43% of time is spent collaborating[6]

With the endless innovation and growth of digital and mobile technologies, people across the globe are beginning to see their work and personal lives merge into one. At HP, we call this ONE LIFE.

Our devices are designed to keep us connected at any time and from any location, blurring the line between work and free time. At HP, we're committed to understanding the requirements of our customers, their new ways of working, and the transformation of the workplace, putting us in the forefront of providing solutions for a more cohesive ONE LIFE experience.

The Workforce: Millennials and Giggers

Millennials make up roughly 34% of today's workforce[1] and are expected to dominate it by the year 2020[2]. This generation not only seeks functional accessories with premium features[3], but also expects their technology to fulfill both their work and personal requirements.

The Gig Economy is growing at a rate 5x faster than the overall employment growth[4]. By taking advantage of mobile technology, "Giggers" work from anywhere, holding more freelance and independent contractor positions.

The Workplace: Open and Anywhere

Mobile technology has liberated us from confined, dedicated workspaces, allowing us to work from anywhere. Office space is decreasing, which creates a greater need for more open, flexible hubs. Roughly 36% of enterprises are seeing an increase in open workspaces[5].

The Work Style: Highly Collaborative

As the workplace transforms, work styles are becoming more collaborative. From 2015 - 2016, huddle spaces grew by 34%[5], fostering collaboration for greater creativity and ideas.

Powering the modern workspace with the world's most versatile Thunderbolt™ Dock[1]

50%
of IT dock deployments will be USB-C by late 2018[6]

DESIGN AWARD 2018

The HP Thunderbolt™ Dock G2 re-defines everything a dock should be.

HP's newest Thunderbolt Dock G2 is your companion in creating a smart workspace. It's docking reinvented for end-users and IT decision makers (ITDMs) in the modern workspace.

With demand for thinner and lighter notebook PCs at an all-time high, Thunderbolt™ and USB-C™ for data, video and power delivery are seeing a rapid adoption among many of the major PC manufacturers. Whether you're in a dedicated office, a shared environment, or home office, the HP Thunderbolt Dock G2 empowers you to command your workspace from just one USB-C™ connection to access network, data, video and charging. This sleek, space-saving centerpiece boasts an award-winning design with robust features that support dual 4K displays[2], advanced network manageability[3] and audio conferencing with the optional HP Thunderbolt Dock Audio Module.[4]

Scale with ONE DOCK
We heard it loud and clear: Our customers need a single docking solution for their diverse fleet of notebook PCs.

The high-performance HP Thunderbolt Dock G2 supports a wide range of notebooks from HP's 400 G5 series to x2s and Mobile Workstations, plus non-HP notebooks that are designed to Thunderbolt™, USB-C™ standards[5], providing workspace flexibility and a scalable experience for you and your fleet.

Collaboration is serious business

Today's professionals agree that collaboration is critically important and they need technology to maximize productivity wherever they go.

HP is reinventing collaboration with forward-thinking solutions to meet the evolving needs of your workforce, workplace, and work styles.

HP expands the collaboration experience beyond the conference room with its wide range of devices that bring virtual meetings to life. Whether you're presenting to a remote audience around the globe, meeting in a huddle room across the hall or taking a call from your desk, HP's collaboration solutions are designed to enrich brainstorming and inspire creativity for the evolving workforce.

Reimagine your meeting spaces

Midsize conference rooms, huddle rooms or anywhere around the globe

Bring your whiteboard into the digital age with HP ShareBoard[1]. By transforming your dry-erase whiteboard into an online collaboration system, you can share ideas face-to-face in a small conference room or stream content live to meeting attendees anywhere in the world through a secure online connection and a web browser. See page 21 for more information.

Large conference rooms

Captivate your audience in the conference room and around the world with the HP Elite Presenter Mouse. This sleek, premium device functions as a wireless presenter and a mouse in one, changing the way you navigate and present. Highlight on-screen content for your colleagues in the room and on remote viewer screens[2] with the real-time, virtual laser pointer. Flip to page 31 for details.

At Your Desk

Connect and collaborate in complete comfort at your desk with the HP EliteDisplay E273m 27-inch Conferencing Monitor. The Skype for Business® certified display includes an HD webcam, expertly-tuned Audio by Bang & Olufsen, microphone, and collaboration keys to control calls without an onscreen menu. Personalize your setup and keep your workspace clean by combining it with HP accessories like the HP Wireless Duo Headset and HP Wireless Premium Mouse.

[1] Internet connection required and sold separately.
[2] When you share your presentation through your collaboration application. Internet access required and sold separately.
[3] Based on mice that convert from mouse to presenter as of (7/6/2017).
[4] The first wireless presenter with a virtual laser pointer that converts into a mouse.

Welcome to the Office of the Future

It's Open…

As the workforce becomes more mobile, businesses are beginning to reengineer their office landscape into open, flexible hubs.

The HP Hot Desk Stand completely redefines the workspace by turning it into a ready-to-go touchdown station that integrates up to two displays and a dock with a minimal footprint for the ultimate productive, versatile, clean and comfortable shared workspace.

Combine it with the HP USB-C Universal Dock that supports HP and non-HP USB-C™ notebooks[1] and USB-A based notebooks[2] for a truly universal docking experience. A single cable connection provides power and pass-through charging to your host device, access to USB-A and USB-C™ ports, a combo audio jack, and allows you to drive dual 4K displays or a single 5K display[3] from two DisplayPort™ ports. An RJ-45 port provides a secure Ethernet connection and network manageability.[4]

64% of companies offer flexible work

48% offer telework to support work-life balance for employees[8]

…and Anywhere.

With 62% of employees working from more than one location[5], you can ditch the dongles and consolidate power and port replication with the ultra-portable HP USB-C Mini Dock. The pocket-sized plug-and-play solution allows mobile professionals to create a docking experience on the go with pass-through charging[6] and data, video, network, and device connectivity.[7]

Connect the HP S14 14" Portable Monitor and double your viewing real estate for increased productivity. The high-resolution, super compact, ultra-thin design makes this USB-C™ monitor the perfect travel companion for work on the go.

[1] Must be designed to USB-C™ industry standards.
[2] Using a USB-C™ to USB-A adapter(separate AC Adapter needed) or a 4.5mm power barrel and USB adapter.
[3] Displays sold separately.
[4] Internet access required and sold separately.
[5] Source: HP, Quantitative Research with WW End Users, 2015.
[6] Pass-through charging requires a notebook or tablet USB-C™ AC adapter. The dock does not include an AC Adapter.
[7] Supports DisplayPort™ Alt Mode (video, charging, and USB 3.1) over the USB-C™ connector. Also compatible with USB Type-C™ Thunderbolt-enabled ports.

Inspiring outcomes with HP Education Solutions

HP USB-C Notebook Power Bank

HP 11.6 Always-On Case

HP Prime Graphing Calculator

HP provides solutions that reinvent the way students learn and teachers teach. We believe that when total access is combined with true learning, meaningful social and economic outcomes result for schools and communities. Beyond our Education Edition Chromebooks and notebook PCs, we've carefully crafted a comprehensive portfolio of accessories that ultimately empower students and keep them engaged in the classroom.

Nearly 80% of students use a mobile device to study[1], so keeping the device protected and charged is key to their learning experience in the classroom and at home. The HP USB-C Notebook Power Bank can provide hours of additional power to an uncharged HP Chromebook or notebook, keeping the students focused on the lesson plans.

Keep your device protected to and from school with the scratch- and water-resistant HP Chromebook x360 and HP ProBook x360 11 G1 EE Protective Cases. These lightweight silicon shells provide an exact fit and flexible movement from clamshell to tablet mode with unobstructed access to critical ports, controls and cameras. And our HP 11.6" Always-On Case boasts a rugged design to help protect your device with interior padding, a molded pen holder and rubber feet.
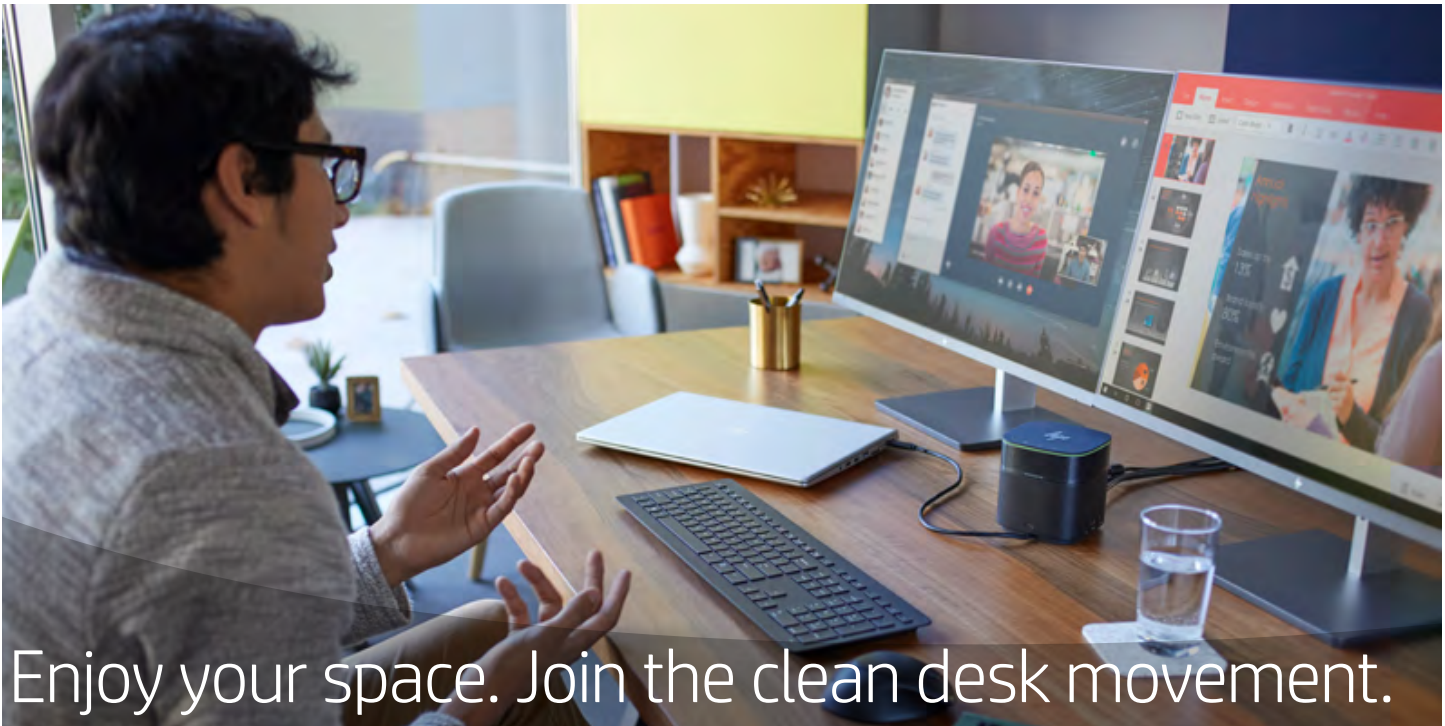

Rounding out our accessories offering is the HP Prime Graphing Calculator. Experience math in the age of "touch" using a sleek, full-color graphing calculator with an application based interface, touch-screen and keypad. Flip to page 52 to see more HP Education Solutions.

Enjoy your space. Join the clean desk movement.

If there's one place we rely on more to stay focused and productive, it's our personal workspace. So why not be inspired by and work in comfort with a desk that strikes envy across the office? Here's your go-to list of devices to achieve a clean, modern workspace.

HP EliteDisplay S270n 4K Monitor
Prepare for maximum visual impact and optimal productivity with HP's first 4K EliteDisplay, the S270n 27-inch 4K Monitor. It delivers style and simplicity with a modern 3-sided micro-edge bezel and easy single-cable USB-C™ connectivity to your device. The 27'' diagonal screen with 4K resolution[1] reveals every detail and makes every color pop. And with one USB-C™ cable connection, you can send up to 60W of power to your notebook, PC, tablet, or phone.[2]

HP Wireless Collaboration Keyboard
For those who are obsessed with keeping an organized, clutter-free work zone, the HP Wireless Collaboration Keyboard offers a truly unique input solution with dedicated Skype for Business® keys that control common video and call functions and convenient LED indicators that cue incoming calls, mute, screen-sharing and webcam usage. You'll wonder how you ever worked without it.

HP Premium Wireless Mouse
Pair it with the HP Wireless Premium Mouse and experience exceptional navigation from the palm of your hand. This sleek, professional, soft-touch mouse features a high-performance laser, fast-charging battery and an ergonomic design that resists fingerprints.

Both wireless accessories use HP Link-5 Technology that connects up to five HP Link-5 compatible devices with one USB nano-receiver. See more wireless solutions on page 30.

HP Cable Dock
Drive network, data, video and charging with a single cable connection to your notebook using an HP USB-C™ cable dock.

HP's cable dock solutions provide a highly productive workspace that supports multiple displays and device connectivity, plus network manageability for IT DMs. They're uniquely designed with a smaller form factor that allows for more flexible placement on your desk, making them an ideal solution for the modern workspace. See pages 24–25 for more information.

86%
of enterprise customers choose high quality color and increased resolution as the most important display features[3]

---

Batteries & Power

HP Notebook Power Bank

P/N: N9F71AA

- Boost your notebook's[1] uptime and charge your everyday USB devices at the same time with the portable, chargeable HP Notebook Power Bank.

- Charge the bank from a wall AC adapter and connect it to your notebook's[1] power port whenever your battery needs a charge.

- Share the power with your USB devices with two integrated USB ports, including one USB-C with pass through charging.

- Included cable supports 4.5mm or 7.4mm notebooks.

HP USB-C Notebook Power Bank

P/N: 2NA10AA

- Boost your notebook's[1] uptime and charge your everyday USB devices at the same time with the portable, chargeable HP USB-C Notebook Power Bank.

- Connect the bank to your notebook's USB-C™ port to charge its battery. Charge other USB devices from the bank's USB-A and USB-C™ ports.

- Fuel gauge indicator lets you know the charging status.

HP Slim A/C Adapter

P/N: H6Y82AA#ABA HP 65W Slim Adapter

P/N: H6Y83AA#ABA HP 90W Slim Adapter

- Provides a convenient and portable power source for use in a mobile environment.

- Slim design is 40% thinner than standard 65W adapters.

- Includes a USB port for charging other accessories and multiple tips to charge various HP Notebooks and Mobile Work stations (MWS only 90W).

HP Smart AC Adapter

P/N: H6Y88AA#ABA   HP 45W Smart AC Adapter

P/N: H6Y89AA#ABA   HP 65W Smart AC Adapter

P/N: H6Y90AA#ABA   HP 90W Smart AC Adapter

- Feed your notebook with controlled servings of electricity. HP's Smart AC Adapter regulates power and offsets electrical spikes, reduces cable stress, and includes a special dongle to support current and prior HP models – perfect for replacing your notebook's power adapter or as a needed back-up.

- Provides a convenient and portable power source for use in a mobile environment.

- Shared across all HP Business Notebooks for a convenient, worry-free experience.

- Energy-efficient power adapters designed to draw minimal power.

- Integrated surge protector to guard against power fluctuations.

- Available in 45W, 65W, 90W to enable optimum system performance.

HP 90W Slim Combo Adapter

P/N: H6Y84AA#ABA

- Slim, lightweight design includes a handy carrying pouch that fits easily into a carrying case alongside your notebook.

- Enjoy compatibility with current and legacy devices with three interchangeable tips that include 4.5mm (Smart), 7.4mm (Smart), and Ultrabook™ (non-Smart) connectors for use with a range of HP Business Notebooks and Ultrabooks.

Batteries & Power

HP 90W USB-C Power Adapter
P/N: 2LN85AA

- Power and charge your notebook or tablet from its USB-C™ port with the HP 90W USB-C Power Adapter.

- Connect one end of the adapter to the USB-C port on your device, and plug the AC head into any available wall outlet.

- Pack the small adapter in your device's carrying case for quick charging, wherever you work.

HP 45W G2 USB-C Power Adapter
P/N: 1HE07AA

- Power and charge your notebook or tablet from its USB-C™ port with the HP 45W USB-C G2 Power Adapter.

- Connect one end of the adapter to the USB-C port on your device, and plug the AC head into any available wall outlet.

- Pack the compact adapter inside your device's carrying case for easy, convenient charging and power whenever you need it.

HP 65W USB-C Power Adapter
P/N: 1HE08AA

- Power and charge your notebook or tablet from its USB-C™ port with the HP 65W USB-C Power Adapter.

- Connect one end of the adapter to the USB-C port on your device, and plug the AC head into any available wall outlet.

- Pack the compact adapter inside your device's carrying case for easy, convenient charging and power whenever you need it.

HP 45W USB-C LC Power Adapter
P/N: 1MZ01AA

- Power and charge your HP Chromebook from its USB-C™ port with the HP 45W USB-C LC Power Adapter.

- Connect one end of the adapter to the USB-C™ port on your device, and plug the AC head into any available wall outlet.

- Pack the compact adapter inside your device's carrying case for easy, convenient charging and power whenever you need it.

HP 15W USB Type-C AC Adapter
P/N: N2L83AA#ABA

- Power and charge your tablet[1] from its USB-C™ port with the HP 15W USB Type-C™ AC Adapter.

HP USB-C Auto Adapter
P/N: Z3Q87AA

- Power and charge your notebook, tablet or phone when work takes you on the road with the HP USB-C Auto Adapter, which connects to your car's cigarette lighter outlet.

- Plug the USB-C™ connector into your device's USB-C™ port, and the 12V cigarette lighter adapter (CLA) into your vehicle's cigarette lighter. Handy LEDs confirm the adapter is powered.

- Use the USB-A 3.0 port on the mountable in-line circuitry box to connect to your choice of USB accessories.

HP 150W Smart AC Adapter (4.5mm)

P/N: W2F74AA

- Conserve battery life, be more productive, and get uninterrupted power for your HP ZBook and select HP Docking Stations[2] with HP 150W Smart AC Adapter.

HP 200W Smart AC Adapter (4.5mm)

P/N: W2F75AA

- Conserve battery life, be more productive, and get uninterrupted power for your HP ZBook and select HP Docking Stations[2] with HP 200W Smart AC Adapter.

Carrying Cases

Executive Series Carrying Cases

HP Executive Backpacks

P/N: 1JJ05AA

- Get past your fear of a low battery with the HP Powerup Backpack 17.3, a beautiful, efficient, revolutionary backpack with a built-in battery that can charge select HP laptops, tablets, and smartphones.[1,2]
- Fully charge an HP laptop once, a tablet up to three times or a smartphone up to 10 times with the 22,400 mAh battery.[1,2]
- Power bank holster and organized cable routing are ready when you are. No more looking for power outlets.
- Control the order in which your devices charge with the integrated power priority feature.

HP Evolution TSA Checkpoint Friendly Case
P/N: BM147AA/UT

- The HP Evolution Checkpoint Friendly Case fits up to 16" and is designed to help you clear airport security without removing your laptop from the bag.
- The case's special design zips down the middle, thereby isolating the laptop on one side to allow for clear x-ray scanning. This patent pending section of the case can also be used as an additional storage pocket when not air traveling.

HP Evolution Lite Nylon Notebook Case
P/N: PE837A

HP 16" Slim Evolution Top Load Case
P/N: PE838A

- The HP Evolution Cases fit up to 16", are lightweight, durable and convenient with organized pen loops, business card holders, removable CD/DVD sleeves, removable mesh pouches, key clips, media storage and more. Includes a padded ultralite portable sleeve in the notebook section, side access belt loops for a cell or pen, water bottle holder and a trolley "Piggy Back" rolling-case attachment strap.

HP Evolution TSA Checkpoint Friendly Backpack
P/N: PE840A

- The professional and sporty HP Evolution Nylon Backpack fits up to 16" and is convenient for hands-free travel. A large storage pocket with removable accessory pouch organizes pens, business cards, keys, media storage and other travel items, while a separate file section safely stores documents and magazines.

HP Evolution 17" Vertical Roller
P/N: RC441AA

- This HP Evolution vertical roller case is designed for up to 17" HP notebooks and has removable accessory pouches, pockets for mobile accessories, pen/pencil loops, a business card holder, CD sleeve, passport sleeve, and a file folder section. Telescoping handle supports the same weight of a case, and there is a padded storage strap for more carry options.

[1] Charging time will vary depending on the charge level of the device being charged. The maximum capacity of the battery will naturally decrease with time and usage. Device stores 84 Wh of energy equivalent to 22400 mAh. Does not support devices that charge with a USB-C™ connector or proprietary charging methods. Supports most HP laptops. Check compatibility before purchase.

[2] See product QuickSpecs for device compatibility. Apple iPhones through the 6 Plus and iPad can be charged, but cables are not included. HP laptop power adapter not included; sold separately and required to charge backpack battery.

Communication & Collaboration

Ⓢ Skype for Business

Solutions designed for the way you work

Whether you're collaborating at your desk, on the road or in a conference room, having a reliable solution to connect and communicate seamlessly is business critical.
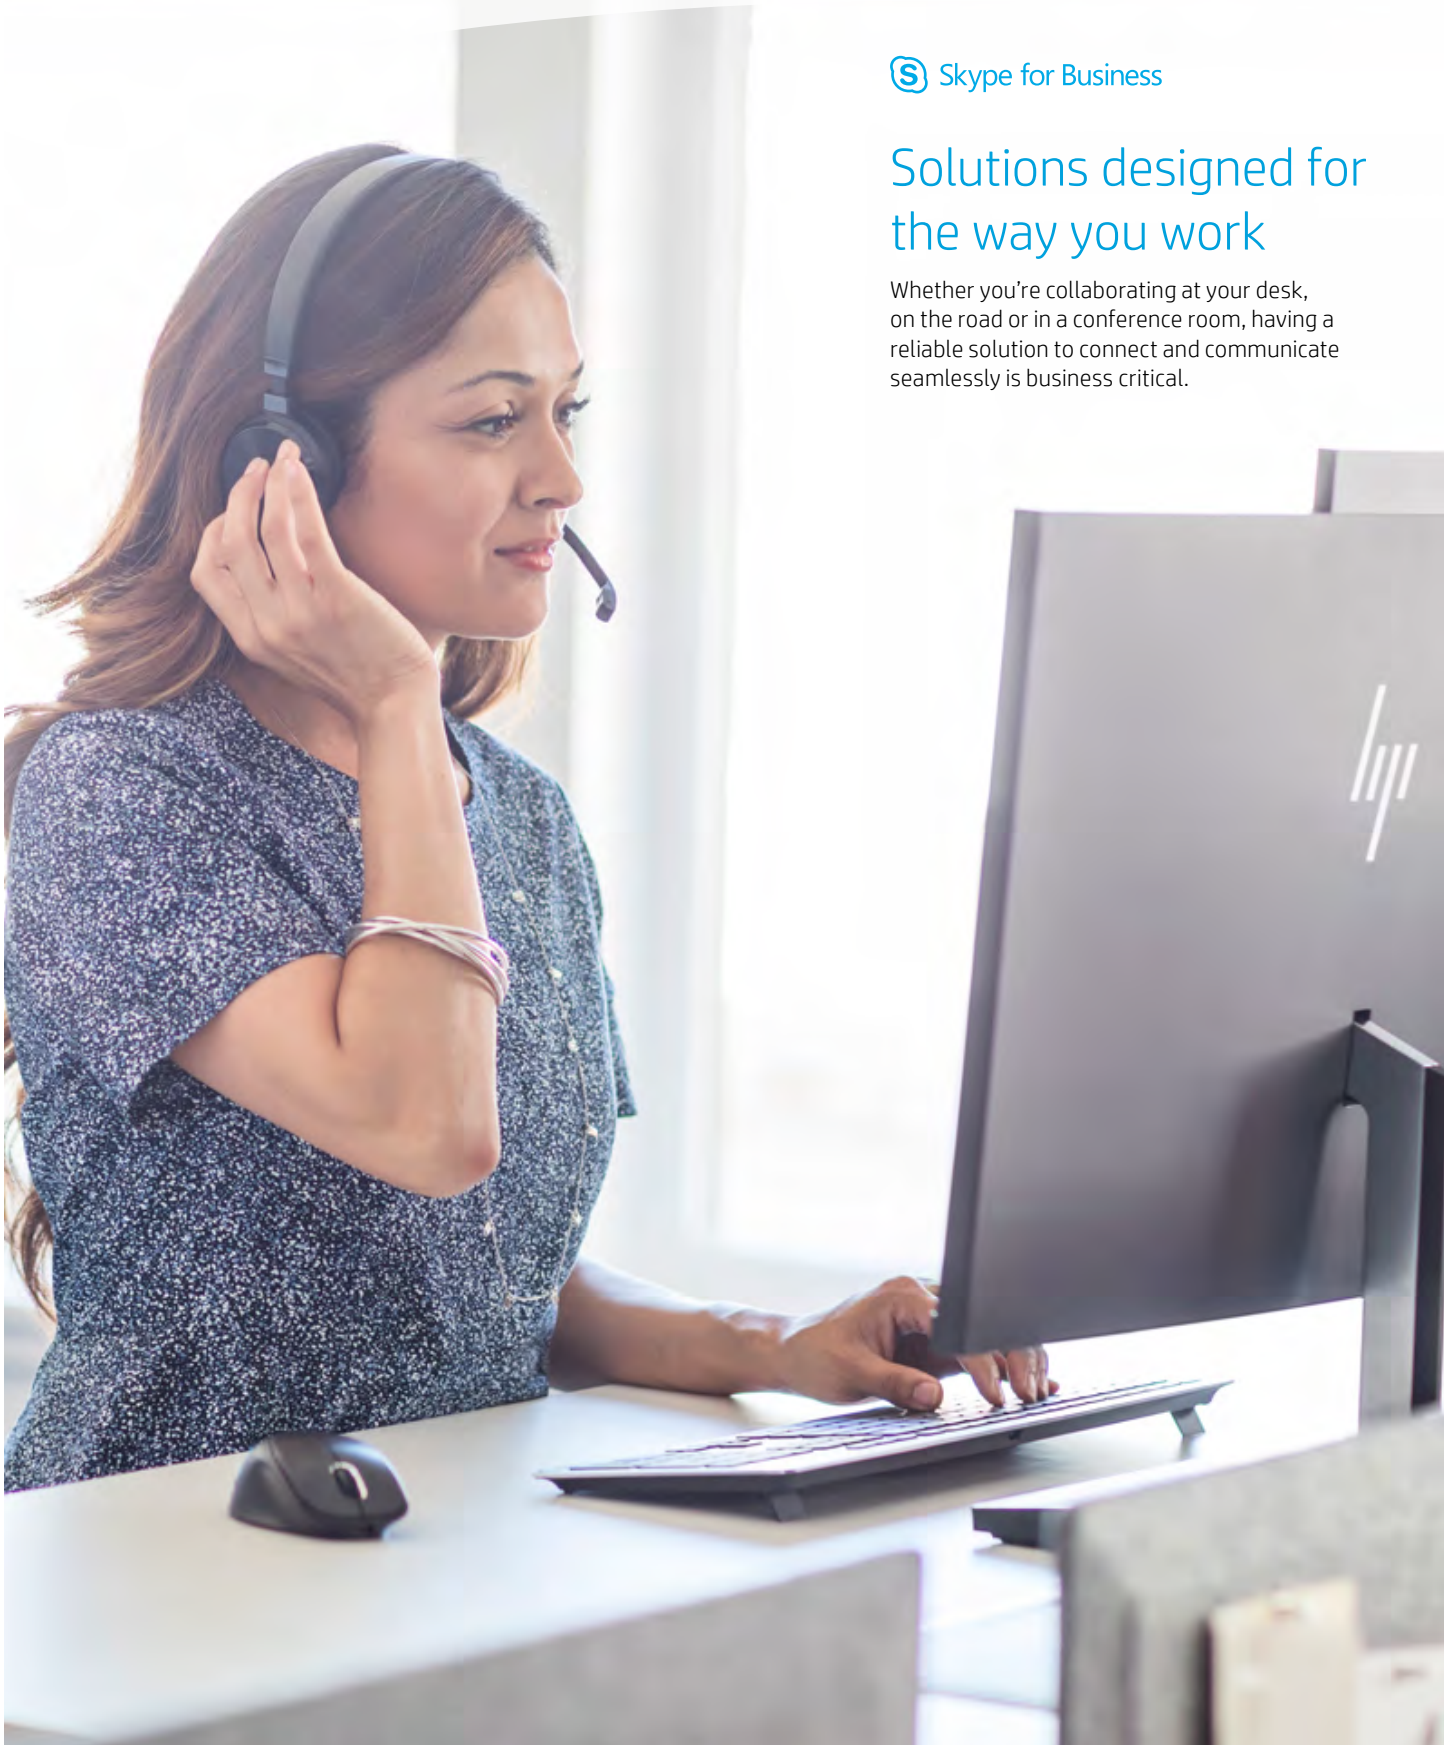

Communication & Collaboration

HP ShareBoard
P/N: 2TX38AA

Bring your whiteboard into the digital age
• Transform your dry-erase whiteboard and markers into an online collaboration system and stream content live with meeting attendees all over the world with HP ShareBoard.[1]

Live-stream your whiteboard content
• Share a crisp and vibrant real-time feed of your whiteboard activity with remote attendees through a secure online connection and a web browser.

Export to a PDF
• Record and save your whiteboard's annotations, drawings, and more, and create Adobe® PDF slides to distribute after the meeting—no photos or transcribing required. Use the "Timeline" feature to scroll backward and forward through your content.

Control your guest list
• Invite remote participants into your meeting with a private, unique URL that's viewable on a PC or mobile device through a browser.

Easy comfort and connectivity

- Connect the headset to your PC's audio jack and control volume settings from the headset cable adapter. Adjust the headband and rotate the microphone boom left or right or move out of the way entirely.
- Compatible with the newest collaboration technologies.

HP USB Business Speakers v2
P/N: N3R89AA

- New stylish desktop speakers powered by the PC's USB Ports.
- Simple setup including USB and Headset connections with line out (or headset) port for easily installation.
- Extended cable length so that the user can set them up where needed near the PC.
- Turn the speakers on and adjust the volume with a conveniently-located top knob on the right speaker. Blue LED light confirms power.

HP S100 Speaker Bar
P/N: 2LC49AA

HP LCD Speaker Bar
P/N: NQ576AA

- The LCD Speaker Bar seamlessly attaches to the bezel of the HP Business Monitor and provides full multimedia capabilities.

Docks & Stands

High-performance Thunderbolt™ technology

ONE DOCK to rule them all

All the speed, power and style of USB-C™ and Thunderbolt™ is now in your grasp. Rule wisely.

HP Thunderbolt Dock G2

iF DESIGN AWARD 2018

P/N: **2UK37AA** 120W
2UK38AA 230W
3TR87AA w/Combo Cable

- Connect a single USB-C™ cable to your notebook[1] to access a wired network, data, video, and charging with a dock that supports both HP and non-HP Thunderbolt™ and USB-C™ notebooks.[1]

- Help IT easily secure and remotely manage[2] a wide range of HP notebooks and the dock with advanced network manageability features[3] built into the dock.

- See every color and detail of your projects with a superfast connection to dual external 4K displays[4] as soon as you plug your notebook into the dock.

- Designed for small team rooms, closed and home offices - Take calls without a headset with the world's first Thunderbolt dock with an audio conferencing solution when you add the optional HP Thunderbolt Dock Audio Module.[5]

HP Thunderbolt Dock Audio Module
P/N: 3AQ21AA

- Designed for small team rooms, closed and home offices — Take calls[2] without a headset with the HP Thunderbolt Dock Audio Module, which attaches vertically to the dock[6] with no additional cabling.

- Experience stereo sound and collaborate easily with built-in HP Noise Cancellation. LEDs confirm successful call connection and slight button haptic confirms interaction with call controls.

- Snap the Module on top of your HP Thunderbolt Dock G2[6] with a simple connector and secure with a screw for a clean solution with no messy cables.

---

[1] Notebooks must be able to support USB-C power, video, and Thunderbolt and USB-C™ industry standards.
[2] Internet access required and sold separately.
[3] Advanced manageability features such as WoL and MAC Address Pass-Through in all power states supported only on HP Elite x2 1012 G2, HP Pro x2 612 G2, HP EliteBook 1040 G4, HP EliteBook x360 1020, 1030 G2, 800 G5, 700 G5, 600 G4, 400 G5, and G4 HP Mobile Workstations as of January 17th, 2018.
[4] Displays sold separately.
[5] Thunderbolt Dock Audio Module sold separately and required for audio.
[6] Dock sold separately.

High-performance Thunderbolt™ technology

Better together!

HP Thunderbolt Dock G2 + HP TB Dock G2 Audio Module
P/N: 3YE87AA

Additional dock connector cables

HP TB Dock 120W G2 Cable
P/N: 3XB94AA
• 0.7m cable for notebooks and x2s

HP TB Dock 230W G2 Cable
P/N: 3XB95AA
• 0.7m cable for mobile workstations, 800/700 G5 series notebooks

HP TB Dock G2 Combo Cable
P/N: 3XB96AA
• 0.7m cable for notebooks, x2s and mobile workstations (requires 230W power supply)

HP Elite 90W Thunderbolt 3 Dock
P/N: 1DT93AA
• Link up to 10 devices at once with Thunderbolt™ 3[1] (which also supports Display Port™ 1.2 and USB 3.1 Gen 2), four USB 3.0, RJ-45, VGA, combo audio, and two additional DisplayPort™ ports.
• Rapidly replenish your HP EliteBook's power after a demanding day with a charging station that passes power directly through a Thunderbolt™ 3 power cable.
• Multi-task with support for two UHD/4K displays that are ready as soon as you plug into to the dock.

Universal multi-generational docking

HP USB-C Universal Dock
P/N: 1MK33AA
P/N: 3DV65AA   Non-Flash*
• Use one dock for all of your devices with support for multi-generation HP notebooks and tablets through the attached USB-C™ cable[1] or the included USB-C™ to USB-A adapter.
• Connect to your accessories with one USB 3.0 charging port, three USB 2.0 ports, and one USB-C™ charging/data port. Drive dual 4K displays or one 5K display[5] from two DisplayPort™ ports. Use RJ-45 for Gigabit Ethernet and network manageability.[3]
• Avoid downtime with up to 60W of power to charge and power your connected notebook or tablet through the powered USB-C™ port, or select notebooks through the optional HP 4.5mm and USB Dock Adapter.[6]
• PXE boot support, Wake-on LAN, MAC Address Pass-Through, and LAN/WLAN switching.[7]

* For the HP USB-C Universal Dock non-flash version, drivers must be downloaded via the web. Go to www.hp.com/support.

HP USB-C Universal Dock w 4.5mm Adapter
P/N: 2UF95AA#ABA
• Designed for compatibility with industry standard USB-C™[2], dock any notebook or tablet using the USB-C™ cable or the included HP 4.5mm and USB Dock Adapter.
• Connect to your accessories, displays and network with one USB 3.0 charging port, three USB 2.0 ports, one USB-C™ charging/data port, two DisplayPort™ ports[5], and one RJ-45.[3]
• Power and charge your notebook or tablet through the powered USB-C™ port or the included HP 4.5mm and USB Dock Adapter[6] for a tidy workspace with no additional power adapter required.
• Support network manageability[4] of your device and dock with PXE boot support, Wake-on LAN[4], MAC Address Pass-Through, and LAN/WLAN switching.[7]

Notebook Stands

HP Adjustable Dual Display Stand
P/N: AW664AA#ABA

- Either or both displays can be rotated to landscape or portrait orientation and the stand is depth-, height- , tilt- and angle-adjustable so you can view both screens at eye-level as well as slightly facing each other, letting you track multiple applications and information sources at the same time. Integrated base rollers let you rotate the stand so you can more easily share your work.

HP Display and Notebook II Stand
P/N: E8G00AA#ABA

- The perfect home base for the business traveler who is constantly on the go—turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display).

HP Adjustable Display Stand
P/N: AW663AA#ABA

- Turn your HP Business Notebook into a desktop solution supporting up to a 24-inch display. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort.

HP Dual Hinge II Notebook Stand
P/N: E8F99AA#ABA

- Turn your HP Business Notebook into a desktop solution by raising your computer screen to a comfortable level. A dual-hinged, smooth-motion display stand allows for greater distance, height and tilt adjustment for maximum comfort.

HP Monitor Stand
P/N: M9X76AA

- Create a complete, compact desktop solution with the HP monitor stand, which combines your notebook, docking station, and an external monitor in a single footprint on the desk.

- Place your notebook and select docking stations on the lower shelf and add a monitor on the top shelf.

- One-year limited warranty.

Display Stands

HP Integrated Work Center Stands

P/N: E8H16AA - HP Integrated Work Center Stand for USDT & Thin Client

P/N: G1V61AA - HP Integrated Work Center for Desktop Mini, Thin Client, and ChromeBox

- The HP Integrated Work Center (IWC) Stands are designed to make the most of limited desk space without compromising performance or productivity by accommodating your form factor and most HP 17-24" diagonal LCD monitors with VESA standard mounting brackets.
- Get the IWC for USDT and Thin Clients or the IWC for Desktop Mini, Thin Client, and ChromeBox. The IWC for Desktop Mini is designed for convenient front access to your PC ports.

HP SFF Integrated WorkCenter

P/N: F2P06AA

- Maximize your available work space with the stylish and innovative HP Integrated Work Center for Small Form Factors v3, designed to match the newest HP PC designs. Create a customized All-in-One solution by combining an HP Small Form Factor (SFF) Business Desktop PC or Workstation with an LED monitor up to 24 diagonal inches.[1]

HP Height Adjustable Reclining Stand

P/N: C1N43AA

- Designed specifically for use with select HP All-in-One Desktops, the HP Height Adjustable and Reclining Stand gives you the freedom to create a unique space that works for you.

HP PC Mounting Bracket for Monitors

P/N: N6N00AA

- Customize a better solution with the HP PC Mounting Bracket for Monitors, which attaches your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind select HP ZDisplays and EliteDisplays.
- Securely attach the monitor and PC with one thumb screw.
- Compatible with most Z Displays. Compatibility based on model, not display size.

HP B500 PC Mounting Bracket

P/N: 2DW52AA

HP B300 PC Mounting Bracket

P/N: 2DW53AA

- Attach your HP Desktop Mini, HP Z2 Mini Workstation[1], HP Chromebox or select HP Thin Client for direct mounting.
- Attaches to select 2017 and 2018 HP EliteDisplays and HP Z Displays.[1]

[1] Sold separately. See product QuickSpecs for exact device and display compatibility.

HP Quick Release
P/N: EM870AA

- HP Quick Release is an easy to use, 100mm VESA-compliant, mounting solution that allows you to quickly and securely attach select flat panel monitors, Thin Clients, Desktop Mini Form Factors, AiO desktops and workstations, to a variety of stands, brackets, arms, flat surfaces, or wall mounts.

HP Single Monitor Arm
P/N: BT861AA

- The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work. Ideal for VESA enabled displays and select All-in-One PCs.

HP Hot Desk Stand
P/N: W3Z73AA

- Redefine workspace design with the HP Hot Desk Stand, a ready-to-go touchdown station that supports a monitor and dock, enhances productivity, and provides a clean and comfortable workspace. This versatile stand holds up to a 32" monitor.
- Ready, set, dock. Create a universal touchdown station by adding an HP USB or USB-C™ Dock that powers your notebook[1] and expands its functionality with just a single cable connection.

See the video

HP Hot Desk 2nd Monitor Arm
P/N: W3Z74AA

- For use with W3Z73AA HP Hot Desk Stand. Supports two 27" monitors.

[1] Dock sold separately. USB-C™ dock powers notebooks that accept power input through their USB-C™ port.

HP Wireless Business Slim Keyboard & Mouse
P/N: N3R88AA

- The HP Wireless Slim Keyboard and Mouse places advanced functionality and ease of operation at your fingertips. Stop hiding wires and regain a clutter-free work space with a cordless keyboard, cordless laser mouse, and USB wireless receiver in a single package – built with the environment in mind.

HP Business Slim SmartCard Keyboard
P/N: Z9H48AA#ABA

- Add an extra layer of security at the point of data entry with the SmartCard Keyboard, which includes an integrated smart card reader to help simplify access procedures and prevent unauthorized access to your PCs and networks. Combine with a smart card and HP Client Security[1] to create a secure and convenient way to login.

[1] Smart card and smart card middleware are required and sold separately. HP commercial products that include HP Client Security require smart card middleware to support related functionality. Third-party security software can be purchased separately. See hp.com/go/protecttools for more information.

Keyboards & Mice

HP Slim Business Keyboard/Mouse/MousePad in USB or PS/2

P/N: T4E63AA#ABA
USB Keyboard/Mouse

P/N: T4E66AA#ABA
PS/2 Keyboard/Mouse

• Full-featured full size slim USB keyboard optimized for use with multiple OS.

• A sleek, restyled keyboard that packs a familiar notebook-style layout and function keys into a smaller design that gives you more room on the desk.

• The comfortably intuitive, low-profile, quiet keys make data entry easy.

HP USB PS2 Washable Keyboard and Mouse

P/N: BU207AA#ABA

• Well-suited for environments that require keyboards and mice to be immersed and cleaned with solvents.

• Sealed structure able to be fully washed under running water (If the USB plug connector gets wet, shake dry before reconnecting).

• Waterproof exterior that protects against windblown dust, rain, splashing water and hose-directed water.

• USB extension cable allows the keyboard to be easily disconnected without having to access the computer.

• Plug and play capability when using supported Windows operating systems.

HP Slim Wireless Keyboard and Mouse

P/N: T6L04AA#ABA

• Boost productivity and maximize your workspace with this sleek, smaller space-saving keyboard using a notebook layout.

• Interact seamlessly with a full keyboard and mouse designed for either hand.

• Work up to 30 ft away from your PC with 2.4GHz wireless connectivity.

• Convenient notifications that warn you when batteries are low.
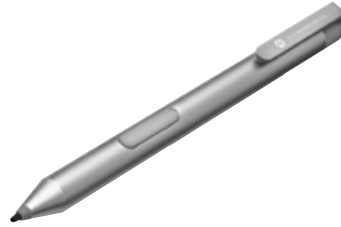

HP Slim USB Keyboard and Mouse

P/N: T6T83AA#ABA

• Maximize your workspace with a sleek, smaller space-saving keyboard using a notebook layout.

• Interact seamlessly with a full keyboard and mouse designed for either hand.

• Attaches to any USB port on your PC.

HP Slim USB Keyboard and Mouse (Bulk Qty. 10)

P/N: T6T83A6

Stylus

HP Active Pen with Spare Tips
P/N: 1FH00AA

- Sketch, blend, write and navigate on your HP ProBook x360 11 screen with the smooth control and astonishing accuracy of the HP Active Pen.

- Use the fine pen-like tip and 2048 pressure level to express your creativity. Touch only where you intend with integrated palm rejection technology that helps prevents accidental touch inputs. Store the pen in the included holder when not in use.

- Help conserve the battery life of the replaceable AAA battery with a unique, automated sleep mode.
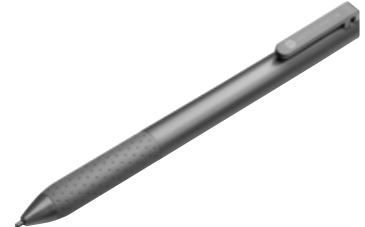

HP x360 11 EMR Pen with Eraser
P/N: 2EB40AA

- Write or draw onscreen, similar to a pencil on paper, with palm rejection technology that helps prevent accidental inputs. Adjust the pressure and angle of the pen to control the width of draw lines. Or, use then pen to interact with touch applications.

- Help ensure comfortable usage with a pen that has a rubber grip and is a compact 130-mm long and 9.5-mm around. It's easy to carry and hold, and can be tethered to the bottom of the HP Chromebook x360 11 G1 Education Edition for use in either hand.

HP Executive Tablet Pen
P/N: F3G73AA/UT

- Use with your ElitePad 1000 or Revolve 810 G2 to write messages and notes in your own handwriting directly on your HP EliteBook Revolve 810 G21 or HP ElitePad screen. Then save it—or convert it to typed text to use in other applications.

HP Digitizer Wacom Pen
P/N: K0G16AA

- Be more productive with your HP Pro x2 612 G1 with an HP Pro 612 Replacement Wacom Pen. Work cleaner by using a device that helps keep fingerprints off the screen. Replace your original pen, or add it as a backup.[1]

---

[1] The Pen is only compatible with HP Pro x2 612 G1 models ordered with a digitizer screen. Models without a built-in digitizer are incompatible with the Pen.

Memory & Storage Solutions

HP memory and storage solutions are great ways to take the productivity of your machines to the next level when you need it. All HP memory and storage modules are fully tested, warrantied and supported.

Memory solutions

Optimize your business computing performance with HP memory. Random Access Memory (RAM) temporarily stores information from your operating system, applications and data that are in current use. This allows your processor to easily access the critical information that makes your programs run. More RAM allows you to run more programs simultaneously and makes it easier to toggle between programs.

Insufficient memory and hard drive paging can slow your applications down. Upgrading your memory is a cost-effectively boosts performance without having to upgrade your processor. All HP RAM is warrantied and tested to meet the demanding needs of your business.

For workstations, HP offers Error-correcting code memory (ECC) because high performance decision-making demands high performance reliability.

Productivity Adapters & Cables

HP Side Dock RJ45/VGA Adapter

P/N: G7U78AA

• Connect the adapter to the notebook's side docking port and immediately get an Ethernet port for connecting to a wired network and a VGA port for connecting to an external display or projector.

• Store the compact adapter in your carrying case alongside your notebook so it's available whenever and wherever you need it.

HP Port Adapters

P/N: PA716AA - Serial Port Adapter Kit

P/N: KD061AA - Parallel Port Adapter

• The Second Serial Port enables customers to add a second serial connector to their desktop. The additional serial port supports a wide variety of devices that have a serial connector. The serial card also comes shipped with a full height bracket.

• The Parallel Port Adapter provides a parallel port support that can be used to connect to parallel interfaced devices.

HP UHD USB Graphics Adapter

P/N: N2U81AA#ABA

• Boost your productivity by extending or your desktop to a UHD display with the HP UHD USB Graphics Adapter.

• Plug the adapter into any USB 2.0 or 3.0 port on your PC and connect the DisplayPort connector to your UHD display.

• Experience fast USB 3.0 transfer speed for your content up to 3840x2160 resolution.

• Choose a solution that consumes less energy than an installed graphics card or a complete port replicator.

Productivity Adapters & Cables

HP USB to Serial Port Adapter
P/N: J7B60AA

• Quickly and easily add a serial port to your desktop to connect to your serial and parallel peripherals with the HP USB Serial Port Adapter, which plugs into any USB port on your PC.

HP DisplayPort to DVI-D, HDMI, or VGA Adapters
P/N: F7W96AA   HP DisplayPort to DVI Adapter

P/N: F3W43AA   HP DisplayPort to HDMI Adapter

P/N: F7W97AA   HP DisplayPort to VGA Adapter

• HP offers DisplayPort Adapters that can convert DisplayPort outputs on PCs to the desired input signal.

• Choose from DisplayPort to DVI-D, HDMI, or VGA adapters.

HP Standard HDMI Cable Kit
P/N: T6F94AA

• HDMI video/audio cable, 6 feet.

• Use the cable to connect your desktop to your standard HDMI devices and displays. 19 pin HDMI.

HP HDMI to VGA Adapter
P/N: H4F02AA

• Supports full-size, high-definition resolution of 1080p.

• Compact size is easy to carry with your notebook inside the carrying case so you can easily connect to a monitor wherever you work.

• Easy to use, plug and play connector. No software drivers necessary.

HP DisplayPort Cable Kit
P/N: VN567AA

• The HP DisplayPort Cable connects a DisplayPort output on a PC to input on a display.

HP USB Graphics Adapter
P/N: NL571AA

• The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays (one per adapter) to help you boost productivity and multi-task across several open applications.

HP USB 3.0 to Gigabit RJ45 Adapter
P/N: N7P47AA

• Convert your notebook's USB 3.0 connection to Ethernet with the HP USB 3.0 to Giga LAN Adapter. Get reliable connectivity from a wired Ethernet connection to corporate networks and the Internet.

• Connect the USB end of the adapter to your USB 3.0 or USB 2.0 port and the Ethernet connector to your Ethernet cable (sold separately).

Productivity Adapters & Cables

HP USB-C to HDMI 2.0
P/N: 1WC36AA

- Low cost, simple video connectivity to connect your tablet or other USB-C™ enabled device[1] to a monitor, TV or projector.
- Plug and play functionality to get you up and presenting fast.
- Fully tested for supported HP devices.

HP USB-C to DP Adapter
P/N: N9K78AA

- Low cost, simple video connectivity to connect your USB-C enabled notebook or tablet to a monitor, TV or projector.
- Plug and play functionality to get you up and presenting fast. Native DisplayPort video resolution support.

HP USB-C to USB-A Hub
P/N: Z6A00AA

- Convert your notebook or tablet's USB-C™ port to an easily portable USB hub and enable simultaneous connections to up to three USB accessories with the HP USB-C to USB-A Hub.
- Plug the attached USB-C™ cable into any USB-C™ port on your device, and the hub is ready for your USB accessories.
- Charge your cell phone with the hub's USB 3.0 charging port and use the other two USB ports to connect to your choice of USB accessories.

HP USB-C to VGA Adapter
P/N: N9K76AA

- Low cost, simple video connectivity to connect your USB-C enabled notebook or tablet to a monitor, TV or projector.
- Plug and play functionality to get you up and presenting fast.

HP USB-C to RJ45 Adapter
P/N: V7W66AA

- Easily connect to your network through your notebook or tablet's USB-C™ power-in port with the HP USB-C™ to RJ45 Adapter.
- Use the adapter to convert your USB-C™ port to a wired Ethernet connection and reliably access secure corporate networks or other Internet connections where wireless is spotty or unavailable (Ethernet cable required).

HP USB-C to USB 3.0 Adapter
P/N: N2Z63AA

- Convert your notebook or tablet's USB-C™ port to USB 3.0 with the HP USB-C™ to USB 3.0 Adapter.
- Use the adapter to connect to your frequently-used USB 3.0 devices through your notebook or tablet's USB-C™ port.

HP USB-C to 3mm and 4.5mm Adapter
P/N: N2Z65AA

- Travel light with the HP USB-C™ to 3 and 4.5 mm Adapter, which lets you use one power adapter to charge your tablet and notebook.
- Connect one end of the adapter to the USB-C™ port on your tablet or notebook, and on the other end, connect your HP Smart AC Adapter up to 60W.

[1] Requires platform USB-C guest protocol support.
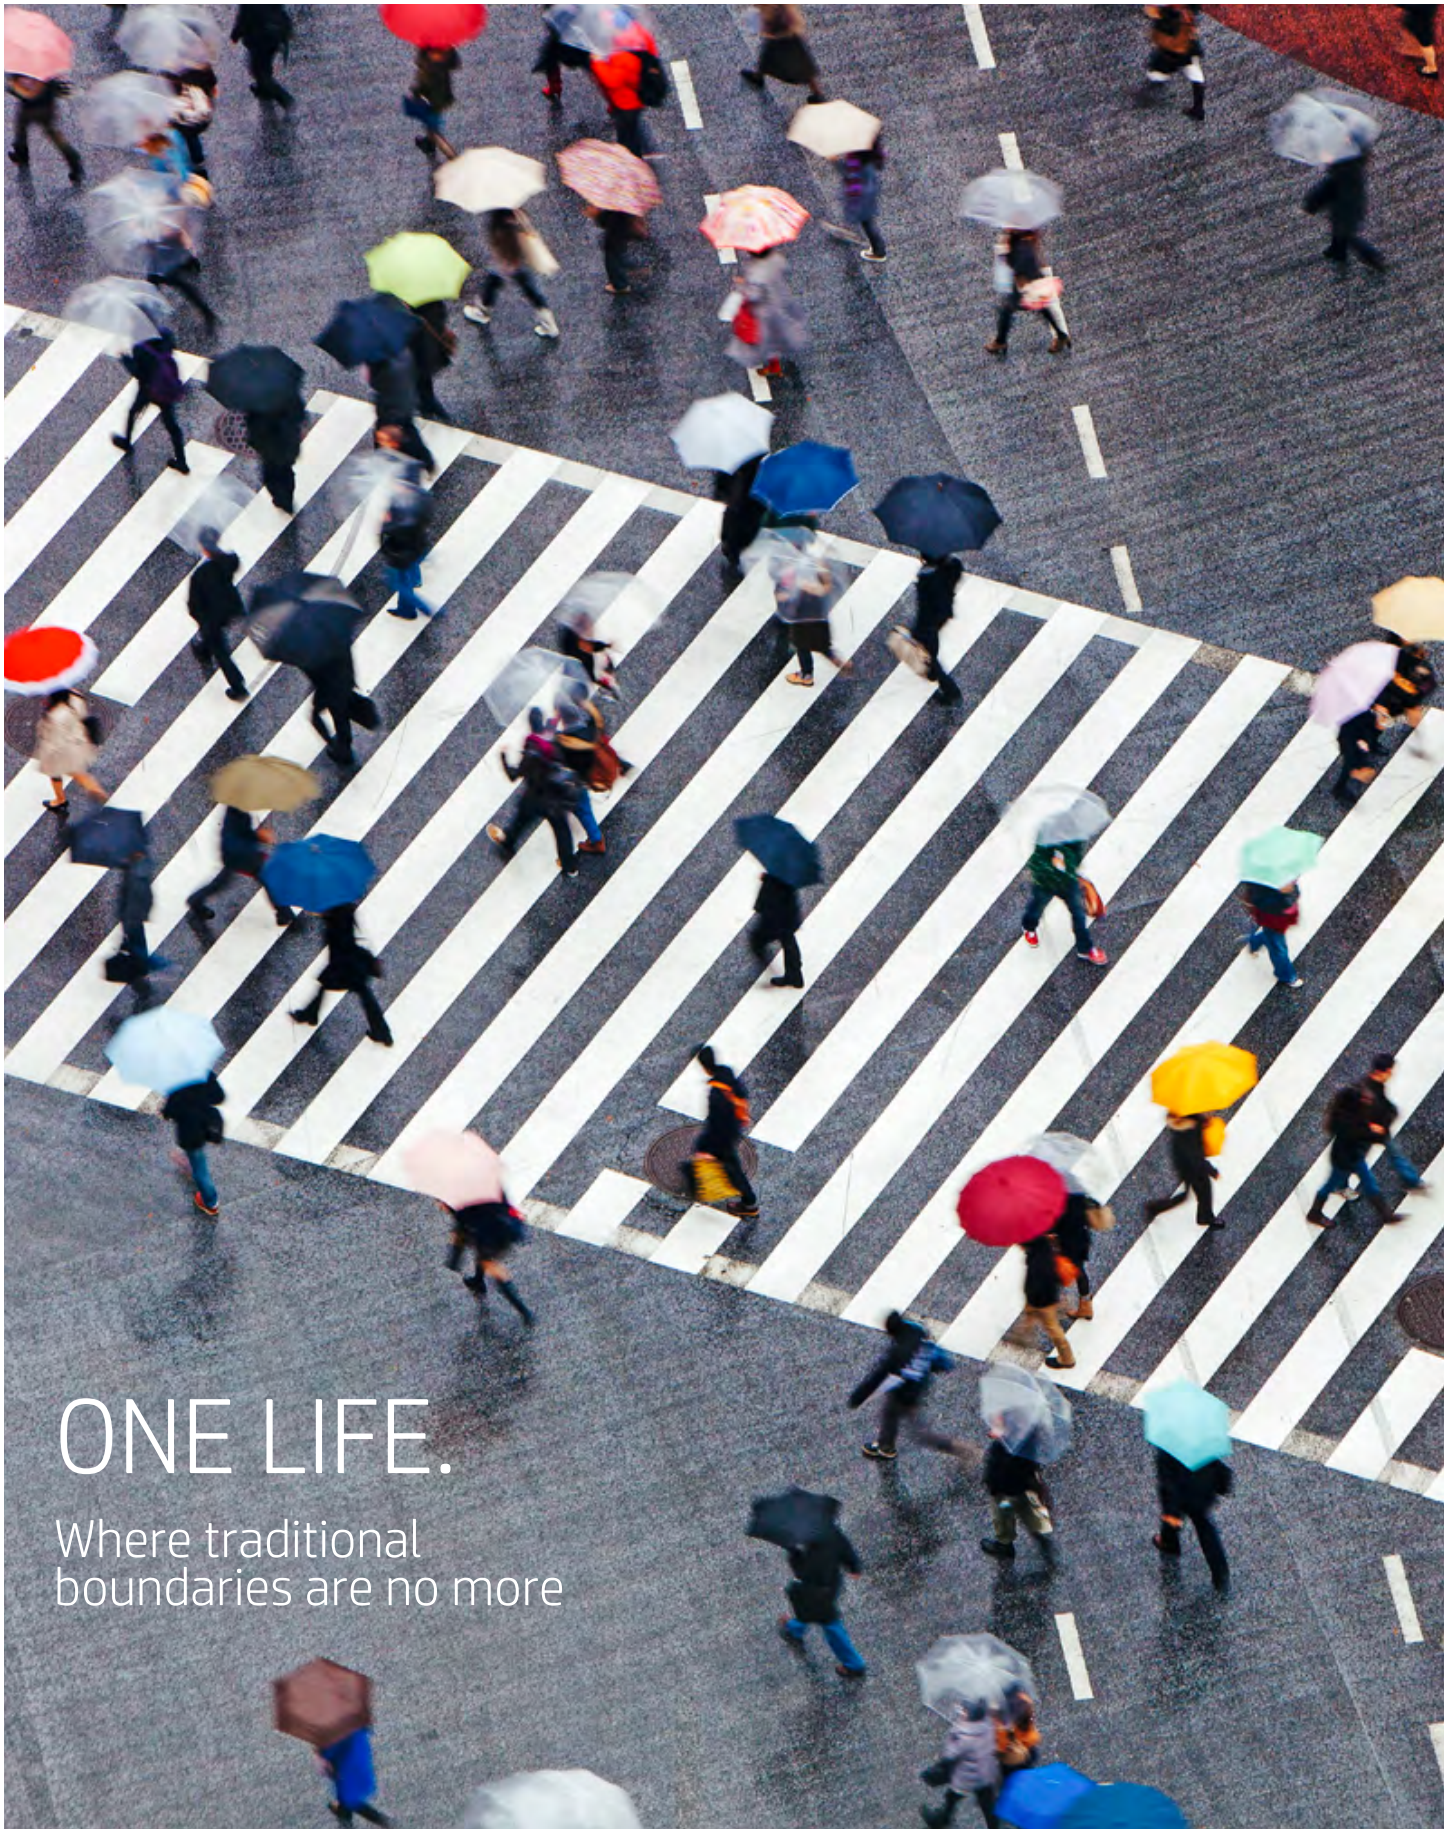

ONE LIFE.

boundaries are no more

Security & Privacy Solutions
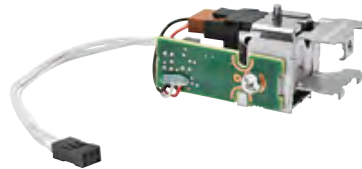

HP Solenoid Locks and Hood Sensor
P/N: E0X96AA / E0X97AA

HP 800 G3 SFF Solenoid Lock
P/N: 1CA50AA

• Help protect your PC from unauthorized tampering or theft with a hood sensor and chassis cover lock. Integrated software alerts admins to tampering or removal, and allows you to activate and deactivate the lock from a central or remote location[1].

HP Business Slim Smartcard Keyboard
P/N: Z9H48AA

• Boost your productivity, make a stylish IT choice, and get integrated security features with the HP USB Slim Smartcard Keyboard, which has a built-in smart card reader and is designed to complement the latest HP Business PCs.

[1] Network connection required and sold separately.

| Works with	Product & SKU	Description
Business PC	**HP Business PC Security Lock v3** 3XJ17AA	• Only one lock needed to support both the platform, monitor, and cables. • Supports both Small Form Factors (SFF) and Towers. • 1-year limited warranty.
Notebooks	**HP Essential Combination Lock** T0Y16AA	• Designed for any notebook with a standard lock slot. • Route the 4 ft galvanized steel cable around any secure object, attach to your notebook, and lock with the push-button and a 4-digit combination. • Push to lock provides a one-handed locking solution. • Flexible cable head can be positioned 360˚, 1-year limited warranty.
	HP Combination Lock T0Y15AA	• Designed for any notebook with a standard lock slot. • Route the 6 ft galvanized steel cable around any secure object, attach to your notebook, and lock with the push-button and a 4-digit combination. • Push to lock provides a one-handed locking solution. • Flexible cable head can be positioned 360˚, 1-year limited warranty.
	HP Essential Keyed Cable Lock T0Y14AA	• Designed for any notebook with a standard lock slot. • Wrap the cable around a secure object, attach to your notebook, and lock with a unique key. • Flexible cable head can be positioned 360˚, 1-year limited warranty.
Ultra-thin Notebooks & Desktops	**HP Keyed Cable Lock 10mm** T1A62AA **Master Cable Lock** T1A63AA	• Thinner and stronger than ever before. • Keep your ultra-thin notebook secure in high-traffic areas with the 10mm lock designed specifically for ultra-thin notebooks. • Six feet of galvanized steel wraps around a secure object and your notebook. • Flexible cable head can be positioned 360˚, 1-year limited warranty.
Notebook/ Desktop + 1 Device	**HP Dual Head Keyed Cable Lock** T1A64AA **Master Cable Lock** T1A65AA	• Security for your Notebook and one device (display, printer or dock). Loop the 7 ft galvanized steel cable around a secure object, attach one lock to your notebook and the other to a dock, printer or display. • One key solution for both locks keeps it simple. • Flexible cable head can be positioned 360˚, 1-year limited warranty.
Mobility: Tablets, Detachables	**HP Nano Keyed Cable Lock** 1AJ39AA	• Lock your notebook or tablet down in the office and high-traffic public areas by tethering it to a secure surface with the thin profile HP Nano Keyed Cable Lock.
	HP Tablet Lock T8X45AA	• Made for the slim profile of your tablet, a 10mm lock works on a flat surface, or in a dock or keyboard. • Wrap a 6 ft steel cable around a secure object, attach to the tablet, push in the cable, and secure with the master key. • Flexible cable head can be positioned 360˚, 1-year limited warranty.
Docking Station Option to secure notebook	**HP Docking Station Cable Lock** AU656AA#ABA AU656A6 25 pack	• Dramatically simpler to use than previous locks and delivers enhanced security. Gives you two locking options: Lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.
	HP Master Keyed Docking Station Cable Lock AY474AA#ABA	• The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. • The HP Docking Station Cable Lock gives you two locking options: Lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook. Important: There is a 25 Unit minimum required per order.

Security & Privacy Solutions
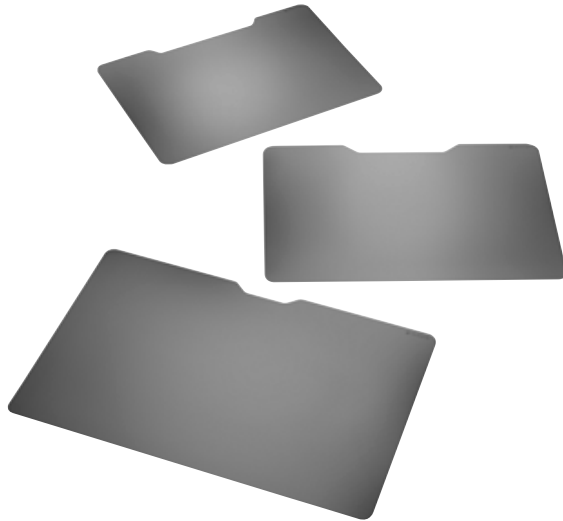

HP Touchable Privacy Filters

P/N: 3KP51AA – HP 13.3" Touchable Privacy Filter

P/N: 3KP52AA – HP 14" Touchable Privacy Filter

P/N: 3KP53AA – HP 15.6" Touchable Privacy Filter

- Retain your screen's crystal clarity through the HP 13.3", 14.0", or 15.6" Privacy Filters for Touch[1], a filter that inhibits a direct view of your content from everyone but you and resists scratches and glare.[1]
- No interference: Retain the use of your notebook's camera, sensors, and interactive touchscreen and pen input features through the filter that is anti-glare and resists scratches and fingerprints.
- Apply and remove the filter with reusable adhesive tape; no cutting or resizing required. Use the included cloth for easy screen cleaning before and after filter application.

HP Privacy Filters for Touch, designed by 3M

P/N: V8Z56AA#ABA – 12.5"

P/N: V8Z57AA#ABA – 14.0"

P/N: V8Z58AA#ABA – 15.6"

- Prevent visual hacking of confidential information using the new HP Privacy Filters for TouchScreens.
- With a viewing angle of 60˚, the filters provide a clear view to the notebook user, but shield on-screen data from onlookers.
- Get full touch functionality and compatibility, does not interfere with sensors, cameras, or accessory pens.
- Keeps your touchscreen scratch- and fingerprint-free. Anti-glare feature minimizes eye strain.

HP 14.0" / 15.6" Display Privacy Filter

P/N: J6E65AA   HP 14.0" Notebook Privacy Filter

P/N: J7H71AA   HP 15.6" Notebook Privacy Filter

- Work with confidence that your screen is not readily visible to others. Narrows the screen viewing angle without causing image distortion or blurring for the user.

[1] Designed for optimum use with select touch screens. Check compatibility prior to purchase.

Commercial Display Overview

Z Display

Style & Creative Power

Built for the mission critical user experience

• Award-winning HP DreamColor technology*
• Ultra High Definition 4K resolution*
• Tested durability for mission critical projects
• Innovative design and immersive curved display*

EliteDisplay S-Series

Style & Business Power

Delivering the newest technologies and design trends for the modern and mobile workforce

• Premium designs
• Office of the future technology
• Curved monitor for an immersive experience*
• Portable and docking monitors for on-the-go
• USB-C™ connectivity with power delivery*

EliteDisplay E-Series

Business Power

Style meets substance for optimal viewing, productivity, and ergonomics

• Modern and stylish business displays
• Industry-leading ergonomic adjustable design
• Leading environmental certifications
• Efficient workspaces by attaching an HP Mini to the back
• Next-generation connectivity

ProDisplay

Business Basic

Affordable, energy efficient monitors for growing success

• Everyday productivity
• Environmental efficiency and reduced power consumption
• Stable, reliable offering, legendary quality
• Efficient workspaces by attaching an HP Mini to the back

HP Value

Simple Efficiency

Best-priced monitors from a trusted brand

• Basic productivity and value-focused solution
• TAA compliant models available
• Attractive price with trusted quality

Transform the classroom to a smarter room

HP Classroom Manager 3.0

P/N: V1M61AA#ABA
      HP CM Teacher For School Pack

• Take control of the classroom and manage student PCs, Android devices, and Chromebooks with HP Classroom Manager 3.0. Enjoy an intuitive, easy-to-use experience with an array of digital tools designed to redefine the digital classroom, prevent unwanted distractions, and enhance student learning.

HP Prime Graphing Wireless Calculator

P/N: G8X92AA

• Experience hand-held calculating in the age of touch with a full-color, multi-touch calculator that has touchscreen or keypad interaction, powerful math applications, formative assessment tools, wireless connectivity[1], and a Li-ion rechargeable battery.

• College Board and IB approved. Rest easy with a calculator that's College Board-approved for use on the PSAT/NMSQT®, SAT®, SAT® Subject Tests in Mathematics, and select AP® Exams; and International Baccalaureate®-approved for use on IB Diploma Programme examinations.

HP Black 11.6" Sleeve

P/N:3NP78AA

• Enable students to easily and safely transport an HP Chromebook or x360 notebook from home to the bus to the classroom with the lightweight HP Black 11.6'' Sleeve.

• Help prevent minor scrapes and scratches on your device with a protective sleeve.

• Carry the compact sleeve by hand with the double hand straps or slip strap, or slide it into your backpack.

HP Black 11.6 Always-On Case

P/N: 2MY57AA

• Keep your HP Chromebooks and notebooks safe from bumps and external scratches while students are working in the classroom and on the move.

• Designed to help protect your notebook with interior padding, a molded pen holder, and rubber feet.

• Use the case in and out of class with cutouts for easy access to the device's ports and connectors; easily carry with the hand slip strap or top handle. Store a student ID in the ID card slot.

HP ProBook x360 Protective Case

P/N: 1JS00AA

HP Chromebook x360 Protective Case

P/N: 1JS01AA

• Your classroom's Chromebooks are safer from sliding off desks with the enhanced durability of our case that is designed to pass mil-std drop testing and can be wiped clean.

• Easy to assemble and has a perfect two-piece fit that snaps on your HP Chromebook and leaves inputs and connectors accessible.

[1] Compatible with HP Prime Graphing Calculator SKU G8X92AA. The HP Prime Wireless Kit is sold separately and includes 1 PC antenna and 30 wireless modules, with bi-directional transmission range up to 15 m.

Desktop Mini Solutions

Desktop Mini Solutions

Rack mount

HP Desktop Mini Rack Mount Module
P/N: G1K21AA

- Put your HP Desktop Mini PCs to work behind the scenes with HP Desktop Mini Rack Mount Tray Kit, which holds up to 8 Minis and fits into the HP 100kg Sliding Shelf.[1]
- Secure your data center — Use the Kit with existing industry-standard HP 100kg Sliding Shelf[1] for a secure, easy-to-use, and durable solution allowing you to store your Mini PC inside a closet or storage area.

Input/Output

HP Desktop Mini I/O Module
P/N: K9Q84AA

- Keep working with your existing peripherals and add legacy ports to your Mini PC with the HP Desktop Mini I/O Module.
- Easy assembly — Slide and hook the Module to the PC with the included screws, connect with the included USB 2.0 cable, and use the integrated VESA mount to place the Module wherever you need it.
- Secure it — The optional HP Ultra-Slim Cable Lock secures it to your HP Desktop Mini PC.
- Serial Port is powered by USB connection.

Adapters

HP 65w Mini Power Supply Kit
P/N: L2X04AA

HP 90w Mini Power Supply Kit
P/N: L4R65AA

- Keep an extra HP Desktop Mini adapter at the ready. Use your HP Desktop Mini on the go with the HP Desktop 65W or 90W Mini Power Supply Kit.[2]
- Compact and easy to use. Connect one end of the adapter to your HP Desktop Mini and plug the other end into a standard outlet. It fits easily in a range of settings—on the desk, behind a display, or mounted on a wall.

Cover

HP Desktop Mini G3 Port Cover
P/N: 1ZE52AA

- Easily slides and clicks into rear slots on the PC and attaches without any screws or additional parts.
- Can be used when unit is positioned in vertical HP Vertical Chassis Tower Stand.
- Compatible with Desktop Mini G2 units only.

Storage

HP Desktop Mini 500GB HDD/ I/O Expansion Module
P/N: K9Q82AA

- Add an extra hard drive to your HP Desktop Mini PC and enable compatibility with your existing and legacy peripherals with the HP Desktop Mini 500GB HDD/I/O Module.
- Easy assembly – Slide and hook the Module to the Mini with the included screws, connect with the included USB 2.0 cable, and use the integrated VESA mount to place the Module wherever you need it.
- Secure it – The optional HP Ultra-Slim Cable Lock secures it to your HP Desktop Mini PC.

HP Desktop Mini DVD Writer ODD Expansion Module
P/N: K9Q83AA

- Add a DVD writer to your HP Desktop Mini PC with HP Desktop Mini DVD Writer ODD Module.[3]
- Easy assembly – Slide and hook the Module to the Mini with the included screws, connect with the included USB 2.0 cable, and use the integrated VESA mount to place the Module wherever you need it.
- Secure it – The optional HP Ultra-Slim Cable Lock secures it to your HP Desktop Mini PC.

Security

HP Desktop Mini Security/Dual VESA Sleeve v2
P/N: 2JA32AA

- The HP Desktop Mini Security/Dual VESA Sleeve wraps for flexible, secure mounting.
- Mix and Match – Use this Sleeve with the HP Desktop Mini by itself, or with the PC and a separately purchased Expansion Module.[3]
- Secure it – Mount your PC behind your display, position it on a wall, and lock with the optional HP Ultra-Slim Cable Lock.
- Retain connectivity – Easy access to all of your ports with a Sleeve and cutouts designed exclusively for your HP Desktop Mini PC.[4]

HP Desktop Mini Lockbox
P/N: 3EJ57AA

- Pint-sized armor. HP's most secure enclosure for your PC, power brick, and cable connections.
- Defend your investment.
- Help deter pulling, tugging, or disconnecting cables with integrated cable routing clips.
- Place your PC, power brick, and cable connections inside the enclosure and use the VESA pattern to mount to a flat surface, like a wall or desk.
- After you've installed and mounted your system inside the HP Desktop LockBox, add a traditional padlock or an HP UltraSlim Lock for an extra layer of protection.

HP VESA Power Supply Holder Kit
P/N: 1RL87AA

- Simplify cable management when mounting your HP Desktop Mini with the HP DM VESA Power Supply Holder Kit, which attaches to your HP Desktop Mini Security/Dual VESA Sleeve v2 (2JA32AA) to reduce cable clutter from the PC's power supply cable and brick.

HP B300 PC Mounting Bracket
P/N: 2DW53AA

- Maximize your available work area with a single-footprint solution. Simply attach the bracket to the back of your display's stand, and your PC platform to the bracket. It's that easy! Reduce cable clutter with short USB A to B and DisplayPort™ cables.

---

[1] Each Kit holds eight HP Desktop Mini PCs. Up to 2 Kits will fit into the HP 100kg Sliding Shelf, sold separately. To leave room for cabling, all eight slots may not be available in each kit.
[2] See Product QuickSpecs for exact model compatibility.
[3] Each sold separately.
[4] Security Sleeve does not support HP 800 G2 / G3 65W Desktop Minis.

Workstation Solutions

The world's first mini workstation[1]

Workstation power in a package 90% smaller than a traditional business-class tower[2]

www.hp.com/go/z2mini

See the video

For the Z2 Mini G3

HP B300 PC Mounting Bracket
P/N: 2DW53AA

HP B500 PC Mounting Bracket
P/N: 2DW52AA

- Attach your HP Desktop Mini, HP Z2 Mini Workstation, HP Chromebox or select HP Thin Client for direct mounting.
- Attaches to select 2017 and 2018 HP EliteDisplays and HP Z Displays.[3]

HP Z27 27-inch 4K UHD Display
P/N: 2TB68AA

- Optimize your workflows with a large, 4K[4] display. View more lines of code, bigger spreadsheets, and vibrant colors, all with minimal toggling and scrolling.

HP DreamColor Z31x Studio Display
PN: Z4Y82AA

A Visionary Display
- Designed for the world's elite color professionals, the award-winning HP DreamColor Technology brings the industry's boldest visions to life. Captivate with Cinema 4K resolution, an expansive color gamut for remarkably vivid colors, integrated colorimeter and custom-tailored management tools.

HP USB 1000dpi Laser Mouse
P/N: QY778AT

- Obtain the speed and accuracy of laser tracking in a simple, elegant design with the HP USB 1000dpi Laser Mouse – for the latest in laser sensing technology.

[1] Based on publicly available information of workstation competitors as of October 3, 2016 with volume of at least 1 million units annually as of October 3,2016 having < 3 liters volume, professional graphics, Intel® Xeon® Quad Core processor, ISV certified applications, ECC memory.
[2] Based on business-class towers with >1 million units annually as of October 3, 2016 with performance measured by processor clock speed and ViewPerf12 rating, having 4th or 6th Gen Intel processors or AMD Pro processors, integrated VESA mount, VGA, 6 USB Ports, Windows Pro OS and TPM.
[3] Sold separately. See product QuickSpecs for exact device and display compatibility.
[4] 4K Content required.

For the ZBook Studio Ultrabook

HP Thunderbolt Dock G2

P/N: 2UK38AA 230W

P/N: 3TR87AA w/Combo Cable

- Connect a single USB-C™ cable to your notebook to access a wired network, data, video, and charging with a dock that supports both HP and non-HP Thunderbolt™ and USB-C™ notebooks.

- See every color and detail of your projects with a superfast connection to dual external 4K displays as soon as you plug your notebook into the dock.

See the complete details on pg. 24

HP Thunderbolt Dock Audio Module

P/N: 3AQ21AA

- Designed for small team rooms, closed and home offices — take calls[2] without a headset with the HP Thunderbolt Dock Audio Module, which attaches vertically to the dock[8] with no additional cabling.

- Experience stereo sound and collaborate easily with built-in HP Noise Cancellation. LEDs confirm successful call connection and slight button haptic confirms interaction with call controls.

- Snap the Module on top of your HP Thunderbolt Dock G2[8] with a simple connector and secure with a screw for a clean solution with no messy cables.

HP ZBook 150W & 200W Thunderbolt 3 Docks

P/N: P5Q58AA 150W

P/N: P5Q61AA 200W

- Link up to 10 devices at once plus simultaneous charging with the HP ZBook Dock with Thunderbolt 3[3] (which also supports DisplayPort 1.2 and USB 3.1 Gen 2), four USB 3.0, RJ-45, VGA, combo audio, and 2 additional DisplayPorts.

- Rapidly replenish your HP ZBook's power after a demanding day with a charging station that passes power directly through a USB-C Thunderbolt™[5] cable to your HP ZBook.

- Multi-task to the extreme with support for two UHD/4K Displays[4] that are ready as soon as you plug in.

HP Executive 15.6 Midnight Top Load

P/N: 1KM15AA

- Protect your 15.6" HP notebook while you're on the move with the HP Executive Top Load, which has a lockable[5], double-tooth zippered notebook compartment, secure RFID pocket to safeguard your ID, and a discrete pocket for an optional tracking device.

HP 17.3 Business Slim Top Load

P/N: 2UW02AA

- Make it easy to carry and help protect your 17.3" diagonal notebook when you're on the move with the HP 17.3 Business Top Load.

- Put a buffer between your personal information and electronic pickpockets with an RFID pocket that helps protect credit card and passport data; deter tampering with double-coil, lockable[5] zippers.

HP USB-C to HDMI Display Adapter

P/N: 1WC36AA

- Project your notebook or tablet's high-definition video and audio content to an external display, TV, or projector with the HP USBC™ to HDMI Adapter.

HP External USB DVDRW Drive

P/N: F2B56AA

- Connect the HP External USB DVD/RW to any available USB port on your PC to get immediate read/write access to your optical media.

www.hp.com/go/workstation

[1] Internet access required and sold separately.

[2] Dock sold separately.

[3] Install all the latest drivers for your Thunderbolt device before connecting the device to the Thunderbolt port. Thunderbolt cable and Thunderbolt device (sold separately) must be compatible with Windows. To determine whether your device is Thunderbolt Certified for Windows, see https://thunderbolttechnology.net/products.
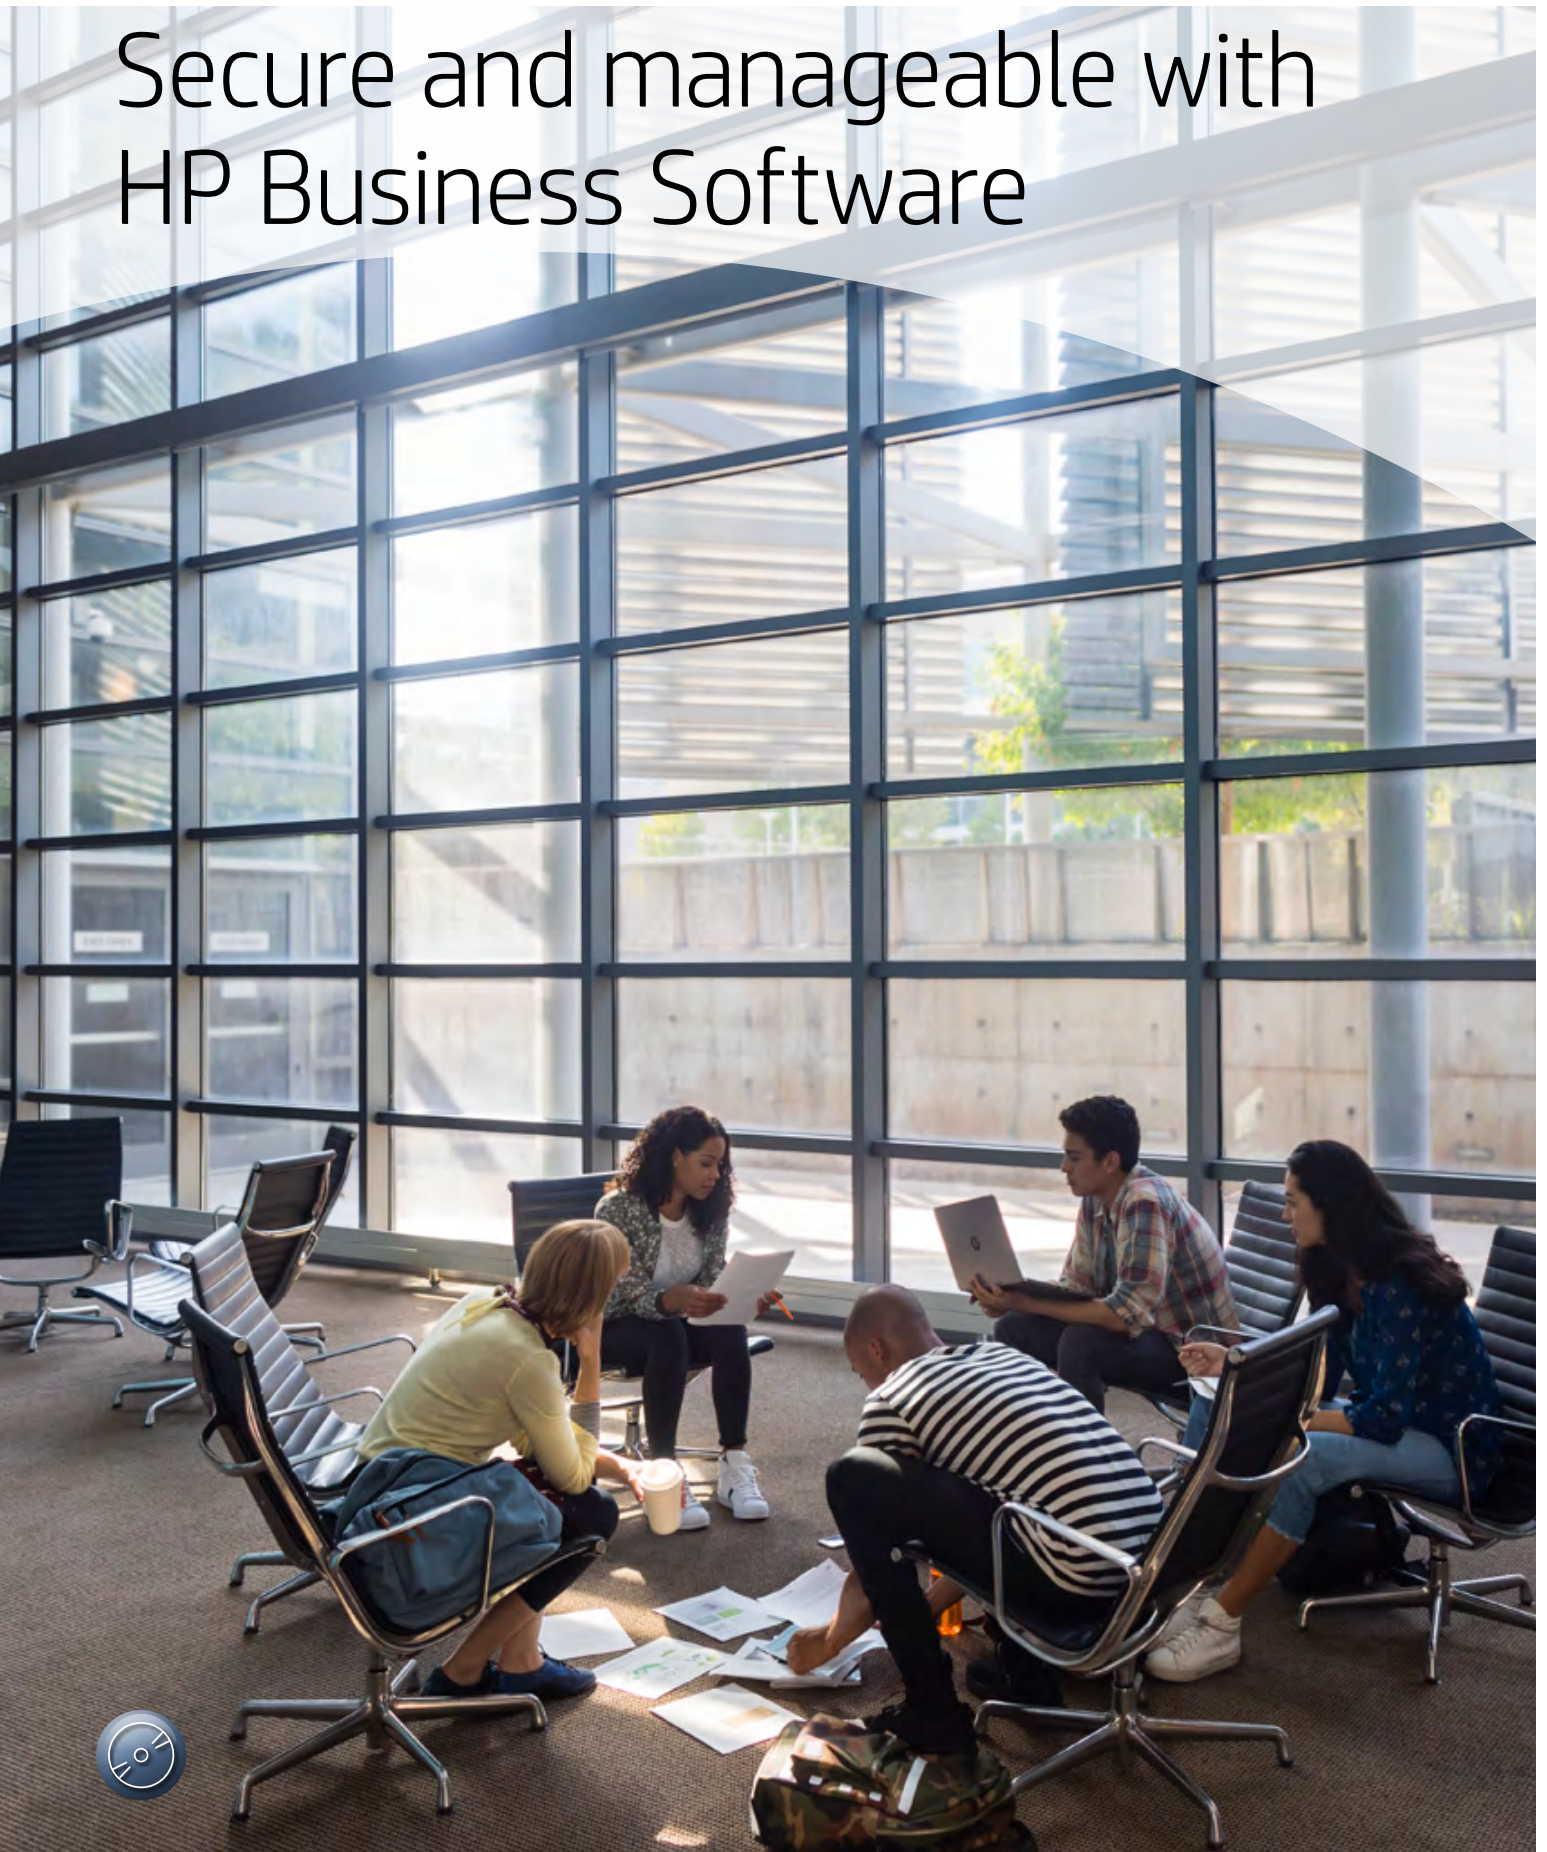

[4] To support dual 4k monitors, connect one monitor via DisplayPort and one via the USB-C connector and a USB-C to DP dongle. Dual 2k monitors can be supported using both DisplayPorts..

[5] Sold separately.

Secure and manageable with HP Business Software

Software Solutions

Business software solutions improve productivity and manageability, reduce downtime, and secure critical information. Manageability, security, and productivity through HP branded software solutions.

HP TouchPoint Manager Solutions

Mobility is transforming the workplace—requiring organizations to support more remote workers, field agents, and devices than ever before. This can present challenges for IT managers, especially when resources are limited. HP Touchpoint Manager gives organizations a one-stop solution for managing users, data, and devices—regardless of brand or operating system[1]—from a simple-to-use dashboard. There is no logging in and out of different applications, so you can solve problems faster and easier.

SecureDoc for HP

SecureDoc for HP is a centrally managed version of HP Drive Encryption that allows HP customers to increase administrative efficiency, improve end user experiences, and reduce the total cost of IT ownership—all while ensuring maximum security and transparency in regular work flow.

For more information please contact hpsales@winmagic.com

LANDESK

Remotely discover, control, administer, and manage computing hardware and software with Systems Management from LANDESK.

hp@landesk.com to submit your customer's IT issues and find out how LANDESK and HP can help.

HP Remote Graphics Software

The remote desktop solution for serious workstation users and their most demanding applications. HP ships HP Remote Graphics Software with all HP Z Workstations.

This offering is for non-workstations or non-HP workstations. Find out more at hp.com/go/rgs

[1] HP Touchpoint Manager supports Android and Windows operating systems, iPhone and iPad devices, and PCs, notebooks, tablets, and smartphones from various manufacturers. Not available in all countries. Subscription plan is required. Visit hp.com/touchpoint for availability information, pricing, and system requirements.
