990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 11b	The Form 990 is prepared and reviewed in AARP's internal tax department. The return is then put through a secondary review which includes the AARP Controller and AARP General Counsel. After this thorough review process, the Form 990 is distributed to the Board of Directors for their review. After all issues are addressed, the return is reviewed by the Chief Operating Officer prior to electronically filing with the Internal Revenue Service.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	Annually, all board members and employees (including officers) are required to review the Code of Conduct, formally acknowledge their understanding of the Code, and disclose any real or potential conflicts of interest. Disclosures are reviewed by appropriate management (or in the case of a board member, the Board Chair, the Corporate Secretary's Office, and if necessary, the Governance Committee), and the Ethics & Compliance Office. The appropriate resolution plan is implemented (for example, recusal from participating in any deliberations and decisions relevant to the disclosure). The Ethics & Compliance Office monitors compliance (with the assistance of the Corporate Secretary's Office for board members) with these requirements and ensures proper follow-up as needed.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>AARP considers relevant for-profit and not-for-profit data since this is the landscape in which AARP competes for talent. Establishing the appropriate compensation for positions and jobs considers external market pricing (where possible) from an independent, third party compensation consulting firm, internal criteria, and an individual's actual performance and contribution. Internal criteria is based on a standard approach that measures the internal value of positions, including complexity and scope of responsibility, skill set and competencies, education and experience, and the reporting relationship of the position. An individual's actual performance and contribution is measured through AARP's performance management approach and then rewarded through AARP's annual base pay merit and incentive awards programs. For the CEO, information from all three areas (external data, internal data, individual performance and contribution) is submitted to the Board of Directors for review and approval. In some cases, the Board may deal directly with the independent, third party compensation consulting firm on external market pricing. The individual in this position may have legal representation and may insist on an employment contract with terms that are mutually agreed upon by the individual and the Board. For the Executive Vice Presidents (listed in Part VII), the compensation recommendations of the CEO are provided to the Compensation Committee together with external comparability data provided by an independent third party compensation consulting firm. The Compensation Committee reviewed and approved the 2018 recommendations and their deliberations were recorded in the Committee's minutes.</p>

Part V Transactions with related organizations, line 2(a)-(d), row (10)	AARP and AARP Foundation, its affiliated charity, share mailing lists. AARP does not rent its mailing list to other organizations, so a fair market value of the benefit to the Foundation has not been established. The AARP list is much larger and thus presumably more valuable than the Foundation list. Moreover, the vast majority of names on the AARP Foundation list are already on the AARP list, as they are also AARP members.
