

Wall Mount for large-format flat panels with mounting points up to 800 x 400mm apart  
Heavy Duty 130kg SWL for Interactive Flat Panels  
Locking anti-theft mechanism

Vision's **Vision Flat-Panel Mount** range is tough and flexible. The VFM-W8X4 fits any flat-panel LCD or LED screen which has rear mounting holes up to 800 wide x 400mm tall apart.

### SWL 130kg

Interactive flat panels are large and very heavy. Vision's VFM-W8x4 uses heavy gauge 3mm sheet metal to take the weight of these displays.

### Universal

It fits most panels from 47-90", including: Promethean's ActivPanel 65, 75, and the 86" models. Note: excludes 70" models which use 400 x 600. Sahara's Clevertouch range up to and including the 75" Microsoft's 55" Surface Hub which uses 400 x 400mm mounting points.

### Shallow

The thin design holds the display close to the wall. This looks better, reduces snagging risk, and because the load is close to the wall the mount has a higher safe working load rating.

### Simple Installation

A proven design allows fast fixing, and slotted holes on the wall part allowing levelling adjustment after fixing.

### Secure

Once in place locking screws are fitted to prevent the assembly being lifted off the wall bracket.

## SPECIFICATIONS

**PRODUCT DIMENSIONS**

850 x 424 x 36 mm / 33.5" x 16.7" x 1.4" (height x width x depth)

**PACKAGED DIMENSIONS**

870 x 235 x 50 mm / 34.5" x 9.2" x 2.0"

**PRODUCT WEIGHT**

4.2 kg (9.3 lbs)

**PACKAGED WEIGHT**

4.4 g (9.7 lbs)

**SAFE WORKING LOAD**

130kg (286 lbs)

**CONSTRUCTION MATERIAL**

Steel

**COLOUR**

Black

**VESA SIZES**
