MasterAccessory Wrist Rest

Soft foam wrist rest for MasterKeys keyboards

Equip your first grade gear with a first grade accessory and let your hands enjoy maximum comfort.

Cooler Master's MasterAccessory Wrist Rest was specially designed for the keyboards of MasterKeys series and further enhances their user experience. The soft foam pillow provides protection from injuries that may result from prolonged work or gaming sessions and lowers the physical fatigue. The soft surface is backed by a rubberized base that makes the wrist rest sit steadily on any table. When using the MA Wrist Rest on daily bases simply wash it in your hands and start again with a clean slate.

Features

Extreme comfort: Soft foam pillow evenly distributes the weight of your hand, reduces physical fatigue and helps prevent injuries that result from repetitive movements.

Perfect match: MA Wrist Rest size and shape has been carefully designed to provide a perfect match to your MasterKeys series keyboard of corresponding length.

One with the table: Anti-slip rubberized base with smart embossed pattern ensures stability of the wrist rest on any surface.

Smooth touch: Smooth, low friction surface helps prevent skin irritation and sweating during longer use.

Easy to clean: MA Wrist Rest is hand washable and thus easy to keep clean even during frequent use.
