

Designed for optimum portability

Tecra A40-G-103

The dynabook Tecra A40 is an exceptionally portable yet connected and secure 14" business laptop, specifically designed to meet the needs of the modern mobile worker. Using dynabook's top class in-house design, engineering and manufacturing expertise, the Tecra A40 is tested to rigorous MIL-STD-810G quality standards to ensure it's ready for life on the road. With a 10th generation CPU and SSD storage housed within its elegant, ultra-thin and sturdy chassis, the Tecra A40 delivers up to 13 hours of battery life*.

We understand that life on the road can present risks, so business security is well taken care of. Our unique in-house BIOS offers maximum security, along with TPM plus optional biometric login and other authentication features.
