. Daniel is a resident of the City of Rio Rancho. He is currently employed by the City of Albuquerque as their Chief Investment Officer. He has a Bachelor's degree from the University of North Carolina and Master of Business Administration from Georgia State University. He has experience in portfolio management, treasury, corporate finance, and accounting.

Mr. Daniel has previously served on the Investment Advisory Group as one of the two resident appointees.

If appointed, Mr. Daniel will serve another two-year term on the Investment Advisory Group with an expiration date of March 10, 2024.

IMPACT:

This appointment will fill a vacancy (resident) on the Investment Advisory Group caused by term expiration.

ALTERNATIVES:

Approve the appointment.

Do not approve the appointment.

DEPARTMENT RECOMMENDATION:

Mayor Hull recommends the reappointment of Christopher H. Daniel to the Investment Advisory Group.

ATTACHMENT: [Daniels Resume_Redacted](#)

Christopher H. Daniel

Objective

A challenging governmental investment portfolio manager position.

Summary of qualifications

I have extensive broad experience in portfolio management, treasury, corporate finance, accounting, strategic planning, team project management, public speaking & peer influence, employee supervision, and executive liason. My professional credentials include attainment of the Chartered Financial Analyst (CFA) designation, attainment of CPA licensure, and award of the Certified Treasury Professional (CTP) designation. My technology skills include strong knowledge of all Microsoft Office applications, portfolio management software, ERP applications, Sage (Peachtree) Accounting, and various other financial packages. I have very strong oral and written communication skills.

Work experience

City of Albuquerque

2006 -

Albuquerque, New Mexico

Chief Investment Officer 2014 – Present:

- Manage the City's \$600 million cash/investment portfolio
- Developed and implemented a pioneering strategic asset allocation approach to public funds management, resulting in over \$2 million incremental total return gain to date
- Oversee Treasury banking and cash management functions

ERP Program Manager 2010 – 2014:

- Direct 20-employee ERP Program which manages City core Financial & HR system
- Developed the Program from inception, and led it through several projects that reaped millions of dollars in operational efficiencies and business process improvements throughout the City
- Serve as Program liason to ERP Steering Committee and Executive Management

CITY OF RIO RANCHO COVER PAGE

Legislation Item: R10

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Fire and Rescue

SUBJECT:

R10, Resolution Accepting State Homeland Security Grant Program Funds and Authorizing a Budget Adjustment to the Federal Grants Fund (259)

BACKGROUND AND ANALYSIS:

The New Mexico Department of Homeland Security & Emergency Management has awarded the Rio Rancho Fire & Rescue Department \$510,682 in grant funding. The Homeland Security Grant Program was established in 2003 and incorporates all projects that provide funding to local, state, and federal government agencies by the Department of Homeland Security. The purpose of the grant is to purchase equipment and pay for advanced training for law enforcement personnel in order to increase and/or sustain security.

The FY 2021 Homeland Security Grant Program plays an important role in the implementation of the National Preparedness System by supporting the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness Goal of a secure and resilient Nation. Delivering core capabilities requires the combined effort of the whole community, rather than the exclusive effort of any single organization or level of government. The FY 2021 Homeland Security Grant Program allowable costs support efforts to build and sustain core capabilities across the Prevention, Protection, Mitigation, Response, and Recovery mission areas, including the following priorities.

The funding is allotted as follows:

- \$10,000 for equipment and supplies for the SAR Bike Unit
- \$32,250 for Fire Station security (e.g., access entry systems)
- \$319,675 for protective measures (e.g., metal detectors, access entry systems) at the Rio Rancho Events Center
- \$32,000 for SWAT (e.g., equipment)
- \$60,996 for the Emergency Response Team (ERT) program (e.g., vehicle and equipment)
- \$55,761 for the Rio Rancho Office of Emergency Management's Community Emergency Response Team (CERT) program (e.g., training and equipment)

IMPACT:

This grant provides additional funding to municipal government.

ALTERNATIVES:

Approve the Resolution.

Do not approve the Resolution.

DEPARTMENT RECOMMENDATION:

Staff recommends approval of the Resolution.

Legislation Item: R11

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Police Department

SUBJECT:

R11, Resolution Authorizing a Budget Adjustment to the Police Department Fleet Maintenance Budget for the Insured Repair of a Police Patrol Vehicle

BACKGROUND AND ANALYSIS:

On April 16, 2021, a collision occurred between two police vehicles in the north lot of Police headquarters. An insurance recovery was received by the City for \$1,873, which was \$500 less than the repair cost. A subsequent check for the \$500 was received, completing the recovery. The total recovery amount is \$2,373.

IMPACT:

The vehicle has been repaired and returned to service. The impact of this Resolution will be to make the Police Department Fleet Management budget whole.

ALTERNATIVES:

Approve the Resolution.

Do not approve the Resolution.

DEPARTMENT:

Library and Information Services

SUBJECT:

R12, Resolution Accepting a New Mexico Department of Cultural Affairs, State Library Division American Rescue Plan Act (ARPA) Grant for the Library and Information Services Department

BACKGROUND AND ANALYSIS:

The City has received a federal grant through ARPA from the New Mexico Department of Cultural Affairs, State Library Division in the amount of \$26,742 to cover certain costs related to impacts due to COVID-19. Specifically, the grant allows for costs such as personnel, technology, training, materials, supplies, equipment, and associated indirect costs.

The Library and Information Services Department will use this funding to buy needed books as well as miscellaneous minor furnishing and equipment that is up for replacement. The grant award must be spent by September 30, 2022.

IMPACT:

This grant will assist the Library and Information Services Department in providing quality services to the public.

ALTERNATIVES:

The Governing Body may choose to reject the grant award, in which case the City will not receive the funding.

CITY OF RIO RANCHO COVER PAGE

Legislation Item: R13

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Parks, Recreation & Community Services

SUBJECT:

R13, Resolution Authorizing a Budget Adjustment to the Park Impact Fees Fund (353) to Fund the Construction of Sports Complex North Phase II

BACKGROUND AND ANALYSIS:

Since 2009, the Parks, Recreation and Community Services Department has utilized City (predominantly Park Impact Fees), County, and State funds to bring power, water, and sewer utilities to the Rio Rancho Sports Complex North facility (located at 3616 Chayote Rd. NE), and to construct two Little League fields, a concrete plaza, a temporary parking lot, and drainage pond (Phase I).

The Design of Phases II-VI of the Sports Complex North facility were finalized in July 2020, and necessary energy code compliance changes to Phase II design were completed in late 2021. Phase II includes significant site grading and drainage, extending water and electrical utilities to the location, providing Fire/EMS vehicle access, landscaping, stabilizing disturbed earth, and constructing a concrete stairway and ramp from existing fields to a concrete pedestrian plaza, and concession and restroom building. Future phases will construct three additional ball fields and the facility main parking lot, each in individual funding phases as such funding becomes available.

The City has received multiple State Grants/Capital Outlay allocations (2018, \$50,000; 2019, \$625,000; 2020, \$850,000) totaling \$1,525,000 for design and construction of Phase II improvements and 1% for the Arts allocation. Grant funds available for construction, (\$1,474,881.52) and City Park Impact Fees (\$865,755) total \$2,340,636.52 to construct Phase II of the Complex. The low bid received for "IFB 22-PR-010 Construction of Sports Complex North Phase II" was \$2,198,213.13 excluding New Mexico Gross Receipts Tax. Including tax (\$168,987.63) the necessary construction budget of \$2,367,200.76 exceeds the current project budget by \$26,564.24 and does not include a contingency. The Parks, Recreation and Community Services Department is requesting a budget adjustment in the Park Impact Fees Fund (353) in the amount of \$125,000 from the Ending Fund Balance/Unreserved (353-0000-442.90-01) to PR1763, Park Construction/Park Projects (353-0000-442.76-10) line item to fully fund the contract (22-PR-127, T.A. Cole & Sons General Contractors, Inc.) amount and allow for a 4% contingency.

Sports Complex North Phase II construction work will begin in April 2022 and be completed by fall 2022.

IMPACT:

Approval of this Resolution will not impact the General Fund, and will allow the City to complete

construction of Phase II of Sports Complex North.

ALTERNATIVES:

Approve the Resolution.

Do not approve the Resolution.

DEPARTMENT RECOMMENDATION:

Staff recommends approval of the Resolution.

ATTACHMENT: [Resolution](#)

**CITY OF RIO RANCHO
RESOLUTION**

RESOLUTION NO.

ENACTMENT NO.

**RESOLUTION AUTHORIZING A BUDGET ADJUSTMENT TO THE PARK IMPACT
FEES FUND (353) TO FUND THE CONSTRUCTION OF SPORTS COMPLEX NORTH
PHASE II**

WHEREAS: the City has identified Phase II of the development of the Sports Complex North facility as the construction of a concession and restroom building with related improvements; and

WHEREAS: the construction of Sports Complex North Phase II has been bid and a low bid contractor identified; and

WHEREAS: a budget adjustment is necessary to move funds within the Park Impact Fees Fund unreserved ending fund balance to fully fund Phase II construction and award the contract.

NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF RIO RANCHO:

That authorization is given for the following budget adjustment:

Park Impact Fees Fund (353)

Account	Project No.	Revised Budget	Increase	Decrease	Adjusted Budget

NEW MEXICO REGULATION & LICENSING DEPARTMENT

STATE OF NEW MEXICO
MICHELLE LUJAN GRISHAM, GOVERNOR
Linda M. Trujillo, Superintendent
Andrew Vallejos, Director

Permanent Change of Floor Plan or Expansion of a Liquor Licensed Premise Application
\$75.00 Fee: all fees non-refundable | NMAC 15.10.32.12 | NMAC 15.10.32.13

The licensee cannot make any changes or expand the premises until written approval has been granted for this request, as a site inspection may be required before approval is granted.

Application to Change or Expand the licensed premises shall be submitted with the following Required Documentation:

- 1. Application and \$75.00 fee
2. A copy of your existing Approved Floor Plan
3. A Proposed Detailed Floor Plan, on an 8 1/2 x 11" sheet, that includes the existing approved premises and any proposed change or expansion - Label all areas and include all entrances, exits, walls or enclosures as well as dimensions for any expansion.

For Expansions Only also include,

- 4. Proof of Tenancy for the expansion area and
5. Photos of expansion, showing all areas including the enclosure if a patio

Liquor License Number: 67132 & 60062 Licensee Email: scott@brewlab101.com

Owner Name: Brew Lab 101, LLC Lessee:

Business Name (DBA): Brew Lab 101 Beer & Cider Co. Phone No.: 505-263-7587

License Location: 3301 Southern Blvd., Rio Rancho, NM 87124

Mailing Address: P.O. Box 65505, Albuquerque, NM 87193

Square Footage: Current 4705 Adding/Changing: 5397 Total: (add both) 10,102

Reason for Request: Making temporary back patio permanent and adding indoor storage space

If the change or expansion of the licensed premises is twenty-five (25%) or more of the total existing square footage of the licensed premises, the Director may require the licensee to file an application for a Transfer of Location.

Will the Proposed Expansion bring the licensed premises within 300 feet of a church or school? Yes No

Has there been any change in the Ownership or Operation of the Licensee? Yes No If yes, please explain:

I (print name) Scott J. Salvas, Licensee for Liquor License No. 67132 & 60062 hereby attest that the requested change meets the definition of "licensed premises" in NMSA 1978 §60-3A-3 (O), which states in part "licensed premises means the contiguous areas or areas connected by indoor passageways of a structure and the outside dining, recreation and lounge areas of the structure... that are under the direct control of the licensee..."

CITY OF RIO RANCHO COVER PAGE

Legislation Item: O3

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Development Services

SUBJECT:

O3, Ordinance of the City of Rio Rancho, New Mexico Amending the Zoning Classification and Official Zoning Map for the Property Legally Described as Hawksite, Tract 21 from C-1: Retail Commercial District to R-6: Multi-Family Residential District, Identifying Conditions of Development; Providing for Severability and an Effective Date

BACKGROUND AND ANALYSIS:

The subject property is located southwest of the intersection of Unser Frontage Rd NE and Columbine Rd NE, is legally described as Hawksite, Tract 21, covers approximately 5.54 acres of land, and falls within the Mountain Hawk Subdivision Master Plan. The request is to change the zoning from C-1: Commercial Use to R-6: Multi-Family Residential. Adjacent properties to the north and west are zoned M-1: Industrial, TZ: Transitional Zoning, and C-1: Retail Commercial, and the properties to the east and south are zoned C-1: Commercial, SU: Special Use, TZ: Transitional Zoning, and R-3: Mixed Residential Zoning.

This item was heard by the Planning and Zoning Board at their meeting on February 8, 2022. The motion to recommend approval carried by a vote of six for and zero against.

REVIEW CRITERIA:

Rio Rancho Code of Ordinances (R.O. 2003) § 150.07(A) states, "Proposed amendments shall be submitted to the Governing Body through the Planning and Zoning Board."

The zone map amendment application was submitted to the Development Services Department and received for review by the Governing Body through the Planning and Zoning Board. Conforms.

R.O. 2003 § 150.07(B) states, "The Board shall study the proposals at a regular meeting or at a special meeting, if necessary, and shall submit its recommendations to the Governing Body. Notice of the application must be posted on the property at least one week prior to consideration of the application by the Board."

Proper notice was provided through a sign posted on the perimeter of the property on February 1, 2022. Conforms.

Pursuant to the criteria provided by R.O. 2003 Section 150.07 (D) (1) through (4), and (E) through (G), a request for change in zoning designation must address the following policies and criterion for a zone map change:

(1) A proposed zone change must be found to be consistent with the health, safety, morals, and general welfare of the city.

The applicant states, "The proposed ZMA provides the opportunity to further the health and welfare of the City by creating development conditions necessary to construct high quality mixed residential development that will meet the needs of future Mountain Hawk Subdivision and Rio Rancho Residents. Additionally, the zone change will allow the properties to be developed consistent with the approved Mountain Hawk Master Plan. The amendment will complement the existing and surrounding developed residential and commercial areas by allowing a variety of housing options in what the Rio Rancho Comprehensive Plan defines as a development node and future activity center (Page V-11). As described in Section 1.3 Development Nodes, 'The creation of development nodes where higher concentration of land uses exists in the form of commercial, multi-family and mixed-use developments helps to develop a sense of place.', the proposed ZMA will further the general welfare of the City by providing [a] variety of zones thus creating the sense of place for future and current residents."

The Planning and Zoning Board recommends the Governing Body finds the proposed R-6: Multi-Family Residential zoning would be consistent with the health, safety, morals, and general welfare of the City as it helps implement the Comprehensive Plan; particularly the notion of Development Nodes and a sense of place. The rezoning would also implement the Mountain Hawk Estates Master Plan which was amended in December of 2019.

(2) Stability of land use and zoning is desirable; therefore, the applicant must provide a sound justification for the change. The burden is on the applicant to show why the change should be made, not on the city to show why the change should not be made.

The applicant states, "This zone change request will allow for stability of land use and zoning as well as improve it. The zone map amendment will allow the property to be developed in a manner that is compatible with and viable for the surrounding Mountain Hawk Master Plan area and Rio Rancho neighborhoods. The requested amendment will allow for development that is consistent with the Rio Rancho Comprehensive plan goals to provide access to housing in underdeveloped areas and along U.S. Highway 550, due to an increasing population. Additionally, the Comprehensive Plan has identified goals under Section 6: Population and Housing ... to provide a variety of housing types that meet the needs of current and future populations within the city."

The Planning and Zoning Board recommends the Governing Body finds that the applicant has provided sound justification for the zoning change. Additionally, the zoning change would bring the tract in line with the Land Use Plan Map in the Mountain Hawk Estates Master Plan, where it is designated as R-6: Multi-Family Housing. Last, the R-6: Multi-Family Residential zone has a specific list of permissive uses and will lead to a stable understanding of what can be built on the subject area.

(3) A proposed change shall generally be consistent with adopted elements of the comprehensive plan or other city master plans and amendments thereto including privately developed area plans which have been adopted by the city. The applicant states, "The proposed ZMA does not change, but rather furthers the Rio Rancho Comprehensive Plan's intent. The Rio Rancho Comprehensive Plan outlines the Mountain Hawk Master Plan area and an activity center and development node. The Comprehensive Plan has a goal to provide housing near gateways and transportation corridors due to an increasing population." They go on to relate that "the Mountain Hawk Subdivision is along US Highway 550 and [the] Northwest loop, a highly utilized transportation corridor and designated gateway in the Comprehensive Plan."

The Planning and Zoning Board recommends the Governing Body finds that the zone map amendment would meet the intent of the Comprehensive Plan and the Mountain Hawk Estates Master Plan. As previously mentioned, the zone change would bring the tract in line with the Mountain Hawk Estates Master Plan, and it also realizes the Comprehensive Plan's goal of

providing housing near transportation corridors.

(4) The applicant must demonstrate that the existing zoning is inappropriate because: (a) There was an error, mistake or is necessary to correct an injustice that occurred when the existing zone map pattern was created, including the placement of an R-1 or transitional zone on an antiquated plat filed before the city's incorporation and adoption of its own zoning code or on land annexed by the City; or (b) Changed neighborhood or community conditions justify the change; or (c) A different use category is more advantageous to the community, as articulated in the comprehensive plan or other city master plan, even though (D)(1) or (2) does not apply. Applicant's reliance on this provision requires proof that (i) there is a public need for a change of the kind in question, and (ii) that need will be best served by changing the classification of the particular piece of property in question as compared with other available property.

The applicant calls out option c and maintains that "The proposed ZMA is more advantageous to the community, as demonstrated in [the previous sections] above." They also reiterate that they are "requesting the amendment to the zoning to match the recently approved Mountain Hawk Master plan," which designates this tract for Multi-Family Residential.

The Planning and Zoning Board recommends the Governing Body finds this criterion has been met as the zone change will align with the subject property's land uses as identified in the Mountain Hawk Master Plan.

(E) The cost of land or other economic considerations pertaining to the applicant shall not be the determining factor for a change of zone. The applicant states, "The cost of land or other economic considerations are not the determining factor for this request. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan."

The Planning and Zoning Board recommends the Governing Body finds that the cost of the land or other economic considerations do not appear to be a justification for the proposed zone map amendment.

(F) Location on a collector or major street is not in itself sufficient justification of apartment, office, or commercial zoning. The applicant states that "Location on a major street is not the sole justification for this request. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan."

The Planning and Zoning Board recommends the Governing Body finds that the sole justification for this request is not based on the site's location on a major street.

(G) A zone change request which would give a zone different from surrounding zoning to one small area, especially when only one premises is involved, is generally called a "spot zone." Such a change of zone may be approved only when: (1) The change will clearly facilitate realization of the comprehensive plan and any applicable adopted sector development plan or area development plan; or (2) The area of the proposed zone change is different from surrounding land because it could function as a transition between adjacent zones; because the site is not suitable for the uses allowed in any adjacent zone due to topography, traffic, or special adverse land uses nearby; or because the nature of structures already on the premises makes the site unsuitable for the uses allowed in any adjacent zone.

The applicant states, "The requested zone change will not create a spot zone. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan. The requested change will also accomplish the Vision of Growth in Section 1 and the goals set forth in Section 6 of the Comprehensive Plan. The change will establish a transition from outside the Mountain Hawk Master Plan, currently zoned R-1, and through the plan from R-4 to R-6, C-1 and finally M-1 north of

the proposed change.”

The Planning and Zoning Board recommends the Governing Body finds that the request does not constitute a spot zoning, in that this zone change offers a transition between surrounding lower density residential and surrounding commercial and industrial uses.

The Planning and Zoning Board found that the proposed amendment conforms to the requirements promulgated within R.O. 2003 Section 150.07 (D) (1) through (4), and (E) through (G).

NOTIFICATIONS: In accordance with State Statute NMSA § 3-21-6, which stipulates notification procedures for this type of zoning action, all property owners within 100 feet of the subject property received a certified letter containing a notice of action and impending Governing Body hearing, with return service requested. A notice sign was erected on the subject property on February 1, 2022 by the applicant, as required by ordinance, and a legal notice was published in the Rio Rancho Observer on February 20, 2022.

INTERDEPARTMENTAL/INTERAGENCY REVIEW:

DSD Engineering	X	No comments provided
Rio Rancho Public Schools	X	No comments provided
Fire and Rescue	X	No adverse comments
Police Department	X	No comments provided
SSCAFCA	X	No comments provided
MRCOG	X	No comments provided
Parks, Recreation, and Community Services	X	No adverse comments

IMPACT:

The Planning and Zoning Board recommended that the Governing Body approve the zone map amendment request subject to the findings set forth below:

GENERAL FINDINGS OF FACT:

1. The Planning and Zoning Board may make a recommendation to the Governing Body on the applicant’s request for a zone map amendment.
2. Following procedures for a zone map amendment, proper notice of hearing on this matter was given.
3. The applicant has the authority to make an application to request a zone map amendment.
4. The applicant and adjacent property owners received due process, as proper notice and an opportunity to present views was given.

SPECIFIC FINDINGS OF FACT:

The applicant has submitted an application and narrative which demonstrates that the change in zoning designation meets the requirements of the Rio Rancho Code of Ordinances (R.O. 2003) §150.07(D) Amendments, including:

1. The proposed zone change would be consistent with the health, safety, morals, and general welfare of the City by promoting implementation of the City’s Comprehensive Plan.
2. The applicant has provided sound justification, in a narrative dated January 3, 2022, for the proposed zone change and the zone map amendment would provide stability of zoning along with providing for adequate compatibility with surrounding zoning and future uses.

3. The proposed zone map amendment would be consistent with intent of the adopted elements of the Comprehensive Plan and Mountain Hawk Estates Master Plan.
4. The applicant has demonstrated that the R-6: Multi-Family zoning designation would be a more advantageous zoning for the site as opposed to the current C-1: Commercial zoning designation, as it offers more housing opportunities in an area that is projected to grow, given it's location next to a transportation corridor, and is currently lacking.
5. The cost of the land or other economic considerations does not appear to be a justification for the proposed zone map amendment.
6. The applicant has provided sufficient justification that the zone map amendment request is not based solely on the properties' location next to US 550.
7. The requested zone map amendment would not create a "spot zone" in that it offers a transition between surrounding zoning districts and is in alignment with the land use identified for the site in the Mountain Hawk Estates Master Plan.

ALTERNATIVES:

The Governing Body has four alternatives for the request for approval of a zone map amendment.

1. Approve the zone map amendment with the stated findings of fact and conditions of approval;
2. Deny the zone map amendment with findings that the applicant failed to address the criteria necessary for a change in zoning on the subject property;
3. Modify the zone map amendment conditions or provisions, and approve with the modifications;
4. Postpone its decision to allow for additional review and consideration.

DEPARTMENT RECOMMENDATION:

Staff and the Planning and Zoning Board recommend approval of the Ordinance to the Governing Body.

Ms. Amy Rincon
Director of Development Services
City of Rio Rancho
3200 Civic Center Circle NE
Rio Rancho, NM 87144

Re: Request for a Zone Map Amendment

Dear Ms. Rincon:

AMREP Southwest, Inc. (the "Applicant") is the owner of all the real property (the "subject property") involved in this zone map amendment request. This is a request for a Zone Map Amendment ("ZMA") for approximately 5.54 acres within the Mountain Hawk Subdivision Master Plan more particularly identified as Tract 21, of the Rio Rancho Hawksite (the "Subject Property"). The Subject Property is located southwest of the intersection of Unser Frontage Road NE and Columbine Road NE (see below).

The applicant is requesting that Tract 21 be rezoned from C-1 to R-6. This zone change will place Tract 21 inline with the Mountain Hawk Estates Master Plan adopted on December 11, 2019 by the City's Governing Body.

SITE CONTEXT/ZONE MAP AMENDMENT

The subject property is situated within the existing Mountain Hawk Subdivision Master Plan. The surrounding area consists of residential neighborhoods and some commercial development along U.S. Highway 550. The Mountain Hawk Master Plan extends to the north of the requested ZMA property and is encompassed by a variety of zoning including R-4 (Single Family Residential), SU R-3 (Mixed Use Residential), C-1 (Retail Commercial), and M-1 (Industrial and Business). To the West of the subject property is the Rio Rancho Estates Subdivision, which is zoned T-Z (Transitional-Zone). On the Northern border of the property is Northwest Loop and New Mexico National Guard.

SECTION 150.07 JUSTIFICATION

This section of the request addresses the criteria for a zone map amendment. A justification per Section 150.07 (D-G), Policies for Deciding Zone Map Amendments, is provided below.

(D) The following policies for deciding zone map change applications pursuant to the City Zoning Code are:

1. A proposed zone change must be found to be consistent with the health, safety, morals, and general welfare of the City.

Applicant response: The proposed Zone Map Amendment is consistent with the health, safety, morals, and general welfare of the City. The proposed ZMA provides the opportunity to further the health and welfare of the City by creating the development conditions necessary to construct high quality mixed residential development that will meet the needs of future Mountain Hawk Subdivision and Rio Rancho residents. Additionally, the zone change will allow the properties to be developed consistent with the approved Mountain Hawk Master Plan. The amendment will complement the existing and surrounding developed residential and commercial areas by allowing a variety of housing options in what the Rio Rancho Comprehensive Plan defines as a growth node and future activity center. The proposed ZMA will further the general welfare of the City by providing the current and future residents with a variety of housing options in a developing neighborhood within Rio Rancho.

2. Stability of land use and zoning is desirable; therefore, the applicant must provide a sound justification for the change. The burden is on the applicant to show why the change should be made, not on the City to show why the change should not be made.

Applicant response: This zone change request will allow for stability of land use and zoning as well as improve it. The zone map amendment will allow the property to be developed in a manner that is compatible with and viable for the surrounding Mountain Hawk Master Plan area and Rio Rancho neighborhoods. The requested amendment will allow for development that is consistent with the Rio Rancho Comprehensive plan goals to provide access to housing in undeveloped areas and along U.S. Highway 550, due to an increasing population. Additionally, the Comprehensive Plan has a goal to provide a variety of housing types that meet the needs of current and future populations within the city. The proposed zoning will not destabilize the land use and zoning in the area, but will strengthen it with a mixture of residential uses that meet the needs of the surrounding community. The requested zone

change will allow the Property to be developed in a manner compatible with surrounding uses and consistent with current development possibilities. For this reason, there is sound justification for the requested zone change.

3. A proposed change shall generally be consistent with adopted elements of the Comprehensive Plan or other City master plans and amendments thereto including privately developed area plans which have been adopted by the City.

Applicant response: The proposed ZMA does not change, but rather furthers the Rio Rancho Comprehensive Plan's intent. The Rio Rancho Comprehensive Plan outlines the Mountain Hawk Master Plan area and an activity center and development node. The Comprehensive Plan has a goal to provide housing near gateways and transportation corridors due to an increasing population. The Mountain Hawk Subdivision is along U.S. Highway 550 and Northwest loop, a highly utilized transportation corridor and designated gateway in the Comprehensive Plan. In addition, the Comprehensive Plan provides a variety of housing types and mixed-used residential developments to meet the needs of all members of the community. The requested ZMA is consistent with the goals and policies outlined by the Rio Rancho Comprehensive plan and recently approved Mountain Hawk Master Plan.

4. The applicant must demonstrate the existing zoning is inappropriate because:

- a) The existing zoning is inappropriate because there was a judgment mistake in the original zoning.
- c) A different use category is more advantageous to the community, as articulated in the Comprehensive Plan.

Applicant response: The proposed ZMA is more advantageous to the community, as articulated in the Comprehensive Plan as demonstrated in section three above. The applicant is requesting an amendment to the zoning to match the recently approved Mountain Hawk Master Plan.

(E) The cost of land or other economic considerations pertaining to the applicant shall not be the determining factor for a change of zone.

Applicant response: The cost of land or other economic considerations are not the determining factor for this request. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan.

(F) Location on a collector or major street is not in itself sufficient justification of apartment, office, or commercial zoning.

Applicant response: Location on a major street is not the sole justification for this request. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan.

(G) A zone change request which would give a zone different from surrounding zoning to one small area, especially when only one premise is involved, is generally called a "spot zone." Such a change of zone may be approved when:

(1) The change will clearly facilitate realization of the Comprehensive Plan and any applicable adopted sector development plan or area development plan; or

(2) The area of the proposed zone change is different from surrounding land because it could function as a transition between adjacent zones; because the site is not suitable for the uses allowed in any adjacent zone due to topography, traffic, or special adverse land uses nearby; or because the nature of structures already on the premises makes the site unsuitable for the uses allowed in any adjacent zone.

Applicant response: The requested zone change will not create a spot zone. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan.

We respectfully request that the Rio Rancho Planning and Zoning Board and Governing Body approve this request for a zone map amendment.

Sincerely,

Jarrod Likar, PE

RE: Zone Map Amendment,
Case No. 21-100-00001
Mountain Hawk, Tract 21

Dear Property Owner:

You are receiving this certified notice because your property abuts a site where a land development decision is required by the Governing Body.

The applicant, AMREP Southwest, Inc., is requesting approval of a Zone Map Amendment for 5.54 acres within the Mountain Hawk Subdivision Master Plan, from C-1: Commercial Use to R-6: Multi-Family Residential. The subject property is legally described as MH, Tract 21, and is located southwest of the intersection of Unser Frontage Rd NE and Columbine Rd NE.

The Governing Body will consider the request and have the final approval on **Thursday, March 10, 2022** at 6:00 pm in the Council Chambers and Virtually as a hybrid meeting, through the Zoom link and number below.

On the back of this letter is a location map of the project, with the subject property identified with the black outline.

If you would like to comment on this application, you are encouraged to send in comments in writing, which will be presented to the Governing Body. This Governing Body meeting will be hybrid with options to participate virtually or in person. The City highly encourages citizens to watch the meeting live on the City's website www.rrnm.gov or on Sparklight cable channel 56.

For the Governing Body meeting, to participate virtually: Join via computer:
<https://zoom.us/j/91804920905?pwd=ZIZ5NmdTUTF1RndxTVN2dHBTSnJ3Zz09>
Meeting ID: 918-0492-0905 Passcode: 903274 Join via phone: 1-253-215-8782 US

Please do not hesitate to contact me via e-mail me at lruizcarlos@rrnm.gov or call me at 505-896-8785, if you have any questions concerning this matter. The agenda for this hearing and related staff reports will be posted on the City's website, www.rrnm.gov, the Friday before the hearing.

If you are an individual with a disability who is in need of a reader, amplifier, qualified sign language interpreter, or any form of auxiliary aid or service to attend or participate in the hearing or meeting, please contact the City Clerk, 505-891-5004, as soon as possible prior to the meeting. Please contact the City Clerk if a summary or other type of accessible format is needed.

Respectfully,

Liz Ruiz Carlos

Rio Rancho, NM 87144

Re: Request for a Zone Map Amendment

Dear Ms. Rincon:

AMREP Southwest, Inc. (the "Applicant") is the owner of all the real property (the "subject property") involved in this zone map amendment request. This is a request for a Zone Map Amendment ("ZMA") for approximately 5.54 acres within the Mountain Hawk Subdivision Master Plan more particularly identified as Tract 21, of the Rio Rancho Hawksite (the "Subject Property"). The Subject Property is located southwest of the intersection of Unser Frontage Road NE and Columbine Road NE (see below).

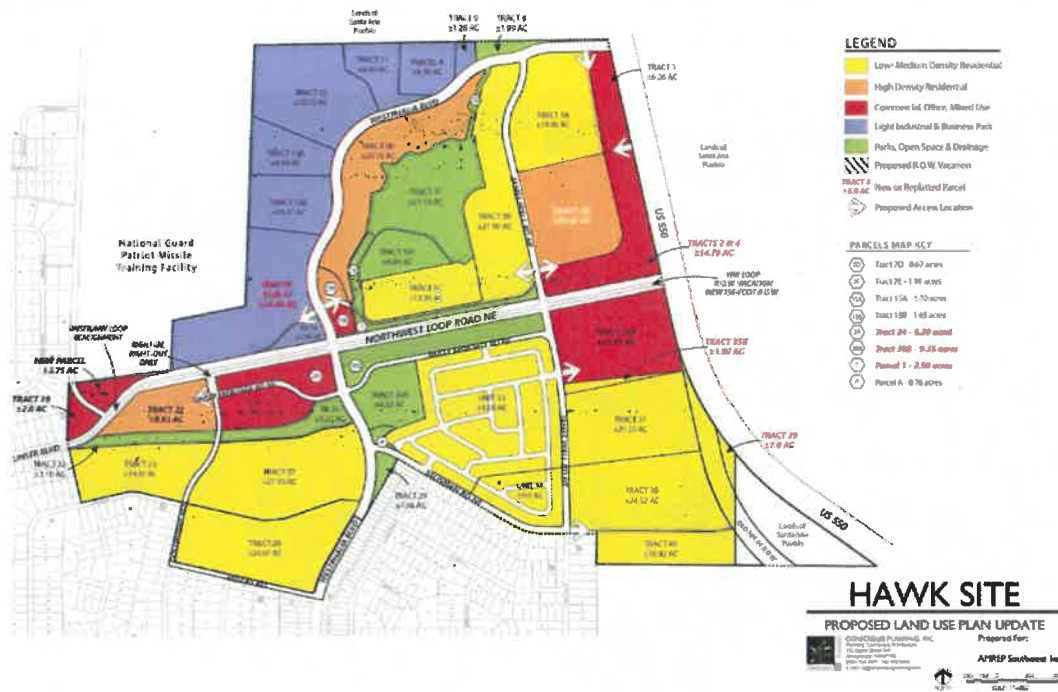

The applicant is requesting that Tract 21 be rezoned from C-1 to R-6. This zone change will place Tract 21 in line with the Mountain Hawk Estates Master Plan adopted on December 11, 2019 by the City's Governing Body.

SITE CONTEXT/ZONE MAP AMENDMENT

The subject property is situated within the existing Mountain Hawk Subdivision Master Plan. The surrounding area consists of residential neighborhoods and some commercial development along U.S. Highway 550. The Mountain Hawk Master Plan extends to the north of the requested ZMA property and is encompassed by a variety of zoning including R-4 (Single Family Residential), SU R-3 (Mixed Use Residential), C-1 (Retail Commercial), and M-1 (industrial and Business). To the West of the subject property is the Rio Rancho Estates Subdivision, which is zoned T-Z (Transitional-Zone). On the Northern border of the property is Northwest Loop and New Mexico National Guard. Proposed zoning around Tract 21 from the approved Mountain Hawk Master Plan can be seen below and includes Commercial, Office and Mixed Use to the West, across the realignment of Northwest Loop, and East; Low/Medium Density Residential and Parks, Open Space and Drainage to the South and Light Industrial/Business Park to the North, across Northwest Loop.

LAND USE & ZONING

Figure 2. Future Land Use Plan

MOUNTAIN HAWK ESTATES MASTER PLAN

15

SECTION 150.07 JUSTIFICATION

This section of the request addresses the criteria for a zone map amendment. A justification per Section 150.07 (D-G), Policies for Deciding Zone Map Amendments, is provided below.

(D) The following policies for deciding zone map change applications pursuant to the City Zoning Code are:

1. A proposed zone change must be found to be consistent with the health, safety, morals, and general welfare of the City.

Applicant response: The proposed Zone Map Amendment is consistent with the health, safety, morals, and general welfare of the City. The proposed ZMA provides the opportunity to further the health and welfare of the City by creating the development conditions necessary to construct high quality mixed residential development that will meet the needs of future Mountain Hawk Subdivision and Rio Rancho residents. Additionally, the zone change will allow the properties to be developed consistent with the approved Mountain Hawk Master Plan. The amendment will complement the existing and surrounding developed residential and commercial areas by allowing a variety of housing options in what the Rio Rancho Comprehensive Plan defines as a development node and future activity center (Page V-11). As described in Section 1.3 Development Nodes, 'The creation of development nodes where higher concentration of land uses exist in the form of commercial, multi-family and mixed-use developments helps to develop a sense of place.', the proposed ZMA will further the general welfare of the City by providing this variety of zones thus creating the sense of place for current and future residents within a developing neighborhood within Rio Rancho.

2. Stability of land use and zoning is desirable; therefore, the applicant must provide a sound justification for the change. The burden is on the applicant to show why the change should be made, not on the City to show why the change should not be made.

Applicant response: This zone change request will allow for stability of land use and zoning as well as improve it. The zone map amendment will allow the property to be developed in a manner that is compatible with and viable for the surrounding Mountain Hawk Master Plan area and Rio Rancho neighborhoods. The requested amendment will allow for development that is consistent with the Rio Rancho Comprehensive plan goals to provide access to housing in undeveloped areas and along U.S. Highway 550, due to an increasing population. Additionally, the Comprehensive Plan has identified goals under Section 6: Population and Housing (depicted below) to provide a variety of housing types that meet the needs of current and future populations within the city.

6.4.2 GOALS

Goal PH-1: To ensure that regulations do not have an unreasonable negative impact on the cost or supply of housing.

Goal PH-2: Maintain the strength, vitality, and stability of all residential neighborhoods and types.

Goal PH-3: Promote a variety of housing types to meet the needs of all members of the community.

Goal PH-4: To ensure that single-family and multi-family residential neighborhoods provide an attractive living environment.

The proposed zoning will not destabilize the land use and zoning in the area, but will strengthen it with a mixture of residential uses that meet the needs of the surrounding community. The requested zone change will allow the Property to be developed in a manner compatible with surrounding uses and consistent with current development possibilities. For this reason, there is sound justification for the requested zone change.

3. A proposed change shall generally be consistent with adopted elements of the Comprehensive Plan or other City master plans and amendments thereto including privately developed area plans which have been adopted by the City.

Applicant response: The proposed ZMA does not change, but rather furthers the Rio Rancho Comprehensive Plan's intent. The Rio Rancho Comprehensive Plan outlines the Mountain Hawk Master Plan area and an activity center and development node. The Comprehensive Plan has a goal to provide housing near gateways and transportation corridors due to an increasing population. The Mountain Hawk Subdivision is along U.S. Highway 550 and Northwest loop, a highly utilized transportation corridor and designated gateway in the Comprehensive Plan. In addition, the Comprehensive Plan provides a variety of housing types and mixed-used residential developments to meet the needs of all members of the community. The requested ZMA is consistent with the goals and policies outlined by the Rio Rancho Comprehensive plan and recently approved Mountain Hawk Master Plan.

4. The applicant must demonstrate the existing zoning is inappropriate because:
 - a) The existing zoning is inappropriate because there was a judgment mistake in the original zoning.
 - c) A different use category is more advantageous to the community, as articulated in the Comprehensive Plan.

Applicant response: The proposed ZMA is more advantageous to the community, as articulated in the Comprehensive Plan as demonstrated in section one, two and three above. The applicant is requesting an amendment to the zoning to match the recently approved Mountain Hawk Master Plan.

(E) The cost of land or other economic considerations pertaining to the applicant shall not be the determining factor for a change of zone.

Applicant response: The cost of land or other economic considerations are not the determining factor for this request. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan.

(F) Location on a collector or major street is not in itself sufficient justification of apartment, office, or commercial zoning.

Applicant response: Location on a major street is not the sole justification for this request. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan.

(G) A zone change request which would give a zone different from surrounding zoning to one small area, especially when only one premise is involved, is generally called a "spot zone." Such a change of zone may be approved when:

- (1) The change will clearly facilitate realization of the Comprehensive Plan and any applicable adopted sector development plan or area development plan; or

(2) The area of the proposed zone change is different from surrounding land because it could function as a transition between adjacent zones; because the site is not suitable for the uses allowed in any adjacent zone due to topography, traffic, or special adverse land uses nearby; or because the nature of structures already on the premises makes the site unsuitable for the uses allowed in any adjacent zone.

Applicant response: The requested zone change will not create a spot zone. The request is to bring the zoning in alignment with the approved Mountain Hawk Master Plan. The requested change will also accomplish the Vision of Growth in Section 1 and the goals set forth in Section 6 of the Comprehensive Plan. The change will establish a transition form outside the Mountain Hawk Master Plan, currently zoned R-1, and through the plan from R-4 to R-6, C-1 and finally to M-1 north of the proposed change.

We respectfully request that the Rio Rancho Planning and Zoning Board and Governing Body approve this request for a zone map amendment.

Sincerely,

Jarrod Likar, PE

35 receipt of the Planning and Zoning Board's report and recommendation,
36 has determined that the amended Plan is in conformance with the City of
37 Rio Rancho Comprehensive Plan.

38
39 **NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY
40 OF RIO RANCHO:**

41
42 **Section 1.** The Governing Body hereby approves and adopts amendments to The
43 Hawksite Master Plan, now known as Mountain Hawk Estates Master Plan, comprised of
44 properties known legally as all lots, tracts, parcels, and rights of way within the plat of

1 Rio Rancho Hawksite, recorded in Plat Book 17, Pages 16-19. The Mountain Hawk
2 Estates Master Plan attached hereto as "Exhibit A" is hereby amended and adopted
3 with the following changes or conditions:

- 4 1. The City's Comprehensive plan, Generalized Land Use map (GLUM), Map L-2,
5 shall be modified to reflect the land uses in the updated "Mountain Hawk Master
6 Plan."
- 7 2. An amendment to the Hawksite Development Agreement may be required prior
8 to the approval of any preliminary or final plat or other action. Any development
9 or action proposed to implement this Mountain Hawk Estates Master Plan must
10 be consistent with and complementary to the Hawksite Development Agreement
11 and vice versa. Any necessary amendment to that development agreement to
12 implement this Master Plan must also be compliant with the City's Impact Fee
13 Subchapter as it may apply to the development agreement.
- 14 3. An update to the Drainage Implementation Plan and Drainage Master Plan are
15 required prior to the approval of any preliminary plat.
- 16 4. Vacation and dedication of right of way requires separate process and approval.
17 Land uses identified within any future vacated right-of-way are subject to and
18 contingent upon such vacation of right-of-way.
- 19 5. The "Utility" land use identified on Tract 9 on Figure 2. Future Land Use Plan, is
20 better identified as having a "Light Industrial & Business Park" land use
21 designation, and for purposes of implementation, said Tract 9 may be developed
22 for either Utility or Light Industrial & Business Park uses.

23
24 **Section 2.** Designs, layouts, and engineering requirements or details are subject to
25 compliance with City engineering and/or subdivision requirements prior to development.

26
27 **Section 3.** Effective Date:

28 This Resolution shall take effect immediately upon adoption.

29
30 ADOPTED THIS 11th DAY OF DECEMBER, 2019.

1. INTRODUCTION

AMREP Southwest, Inc., the developer of the Master Plan Area, has prepared this document to provide a thorough reporting to the City of Rio Rancho regarding the privately held parcels of land formerly known as **The Hawk Site** – now known as **Mountain Hawk Estates**. The intention of this plan is to ensure development of a high quality, mixed-use, master-planned community. Because Mountain Hawk Estates is a large development, the sum of the land uses proposed are intended to reflect the long-range planning objectives of the City of Rio Rancho; offering a range of residential, shopping, employment, and public land uses.

This plan is a revision to the original Master Plan that was adopted on March 24, 2001. The following chapters detail updated land use patterns and proposed zoning changes, transportation and access including adjustments to the Northwest Loop Road within the boundaries of the plan area, housing opportunities, employment and economic development, and the preservation of natural features and open space for drainage and recreation purposes. As an updated plan, this document responds to the goals and policies of the City of Rio Rancho's updated 2010 Comprehensive Plan and will continue to support the development of Mountain Hawk Estates into a true asset for the City and its residents.

In 1988, Mountain Hawk Estates, which consists of approximately 574 acres, was annexed into the incorporated limits of the City of Rio Rancho. Of this total area, approximately 48 acres is subtracted for the Northwest Loop Road right-of-way and the wastewater treatment facility located at the northern edge of the site. The City originally designated the area as a transition zone until the owner received approval of the original Master Plan and subsequently established zoning.

Since the original master plan and zoning approvals in 2001, several zone map amendments have been approved to add additional commercial acreage and to reflect changes in platting and market demands for certain types of residential lots, but the plan was not updated over the years to reflect those zoning changes. As such, this updated plan will reflect the existing conditions and proposes further changes to successfully implement the City of Rio Rancho Comprehensive Plan vision.

The original Master Plan, as well as this update, creates an opportunity to appropriately plan for a concentration of residential neighborhoods, employment, business, and open space within a Comprehensive Plan-designated development node at Rio Rancho's northern edge. Mountain Hawk Estates can serve as an attractive entry to the City. Job creation for economic diversification is a principal development objective, and the updated plan maintains a high acreage of industrial land to achieve this purpose. A wide range of housing choices will provide an affordable community for employees and their families with easy access to Unser Boulevard and U.S. 550 that provide good connections to other employment areas, schools, shopping, and leisure activities.

Page Intentionally Left Blank

2. EXISTING CONDITIONS

The site is located adjacent to the western right-of-way of U.S. 550, approximately four miles west of New Mexico State Road 528 (NMSR 528). U.S. 550 allows access to the site from Interstate 25, the Town of Bernalillo, and is a major highway connecting to Farmington and the four-corners area. NMSR 528 is one of the main roads through the City of Rio Rancho. This site is located approximately 15 miles north of Albuquerque, approximately 45 miles south of Santa Fe and approximately 5 miles west of the Town of Bernalillo. There are views from the site to both the Sandia and Jemez Mountains.

The Sandia Mountains and existing homes from Westphalia Boulevard.

This site is bisected, east and west, by the Northwest Loop Road, currently a 300' wide right-of-way designated as a limited access regional principal arterial by the Long-Range Roadway System Map of the Mid-Region Metropolitan Planning Organization (MRMPO), which is part of the Mid-Region Council of Governments (MRCOG). The northern half of the Northwest Loop Road has been partially constructed to the southwestern corner of the National Guard facility adjacent to the property where it connects to Unser Boulevard. Plans for the Northwest Loop Road were originally to extend westerly, then southerly to Interstate 40, in the Rio Puerco area; however, no additional construction has occurred to date, and right-of-way within the Mariposa Master Plan area to the west of Mountain Hawk Estates has reverted back to the owner, so it is unlikely that further extension of the Northwest Loop will occur anytime soon.

There are two other major roads that have an impact on the planning of this site. Westphalia Boulevard is called out on the Long-Range Roadway Systems Map (LRRSM) as a minor arterial and bisects Mountain Hawk Estates from north to south. It is platted through the master plan area and continues south to the Paseo Gateway area around V. Sue Cleveland High School. The portion of Westphalia Boulevard within the master plan area south of the Northwest Loop Road has been constructed to support the development that has occurred since the master plan was originally adopted. Unser Boulevard also abuts the site and is called out on the LRRSM as a regional principal arterial. Unser Boulevard intersects the Northwest Loop Road at the west edge of the Mountain Hawk Estates plan area. More about this can be found in **CHAPTER 7: TRANSPORTATION**.

Mountain Hawk Estates is bounded by the New Mexico National Guard Patriot Missile training facility to the west, the Pueblo of Santa Ana reservation lands to the north and east, and Unit 25 of Rio Rancho Estates to the south and west.

The National Guard training site is an active facility. The access for National Guard lands is adjacent to the Northwest Loop Road, at the western edge of the site at a designated access point.

Rio Rancho Estates Unit 25 is located to the south and west of the site within the incorporated limits of the City of Rio Rancho. This area has been subdivided and sold to numerous private parties; however, to date, there has been little to no development in this area.

Since development of Mountain Hawk Estates has commenced, the multiple drainage ways that traverse the site have begun being channelized with ponding to account for runoff from the new development. According to the most recent FIRM (Flood Insurance Rate Map) map for Sandoval County, dated March 18, 2008 (Panel 35043C1900D), the site is within Zone X, an area of minimal flood hazard, and there are no floodplains or floodways running through the property. Further discussion of drainage measures tailored to this site are found in **CHAPTER 5** of this master plan.

The original plan proposed a variety of ways to sustain the anticipated development within Mountain Hawk Estates, while it was largely separated from the developed portions of the City of Rio Rancho. An example includes the use of the existing water treatment facility at the northern edge of the plan area that was primarily being used by the National Guard facility prior to development in the Mountain Hawk Estates plan area. Development of Mariposa to the west of Mountain Hawk Estates has added to the availability of water and sewer infrastructure to aid future development in the northern part of Rio Rancho. Further discussion of the existing and planned water and wastewater systems can be found in **CHAPTER 6** of this plan.

As proposed through the Vision 2020 Comprehensive Plan process and maintained by the City's updated 2010 Comprehensive Plan, Mountain Hawk Estates is a preferred "growth node." As employers, businesses, and homebuilders look for sites in Rio Rancho, Mountain Hawk Estates will provide parcels with a variety of land uses, zoning designations, and sizes. Discussion of this updated plan's conformance to the Rio Rancho Comprehensive Plan is found in **CHAPTER 3** with more specific Land Use and Zoning considerations in **CHAPTER 4**.

3. COMPREHENSIVE PLAN RESPONSE

AMREP Southwest, through this updated master plan, has coordinated with Rio Rancho's Comprehensive Plan vision as it pertains to growth, community appearance and character. This Master Plan also affords solutions for the practical aspects of planning by:

- Designing mixed-use convenience,
- Reducing vehicular trips,
- Balancing workspace opportunities with nearby housing matched to wage-earning potential,
- Creating public-accessible recreational / open space amenities, and
- Emphasizing economic development objectives that respond to community needs

The only immediate neighbors of occupation are the National Guard. Proposed positioning of land uses establishes a non-residential buffer that will, on the subject property, mitigate negative impacts from the activity at the National Guard facility. In addition, future retail and service establishments provided for in this Master Plan afford conveniences for National Guard employees and weekend in-training personnel, residents of Mountain Hawk Estates and Mariposa, as well as travelers along U.S. 550.

The original Master Plan was presented to representatives of the nearest residential neighbors, the *Enchanted Hills Homeowner's Association*. The land use mix proposed by this updated plan is in line with the mixed-use framework established by the original Master Plan. The requested updated land use categories are needed to ensure higher density, affordable housing for some of the tracts, and with the higher density, promote more public amenities such as open space, parks and trails.

There are numerous goals and policies from the City of Rio Rancho's Comprehensive Plan that affect the continued development of Mountain Hawk Estates. As described below, this updated plan furthers these goals and policies and the overall Comprehensive Plan vision for the City.

A. Natural Environment

As described elsewhere, the Master Plan includes multiple drainageways and incorporates those into open space areas and trail corridors, where possible. The Plan furthers the following Comprehensive Plan goals and policies:

- **GOAL CON-5:** Meet federal, state, regional and local water quality standards through coordinated, long-term strategies that address the many contributors to water pollution.
- **POLICY CON-12:** Develop and protect a public open space network.

The conceptual drainage plan (see **CHAPTER 5**) collects stormwater from the developed areas of the site and directs them to shared ponds and channels. These channels allow the stormwater to slow and reduce potential water pollution before leaving the site to the north via the primary arroyo that bisects the property. The ponds and channels are proposed to be retained as open space areas consistent with the original master plan with additional park space adjacent to them in two locations. Designated open space and drainage areas account for approximately 9% of the site, which meets a need to provide both recreation opportunities for future residents while preserving the natural environment.

B. Land Use

As described in **CHAPTER 4: LAND USE**, much of the planning area is proposed to support medium to high density single-family and multi-family residential uses. Significant land remains designated for industrial use, as well as commercial and mixed uses near major intersections. Open space corridors and two neighborhood park sites are also included. The proposed land uses further the following Comprehensive Plan goals and policies:

- **GOAL L-1:** Encourage mixed uses – retail, office, and residential centered on pedestrian-oriented developments along principal arterial roads.
- **GOAL L-2:** Encourage consolidation of lots to promote a variety of land uses in a planned manner.
- **GOAL L-3:** Maintain a balance of land uses throughout the City.
- **POLICY L-1:** Encourage the master planning of developments that establish a community character that considers circulation, landscaping, open space, storm drainage, utilities, and building location and design in the master plan.
- **POLICY L-2:** Promote and support neighborhood scale retail activities that are consistent with residential development.
- **POLICY L-3:** Promote and support development that incorporates walkability.
- **Action L-1:** Identify areas within the City where locating large-scale light industrial businesses such as light manufacturing, warehousing and research facilities are appropriate.

As stated above, the Plan promotes a mixed-use development pattern with commercial and high-density residential land uses centered around the U.S. 550 and Northwest Loop Road intersection. Additional commercial and medium- to high-density residential is found along the Northwest Loop Road and Westphalia Boulevard. The plan also maintains a large amount of industrial land that is appropriate for light manufacturing, warehousing, and research uses.

C. Population and Housing

Rio Rancho is continuing to be an area of growth and new housing development in the Albuquerque Metropolitan Area, and the Comprehensive Plan identifies areas along major roadways likely to experience this growth including Unser Boulevard and U.S. 550 that bookend this master plan area. This Plan supports several housing goals of the Comprehensive Plan including:

- **GOAL PH-2:** Maintain the strength, vitality, and stability of all residential neighborhoods and types.
- **GOAL PH-3:** Promote a variety of housing types to meet the needs of all members of the community.
- **GOAL PH-4:** To ensure that single-family and multifamily residential neighborhoods provide an attractive living environment.
- **Policy PH-1:** Promote quality, community-friendly multifamily development, through features such as enhanced open space and pedestrian connectivity

- **Policy PH-5:** Encourage mixed-use and mixed-income housing opportunities in designated growth nodes throughout the city.
- **POLICY PH-7:** Support residential developments with appropriate amenities for families with children.
- **POLICY PH-9:** Provide incentives to encourage residential development for a range of housing types and income levels throughout the city.

The Master Plan proposes a wide variety of housing densities within a designated growth node. The existing single-family development will be complemented by additional homes on a variety of lot sizes, as well as the inclusion of higher density options such as townhomes and apartments in other areas within the plan boundary.

D. Transportation

The transportation element of the Rio Rancho Comprehensive Plan seeks to develop a multi-modal transportation system that enables safe travel for all users, while also mitigating congestion and supporting mass transit. The proposed transportation plan described in **CHAPTER 7** supports many of the Comprehensive Plan's goals and policies including:

- **GOAL TR-1:** Encourage development that effectively mixes land uses to create an efficient transportation system that reduces congestion, improves air quality and creates opportunities to build Rio Rancho's economy.
- **GOAL TR-2:** Transportation facilities designed and constructed in a manner to facilitate Rio Rancho's economic goals, enhance livability and meet Federal, State, regional and local requirements.
- **POLICY TR-1:** Plan land uses to increase mode share and opportunities for multi-purpose trips (trip chaining) through proper location and design of transportation facilities.
- **POLICY TR-4:** Support complete street designs in the upgrade of existing and the development of future areas of Rio Rancho.
- **POLICY TR-9:** Plan rights-of-way prior to development review and, where appropriate, officially secure them by dedication or reservation of property.
- **POLICY TR-10:** Support the design of streets and highways to respect surrounding land uses, natural features and community amenities.

Roadways in the Planning Area will be constructed to respect surrounding land uses, natural features, and meet local and state requirements. The plan includes a request that the Northwest Loop Road right-of-way be narrowed and potentially be realigned with the terminus of Unser Boulevard. This request would enhance the livability of the area and support complete streets goals by following City of Rio Rancho standards for principal arterials and having shorter, more walkable crossings within the plan area. A more hospitable transportation system will encourage a shift in mode share to walking and biking between the mixed land uses presented in this updated plan.

E. Public Facilities

The Comprehensive Plan seeks to ensure that new development occurs in areas with existing public facilities and proximity to existing infrastructure (to minimize costs associated with infrastructure expansion). The Master Plan supports the following Comprehensive Plan goals and policies:

- **GOAL PF-1:** Provide a broad range of services and public facilities that meet the needs of current and future City residents, e.g. libraries, water supply, water and sewer lines, etc.
- **POLICY PF-3:** Make land use recommendations based on the availability of adequate public facilities necessary to support a proposed land use.

The Master Plan identifies existing and proposed public facilities and infrastructure development for Mountain Hawk Estates. Water and sewer infrastructure are already in place in much of the planning area, and new development will extend or install new facilities as needed for each individual project.

F. Parks and Recreation

The Comprehensive Plan identifies improving the City’s parks and recreation facilities as a clear need, especially in new master planned communities. Through the development of parks as part of residential communities within the plan area, this plan supports several Comprehensive Plan goals and policies to improve parks and recreation facilities including:

- **GOAL PR-1:** Establish new and maintain existing recreation and senior centers, parks, trails and open space that foster a quality community, support a strong economy, and meet the needs of current and future residents.
- **GOAL PR-3:** Develop, operate, and maintain parkland, recreation facilities and senior centers in a sustainable manner.
- **POLICY PR-1:** Develop pedestrian and bicycle linkages between neighborhoods and major natural areas, recreation facilities, and education, employment and retail centers.
- **POLICY PR-3:** Acquire land throughout the city to meet present and future parks, open space and recreation/senior center needs.

The Master Plan Area includes two locations for neighborhood parks that will be dedicated to the City of Rio Rancho. Open space and drainage corridors will include multi-use paths that connect between individual subdivisions, the major road network, and areas of commercial retail, services, employment, and other mixed-uses.

G. Urban Design

The urban design element of the Comprehensive Plan seeks to ensure that development follows basic design standards that support community identity and create a sense of place. The Master Plan furthers the following urban design goals of the Comprehensive Plan:

- **GOAL UD-1:** Create focused growth areas where existing public infrastructure can support higher density development.
- **GOAL UD 2:** Create traditional neighborhood patterns that support a sense of place.
- **GOAL UD 3:** Create street patterns with development that fosters human interaction.

- **GOAL UD-7:** Create subdivision linkages to open space recreational facilities.
- **POLICY UD-1:** Identify specific areas within the city where growth should be focused.

The updated master plan offers a variety of land uses centered around the two principal arterial roadways that bisect the plan area. A sense of place and human interaction will occur by narrowing the current Northwest Loop Road to a more manageable width and fostering the development of commercial and multi-family uses in proximity to one another. Individual subdivisions will connect to the adjacent street network, as well as to multi-use trail corridors in adjacent open space areas that offer recreational opportunities and linkages to areas of commercial development.

H. Economic Development

The City of Rio Rancho has sought to diversify its economy and attract additional employers. In addition, the City has sought to increase the amount of local retail opportunities within Rio Rancho, as well as expand the overall tax base.

- **GOAL EDP-1:** Create Jobs.
- **GOAL EDP-3:** Enhance the tax base.
- **GOAL EDP-4:** Improve the quality of life.
- **Goal EDR-1:** Expand the economic base of Rio Rancho.
- **Goal EDR-2:** Reduce retail sales leakage to other New Mexico cities.
- **Goal EDR-3:** Encourage large-scale manufacturing companies to relocate to Rio Rancho.

Development of the Master Plan Area will expand the City's tax base through both increased property taxes, and by supporting population growth and associated spending by new residents. Additionally, a large amount of industrial land is maintained that can be utilized for new companies to locate in Rio Rancho that would create jobs and expand the economic base of the city. Significant commercial uses designated by the plan will provide options for shopping, dining, and entertainment of residents of the residential areas and other nearby developments such as Mariposa, thus reducing leakage to other area cities.

Page Intentionally Left Blank

4. LAND USE & ZONING

A. Existing Land Use

The site is influenced by varying slopes, several ridgelines and frequent natural drainage ways. These facts led to the original Master Plan designation of fourteen distinct Planning Areas. Constraints imposed by the site's terrain were utilized as boundaries and buffers and served as a base for this updated plan in addition to the platting and installation of infrastructure that has occurred since the original plan was adopted.

The National Guard facilities located at the western edge of the plan area remain the dominant existing surrounding land use. Since adoption of the original plan, the Mariposa master planned community has begun developing to the southwest along Unser Boulevard and primarily consists of a variety of residential densities with a small, town center that includes some office and commercial space along with a park and community center.

Within the Mountain Hawk Estates plan area, the existing land uses are single-family residential with the remainder largely remaining vacant. Except for a city utility site, all the land north of the Northwest Loop Road is vacant. However, it has been bulk platted and utility infrastructure has been installed along the Westphalia Boulevard right-of-way.

The first subdivision within Mountain Hawk Estates has been completed on the south side of the Northwest Loop Road between James Wall Road and Westphalia Boulevard. Additional subdivisions that stalled during the economic downturn on the west side of Westphalia have been revived and are now seeing home construction.

B. Existing Zoning

Overall, existing zoning designations respond to the land uses and planning areas identified in the original master plan that were mapped to bulk land subdivision tracts. Much of the site is zoned Special Use for R-2 (SU/R-2), including the completed subdivision within Units 33 and 34. The SU/R-2 zone includes conditions stipulated in Ordinance No. 10, Enactment No. 01-10.

The SU/R-2 property located on the north side of the Northwest Loop Road was reconfigured in 2014 with revised platting around a central drainage parcel and neighborhood park. Originally, the drainageway paralleled Westphalia Boulevard, but modification was necessary because of requirements from the Office of the State Engineer. This modification also affected most of Reserve Area #1 and established Open Space (OS) and Parks and Recreation (PR) zoning in this area by replacing the Special Use for Multi-Use Facilities that existed prior.

The remaining portion of Reserve Area #1 (Tracts 8 & 9 and Parcel A) at the northern edge of the planning area, as well as Reserve Areas #2 and #3 from the 2001 Master Plan (generally defined by Tracts 22, 26, 30A and 30B) remain zoned Special Use for Multi-Use Facilities, which allows for drainage, transportation, sewage treatment, and/or open space uses subject to development per an approved Development Agreement or as determined via the platting process.

Tracts 27 and 28 located south of the Northwest Loop Road and west of Westphalia were rezoned in 2018 from SU/R-2 to SU/R-3 and are subject to the conditions established by Ordinance No. 31, Enactment No. 18-32 on November 14, 2018.

The last piece of Special Use zoning within the planning area is a sliver of land located between the U.S. 550 and Old State Highway 44 rights-of-way, which allows apartments. However, it should be noted that a significant portion of this tract is within the jurisdiction of the Pueblo of Santa Ana, and as such can no longer be privately developed.

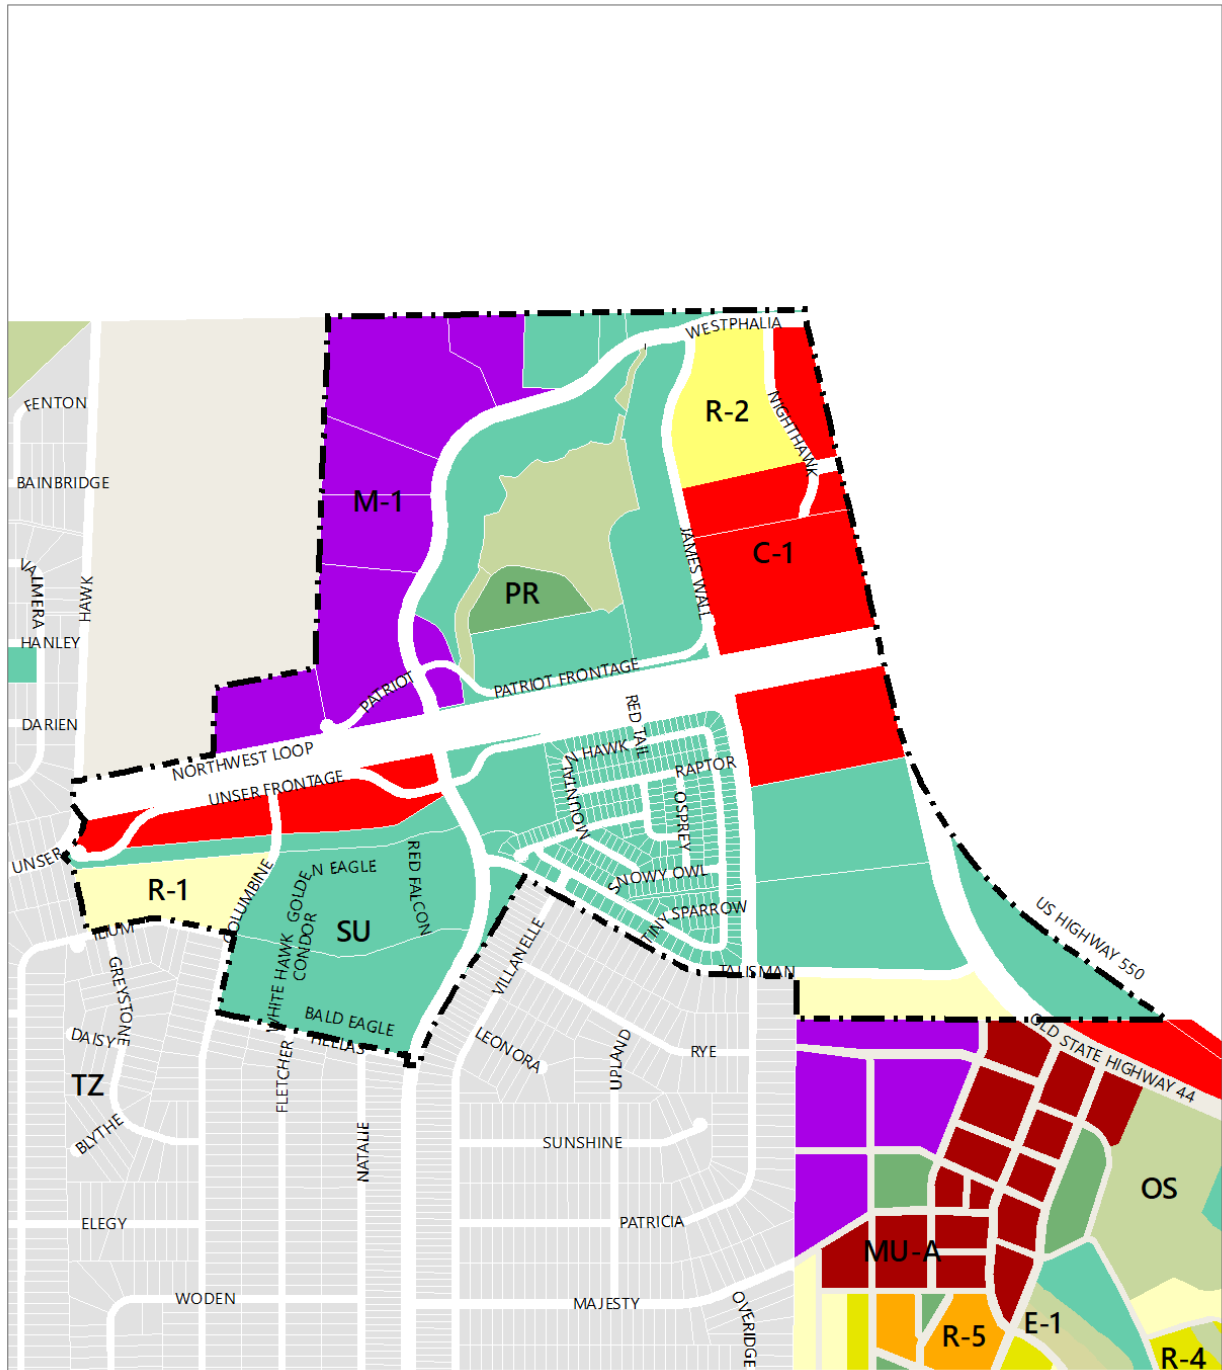

R-1 single-family residential zoning exists near the southern and western edges of the plan area.

Regarding non-residential zoning, the original 2001 Master Plan designated C-1 commercial zoning along U.S. 550 and the Northwest Loop Road on what is now Tracts 1 thru 4, 19, 21, 24, and 25. In 2006, a portion of Tract 3 was rezoned from C-1 to the straight R-2 zone district in exchange for an equivalent change in acreage from SU/R-2 to C-1 for Tract 35, located at the southwest corner of U.S. 550 and the Northwest Loop.

Finally, the area to the north of the Northwest Loop Road and west of Westphalia is zoned M-1 Industrial and Business Park District along with the two smaller Tracts 15A1 and 15B at the northeast and southeast corners of Westphalia and Patriot Road.

Even though several zone changes and platting actions have occurred since adoption of the Master Plan in 2001, the plan has never been amended, so this updated plan serves an important purpose to accurately reflect the most current land use and zoning conditions, as well as proposing changes where needed to implement the City's Comprehensive Plan vision.

C. Proposed Land Use

As a uniquely situated, master planned community, Mountain Hawk Estates can integrate commercial and manufacturing activities, a variety of housing types, dwelling densities, and recreational facilities in a cohesive manner.

In response to the City's updated Comprehensive Plan and changing market realities, this updated master plan proposes several modifications to the original land use plan and subsequent zoning. Additionally, proposed changes to the transportation system in this area warrant further review and changes to the land use patterns originally determined in 2001 and through subsequent zone changes over the years. This updated land use plan is presented in Figure 2.

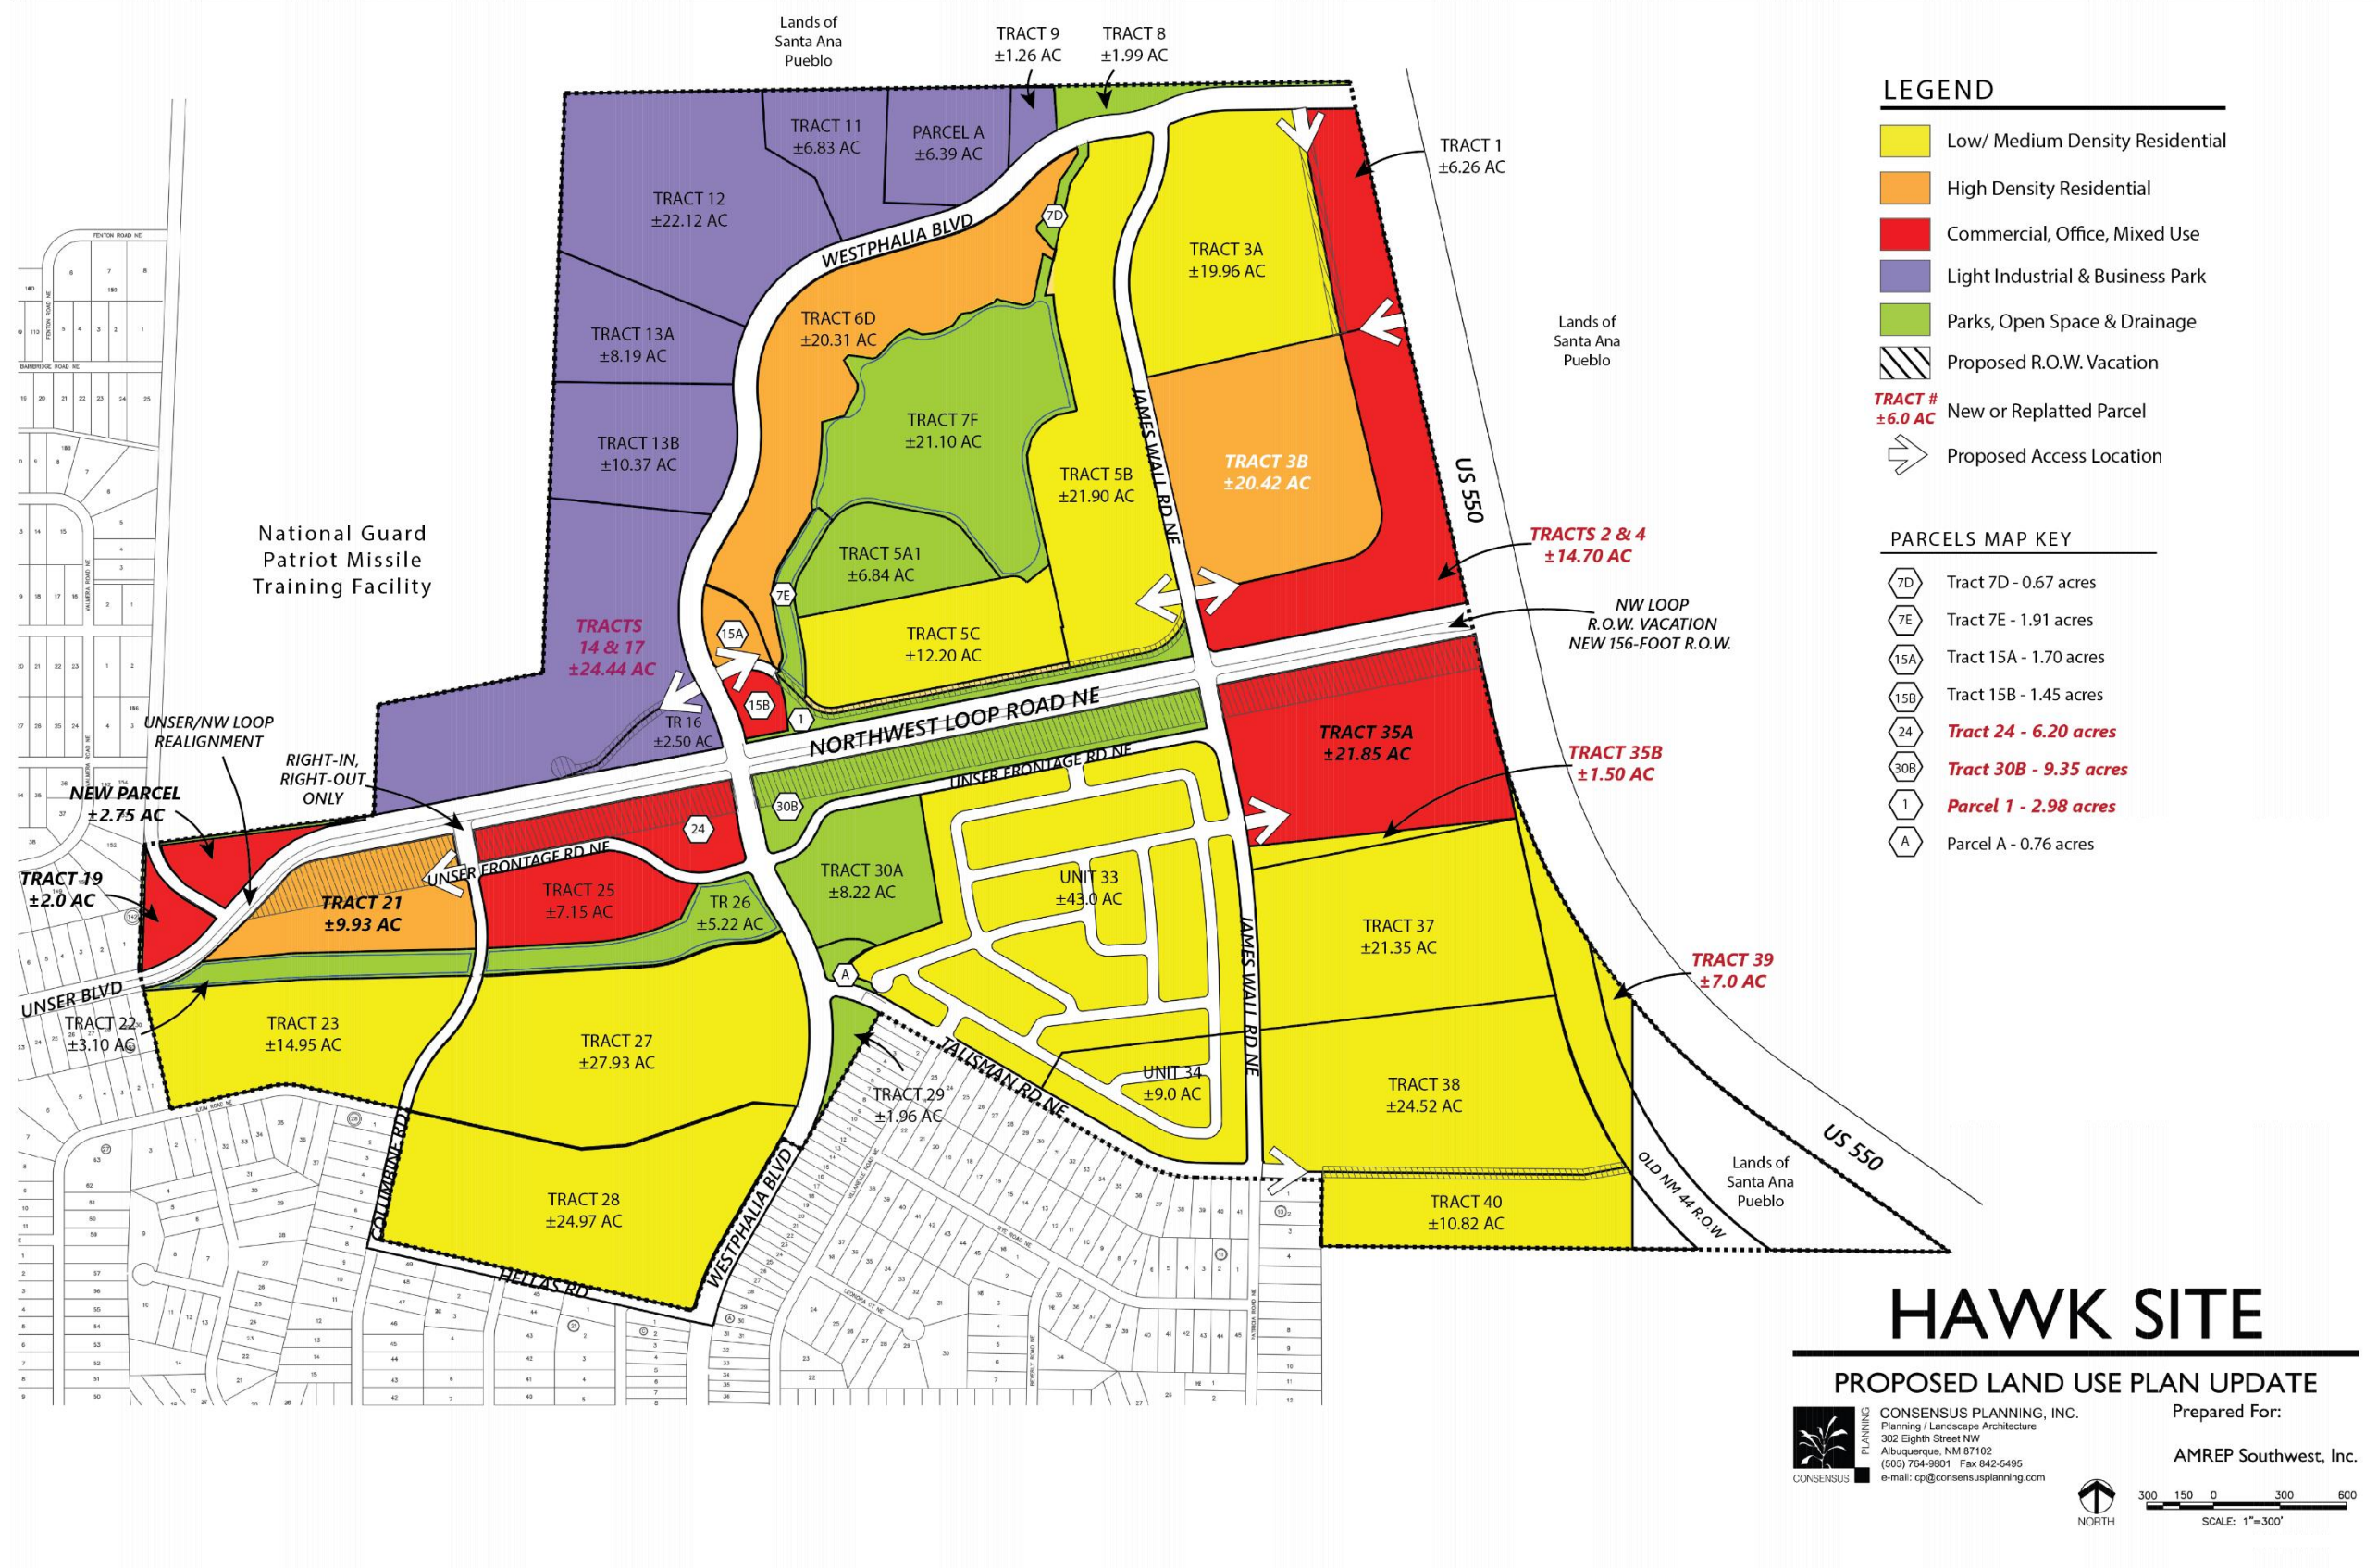

Generally, the overall density of the residential areas will increase slightly in response to changing market conditions and to support the City of Rio Rancho's goals and policies to provide a variety of housing types available to families and individuals with a wide range of income levels. This increase in density is especially appropriate within a designated growth node, and additional residents in the northern part of the city will aid development of the proposed commercial and other land uses within the plan area.

The plan includes a net increase in the amount of acreage dedicated to industrial and manufacturing uses that will afford employment opportunities and continue to offer a transition between the National Guard site and the less intense uses to the east and south. Westphalia and the Northwest Loop Road then provide an additional buffer to higher density residential, commercial, and mixed-uses, which further step down to open space, parks, and more moderate density residential.

There is an overall decrease in the amount of commercial land with a focus of retaining commercial and mixed-uses adjacent to major intersections. The most significant reductions from existing conditions are within Tracts 3B and 21, which are proposed to accommodate higher-density residential uses such as townhouses and apartments. These new higher density residential uses are a critical component of creating a mixed-use activity node with a variety of housing types and densities as envisioned by the Comprehensive Plan. Some of these high-density residential uses are a relocation of the apartment uses first identified in the 2001 Master Plan that can no longer be built where originally planned due to a change in land ownership by the Pueblo of Santa Ana.

Other significant changes and modifications to the land use plan are the result of the vacation of a portion of the Northwest Loop Road and other smaller access and frontage road right-of-way in the plan area. More about the proposed roadway vacations is discussed in **CHAPTER 7: TRANSPORTATION**. If approved, the vacated right-of-way would add significant acreage to the adjacent parcels, which include medium density residential, commercial, and open space.

Figure 2. Future Land Use Plan

Page Intentionally Left Blank

A detailed description of the proposed changes are as follows:

- Designation of Parcel A as additional manufacturing. Parcel A was originally planned for sewer treatment facilities and is no longer needed for that purpose. A change to manufacturing is consistent with the other tracts of land north of the Northwest Loop Road and west of Westphalia Boulevard. This change is also a replacement acreage for Tracts 15A and 15B that are proposed to change from manufacturing to residential and commercial uses, as described further below. Residential and commercial for these two tracts are more appropriate on the east side of Westphalia as they abut other residential and open space tracts.
- Slight increase and generalization of the residential densities on Tracts 3A, 5B, 5C, 23, 37, 38, and 40. These properties are currently zoned R-1, R-2, and SU/R-2. A higher density land use consistent with the R-3 and R-4 zone districts is appropriate for these parcels and their proximity to major roadways within a designated growth node.
- Change from commercial to residential use for Tract 35B. This change adds to the overall total residential within the plan area and the lost commercial acreage will be replaced by the addition of acreage to Tract 35A from existing Northwest Loop Road right-of-way.
- Modify the remnant Tract 39 from multi-family to single-family. The remaining portion of Tract 39 originally identified by the 2001 Master Plan is now owned by the Pueblo of Santa Ana. While unlikely to develop soon, should the adjacent section of Old NM 44 right-of-way be vacated in the future, this tract could be combined with the vacated right-of-way and developed as an extension of the subdivisions proposed in Tracts 37 and 38. At this time a vacation is not being sought. If the adjacent right-of-way is never vacated, a commercial use may be appropriate next to U.S. 550.
- Add new higher density land use for Tracts 6D, 15A, and 21. These tracts are currently zoned SU/R-2, M-1, and C-1, respectively. This proposed land use adds a new development option that was not previously available in the plan. Such a land use could include townhouses or similar density single-family dwellings consistent with the uses found in the R-3, R-5, and R-6 zone districts.
- Convert Tract 3B from commercial to high-density residential. This change retains the intent of the original plan to include apartments but in a new location due to the limitation on development of the previously identified Tract 39 by Pueblo of Santa Ana ownership.
- Change Tract 15B from manufacturing to commercial and mixed uses. This small tract of land (1.45 acres), is more appropriate for general commercial uses near a major intersection rather than larger-scale manufacturing especially considering its adjacency to residential and open space uses as described above.
- Add additional commercial acreage to Tracts 19, 24, and 35A, plus create new commercial parcel through the vacation of the Northwest Loop Road right-of-way and realignment of Unser Boulevard at the western edge of the plan area. As described further in **CHAPTER 7: TRANSPORTATION**, this right-of-way is no longer necessary and would be more productively used for development that will add to Rio Rancho's tax base and provide goods and services to the residents of Mountain Hawk Estates and Mariposa, personnel at the National Guard facility, and travelers along U.S. 550.
- Add open space acreage to Parcel 1 and Tract 30B from proposed roadway vacation actions.

Tracts 33 and 34, which have already been developed will remain as low/medium-density residential and retain the SU/R-2 zone as established by the original 2001 Master Plan and zoning. Tracts 27 and 28 will likely develop under the existing SU/R-3 zone established in 2018 and related conditions of development. New zone districts responding to the changes identified in this proposed land use

plan will be requested through the City of Rio Rancho Zone Map Amendment process with straight zones utilized where possible. Table 1 breaks down the changes between the 2001 Master Plan to the existing conditions and the new proposed land uses in this updated Master Plan. Percentages are used because of varying acreages between the original, which did not use platted parcels, the existing platted lots, and the proposed tracts that are changing due to ownership and possible roadway vacations.

Table 1. Land Use Comparisons

Land Use/Zone District	2001 Master Plan	Existing Conditions	Updated Land Use Plan
Low/Medium Density Residential	55.0%	51.7%	48.7%
High Density Residential	2.7%	3.0%	10.5%
Commercial, Office, Mixed-Use	16.5%	15.9%	11.6%
Light Industrial & Business Park	14.2%	16.3%	16.2%
Parks, Open Space, and Drainage	11.6%	13.0%	13.1%
Total*	100.0%	99.9%	101.1%

*Totals may not equal 100% due to rounding.

This updated plan decreases the amount of low-density residential and replaces it with additional medium-density residential and an increase in the amount of higher density residential. There is a slight decrease in the amount of commercial, and the plan maintains the current amount of open space and industrial area.

The maximum number of dwelling units was set via a Development Agreement at 1,600. If that number is anticipated to change, the Development Agreement will need to be renegotiated to ensure the appropriate infrastructure and other requirements of the City of Rio Rancho are being provided.

5. CONCEPTUAL DRAINAGE PLAN

The primary philosophy for the drainage concept is the protection of life and property. Secondly, ensuring the stability of the arroyo system and providing for maintenance and perpetuation of that system for flood management, as necessary. Thirdly, the proper development of the site's drainage system is critical to providing an important aesthetic and recreational resource for future residents. A Master Drainage Plan was prepared and submitted as part of the original 2001 Hawk Site Master Plan approval.

As Mountain Hawk Estates develops, the natural drainage system of arroyos will be further enhanced to provide adequate storm water run-off and detention facilities and passive and recreational open space. Consequently, the subject of site drainage is a critical one to the master planned development of this area.

A well-developed, northward flowing central arroyo bisects Mountain Hawk Estates. In the southern half of the site, a series of finger-like extensions covered much of the original planning areas Seven through Fourteen, collecting water into a low area situated immediately to the east of Planning Area Seven. As a result, a storm water detention pond was constructed to the southeast of the Northwest Loop Road and Westphalia Boulevard intersection. This pond, located in the open space tract between the Northwest Loop and Frontage Road, releases through a culvert under the Northwest Loop Road, which is proposed to be upgraded during the development of Mountain Hawk Estates.

Central Drainage Arroyo Through Mountain Hawk Estates, Looking South.

The continuation of the central arroyo feature north of the Northwest Loop runs in a predominantly northern direction to the existing sewer treatment site. The original master plan kept this drainage tract parallel to the Westphalia Boulevard right-of-way, but it was replatted in 2014 to lead to a more centralized ponding area in the center of former Planning Area #2 (now known as Tract 7F) due to requirements from the Office of the State Engineer. Generally, no changes are proposed to this reconfigured overall drainage scheme. However, subsequent to approval of this revised Master Plan, the Drainage Management Plan will be updated to ensure proper stormwater function under amended development conditions.

Page Intentionally Left Blank

6. CONCEPTUAL UTILITY PLAN

A. Water

The original Mountain Hawk Estates development began with modest existing utilities. These existing utilities included Wastewater Treatment Plant #4, a lagoon/pond and sewage settling tank; Well Site #15 and Tank/Reservoir #15, a 1.0-million-gallon tank.

The 2001 Master Plan assumed the 1-million-gallon reservoir (located at City Well #15) had adequate storage for up to half of the proposed project and additional storage would be required thereafter.

Since the beginning of development in Mountain Hawk Estates, several water improvements have been completed including significant storage upgrades. Those improvements include the following:

- 2 Million Gallon Tank #12 West
- Hawk Site Booster Station and 16" Transmission Line
- 3 Million Gallon Second Tank #12 West
- 3 Million Gallon Second Tank #15

B. Wastewater

In addition to improvements to water infrastructure, several improvements to wastewater infrastructure have also been made, including:

- Lift Station #20 – Serving all of Mountain Hawk Estates and Southern Drainage Basin
- 12" Force Main to Mariposa Wastewater Treatment Plant
- 15" Wastewater Collection Main to LS #20

These improvements are consistent with the 2001 Master Plan, which stated that a permanent solution for disposal of wastewater from the Master Plan Area shall be a regional wastewater system designed to address the regional needs" of Mountain Hawk Estates, Mariposa and Loma Barbon. The Mariposa Wastewater Treatment Plant can be expanded as more development occurs within Mountain Hawk Estates and the surrounding area.

These utility improvements represent most of the major backbone infrastructure needed to service the Mountain Hawk Estates Master Plan Area. As the remaining units develop, additional collection (sewer) and distribution (water) lines will be constructed in accordance with the Development Agreement for the area.

Page Intentionally Left Blank

7. TRANSPORTATION

The original Mountain Hawk Estates development area included right-of-way for the future Northwest Loop (300') and the extension of Westphalia Boulevard (100'). All collectors and arterial roadways will remain with the amended Master Plan with some modifications to width or alignment proposed, specifically to Unser Boulevard and the Northwest Loop as described below. Smaller local roads will be eliminated in multiple areas subject to requests to vacate the right-of-way. The eliminated local roads will be replaced by new roads dedicated as part of future subdivisions or access roads included in commercial site plans. The reduction of these unnecessary local roads surrounding commercial, industrial or multi-family developments will reduce the City's maintenance burden and place the burden more directly on the future development.

A. Access and Transportation

Mountain Hawk Estates is bisected east-west by a limited access, divided, principal arterial; the Northwest Loop Road. This road forms the site's primary connection to nearby U.S. 550. Because it is a limited access corridor, the Northwest Loop Road is intended to connect to only a few major streets accessing areas to both the north and south within Mountain Hawk Estates. Roadway improvements within the Northwest Loop Road right-of-way currently afford restricted traffic across the site, linking the terminus of Unser Boulevard with U.S. 550. This Master Plan depicts two access points from U.S. 550 into the site north of the Northwest Loop Road. A third access into the site from U.S. 550 to the south of the Northwest Loop Road is located at the Old NM 44 right-of-way.

On the Northwest Loop Road, additional access points have been approved and offer entry to the Mountain Hawk Estates development in several key locations. These access points include the following:

- 1) Approximately a quarter mile west of U.S. 550, James Wall Road is anticipated to serve both the prospective commercial, multi-family, and mixed-use development of Tracts 2, 3B, and 4, as well as the large residential neighborhoods within Tracts 3A, 5B, and 5C. This extension of the existing street northward will serve as a major through-traffic opportunity for the existing neighborhood within Units 33 and 34, as well as future residents in Tracts 37, 38, and 40.
- 2) Providing access for Tracts 8 through 17, Westphalia Boulevard extends north from its current intersection with the Northwest Loop Road. If acceptable, this roadway will provide effective through-traffic circulation with an intersection on U.S. 550 at the very northeastern corner of Mountain Hawk Estates. This intersection is one of the proposed access points on U.S. 550 mentioned above. From the south, continuation of Westphalia Boulevard will create access and through-travel opportunities into the developed subdivisions in Units 33 and 34, as well as those under construction in Tracts 27 and 28 and onto the Northwest Loop Road.
- 3) Columbine Road provides internal access as well as potential through traffic connections onto existing streets in Unit 25 to the south (Ilium Road and Hellas Road), which provide additional connection to Westphalia Boulevard.

With the elimination of the Northwest Loop Road dedication in the Mariposa Master Planned Area to the west of Mountain Hawk Estates, the applicant would like to reclaim portions of the Northwest Loop that are unnecessary and excessive considering the unlikely expansion as originally envisioned and the only connection being to Unser Boulevard just west of the planning area. The Master Plan proposes to vacate the southern portions of the current right-of-way. These vacated

rights-of-way would then be absorbed into adjacent tracts and be zoned with the same zone designation as those adjacent tracts consistent with the proposed land uses in **CHAPTER 4**.

In addition to the excess portions of the Northwest Loop Road right-of-way, this Master Plan proposes the Patriot Road paralleling the north side of the Northwest Loop also be vacated. This roadway will be replaced by individual accesses to commercial tracts and new roads dedicated as part of the proposed residential subdivisions.

In the northeast part of the planning area, Hawk Way and Nighthawk Road are also proposed to be eliminated at this time, and future access and circulation will be determined by future development of the surrounding tracts.

Finally, a portion of the Unser Frontage Road paralleling the south side of the Northwest Loop is proposed to be vacated. This portion, located west of Columbine Road, does not connect through to Unser Boulevard and is unnecessary for the development of Tract 21. Individual access for Tract 21 will be determined when it is developed.

As a result of the eliminated right-of-way, Unser Boulevard would be realigned and extend to U.S. 550. The new right-of-way width will be 156 feet wide, which is the standard width for a regional principal arterial.

B. Multi-Modal System

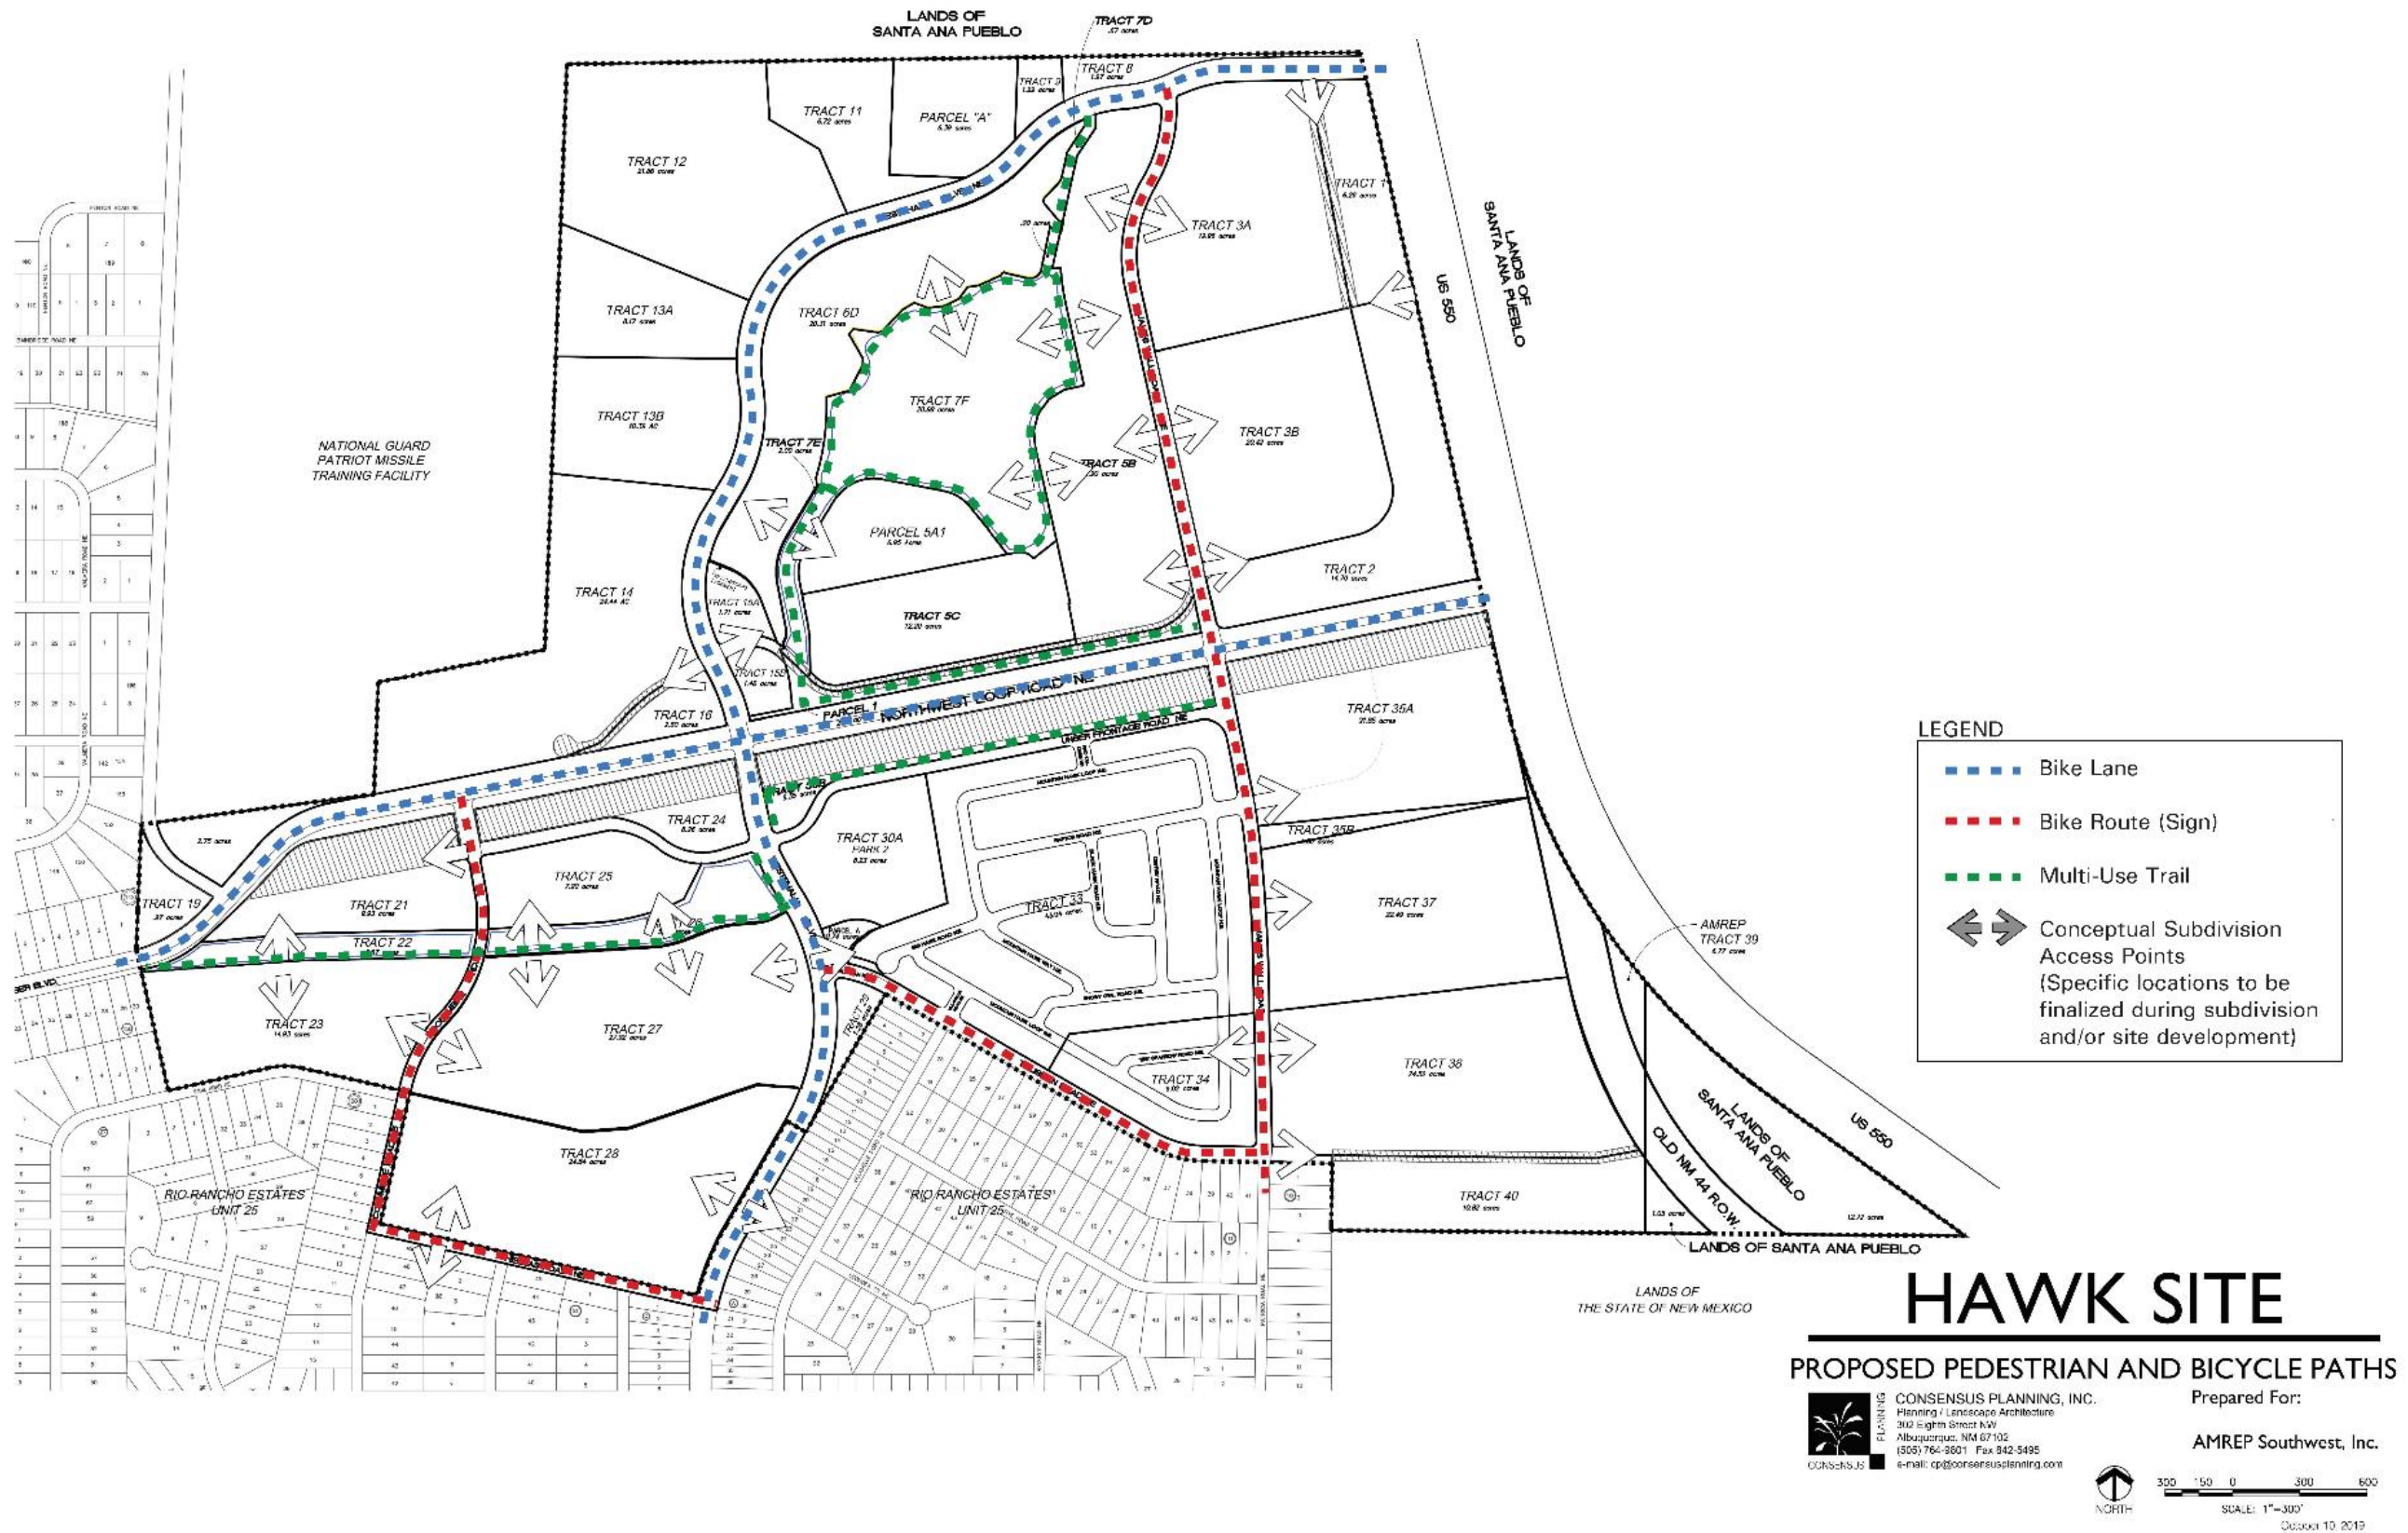

It is recommended that other modes of transportation should be considered to lessen and reduce the impact of vehicular traffic within Mountain Hawk Estates. For example, the land use arrangement recognizes that significant amounts of trails, landscaping, and buffered areas with bikeways and pedestrian facilities will be incorporated within the plan. The proximity of jobs from the industrial and commercial land uses to the proposed residential neighborhoods will also reduce the number of internal-external trips by minimizing the distances driven by some residents and promoting the use of alternative transportation options for travel within the plan area. This will reduce the impact on the adjacent arterial roadways and the highway department system.

Figure 3 below shows the conceptual bicycle and pedestrian facilities within the Mountain Hawk Estates plan area. Major roadways within the planning area will be built to the City of Rio Rancho standards to include bike lanes and sidewalks, and other streets with lower speed limits will provide calmer traffic conditions for non-motorized travel between neighborhoods. In addition, several of the open space tracts may be enhanced with multi-use paths that will accommodate bikes and pedestrians with limited interaction with automobiles. Finally, all local roads within the Master Plan will include sidewalks, so residents and visitors may move about individual neighborhoods safely.

C. Traffic Impact Analysis

A traffic impact assessment (TIA) for the Hawk Site Development was completed in 2007. The study analyzed build and no-build scenarios in two timeframes and made recommendations for intersection improvements within the Mountain Hawk Estates plan area and outside of the plan area based on the anticipated trip generation and distribution. As Mountain Hawk Estates continues to develop, further study may be required by the City of Rio Rancho regarding changes to land use and requests to vacate right-of-way within the plan area.

Figure 3. Proposed Bicycle and Pedestrian Circulation.

Page Intentionally Left Blank

8. PUBLIC FACILITIES & SERVICES

A. Public Safety

Because of its size, Mountain Hawk Estates will necessarily require that both Fire stations and Police substations be sited to serve the additional residential, commercial and industrial land users in the area. Because of its central location within the site and proximity to the Northwest Loop Road, a location at the eastern edge of Tracts 24 and 25 was considered for such public safety uses by the 2001 Master Plan. Alternatively, the Fire and Rescue and Police Departments may consider other locations. Since adoption of the original Master Plan, an additional Fire station was built within the Mariposa development to the southwest of Mountain Hawk Estates.

B. Schools

After meeting with Rio Rancho Public School officials and reviewing the Rio Rancho Public Schools Master Plan, the Rio Rancho Public School District (the “District”) determined that a school site was not desired in the Mountain Hawk Estates Master Plan Area. The District built Vista Grande Elementary School on Chayote Road to the south of Mountain Hawk Estates. In addition, since 2001, the District has built two more elementary schools (Sandia Vista and Cielo Azul) to the southeast and southwest of the planning area. To the extent that any new elementary school is necessary in the future, the desired location for this school would likely be west of Mountain Hawk Estates and serve students in Mariposa and other nearby developments in addition to Mountain Hawk Estates. Since 2001, V. Sue Cleveland High School and Rio Rancho Middle School were built to the south of the planning area. However, current planning does not preclude the District from acquiring a school site within the Master Plan Area through the District’s power of condemnation (See Superintendent of Schools letter in Attachments).

C. Open Space, Parks, & Trails

An important element of the master planned development of Mountain Hawk Estates is the establishment of open space areas that promote scenic recreational settings, afford lineal pedestrian access and provide areas that buffer potentially conflicting land uses from one another; particularly the residential areas developed in Units 33 and 34 and proposed for Tracts 5B and 5C adjacent to the Northwest Loop Road. Likewise, those homes closest to proposed non-residential sites and the National Guard training facility must be carefully buffered from potential negative impacts of commercial activity and traffic.

The original Master Plan provided for numerous greenbelt trails that connected with a central arroyo open space. In practice, these conceptual trail networks within individual subdivisions became narrow platted easements located between the backyards of homes. In response to resident and homebuilder concerns about these alley-like corridors doing little to enhance connectivity and instead becoming an attractive nuisance, this plan proposes elimination of those easements. This has already occurred in Units 33 and 34.

As an alternative to trails within each subdivision and the lack of functionality of the platted easements, local street networks and sidewalks established for each development will provide adequate bicycle and pedestrian circulation and ready access to a larger multi-use trail network that will be provided within the planned open space and drainage areas. Direct access to these trails will be provided from each development, as feasible and determined during the subdivision or site development process. Figure 3, in the Transportation Section of the plan, shows this conceptual network and possible access locations.

With ready access to streets with sidewalks and open space trail corridors, future residents will have ample opportunities for recreation as well as access to local shopping and employment areas. Approximately 45 acres, or 9 percent of the land within Mountain Hawk Estates, is reserved for open space and drainage uses with additional acreage set aside in neighborhood parks.

D. Neighborhood Amenities and Buffering

Much of what makes the master planned development of Mountain Hawk Estates viable is the careful attention to eliminating potentially undesirable conflicts between adjacent, differing, land uses. By providing a generous allocation of recreation open space through the center of the site and planning for the inclusion of ample lineal open space trails amenities between individual planning areas, there is not only the benefit of ameliorating noise and light disturbances but also attractive, recreational circulation.

As planning areas are successively outlined in greater detail for development, there is accommodation in the estimated allowance provided in the net developable acre calculations for such things as neighborhood parks, opportune open space locations and community centers. As a large, mixed-use master planned concept, Mountain Hawk Estates has the uncommon opportunity to foresee and eliminate potential land use conflicts before they occur. There is also the opportunity to create a pleasant environment for people who will live and work in this new Rio Rancho community.

Mr. James Jimenez
City Administrator
City of Rio Rancho
Rio Rancho, New Mexico, 87124

Dear Mr. Jimenez:

This letter is to confirm that the Rio Rancho Public School District's Five Year Plan does not foresee the need for construction of a school in the new AMREP development planned adjacent to the Hawk Missile Battalion site. The Rio Rancho Public School District has plans to complete an elementary school in the Enchanted Hills Subdivision. The district also hopes to construct another elementary school in the general area, provided funds become available in the next bond election. However, there are no plans to build a school inside the subdivision currently being proposed to the Rio Rancho Governing Body.

The Rio Rancho Public Schools appreciates your request for this information and your interest in cooperatively planning for future school construction.

Sincerely,

V. Sue Cleveland, Ed.D.

Subject: **524-Acre Hawk Site Development, South Side of the NW Loop, West of Unser Boulevard**

Dear Mr. Merrill:

Based on our December 13, 2000 meeting, the District will approve of the following access points from the subject development onto the NW Loop with the following conditions:

- **Falcon Road (1500' west of NM550)** – Right-in/right-out access until such time as the NW Loop becomes a 4-lane facility. At that time the Developer will be required to eliminate this access and comply with the access policy as discussed in the UTPPB Resolution.
 - Prior to issuance of the interim driveway permit, The District will require the Developer to design the **interim and future** site access plans, and to submit them to the District for review and approval.
- **Hawk Boulevard (3500' west of NM550)** – Full Access intersection until such time as the NW Loop becomes a 4-lane facility. At that time the intersection may become a grade separated intersection with no access to the NW Loop.
- **Falcon Road and Hawk Boulevard**
 - The Developer will be responsible for informing all perspective buyers of the ultimate access plan prior to finalizing any purchase agreements.

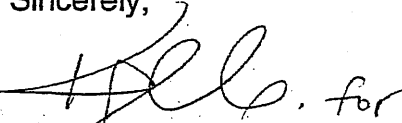

NEW MEXICO STATE HIGHWAY
AND TRANSPORTATION DEPARTMENT
AN EQUAL OPPORTUNITY EMPLOYER

James Merrill
9 January 2001
Page 2

- The District respectfully requests that Sandoval County assist in informing all potential property owners that will be affected by the noted changes in access.
- The Department recommends that the Developer make provisions in the site plan for developing a future Frontage Road system along both sides of the NW Loop within the limits of their frontage. Along the south side of the NW Loop, the Frontage road should tie to the Unser Boulevard/NW Loop intersection.
- The Consultant shall provide construction plans, site grading and drainage plan approval, cultural resources approval, driveway permit applications, and traffic control plans for construction of the interim access intersections.

If you have any questions please contact this office at 841-2761.

Sincerely,

Steven P. Harris
District Three Engineer

Reference: The Hawk Development Site, AMREP Southwest Owner, Request for Water Utility Availability, Dated September 22, 1999

Dear Mr. Spirock:

In response to your request for a non-binding letter of water and sewer expansion potential, I would have the following. As you are aware Wilson and Company recently conducted a study for Water and Wastewater Capacity Analysis for the City of Rio Rancho. In that capacity analysis, the Hawk Site area was not counted in their study due to lack of solid planning information by the major land owner in the area, AMREP Southwest. However, there was discussion of the potential for the Hawk Site Development, which had been discussed in the wastewater portion of the study. There was no discussion as to the capacity needs of the Hawk Site Development and accounting for the known water capacity needs of the City, again do to insufficient data. Whether or not the Hawk Site area was included in the capacity study, does not preclude a decision that the City does not plan to support such development activity in that area.

In June of 1993, United Water of New Mexico, previous water utilities company for the City of Rio Rancho, had applied for an additional 12,000 acre feet to support growth for the City of Rio Rancho. When the City took over the Utilities in June 1995, we continued to pursue the additional 12,000 acre feet for anticipated growth within the City of Rio Rancho. To date the City has expended a very large sum of funds to pursue the additional 12,000 acre feet, which should accommodate approximately 22,500 additional single family equivalent (SFE) water connections to the City's system. To date, the City has not been awarded a diversion of Water Rights Permit for the applied 12,000 acre feet.

You made note in your letter, dated September 22, 1999, that a hearing with the Office of the State Engineer was scheduled for November of 1999. However, due to circumstances beyond the control

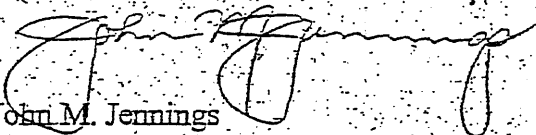

of the City of Rio Rancho, that hearing date has been abandoned, and a new date has not been scheduled as of yet.

This letter is to inform you that it is the City of Rio Rancho's plans to support planned managed growth for the future of Rio Rancho and to provide water and wastewater utilities as that growth develops. We are aware of your general plans for development in the Hawk Site area, however, the exact numbers and types of development you planned for this area is unknown. We also understand that you must have some sort of indication from the City to move forward in your planning activities for the Hawk Site area.

It is with these facts that you and your client, AMREP Southwest, understand that it is the City's intent to support future growth within the City of Rio Rancho, as we are working diligently to secure the water rights for the anticipated growth. You should also understand that until such time as the City has a formal response on the request for the additional water rights for the City of Rio Rancho, we cannot obligate a specific quantity at this time. It is our greatest hopes that the Office of the State Engineer for the State of New Mexico, will act upon the permit request for the additional 12,000 acre feet of water sometime after the first of the year.

If you have any questions or comments, please contact me or my staff.

Sincerely,

John M. Jennings
Mayor

CITY OF RIO RANCHO COVER PAGE

Legislation Item: D10

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Development Services

SUBJECT:

D10, Site Plan Approval for Caliber Collision, 4705 Sundt Rd NE, Rio West Business Park, Block A, Lot 2A

BACKGROUND AND ANALYSIS:

The subject property is located at 4705 Sundt Rd NE, legally described as Rio West Business Park, Block A, Lot 2A, and consists of approximately 1.90 acres. The subject property is zoned SU: Special Use per Ordinance No. 89-007. As stated in this Ordinance, "This development provides suitable sites for a wide range of industrial and commercial uses, provided such uses are conducted in a compatible and harmonious manner within industrial environments achieved through this development plan." All C-2 uses are permissive except (1) Lumber Yard (sawmill).

Per R.O. 2003 § 154.25 C-2: Wholesale and Warehousing Commercial District, (B)(27) Automotive dealers, motorcycle dealers and auto repair, major; are permissible provided, that (a) Repairs and associated activities are conducted within a completely enclosed building; or (b) A solid masonry wall at least six feet high is erected between the activity and any abutting or contiguous residential zone; (c) Applicants shall provide site plans which show lot dimensions, location and dimensions of proposed structures/facilities, parking, proposed signage, landscaping and buffers; if applicable, information with regard to the nature of the operation as well as hours of operation, for review and approval by the Planning and Zoning Board. The North American Industry Classification System or NAICS provides the classification of business establishments by type of economic activity. It is used by government and business in Canada, Mexico, and the United States of America. The NAICS classification of this business type would be 811: Repair and Maintenance, which would be consistent with the permissive use of auto repair in this zone.

CONFORMANCE WITH THE CITY ZONING ORDINANCE: The Rio Rancho Code of Ordinances (R.O. 2003) §154.43 (3) requires "All SU zoned property must have a site plan approved by the Governing Body. The site plan may accompany the application for a change in zoning designation or may be submitted for approval at a later date. Approval of the site plan must be obtained prior to any development of the property." Pursuant to the criteria provided by R.O. 2003 § 154.43 (3)(a) through (3)(j), the site plan at a minimum shall contain the following:

- a. Scale and north arrow; criteria is satisfied.
- b. Lot boundaries and easements; A 30-foot access easement is located along the west side of the property. A 15-foot access easement is located on the east side of the property along with a 7.5-foot waterline easement. A 10-foot Public Utility Easement will be granted to PNM to the south of the proposed building; Criteria is satisfied.
- c. Existing and proposed utilities; Criteria is satisfied.
- d. Existing and proposed rights-of-way; Criteria is satisfied.
- e. Proposed structure with uses, dimension, and setbacks; The Special Use ordinance requires a

25-foot setback from adjacent roadways and a 10-foot landscape strip between the road and any parking areas. The parking lot meets this minimum 10-foot setback, and the building is located over 57 feet from Sundt Road. No other side setbacks are required by the zoning, although large setbacks have been applied on all sides; Criteria is satisfied.

f. Proposed ingress, egress, parking and circulation; There will be one ingress and egress point for the property located off of Sundt Rd NE, a major collector street. Parking standards are per Chapter 154.76 for Industrial, Manufacturing, Wholesale Establishments of "1 space for each 2 employees on largest shift, or 1 space per 1,500 square feet of warehouse, whichever is greater." The proposed building is 11,500 square feet and therefore requires 8 spaces. Twenty-one spaces are proposed in the site plan, which also includes the two ADA standard spaces. Two bicycle spaces are also proposed as required in this section; Criteria is satisfied.

g. Landscaping and landscape buffers; The provided landscape plan shows compliance with the SU ordinance stipulating at least 10% of the site be landscaped, as well as the requirement in Chapter 154.61 that states at least 25% of the landscaping be located along the frontage of the property; Criteria is satisfied.

h. Elevations; Criteria is satisfied.

i. Adjacent property characteristics; Properties to the north, east, and west are zoned SU per the same Ordinance as the subject property. The properties to the south are zoned SU: Special Use for C-1: Retail Commercial District per Enactment No. 17-03. This property is not located within a Specific Area Plan; Criteria is satisfied.

j. Preliminary drainage plan; Water and Wastewater approval has not yet been granted from the Utilities Department. This will be required prior to any future development along with a grading and drainage plan and erosion plan; Criteria is satisfied.

NOTIFICATIONS: Adjacent property owners were notified of this hearing by mail. A notice sign was posted on the property as required by Ordinance. A legal notice was published in the February 20, 2022 edition of the Rio Rancho Observer for the March 10, 2022 Governing Body meeting. All legal notification requirements for this project have been met.

IMPACT:

The Development Services Department recommends the Governing Body approves the applicant's request for Site Plan Approval with the following conditions of approval and findings of fact:

General Findings:

1. R.O. 2003 154.43 (3) requires site plan approval by the Governing Body;
2. The property owner has the authority to apply for site plan approval;
3. The applicant and adjacent property owners received due process as proper notice and a full opportunity to present views were given.

Specific Findings and Conditions of Approval:

1. The subject property is zoned SU: Special Use District by Ordinance No. 89-007. The SU: Special Use zoning designation requires that a site plan be reviewed and approved by the Governing Body.
2. The site plan conforms to the Rio Rancho Code of Ordinances (R.O. 2003) Section 154.43.
3. Development of the site will conform to all City ordinances, standards, and specifications.
4. The review and subsequent building permit applications will ensure conformance to the approved site plan, and City ordinances, standards, and specifications.
5. The applicant shall address all of the Site Plan reviewers' comments.
6. The Director of the Development Services Department may approve minor changes to this site plan if the changes are consistent with the use and other written requirements and/or conditions of approval, if the buildings are the same general configuration, if the total square footage is not greater than 10% of the approved plan, the site circulation is similar in its effect on adjacent property or streets, and the approving official finds that neither the City nor any person will be

substantially aggrieved by the altered site plan.

7. This approval is valid for a period of two years from date of approval, in which time a building permit for the proposed structures must be applied for and issued, remain active, and the authorized construction shall be started and diligently pursued to completion without cessation of 30 days.

ALTERNATIVES:

Governing Body has three alternatives on the disposition of this request and may:

1. Approve the site plan;
2. Deny the site plan;
3. Postpone its decision to allow for further review and consideration.

DEPARTMENT RECOMMENDATION:

The Development Services Department recommends the Governing Body approves the applicant's request for Site Plan Approval with findings and conditions.

PROPERTY: THE SITE IS (AN UNDEVELOPED) (DEVELOPED) PROPERTY LOCATED WITHIN THE CITY OF RIO RANCHO. VICINITY MAP PAGE 67. THE SITE IS BOUNDED TO THE NORTHEAST AND SOUTHEAST BY DEVELOPED COMMERCIAL PROPERTIES, TO THE SOUTH BY A PAVED ROAD, AND TO THE WEST AND NORTHWEST BY AN ARROYO.

PROPOSED IMPROVEMENTS: THE PROPOSED IMPROVEMENTS INCLUDE A COMMERCIAL BUILDING WITH ASSOCIATED ASPHALT PAVED ACCESS, PARKING, AND LANDSCAPING.

LEGAL: LOT 2A-1 IN BLOCK 'A' OF RIO WEST BUSINESS PARK AS THE SAME IS SHOWN AND DESIGNATED ON THE SUMMARY PLAT THEREOF FILED IN THE OFFICE OF THE COUNTY CLERK OF SANDOVAL COUNTY, NEW MEXICO ON DECEMBER 14, 2016 IN VOLUME 3, FOLIO 4034.

ADDRESS: 4705 SUNDT ROAD N.E. RIO RANCHO, NEW MEXICO 87124

BENCHMARK: VERTICAL DATUM IS BASED UPON CONTROL MONUMENT 'E 227' ELEVATION = 5039.35 FEET (NAVD 1988).

OFF-SITE: NO OFF-SITE DRAINAGE AFFECTS THIS PROPERTY.

FLOOD HAZARD: PER SANDOVAL COUNTY FIRM MAP #35043C1894D, EFFECTIVE 3/18/2008, THE SITE IS LOCATED WITHIN FLOODZONE 'X' DESIGNATED AS AREAS DETERMINED TO BE OUTSIDE 500-YEAR FLOODPLAIN.

DRAINAGE PLAN CONCEPT: PER THE APPROVED MASTER DRAINAGE PLAN FOR RIO WEST BUSINESS PARK (JOE P. KELLEY, NMPE 9996, DATED 03/16/98), THIS BASIN (ID: LOTS 2A & 3A-1) IS PERMITTED TO FREE DISCHARGE TO DOWNSTREAM IMPROVEMENTS PREVIOUSLY CONSTRUCTED. ALLOWABLE DISCHARGE IS BASED ON LAND TREATMENT VALUES OF 0%A, 10%B, 13%C, 77%D (TOTAL DISCHARGE = 13.55 CFS = 4 CFS/ACRE).

RE: Letter of Authorization - Victory Real Estate Development/Consensus
Planning/Isaacson & Arfman/Gallup Architects

To Whom It May Concern: -

As the Property Owner/Property Owner Representative of the property described in the Legal Description listed below, I hereby authorize Victory Real Estate Development/Consensus Planning/Isaacson & Arfman/Gallup Architects (potential Buyer and Buyer's professional consultants) to act as my agent in pursuit of all permitting and city feedback on their proposed project. I am aware of the request of land use.

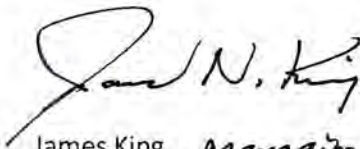

Legal Description:

As contained the Title Commitment prepared for this property by Fidelity National Title Insurance Company, Commitment No. SP000114916, Commitment Date: July 26, 2021.

Lot numbered Two-A-One (2A-1) in Block lettered "A" of RIO WEST BUSEINSS PARK, as the same are shown and designated on the Summary Plat thereof filed in the office of the County Clerk of Sandoval County, New Mexico on December 14, 2016 in Volume 3, folio 4034.

Please feel free to contact me at jking@bradburystamm.com with any questions.

RE: Caliber Collision Site Plan (case 22-160-00005).

Please review the following staff comments for Grande Development Site Plan. Please make any necessary revisions and return to City staff via a PDF file to confirm changes have been made.

Planning:

1. Per Ordinance No. 89-007, C-2 uses are permissive except:
 - Auto dismantling yard
 - Tire recapping and retreading
 - Auto wrecking, auto salvage
2. Per R.O. 2003 Section 154.25 (B)(27), included in the C-2 permissive uses are "Automotive dealers, motorcycle dealers and auto repair, major; provided, that:
 - Repairs and associated activities are conducted within a completely enclosed building; or
 - A solid masonry wall at least six feet high is erected between the activity and any abutting or contiguous residential zone;
 - Applicants shall provide site plans which show lot dimensions, location and dimensions of proposed structures/facilities, parking, proposed signage, landscaping and buffers; if applicable, information with regard to the nature of the operation as well as hours of operation, for review and approval by the Planning and Zoning Board;
3. Verify dumpster access is acceptable with Waste Management

Engineering:

Response from Engineering on Site Plan:

1. No cutting of the asphalt on Sundt Road is allowed per City Code 96.03 I since is less than 5 years old.
2. Compliance with the Master Drainage Plan for Rio West Business Park is required.

Future Development:

1. A Trip Generation Report is required and an additional Traffic Study may be required for traffic if thresholds exceed those identified per the City of Rio Rancho, Design Process Manual (DPM) Vol II Chapter II.3.
2. 2.A Water / Waste Water Availability statement from the Utility Division is required. Contact Robert Lujan (891-5061) or Steve Gallegos (896-8715) for additional information. Waterline easements may be required for public waterlines.
3. A grading and drainage plan/ report and an erosion control plan are required with future development, and must conform to any currently approved master drainage plan for this area. Storm water drainage and water quality discharge will need to be addressed per the City of Rio Rancho, Design Process Manual (DPM) Vol II Chapter II.2.
4. Engineering drawings are required for development of public and private infrastructure. Work performed in the right-of-way will require a City of Rio Rancho, Right-of-Way Permit and a Traffic Control Plan. Contractors must be licensed and bonded to work in the City of Rio Rancho.

Fire and Rescue:

Per- International Fire Code 2015

1. Confirm fire hydrants are in approved distances and locations
2. Turning radius shall be 28 feet, IFC Appendix D
3. No crash gates shall be allowed. No dead ends shall be approved.
4. Fire Protections system may be required depending on Occupancy Use and Occupant load.
5. Access to the property widths shall be required to be 26 ft.

Further fire department comments may be required upon development.

Parks and Recreation:

1. Landscape requirements appear to be correct for the purpose of Site Plan approval.
2. Ensure final construction plans indicate where the irrigation meter (its size) the backflow preventer (its type) and the controller/master valve locations are.
3. Irrigation backflow preventer will need to be registered and tested per ordinance 54.0.
4. Plans shall also direct the contractor to comply at a minimum, with the Governor's Commission on Disability's Parking Lot Checklist: <http://gcd.state.nm.us/physical-accessibility/parking/> with respect to the type of Handicap Parking signage, 1' high by 2" thick lettering saying "No Parking" in the cross striped access aisles, and any other State statute requirements that show the additional requirement that there is no slope greater than 2.08% in ANY direction in the handicap parking spaces and the access aisle. As you have shown, the run of the route from parking to the building will not exceed 5%, but the cross slope of that route also cannot exceed 2.08%. Construction plans should call for the State-statute specific handicap parking signage as well.

If you have any additional questions or concerns please feel free to contact me at any time.

Respectfully,

Michelle Costilla

RE: Site Plan, Case No. 22-160-00005
4705 Sundt Rd NE (Rio West Business Park, Block A, Lot 2A)

Dear Property Owner:

You are receiving this certified notice because your property abuts a site where a land development decision is required by the Governing Body.

The applicant, Victory Development, through their agent Consensus Planning, Inc., requests approval of the Caliber Collision Site Plan in an SU: Special Use zoned property. The subject property is located at Rio West Business Park, Block A, Lot 2A.

The **Governing Body** will consider the request and have the final approval on **Thursday, March 10, 2022** at 6:00 pm in the **Council Chambers** and **Virtually** as a hybrid meeting, through the **Zoom link and number below**.

On the back of this letter is a location map of the project, with the subject property identified with a red outline.

If you would like to comment on this application, you are encouraged to send in comments in writing, which will be presented to the Governing Body. This Governing Body meeting will be hybrid with options to participate virtually or in person. The City highly encourages citizens to watch the meeting live on the City's website www.rnm.gov or on Sparklight cable channel 56.

For the **Governing Body meeting**, to participate virtually: Join via computer: <https://zoom.us/j/91804920905?pwd=ZlZ5NmRlTUTF1RndxTVN2dHBTSnJ3Zz09>. Meeting ID: 918-0492-0905 Passcode: **903274** Join via phone: 1-253-215-8782 US

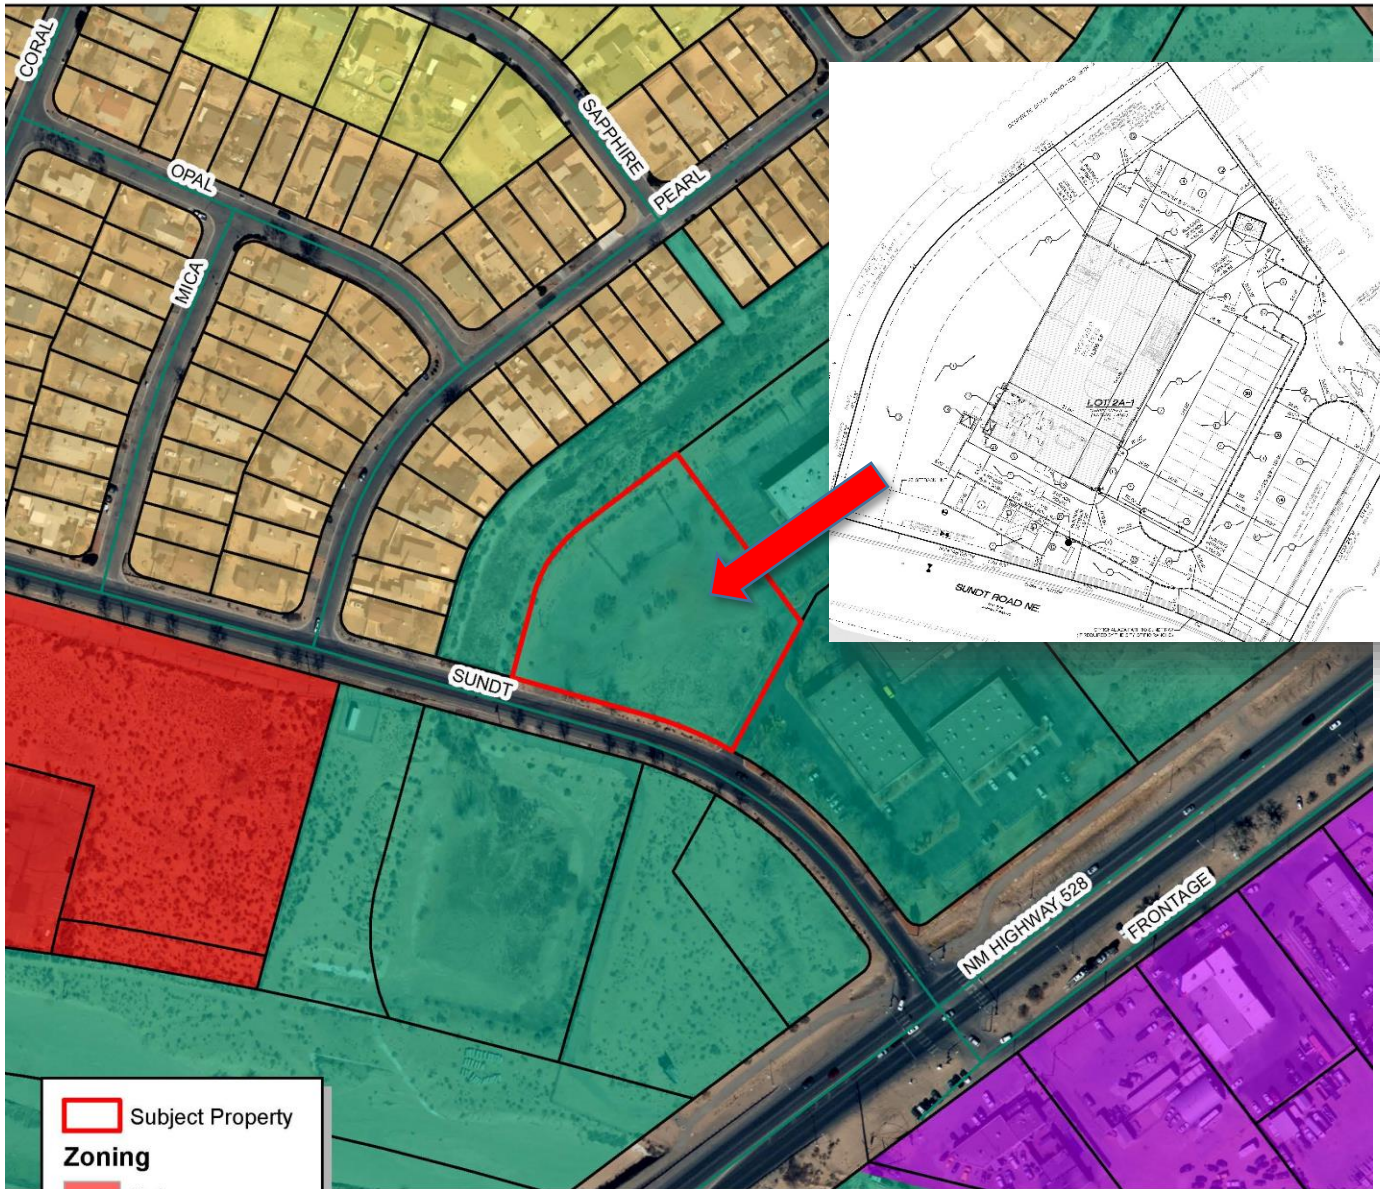

Please do not hesitate to contact me via e-mail me at mcostilla@rnm.gov or call me at 505-896-8362, if you have any questions concerning this matter. The agenda for this hearing and related staff reports will be posted on the City's website, www.rnm.gov, the Friday before the hearing.

If you are an individual with a disability who is in need of a reader, amplifier, qualified sign language interpreter, or any form of auxiliary aid or service to attend or participate in the hearing or meeting, please contact the City Clerk, 505-891-5004, as soon as possible prior to the meeting. Please contact the City Clerk if a summary or other type of accessible format is needed.

Respectfully,

Michelle Costilla

**CITY OF RIO RANCHO
PUBLIC HEARING NOTICE**

The Governing Body of the City of Rio Rancho will consider the following matter at its regularly scheduled meeting at 6:00 p.m. on Thursday, March 10, 2022:

Site Plan

Request #22-160-00003

The applicant, Victory Development, through their agent Consensus Planning, Inc., is requesting approval of a site plan for an auto repair business at the property located at 4705 Sundt Rd NE, legally described as Rio West Business Park, Block A, Lot 2A.

The meeting is scheduled for 6 p.m. in the Council Chambers at City Hall, 3200 Civic Center Cir. NE, Rio Rancho, NM. The public is invited to attend in-person or virtually. Materials related to these items are available for viewing in the Development Services Department at City Hall.

If you would like to comment on any of these applications, you are encouraged to submit a written comment to planning@rrnm.gov. Written comments will be read into the public record. To practice social distancing in order to slow the spread of COVID-19, you are encouraged to watch the meeting online at www.rrnm.gov.

MICHELLE COSTILLA

From: MICHELE ROST <speechshell@aol.com>
Sent: Monday, February 28, 2022 12:55 PM
To: MICHELLE COSTILLA
Subject: Site plan Case no. 22-160-00005

CAUTION: This email was received from an EXTERNAL source, use caution when clicking links or opening attachments.

Dear Ms. Costilla,
I live at 118 Pearl Drive, and I received the certified letter sent to concerning 4705 Sunday Rd. NE. I would like to express my concern about this business moving in. It sounds like they want to build yet another car repair place. We have CarCrafters and Quanz across 528 on the frontage road. If this collision repair shop is allowed to build there, we will be dealing with more traffic in this area. It would be better off of the Frontage Road. Currently we have a massive traffic problem due to the ASK Academy. At times I have been in line to turn left at 528 and Sundt up to 20 minutes due to that school traffic. Then I must wait again just to turn in at my street. The parents block the roads, park up and down our street, and all these cars idling are a tremendous amount of pollution. For a science academy they should have the students figuring out answers to global warming since the school is a big polluter here. With that much traffic in that particular area, we do not need another business adding to the traffic. The other businesses in the business park have a small amount of traffic. My other concern about this particular business is how much junk will be brought into this area. Are there going to be wrecked cars parked around there? I feel our area is trashy enough. Pearl Drive already looks like a trailer park. Rio Rancho allows people to park beat up campers that never move in their front yards. It is also permitted to park junk collecting carts/trailers in their front yards. I think we should have a beautification program for this area, not bring more trash and traffic to the area.

Sincerely,
Michele Rost
Speechshell@aol.com

CITY OF RIO RANCHO COVER PAGE

Legislation Item: R14

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Financial Services

SUBJECT:

R14, Resolution Authorizing the Write-Off and Removal of Uncollectible Ambulance, Utilities, Parks and Recreation, Alarm, and Library Accounts from the City's Accounts Receivable

BACKGROUND AND ANALYSIS:

The Resolution will allow for the write-off and removal of \$412,159.06 in uncollectible ambulance, utilities, parks and recreation, alarm, and library accounts from the City's books and records. Accounts proposed to be written off are four years old or, in some cases, older.

The City's Fire and Rescue Department provides emergency medical services to the public, and the costs of these services are billed to the patients.

The City's Utilities Department provides water and wastewater utility services and bills customers for the services provided.

The City's Parks, Recreation and Community Services Department provides recreational services, programs, and activities and bills customers/users for those services.

The City requires alarm registration with response services provided by the Police Department, and bills the customers/users for those services.

The City's Library and Information Services Department provides informational services and goods and bills those services and goods to the customer for whom such goods and services are provided and not returned/damaged.

Some of these accounts are not paid on time, and others are never paid (e.g., because of death, insolvency, the customer can't be located, etc.). After four years and multiple attempts to collect, these accounts are deemed uncollectible, as defined in the City's Uncollectible Accounts Receivable Policy (Section 2-4-1 through 2-4-7).

State Statute - Section 3-37-7 NMSA 1978 - provides a procedure by which a municipality may write-off certain uncollectible accounts by resolution, upon a statement of the nature and condition of those accounts by the municipality's finance officer. Carole Jaramillo, Director of the Financial Services Department, has provided such a statement, attached to the Resolution.

The aggregate amount of this write-off is \$412,159.06 and is broken down as follows:

- \$238,386.79 - Ambulance
- \$136,204.76 - Utilities

- \$1,527.00 - Parks and recreation programs and services
- \$8,075.00 - Alarms registration and response services
- \$27,965.51 - Libraries services

Per the City's Uncollectible Accounts Receivable Policy Section 2-4-4, a write-off of uncollectible accounts receivable from the City's accounting records does not constitute forgiveness of the debt, which is still payable by the debtor.

IMPACT:

The proposed Resolution will remove uncollectible accounts from the City's books and records, more accurately reflecting its financial position.

ALTERNATIVES:

Approve the Resolution.

Do not approve the Resolution.

DEPARTMENT RECOMMENDATION:

Staff recommends approving this Resolution.

**RESOLUTION AUTHORIZING THE WRITE-OFF AND REMOVAL OF
UNCOLLECTIBLE AMBULANCE, UTILITIES, PARKS AND RECREATION, ALARM,
AND LIBRARY ACCOUNTS FROM THE CITY'S ACCOUNTS RECEIVABLE**

WHEREAS: the City's Fire & Rescue Department provides emergency medical services to the public and bills those services to the patients to whom services are provided; and

WHEREAS: the City's Utilities Department provides water and wastewater utility services and bills those services to the customers to whom services are provided; and

WHEREAS: the City's Parks, Recreation and Community Services Department provides recreational services, programs, and activities to the public and bills those services to the customer for whom such services are provided; and

WHEREAS: the City requires alarm registration and the Police Department provides response services and bills those services to the customers for whom such services are provided; and

WHEREAS: the City's Library and Information Services Department provides informational services and goods, and bills those services and goods to the customer for whom such goods and services are provided; and

WHEREAS: in the course of providing such services, the City is occasionally left with uncollectible ambulance accounts, utilities accounts, parks and recreation accounts, alarm accounts and libraries; and

WHEREAS: the City has accrued \$238,386.79 in uncollectible ambulance accounts, \$136,204.76 in uncollectible utilities accounts, \$1,527.00 in uncollectible parks and recreation accounts, \$8,075.00 in uncollectible alarm accounts, and \$27,965.51 in uncollectible library accounts, which continue to be shown as current accounts receivable on the financial records of the City; and

WHEREAS: Section 3-37-7, NMSA 1978, provides a procedure by which a municipality may write-off certain uncollectible accounts upon a statement of the nature and condition of those accounts by the municipality's finance officer; and

WHEREAS: the City's Director of Financial Services, as the City's finance officer, has provided such a statement regarding the above-described uncollectible ambulance accounts, utilities accounts, parks and recreation accounts, alarm accounts, and library accounts which is attached hereto; and

WHEREAS: a write-off of uncollectible accounts receivable from the City's accounting records does not constitute forgiveness of the debt, which is still payable by the debtor.

NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF RIO RANCHO:

That in accordance with NMSA 1978, § 3-37-7, and the attached statements of the City's Director of Financial Services, the accounts listed in said statement are hereby written off and removed from list of accounts receivable of the City.

ADOPTED THIS _____ DAY OF _____, 2022.

Greggory D. Hull, Mayor

ATTEST:

Rebecca A. Martinez, City Clerk
(SEAL)

Department of Financial Services

February 14, 2022

Pursuant to City's Uncollectible Accounts Receivable policy (Section 2-4-1 through 2-4-7), I am submitting the attached listings of uncollectible Ambulance, Utilities, Parks & Recreation (P&R), Alarm, and Library accounts. Each listing provides the basic account description as required in Section 2-4-7 (1.)(c)(1), which includes at a minimum: account holder name (unless protected by law), service provided, service date, call or account number, and other relevant information. Steve Perkins (Ambulance), Nita Gonzales (Utilities), Linda Mertens (PRCS), Celeste Soto (Alarms), and Rena Jackson (Libraries) prepared the listings.

The attached accounts meet the write-off criteria as outlined in Statute 3-37-7 NMSA 1978, and the City's Uncollectible Accounts Receivable policy, Section 2-4-5 and Section 2-4-7.

Each Ambulance account has been:

- Billed for a minimum of three (3) consecutive billing cycles
- Sent to a third-party collection
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

Each Utilities account is/has been:

- A closed utility account that was billed for a minimum of three (3) consecutive billing cycles before being sent to a third-party collection agency
- An active utility account that was reviewed on a monthly basis for possible discontinuance of service for non-payment, pursuant to § 51.09, R.O. 2003, before being sent to a third party collection agency
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

Each P&R account has been:

- Billed and subjected to internal collection efforts that may have included phone/email contact and preventing customer participation in other activities until past due amounts are paid.
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

Each Alarm account has been:

- Billed for a minimum of three (3) consecutive billing cycles
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

Each Library account has been:

- Billed for a minimum of three (3) consecutive billing cycles
- Sent to a third-party collection
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

The aggregate total write-off request is \$412,159.06 and can be broken-down as follows:

- \$238,386.79 for Ambulance
- \$136,204.76 for Utilities
- \$1,527.00 for PRCS
- \$8,075.00 for Alarms
- \$27,965.51 for Libraries

Department of Financial Services

It is my opinion that, pursuant to the City's Uncollectible Accounts Receivable policy, the accounts attached hereto meet the definition of an "Uncollectible Account," and that the criteria to write off these accounts has been satisfied. The write off request runs through 12/31/2017.

Respectfully submitted,

A handwritten signature in blue ink that reads 'Carole H. Jaramillo'.

Carole H. Jaramillo,
Director of Financial Services

**CITY OF RIO RANCHO
COVER PAGE**

Legislation Item: D11

AGENDA DATE:

March 10, 2022

DEPARTMENT:

Parks, Recreation & Community Services

SUBJECT:

D11, Advice and Consent of the Governing Body to Award Contract No. 22-PR-127: Construction of Sports Complex North Phase II Contract to T.A. Cole & Sons General Contractors, Inc.

BACKGROUND AND ANALYSIS:

The City released IFB 22-PR-010 Construction of Sports Complex North Phase II on January 9, 2022. The bid closed on February 4, 2022 and the lowest bidder was T.A. Cole & Sons General Contractors, Inc. for the amount of \$2,198,213.13 excluding New Mexico Gross Receipts Tax.

The total contract budget including tax, \$2,367,200.76, is funded through multiple State Grants/Capital Outlay allocations and City Park Impact Fees.

Phase II will include extensive grading and drainage improvements, construction of a split concession and restroom building, emergency vehicle access, a pedestrian plaza, landscaping, utility extension and related improvements. Sports Complex North Phase II construction work will begin in April 2022 and be completed by fall 2022.

IMPACT:

Awarding the contract will allow the City to complete construction of Phase II of Sports Complex North and fully expend State grant funds.

ALTERNATIVES:

Approve the contract with T.A. Cole & Sons General Contractors, Inc. and construct Phase II of Sports Complex North.

Do not approve the contract.

DEPARTMENT RECOMMENDATION:

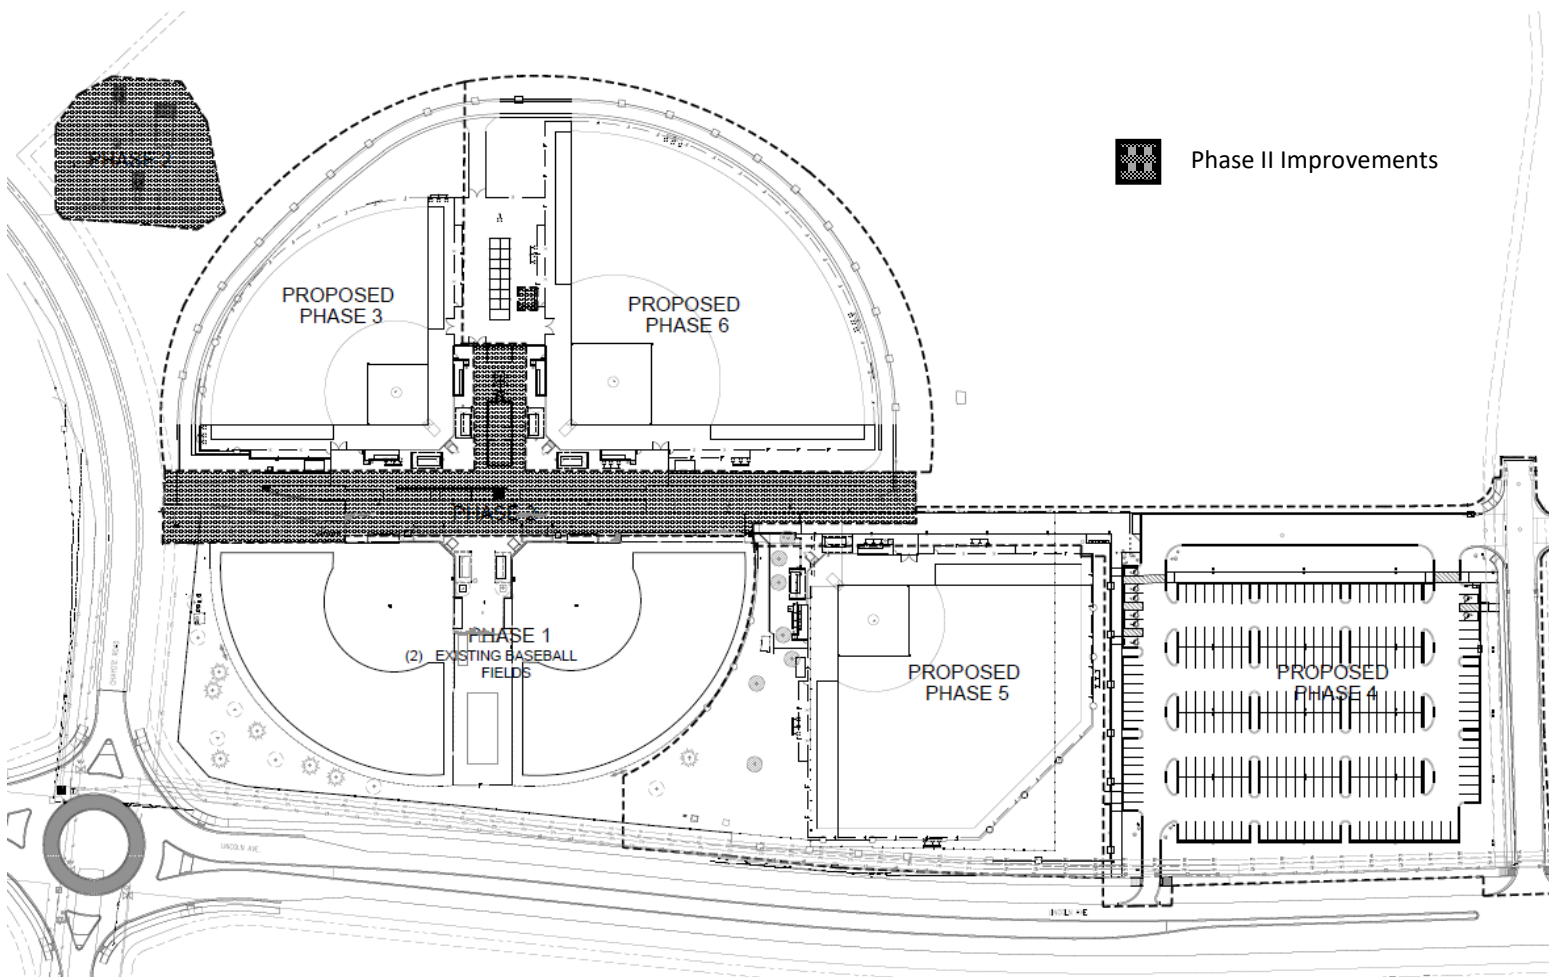

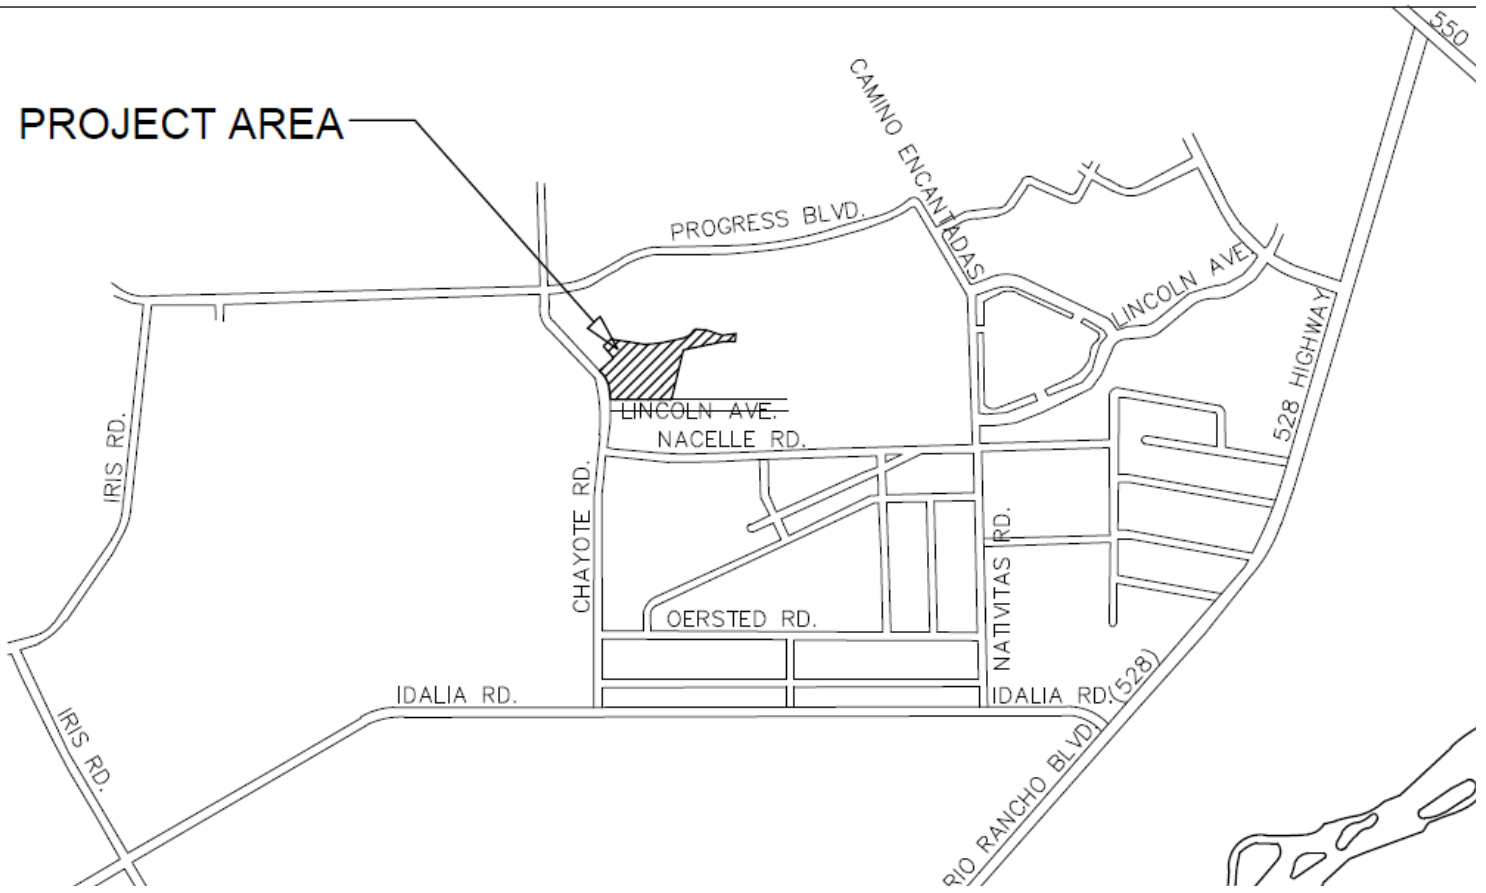

Staff recommends award of the construction contract to T.A. Cole & Sons General Contractors, Inc.

PROJECT AREA

 Phase II Improvements

CONTRACT 22-PR-127
Construction Contract
Construction of the Sports Complex North - Phase II

THIS AGREEMENT is made and entered into by and between the City of Rio Rancho, hereinafter referred to as the “CITY,” and T.A.Cole & Sons, General Contractor, Inc., hereinafter referred to as the “CONTRACTOR.”

City and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

1. WORK

CONTRACTOR shall complete all Work as specified or indicated here below. The Work and project are generally described in Invitation for Bid IFB 22-PR-010.

2. GENERAL CONDITIONS

The general conditions (“General Conditions”) of this Agreement shall be the Standard General Conditions of the Construction Contract prepared by the Engineers Joint Contract Documents Committee (EJCDC) Document C-700, 2007, and modifications thereto incorporated herein by reference.

3. ENGINEER

The ENGINEER of record for this project, as described in the General Conditions, is MRWM Landscape Architects.

4. CONTRACT TIMES

4.1 The Work will be substantially completed within **one hundred eighty (180)** consecutive calendar days after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions, and completed and ready for final payment in accordance with Paragraph 14.07 of the General Conditions.

4.2 Liquidated Damages. City and Contractor recognize that time is of the essence of this Agreement and that City will suffer financial loss if the Work is not completed within the times specified in Paragraph 4.1 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. The parties also recognize the delays, expense and difficulties involved in proving the actual loss suffered by City if the Work is not completed on time. Accordingly, instead of requiring any such proof, City and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay City **Five Hundred dollars (\$ 500.00)** for each day that expires after the substantial completion date established by the City’s written Notice to Proceed.

5. CONTRACT PRICE

The City shall pay the Contractor the Contract Sum in current funds for the Contractor's performance of the Contract. The Contract price comprises the Base Bid, Additive Alternate #1, and Additive Alternate #2 as described in IFB 22-PR-010 and all addenda thereto. The Contract price shall be **Two Million One Hundred Ninety-Eight Thousand, Two Hundred Thirteen Dollars and thirteen cents, (\$2,198,213.13)**, which excludes applicable gross receipts tax, subject to additions and deductions as provided in the Contract Documents.

6. NON-APPROPRIATIONS

The terms of this Agreement and all amounts payable hereunder are contingent upon sufficient appropriations therefore by the City's Governing Body. If sufficient appropriations are not made, the City shall notify the Contractor of the same, and this Agreement shall terminate forthwith.

7. PAYMENT PROCEDURES

Contractor shall submit Application for Payment in accordance with Article 14 of the General Conditions. Engineer will process applications for Payment as provided in the General Conditions. The City shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment as recommended by Engineer, twenty-one (21) days after receipt of the Engineer approved Application for Payment. All such payments will be measured by the schedule of values established in Paragraph 14.02 of the General Conditions (and in the case of Unit Price Work based on the number of units completed).

8. CONTRACTOR'S REPRESENTATIONS

In order to induce City to enter into this Agreement Contractor makes the following representations:

- 8.1 Contractor has examined and carefully studied the Contract Documents and other related data identified in the Bidding Documents including "technical data."
- 8.2 Contractor has visited the site and become familiar with and is satisfied as to the general, local and site conditions that may affect cost, progress, performance or furnishing of the Work.
- 8.3 Contractor is familiar with and is satisfied as to all federal, state and local laws and regulations that may affect cost, progress, performance and furnishing of the Work.
- 8.4 Contractor has examined all reports of explorations and tests of subsurface conditions at or contiguous to the site and all drawings of physical

conditions in or relating to existing surface or subsurface structures at or contiguous to the site (except underground facilities) which have been identified in Paragraph 4.02 A of the General Conditions. Contractor accepts the determination set forth in Paragraph 4.02 B of the General Conditions of the extent of the "technical data" contained in such reports and drawings upon which Contractor is entitled to rely as provided in Paragraph 4.02 B.1 of the General Conditions. Contractor acknowledges that such reports and drawings are not Contract Documents and may not be complete for Contractor's purposes. Contractor acknowledges that City and Engineer do not assume responsibility for the accuracy or completeness of information and data shown or indicated in the Contract Documents with respect to Underground Facilities at or contiguous to the site. Contractor has obtained and carefully studied (or assumes responsibility for having done so) all such additional supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and underground facilities) at or contiguous to the site or otherwise which may affect cost, progress, performance or furnishing of the Work or which relate to any aspect of the means, methods, techniques, sequences and procedures of construction to be employed by Contractor and safety precautions and programs incident thereto. Contractor does not consider that any additional examinations, investigations, explorations, tests, studies or data are necessary for the performance and furnishing of the Work at the contract price, within the contract times and in accordance with the other terms and conditions of the contract documents.

- 8.5 Contractor is aware of the general nature of work to be performed by City and others at the site that relates to the Work as indicated in the Contract Documents.
- 8.6 Contractor has correlated the information known to Contractor, information and observations obtained from visits to the site, reports and drawings identified in the Contract Documents and all additional examinations, investigations, explorations, tests, studies and data with the Contract Documents.
- 8.7 Contractor has given City written notice of all conflicts, errors, ambiguities or discrepancies that Contractor has discovered in the Contract Documents. Contractor certifies that any written resolution thereof by City is acceptable and that the Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.
- 8.8 Contractor shall make prompt payment to its subcontractors and suppliers for amounts owed for work performed on the construction project within seven days after receipt of payment from the City. If Contractor fails to pay Contractor's subcontractor and suppliers by first-class mail or hand delivery

within seven days of receipt of payment, Contractor shall pay interest to Contractor's subcontractors and suppliers beginning on the eight day after payment was due, computed at one and one-half percent of the undisputed amount per month or fraction of a month until payment is issued. These payment provisions apply to all tiers of contractors, subcontractors and suppliers.

9. CONTRACT DOCUMENTS

In addition to this Agreement, the Contract Documents, which comprise the entire agreement between City and Contractor concerning the Work, consist of the documents which are appended to this Contract as listed below in Subsection 9A and the documents which formed part of the IFB package upon which Contractor made its successful bid, as listed below in Subsection 9B.

A. Documents attached to hereto:

1. Contractor's Bid Form
2. The Bidder's Listing of Subcontractors for Compliance with Subcontractors Fair Practices Act
3. Bid Bond
4. Local/Area/Resident/Resident Veteran/Recycled Content Goods Preference Certification Form
5. Resident Veteran Preference Certification
6. Certification of Bidder Regarding Affirmative Action/Equal Employment Opportunity and Non-discrimination
7. Non-Collusion Affidavit
8. Construction Performance Bond
9. Labor and Materials Payment Bond
10. Certificates of Insurance

B. Documents which were part of the IFB package and not listed above:

1. Advertisement for Bids
2. Instructions to Bidders
3. Standard General Conditions of the Construction Contract, EJCDC Document No. C-700 (2007)
4. Supplemental Conditions
5. Notice to Contractor
6. Wage Rate Determination
7. Any Addenda issued for IFB 22-PR-010
8. Construction Plans as prepared by MRWM Landscape Architects

There are no Contract Documents other than those listed in Section 9 of this Agreement. The Contract Documents may only be amended, modified or supplemented as provided in Paragraphs 3.04 A & B, General Conditions. Any question regarding the documents which formed the IFB package shall be resolved by use of the documents maintained by City in its files on the Work. Contractor may obtain access to these documents at any time, upon reasonable notice.

10. MISCELLANEOUS

- 10.1 Terms used in this Agreement will have the same meaning as those defined in Article 1 of the General Conditions.
- 10.2 No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, monies that may become due and monies that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.
- 10.3 The City and Contractor each binds themselves, their partners, successors, assigns and legal representatives to the other party hereto, in respect to all covenants, agreements and obligations contained in the Contract Documents.
- 10.4 Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon the City and Contractor, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.
- 10.5 If, through any cause, Contractor shall fail to fulfill in timely and proper manner Contractor's obligations under this Agreement, or if Contractor shall violate any of the covenants, agreements, or stipulations of this Agreement, the City shall thereupon have the right to terminate this Agreement by giving written notice to Contractor of such termination and specifying the effective date thereof, at least five (5) days prior to the effective date of such termination. In such event, all finished and/or unfinished documents, data, studies, surveys and reports prepared by Contractor under this Agreement shall, at the option of the City, become its property and Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.
- 10.6 Notwithstanding the above, Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the contract by Contractor, and the City may withhold any payments to Contractor for the purpose of set-off until such time as the exact amount of damages due the City from Contractor is determined.

- 10.7 The City may terminate this Agreement at any time for the City's convenience, by giving at least thirty (30) days' notice in writing to Contractor. If the Agreement is terminated by the City as provided herein, Contractor will be paid for the time provided and expenses incurred up to the termination date. If this Agreement is terminated due to the fault of Contractor, paragraph 10.5 hereof relative to termination shall apply.
- 10.8 Notices: Any notice required or permitted to be given hereunder shall be sufficient if mailed to the address shown below or faxed to the number shown below for the party receiving notice, or to such other address or fax number of which such party has duly notified the other party in accordance with the provisions of this paragraph.

- 10.9 To the extent, if at all, that NMSA § 56-7-1 is applicable to any agreement to indemnify contained in this Contract, and any such agreement to indemnify contained in this Contract is interpreted to indemnify a party against liability, claims, damages, losses, or expenses, including attorney fees, arising out of bodily injury to persons or damage to property caused by, or resulting from, in whole or in part the negligence, act, or omission of the indemnitee, or the agents or employees of the indemnitee, or any legal entity for whose negligence, acts, or omissions any of them may be liable, any such agreement to indemnify contained this Contract shall not extend to liability, claims, damages, losses, or expenses, including attorney fees, arising out of:
- A. The preparation or approval of maps, drawings, opinions, reports, surveys, change orders, designs, or specifications by the indemnitee or the agents or employees of the indemnitee; or

- B. giving or failure to give directions or instructions by the indemnitee, or the agents or employees of the indemnitee, where such giving or failure to give directions or instructions is the primary cause of bodily injury to persons or damage to property.

10.10 Where documents listed in Section 9 contain terms that are different from City Ordinances, City Ordinances shall prevail. In that regard, any inconsistency between terms occurring among the following portions of this Agreement shall be resolved by giving precedence in the following order: (1) City Ordinances, (2) this Agreement (3) the Supplemental Conditions, and (4) the Standard General Conditions of the Construction Contract.

IN WITNESS WHEREOF, the parties have executed this Agreement to become effective as of the date of the last party's signature.
