F Unison® Handmade Pastel Sets UP TO 40% OFF LIST PRICE

John Hersey began producing handmade pastels by lightly rolling each pastel so that the pigment was softly compressed, resulting in fluid color unlike any other pastel. While other manufacturers add white or black to make up a color set, Unison uses pure pigments with a cycle of related hues and a very minimal amount of binder for intense, strong color. Sticks are approximately 2" L x 1/2" Dia.

ARTISTS' ACRYLIC COLORS & SETS

SAVE 20-45% OFF LIST PRICE

Among the first to develop and produce artists' acrylics, Utrecht has been making these professional-quality paints in Brooklyn, New York, since the late 1950s. Skilled craftspeople use only the finest pigments to create each and every color. The heavy-bodied paints offer excellent tinting strength, superior intensity and opacity, a buttery texture, and outstanding lightfastness.

Finally, a frame designed for wood panels! Made from premium hardwood, these professional-quality frames have a wider base that eliminates damage to the panel cradle. A higher profile and deeper rabbet protect panel corners, too. The Thin face is 1/4" and the Bold face is 3/8". Easy to use — just add your artwork to the frame with the included screws, attach to eyelets, add wire, and hang flush to the wall. Hanging hardware included.

PRICES/AVAILABILITY — All prices are subject to change without notice. Blick is committed to doing our best to make the necessary sacrifices so that prices in this catalog can be honored through 10/16/23. However, as vendors provide price increases, we cannot guarantee printed prices in this catalog. Further, continuing supply chain disruptions have made it difficult to stay in stock on select items, and unfortunately vendors are taking much longer than usual to fill back orders. We ask for your understanding in these unprecedented times. As always, Blick reserves the right to correct typographical errors.

— **What is MSRP? (aka "List Price")**
MSRP stands for Manufacturer's Suggested Retail Price (also known as "List Price"). MSRPs are published by the manufacturer of each product. Unless a product is our own brand, we do not set or inflate the MSRP. We report it. For our Blick and Utrecht brand products, we establish MSRP based on those of third-party vendors whose products most closely resemble ours in quality and size.

— **Does a discount off the MSRP represent a sale price?**
Not necessarily. A typical example would be that a product has an everyday discount of 30% off the MSRP, but during promotional periods it may rise to 40% off the MSRP. Other products might be 40% and 50% off, respectively, and so on. Paint lines often use this type of model. Some products may never be promotionally priced. For more information about pricing, visit DickBlick.com/customer-service/pricing-policy.

CHECK POLICY

Upon receipt, your check may be converted into an electronic debit, and processed according to Federal Reserve rules. Receipt of the check will be deemed to be your authorization for an Automated Clearing House debit entry to your account, which likely will be posted to your account the following day. If your check is dishonored or returned for any reason, we will electronically debit your account for the amount of the check plus a legal limit of a processing fee as per state law.

AUDIO & VIDEO RETURN POLICY

We regret that we cannot give refunds on DVDs and CDs. All sales are final. We will replace defective DVDs or CDs with an identical item.
