MasterCase Maker 5 MSI Dragon Edition

MCZ-005M-KWN00-MI

Your VR Ready MasterCase

Features

FreeForm™ Modular System – Easily Customize, Adjust and Upgrade your case.

Enhanced VR Ready I/O panel – a HDMI front port and three USB 3.0 ports in the I/O panel are the perfect ingredients to make this case VR ready.

MSI themed look – The case is beautifully crafted with MSI colors theme and its dragon logo.

Magnetic paneling – Front and top panels fit snugly with a magnetic grip.

Sound suppression – Padded front panel and meshed top panel with removable top cover plate.

Custom air cooling – Support up to six 140mm fans. Three in the front and two on the top for top-down cooling.

Clip-and-Click – Unique components panel for drive cage adjustment.

Diverse 280mm liquid cooling – Water cooling bracket enables top cooling, while shifting the bottom-mounted HDD cage allows for front installation.

Dual chamber design – Partition plate isolates power supply and give options for clean cable management.

Slip-and-Clip SSD pockets – Two pockets which have four mounting positions behind the motherboard tray and on top of the partition plate.

The new wave of case technology pioneered by our MasterCase series crests with the unique **FreeForm™ Modular System**, which allows unparalleled flexibility to upgrade your case via the addition of top panels or doors, adjusting aesthetics, thermal performance and layout flexibility.

In collaboration between Cooler Master and MSI we bring for you a case with an enhanced VR Ready I/O panel. Plug your VR unit into a conveniently placed HDMI front port and you are ready to go. The case has a MSI themed look due to the beautifully crafted MSI colors theme and its dragon logo. Combined with a Cooler Master MasterCase Maker 5, this high quality package is made to satisfy VR users, gamers and PC enthusiasts.
